## MUSTANGS HOLD TWO PRACTICE SESSIONS DAILY

Coach Bernie Smith has been putting the Mustang footballers through two-a-day workouts this week in an effort to get them in shape for their opening encounter of the season which will be against the Shamrock Irishmen on Friday night, September 9. The contest will be played on the Shamrock gridiron.

Members of the Mustang squad have been applying themselves earnestly in an effort to learn enough about the game to make-up for what they lack in experience and number. The squad includes less than 20 boys and some of the starting line-up for the opening contest will have had little or no experience except what they have gained during this training season.

Doyle Waters, one of the stalwarts in the Mustang line last season, will spearhead the Wheeler defense and will be flanked at the end positions by a couple of experienced lads in Joe Mitchell and Edgar Hubbard. Most experienced backfield performers for the Mustangs this season are Garland Parks, J. T. Johnson and Dick Pendleton. Maurice Pettit, a squad member last year, Melvin May and David Johnson are the other candidates for backfield positions.

C. R. Bailey, Henry Pond, James Gaines, George Hibbits, Glen Farmer, John Dan Bowman, Ray Cole Johnson and Buddy Toon round out the list of candidates for positions in the Mustang forward wall.

## BROWN LISTS SCHOOL FACULTY

Supt. C. R. Brown has announced that the Mobeetie Schools will open September 5 for the 1949-50 term. A general assembly will be held in the high school auditorium beginning at 9 a. m. Registration will begin on September 5 and regular classes will start on September 6.

Except for employment of one teacher, the Mobeetie school board has completed hiring of a faculty, and teacher assignments for the year have been completed.

Heading the high school faculty as principal will be Mrs. J. H. Scribner. Other members of the high school faculty are Don Loyd, coach and mathematics; Robert Dunaway, English and Spanish; Coleman Walton, vocational agriculture, and Charley Whitt, science.

The grade school faculty which will be headed by J. A. Neece will include Mrs. C. R. Brown, first grade; Mrs. C. C. Crowder, second grade; Mrs. Robert Dunaway, third grade; Mrs. Charlie Seitz and one other teacher who is yet to be employed.

## City Park Dedicated With Program Monday

A nice crowd gathered at the city park Monday night for the formal dedication service and program by boys from the Maverick Club of Amarillo. The program was followed by a box supper which brought in \$167.75 which the Kiwanis club will use toward clearing up the indebtedness which they incurred in improving the park.

Several local individuals made substantial donations of cash rather than buy boxes.

The Kiwanis are sponsoring an Ida Red show at the High School gymnasium on Tuesday night, September 20 to finish clearing up the expenses of improving the park site.

## Bobby Burns To Play For Dance Sat. Night

The Wheeler American Legion is holding its first dance, September 3 and they invite everyone who enjoys dancing to good popular music to be on hand.

Bobby Burns and his orchestra will furnish the music and the legion building will be specially lighted for the occasion.

Since the last dances were held at the Wheeler legion building several tables and chairs have been added and couples who wish to set out a dance or so may do so in comfort rather than having to set on improvised benches.

MR. AND MRS. CARL KRUIZE

## NAZARENES TO HOLD REVIVAL

Mr. and Mrs. C. D. Clift, new pastors of the Wheeler Church of the Nazarene, announced this week there will be a revival meeting at their church beginning September 7 with Rev. Carl Kruze doing the evangelistic work and Mrs. Carl Kruze leading the singing and working with the youth.

The Clifts state that these are exceptionally fine workers in their field and state that they believe anyone who attends will receive a blessing.

Services begin at 8:00 o'clock each evening and the public is cordially invited to attend at all times.

## ALLISON SCHOOL BEGINS MONDAY

Henry Osborne, who was principal of Wheeler High School last year and has accepted the position of superintendent of Allison schools, announced this week school will begin in that community on Monday, September 5 with an assembly at which time teachers will be introduced, following the assembly period enrollment will be accomplished and actual school work will begin on Tuesday.

At this writing, all teachers with the exception of a home economics instructor had been employed and included: Mrs. Ruth May, primary; Mrs. Henry Osborne, third and fourth grades; Don Farmer, commercial work; Mrs. Paul Newsom, high school English; Mrs. Bonnie Hillin, fifth and sixth grades; W. A. Dickenson, mathematics and occupations; and Mr. Osborne will have the social science department.

School bus drivers for the Allison school this year will be Paul Newsom, W. A. Crenshaw, Roy Langford and B. A. Dickenson.

## Church of Christ To Hold Singing School

A two weeks singing school is scheduled to begin at the Church of Christ here next Monday night at 8:00 p. m. Mr. Wilkin Bacon, well known singer and singing teacher from Dallas is to conduct the school. A very successful school was conducted last spring here and at the Washita Church of Christ. Everyone interested in singing is urged to attend.

## Mysterious, But Potent

Advertising is a mysterious but none-the-less potent force in modern business.

Whether the advertising be done in the columns of The Wheeler Times or in some other medium, there is, it seems, an indefinite benefit that follows to the intelligent user of this modern business developer.

There are business men in Wheeler and Mobeetie who believe that everybody knows them and what they have to sell and that, consequently, they do not need to advertise. It would seem logical to draw such a conclusion but the fact remains that people often lose sight of the obvious and that repetition is the only way to assure permanent supremacy in any field.

Every reader can instantly name products that are known from one end of the United States to the other. A little reflection will reveal that every one of them is a well-advertised product and a little observation will reveal that the advertising is being continued by the wise men that operate the business.

## X-RAY UNIT TO BE IN WHEELER SEPT. 27-28

All persons who had their chest X-rayed last year should appear for a re-check again this month when the Texas State Board of Health brings its mobile unit back to Wheeler, W. R. Ritter, Wheeler County Sanitarian, declares.

The American Medical Association stresses the fact that all persons should have their chest X-rayed every six to 12 months, Ritter declares.

The roving X-ray unit will be in operation in the Community Building in Shamrock during the three days of the State-Line Free Fair, September 22, 23 and 24. The hours are from 9:30 a. m. until 6:30 p. m. on the first two days, September 22 and 23; and from 10 a. m. until 5 p. m. on September 24.

The unit will then be moved to Wheeler to serve people of that area from 9:30 a. m. to 6:30 p. m. September 27 and 28. Site of the X-ray operations will be the school gymnasium.

Mobeetie will be the scene of the checks on Friday, September 30. The site will be the American Legion building; the time, 9 a. m. until 6 p. m.

Preparatory plans are shaping up well for the program in this county. All residents of Shamrock, Wheeler, Mobeetie and surrounding areas may take advantage of the free X-ray service absolutely free of charge.

"Early discovery with the institution of immediate and adequate treatment can, and will, stop tuberculosis, one of the greatest killers of mankind," Ritter said. "If discovered early, this disease can be completely cured. It is with this point in mind that a plea goes out to the residents of Wheeler county and outlying communities to take advantage of the free service."

"This unit is being brought here for the purpose of aiding the people with equipment furnished by the people themselves through payment of taxes. Every effort will be made for all persons in the area to participate," the county official said.

A point which state officials have asked to be stressed is that the entire procedure requires only a few minutes and that it is NOT necessary to disrobe. All reports are held confidential. All persons over 15 years of age are eligible to participate.

"Bear in mind that the service is quick, painless and free and that no disrobing is necessary. Results are held in strict confidence. For your own health safety, take advantage of this program," Sanitarian Ritter asks.

## Methodist Ladies To Hold Food Sale Sat.

The Methodist W.S.C.S. will hold a food sale Saturday, September 3 in Clay Food Store and Puckett's Food Market. They will have dressed chickens, fresh eggs, cakes, and pies for sale.

The money taken in from the food sale will help pay for redecorating the church parsonage.

## Turnbows Buy Bakery, Turnbown Buy Bakery, Turnbown Buy Bakery

Mr. and Mrs. E. A. Turnbow who have made their home in Shamrock for several years are announcing the purchase of the Wheeler Bakery from Mr. and Mrs. Aaron Williamson in an advertisement on another page of this week's Times. The Turnbows have already taken over active management of the bakery.

The Turnbows are holding open house at the bakery Saturday afternoon between the hours of 2:00 and 4:30 o'clock and are giving away, absolutely free, six beautifully decorated cakes.

Mr. Turnbow has had approximately 15 years of bakery experience and he promises the people of this area first quality bakery products.

The Times joins the citizenry of Wheeler in welcoming Mr. and Mrs. Turnbow and their family into our midst.

## County Singers Elect Officers At Meeting

The Wheeler County Singing Convention which met last Sunday at Shamrock was well attended. Sunday was the time for regular annual election of officers and the following were elected to serve during the ensuing year: president, C. O. Killingsworth; vice-president, E. J. Cooper; secretary, Mrs. C. O. Killingsworth.

The next meeting of the association will be held at Allison on the fourth Sunday in September.

## T-O League Play-Offs Go Into Second Week Of Play September 4

Play-offs for the championship of the Texas-Oklahoma League will go into their second round Sunday with games at Mobeetie and Allison.

Last Sunday Allison defeated Wheeler by a 6 to 5 score and Mobeetie downed Miami by a count of 7 to 4. The same teams play again this Sunday and again the following Sunday if last Sunday's losers should win this Sunday.

The two teams which win the two best-out three games in this first series will battle for the championship of the league in another series.

## BRISCOE SCHOOL TO OPEN MONDAY

Harold R. Barnett, superintendent of the Briscoe Schools, announced this week his school will open Monday, September 5 with a full complement of teachers.

Teachers in the Briscoe Schools for the 1949-50 school year will include: first and second grades, Mrs. Alma Anders, A. B. Degrees from Southwestern Tech and U. of Calif.; third and fourth grades, Mrs. Jonnie Bumps, B. S. Degree from West Texas State; fifth and sixth grades, Mrs. Crystal Fowler, B. S. Degree from Southwestern Tech; Mrs. Jane Klier, B. S. Degree from West Texas State; Mrs. Cecil Paddock, language arts in fifth, sixth and seventh grades; Mrs. Merle Norman, typing II, shorthand and speech in high school and departmental work in fifth, sixth and seventh grades.

Miss Gladys Mobley, high school English; Cecil Paddock, high school math and science; Mrs. Nadine Carrick, commercial work and eighth grade; Mrs. Jimmie Fields, eighth grade; James Clepper, vocational agriculture; Mrs. W. K. Frey, vocational homemaking; Bernie Smith, coach and social science; and W. O. Carrick, superintendent.

Supt. Barnett states the buses will run their routes Monday but the lunch room will not be open until Tuesday; therefore, all bus students should bring their lunch on Monday.

The Program for Monday will include a general assembly to which all patrons are invited which will start at 9:00 a. m. Registration will follow the general assembly. Textbooks will be issued and short-period classes will be held.

Considerable work has been done on the buildings this summer. Complete re-decorating as well as many other improvements have been accomplished. This was made possible through the full cooperation of the Briscoe School Board; William Finsterwald, Clifford Walker, Lee Barry, Claude Bro-

## KELTON TO HOLD SCHOOL OPENING

The Kelton Schools will open Monday morning, September 5 at 10:30 a. m. with a "get acquainted" assembly which is to be held in the gymnasium according to Supt. Alvin Ream. All patrons of the school are cordially invited to attend.

Besides Supt. Ream the Kelton faculty will be composed of: Mrs. Jewel Reed, math; Mrs. Ward Alexander, English and commerce; George Weems, social science; Ward Alexander, science and shop; Robert Gene Lee, fifth and sixth grades; Mrs. Juanita Ream, fourth grade; Mrs. Helen Sanders, second and third grades; and Mrs. George Weems, first grade.

Bus drivers will be Frank Vines, Junior Hink, Robert Lee and Calvin Keelin.

The lunchroom will be open Tuesday under the operation of Mrs. Calvin Keelin, Mrs. Tressie Blocker and Miss Joann Abernathy.

Modern rest-rooms are now under construction and school officials expect to have them in operation by Monday.

## Miss Holt To Enter Stephens College

Miss Margaret Ann Holt, of Wheeler has been accepted for admission at Stephens College and will arrive on campus at Columbia, Mo., Sunday, September 11. During the September 12-15 registration period the all-college welcoming assembly, Monday, September 12, in the new 3000 seat Assembly Hall, will mark the formal opening of the 117th year in the history of Stephens College.

The calendar of events at Stephens during the coming months will include a national conference on educational research in which many colleges will participate.

The enrollment of approximately 2200 at Stephens this year includes students from each of the 48 states and from 20 foreign countries, territories and possessions.

Miss Holt is the daughter of Mr. and Mrs. Robert J. Holt.

## S. C. District Has Organized Groups In Mobeetie Area

### TEACHERS HIRED FOR WHEELER SCHOOL SYSTEM

Wheeler High School enrollment will begin Friday morning and will continue Monday when enrollment of all children who will attend Wheeler Schools this year will take place Supt. W. O. Carrick announced this week.

Some last minute resignations by some of the instructors who had been lined up by the local school board made necessary some last-minute scouting around by Supt. Carrick, but all places have finally been filled and the 1949-50 sessions will start off with a full complement of teachers.

The revised list includes: Mrs. Carl Wilkes, first grade; Mrs. Ida Farmer, second grade; Mrs. Novella Vanpool, third grade; Miss Celeste Wiley, fourth grade; Mrs. Hubbell, fourth grade; Mr. Barnham, departmental work in fifth, sixth and seventh grades and drivers education; Barney Teague, math and grade school principal; Mrs. Cecil Paddock, language arts in fifth, sixth and seventh grades; Mrs. Merle Norman, typing II, shorthand and speech in high school and departmental work in fifth, sixth and seventh grades.

Miss Gladys Mobley, high school English; Cecil Paddock, high school math and science; Mrs. Nadine Carrick, commercial work and eighth grade; Mrs. Jimmie Fields, eighth grade; James Clepper, vocational agriculture; Mrs. W. K. Frey, vocational homemaking; Bernie Smith, coach and social science; and W. O. Carrick, superintendent.

### By W. K. Frey

Wheeler County Agriculture Agent Four farmer groups in Subdivision Number four (Mobeetie Area) of the Wheeler County Soil Conservation District have been organized as a nucleus for farm planning in coordinated soil and water conservation.

These group meetings have resulted in 30 applications to the District for assistance. Twelve of these applications were approved by the District Supervisors in their last meeting on August 3, and the remaining 18 applications will be considered on September 1.

Out of the twelve applications approved, definite progress is under way on seven farms for a complete coordinated soil and water conservation plan.

Sam Nixon, on J. H. Scribner's place north west of Mobeetie has already terraced a field, and is planning on using a winter legume for a soil building and grazing crop as a part of his coordinated plan.

Tom Laman has made definite progress in carrying out his coordinated conservation plan. He has broadcast sudan in a 100 foot strip down through washes where old terraces washed out. He will drill this waterway in western wheatgrass to protect the waterway from washing and is planning to use some winter legumes on a trial basis in other places on the farm.

S. W. Williams is also going to use some winter legumes on a trial basis.

Grady Harris, who has had an Extension Agreement with the County Agent and Soil Conservation Service for some time is already well along toward completion of his plan.

P. W. Clepper is planning an extension re-seeding program of his shallow cultivated land to clover and native grasses.

The Soil Conservation Work Unit has run terrace lines on Roy Edward's place, and he plans to do some re-seeding to clover and native grasses in addition to his terracing. Roy has found that Bermuda grass does a good job in preventing washing where water pours out at the end of his terraces into pasture.

*Editorial*

**RELIGIONISTS MUST  
OBEY LAW OR—**

More than two score young men are now  
serving prison terms for refusing to register

for the draft and their plight is the excuse  
for sentimental appeals for clemency from the  
government whose laws they flagrantly  
flouted.

The argument is made that religious  
freedom is imperilled by the insistence of the  
government that conscientious objectors to  
war register in accordance with the act of  
Congress. It should be noted that the initial  
act of registering did not mean that the men  
would be compelled to become belligerents  
and that, during the last war, conscientious  
objectors served the nation in other ways.

A group of 400 clergymen and other  
persons from thirty-six states have signed  
a protest, alleging that the conviction of  
these men throws into doubt our heritage of  
religious freedom. In addition, the signers  
of the protest intimate that the young men  
should be signally honored for "faithfully  
following their consciences."

This is an interesting argument. As to  
religious freedom, one should understand  
that this is not an excuse to violate the law  
of the land. As the late Alfred E. Smith  
declared, there is no power in the institutions  
of any church "to interfere with the operation  
of the Constitution of the United States or  
the enforcement of the law of the land."

Certainly, as to the following of one's  
conscience, we must admit that this is an  
ideal policy for every individual but it is  
nowhere guaranteed, in statutory law or  
Holy Writ, that this can be done without  
being subjected to prosecution or penalty. If  
one is convinced that a law of the land is  
wrong, one may well disregard it as a matter  
of conscience but with the full knowledge  
that the state has the right to enforce its  
penalty provisions for any violation of its  
laws.

Advertising doesn't work miracles; it  
won't sell poor merchandise or please a customer  
who has been defrauded.

There are many people in the world who  
do not realize that there is a wrong way to  
attempt to do the thing right.

Advertising in The Times is the way to  
stimulate the public and, if the stimulus is  
sufficient, the result will be good business.

The average newspaper reporter is apt  
to know all the arguments about the freedom  
of the press that tend to give him a free  
hand in all matters.

If all marriages were perfect there  
would be no divorces.

**Chiffon  
And Crepe**

Pretty nightgown with lace trim.

By VERA WINSTON

TWO FABRICS are sometimes  
better than one when plotting a  
particularly pretty design be it for  
street or intimate wear. This  
dainty nightgown uses flesh colored  
chiffon for the bodice and  
matching crepe for the skirt. Alen-  
con type lace is posed over the  
chiffon bodice, and an inset band  
of satin terminates in a bow in  
back. Short satin sleeves extend  
from the dropped shoulder line.  
This is a charming gown for a gift  
or for self-nampering.

## The Purchase of the WHEELER BAKERY

We are happy to announce that we have purchased the Wheeler Bakery from Mr. and Mrs. Aaron Williamson and have taken over active management of same.

We have had about 15 years of bakery experience and we believe that we can give you home-town baked bread and pastries that you will be delighted to serve from your tables.

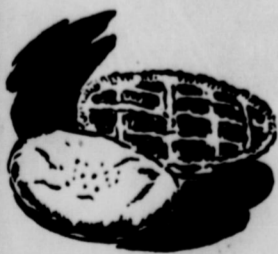

We would like to take this opportunity to invite you to drop by the bakery at its old location and get acquainted with us and try some of our home-baked products.

We certainly will appreciate it if you will call for Home Made Wheeler Bread (a new loaf in the same yellow wrapper) and pastries when you shop at your local grocery stores.

Mr. and Mrs. E. A. Turnbow

### OPEN HOUSE SATURDAY

We are holding open house at the Wheeler Bakery Saturday afternoon between the hours of 2:00 and 4:30 o'clock and will serve free doughnuts and coffee between those hours. You are cordially invited to attend. Six beautifully decorated cakes will be given away absolutely free, register during open house.

# Many Thanks

We wish to take this means of expressing our sincere thanks for the nice patronage we have received during the years that we have operated the Wheeler Bakery and assure you that it has been a genuine pleasure to serve you during these years.

We have sold the bakery to Mr. and Mrs. Turnbow and believe that they will render you as fine a baking service as anyone we could have turned the bakery over to. Mr. Turnbow has had 15 years of baking experience and we believe he is competent.

Again may we say many thanks for past favors.

Sincerely,

Mr. and Mrs. Aaron Williamson

 1/2 cup eggs

Mix together flour and salt. Mix cocoa with 1/4 cup sugar. Stir in milk slowly until smooth; let stand. Put shortening and vanilla into bowl. Add remaining 1/4 cup sugar, 1/4 cup at a time, mixing until fluffy. Beat in eggs. Stir in milk mixture and nuts. Mix in flour, about 1/2 cup at a time. Spread dough in shallow ungreased pan about 8 1/2 inches. Cover with waxed paper. Press with fingers to smooth top. Chill about 6 hours, or overnight. Cut into bars 3 x 1/2 inch. Bake in ungreased baking sheet. Bake in oven over (375° F.) 15 min. or until firm to the touch. Makes 2 doz.

## Notice To Our Gas Customers

### Service Interruptions

We are doing an extensive amount of repair work on our distribution system in the town of Wheeler.

It will be impossible to give you personal notice as to just when our service may be discontinued and resumed; as we are trying to maintain continuous service as much as possible.

We will try and confine our interruption of service to the hours between:

**2 P. M. and 6 o'clock P. M.**

Watch your gas appliances, and do not leave your premises with them burning, during these hours.

When service is discontinued and resumed, there may be pockets of air in the lines which will cause your burner to light for a short time, then go out again when the air pocket reaches the burner tip. So be careful when re-lighting your burners on such occasions.

Do not phone us for assistance, as we will all be out on our lines, getting them back in service, you should study and understand your gas appliances, and know how to operate them.

We will finish this work before cold weather, and place a notice in the paper when continuous service is again resumed.

We will thank you for your patience during this time, and assure you that there will be no unnecessary delay in resumption of service, and no unnecessary discontinuance.

## Elk City Rodeo Ready For Three Big Night Shows

Elk City's 11th annual Ackley Park Rodeo will unwind Thursday, September 8 at 8 p. m. with the first of this year's three big night performances. Night shows, with nothing left out in the way of added attractions and contest events will follow the curtain-raiser performance at 8 p. m. on Friday and Saturday nights.

Directors of the Elk City rodeo are claiming the best schedule of entertainment ever corralled for the annual Elk City rodeo and to take care of the anticipated record crowds at the 1949 performances, 1,500 additional seats have been erected in addition to the reserved and general admission seats available at past rodeos in Ackley Park.

A wild horse race has been added as a contest event for this year's performances, consisting of six horses and 18 cowboys who work three men to a team in an attempt to rope, saddle and ride wild broncs, all working in the arena at the same time.

Other contest events include livestock and saddle bronc riding, Western bull riding, bulldogging and calf roping.

The Burk Burnett Boomtown Quadrille, consisting of 20 men and women mounted on horses in square dance demonstration, and the feature attractions for this year's performances. Other specialty acts include bullfighting stunts and educated circus horses and ponies.

A big rodeo parade Thursday afternoon will precede the annual rodeo's curtain raiser. The parade starts promptly at 5 p. m. (Advertisement)

Underprivileged children in more than 1,000 U. S. and Canadian communities will receive assistance from a far-reaching program of youth welfare announced this week by left to right, J. Duane Jackson, Stanford, Calif., president of Kiwanis International, Charles Ferguson, Hollywood, executive secretary of the National Kids' Day Foundation, and J. Belmont Mosser, St. Marys, Pa., immediate past president of Kiwanis International.

Jackson, in announcing the cooperative effort, said "the problems of underprivileged children are the problems of the entire nation, but their solution depends upon local action. There are more than 1,000 Kiwanis clubs which are geared for participation in the program."

Focal point of the campaign will be the observance of an annual "National Kids' Day," the first to be held Saturday, Nov. 13, when each community will be asked to enlist the support of its citizens in meeting the problems of local youth. National Kids' Day sponsors emphasized that it will not be celebrated as a holiday or used as a gift-giving occasion. "Observance of this day," Jackson said, "is a means of rallying the forces of each community toward solving local juvenile problems. We hope to raise funds to carry on a year-round program of youth activity in cities and towns in the U. S. and Canada. Money raised locally will be spent in the same community for the benefit of children."

## TEXAS VIEWS BIG HARVEST

Right now farmers of Texas and the nation have prospects for a big harvest. The overall production could be the second largest in history. For the nation, last year holds the record, but Texas farmers, in 1948, did not approach their record production

for wheat, cotton and some feed crops.

The 1949 Texas wheat crop was the second largest, says C. H. Bates, extension farm management specialist of Texas A. and M. College, and cotton production—per acre—could set a new record. There is an 18 percent increase in cotton acreage over last year in the state.

The acreage of peanuts in Texas is down about 21 percent from 1948. The harvest is underway in

South Texas and production for the state is likely to be above average, says Bates.

Texas corn and grain sorghum crops should be above average this year even with the decrease in acreage. Weather conditions have been favorable and the corn crop looks especially good.

Now, what does this all mean to Texas farm and ranch operators? Bates says it means that supplies of most farm products have accumulated to the point

that reduction in acreage may be desirable. The surplus has definitely reduced the price of cash crops offers an opportunity for a shift to the production of livestock and livestock products. This adjustment in farming operations would permit better conservation of land resources.

### LEY PLANS ER MINISTRY

Rowley, former Wheeler, and Harry Morris, postoffice employee, will study for the ministry, according to a statement from the last week's Hemphill County.

Mrs. Rowley and daughter have returned home from the university, where they visited in Dublin, Ireland, and in the Rev. Fern A. Miller, pastor at Canadian, and children, John Robert Sue, Mr. Miller, a student at the university.

They also visited with Mr. and Mrs. Cled F. Pruitt and their children, Byron and Carol, at Waco, and on the return trip they stopped at Wichita Falls for a visit with Mr. and Mrs. Luther Langford.

Mr. Rowley says that they have their courses planned and have secured GI housing in Waco at Second and Bosque streets.

Mrs. Morris (Dannie) and Mrs. Rowley are sisters, daughters of Mr. and Mrs. W. C. Welch. Mrs. Morris will be employed in the Waco welfare office.

Eight to ten weeks is the average life of the housefly.

Benjamin Franklin introduced the broom to America.

### BOYS RANCH RODEO TICKETS NOW ON SALE

Tickets for the Boys Ranch Fifth Annual Rodeo are now on sale, and mail and telephone orders are now being taken at the Boys Ranch office in Amarillo. Reserved seat tickets may be obtained by writing Boys Ranch, Box 1890, Amarillo, or by phoning 5856.

Reserved seats are available for both the afternoon and evening shows. The price for adults on reserved seats is \$2.50, and for children, \$1.75. The General Admission tickets are \$1.50 for adults and 75c for children, and may also be purchased at the Boys Ranch Office.

This year, the Boys Ranch Rodeo will be held September 4th, at the Tri-State Fair Grounds in Amarillo. The afternoon performance starts at 2:00 p. m., and the evening show is scheduled for 8:00 p. m.

Boy Rogers, and his beautiful wife, Dale Evans, will be the feature attraction of the Rodeo, and they will be at both performances. The boys from the Ranch have been working hard on their roping and riding, and there's little doubt that they will put on a top-notch show.

Leonard Stroud, former World's Champion trick roper and trick rider, has been coaching the boys in all phases of rodeo performing. Mr. Stroud has handled the boys in previous years, and has turned out some fine performers.

If you wish tickets for the Boys Ranch Rodeo, reserved or general admission write the Boys Ranch office, Box 1890, Amarillo, or phone 5856.

#### KELTON NEWS

By Rena Johnson

Mr. and Mrs. J. D. Rutherford and Mr. and Mrs. L. T. Davis returned home Saturday from a week's vacation in Arkansas.

Sunday dinner guests in the home of Mr. and Mrs. A. C. Johnson and Rena were: Mr. and Mrs. J. D. Rutherford, Jr. of Borger, Mr. and Mrs. C. E. Dalton of McKinney, Mr. and Mrs. Oscar Johnson and Gary of Pampa, Mr. and Mrs. George Davidson, Georgana and Steve, and Mr. and Mrs. J. D. Rutherford, Sr.

Mr. and Mrs. W. H. Willoughby of Bovina are visiting in Kelton this week.

The community extends the deepest of sympathy to the Whiteley family on the death of their father, "Uncle" George Whiteley. Miss Cynthia Ann Phillips returned home Sunday from a week's visit near Lubbock.

Mr. and Mrs. C. E. Dalton, and Mr. and Mrs. A. C. Johnson and Rena visited last week in Clovis, N. M. and Hereford.

Mr. and Mrs. Lonnie Kenney and Danny of Pampa spent the weekend here with Mr. and Mrs. T. J. Austin.

Mr. and Mrs. Cluie Splawn of Perryton were visitors here Sunday afternoon.

Mr. and Mrs. Cliff Mason, Dot and Lou and Miss-Rena Johnson attended the Church of Christ revival in Sweetwater Tuesday night.

The Methodist revival will begin Sunday with Rev. Yarbrough in charge. Everyone is invited to attend.

### LEY PLANS MINISTRY

Rowley, former Wheeler teacher, and Harry Morris, postoffice employee, will begin their ministry at Waco, Texas, on September 14 to study for the ministry, according to a statement from the ministry, according to a statement from the ministry, according to a statement from the ministry.

They also visited with Mr. and Mrs. Cled F. Pruitt and their children, Byron and Carol, at Waco, and on the return trip they stopped at Wichita Falls for a visit with Mr. and Mrs. Luther Langford.

Mr. Rowley says that they have their courses planned and have secured GI housing in Waco at Second and Bosque streets.

Mrs. Morris (Dannie) and Mrs. Rowley are sisters, daughters of Mr. and Mrs. W. C. Welch. Mrs. Morris will be employed in the Waco welfare office.

Eight to ten weeks is the average life of the housefly.

Benjamin Franklin introduced the broom to America.

### BOYS RANCH RODEO TICKETS NOW ON SALE

Tickets for the Boys Ranch Fifth Annual Rodeo are now on sale, and mail and telephone orders are now being taken at the Boys Ranch office in Amarillo. Reserved seat tickets may be obtained by writing Boys Ranch, Box 1850, Amarillo, or by phoning 5856.

Reserved seats are available for both the afternoon and evening shows. The price for adults on reserved seats is \$2.50, and for children, \$1.75. The General Admission tickets are \$1.50 for adults and 75c for children, and may also be purchased at the Boys Ranch Office.

This year, the Boys Ranch Rodeo will be held September 4th, at the Tri-State Fair Grounds in Amarillo. The afternoon performance starts at 2:00 p. m., and the evening show is scheduled for 8:00 p. m.

Roy Rogers, and his beautiful wife, Dale Evans, will be the feature attraction of the Rodeo, and they will be at both performances. The boys from the Ranch have been working hard on their roping and riding, and there's little doubt that they will put on a top-notch show.

Leonard Stroud, former World's Champion trick roper and trick rider, has been coaching the boys in all phases of rodeo performing. Mr. Stroud has handled the boys in previous years, and has turned out some fine performers.

If you wish tickets for the Boys Ranch Rodeo, reserved or general admission write the Boys Ranch office, Box 1850, Amarillo, or phone 5856.

#### KELTON NEWS

By Rena Johnson

Mr. and Mrs. J. D. Rutherford and Mr. and Mrs. L. T. Davis returned home Saturday from a week's vacation in Arkansas.

Sunday dinner guests in the home of Mr. and Mrs. A. C. Johnson and Rena were: Mr. and Mrs. J. D. Rutherford, Jr. of Borger, Mr. and Mrs. C. E. Dalton of McKinney, Mr. and Mrs. Oscar Johnson and Gary of Pampa, Mr. and Mrs. George Davidson, Georgana and Steve, and Mr. and Mrs. J. D. Rutherford, Sr.

Mr. and Mrs. W. H. Willoughby of Bovina are visiting in Kelton this week.

The community extends the deepest of sympathy to the Whiteley family on the death of their father, "Uncle" George Whiteley. Miss Cynthia Ann Phillips returned home Sunday from a week's visit near Lubbock.

Mr. and Mrs. C. E. Dalton, and Mr. and Mrs. A. C. Johnson and Rena visited last week in Clovis, N. M. and Hereford.

Mr. and Mrs. Lonnie Kenney and Danny of Pampa spent the weekend here with Mr. and Mrs. T. J. Austin.

Mr. and Mrs. Cluie Splawn of Perryton were visitors here Sunday afternoon.

Mr. and Mrs. Cliff Mason, Dot and Lou and Miss Rena Johnson attended the Church of Christ revival in Sweetwater Tuesday night.

The Methodist revival will begin Sunday with Rev. Yarbrough in charge. Everyone is invited to attend.

#### BY GEORGE, HE NEEDED IT!

A superstitious old gentleman who believed in the old saying, "See a pin, pick it up, and all day you'll have good luck," one day he saw a pin on the pavement. Bending down to pick it up his hat fell off and rolled into the gutter, his eye-glasses fell and broke on the pavement, his suspenders gave way, he burst the buttonhole in the back of his shirt collar—but he got the pin!

### S. C. District Has

(Continued from Page 1)  
R. L. Galmor also is working on a coordinated plan, as well as Sam Wright.

C. C. Dyson has a water disposal problem on his farm, and the District work unit is working with his neighbors in an effort to find a way to release his runoff water without damaging anyone.

All work being done at present by the District Work Unit is with those who apply for assistance as a result of group meetings.

Group No. 1 met at Woodford Williams' farm at Mobeetle on July 29 and August 5; Group No. 2 met at Mt. Zion School on August 2, and August 15, with L. T. Underwood as group leader; Group No. 3 met at Cash Walker's on August 5 and August 23; Group No. 4 met with Jap Bailey on August 29. Mr. and Mrs. Bailey served ice cream to friends and neighbors who met with their group, and to Work Unit Conservationist John Carter; County Agent W. K. Frey, and Assistant Agent Ralph Wheat.

It is anticipated that plans on the farms already grouped will have progressed sufficiently by the last of September that the Work Unit can switch to some other part of the County, as determined by the Board of Supervisors. Those farmers who want assistance soon should talk to their neighbors and get together a group of from six to ten farmers who want the District to help them in conservation work. Then the leader of the group can contact County Agent Frey, or any of the Supervisors (Gordon Whitener, Jap Bailey, Dusan Paskan, Clarence Zybach, or Billie Cantrell), or Work Unit Conservationist John Carter.

At the present, the rate of progress is being somewhat held back by lack of a soils man on account of poor housing prospects at

Wheeler. Also, time is needed to complete plans on farms of those groups already organized.

Soil Conservation Service personnel in the Work Unit helping Wheeler County Soil Conservation District are:

John Carter—Work Unit Conservationist.

Merle Courtwright—Engineering Aide.

Delma Faught—Conservation Aide.

Lily M. McClain—Clerk, Typist.

In a meeting called by the Extension Service at Amarillo on August 11, every agency having anything at all to do with soil conservation — AAA, Extension Service, Soil Conservation Service, Vocational Agriculture, etc., committed their personnel to assist the Supervisors of Soil Conservation Districts in every way possible in getting the job done.

On August 23, Supervisors Clarence Zybach and Jap Bailey, and County Agent Frey attended a meeting at Pannhandle in which the State Soil Conservation Board reviewed the recent legislation, appropriating money for the Districts to operate on. Supervisors of all Districts in the Pannhandle were there to learn how the money was to be used.

### Briscoe School

(Continued from Page 1)  
Therton, Thomas Helton, Elbert Zybach, and Claude Barker. The Board and many patrons contributed wholeheartedly of their time and hard physical labor to these many projects.

The Briscoe School Board was organized in June and its 22 members have worked diligently and made satisfactory progress this summer. Superintendent Barnett is directing the band. His Texas music experience includes bands at Canyon and Shamrock and brass work with the Amarillo Philharmonic.

## TIRED OF FARMING?

By Bill Rushing, Secretary  
Wheeler County ACA

Tired of farming? Want to get rid of your land? Here's the recipe:

Cut one medium sized farm into irregular pieces. Add several successive cash crops to remove the humus. Stir the thin layer of topsoil frequently until the soil particles are ready to be carried off by the next hard rain. Carefully work the land up and down the slope so that the furrows will form waterways for rapid disposal of excess water and soil. Keep doing this until the hardpan shows through on the hill-tops and slopes. Then cut into deep, irregular gullies and leave cut in the sun to bake. When done, season with an unpainted house, broken down fences, some old worn-out machinery, a rickety barn, a good sprinkling of unpaid bills, with a pinch of despair. Garnish with weeds.

Serve with a tax sale and move.

## Society

### Montgomery Home Is Scene SS Social Wed.

The Young Married People's Sunday School Class of the Methodist Church of Kelton met at the A. R. Montgomery's Wednesday evening, August 31, for a social.

After a series of games for the children and dominoes for the parents, melons were cut which had been brought by each family, and all enjoyed a watermelon feast. The youngsters engaged in a melon fight and games were then played again.

Those present were: Rev. and Mrs. Homer Long and children, Messers and Messias Joe Pitcock and family, A. R. Montgomery and family, Charlie Brittain and children, Ollie Elliott and family, George Richardson and family, Raymond Moore and children, Chas. Lang and children, A. E. ### Samnorwood Rodeo To Begin Fri. Afternoon

Everything is in readiness for the annual Samnorwood Rodeo, a spokesman for the association declared this week.

Dates for the big amateur show which offers \$1,800.00 in prizes, have been set as Friday, Saturday and Sunday, September 2-4.

Bill Knoll who is helping direct the three-day event says everything points to the biggest and best show ever held.

Goat Mayo of Petrolia is furnishing the stock which are said to be among the meanest and roughest in this part of the country.

The \$1,800.00 in prizes will be awarded in the following events:

Saddle bronc riding, bareback bronc riding, bull dogging, calf roping, bull riding, team tying, girls sponsor contest.

The public is urged to remember the dates and attend the popular outdoor contests.

David Holt of Pampa and Larry Holt of Borger came Monday for a visit with their grandparents, Mr. and Mrs. D. E. Holt, Mrs. Clarence Holt came after them Wednesday.

### Children Need Physical Check-Up Before Going To School First Time

The ringing of school bells will soon start thousands of rural boys and girls back to school, and many will be leaving home for the first time. This first day at school will long be remembered not only by the pupils but probably by dad and mother as well. There is a lot more to getting junior or Sister off to school these days than providing them with new shoes and a dinner pail, says Mrs. Eloise Johnston, extension family life specialist of Texas A. and M. College.

A complete physical check up is in order, she says. Special attention should be given to the ears, eyes, teeth and throat. If it hasn't already been done the child should be immunized against diphtheria and vaccinated against smallpox. A healthy child is a better student, will learn faster, and enter into the school activities, says Mrs. Johnston.
