THE COUNTY SEAT NEWSPAPER

Pictured above is the flag of the United Nations which was flown in Wheeler on United Nations Day, at the County Courthouse, post office and home of Mr. and Mrs. H. M. Wiley.

Wheeler County home demonstration club women made 10 of these flags which they presented to the schools of the county.

The flag has a blue background and the insignia is in white.

Wheeler Whisperings

By J. C. Howell

Our friend, H. M. Wiley, tells us that he believes many people in this territory do not thoroughly understand the purpose and the working of the United Nations Organization and consequently resent much of the publicity which the daily papers have carried during the past few weeks regarding the flying of the United Nations Flag. It seems that some people have the idea that the United Nations Organization is a communist group which is entirely against the American principles, but this is not true since the organization is made up of representatives from many of the countries of the world and people of the United States of America were one of the main groups who helped in the founding of the organization. The main purpose of the United Nations Organization is to work out differences between the countries of the world in a peaceful manner and strive to prevent wars between these countries.

Tuesday, October 24, was United Nations Day and if you noticed there were three United Nations flags flying from flagpoles in Wheeler, one each was flown at the H. M. Wiley residence, the post office and the Wheeler County Courthouse.

U. B. Traylor brought in a freak of nature which has caused many comments from visitors in the Times office this week. The odd display is a piemelon which grew about half way down into an oil can which had both ends cut out.

We really felt sorry for the Mustang squad as they battled their hearts out last Friday night trying to beat a keyed-up Stinnett group without the services of three of their regulars. We won't say that the fact that the regulars were unable to play was entirely responsible for their loss since they could make plenty of yards as long as they didn't get closer than 30 yards to the Stinnett goal line but we know that they would have helped a whole lot and they certainly would have helped the Mustang defense. The Mustangs who were able to participate in the contest played hard and came out of the contest more beat up and bruised than they have in previous contests; however, part of that can probably be attributed to the condition of the Rattlers' playing field which turned into a regular DUST BOWL each time a play was run.

The warm dry weather which has prevailed for the past several weeks has really meant a great deal to this territory since prospects for any harvest what-so-ever were so dim all summer long. Many farmers will not realize very much profit from their crops this year but they will at least get their money back and be able to start off another season without a big debt hanging over their heads, and some of them will come out with a nice profit. We would like to see all of them come out with some money to spare.

The minister expressed appreciation for the visits to the meeting of a large number of local citizens who do not worship at the Church of Christ and invited them to attend the regular services of the church.

GOOD MEETING AT LOCAL C OF C

Sunday marked the final day of the eight-day series of gospel services conducted by the Church of Christ of Wheeler, which presented Gayle Oler, superintendent of Boles Orphan Home, as evangelist. The large attendance at evening and Sunday services taxed the seating capacity of the building; and local minister Ernest Grizzard expressed confidence that much permanent good was accomplished in the interest of lost humanity.

The meeting just completed was the second series of special services conducted this year by the Church of Christ, and the church will continue to conduct such undertakings as it believes to be spiritually profitable to its members and the people of this community. It was stated. Past efforts of the church here have included summer camp for young people, and singing schools for improvement of congregational singing; and the minister stated that it is hoped that these projects may be offered again in the future.

Announcement was made this week that monthly teachers meetings will be resumed on next Thursday night, November 2, at 7:30 in the church auditorium.

Begun in the summer and suspended for several weeks during the early fall, these meetings are conducted as informal classes for the training and improvement of teachers and substitute teachers for the Sunday morning and Wednesday night Bible classes. During the coming season talks are being planned on educational topics, and open forum discussions will be held to help solve problems that arise in teaching. These meetings are open to all who are teaching or who are interested in learning to teach Bible classes.

Legion Auxiliary To Stage Hallowe'en Carnival October 31

Members of the American Legion Auxiliary state that plans are complete for the big Hallowe'en Community Carnival which they are staging at the Wheeler American Legion Building next Tuesday night, October 31. Doors for the carnival will swing open at 7:30 p.m.

One of the features of the carnival will be a baby sitting booth which the girls of the Wheeler Homemaking classes will operate.

There will be approximately 15 booths with 1 booth fixed up exclusively for little children of preschool age.

The classes in high school are conducting a king and queen contest and the winners will be crowned in beautiful coronation ceremonies as a climax of the carnival.

Members of the Auxiliary extend a cordial invitation to everyone in this vicinity to attend the big affair.

VOTERS GET SMALL BALLOT

Voting in the November general election this year will be done on a small scale in Texas.

The size of the official ballot has been reduced from the miniature bed-sheet size in 1948 to a mere 17 inches in length by 10 inches wide.

But the wasted space, caused by the antique scratch-out method of voting with a separate column for each party, is still present.

The 1948 general election (presidential election year) ballot was 22 inches long by 16 inches wide. Of course, there are fewer parties this year than in 1948. In fact four less. This has cut the ballot from 1948's eight columns to a ballot of four columns this year.

In 1948 there were Democrats, Republicans, State Righters, Prohibitionists, Progressives and Socialists plus the two columns for independents and write-ins. This year there are only the Democrats and Republicans plus the other two columns. Neither time were there any names printed in the last two columns.

However, the length of the ballot in 1948 was caused by more offices being affected and eight constitutional amendments to be acted on by the electorate. This year there are only 38 offices to be acted on instead of the 43 offices on the 1948 ballot, and no constitutional amendments.

As usual the Democrats have a full slate of candidates from the top to the bottom while the Republicans have candidates up for only state and some district offices.

Three offices, outside of president and vice president of the United States, on the 1948 ballot are not being acted on this year—U. S. senator, chief justice of the State Supreme Court, and one post of the Railroad Commission that was listed in 1948 as "for the unexpired term" causing the shorter ballot.

The office of superintendent of public instruction has been replaced this year with the office of member, State Board of Education. The same is true for other state and district offices—where they won't be acted on this year, they are replaced with offices whose terms expire on Jan. 1 and won't come up for election until 1952.

So, Wheeler County voters will have a ballot this year that is nine and one half inches narrower and five inches shorter.

Two Mobeetie Students Are Attending ACC

Two students from Mobeetie have enrolled in Abilene Christian College for the 1950 fall semester. They are LaVerne Finsterwald, daughter of Mr. and Mrs. H. J. Finsterwald, Route 2; and Tommye Nannette Tyson, daughter of Mr. and Mrs. R. T. Tyson.

NOTICE

There will be a temperance meeting at the Methodist Church in Wheeler, Sunday afternoon, October 29, at 3:00 p.m., sponsored by the Women's Christian Temperance Union.

Every man, woman, boy or girl who believes in temperance is urged to be present.

SOIL CONSERVATION DISTRICT MEETS

The Board of Supervisors of the Wheeler County Soil Conservation District met Monday night at the Wheeler County Court House. At the meeting there was some discussion to buy additional equipment for the district; namely another grass drill and possibly another legume drill. The ones here in the county have proved most satisfactory and have really paid dividends in helping the County with its soil and water problems.

COMMERCIAL FEEDING

Wheeler County's commercial cattle looks good with the best of them. R. Wm. Brown of Wheeler took two car load lots of Hereford steers to the American Royal at Kansas City last week to compete in the stocker division at the show. The lots were made up of 20 steers each and were judged as feeder cattle.

One lot of Bill's lots won second in the Hereford division and third over all breeds, while the other lot took third in the Hereford division and 7th over all breeds. These two cars of steers were all raised here in the county; Bill raising the most, the others being bought over the county.

Thomas Jones of Wheeler and Campbell counties, also took some calves to Royal. His calves took ninth in the weaning Hereford division.

Richard Brown, son of R. Wm., took three finished steers to Kansas City and came out very good. He started feeding 9 commercial calves last year; six of them were sold at the FFA and 4-H sale in Amarillo last April. The other three were fed in a dry lot on a ration of maize, corn, and cotton seed meal and hulls. The steers had access to sudan pasture part of the time. Richard's gain of 400 pounds on these steers at \$31.00 per hundred paid off very good after his feed and labor were taken out.

Harold Lee of Wheeler also fed two dry lot calves and turned up with a profit of \$128.00 to pay for his time and trouble.

Thursday, Wheeler County 4-H Club boys are going to buy 30 or 40 head of these commercial feeders at Amarillo to feed in the dry lot program this coming year. We hope the results are equally as good as the boys mentioned above.

4-H COUNCIL MEETS

The Wheeler County 4-H Club Council will have a very important meeting Monday night the 30th of October.

Co-Op Gin To Hold Big Dispersal Sale Nov. 4

Members of the Wheeler Co-Op Gin are announcing a Dispersal Sale in an advertisement on another page of this week's Times. The sale will be a public auction and will be held at the gin site here in Wheeler on Saturday afternoon, November 4, beginning at 2:00 o'clock. Shelby Pettit is to be the auctioneer.

The group plans to sell most of the buildings and equipment which are still on the gin property along with one dwelling which is to be sold either with the land on which it stands or to be moved.

SCOUT NEWS

The Wheeler Girl Scouts met October 24 with the troop president, Barbara Revious in charge. Plans were made for the turkey raffle for the Hallowe'en Carnival which is to be held at the American Legion Building. After the conclusion of the business meeting the girls formed the friendship circle and adjourned.

Mr. and Mrs. Claude Crouch and Miss Estie Seedig visited with friends in Perryton over the weekend.

The Wheeler Mustangs dropped their first conference contest of the 1950 season to an inspired Stinnett eleven by a count of 14 to 6 last Friday night. The contest which marked the crowning of the football queen for the Stinnett Rattlers was played on the Stinnett gridiron.

Early in the first period the Mustangs took the pigskin on a kick on their own 26 and drove to the Stinnett 30 before being stopped and held for downs where they lost the ball to the Rattlers. On the first play after Stinnett took possession of the ball, Joe Keadle broke through the center of the Mustang line and outran the Wheeler secondary to go 70 yards to the initial score of the contest. Bill Williams, a tackle, kicked the extra point to give the Rattlers a 7 to 0 lead.

The Mustangs took the ensuing kick-off and marched 64 yards to their lone counter. Whittenburg

started the drive with a 3-yard gain, Pettit added 12 for a first, Jones made 6, Pettit added 2 and Whittenburg made another first as he added 7, Johnson made 3, Whittenburg failed to gain and Johnson added 8 for another first in two tries. Pettit made 5 and Johnson added 7 for a first on the Stinnett 10, Pettit made 3, Whittenburg added 6 then failed to gain on the next play and Johnson carried over from the 1. Johnson's kick for extra point was wide.

The Mustangs took the second half kick-off and marched to the Stinnett 29 only to lose the ball on downs and from this point the Rattlers scored in just 3 plays. Keadle made 12, Early lost 2, then Keadle went all-the-way for the second Stinnett tally. Williams again converted.

On two or three other occasions the Mustangs drove down to around the Stinnett 30 but were unable to get past that point.

Joe Mitchell received an injury to his left knee early in the first period of the contest; so, the Mustangs were playing most of the contest without the services of three regulars, Mitchell, Dick Pendleton and Glen Farmer.

Mrs. Raymond Burks is a medical patient in the local hospital this week.

Coach Bernie Smith stated this week that the Mustangs will still be without the services of two regulars, Glen Farmer and Joe Mitchell, and Dick Pendleton will see only limited service; so, the Mustangs' chances of upsetting the powerful Irish squad will be quite dim.

However, Coach Smith stated that his lads were in high spirits and would be in there scrapping all the way and they assured him that the Shamrock lads would know they had been through a ball game ere the evening was over.

Mobeetie Meditations

By Mrs. H. L. Flanagan

J. T. Johnston received a letter Thursday, Oct. 18th that his brother, Lieut. Charlie Johnston had lost his life in an air crash following a catapult launch while operating from USS Intrepid at sea, fifty miles southeast of San Diego, Calif. Mrs. Johnston left Friday afternoon for Chicago, Ill. the home of her late Memorial services were held for Lieut. Miller Thursday afternoon. Our own recent tributes to fully sympathize with the family in their bereavement.

Students who will meet in the school with other grade pupils on the "Quiz Down" program, sponsored by the News Globe and KGNC each Saturday afternoon at 5:00 o'clock, have been selected from the grade school and will compete during the month of October with an Amarillo team. The team from the six grades will be Jay Godwin and Willard, with E. W. Riley alternate. From the fifth grade Corcoran and Carol Donnan, with Tommy Corcoran alternate, and the fourth grade team will be Gary Kent and Davis, with Laura Lannon alternate.

Don Burke was released from Northwest Texas Hospital at Amarillo Monday, after an eye operation last Tuesday, resulting in a blood clot following an infection. Fortunately, his vision was not impaired, according to reports.

Johnston was hostess of the Blue Bonnet Study Club Thursday afternoon. A program "Foreign Neighbors" was given with roll call answered by "Peculiarities of People of Tibet", was discussed by Mrs. E. E. Johnston, "The Philippines" by Austin Caldwell and "China and the Communists" by Mrs. A. Thomas. Refreshments served to fourteen members.

J. R. Patterson, Worthy of Mobeetie O. E. S. Chapter, and Mrs. Fred Farmer, Secretary of the Wheeler Chapter, returned from Galveston to attend Grand Chapter.

Mrs. O. E. Sims had as guests the past week, her son and husband, Sgt. and James M. Howerton of Ross, M. B-29 Air Base.

Nannette Tyson of A. C. C. Donald Davis of H. S. U. returned to the home of her parents, Mr. and Mrs. Tyson.

Earl Alexander and Mrs. Hooker were co-hostesses of your correspondent to the S. S. Dept. of the Baptist Church on the back lawn at our home last Wednesday afternoon. There is an indication of a good time as they surely have enjoyed themselves.

Weekend guests in the home were Mrs. M. Foster and Mrs. Vinson of Amarillo.

Mrs. J. M. Bryant and her family returned home Fri. from a week where they spent several days in the home of Mrs. Bryant's mother and sister.

Brenda Gay Godwin has returned to make her home with her mother and father, Mr. and Mrs. (Continued on Last Page)

Gray Summit, Missouri—(Special) Several hundred livestock and poultry farmers visited the Ralston Purina Research Farm here this week. Lyndon H. Sims, the 738-acre Purina Research Farm is not a show place where blooded stock and pedigreed birds are put through their paces for the visitors; it is an actual working demonstration and proving grounds for programs under development by Purina. The purpose of the projects is to provide the typical farmer with the information and help he needs to raise the average type of livestock and poultry profitably.

Daughtry's Announce 1c Sale And Jubilee

Mr. and Mrs. Thomas Daughtry who recently purchased the variety store from R. G. Russ are this week announcing a 1c Sale and Thrift Jubilee in which they are offering values in all departments of their store which is now known as Daughtry's 5c and 10c Store.

Since taking over the management of the store, the Daughtrys have made many changes and improvements and have just finished completely rearranging the merchandise in the store and invite everyone in this vicinity to visit them and avail themselves of the values they are offering during their special sale.

Mr. and Mrs. Cleo Gaines, Mr. and Mrs. Luther Parks and Mrs. Bessie Robertson were in Canyon Saturday to attend homecoming at W.T.S.C. where Richard Gaines, Garland Parks and Bill Robertson are students.

SCATTERGUN LAW

Criticism is being showered upon the administration for its literal interpretation and strict enforcement of the anti-subversive bill which was passed over a presidential veto in the waning hours of the last session of Congress. Strangely enough, much of this criticism is coming from those who previously have charged the administration with undue "softness" toward Communists. It is undoubtedly true that the strin-

gency with which the law now is being applied is intended to show up some of its shortcomings and to be a prelude to its revision when Congress meets again. But there scarcely can be an objection to strict enforcement of a law Congress has written. It is far more usual to hear complaints against the laxness with which laws are administered.

As it works out in practice, the effect of at least one provision of the law is far different from what Congress obviously intended. Hundreds of European visitors are being stopped at Ellis Island and told that the new antipatriotic law does not allow them to enter this country. Most of these by no stretch of the imagination could be classed as Communists, the group which the law was designed to exclude. But they are finding the doors of the country closed to them as a result of a sweeping provision of the law requiring the exclusion of any alien "who holds, or has held, membership, or has been affiliated with any totalitarian or Communist organization."

This operates to exclude most of the citizens of so many countries of the world, whether or not they have lived under totalitarian regimes by force, that it was found necessary to suspend visas for all travel by foreigners in the United States. The result is a great loss of good will without accomplishing any useful purpose.

This untoward situation is due to the loose wording of a piece of legislation hastily drawn and hastily passed. Instead of being criticized, the strict enforcement of the law has called attention to a defect. Having had the defect sharply pointed out, Congress will have a chance when it meets again to remedy it and any others which study of the law may reveal. The legislation then may come closer to its intent of protecting the country against its enemies without at the same time punishing and alienating its friends.

Turn off your iron, radio, hair dryer, lamp and other electrical appliances before pulling out the plug. Those sparks you see when the plug is pulled out with the appliance still on burn the prongs of the plug leaving them rough and pitted so that they no longer make a good electrical contact.

For an extra special filling for stuffed tomatoes, mix 1/2 cup cream with 1/4 cup finely diced celery. Then blend in 2 tablespoons real mayonnaise and 1 teaspoon Worcestershire sauce. You'll love it.

To put fresh elastic in a garment easily and quickly, pin one end of your new elastic to the worn out piece. As you pull the old one out, the new elastic will slide right in place.

Chiffon and cream pies are especially yummy in a ginger snap crust: mix one cup of finely crumbled ginger snaps with one-quarter cup melted vitaminized margarine. Press firmly on bottom and sides of an eight-inch pie pan and bake in a moderate oven (350 F.) about 10 minutes. Cool before adding filling.

Stainless steel pans can be brightened by filling with a mild vinegar solution and allowing to simmer on the stove.

HIS LAST HOPE

While doing a bit of shopping Mrs. Jones thought she'd take home a little present. The assistant at the men's counter, tried to be helpful.

"What about a 'be' machine," he said.

"No, he has a beard," "A pull-over, then?" "No, it's a long beard." "I see, madam," said the salesman wearily. "Do you think a pair of pants would show?"

"They say he would have lived to a ripe old age if he hadn't eaten so many cherries, from the last time he was cracked glass."

Ever Think of Your Soul?

Sure you do. Just like every other responsible person, you want to go to heaven. You want to enjoy all the happiness of that eternal home of the soul. More than likely you are planning to begin taking better care of your soul some day, but things just aren't quite convenient now.

But have you thought of this: you just may not have enough time to get things just right, for there is seldom a "convenient season" to enter the Lord and save your soul? What of your soul then? Important as these other things are, how important will they seem when your end is required?

Remember, we have only this lifetime to prepare for the soul's great home. We must not fail to be ready.

Begin now getting your soul the preparation it must have for the Eternal Home. Come worship and study God's Word at the friendly

DUTY BOUND

There was a serving girl in London whose mistress said one day, "What church do you go to?" "Mr. Spurgeon's," was the reply.
 "Do you like Mr. Spurgeon?" "Oh, yes, more than all the others. When I hear Mr. Spurgeon preach, I feel that I am bound to sweep under the mats."

LAND PRICES STILL RISE

Record high prices for Texas farm and ranch land existed at the end of 1949, and land prices continue to rise, according to a report prepared by John H. Southern and Joe R. Motheral. It was a cooperative study carried on by the USDA Bureau of Agricultural Economics and the Texas Agricultural Experiment Station.

During 1949, Texas land prices increased an average of about seven and one-half percent, or from an average of \$41.36 to \$44.44 per acre. This increase is in contrast to the slight decrease which occurred during 1948. Last year marks the third straight year that land prices have stayed at a record high level, far above the high prices which existed in 1926.

Although the price increased in 1949, the number of acres sold was 25 percent less than was sold in 1948. The average size of the tracts of land sold was smaller than had been the case for several years, and the number of sales dropped 11 percent.

The rise in prices occurred in 12 of the 18 type-of-farming areas in Texas, the largest increase being for wheat farming land of the High Plains. The average price of land in this area jumped from \$22.01 per acre to \$30.00, an increase of 36 percent. Very large increases also occurred in the grazing area of the High Plains and in the Trans-Pecos and the Lower Rio Grande Valley areas.

The average price of land was 18.7 percent lower in the High Plains cotton area and in the Rolling Plains area than during 1948. And a drop of 13.2 percent occurred during 1949 in the Grand Prairie. A considerable drop also occurred in the number of acres and the number of acres sold in these areas, the average changing hands varying from one-fifth to one-third less than in 1948.

Southern and Motheral attribute the rising prices of farms and ranch land in 1949 to the continued high prices paid for agricultural products resulting from the seemingly high incomes in non-agricultural industries and government support of agricultural prices.

ROGERS SPEAKS EACH FRIDAY

Walter Rogers of Tampa, Democratic nominee for congress, has scheduled radio broadcasts over station KJRM in Amarillo each Friday at 7 p.m. until the November 7th general election.

The candidate plans to stress the belief that the best interests of Texas can be advanced through the Democratic party rather than through a "progress" which is another party.

Judge Ralph Porter of Clarendon County, 1948 campaign manager for Rogers, has set a goal of 30,000 Democratic votes for Rogers. "This will not only send our man to Washington with a substantial majority, but the Democrats will be well represented at the next state convention of the party," Porter said.

The number of delegates the 1950 Democratic District has at the state convention is based on the number of votes cast in the general election, Porter explained.

WITH THE YENKES

Wittman: "I forgot to put a stamp on the letter Ann, I hope you didn't post it without."
 Ann: "Yes, I did, wasn't I? I thought you were kidding."

The average person speaks a total 10,000 words a day. We've always said that the wife was far above the average.

B. Rogers Is Married At Memphis, Tennessee

Announcement has been made of the marriage of Miss Doris Ballou of Memphis, Tenn. and Sgt. Bobby Rodgers of Wheeler, who is stationed in Memphis, Tenn. with the U.S. Marine Corps, on Saturday, October 9. Vows were exchanged at the Baptist parsonage there in the presence of a few close friends, with the pastor officiating.

Mrs. Rodgers is attending business college in Memphis, having graduated from high school there this past spring. The groom is the son of Mr. and Mrs. Bob Rodgers of this city and graduated from the Wheeler schools with the class of '46. He has been with the U.S. Marine Corp the past four years. Sgt. and Mrs. Rodgers are at home at 1814 Forrest, Memphis, Tenn.

SENIOR NEWS
The senior class elected their Carnival Queen and King, they are: Dossie Nickles and Lucille Richardson. We are looking forward to their winning the race, which will end Tuesday, October

31, 1950 at the Legion Hall here at Wheeler. Everyone is invited. We are glad to hear that Dick is feeling fine. We hope that he will be able to help mow down the Irish Friday night.

We will be having our senior pictures made November 4, 1950. Everyone is beginning to think that they are going to have to start making counterfeit money or else rob a bank.

Glenda Laycock was elected as the senior candidate for F.F.A. Sweetheart. She wants to thank each and every one for the opportunity and she will appreciate your vote, which is 1 cent.

JUNIOR NEWS

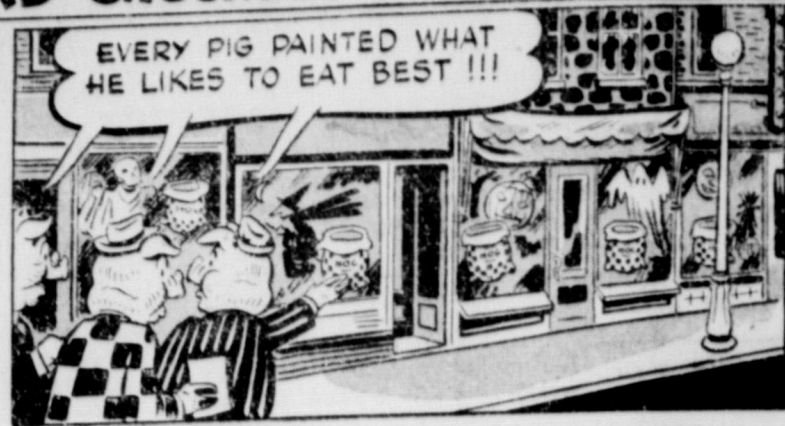

The juniors are showing a film "Chimp's Adventure" at the Halloween Carnival. Everyone be sure to see it. Admission will be 10c.

Our candidates for the King and Queen are Leonard and Bonita.

Anyone can vote. Just see a junior and vote as many times as you want.

Dixie is the junior candidate for F.F.A. Sweetheart.

Wonder why so many boys were in study hall Monday evening? Could it be they skipped class Friday evening and don't have any excuses?

Wonder why Bonita wanted in the Home Economics building Monday morning? To change grades in the teacher's book?

Wonder why all the boys are ashamed of their nick-names? Is it because they just fit?

Wonder why Melvin is so disappointed? Do you prefer boys, "Uncle"?

Clarence, how was the ball game at Stinnett, Friday night, or do you know?

Maxey, did you say you fell off the car and tore your shirt or got into a fight?

Wanda, your laugh sure is funny. Vendell and Georgia had better pay attention in math class.

Punkie, I'm surprised Glenda didn't tear your car up Sunday.

Margie and Beverly had better watch out, you are liable to fall off Buck's car, riding on the running board.

REMEMBER WHEN

...it always rained on wash day

Perhaps you're still plagued by rainy wash days . . . still hang wet clothing on chairs or improvised lines in the kitchen or bathroom. If so, you have a real treat coming—the smart, new natural gas clothes drier. It takes a full washing machine load, tumbles it dry in less than an hour, leaves it sweet-smelling and sterile. The clothes drier is another of the wonderful conveniences you can enjoy through natural gas service. It's the answer to all-weather wash days . . . inexpensive to buy, easy to install, economical to operate. See the late model natural

gas clothes driers today—wherever fine gas appliances are sold.

Scores of companies are in the business of producing, transporting or distributing natural gas—providing good jobs and important payrolls for thousands of men and women here in the Gulf South. Everyone you know benefits, in one way or another, from the operations of the natural gas industry.

Let's Re-elect Ben Guill
 The Congressman Who Can Get BOTH Parties to Work For THE PANHANDLE OF TEXAS

THE PICTURE OF INTER-PARTY CO-OPERATION

Ben Guill, Congressman from the 18th District of Texas, is pictured above in a candid camera shot talking with Democrat Sam Rayburn, of Texas, Speaker of the House, and Republican Joe Martin, of Massachusetts, Minority Leader, the two most powerful figures in Congress. Because of inter-party co-operation like this, Ben Guill is a member of the powerful House Agriculture Committee. Because of inter-party co-operation, Ben Guill got top Department leaders to travel to Amarillo from Washington for the only small business clinic ever to be held in Texas. Because of inter-party co-operation, Ben Guill has been able to get more attention for the Panhandle than any other Congressman could have got in a full term.

BEN GUILL—through his honesty and ability—is doing an outstanding job as our Congressman . . . He deserves a full term of his own. Let's re-elect the man who has proved he can do something for the Panhandle.

Mrs. Rogers Surprised With Birthday Dinner

Twenty-three friends and neighbors, including the Methodist Dorcas Sunday School Class, surprised Mrs. Frank Rogers with a covered-dish luncheon at her home three miles southwest of Wheeler Friday, October 20. The occasion being in honor of Mrs. Rogers' birthday.

Several attending the party were as much surprised as she at some of the plans. Planners of the party thought all should work as well as be entertained. They passed the word around to others to bring quilt scraps and enough blocks were pieced for a friendship quilt. Pleading ignorance of the plan and bringing no scraps excused no one. There were scraps enough for all and embroidery thread for the names. Some cut, some pieced and others embroidered until by three o'clock enough blocks for a quilt were finished.

Those attending were: Mesdames W. W. Adams, Ada Alexander, M. J. Hampton, G. L. Wren, I. B. Lee, Lee McCasland, Pete Mayfield, Frank Noah, J. M. Porter, Offie Hubbard, W. L. Williams, Gaines, Chester Hampton, John Hodges, Dorsey Hutchison and Johnnie Gillire Rogers and Monte, Olaie Davis, Lola Fay Rogers, Wanda and Joane.

Open House Sunday Honors Mrs. Eva Myers

Children and friends of Mrs. Eva Myers of Mobeetie honored her with a surprise birthday dinner and open house in the afternoon of Sunday, October 15. The occasion being Mrs. Myers 75th birthday.

Mrs. Myers was born in Rossville, Ill. and lived there until she was 16 years of age at which time her parents left Rossville, moving from one state into another, finally coming to the opening of the Cherokee Strip in Oklahoma. She was married to Allison Woodville Myers on October 10, 1897 in Oklahoma. In 1906 they moved to Wheeler County, making the trip in a covered wagon and enjoying the trip very much, despite the hardships of traveling in that day. Mr. Myers passed away October 23, 1935. Mrs. Myers lives alone. She enjoys very good health and visits a great deal, having traveled nearly across the United States by train and bus and states that she hopes to do the same again. She also stated that her firm belief was, "Do unto others as you would have them do unto you."

Only three of her ten children were present Sunday and were Lynn Myers, Fern Ruff and Emmae London. She has thirty grandchildren, seven step-grandchildren

County School Board To Meet November 2

Refreshments were served to: Mesdames Bentley, Hargraves, Barney Teague, Bill Owen, Percy Farmer, Lyndon Sims, Richard Bradley, L. A. Parks, Jay Hastings, members; Mesdames D. A. Walker, Savage, Jimmie Mitchener, Gordon Whitener and Calvin Chick, visitors.

Mrs. E. Williams Is Hostess To HD Club

The County Line Home Demonstration Club met in the home of Mrs. Earl Williams recently, with seven members answering roll call.

A report of the Achievement Day Program held in Canadian October 13 was given by Mrs. Earl Williams and Mrs. Jim Selby, two of the three members who attended the meeting from the County Line Club. Mrs. Jim Selby also gave a report of the last council meeting. Club representatives to attend a training school on decorative stitches on November 7 were announced to be Mrs. Jack Meek and Mrs. Clyde Meek.

The program for the afternoon consisted of a talk on, "Wax Housekeeping" by Mrs. Earl Williams and a demonstration on emergency meals given by Mrs. Jack Meek and Mrs. Jim Selby.

Members present were: Mesdames John McCarroll, Clyde Meek, Ben Helton, Jack Meek, Jim Selby, Tom Helton and the hostess, Mrs. Earl Williams.

WSCS Holds Regular Weekly Meeting Mon.

The W.S.C.S. of the Methodist Church met Monday, October 23, at 2:30 p.m. in the church parlor for their meeting of the week.

The meeting opened with Mrs. Dorsey Hutchison giving the devotional. Mrs. Darris Egger finished the study, "Panorama of the Near East." Mrs. J. M. Porter closed the meeting with a prayer. Those present were: Mesdames Pete Mayfield, Elizabeth Wren, J. M. Porter, Offie Hubbard, C. C. Robison, C. J. Meek, Dorsey Hutchison, Harold Nash, Frank Walker, Darris Egger and C. M. Hampton.

The next meeting will be Monday, October 30, beginning at 10:30 a.m. with a covered dish luncheon to be held at the noon hour. The program being, "Week of Prayer and Self Denial."
