SAFE DRIVING CONTEST AN OPPORTUNITY FOR FINE PUBLIC SERVICE

A safe driving contest, under sponsorship of the Interscholastic League assisted by the Department of Public Safety, the Department of Education and Texas Safety Association as has been proposed, commends itself as not only being thoroughly practical, but necessary.

Of some 1,200 high schools, about half have safety courses. All should have them. And of this number only a relatively few have behind the wheel courses.

As the twig is bent, the tree is inclined. The time to get a thorough grounding in the principals of driving safety is in the student's most formative years, when they will stick by him, instead of the hit and miss variety of "pick-up" instruction so general, in which youngsters approaching the driver license age requirement too often have to try to learn by the system of trial and error. Error means accident, and an accident can mean a death or serious injury.

Under the proposed rules, a written examination and driving test would be provided. The entering students must have completed or be taking an approved course in driver education and driver training during the current year, and must never have been involved, as a driver, in a reportable traffic accident, or have been arrested for a traffic violation.

A certain result of such a contest, organized on carefully laid and practical lines, would be the saving of life and prevention of injury and serious loss of property.

Texas' high automobile accident fatality record is a tragic testimonial to failure to abide by safety principles and to the carelessness that is responsible for that failure.

The schools of the state owe an obligation to their students, parents and the public in promotion of safety, and this proposal, under such fine sponsorship and co-sponsorship, is an opportunity for invaluable public service.

Wages Include All Types Of Remuneration

The Amarillo social security office points out that while employers usually report all cash payments to their employees, they do not always include the money value of other pay which is made in some medium other than cash. This has come to the attention of the office during the handling of claims for benefit payments in this area.

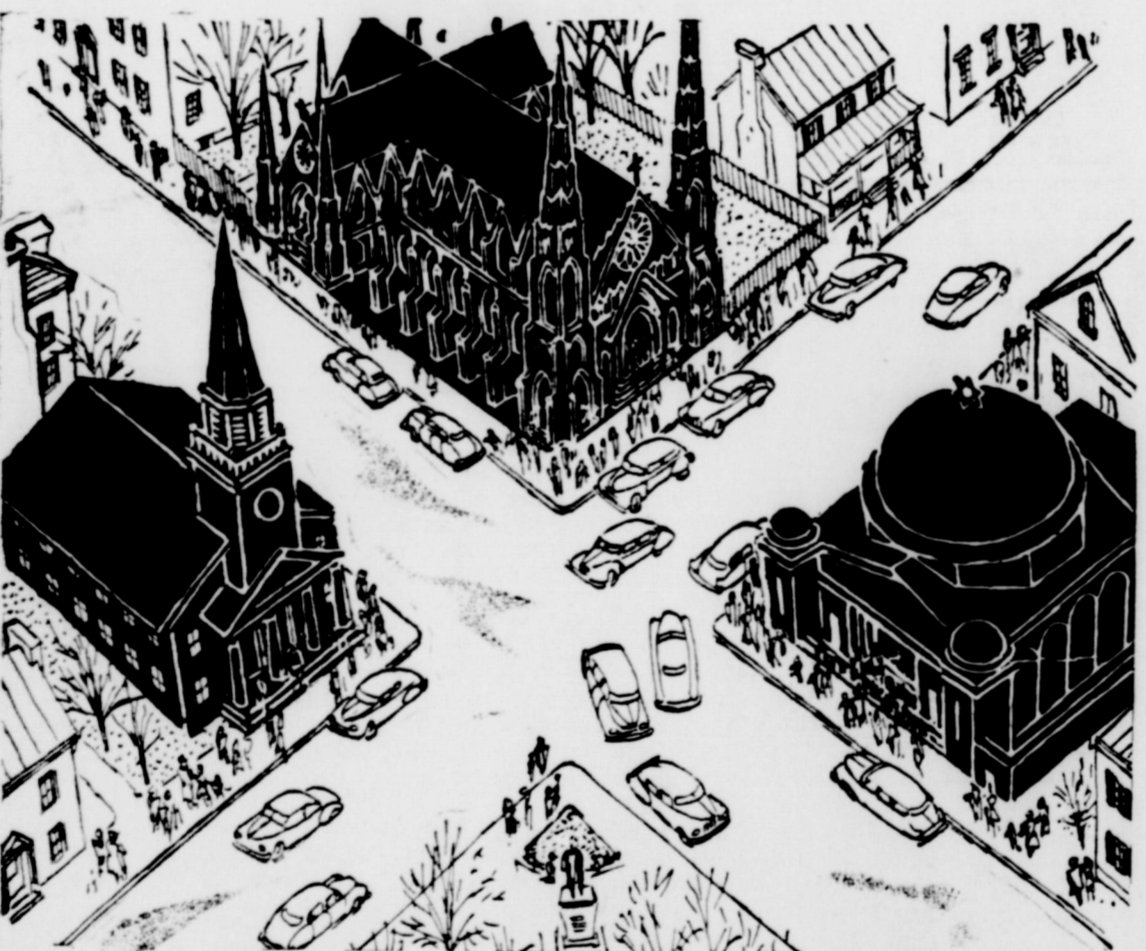

J. R. Sanderson, manager of Amarillo social security office explained that the word "wages" used in the Social Security Act includes pay of various types. It includes cash, payments in kind such as meals, lodging, rent, or goods, and of course, salaries, bonuses, back pay, as well as pay by the hour, day or week.

Workers who receive part or all other pay in the form of meals or lodging, rent, or goods of any sort, and have reason to believe their wage accounts are incorrect, should contact the Amarillo social security office, located in Room 324, Post Office Building. Ask for a postcard form which makes it easy to obtain a statement of wages credited to the employee's account.

All persons covered by Federal old-age and survivors insurance should keep in mind that benefit payments to them or their survivors are based on wages from jobs covered by the Social Security Act.

Why not make up your mind to do something every day to improve yourself? If will pay dividends.

THIS IS AMERICA

This is freedom - many religions, many races, living in harmony together. For freedom is more than a way of life. It is a state of spirit - and our richest asset. Under freedom of religion, Americans attend more churches than any other nation. Under freedom of speech, we have more newspapers, more radio stations than any country in the world. Under freedom of opportunity, our children attend more schools, have more chances to succeed in life. We are only 7% of the world's people, living on 6% of the world's land. Yet we in America have the highest standard of living the world has ever known. Under freedom of enterprise - you may call it Democracy, or Capitalism - we make just about one-third of the world's goods, mostly for our own use. We drive three-fourths of the world's autos, use about half the world's electricity. Our homes are unrivaled for comfort and labor-saving devices. We eat more meat, buy more clothes, see more shows, own more insurance. We even save more money. Yes, freedom pays - in the coin of tolerance and understanding, and in the coin of progress and prosperity.

ALLOTMENTS FOR ALL CROPS IS SUGGESTED

Now that acreage allotments and marketing quotas seem likely on a number of major crops in 1950, the problem is one of keeping acreages taken out of allotment crops from piling up surpluses of other farm commodities.

According to Geo. Close, chairman of Wheeler County Agricultural Conservation Committee, this is one of the big problems—if not the biggest—facing farmers if this country today. As surpluses of one crop pile up there will be a tendency—if past experience can be used as a guide—to shift production to other cash crops. This, in one year, may mean surpluses and ruinous prices for these commodities.

Mr. Close said that it has been suggested there be a total allotment on the farm to cover all these crops. This would mean that in addition to the allotments on individual crops there would be a total farm allotment that would cover all cash crops, or crops that may cause marketing troubles. To

\$400 a unit. 75 to 84 unit schools are allotted \$29,700 and those having over 85 units get \$350 a unit.

The County School Boards and Superintendents are authorized to set up the most economical system of transportation of pupils to school. The State Warrants for transportation are to be made payable to the County Board Transportation Fund.

For each nine months transportation of each pupil the school will be allowed \$31.50 but if the number of pupils is less than three per square mile then the amount will be \$45.00 per pupil.

Purchases of buses are to be handled through the Board of Controls. Time warrants can be issued by schools wishing to purchase a bus when unable to immediately raise money.

In financing the program, school districts are to make equalized efforts, the State and County Available School Fund will be distributed on the basis of the number of pupils and payment by the State with a sum of money to finance the remaining costs of the minimum program.

\$45,000,000 is to be raised by the school districts of the state toward this program's financing.

The Central Education Agency will calculate an economic index of the county's ability to pay every four years. The assessed property valuation of the county, the number of pupils in the county, income from manufacture, minerals produced, value of agricultural products and payrolls will go into the figuring of the economic index.

be eligible for price supports, the farmer would have to be within this total allotment as well as all the allotments for individual crops.

On a farm where a farmer may have a normal acreage of 60 acres of wheat, 30 acres of corn, and 10 acres of potatoes, he may have individual crop allotments of 50 acres of wheat, 25 acres of corn, and 5 acres of potatoes. But he may have 20 acres in other cash crops, which if increased, would help to build up surpluses.

The idea suggested would be to set up an over-all allotment as well as allotments for individual cash crops. He would have to be within the individual crop allotment and the total allotment to be eligible for price supports on

any crop.

The suggested proposal would help farmers to work together instead of against each other, the chairman said. And as to what to do with the land taken out of these cash crops, he suggested that there is room for expansion of grass and legume crops both to increase livestock production and to conserve the soil.

The May plentiful foods list included peas, corn, citrus juices, grapefruit segments, canned apricots, fruit cocktail, eggs, cheese, fresh and frozen fish, dried beans and peas and peanut butter.

SENATE BILL NO. 116 IS EXPLAINED

Gilmer Aiken 116 or Senate Bill 116 as it is called in the legislature provides the minimum salaries to be paid school teachers, determines eligibility of school districts for the program and tells how the program will be financed.

It guarantees nine months of schooling to every child of school age, provides classroom teachers, special service teachers and vocational teachers. The number of teachers is to be determined by the average daily attendance in the schools.

School districts having from 157 to 445 pupils in average daily attendance are to have one classroom teacher for each 24 pupils.

A supervisor is to be determined for each 40 classroom teacher units and districts may pool their units to be eligible for a supervisor.

School teachers finally have a minimum base pay really established by law which has a chance of being fairly adequate.

The minimum pay for a classroom teacher with a Bachelor's degree will be \$267 per month. \$6 per month is to be added for each year of teaching experience for twelve years. Minimum pay for a teacher with one, but less than two, years of college training is \$135 a month. The raise in salary is \$6 a month for each year teaching for twelve years, \$180 a month is to be paid those teachers with two but less than three years college training. A teacher with three years of college training will be paid \$205. The \$6 raise per month for every year experience teaching pertains to all teachers except those holding Masters degrees.

A teacher with a Masters degree will get a salary of \$292 a month with \$6 a month added a year, but the raise is not to exceed \$156.

Total operating cost of a school shall be based on the classroom teacher units other than professional salaries and transportation. Schools with 74 units or less get

Mrs. Lynch Honored With Bridal Shower

Mrs. Floyd Lynch, the former Miss Sidney Lancaster, was honored with a lovely bridal shower, May 6, in the home of Mrs. C. A. Dysart, with Mrs. Ed Johnson as hostess.

Those present and sending gifts were: Mesdames Bulah Grimes, Jet Williams, Gazell Patterson, Luella Johnson, Nora Trusty, Erna St. Johns and girls, Doris Hooker, Audrey Alexander, Jeff Brewer, Clinton Strubling, Elmira Atkins, Vivian Ruff, Virgie Patton, Cynthia Worthington, Sallie Ring.

Wes Johnson, Curtis Lancaster, Ed Johnson, Aubrey Greenhouse, J. H. Roper, C. E. Roper, J. H. Vice, R. E. Zell, John Pepkin of Spearman, A. B. Lancaster, C. A. Dysart, Lavern McPherson, J. H. Scribner, Nep True, Pauline Hooker, A. H. Burke, Vera Walker, Chas. Nixon, I. T. Goodnight, Miss Betty Lancaster and Mr. J. E. Jones.

Atwood Home Scene Of Mother's Day Dinner

Those enjoying Mother's Day dinner in the T. M. Atwood home of Kellton were: Messers and Mesdames Bill Wallis and Betty Lou of Spearman, Gwyn Blackwell and family of Ferryton, J. Smith and daughters, Wheeler, W. J. Atwood and family, Ted Atwood and daughter, Dick Atwood and sons, and Mrs. G. W. Atwood, all of Kellton.

Visitors in the afternoon were: Mr. and Mrs. J. T. Wallis and family of Mobeetie, Mr. and Mrs. Wayne Wallis of Borger and Sue Lester of Mobeetie.

Mrs. Wiley Hostess Wednesday Stury Club

The Wednesday Study Club met with Mrs. H. M. Wiley, Wednesday, May 11, with Mrs. R. Wm. Brown leader of the program in observance of National Music Week. Her assistants were Mrs. H. E. Nicholson, and Mrs. Tom Britt. Their discussions were highlighted with performances by Wheeler artists.

Mrs. Brown discussed, "Music Yesterday and Today." As representative of earlier compositions, Miss Ruth Merrill played a piano selection, "Nocturne in D Flat," by Scriabine. Mrs. Brown discussed life of the modern composer, Jesse Gaynor, and Garth Nash played a piano number, "Happy Holiday," by this composer. A vocal quartet, composed of Billie V. Brown, Mrs. Glenn Robertson, Pat Noah and Francis Porter, accompanied by Peggy Rodgers sang, "For Ever and Ever".

Mrs. Nicholson's topic was, "Negro Singers and Their Art," stressing the works of Dorothy Maynard, Paul Robeson, Roland Hayes and Marion Anderson. After this discussion Frank Wofford, accompanied by Margaret Ann Holt, sang, "Swing Low Sweet Chariot," "Old Folks at Home," and "My Old Kentucky Home". The group joined in singing the latter number.

CRISP AND COOL

This young lady will stay crisp and cool on the hottest summer day in her box plaid gingham frock. The casual cotton is designed by De De Johnson in pretty plaid color combinations. A self-tash emphasizes a tiny waist.

Then Margaret Ann Holt rendered two piano numbers, "Go Down Moses" and "Ole Man River".

Mrs. Tom Britt discussed, "Look-Through the Opera Glass", giving a history of the opera and told of the opera's, "Carmen" and "Pagliacci". After this discussion Miss Merrill gave a piano interpretation of Isolda's Love and Death from "Tristram and Isolda", by Wagner, concluding a most enjoyable program.

Lovely corsages of red roses from the hostess' own garden adorned the refreshment plates served to the following guests and members: Mesdames R. J. Holt, Carl Laflin, George Porter, R. D. Holt, Jimmie Mitchener, Harold Nash, Lee Guthrie, Tom Britt, H. E. Nicholson, J. M. Porter, Max Wiley, Frank Wofford, M. McIlhenny, W. L. Williams, Nelson Porter, Luther Parks, Glen Robertson, Harry Wofford, C. J. Meek, Floyd Pennington and the hostess.

GOSSIP

The seventh and eighth grade plan a weiner roast May 4. We hope everyone can come. We also plan to go to the show at Shamrock the 17th of May.

The eighth grade added up their grades and Ruby Gilmer is valedictorian and Shirley Sprull is salutatorian.

WONDER WHY

Everyone will be glad when school is out?
Ruby reads her poem?
Troy Dean always makes 100 in spelling?
Bobbie wasn't at school Tuesday evening?

WHAT IF

Ruby's hair was black?
Bobbie Curlee didn't set in front of Shirley in class?
The eighth grade could decide on anything?
Mr. Farmer could teach the eighth grade science?
Lillie Mae lived in Reydton?
Shirley was in the 12th grade?
Kenneth could behave?
Virginia could get the boy she wanted?
There wasn't such a thing as science?

YOUR VOTES AT WORK

By Gene Burlich

Members of the legislature are really trying to get the bulk of their work done before they adjourn for the year. Various estimates have been made and will continue to be made on the probable date of adjournment. The general opinion is the legislature will adjourn in four weeks. Estimates range from May 26 until June 11.
A constitutional amendment concerning annual meetings of the legislature may go before the people this year. This amendment would provide annual meetings with an annual wage for the members. The legislature now meets every two years, except when the governor calls special sessions.
The main argument for annual meetings seems to be the matter of appropriations. The legislature now has to appropriate for each two years and many members feel it is impossible to determine to a reasonable degree the amount to be appropriated for state functions two years from now.
Others feel a legislature paid an annual wage would be more attractive to men of greater maturity.

AND TOO QUICKLY

"Gretel, will you marry me?"
"Sure ting, Ole."
A long dead silence; no word, no motion.
"Why don't you say something, Ole?"
"By golly, Aye tink I say too mooch already."

From where I sit... by Joe Marsh

How Would You Say It?

Curley Lawson's cousin from back East and a few of us got talking when he was here visiting, and I couldn't help noticing how different he said things.
For instance, he said, "Lifting that 200-pound bag of cement almost killed me." "You mean sack of cement?" asks Curley. (That's the way we'd say it.) "No," interrupts young Elliott who'd spent a lot of time down South. "He means a 'poke of cement.'"
It was good for a chuckle, anyway. Bag, sack or poke—we knew

what he was trying to say. It just depends on where you are in the U. S., which way sounds right.
From where I sit, whenever we criticize someone for sounding funny to us, we ought to think how we sound to them. It's the same as choosing your liquid refreshment. I'm accustomed to a moderate glass of beer—you may like ginger ale—but who's to say the other's wrong? I'd say we're both right!

ty, more experience, better administrative ability and business ability.

The objection has been voiced that some legislators look at the sessions as only a part time job. Many feel it is a full time job in order to have a really representative government doing a good job; full time members with an annual, reasonable, working wage are essential.

House Bill 14 would give the State Auditor authority to audit the counties books. Before the bill the State Auditor had no such authority. The county commissioners may request an audit of the books or action of the grand jury would call in the Auditor to the records.

Some confusion over this bill has resulted. Many counties publish annual financial statements

but no penalty is on the books for non-publication of such a statement.

A new tax bill may be the result of appropriations made in this session of the legislature. Members are in doubt as to what kind of tax to impose. Some members favor an increase in present taxes. Nothing is definite except the feeling that more money may be needed.

Stat Comptroller Bob Calvert made the statement it would take almost a year to determine the total cost of the Gilmer-Aiken plan.

One thing almost a certainty in view of the number and amount of appropriations this session is the need for more revenue for state functions.

Davis-Williams Vows Exchanged Recently

In the presence of close friends and relatives, Miss Nellie Davis, daughter of Mr. and Mrs. Wylie Davis, of Mobeetie became the bride of Marion J. Williams, son of Mr. and Mrs. S. W. Williams also of Mobeetie, in impressive rites performed at the home of the bride's parents, Rev. Vernon Willard, pastor of the First Methodist Church in Mobeetie officiated.

Vows were exchanged before a large mirror decorated with arrangements of lilies and bridal wreath.

Mrs. O. G. Trimble, sister of the bride, attended as matron of honor. She wore a white lace blouse and blue skirt with white accessories.

O. G. Trimble served the groom as best man.

The bride was attractive in a white two-piece dress with white accessories. She wore a shoulder corsage of blue carnations.

Mrs. Williams graduated from the Mobeetie schools in 1947 and

the groom from the Briscoe schools in 1943. He served two years with the U. S. Army, receiving his discharge in 1946.

The young couple are making their home in Pampa where Mr. Williams is employed at the Pampa Lumber Co.

Ladies Bible Class In Meeting Monday

Members of the Ladies Bible class met Monday, May 9th, at 10:00 o'clock at the Church of Christ building for an all day meeting. Quilting, mending used clothing and packing clothing for shipment to Italy were the main activities of the day. The Church of Christ requests members who plan to turn in used clothing to this work to do so as quickly as possible.

Mrs. J. C. McQueen taught the Bible Class at 3:00 o'clock, which was preceded by an inspiring talk by Mrs. Bill Owen on the mission work in Italy and the beginning of the Frascati Orphanage.

A covered dish luncheon was enjoyed at the noon hour. Others taking part besides those already mentioned include: Mesdames J. C. Bradstreet, J. B. Barr, B. F. Westmoreland, R. D. Barber, E. Tillman, G. N. Hibbitts, Annie Savage, M. E. Pride, J. R. Clements, Lee McBea, P. H. Scott, S.

FAIR GIVES NEW PREMIUM LIST

Farmers and ranchers of the Southwest will take home more premium money from the State Fair of Texas this fall than ever before in history.

This news is announced in the 1949 State Fair Premium List, first copies of which are now in the mails inviting all pure-bred livestock breeders to exhibit their herds and flocks at the 1949 exposition.

The Premium List was published a month earlier this year to give farmers and ranchmen more time to plan and prepare the exhibits which they will show to some 2,000,000 visitors when the Fair opens on October 8 for its 16-day run.

Total premium will be \$65,235. Premiums for the various divisions are: Beef cattle (Aberdeen-Angus, Brahman, Hereford, Short-horn), \$25,200; dairy cattle (Guernsey, Holstein-Friesian, Jersey and Milking Shorthorn), \$12,900; swine, \$8,250; sheep, \$3,213; Angora goats, \$732; Palomino and Quarter Horses, \$4,750; special herdsmen awards, \$350; and Junior Livestock Show, \$9,840.

Opening day will see the greatest display of livestock ever shown at the Texas exposition, with the main feature the National Aberdeen-Angus Show, State Fair officials said.

Dates for the Junior Livestock Show have been extended from four days to one week as a result of growing interest in this phase of the Fair. Last year 400 exhibitors from 154 counties brought 1051 animals to the Junior Show.

For the first time in many years 4-H Club girls with livestock projects will be permitted to exhibit in all divisions of the Junior Livestock Show.

The State Fair has expanded its facilities for the swine show adding 126 new pens. Fair officials confidently expect to break all records in this division again this year.

New pens are being provided for sheep and Angora goats; and 166 of the most modern stalls have been added for the Palomino and Quarter Horse shows.

The foreword of the premium list contains an invitation from Governor Beauford H. Jester to residents in every state to visit the State Fair and enjoy a panorama.

Requests for copies of the State Fair Premium List should be addressed to State Fair of Texas, Dallas 10, Texas.

Miss Genevieve Morton and Vendell Starkey were weekend visitors in Dumas in the home of Mr. and Mrs. J. E. Morton and son.

Mrs. and Mrs. T. J. Cole and daughters returned home Monday night from a trip to Colorado and Nebraska. Mrs. Cole's mother returned home with them.

Mrs. and Mrs. Clayton Kelley and daughters of Borger spent Mother's Day in the home of her parents, Mr. and Mrs. Ed Clay.

VA LAY-OFFS TO BE MINIMUM

Robert W. Sisson, Veterans Administration Regional Manager announced that a minimum number of lay-offs will be necessary in the West Texas VA region as a result of a nationwide reduction in Veterans Administration employees.

VA will immediately issue reduction in force notices of dismissal to approximately 8,000 employees in order to bring personnel within the provisions of the VA budget as submitted to the Congress for Fiscal Year 1950. One immediate effect of the reduction order will be the closing of 42 VA offices through the nation.

Sisson said that the curtailment would not mean closing any VA offices in this region; however, it would be necessary to stop all itinerate service effective June first. VA contact representatives will continue to make their regular scheduled interrate visits until June first. Other than the regional office at Lubbock, VA offices are located at Amarillo, Childress, Abilene, San Angelo, Big Springs, Odessa, and El Paso.

Veterans Administration Central Office at Washington pointed out that this reduction in personnel does not take into consideration any further cuts that may be made by congress which may necessitate further reduction. The entire reduction is being borne by services other than medical and hospitals.
