Shown above is the Wheeler football queen and her female attendants, Miss Marjorie Moore, daughter of Mr. and Mrs. Jess Moore, standing in the center, was crowned by Co-captains James Gaines and Edgar Hubbard in ceremonies preceding last Friday's contest between the Wheeler Mustangs and the Spearman Lynx. Pictured, left to right: Miss Von Eva Hooker, Miss Helen Johnson, Miss Moore, Miss Annie Collins, Miss Glenda Ann Porter. The football players who acted as escorts for the girls were: Captains, Maurice Pettit, Dick Pendleton, Alvie Daugherty and Dossie Nickell.

AMERICAN ART EXHIBIT OBSERVED

Wednesday Study Club observed American Art Week with an art exhibit on Nov. 14. Art Week is sponsored by the American Artists Professional League of New York City and is observed by the General Federation of Women's Clubs.

The club members are inspired to make all Texas Club work as well as school and other projects. They are becoming better acquainted with the art part plays in meetings. The problems of a modern world and to the knowledge and appreciation of the arts of the nations as a means to understanding and world peace.

Associate and complimentary members were hostesses for this exhibit at the Methodist Church. The theme for the project, "Art For Better City." The quotation by Sir John Lubbock, "As the sun colors the sky so does art color life" is beautifully illustrated in the exhibit which was led by Mrs. Ernest Grizzard.

Painting, "History of Art" given by Mrs. Shelby and Mrs. W. L. Williams. An interesting talk on "Poetry" read a few of her own poems and one of the late Mrs. Wheeler pioneer, read several books of poetry. Mrs. McIlhenny gave an interesting talk on a recent visit to the Museum of Fine Arts. The exhibit closed with the reading of poetry.

Following the project the members and guests to the church basement to view the exhibit which was beautifully displayed and contributions made to the Penny Art Fund. Refreshments were served to the twenty-two members and a number of guests. Two of the artists, Mrs. J. F. Witt and Mrs. Hall, had a collection of paintings on exhibit. At this time Mrs. Darris Egger favored the exhibit with two vocal solos.

The art exhibit remained on display Thursday evening and many clubs, schools and club groups viewed the exhibit.

The names of those who contributed to the exhibit are listed below. Oil paintings, Virginia Haynes; pencil sketches, Mrs. Granger; West Texas College collection; Saddy, Mrs. Wiley; oils and commercial, Mrs. Marie Farmer Miller; oil paintings, Mrs. J. J. Amarillo; collection of American Art, Early Christian and Famous Paintings; collection of Metropolitan Museum of Art; collection of oil sketches and portraits, Mrs. Elizabeth Wren; several paintings, Mrs. V. N. Hall; oil and cotton picture, Reba; oil painting and cotton picture, Carlisle Robison; watercolor, (Continued on Last Page)

Wheeler Firms Will Observe November 23 As Thanksgiving Day

Most Wheeler merchants and professional men have announced that they would observe Thanksgiving on November 23 by closing their places of business and taking a holiday. This is the date set by the local school to observe as Thanksgiving.

Wheeler merchants respectfully ask that their customers anticipate their needs in advance of that date and buy accordingly so that their closing will not in any way inconvenience them.

4-H CLUBBERS RECEIVE AWARDS

In a special program, Wheeler County's 4-H Club award winners were presented with their medals at the Wheeler School cafeteria Thursday night, November 9th.

A good crowd of some 66 parents, council members, and club presidents from Wheeler County's nine clubs braved a chilling north wind and below freezing temperatures to attend this program. It was the high-light of a good year for 4-H clubs in the county.

County Judge G. W. Hefley was the principal speaker of the evening. His speech sounded a challenge to all youth of the county as well as 4-H club boys and girls. The Judge especially reminded them that the success of a young person depended on three essentials: First, a willing mind; second, faith in fellow man; and third, willing hands. He said the key to 4-H Club work was staying busy.

Joe Van Zandt, council president, acted as master of ceremonies. James Clark, Tommy White, and Jimmie Harris also had parts on the program. 4-H members there receiving awards were James Clark, Tommy White, Joe Van Zandt, Clarence Whittenburg, Jimmy Harris, Glenn Sanders, J. E. Rogers, LaJune Mann, Patsy Ramsey, Mary Sue Brewer, and Billie Owens.

MUSTANGS LOSE TO SPEARMAN

The Wheeler Mustangs dropped a hard fought 13 to 0 decision to Joe Lackey and his mates on the Spearman Lynx eleven last Friday night as the two teams battled in sub-freezing weather before a homecoming crowd of Wheeler fans. The contest was played on Nicholson Field here and was the last conference contest for the local lads.

The Mustangs will round out their season next Wednesday afternoon, November 22, when they play the Panhandle Panthers on the Panhandle gridiron. The game is scheduled to begin at 2:00 p.m.

The Mustangs battled the Lynx on even terms for three quarters and threatened to score once early in the ball game but lost the ball deep in enemy territory and were never able to march far after that time.

With the big bruising Joe Lackey doing the greater portion of the ball toting, the Lynx marched to a counter about midway in the final period. Shortly before the end of the contest the Lynx scored again with Lackey doing the honors. He also scored the extra point on a running play.

Melvin May received a bruised kidney in the contest and is still confined to the Wheeler Hospital.

Mrs. Godwin Presides At Mobeetie P-TA

The Mobeetie P-TA met November 9 with Mrs. Godwin presiding. The opening number was a piano solo played by James Willard.

During the business session, Mrs. V. Willard and C. R. Brown reported that the school lunchroom was progressing nicely.

The program which followed consisted of two patriotic numbers sung by the fourth, fifth and sixth grades and two accordion numbers played by Ellen Corcoran. Mrs. V. Willard spoke on, "How Important Are Children's Opinions and Whims?" Mr. Dunaway spoke on, "Are Habits the Stuff of which Behavior Consists?"

Those who had dinner with Mrs. A. C. Mitchell and Duane Bradford Sunday were Mr. and Mrs. Charlie Carter, Mrs. Coene Smith and son, Mrs. Red Richardson and daughter, Mr. and Mrs. Beryl Chessire and children of Amarillo, Mr. and Mrs. Percy Rowe and wife. Those calling in the afternoon were Mrs. O. Nations, Mrs. Frank Noah, Mrs. Carroll Pettit and Mrs. Harvey Wright.

Mr. and Mrs. Don Carl, Mr. and Mrs. Ralph Robison and Mr. and Mrs. Bill Graham attended the Texas A and M and S.M.U. football game in Dallas Saturday.

Mr. and Mrs. W. A. Rankin and Carol Don of Pampa spent Sunday with his sister and family. Mr. and Mrs. Barney Burgess and Don.

Briscoe Ladies Sell Food At Tournament

Briscoe ladies are serving lunches at the school lunch room Friday and Saturday for those who are attending the junior basketball tournament which is being played. People who are attending the tournament are invited to eat with the ladies. Money raised by this food sale goes into the school fund.

CATTLE PURCHASED FROM WHEELER HEREFORD FARM

Floyd Mooney of Haydraw, S. D. was in Wheeler Saturday and purchased nine registered hereford bulls from Lyndon Sims, who resides just north of Wheeler. Mr. Mooney purchased one bull from the herd owned by Mr. Sims last year. Mr. Mooney is well known around Wheeler, having formerly lived here.

ACCIDENT CLAIMS LIFE OF ED JOHNSON

A tragic accident at the new home of Mr. and Mrs. Lloyd Davidson east of Wheeler Monday afternoon about 3:30 o'clock claimed the life of Edward H. Johnson.

Johnson was working with other carpenters sticking down composition shingles when he reportedly fell backwards off the porch of the house onto some concrete. The fall fractured his skull and rendered him unconscious. Although Johnson never regained consciousness, he lived until 4:10 a.m. Tuesday morning before passing away.

Ed Johnson was born at Mobeetie on March 8, 1921 the son of Mr. and Mrs. Wes Johnson and passed away at Wheeler, November 14, 1950 at the age of 29 years, 8 months and 6 days.

Johnson received all his schooling at Mobeetie and had lived in Wheeler County the greater portion of his life except for a little over 5 years which he spent in the Air Forces during World War II and a couple of years that he and his wife made their home at San Angelo.

Ed was a Staff-Sergeant in the Air Force and served in the European Theatre for almost two years participating in the Ardennes, Normandy, Rhineland, North France and Central European battles and campaigns. He was awarded the Merit Service Unit Plaque, Good Conduct Medal, E.A.M.E. Service Medal and the American Defense Service Medal.

Johnson was married to Miss Jaunell Crowder on June 16, 1946 and to this union was born one son, Wesley Bryan.

Funeral services were conducted this afternoon (Thursday) at the Wheeler Methodist Church at 3:00 o'clock with Rev. Darris Egger, pastor, in charge. He was assisted by Rev. M. B. Smith and Minister Ernest Grizzard.

The Wheeler and Mobeetie Legion Posts were in charge of full military rites with the Mobeetie post furnishing the pall bearers and the Wheeler post furnishing the honor guard.

Interment was in the Wheeler Cemetery with Kirk-Mason Funeral Home in charge of arrangements.

Survivors include the wife, Mrs. Jaunell Johnson, and one son, Wesley Bryan, three months old; his parents, Mr. and Mrs. Wes Johnson of Mobeetie; 5 brothers, Leonard of Amarillo, Raymond of Alameda, W. C. of Amarillo, Leroy of Pampa, and Doyle of Mobeetie; 1 sister, Mrs. Pauline Hooker of Mobeetie.

Ralph Wheat, Maurice Pettit, Jack Crout, Robert Ledbetter, Nig Clark and son, Jamie, James Gaines and David Johnson were in Dallas Saturday to attend the football game held there in the Cotton Bowl.

Fire Chief Asks That Streets Be Cleared When Siren Sounds

Jack Garrison, Wheeler Fire Chief, this week asks the Times to warn people to stop their cars and stay out of the streets when they hear the fire siren.

Garrison pointed out the fact that two people almost got hit this week as the fire truck was rushed to the scene of small grass fires here in town.

When a fire truck, ambulance or police car is on a call and have their siren going they have the right-of-way over any other traffic whether on foot or in a vehicle.

For the sake of all concerned, the Wheeler Fire Chief and Volunteer Fire Department respectfully request that you heed the sound of the siren and clear the right-of-way when you hear its sound.

Wheeler Whisperings

We really didn't know there was as much work to putting on a cooking school as there is, but we sure found out in a hurry this week. However, we have been lucky enough to make arrangements to have Milan Baker of the Southwestern Public Service Company's utilization department act as master of ceremonies for the occasion which relieves us of some strain. We hope that all of you will be able to attend because we know that you will enjoy the school and will learn some things that will be helpful to you.

A. D. Speck, manager of Puckett's Food Market tells us that he forgot to state in his ad this week that he will be closed Thursday, November 23 to observe Thanksgiving and asks that we inform the public of that fact.

Clay Food Store also forgot to state in their ad that they would be closed on Thanksgiving but thought of it in time to reserve another small space for another advertisement.

Briscoe Band Parents Hold Business Meeting

The Briscoe Band Parents held a regular business meeting at the school house last Monday night and discussed matters of importance to the band organization.

Mrs. Forrest Vise, treasurer of the organization, reported that they are almost clear of debt.

All parents of band members are urged to attend these business meetings and help to keep a good band at Briscoe.

Proclamation

WHEREAS, in 1621 the God-fearing people who settled in Massachusetts deemed it expedient to render thanks to God for the abundant crops granted them, and

WHEREAS, from time to time since then it has been the custom of the American people to set aside a certain day in the year on which to be thankful and to appropriately manifest their thanks by celebrating a holiday, and

WHEREAS, the citizens of Wheeler should be thankful to our Lord for our being, life, reason; for nurture, protection, guidance; for country, education, religious freedom; for God's gifts of nature, fortune, grace; for redemption, regeneration, instruction in sacred truth; for God's forbearance and long-suffering after great provocations and at numberless times; for all blessings received, successes granted, good things done; for the use of things present and past; for God's promise and our hope of good things to come; for loving and careful parents; for patient and diligent teachers; congenial companions, sincere friends, sociable neighbors; for all who have done us good by writings or sermons; by counsel or examples; prayers, rebukes, or even injuries; for all such things which we know or which we know not, intended or unintended, remembered, forgotten, done for us when we wished or wished not.

NOW THEREFORE, I, R. H. Forrester, by virtue of the authority invested in me under the constitution and laws of the State of Texas, do hereby proclaim Thursday, November 23rd as a day on which the citizens of Wheeler, Texas, should openly manifest their thanksgiving to our Lord and our God, and I proclaim such day as a holiday for that purpose.

Given under my hand officially this 16th day of November, 1950.

R. H. FORRESTER, Mayor
City of Wheeler

Times Cooking School To Begin At 2 P. M. Friday

Mobeetie Meditations

Employees of the Southwestern Public Service Company at Jowett met in the club room on Friday evening, Nov. 10th for their regular monthly get-together. A covered dish dinner was served after which pictures were made of the group by Otto Curry. A short business session was conducted by H. O. Lane, Supt. of the plant and it was decided that the group should be known in the future as "The Reddy Killowatt Club". Games of canasta and forty-two were played during the evening.

The next meeting of the club will be Dec. 8th, at which time plans will be made for the annual Christmas party.

Those present were: Mr. and Mrs. H. O. Lane and family, Mr. and Mrs. Otto Curry and family, Mr. and Mrs. Arthur Carmichael and Bruce, Mr. and Mrs. Warren Witt, Mr. and Mrs. H. E. Matthews, Mr. and Mrs. Guy Holliday, Mrs. Odell Upchurch and Mrs. Charlie Mixon and Len, and Mr. and Mrs. Bruce Alexander and grandchildren from Borger.

Rev. J. M. Bryant has resigned the pastorate of the First Baptist Church and he and his family moved to Higgins this week where he will take up the duties relative to pastoring the Baptist Church there. Our very best wishes go with the Bryants to their new home and in their work at that place.

Our sympathy is extended to the Wes Johnson family, whose son, Ed was fatally injured in an accidental fall from a roof-top at Wheeler, Monday afternoon. He grew up in Mobeetie, his family having lived here for a number of years.

The Intermediate Sunday School Department of the Baptist Church and their invited guests were entertained Monday night by their superintendent, Mrs. Willard Godwin, and teachers, Mrs. Grady Harris and Mrs. J. R. Patterson, at the Godwin home. Games were played around a huge bon-fire, after which the youngsters roasted weiners and were served hot cocoa and donuts. An estimated number of forty were present to enjoy the occasion.

Dinner guests of the Earl Rileys on Tuesday evening were the J. M. Bryant family. Some thirty-eight friends of the Bryants gathered at the church after dinner for a fare-well visit, bringing gifts and wishing them well as they left for their new home in Higgins. The party was sponsored by Misses Ethel Renner and Edith St. John of the nursery department of the Sunday School.

Miss Joyce McCauley has been initiated in the Alpha Chi Chapter at McMurray College where she is an elementary education major. Alpha Chi is a national honorary scholastic society, open only to juniors and seniors in the upper ten percent of their class. Joyce is a junior this year. Congratulations to you Joyce.

Work on the new Farm-To-Market Road north of town got underway last week and the work is going steadily forward.

Arthur Don Burke has been dismissed from the doctor's care after numberless trips for treatment, since his recent eye surgery.

Twelve members of the Mt. View Quilting Club met together at their last meeting and quilted quilts, contributed by the membership, and presented them to the Burke family as a love token. Mrs. Burke expressed their appreciation to the group in appropriate verse.

Herk Atkins left last week, accompanied by his father and mother of Tulare, Calif. for Harlingen. (Continued on Last Page)

Several door prizes will be awarded to luck persons attending the school.

Dealers will be arranging their displays today (Thursday) and early Friday morning. Watson Burgess, local manager of the public service company, plans to complete all wiring for the electrical appliances on the stage today.

Miss Brannen will cook on a General Electric range. Also to be used on the stage will be a Gibson Refrigerator and a Frigidaire home freezer. As she conducts the class, she will point out the advantages of electrical appliances.

All food prepared by Miss Brannen will be given away at the close of the class. She will award the various items of food to those women or men who are able to answer correctly questions which she will ask concerning the class she has just completed.

"We are expecting a large crowd at the school Friday afternoon," J. C. Howell, publisher of The Times, said. We are hoping that a number of men will attend, for we believe it will be interesting to men as well as to women. There will be absolutely no admission charge. The school is a means of allowing you to see in action some of the latest in appliances, and the best way to use them to prepare better food, preserve food, and still save money."

Assembly of God To Hold Thanksgiving Service On Nov. 23

Rev. B. G. Syverson, pastor of the local Assembly of God Church, announced this week that there will be a Thanksgiving service at his church beginning at 11:30 a. m. on November 23. A Thanksgiving dinner will follow the service.

A very cordial invitation is extended to everyone to come and enjoy the service and bring something for dinner and have a real day of worship and fellowship.

Editorial

THE COOKING SCHOOL

THIS WEEK-END, you are invited to attend the Wheeler Times All-Electric Cooking School. And that invitation goes whether you are a man or a woman—you are all welcome.
 Sure, we'll agree that it's a promotional deal. But it's for your good, too, for you will see an expert home economist prepare a meal while you watch, and hear her tell you how it is done, how you can save money with the

newest appliances.

Five local appliance dealers are cooperating in the school, for they want you to know all about their wares. They are competitors, yes, but good friends, too, and all are willing to cooperate to help the sale of their merchandise. The Southwestern Public Service Company is very interested, too, from two standpoints: this company is noted for its generosity in helping with all types of civic work and this school is no exception; and, secondly, the company naturally wants to sell more electricity, for that is all it has to sell.

So we're not trying to "put anything over on you." We, as the sponsoring paper, get our payment in the form of the advertisements you see in this issue, and in the goodwill we hope to gain. The merchants who are donating the door prizes derive benefit from the advertising they will gain, and also from the goodwill they hope to receive.

It's a promotional deal, yes, but one in which everyone should benefit.

So make a date to attend this cooking school, Friday afternoon. You will be repaid for your time many fold in the months and years to come.

Thanks for listening.

SAFETY REQUIRES STRENGTH

"Force must be met with force," declares Secretary of the Treasury John W. Snyder, who does not think that the people of this country have any notion "of the size of the defense program" that is underway or that "a quick end to the Korean war will have no effect" on the program designed to build up our defenses.

It is high time for all of us to realize the gravity of the menace which faces the free nations and the extent to which we must rearm if we expect to save our freedoms. The existence of an unprincipled dictatorship, controlling a nation of great wealth in people and resources, makes possible a sudden, unprovoked attack.

So long as this condition obtains in the world, it is necessary for free peoples to possess sufficient fighting strength to balance that of would-be aggressors. At the present time, it is admitted that the Red Army could probably overrun Europe and the peace is being maintained, according to the opinion of Mr. Winston Churchill, by the overwhelming preponderance that the United States possesses in atomic bombs.

They are now calling them the "obstinate" sex.

Seeing is believing, but as often as wives see their husbands, they still don't believe them.

Marrying a woman for her beauty is like buying a home for its paint.

Small minds discuss people; average minds discuss events; great minds discuss ideas.

IT'S TIME TO POUND UP- GOOD MEALS

ON THE RANGE
 THANKSGIVING NOVEMBER 23
 CHRISTMAS DECEMBER 25
 The holiday season will soon be here. Good meals will be the order of the day... and plenty of them. For the best cooking—the most convenient cooking—you can't afford to be without a modern electric range. There's no need for hours and hours of slaving over a hot stove... let Reddy "round up" those holiday meals for you... with clean electric cooking. What's more, Reddy won't quit when the holidays are over. He'll be in there working for you every day... all day.
 Of course... it's Electric!

See How To Save Money With Frigidaire Appliances

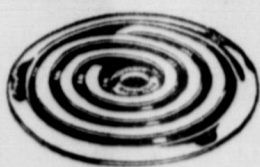

AT THE COOKING SCHOOL

Fern Brannen
Home Service Advisor
of the
Southwestern
Public Service Company

Will use a FRIGIDAIRE DEEP FREEZE in conducting the all-electric Cooking School Friday. Hear her explain how a FRIGIDAIRE can save you money every day.

NEW FRIGIDAIRE Electric Range COOKS FASTER than ever before...and here's why!

NEW Radiantube Cooking Units have been designed for speedier, more economical cooking. They're flatter and wider—so more heating surface comes in contact with utensils. Tip up for easy cleaning.

NEW built-in, full-width Fluorescent Lamp lights entire cooking top.

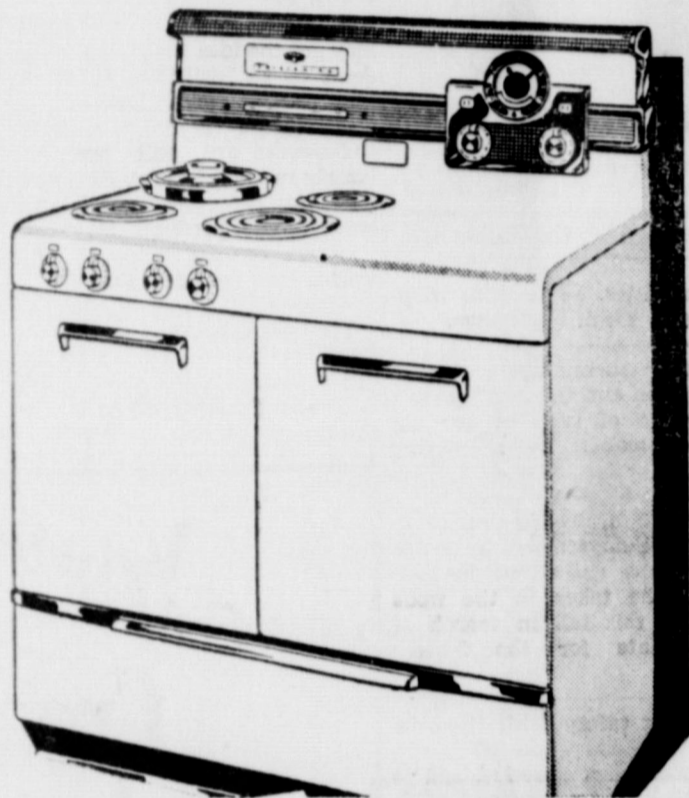

NEW higher back-panel on one-piece acid-resisting porcelain top.

NEW smarter-looking styling by world-famous Raymond Loewy.

NEW switch knobs are out in front, easier to read. There's no need to stoop, bend or reach.

NEW 6-60 Time-Signal has two speeds—one for stopwatch accuracy for measuring up to 6 minutes, another speed for measuring accurately up to 60 minutes.

NEW storage drawers move smoothly, quietly on new-type, long-life triple Nylon rollers.

Free Free
We will give away a complete set of dishes at the Cooking School.

FRIGIDAIRE DELUXE FOR 1950

The New **FRIGIDAIRE Home Freezer**

Look at it Outside! Look at it Inside! You Can't Match a FRIGIDAIRE!

SENIOR NEWS

The Seniors are still living in memory of the wonderful time that Mr. and Mrs. Kiker showed us Sunday while visiting the Palo Duro Canyon.

We have all handed in our government workbooks again. We hope we all passed.

The senior girls are really getting good lately; we even got to be on the fifth and sixth graders' assembly program.

JUNIOR JABBER

The junior class gathered at the home of Mr. Bumpas at 5:30 on Sunday morning. We had breakfast and left for the Palo Duro Canyons. We entered the canyons about 10 o'clock and drove over all the roads in the canyon. We saw all the points of interest. We came back and saw the museum at Canyon. We wish to thank Mr. Bumpas for a wonderful time.

FRESHMAN NEWS

Eddie and Jerry, where are you going tonight?

Martha, who were you with Saturday night?

Billie, who did you take to the show Monday night?

Sylvia, who were you with Friday night?

Gene, who were you with Monday night?

The boy of the week is Eddie Walker. He has black hair and brown eyes. He dislikes noisy people and likes girls.

His favorite subject is English and favorite teacher is Mr. Henson. His ambition is to go to college. His favorite sport is basketball.

SOPHOMORE NEWS

Cleavene, why weren't you at school Wednesday? Couldn't you and G. W. find your way to Allison?

It seems like Maureta is always wanting to go to Wheeler. What's the great attraction? Or his name?

Juanell, why don't you take up some of those Allison boys' offer? Might be a good idea.

W. L., why did your nose bleed at Allison Tuesday night? Did someone accidentally hit it?

Why did Pete stay at home Monday? Believe it or not—he worked (so he says).

Lucy is always chasing her "Toots". (Helton, that is.)

Tommy, what's all this we are hearing about your cow?

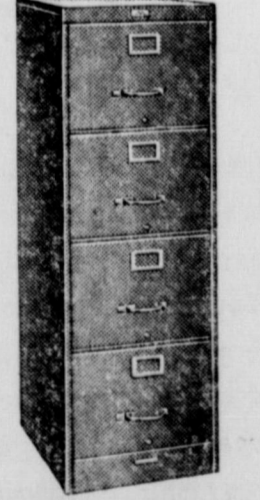

Bobby, you sure played a swell game Tuesday night. We are very proud of you.

Patsye, that surely was a pretty watch you gave someone for his birthday. What did you do, rob a bank?

8TH GRADE NEWS

The junior girls and boys played basketball at Kellerville Thursday night. The girls won by the score of 31 to 21, and the boys lost by the score of 8 to 36. Kellerville will play a return game Tuesday night, November 14.

Our Junior Basketball Tournament

English Fruit Ring

Bake a feathery yeast batter, studded with fruits and nuts, in a fluted ring mold and you'll have special-occasion coffee cake.

Most grocers have candied citron, candied orange peel, candied cherries, and currants on hand for baking holiday fruit cakes. These special fruits can also be used to give yeast coffee cakes a holiday charm, and delectable holiday flavor, too.

Because of the thrifty enriched flour base, coffee cakes are an average budget sweet, yet guests consider them really special. The English fruit ring in the picture was baked in a fluted mold for its party dress. This fragrant bread may be baked with equal success in a loaf pan, 4 1/2 by 8 1/2 inches.

English fruit ring belongs to the group of yeast coffee cakes which requires no kneading. Thorough beating of the yeast batter results in its lightness and even texture. After baking, highlight with confectioners' sugar icing and garnish with chopped nuts.

ENGLISH FRUIT RING

1 package yeast, compressed or dry
1/2 cup lukewarm water
1/2 cup milk
1/4 cup shortening
1/4 cup sugar
1/2 teaspoon salt
1 egg, beaten
1 1/2 cups sifted enriched flour

2 tablespoons chopped citron
2 tablespoons chopped orange peel
1/4 cup candied cherries
1/4 cup raisins
1/4 cup currants
1/4 cup chopped nuts
Confectioners' Sugar Icing
Chopped nuts

Soften yeast in lukewarm water. Scald milk. Add shortening, sugar, and salt. Let cool to lukewarm. Add softened yeast and egg. Mix well. Add flour to make a rather stiff batter. Beat until smooth. Let rise until doubled (about 1 1/2 hours). Stir down, and add citron, orange peel, cherries, raisins, currants, and chopped nuts. Fill into greased fluted ring pan. Let rise until doubled and puffy (about 1 1/2 hours). Bake in moderate oven (375° F.) about 35 minutes. If desired, ice with confectioners' sugar icing and sprinkle with chopped nuts. Makes 1 fruit ring.

ment will be held Nov. 16, 17 and 18. We wish all the teams good luck.

We played Allison Tuesday night and won 30 to 24. We all enjoyed the game. We are anxious to play Mobeetie the 21st of November at Mobeetie. The 18th of November the girls are going to Amarillo to see the demonstration of the new rules.

BOYS SPORTS NEWS

We played Allison Tuesday night and defeated them 41 to 31.

We will play Mobeetie the 21st of this month. Everyone played an excellent game, both defensive and offensive.

Although the farmhouse is the business center of the farm, its location should be considered from the standpoint of its relationship to other buildings, roads, water supplies and the prevailing winds.

Top quality hogs can be raised on good alfalfa pasture, ground feed mix and hay.

Thrifty Meat Cuts Taste Better From Deep Well Cooker

By Miss Fern Brannen
Home Service Advisor
Southwestern Public Service Co.

Statistics show that seventy percent of all cooking is done on top of the range. Applied to an electric range, this guarantees lots of top-notch eating. With a flip of the switch or a push of the button the surface units provide fast, clean measured, electric heat economically.

Included on most electric ranges is a deep well cooker. The cooker is just an ordinary large sauce pan. The magic is in the thickly insulated well which holds the cooker, and holds the heat. An entire meal can be cooked in the deep-well cooker at one time, including meat, potatoes, vegetables and a dessert, or just a few dinner rolls can be quickly and easily warmed before serving. The cooker is an ideal place to cook the less tender cuts of meat. There may be no such thing as inexpensive meats, but there are "less expensive" meats. These less expensive meats are as nutritious as the most expensive cuts. The thrifter cuts like all others, are rich in complete, high quality proteins. All contain essential B vitamins and contain minerals such as iron, copper and phosphorus.

Thrifty cuts of meat are often less popular with the homemaker because of the longer cooking time necessary since they usually require long, slow cooking with moist heat. This process takes very little of the homemakers' time, however, when done in the deep well cooker of her electric range, for all she needs to do is to turn the unit switch to the lowest heat after the meat is steaming and let the electric range do the rest.

Other uses for the deep-well cooker are to:

- Steam vegetables, cereals, puddings, and Boston brown bread.
- Stew chicken and stewing meats.
- Braise less tender cuts of meats.
- Bake cup custards, apples, potatoes.
- Sterilize tableware, canning equ-

ipment, nursing bottles, sickroom dishes.
Deep fat fry doughnuts, chicken, potatoes, croquettes.
Cook soups, large quantities of vegetables and beverages.
Blanch vegetables for freezing.

A Suggested Well Cooker Menu

- Tomato Cocktail
- Savory Steak
- Mushroom Vegetable Sauce
- Braised Carrots and Potatoes
- Avocado Salad
- Butter
- Rolls
- Steamed Upside Down Pudding

SAVORY STEAK WITH VEGETABLES

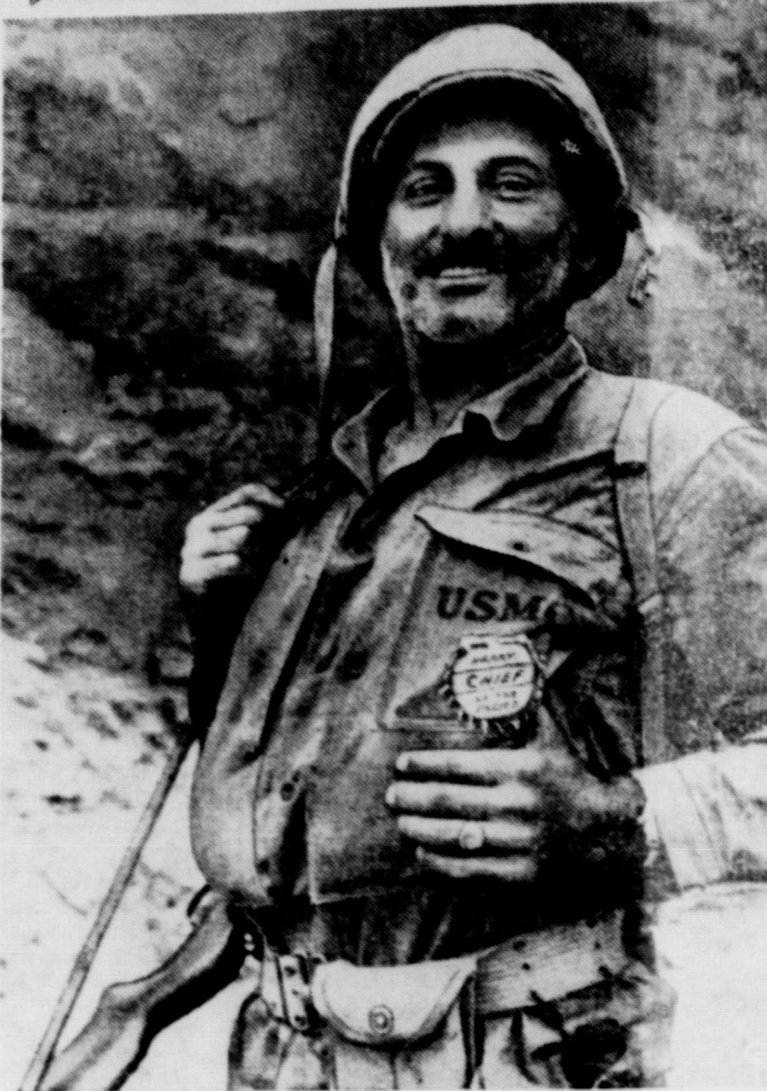

- 1 1/2 pound round steak, 1-in. thick.
- 1 clove garlic.
- 1/4 teaspoon salt.
- 1/4 teaspoon pepper.
- 1/2 cup enriched flour.
- 3 tablespoon shortening.
- 1/4 cup water.
- 1 can mushroom sauce.
- 3 carrots, cut in half.
- 1 green pepper, cut in strips.
- 4 stalks celery, cut in strips.
- 3 onions, sliced.
- 3 potatoes, cut in half.

Wipe meat with damp cloth and rub with piece of garlic. Cut meat into serving pieces; add salt and pepper to flour and pound well into meat on both sides. Brown steak in frying pan in melted shortening. Transfer to deep-well cooker kettle and add water and mushroom sauce. Cover, turn switch to high and when steaming freely turn to fourth heat and simmer for one hour. Add vegetables to meat and place pudding on trivet. Turn switch to HIGH and when steaming, again turn to fourth heat for 45 minutes or until puddings and vegetables are done. Yield: 5 servings.

STEAMED UPSIDE DOWN PUDDING

- 10 tablespoons butter or oleo.
- 5 tablespoons brown sugar

MARINE HAS HIS JOKE IN KOREA.

WAR'S STRAIN has not blunted the sense of humor of M/Sgt. William S. Ferrigno of Quincy, Mass., whose badge reads: "Harry's Chief of the Police." The sergeant pokes good-natured fun at President Truman's recent reference to the Marines as a police force. (International)

Antihistimine Drugs Should Be Used With Care Says Dr. Cox

"The wide advertising of antihistimines for the prevention of colds should not persuade people to place too much confidence in these drugs as a treatment for colds." Dr. Geo. W. Cox, State Health Officer warns the citizens of Texas. "Those who decide to take any of the antihistimine pills should realize it is highly important for them to follow exactly the directions.

"Regardless of the effectiveness of these new products it remains most desirable to take the ordinary precautions against contracting a cold—adequate sleep, clothing adequate to the weather, well balanced diet, moderate outdoor exercise and avoidance of unnecessary contacts with those already suffering from colds. Extra rest and the drinking of large amounts of fruit juices are still important aids to physical well being and cure if a cold occurs.

"Unfavorable reactions such as dizziness, drowsiness, and temporary loss of muscle control sometimes occur after taking this drug. Everyone is strongly advised against driving an automobile or working around machinery while taking the pills.

"Some readers of advertisements may get the idea that taking small doses of antihistimines every day will prevent colds. Such use of drugs should be discouraged. Antihistimines are still new and largely unproved drugs. Physicians have not yet determined what effect these products may have upon the human system if taken over a long period of time.

Thirty-five hundred farm people lose their lives in fires every year and thousands are injured for life. Lightning accounts for most farm fires.

for 45 minutes. Serve with whipped cream. Yield: 5 servings.

Pleasant surroundings in the laundry area and the arrangement and storage of supplies are important in making the laundering job easier.

A visit to a nursery will help the homestead gardener to decide which shrubs and trees to look for when he takes to the woods and fields this fall in search of native plants for the home grounds.

Practicing safety with firearms in the fields and woods is just a good conservation practice, and it applies to both humans and wild life.

There's a Speed-O-Print product for every duplicating need.

REMEMBER WHEN

... cooking was only half the chore

Cooking on those old-fashioned stoves was difficult enough, but cooking was only half the chore. There was wood to chop, fires to build—and the inevitable bucket full of ashes to carry away. What a difference today... when natural gas provides instant heat at the turn of a knob. A new **AUTOMATIC GAS RANGE** is an asset to the smartest kitchen. It makes cooking easier, faster, cleaner and cooler... at surprisingly low cost. See the outstanding new models today... wherever good gas appliances are sold.

The companies which make up the natural gas business have had an important part in bringing business prosperity to the Gulf South area. The money they pay out in payrolls and royalties, the money they spend with local merchants for supplies, the taxes they pay... ultimately work their way into the channels of trade. That helps to make business better for everyone—everywhere.

UNITED GAS and UNION PRODUCING COMPANY
SERVING THE *Gulf South*

ATTEND CHURCH, Brother!

There isn't anything that will do you good like going to church. Sure, it's an old-fashioned virtue, honesty, or sobriety; but it's a real virtue, one of a great deal depends upon in these crucial times.

The true religion is built around the "assembly." The writer of Hebrews referred to the whole thing as the "assembly" and "church of the first-born" (12:23). Christians are commanded by their Lord not to forsake "the assembly" (Hebrews 10:25). Transferring this commandment to every-day speech would give words like this: "Whatever you do, don't fail to attend church!"

Some say, "I can worship God at home, without attending any church!" Although this contains an element of truth, it is NOT true that people can worship God and remain at home. The Christian assembly is of God. He commanded it. All true Christians will support it. Why not come Sunday to the

Church of Christ

4/H CLUB NEWS

Allison Club

The Allison 4-H Club girls met October 26 for their first meeting of their club year with the home demonstration agent, Mrs. Jay Hastings.

Officers for the year were elected as follows: president, Mary Ann Ault; vice-president, Eula Jean Jones; secretary and song leader, Glenna Sue Elmore; reporter, Lillie Mae Marshall; sponsor, Mrs. Helm and council delegate, Odene Reed.

Following the business meeting, Mrs. Hastings gave a demonstration on the making of bread muffins.

Mrs. Hastings and Mrs. Helm also met with the club on November 8 and Mrs. Hastings demon-

strated how to make drop cookies.

Mobeetie Club

The Mobeetie 4-H Club girls met November 9, with Mrs. Jay Hastings, H.D.A. who gave a demonstration on the baking of cookies.

During the business meeting, Janie Barton was elected to fill the vacancy when Tommye White resigned in order to take the duties over as secretary and treasurer.

While the cookies were baking the girls joined the 4-H club boys for the showing of a movie, after which the cookies were served.

Kelton Club

The Kelton 4-H Club girls met at 2:00 o'clock Monday afternoon, November 13, with their adult leader, Mrs. Leonard Hagerman.

Glenda Richardson gave a report of the County 4-H achievement program held Thursday night in Wheeler. The making of Christmas gifts and year books was discussed.

A large group of girls was present for the meeting.

THE WHEELER TIMES classifieds offer more for less money, to both buyer and seller, than any other business device we know about.

ALLISON NEWS

MISS FERN BRANNEN

Home Freezer Eliminates Much Summer Canning

By Miss Fern Brannen
Home Service Advisor
Southwestern Public Service Co.

Rural and Suburban homemakers will vouch for the hours of tedious canning work saved with an electric home food freezer. Foods bought in season in large quantities and then frozen—add dollars to vacation funds and invaluable hours to everyday. Whatever the size or pocketbook of a family there is an electric freezer to exactly fit their needs.

It is easy to meet emergency meals with a calmness with a modern food freezer. Whole meals can be prepared in leisure time, stored in the freezer, then when unexpected guests arrive you are spared needless embarrassment. The food freezer is your food bank that you can open any hour of the day or night. A typical menu from the freezer might include:

- Fruit Cocktail
- Broiled Steak
- Green Lima Beans
- French Fried Cauliflower
- Hot Rolls
- Chocolate Ice Cream Roll

We should like to offer the following suggestions for using the food freezer to aid the homemaker in preparing meals that will sparkle and bring fourth appreciation "oh's" from her family:

1. Extra quantities of pies, cakes, breads, etc., can be made and frozen when the homemaker is in the mood for a baking session. This is the time to try new recipes and ideas. It only takes a few minutes, longer to make an extra pie or cake—and you'll truly enjoy "banking" one for that time when it will be urgently needed.
2. Save time and effort by preparing in advance for special occasions or holidays, to save that

last-minute rush—mince pies, rolls, plum puddings, birthday cakes, hors d'oeuvres, canapes, party desserts, such as eclairs, ice cream cake, cream puffs, etc.

3. Keep a supply of retail bakery goods in the Home Freezer, which will save marketing trips and afford a good food supply on hand.

4. Freeze and save egg yolks after the egg whites have been used—or use the egg yolks in sponge cakes and freeze the cake for future use.

5. Take advantage of a good buy on butter, eggs or cream—save money by freezing.

6. Rewards of a fishing or hunting trip can be enjoyed for months when stored in the Home Freezer.

7. Practically all leftovers can be frozen for later use—the family need not tire of a big turkey. Remember, a half cake can be frozen and enjoyed later. Gravies and meat stock also serve to help the homemaker at a later date in preparing stews, meats, pies, etc.

8. All fruits can be frozen at the peak of their season—and don't forget citrus fruit and fruit juices, apple sauce (serve partially thawed for a new taste), fruit purees for shortcakes and sundaes, frozen

fruit salads, etc.

9. Corn on the cob at Christmas is good eating.

10. Prepare and freeze "fryers" during the spring chicken season and serve the year around. Giblets can be frozen separately and used in creamed, creole or casserole dishes.

11. Lunch box sandwich (except salad greens and salad dressings) can be frozen—also a complete lunch can be packed and frozen. It's a big help in getting the youngsters off to school.

12. Don't forget lamb stews, Hungarian goulash, spaghetti dishes, chop suey, chow mein, chili and the like.

13. Furs, or woolsens to be stored, may be sealed in a bag and then placed in the freezer for one to two days before storage. This will assure the killing of any moth eggs which might be present and which would subsequently hatch and do damage, if the zero treatment were not used. For small articles, the standard heat sealing type of frozen food cellophane, or pliofilm bags are very convenient to use. Subsequent storage should be in the coolest location available since high temperatures are detri-

mental to furs.

Before using any electric appliance the manufacturer's instruction book should be carefully studied. In the instruction book for the freezer, you will find very helpful information concerning packaging materials, processing requirements for various types of foods, cooking and serving of frozen foods, and defrosting and cleaning the freezer.

Fleshing, finishing and pinfeathers, or the lack of pinfeathers, are the important factors to consider when selecting quality turkeys.

U. S. Highway 83 extends from Canada to Mexico, passing through North and South Dakota, Nebraska, Kansas, Oklahoma and Texas. It is the only paved continuous north-south route.

The week of November 4-12 is National 4-H Achievement Week. America's 2,000,000 4-H members (approximate) will join together during the week to show to the world their 1950 accomplishments.

"BETTER THINGS FOR BETTER LIVING"

NOTICE

ORDER OF SALE OF WHEELER COUNTY TEXAS

On the 15 day of November, 1950, the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendants to redeem same by law and subject also to the right of the Defendants to have said property divided and sold in less divisions than the whole.

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

FIRST TRACT: 100 feet by 150 feet out of the North East Corner of Block No. 53, of the original townsite of Wheeler, Texas.

And I will on the first Tuesday in the month of January, 1951, the same being the 2 day of the month, proceed to sell all the right, title and interest of the Defendants in and to said property at the Court House door of said county in the city or town of Wheeler, between the hours of 10:00 a.m. and 4:00 p.m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than

the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendants to redeem same by law and subject also to the right of the Defendants to have said property divided and sold in less divisions than the whole.

DATED at Wheeler, Texas, this 15th day of November, 1950.
JESS SWINK, Sheriff
Wheeler County, Texas
By Charlie Nixon, Deputy
49-3tc.

The new rat poison, Warfarin, appears to be one of the most effective poisons yet developed for controlling rats and mice. It is poisonous to all warm-blooded animals, but the amount recommended for controlling rats and mice is so small that there is little danger of farm animals or people being poisoned accidentally.

A good carving set is a must for those who will carve the Thanksgiving or Christmas turkey. The carving knife should be sharp.

LEGAL NOTICE

THE STATE OF TEXAS COUNTY OF WHEELER SHERIFF'S SALE

WHEREAS, on the 26 day of October, 1950, in Cause No. 4124, in the District Court of Wheeler County, Texas, wherein the State of Texas and County of Wheeler were Plaintiff's (hereinafter called "Plaintiff") and the City of Shamrock and Shamrock Independent School District were impleaded party defendants, Plaintiff and said City of Shamrock recovered judgment against M. Reynolds, Defendant, for taxes, penalty, interest, and cost against the herein-after described property:

WHEREAS, on the 16 day of November, 1950, by virtue of said judgment and the mandates thereof of the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property:

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 16 day of November, 1950, seize and levy upon as the property of the above defendant the following described property, situated in Wheeler County, Texas to-wit:

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

All of the middle 40 ft. of Lots 5 and 6 and all of lot 4 (save and except a 20 ft. North and South, by 50 ft. East and West strip heretofore sold by Mr. Reynolds, et al, to Hilda Perry by conveyances recorded at pages 465 and 26, Vol. 62, Deed Records, Wheeler County, Texas; all being in Block 19 of the original town of Shamrock, Wheeler County, Texas according to the recorded map or plat thereof.

And I will on the first Tuesday in the month of January, 1951, the same being the 2nd day of said month, proceed to sell all the right, title, and interest of the Defendant in and to said property

Personal

Mr. and Mrs. Glen Hibbitts and son, Nick, and Mr. and Mrs. Cliff Mason and daughter, Dortha, visited relatives in Carendon Sunday.

Nurse Tells How Hadacol Was So Helpful To Her

Supplied Vitamins B₁, B₂, Iron and Niacin Which Her System Lacked

Mrs. Jennie Lee Adele, 412 N. 27 St., East St. Louis, Ill., a nurse, says she wishes she had found out about HADACOL sooner because since taking HADACOL she feels so good. Mrs. Adele was suffering a deficiency of Vitamins B₁, B₂, Niacin and Iron which HADACOL contains.

Here is Mrs. Adele's own statement: "I have been a nurse for over 14 years. My food never seemed to agree with me. I heard one day how so many folks were being helped because of HADACOL. I tried it and after 3 bottles I could tell a big improvement. Now I eat anything I want—sleep well and I am full of energy."

Why HADACOL Gives Such Fine Results

HADACOL does not bring just symptomatic relief. HADACOL may make it possible to actually relieve the causes of aches and pains in the shoulders, legs and arms, certain nervous disturbances, and a general run-down weakened condition due to deficiencies of Vitamins B₁, B₂, Niacin and Iron in your system.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B₁, B₂, Iron, and Niacin but also helpful amounts of important Calcium and Phosphorus.

—elements so vital to help maintain good health and physical fitness.

Why These Vitamins and Minerals Come in Liquid Form

There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

Don't Be A "Doubting Thomas"

After reading Mrs. Adele's wonderful experience with HADACOL—how can you doubt that this great new nutritional formula will help you if your system lacks Vitamins B₁, B₂, Iron, and Niacin?

What HADACOL did for Mrs. Adele, it can do for you if you're troubled with aches and pains in the shoulders, legs, and arms, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for? Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

Sold On A Strict Money-Back Guarantee

HADACOL even helps build up the hemoglobin content of your blood (when iron is needed). In course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful.

Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around—a burden to yourself and your family—when relief may be as close as hard as your nearest drugstore if you suffer a deficiency of Vitamins B₁, B₂, Niacin and Iron. This great HADACOL is inexpensive, too—costs only a small amount a day. Trial size only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order direct from The LeBlanc Corporation, Lafayette, Louisiana.

SENIOR NEWS

It seems as though our Western Week went off as a big bang. Everyone dressed western and everyone, also, seemed to enjoy it very much. There were only two people to get pitched into the horseshot they were: Mr. Teague and Curtis Clark. We hope that there was no hard feelings over some during this week of school spirit.

FOOTBALL NEWS

The Mustangs lost their homecoming game to the Spearman Lynx last Friday with a score of 13 to 0. We think that they played a swell game although they did lose. We also had the crowning of the Football Queen, which was Margaret Moore.

PERSONALITY

The senior personality of this week is Edgar Hubbard. Edgar is 18 years old. He has blue eyes, blonde hair, weighs 180-lbs. and is 6-ft., 1-in. tall. He says that his favorite food is fried chicken, but

he seems to like most anything good to eat. His favorite teacher is Mr. Sewell. Edgars ambition is to be a football coach.

He is a High School Senior this year. He is also one of the captains of the '50 Mustang Football team. We think that he is a swell classmate and friend.

CHATTER

The seniors had their senior pictures made November 4th. We hope that there will be some improvements made in them. Their motto was "Where there's beauty we take it and where there isn't we make it" so we feel that they are going to have quiet a time finishing them up for us. We hope to get the proofs back soon.

It seems that Andy, the janitor, has been having quiet a time keeping the building cleaned up after the seniors.

JUNIOR NEWS

Western Week proved to be very interesting. It was a change and everyone seemed to have gone out for it.

Not many actually liked their annual pictures. But on the whole they were pretty good considering what we looked like.

Ruby, we're glad to have you back in school. How is the cotton? James, Jamie, and Bill have to sit on front seats in English class. Crime doesn't pay boys.

Some of the juniors are trying to get more feeling into poems for Speech. The chief feeling seems to be despair.

The juniors made about \$12 off their coke stand at the Halloween Carnival. But every little bit helps.

SOPHOMORE NEWS

The sophomores got their pictures Friday, everyone should raise a fine garden next year.

PERSONALITY

Name ----- LaJaune Mann
Age ----- Unknown
Color of hair ----- Brown
Color of eyes ----- Blue
Favorite color ----- Blue
Favorite teacher ----- All of them
Favorite subject ----- History
Favorite town ----- Twitty
Likes ----- Almost all people
Dislikes ----- To live in town
Ambition ----- To be an old maid

DID YOU KNOW THAT?

Everyone had fun playing cowboy last week?
Patricia has a new hair cut?
Glen sits with Betty Jo in class?
The Homemaking II girls have to eat what they cook? (poor kids).
The sophomore boys in F.F.A. get whippings almost every day?
Molly got frost bit Friday night?
Shirley's chair collapsed in Home Ec. Monday? Some fun.

PEP SQUAD NEWS

Friday night the Mustang squad crowned the 1950 football queen.

Canadian River Bridge To Be Eliminated Soon

The only sub-standard stretch of U. S. Highway 83, the narrow

Margaret Moore. The Wheeler Band and Pep Squad marched out on the field from opposite ends to unite and form a heart, knelt, then sang the school song, marched up to the 20-yd. line and formed three lines. The queen was crowned by the captains, Edgar Hubbard and Smiley Gaines. The pep squad and band marched in seven columns off the field.

Canadian River bridge in Hemphill County, will soon be eliminated.

Hemphill county Judge Hez Wood has reported that final specifications for the new Canadian River bridge will be ready for contractors within a week after last minute details can be worked out.

Plans call for a 40-foot pavement from the north edge of Canadian, to the "Y" north of the bridge. There will be 20 feet of concrete with 10-ft shoulders on each side of heavy gravel and blacktop, Judge Wood said.

The bridge itself will be 26 feet wide, with concrete railings of low construction so that combines us-

ing this route without blocking cost of the construction probably start the Great Plains Highway 83. E. Pickett of Kerrville has a new million dollar the Nueces river pleted.

From where I sit... by Joe Marsh

We Ask That "Fares" Play Fair

Judge Cunningham was telling about a taxi ride he took over to the County Seat last week. The cab was all littered with cigarette butts, plus candy and gum wrappers. This annoyed the Judge and he spoke to the driver about it.

To his surprise the cabman answered right back. "Don't blame me," he said "Fast as I clear this taxi out, the fares just mess it up again. I like a clean cab as well as anybody, but a man has to have some co-operation!"

Judge figures the fellow was in the right, and maybe we ought to

do a little campaigning with the public. I agree with him—that's why I'm writing this article.

From where I sit, it's important for us to remember the fellow who's going to get in the cab after we leave it. Because he pays the same as we do, he's got the same right to a clean, comfortable ride—just as he has the same right to enjoy the beverage of his choice (be it coffee, beer, lemonade, or what have you).

Last week your editor typed the Hi-Life and had it all sealed in an envelope ready to mail and then put it in her locker and forgot to mail it, so that is the reason why there wasn't any news in the

paper. If you will look over it I'll try to do better and not forget it any more.

SPORTS NEWS

We played three basketball games with Allison two weeks ago to open our season. The B team boys won over Allison B team 29 to 17. The players were as follows: Monroe Seitz, Richard Ruff, Edwin Sims, Jerry Taylor, Joe Seitz, Clyde Patton, Nathan Lancaster, and Bill Thomas.

The girls' team won over Allison by a score of 74 to 35. The players were: Frances Totty, Patricia Trimble, Ruth Morris, Evelyn Worthington, Jolene Robison, Ouida Burke, Shirley McCauley, and Ines Lancaster.

The A team boys won over Allison boys by a score of 44 to 24. The players were: Vernon Willard, Bill Leonard, Waylon Newman, Joe Brown, Bobby Corcoran, and Harold Hooker.

We play Kelson Friday the 10th at Mobettie.

SENIOR NEWS

Patsy, you had better watch those cats sitting on the posts. Madge, sounds like you had a pretty good time over the weekend.

We seem to have two red-heads in our class now, Ouida and Evelyn.

Edwin, why don't you act your age, instead of playing with airplanes?

Joe, did you know we are having school?

Bobby, why are you carrying guns to school? It couldn't be that you are scared of some one, could it?

Ann Nell, who is the California letter from? It couldn't be from Barber, could it?

Madge seems to be carrying a new picture in her billfold.

Patsy, are you still getting letters from the way down in Georgia?

Ann Nell, who is this certain person, trying to get a date with you Saturday night?

Evelyn, how does this '38 Chevrolet ride?

Ouida, how do these convertibles ride? Pretty good?

Edwin, please try to hurry up a little every afternoon. We get tired of waiting.

Bobby, how is this new dog house coming along? Better watch. You may be in it before long.

Joe, couldn't you pass bookkeeping? You might as well try. We are all dumb.

EIGHTH GRADE CLASS

ORGANIZE ENGLISH CLUB

Recently the 8th grade organized an English club as a regular part of their class work. Wednesday, November 8, the club presented a program in their classroom

for an English grade, then in the afternoon the same program was given in the study hall for the remainder of the students in the high school building. Every pupil in the 8th grade had a part on the program, giving readings, talks, jokes, or such. Everyone took part in singing several songs and seemed to enjoy the program. Other classes are to present programs at a later date.

YOUR CAR
 MAYBE NEED-UM
 TUNE-UP, TOO!

Fall Tune-Up DIAGNOSIS

Your car will make mellow music this Fall and Winter—start quickly, perform smoothly, use less gas—if you treat it right with our Tune-Up Diagnosis. We clean and regap spark plugs, clean ignition wires, distributor cap, coil terminal, air cleaner, crankcase ventilator, fuel pump bowl. We also inspect and adjust distributor points, lubricate vital parts, and set timing and engine idle. Inspect ignition, compression, and carburetion, too! A complete job at a special price!

Nation Observes National Flower Week

The color, form and beauty of fresh flowers have an instinctive appeal for all children... toddlers to teens... and whether the flowers are carried into the house in grubby fists or in florists' boxes, they add warmth to the home environment.

It's a wise mother who encourages her children in their natural appreciation for flowers by keeping a supply of flower containers handy. Storybook figurines are especially attractive to children, and just a few pink roses, pompons and marigolds can be artistically grouped into a lovely arrangement, proudly displayed as your child's handiwork.

For the 6th successive year, the Society of American Florists is observing National Flower Week, and the period from October 29 through November 5 will once more be devoted to a nationwide educational program about flower lore.

Society

Mrs. Sims Is Hostess To Thurs. Review Club

The Thursday Review Study Club met November 9 and visited the art exhibit sponsored by the Wednesday Study Club at the Methodist Church then went to the home of Mrs. Jack Sims for a regular meeting.

After a brief business session a very interesting program about West-Passons Post No. 38 was led by Mrs. Earl Barnes who gave the history of this local legion. Mrs. Cecil Richerson, Jr. gave the biography of Pvt. William Fred West. Lt. James Perry Passons' biography was narrated by Mrs. Carroll Pendleton. The program was concluded with several poetry selections given by Mrs. W. A. Goad, Jr.

Lovely refreshments were served to the following: Mesdames Harvey Wright, Ralph Robison, Leroy Robison, Lowell Pendleton, Cecil Richerson, Jr., R. J. Holt, Jr., Carroll Pettit, Carroll Pendleton, Earl Barnes, W. A. Goad, Jr., Ernest Grizzard, Mrs. Ed Johnson, Misses Vendell Starkey, Glenna and Wilma Hefley and the hostess, Mrs. Jack Sims.

Mr. and Mrs. Travis Patterson and family spent the weekend in the Willard Godwin home. They have recently moved from Higgins to White Deer.

Guests of the Arthur Carmichael this past weekend were his brother and family, the J. B. Carmichaels of Yakima, Washington.

Mr. and Mrs. Clinton Stribling are spending several days in Hereford at this writing, in the parental Dave, Stribling home.

Mrs. Tracy Willis was called to Pampa last week to help care for her father who is seriously ill.

Miss Peggy Williams returned to Amarillo Tuesday after spending several days at her home here, ill with strep-throat.

Mr. and Mrs. Jess Roberts were Sunday visitors in the Tom Hathaway home.

Mr. and Mrs. R. L. Dunn of Amarillo are in Mobeetie this week, at the home of his father and mother, the John Duns.

Guests of the Chas. and Alfred Hills over the weekend were Mrs. Bud Griffith and daughter of Dimmitt.

Mr. and Mrs. Stanley Trimble and family, and Mrs. C. E. Trimble of Amarillo were weekend visitors in the H. L. Trimble home. Mrs. Trimble remained for a more extended stay.

Mrs. Minnie Godwin of Pampa is visiting this week in the Willard Godwin and Quintis Godwin homes.

Mr. and Mrs. Bob Hogan and baby son were weekend guests in the home of Mrs. Hogan's parents, the R. St. Johns.

Mrs. Stanley Beck is confined to her bed this week, the result of a heart attack early last week.

The L. D. McCauley family were Saturday and Sunday guests of

their daughter, Mrs. Bill Alverson in Bovina.

Mr. and Mrs. Alfred Hill have been re-decorating the interior of their home the past week.

American Art

Mobeetie Meditations

(Continued from Page 1) for a visit with his sister, Mrs. Oma Howell.

Mrs. H. T. Reed, Sr. informs us that her son, Marion, is finishing boot training at San Diego, Calif. and expects to be assigned to submarine duty in the near future. Johnny Reed of Amarillo, spent the weekend last week with his father and mother.

Friends and neighbors of Mrs. Ann Trimble surprised her with a birthday party at the Mt. View club room Wednesday evening of last week. Forty-two was played for entertainment and refreshments were served to the following: Mrs. W. J. Johnston, Henry Johnston, Mrs. Maggie Thompson, Mrs. Pearl Bailey, Mrs. Alfred Hill, Walter and Bobby, Patricia Trimble, the Doug Bairds, Bob Galmors, Frank Totty's, Tom Hathaways, Alvis Burkes, Charlie Setz and H. L. Trimbles and the John Cantrells of Miami.

Mrs. Raymond Hooker was hostess to the Home Demonstration Club Friday, Nov. 10th. Roll call was answered by naming a favorite evergreen shrub. Mrs. Emma Hastings then gave a demonstration on the pruning of evergreens. Refreshments were served to eight members present.

The Lions Club entertained their

wives Tuesday evening with a dinner in the Methodist Church basement. Places were laid for some fifty members and guests. Entertainment for the evening consisted of various stunts by local Lions and a big surprise for the Lady Lions present.

Ike Heare was a visitor in Mobeetie Monday. He has been making his home in Pampa the past few months.

Mrs. A. H. Burke, Mrs. Doug Baird and Mrs. Alvis Burke and children were business visitors in Amarillo Friday.

Letters received from Sam and Harold Gatlin this week by their mother, Mrs. Mamye Patterson, states that they are stationed in England, near the city of London, and are looking forward to spending a weekend pass there very soon.

Mr. and Mrs. R. C. Martin, Cecil and Jay Bill, and Wylie Davis drove up from Littlefield Saturday afternoon for an overnight visit with relatives here.

Mr. and Mrs. Bennie Barton and son visited Saturday and Sunday in the parental, E. D. Abbott home.

Mr. and Mrs. Earl Alexander and children were overnight guests of the Sid Talley, near Miami Saturday night, returning home Sunday afternoon.
