THE COUNTY SEAT NEWSPAPER

TOM BRITT IS NAMED HEAD OF COUNTY 'CROP'

Add another to the list to whom you will give a Christmas present this year and let this be a child in some overseas country who needs help in the form of daily food.

That is the plea of Tom Britt, chairman of the Wheeler County Christian Rural Overseas Program (CROP).

Mr. Britt points out that there are millions of children in the world today who go to bed with hunger pains every night.

"Everyone can give to CROP even though the emphasis is placed on the giving of commodities. Those who do not have commodities can give cash for the purchase of food and fiber commodities," Mr. Britt stated.

Contributions given to CROP are used for the distribution of commodities in bulk to the needy, irrespective of race or creed, by established church relief agencies. Much of this is used for orphaned children in destitute circumstances.

"Prevent a tear to drop; bring a smile through CROP," is a slogan anyone might take to heart, Chairman Britt stated. Christmas to many a lonely and hungry child will only come to it when it receives the food made possible through CROP.

Mr. Britt will announce plans for the Wheeler County drive for CROP soon.

Assisting the chairman are the following committeemen:

W. K. Frey, Wheeler, convener; Bob Douglas, Shamrock, secretary; J. C. Howell, Wheeler, commodity; John Kennedy and Arval Montgomery, publicity.

Other committeemen are: T. E. Trostle, Mr. and Mrs. C. D. Evans and Mrs. E. E. Sheegog, all of Shamrock; Rev. D. L. Egger and Mr. and Mrs. Hastings, Wheeler; Mrs. J. C. Nix, Leia.

MISS BROWN FFA SWEETHEART

Miss Edwina Brown has been elected FFA Sweetheart this year by a ballot of the members of the chapter it was announced this week.

James Clepper, vocational agriculture instructor, points out the fact that the local chapter used a different method of electing their sweetheart this year than that used in the past. She was elected by a vote of the members in a secret ballot rather than by a contest in which votes were sold as has been the custom in the past.

Miss Brown will represent the chapter at this year's district sweetheart contest which is to be held Saturday at Panhandle and should she win there, she will represent the Top-O' Texas District at the area contest in Plainview later. The local chapter, and one member in particular, believes Miss Brown will carry away top honors at both the district and area contests.

J. T. Johnson, one of the top hands in the local FFA chapter, will be a candidate for the Lone Star Farmer award at the district contests in Panhandle Saturday.

Mr. and Mrs. Jack Denning and son of Borger visited Sunday in the home of her sister, Mrs. Harold Nash.

Mr. and Mrs. Clarence Howell of Chillicothe spent the weekend in the home of his son, J. C. Howell, and family.

Eighty-eight members of the Masonic Lodge made a trip to Reydon, Oklahoma last night and gave members of Reydon lodge a demonstration of the way Masonic work is done in Texas. In return for the information, we understand, the group set up a luscious dinner for everyone who was present.

Corner would like to call attention to the nice advertising programs which will be put out at the Legion's Minstrel Friday night and point out member in which the local women supported the proposed taking advertising space they knew every penny of proceeds were going to stay here at home and support our local organization.

Legion Minstrel To Be Presented At Gym Friday Night

The Legion's big Negro Minstrel is set for Friday night and judging from reports of members of the cast every player is ready and rarin' to go, all of which points to a jam up good show. Curtain time Friday night is 7:30, and the place is the Wheeler Gymnasium.

Anyone who misses this big show will miss the most fun they have had a chance at in a long time according to reports from outsiders who have stood in and watched the boys practice.

The show is an altogether home talent, home directed production and every penny raised by this production will be used to carry on the activities of the West-Passions Post No. 138 American Legion.

RETAILERS PLAN BIG YEAR-END SALES DRIVE

Christmas Eve comes on a Saturday. This means the gift shopping season will come to a close on what is generally the heaviest shopping day of the week.

Price conscious customers who have been weighing every gift purchase carefully, will be making up their minds about what they are going to buy for whom, right up to the last minute.

Wise retailers, conscious of the fact that how much merchandise they are able to clear out of their stores during the holiday season, will determine the status of their profit and loss statement for the year, have increased their advertising budgets for the final push.

Are you as a retailer, putting the proper effort behind your Holiday Selling Program? The time to determine that is now. The check could continue almost daily, as time permits, to the finish.

A yardstick for gauging your efforts to bring 1949 to a satisfactory close has been furnished by the Sales Promotion division of the National Retail Dry Goods Association.

The yardstick was defined in a paper delivered recently by Howard W. Abrahams, NRPGA Sales Promotion division manager, in which he summarized research into trends and plans for member stores.

The major part of this paper outlined fourteen points for "Profitable Year End Business" in 1949. His research prompted him to predict "the largest retail advertising dollar expenditure in history." He characterized "Promotion" as "today's secret weapon" for business.

The yardstick was set forth as the first of his fourteen points. "Stores are striking hard as a fitting windup to the year," he said.

Selling Pays Off
With only 15 per cent of the year's business days left during the last two months of the year, the retailing industry did 25 per cent of the year's actual business in 1948.

Normally, he pointed out, retailing appropriations parallel retail sales.

This means that close to 25 per cent of the advertising done by any store during 1949, will have been used during the last two months of this year.

Last year's hard selling paid off though the year's total volume was off slightly from the preceding boom year.

Policy Continued
Smart merchants continued the "hard selling" policy from the Holiday season of 1948 into 1949 through the obvious period of readjustment. (Continued on Last Page)

PUBLIC INVITED FOOTBALL FEED MONDAY NIGHT

Tickets for the annual football banquet which is scheduled for Monday night, December 5 at the school cafeteria are now on sale at both the City and Wheeler Drug stores according to sponsors of the pep squad who annually give the affair for the grid warriors.

Line Coach Jack Krout of West Texas State College at Canyon has accepted an invitation to deliver the principal address of the evening. Other features on the program will include the naming of 1949 lettermen and other items which are always peculiar to an affair of this sort.

Plates are \$1.25 each and everyone who plans to attend should purchase his tickets immediately in order that persons preparing the meal will be able to judge correctly the amount of food to fix.

In the past, the football banquet has been a closed affair for football players, pep squad members, teachers and a few invited guests, but some local fans voiced a desire to attend the affair and help pay tribute to the lads who played for their enjoyment on the gridiron. Since the affair has been thrown open to the public it is hoped that a large number of fans will be in attendance.

MRS. J. HEATH DROWNS SUNDAY

Funeral services for Mrs. Jewel E. Heath were conducted from the First Baptist Church here Tuesday afternoon at 3:00 o'clock with Rev. M. B. Smith in charge, assisted by Rev. Darris L. Egger.

Mrs. Heath's body was bound at 3:15 p. m. Sunday in a small lake on the Albert Chapman farm east of the city limits to end a 3-hour search which had begun when her mother, Mrs. J. W. Anglin, became uneasy about her failure to return from a short visit in the home of her nephew, Stewart Anglin. An inquest of drowning was returned.

Inquest was conducted by Justice of the Peace A. C. Wood. It was announced there were no marks of violence on the body.

Mrs. Heath, who lived with her mother and stepfather, left the house about 10 a. m. Sunday, stopped a few minutes to talk with her nephew, Stewart Anglin, at his home, and then left for a walk. At noon, Mrs. Walter Anglin, her mother, called her son, Don Anglin, and a search was started.

The body was face-down in shallow water. Mrs. Heath's coat and shoes were on the bank.

Born at Gassville, Ark., March 8, 1897, she leaves, besides her mother and stepfather, one son, Laverne Heath of Madison, Wis.; one daughter, Mrs. Mildred Spencer of Houston; five grandchildren; two sisters, Mrs. Ethel Huckabee of Norfolk, Ark., Mrs. Faye Havenhill of Amarillo; and two brothers, Lloyd and Don Anglin of Wheeler.

Serving as pall bearers were: Burley Mann, Marvin Hubbard, Thomas Daughtry, Chester Lewis, J. B. Oglesby and Carnes Wise.

Interment was in the Wheeler Cemetery, arrangements being with Kirk-Mason Funeral Home.

Land Owners Invited To Meet At Canadian

All land owners and independent royalty owners in this area have been invited to attend a joint meeting of the Texas Independent Producers and Royalty Owners Association at the City Hall in Canadian Thursday night, December 8, beginning at 7:30. The purpose of the meeting is to discuss problems concerning land owners in oil development areas in this section of the country.

Griffins Open New Service Station Here

Ben and Claira Griffin are announcing the opening of a new service station here in Wheeler in an advertisement on another page of this week's Times. The new station is located on Highway 83 just north of the Wheeler Hotel.

The new station will handle Shamrock Oil and Gas Products and will offer free road service within 1 mile of town. Their phone number is 163.

Kiddies Invited To Write Santa Claus In Care Of The Times

Yes kiddies, the first of December is here and it's only 23 more days until old Saint Nick will be dropping down that chimney with his bag full of toys so you had better hurry and get your letter off to him and let him know just what to leave you.

The Times invites all children in this area to write Old Santa Claus and address him in care of the Wheeler Times, Wheeler, Texas and they will see that the jolly old gent gets them.

All Santa letters will be published in the annual Christmas edition of the Times which will come on Thursday, December 22; so, don't delay, kiddies, get your letters in NOW.

FFA WILL TAKE PART IN DIST. CONTESTS SAT.

The Wheeler FFA boys will compete in the Top-O' Texas district leadership contest which will be held at Panhandle Saturday. James Clepper, instructor, announced this week.

The contests will include: Junior and Senior Chapter conducting, farm demonstration, FFA quiz and FFA sweetheart contest. Wheeler will be represented in all phases of the contest according to Clepper.

The boys who will represent the Wheeler Chapter will include: Bob Weatherly, Richard Brown, Jamie Clark, Dick Pendleton, J. T. Johnson, Joe Mitchell, Melvin May, Jimmy Bullard, Neil McQueen, David Johnson, Leon Moore, Don Lowrie, James Cox, and Jack Mitchell.

Ray Cole Johnson, Bobby Johnson, Doyle Brown, Jimmy Cowden, Glen Farmer, John Dan Bowman, and Buddy Toon.

Clepper points out the fact that local boys will get lots of practice whether they win any honors or not.

GRADE PUPILS TO MAKE TOUR

Students of the 6th, 7th and 8th grades of Wheeler Grade School will, in relation to their study on transportation, leave Wheeler about 6 a. m. Saturday, December 3 by bus to Pampa where they will board the train at 8:20 a. m. and arrive in Amarillo at 9:25 a. m.

During the time they are enroute they will be conducted on a tour of the train. The Grand Canyon Limited which is one of the Santa Fe's best trains on the Southern Route.

Upon the arrival of the group in Amarillo a company official will take charge and show them about the station, a pullman car and dining car which will be made up especially for the occasion.

Between 11:00 and 11:30 they will be guests of Uncle Jay's program over KGNC. At 11:30 the group will be conducted to the railroad shops where they will see modern locomotives and control switches.

The group will be free for lunch from 12:30 to 2:30 p. m. and then will be conducted on a tour of the News-Globe plant between 2:30 and 3:00 after which they will return to Wheeler by bus.

Barney W. Teague, grade school principal, and other teachers along with Homer Moss, Kiwanis Club president and local railroad enthusiast, will accompany the group.

"Our Faith In Christ" Church Study Subject

During the Month of December, the Methodist Church will study "Our Faith In Christ". The first study will be on Wednesday night, December 7th. Each month a different series of studies on faith is held.

Our Faith in God was studied during the month of November under the leadership of Grainger McIlhany. The Methodist Church is conducting a study of the Christian Faith from November 1949 through June 1950. The purpose is to enrich and deepen the faith of the Christian people.

Annual Christmas Seal Sale Is Now Underway In Co.

The Annual Christmas Seal Sale to raise money to combat tuberculosis was launched in Wheeler County this past weekend, Dr. H. E. Nicholson, founder and president of the Wheeler County Tuberculosis Association, has pointed out.

As has been the custom for the past four years, the entire Christmas Seal Sale will be handled by the Wheeler County organization, thereby retaining 85 per cent of every \$1.00 in our home county.

Two sheets of seals worth \$1.00 each have been mailed last weekend to every person in the county whose name and address could be obtained. The seals were accompanied by letters asking the recipients to forward payment to Judge G. W. Hefley of Wheeler, treasurer of the county association.

No personal solicitation will be made if the extensive mail campaign brings the results expected.

One and two dollar contributions are expected from the rank and file to whom mail solicitations are being made but directors of the county association are hopeful of many \$10 to \$25 contributions.

Free tuberculosis skin tests of school children will be made again this year. Association directors pointed out that the recent county-wide tuberculosis X-ray was confined to persons 15 years of age and older. Proceeds from the Seal Sale which closes on December 25, will make possible the skin tests and other TB prevention and control work of the county association.

Christmas Seal funds have fought tuberculosis for 40 years. One of the many achievements of these donated dollars has been to keep the public informed about TB—how TB can be fought early, why patients need prompt, thorough treatment, what must be done to rehabilitate the sick and protect the healthy. Preventing the disease makes better sense than curing it.

Until three years ago the state association handled the sale of seals in Wheeler County. Dr. Nicholson launched the county organization so more money could remain at home to combat the dreaded disease locally. More than \$1000 has been raised annually since the sale has been handled locally.

Officers of the Wheeler County Tuberculosis Association are: Dr. Nicholson, president; Flake George, first vice president; Harry Wolford, secretary; and G. W. Hefley, treasurer. Directors are: Dr. Glenn R. Walker, Mrs. J. M. Tindall, B. F. Risinger, Mrs. H. E. Forgy, L. D. McCauley, Mrs. R. D. Holt, Mrs. Clarence Robinson, Jack Miller, A. C. Wood, Mrs. Ernest Zybach, Mrs. Clarence Zybach, Sam Begert and Mrs. Ernest Lasater.

The Women's Society for Christian Service of the Mobeetie Methodist Church are holding their Annual Bazaar and Food Sale at the Cicero Smith Lumber Co. Saturday, December 3. All Methodist Women are urged to have a part in the Bazaar and to have food there by 10:00 a. m. The public is invited to come and buy.

Mr. and Mrs. Buck Scribner spent Thanksgiving in Plainview with Mrs. Scribner's mother.

Mr. and Mrs. Homer Matthews spent Thanksgiving in the home of Mr. and Mrs. A. W. Nelson of Borger. The Matthews' son and his family were there also.

Many of our readers will be interested to know that Gary Morris who is in the Plainview Polio Clinic, is continuing to make improvement. He is able to stay out of the lung for long periods, and treatments have been started to restore the use of his limbs. He has been moved to the ward also which takes a considerable burden off Mr. and Mrs. Morris. Due to the shortages of nurses, one of them has had to stay with Gary all of the time that he has been in a private room. Having Gary in a ward where the staff nurses can keep a check on him will relieve the family of that responsibility.

LaRue Flanagan and Beverly Caldwell were at home from school over Thanksgiving and the weekend. Beverly is in school at West Texas State College at Canyon and LaRue is in Nurses Training at Fort Worth. There were a number of other students at home over the holidays but their names were not given to us. We would like to mention these items in the column if you will let us know when the young people are at home.

Rev. Vernon Willard was back in his pulpit Sunday morning after being ill for over a week. We are glad to see Brother Willard up and about again.

Mobeetie Grade School To Present Operetta

Thursday night, December 18 at 7:30 o'clock the first, second, third and fourth grades of Mobeetie school will present a Christmas Operetta, "The Magic Christmas Bell", in the Mobeetie High School Auditorium.

Eighty-five children will take part in the Operetta.

The public is cordially invited.

Girl Scouts Discuss Their Christmas Party

Wheeler Girl Scout Troop 18 held their regular meeting Tuesday, November 29, with Mrs. Carroll Pettit and Mrs. W. A. Goad, Jr. in charge.

Billie Owen presided over the business session. The troop discussed having a Christmas party and drew names for the Christmas tree.

The leaders then assisted the scouts in learning to make Christmas tree decorations, and a few of the girls did some textile painting.

The meeting was then adjourned.

Rev. Hamilton Will Preach Here Sunday

Rev. W. E. Hamilton, Clarendon District Superintendent of the Methodist Church, will preach Sunday morning at the Methodist Church. In the absence of a third Quarterly Conference, Rev. Hamilton is preaching in most of the churches of the district. The public is invited to hear his message.

ACTION BY CONGRESS ON POLL TAX REPEAL

Defeated in Texas and Virginia, the movement to abolish the poll-tax requirement for voting now moves back to Congress.

gress. There the House of Representatives already has voted for poll-tax repeal by a majority of more than two to one. The Truman administration seems determined to push this measure through the Senate next year. If the issue is allowed to come to a vote on the Senate floor, the repeal bill seems likely to pass.

Such an outcome would be an overriding of the rights of the states. It would be a contraction of the wishes of the voters of at least several of the seven poll-tax states where recent ballots have favored retention of the requirement. It would be a flouting of the Constitution, which clearly gives the states the right to determine the qualifications of their voters. Many southern voters who have favored lifting the poll-tax prerequisite by states will fight the attempt to have Congress usurp this power.

With the Truman administration made cocky and aggressive by the outcome of the New York senatorial race, the strategic position of the South on this issue is not as strong as its logical position. Republican support, which on many issues has joined southern conservatism to form a powerful coalition, may not be available on the poll-tax. It may turn out that no weapon short of the filibuster can save the states the right to decide for themselves whether they want to keep or to drop the poll-tax as a requirement for voting.—From Dallas News

NO MILITARY COSTS

With the agreement at Bonn Thursday, the West German Republic joined Japan to form the two most thoroughly demilitarized countries that were parties to the last war. Both were losers.

In a very large sense, the victors in each case have paid a price for the losers' agreement to disarm.

The United States, piling up a national debt total that threatens to equal the total value of our resources, spends 16 billion dollars annually out of a total of 42.5 billions on defense and a formable percentage of the remainder goes to pay the bills for previous wars. Every country in the world staggers under the burden of military expenses.

No country likes the predicament in which it finds itself. But until the world finds a sure way to guarantee peace, the costs of war go on.

To be sure, West Germany and Japan lie under the same threat that frightens everyone else. But their frightened victors unite to give them the undoubted blessings of an armament-free budget.

Nobody has ever figured any profit in winning war. Japan and West Germany demonstrate that in some respects it pays to lose.—From Dallas News

If you dread those semi-annual visits to the dentist, cheer up. Someday you may have the cavities ground with a stream of abrasive particles rather than the old whirling drills. It's claimed this new method is practically painless with no vibration, noise or heat.

Let's not forget. Throwing the cooking water from vegetables down the drain is actually throwing money away. There are precious vitamins in that liquid which can be used later to flavor soups and gravies. Much smarter to take our vitamins that way than to buy them at the drug store.

White sauce has a lot more "character", you'll find, if you blend a third cup of real mayonnaise with it just before serving. Try it in creamed potatoes, creamed soups, creamed tuna or eggs. And what it does for sauce over cauliflower, broccoli and asparagus is too good for words!

Close friends will be glad to hear it. To onion lovers, though, it is sad news. This year's onion crop is the lowest in seven years. Now don't start hoarding! Every person still has fifty pounds to cry over.

When your teenage daughter complains that last year's sweaters don't go with her new corduroy skirt, here's your answer. Whether wool or nylon, all-purpose dye will change them to a harmonizing color. If she wants a pastel shade, use the new color remover and then tint it any hue her heart desires.

Did you know that dried fruit won't stick to the knife or grinder if it's sprinkled first with a little granulated sugar?

The estimated average yield of honey for Texas in 1949 is 13.9 million pounds. This is an average of 45 pounds per colony. Both figures are new records and are more than double the figures for 1948.

GI PAYMENTS TO BE BASED ON TAG NUMBERS

Veterans might have expected the order of payments of the G. I. insurance dividends to be made according to alphabetical order of names; or depending on the length of time in service; or how quickly their application goes in.

But that isn't the way it will be decided, says Harris B. Zeigler, Wheeler County Veterans Service Officer.

The order of payment will be based generally upon the last three digits of the veteran's service serial number. Not the first three, nor the middle three, but the last three.

Under the procedure for example, a veteran whose serial number ends in 000 . . . for instance, 35-496,000—will be included in the first mailing of dividend checks. On the other hand, the fellow with a serial number such as 100,990, will be among the last to receive his check.

Take the fellow who had two serial numbers—those serial numbers will have nothing to do with the order of payment. Instead, the last three numbers of the insurance policy will be used as the basis.

But most veterans have only one serial number. The full number will have nothing to do with the order of payment—only the last three digits. Likewise, the number on the card which was sent to the applicant acknowledging receipt of the application has nothing to do with it.

Applications will be broken down into groups as they are received. These groups will then be separated

ed into ten processing groups. The last serial digits—0 to 9—will be a voucher writing machine. Each of the ten groups hoped to handle a total accounts daily. This will be done by drawing out 20 from each of the ten groups.

After all the last digits 0 to 9 have been processed, the procedure will be repeated.

But don't get in a hurry, after all, about veterans are eligible for payments.

Mixon, and Austin Caldwell, who were on the refreshment committee, would prepare the meal was an error. The Legion Auxiliary served a chicken and dressing supper with all the trimmings. The club "Tail Twister", N. J. Tyson, went on a wild rampage and fined everyone present. He was even assessed a \$1.00 fine cheerfully, however, for all the money, which totaled \$15.70, was sent to Mr. and Mrs. Walter Morris who are at Plainview Polio Clinic with their son, Gary. Out of town visitors were the three speakers with their wives.

On the night of November 17, the members of the Blue Bonnet Study Club entertained their husbands at their "Annual Husband's Dinner" in the home of Mr. and Mrs. Jim Hathaway with Mrs. J. H. Taylor and Mrs. H. E. Matthews, co-hostesses. Their dinner was served buffet style from a table decorated with fall flowers and berries as was each of the eight tables set for four. Mrs. C. J. Van Zandt, president, welcomed the guests in a very unique way, and Mrs. Jim Hathaway responded in a clever manner. Mrs. C. J. Van Zandt expressed thanks for the food. After a dinner of baked chicken and dressing with all the

Shivers Proclaims "Operation Democracy"

Wednesday, December 7, is proclaimed "Democracy Beats Communism Day" by Governor Allan Shivers, seated above with American Legion State Commander Joe Spurlock, standing left, and John Ben Shepperd, State Legion Americanism chairman, standing right. Governor Shivers called upon the seven million citizens of Texas to join with more than 100,000 Legionnaires in 758 Texas American Legion posts in "a calm, patriotic appraisal of Democracy."

Proclamation

The American Legion, Department of Texas, has through its commander and its executive committee decided to dedicate one day for an intensive study of the merits of our democratic form of government.

The more than 100,000 members of that organization in Texas and the 758 post commanders have pledged an all-out campaign in behalf of democracy and against communism.

The movement is already one of proven merit and was successfully tried for a week at Gladewater, Texas, last March 20-26, becoming statewide and nationally known as the "Gladewater Plan."

The enemies of Democracy and the friends of Communism dedicate not one but every day of the year to tearing down and belittling our form of government and our American way of life.

THEREFORE, I, as Governor of Texas, hereby call upon the citizens of Texas to join with the American Legion in an all-day series of programs in every community in our State for a calm, patriotic appraisal of Democracy and do hereby designate Wednesday, December 7, 1949, as

OPERATION DEMOCRACY: DEMOCRACY BEATS COMMUNISM DAY

In official recognition whereof, I hereby affix my signature this 17th day of November, 1949:

ALLAN SHIVERS
 Governor of Texas

Battered Milk Cans Cause Poor Quality

Milk cans that are badly battered and in poor condition are one of the weak links in the chain between the farmer and the milk plant, says A. M. Meekma, assistant extension dairy husbandman of Texas A. & M. College. Dents and crevices in old cans tend to harbor and furnish breeding places for bacteria, while rust spots may cause the milk or cream to have

a metallic flavor, he adds. This weak link, by lowering the quality of milk, robs the farmer of income and often renders the milk unfit for use. According to Meekma, the average life of a milk can is from 8 to 9 years and during that time it will be used to transport some \$6,000 worth of milk and cream. He recommends that reasonable care be exercised in handling the cans—for extra life and better condition. Good daily care of the milk cans will pay dividends and here are his suggestions on how best to do the job. Use a recommended washing solution and do a thorough job of washing. Rinse well and invert the cans on a good rack that permits thorough draining. He says leave the lids off empty cans and be careful when you are using the stirring rod, it is easy to scratch the inside of the can. Remove the rod after you've finished stirring. Leaving sour milk or cream in a can over a period of time is hard on the can and makes the washing job more difficult, he says.

Recent scientific breakfast tests demonstrate that when you eat a good breakfast you are more likely to work better, to be sharper in your thinking and action and to be calmer and steadier while you work during the late morning hours.

Miss Scribner Becomes Bride Of A. Williams In Home Service Sun.

The marriage of Miss Ola Mae Scribner, daughter of Mr. and Mrs. J. A. Scribner of Mobeetie, and Afton Williams, son of Mr. and Mrs. Lonnie Williams of Rubottom, Oklahoma, was solemnized in an impressive ceremony in the home of the bride's parents on Sunday afternoon, November 27.

Rev. M. B. Smith, pastor of the Baptist Church of Wheeler, officiated at the beautiful double-ring service at 2:30 o'clock. Miss Madge Patterson, accompanied by her mother, Mrs. J. R. Patterson, sang "The Rosary" and "I Love You Truly." Then Miss Patterson played Lohengrin's Wedding March for the processional. Little Jeanette Morgan and Sue Painter lighted the candles at the improvised altar decorated with yellow pompons and mums.

Attending her sister as maid-of-honor, Miss Naomi Scribner was attired in a gown of yellow lace and chiffon. She carried a bouquet of yellow rosebuds.

Wayne Williams served as his brother's best man.

Escorted to the altar by her father, who gave her in marriage, the bride was attired in white slipper satin with a sheer yoke, fitted bodice, long sleeves terminating in petal points, and full skirt with bustle effect at back, extending into a court train. Her finger-tip veil of illusion fell from a cap of satin and clusters of rose buds. She carried a bouquet of pink rosebuds. As something old

and something blue, the bride carried a blue silk handkerchief belonging to her sister, Mrs. Dinzel Leonard. For something borrowed, she wore the pearl earrings of Miss Virginia Henderson.

Mrs. Scribner, mother of the bride, wore a print crepe dress and a corsage of white carnations.

A reception honoring the bridal couple was held in the home of the bride's parents immediately following the ceremony. The serving table was laid with a lace cloth and centered with the bride's three-tiered wedding cake. Crystal candelabra bearing pink tapers completed the table decorations. Mrs. Wayne Williams and Mrs. Dinzel Leonard served. Miss Virginia Henderson presided at the guest book.

Mrs. Williams graduated from Mobeetie High School and is now employed by T. J. Daughtry, county tax collector. Mr. Williams is an employee of Ward Implement Co. of Wheeler.

There were about fifty guests who attended the wedding.

Wheeler FHA Chapter in Regular Meeting

The Wheeler F.H.A. Chapter met Tuesday, November 22, at the Homemaking cottage for their regular meeting.

The meeting was called to order by the president, Maurine Herd. Linnie Newkirk then let the group in singing "The F.H.A. Song" and "God Bless America", followed by the group repeating the F.H.A. creed.

Waunetta Burgess read the

minutes of the last meeting in opening of the business session. Marilyn Swink, who is chairman of the Christmas party committee, appointed other members for her committees. The refreshment committee was appointed to be: Bonita Ragan, Maurine Herd, Dixie Sanders, Betty Lou Kidwell, and Carma McBroom. The entertainment committee: Linnie Newkirk, Mary Helen Hefley, Sue Williamson and Wynola Childress. Decorating committee: Betty Jo Laycock, Patricia Hubbard, Robbie Melton, Martha Gaines, Betty Jo Traylor, Lois Barr and Nona Ann Byers.

Nadine Barton, program chairman, then introduced the guest speakers for the afternoon. They were Mrs. Frank Wofford, Mrs. Harold Nash and Mrs. R. Wm. Brown, who spoke on "I Am Thankful To Be A Homemaker".

After the meeting refreshments of punch and cake were served by Mary Bob Denson, Margaret Moore, Carmalita Brown and Anita Underwood.

Cecilia Mann Class In Meeting Thursday

Members of the Cecilia Mann Sunday School class of the First Methodist Church met at the home of Mrs. M. McIlhany Thursday night, November 24, to discuss plans for their Christmas party and a social hour.

Lovely refreshments were served to: Mesdames C. B. Kirk, Jess Crowder, Chester Hampton, C. J. Meek, Fred Farmer, George Berry, H. E. Nicholson, C. B. Nash, one guest, Miss Blanche Granger, and the hostess, Mrs. McIlhany.

Mr. and Mrs. Charles Davis and family of Wetumka, Okla. visited during the Thanksgiving holidays in the home of Rev. and Mrs. Darris L. Egger. Mr. Davis is a brother of Mrs. Egger.

(Written for last week) SENIOR CHATTER

The seniors received their pictures last Friday, we all were very well pleased, after all, you can't expect so much from who they were of.

We are very glad that Sam is coming back to school, we understand that it is from now on.

The juniors and seniors have been selling food at our home games, we appreciate the people's cooperation in buying from us, as the money will help us out on our trip this year.

Margaret, why do you want to go to Shamrock so bad for? Could it be because Briscoe is playing them tonight or because of a certain boy that lives down there?

SOCIAL NEWS

Maureta Horn went to Shamrock Monday.

Melba gave a party in her home Wednesday night, there was a large crowd present and everyone had a very nice time.

Friday afternoon we had a safety program for the school, sponsored by the County Line Home Demonstration Club.

Couples together in Wheeler Saturday night were Imogene Pannell and Danny Fields; Wanda Swift and Devonne Childress; Mary Riley and Carrol McCraw; Jane Ann Zybach and David Johnson. Patsy Meek and Tommy Eiland; Doris Brotherton and Thomas Helton.

Persuading the children to eat their daily quota of vegetables is sometimes rather difficult unless you camouflage them with a dish like **Spicy Vegetable Casserole**. Arrange 1½ cups canned green beans, cut in half, and 1 pkg. frozen asparagus (or 2 cups canned) in greased casserole dish. In a saucepan melt 2 tbsps. fat. Add 2 tbsps. flour, stir in 2 cups milk and 2 bouillon cubes. Cook until sauce thickens, then add ¼ tsp. salt, ¼ tsp. celery seed, 2 tbsps. prepared mustard. Pour sauce over vegetables, cover and bake in moderate gas oven (350° F) for 25 mins. Garnish with 2 hard cooked eggs, finely chopped. Serves 6.

For every hour needed to dry a blanket on an outdoor line in average weather, it takes only 3 to 4 minutes in an automatic gas dryer. Time saved: at least three hours.

Equal parts of potato chips and corn flakes make a good topping for casserole dishes and a delicious coating for croquettes.

The average homemaker washes six tons of dishes a year—a tremendous chore unless you have plenty of hot water. The thermostat of an automatic gas water heater is usually set at 140° F. Around 120° F is the hottest the hands can stand. For dishwashing, mix in a little cold water unless you want to re-set the thermostat each time.

Rest your stirring spoon on absorbent paper towel on the work surface of your gas range. Saves cleaning up food stains.

Canned cling peaches topped with mint jelly and broiled four inches from the flame until bubbly are good company for lamb chops.

Hefley Home Scene Of Reunion Thanksgiving

The home of Mr. and Mrs. Joe Hefley of Briscoe was the scene Thursday of a reunion of the Hefley family.

A bountiful Thanksgiving dinner was served to those attending, who were: Mr. and Mrs. John Hefley and daughter, Peggy, Shamrock; Judge and Mrs. George Hefley and Mary, Hugh, and Mr. Jeffus, Paul Jones, Ann Nell Alexander, Madge Patterson, and our sponsor, Mr. Donald Lloyd.

The junior class took a trip to "Far Away Places" and this is everything that happened, while we were on that "Slow Boat To China" Ann Nell wrote a letter to Neil saying she was "So Tired" of "No Letter Today."

The Briscoe 4-H Club Boys and Girls met in a joint meeting November 22 with the assistant county agent, Miss Genevieve Morton and Buck Wheat.

The president, Jerry Hays, presided over the meeting at which time a Christmas party was discussed. The two clubs then met separately with Miss Morton giving "Helpful Hints on Meal Planning" to the girls and Mr. Wheat discussing different types of cattle at the club boys meeting.

Mobeetie Club

The Mobeetie 4-H Club Boys and Girls met in a joint business meeting November 28 at the Mobeetie grade school.

President Van Zandt conducted the business meeting and, after the reading of the minutes by Secretary Galmor, Tommy White was elected as reporter to replace Sue Cobb who is moving. Plans for the Christmas party which is to be December 15 were discussed.

Herbert Atkins then led the group in singing, "Home On The Range". The girls and boys then met in separate departments with their respective advisors, Miss Morton, Assistant Home Demonstration Agent gave "Hints On Meal Planning" and Assistant County Agent Buck Wheat, led the boys in a discussion on the different kinds of beef and how much covering of fat is most desirable.

Retailers Plan

(Continued from Page 1) that lay ahead. It paid off for those who made "promotion" their "secret weapon."

"This year stores are planning as much and in many cases actually more advertising in both dollars and percentage of business than last year," Mr. Abrahams reported.

Will your store measure up to the challenge of the times this year? Among other points of special interest made by Mr. Abrahams on the basis of his survey which encompassed the thinking of store sales promotion executives the country over, are the following:

Inter-County Cotton Movement Regulations Explained By PMA Sec.

EDITOR'S NOTE:—Below is an explanation of the rulings regarding the transportation of cottonseed in areas that are under Pink Bollworm quarantine. The explanation was prepared by Bill Rushing, secretary of the local PMA.

Federal Quarantine 52 as well as the State Quarantines for the Pink Bollworm of cotton in the states of Arizona, New Mexico, Oklahoma, and Texas authorizes the inter and intra-state movement of seed cotton only from lightly infested areas into (1) contiguous regulated counties in which similar conditions of infestation exist; (2) to designated gins (operating under Dealer-Carrier Permit) located in free areas but immediately adjacent to the regulated areas for ginning, for which no permits are required. Any other movement of seed cotton (including grabbats or bolls) or parts of the cotton plant shall be made only under permit duly authorized by the appropriate quarantine officials.

In view of the large amount of seed cotton produced within the pink bollworm regulated areas located in the states of Arizona, New Mexico, Oklahoma and Texas for the crop year of 1949-50, it is deemed advisable at this time to call to the attention of all concerned the importance of adhering strictly to the above provisions of the Pink Bollworm Quarantine under question. Inspection for the pink bollworm during the current

crop has revealed the intensity and degree of infestation of the pink bollworm existing in the various pink bollworm regulated areas.

For the guidance of growers and ginners in the case of cotton produced in Northwest Texas, Eastern New Mexico and Southwestern Oklahoma, seed cotton will be allowed inter-county movement for ginning in the grouping of counties indicated below:

- Group 1—Oklahoma Counties.
- Group 2—Texas, Counties of Gray, Wheeler, Donley, Collingsworth, Hall and Childress.
- Group 3—Hardeman, Wilbarger, Wichita, Motley, Cottle, Foard, King, Knox, Baylor, Stonewall, Haskell, Throckmorton, Shackelford and Callahan.
- Group 4, Scurry, Fisher, Jones, Nolan, Taylor, Brown, Coleman, and San Saba.
- Group 5—Quay, Curry and Roosevelt, New Mexico, and Bailey, Lamb, Hale, Floyd, Cochran, Hockley, Lubbock, Crosby, Dickens, Yoakum, Terry, Lynn, Garza, and Kent in Texas.
- Group 6—Sterling, Coke, Runnels, Tom Green, Concho, Mason, Schleicher, Menard, McCulloch, Irion, and Reagan.
- Group 7—Lea, New Mexico, Gaines, Dawson, Borden, Andrews, Martin, Howard, Mitchell, Ector, Midland, and Glasscock in Texas.

Seed cotton produced in Group 1 may move into Groups 2 to 7 inclusive for ginnings; seed cotton produced in Group 2 may move into Groups 3 to 7 inclusive for ginnings; seed cotton produced in Group 3 may move into Groups 4 to 7 inclusive for ginnings; seed cotton produced in Group 4 may move into Groups 5 to 7 inclusive for ginnings; seed cotton produced in Group 5 may move into Groups 6 and 7 for ginnings; seed cotton produced in Group 6 may move into Group 7 for ginning; seed cotton produced in Group 7 must remain in Group 7.

This statement shall be construed by ginners to be an amendment of their Dealer-Carrier Permits which amendment shall authorize acceptance of seed cotton only in a manner outlined above. In other words, ginners in Hardeman County which is in Group 3 must not accept seed cotton from Lubbock County which is in Group 5. This modification of Dealer-Carrier Permit issued ginners is not to be construed as prohibiting such ginners from accepting seed cotton produced within or contiguous to their ginning territory. In other words, there will be border-line cases where seed cotton has normally been moving across these group lines as now designated. As an example: It is not intended to prohibit a ginner located in Scurry County from receiving seed cotton from a few miles across the line in Borden County. It is essential,
