

Wheeler Whisperings

By J. C. Howell

Mr. and Mrs. truly and family enjoyed up to the Texas Press Association Mid-Winter meeting in last weekend. The meeting educational and entertaining besides that we visited with representative Grainger McIlhenny showed us around through capitol building and Mrs. Hovis visited a few minutes with Amy Craig, a former long-time resident of Wheeler. Cheryl as well as the rest of the well family, felt quite honored being guests of Gov. and Mrs. Shivers at a reception held the press group at the governor's mansion. On the way back we detoured a little and had some army buddies we had not seen in five to ten years and they all looked acted very much the same as we declared that we had had a great deal (this Wheeler really agrees with us). We discovered on this trip our sun glasses had disappeared from the glove compartment of the car the same time as madam's stamp books.

A lady called us last week to find out what, if anything, she could do to get rid of the stray dogs which were congregating around her house, turning over the garbage barrel and littering everywhere in general. We informed that if she would notify Jim Traylor, local water superintendent, he would try to notify the city and if they refused to pin down the dogs he would dispose of them. There is a city ordinance that lets dogs run loose, I have never noticed a lot of strays roaming around all over town, if you are one of those people who are annoyed with these dogs we advise you to get in touch with Jim Traylor.

Judging from the crowd which attended the crowd which attended the John Deere show Tuesday, we believe Clarence would testify to the fact that advertising in the Wheeler Times really pays. Holden had invited the farmers and their families of this area to be guests through the columns of the Times.

The Band Parent's Organization taking advantage of the program of the Mrs. Tucker's Shortening Co's offer to raise money for the local organization. The Shortening company will pay an organization of this type 5c for each flap of each carton of Mrs. Tucker's Shortening or Meadow Margarine so the Band Parents are collecting these flaps and will turn them in for cash. The offer is good until in April of the local organization urges everyone in this vicinity save these flaps and turn them in to trick Boddy, band director, Lyndon Sims or some other member of the local organization. Everyone will cooperate in this drive and the Band Parents can raise a good deal of money for use in buying more suits or instruments.

We were happy to find out this week that there are still some honest people in this world. Miss Estie Seidig found a dollar bill on the street and turned it into our office wanting to have an advertisement to try to find the owner of same. We advised her against this since the bill here in case anyone asked for it and we advised her against that also. Now if someone would lose a dollar bill and you would go to Estie and tell her where you think you lost same probably would turn it over to her but remember that she found ONE so don't too many you run up there to see about

We have had several parties up their subscriptions and renewed orders from some new subscribers since we last ran the list of the paper and we want you to know that we are indeed happy to have you with us. Here is the

H. O. (HERB) HODSON

J. G. (GEORGE) AUSMAN

SWP Co. Officials Get Promotions

Promotions were forthcoming today (Thursday) for two officials of the Southwestern Public Service Company, with the announcement by J. E. Cunningham, president, that J. G. (George) Ausman has been elevated to the position of executive vice president, and that H. O. (Herb) Hodson has been named vice president and operating manager.

Mr. Ausman has been associated with the Southwestern Public Service Company since 1928. He moved to Amarillo as Operating Manager in March, 1944, and was made Vice President in January, 1947. Mr. Hodson joined the Southwestern Public Service Company organization as Superintendent with headquarters in Roswell, New Mexico in 1938, and has been Chief Engineer of the Company with headquarters at Amarillo since 1941. Mr. Ausman and Mr. Hodson have, during the last seven years, directed the planning and construction of new power plants and other equipment costing approximately \$100,000,000.

"These promotions," said Mr. Cunningham, "are in line with the Company's policy of obtaining its officers from within the Company's organization so that the Company's official family consists of friends and neighbors of the people served and are thoroughly familiar with local problems and requirements."

"Our Company is faced with a big financing job," Mr. Cunningham continued, "we will, during this year, spend about \$20,500,000 on new equipment, more than our total sales. This expansion has been going on for two years and, with the speed-up due to the national emergency, will continue indefinitely in the future. We have had to raise, and will have to continue to raise, almost \$20,000,000 per year in new money from outside the territory served. This money comes from large life insurance companies and from individual investors from coast to coast. The raising of the new money necessary to finance the continued expansion of electric power capacity, which is vital to war plants and residential and commercial customers, is becoming almost a full-time job, requiring a great deal of traveling from coast to coast."

"So far," Mr. Cunningham concluded, "we have been able to maintain our operating efficiency at a level meriting approval of investors who furnish our new money. The promotions of Mr. Ausman and Mr. Hodson are designed to further improve our operating organization."

Other Vice Presidents in the operating organization are A. R. Watson, Amarillo, and H. L. Allen, Lubbock. Mr. W. F. Stanley, Financial Vice President, and Mr. H. L. Nichols, Board Chairman, office in the Merchants Bank Building, Dallas, Texas.

Next P-TA Meeting Is Set For February 15

Mrs. Jess Moore, president of the local parent-teacher organization, announced this week that the next meeting of the Wheeler P-TA will be on Thursday night, February 15, and everyone is urged to make plans now to be on hand for the session. The group will meet in the grade school auditorium.

Miss Celeste Wiley is on the program for a talk on the subject, "Value of Report Cards".

3RD SIX WEEKS HONOR PUPILS ARE LISTED

Supt. W. O. Carrick this week announced the honor roll for the Wheeler Public Schools. The honor roll listed below covers the grades of the pupils in Wheeler Schools during the third six-week period which just recently ended.

FIRST GRADE

All A's—Charles Davidson, Jimmy Walker, Benny Joe Scroggins, Bobby Carol Adams, Jo Ann Chapman, Sue Skulley, Jackie Daves, Bill Green, Richard Hampton, James Jolly, Carla Carl and Ruby Barton. A's and B's—Ronnie Lee Gaines, J. C. Lawler, Kenneth McCasland, Mary Ann Bradstreet, Judy Havenhill, Patty Whitener, Sandy Paddock, Patricia Black and Betty Davis.

SECOND GRADE

All A's—David McQueen, Sharon Farris, Robert Beauchamp, Jerry Burgess, Joe Charles Loter, Dorothy Hall and Carolyn Sims. (Continued on Last Page)

Temperature Drops Below Zero Here in Worst Spell Of Year

The coldest spell of the current season hit Wheeler and the entire state of Texas Sunday night and temperatures in this section have remained below freezing and near the zero mark throughout the week with the mercury reaching its lowest point in this section early this morning (Thursday). Local readings for this morning were in the neighborhood of 5 to 6 degrees below zero.

Snow fell intermittently throughout the day Wednesday but it was fine and dry and afforded little moisture in this area. The forecast is for continued cold weather throughout the remainder of the week.

GREENHOUSE AWARDED BADGE

Editor's Note:—We are reprinting here with a news article which was brought in by Mrs. Lester Hathaway of Mobettie and concerns her brother who is fighting in Korea. Many people in this area will probably remember Sgt. Greenhouse or his wife.

With the Seventh Division of the Fighting Front—M. Sgt. Carl R. Greenhouse, husband of Mrs. Clodine M. Greenhouse of Spanaway, Washington, was awarded the Combat Infantry Badge for his excellent performance of duty during recent ground combat against the armed enemy.

Faced with an onslaught by massed Chinese troops, Greenhouse's division and elements of other units, sealed off in North-east Korea, formed powerful defensive positions around the small Hungnam beachhead. Task Forces from his unit rushed to aid the trapped elements of his division cut off in the Chosin reservoir area.

Greenhouse's unit refused to yield the beachhead until these elements had fought their way out to the friendly perimeter. He and his buddies boarded small crafts on the beach, sailed out to an armada of ships waiting in the bay, and scrambled up rope nets onto the deck. The fleet then hoisted heavy equipment from bobbing craft below and whisked the entire division to an assembly area in the south where lines could be consolidated. The operation, orderly but unusually swift, was the largest water evacuation in American history.

Sergeant Greenhouse and members of his unit, clad in pile lined parkas and shoe-pacs, later regrouped to meet the enemy from the north.

Judge G. W. Hefley asked the Times to announce that jurors for county court who had been summoned to appear on Monday, Feb. 5, would not have to do so.

REV. A. EDWIN WILSON

BAPTISTS TO BEGIN SERIES OF MEETINGS

Rev. A. Edwin Wilson will be the speaker in a series of services to be held at the First Baptist Church, February 4-11, 1951. Pastor M. B. Smith announced this week.

Bro. Wilson is well-known by the people of Wheeler since he has preached here several times before. He lives at the present time in Chattanooga, Tennessee, and is the Executive Secretary of the Southern Hebrew Mission. This organization has as its chief purpose the carrying on of mission work among the Jews.

Bro. Wilson is an outstanding Bible Scholar, teacher and preacher. He has stated that the theme of his messages for the days that he will be in Wheeler will be "What is the sign of Thy Coming". If you are interested in knowing what the Bible teaches concerning the Second Coming of the Lord Jesus Christ, you will be blessed through hearing these messages, the pastor pointed out.

The First Baptist Church extends to the people of this area a very cordial invitation to come and worship with us in the services that will be held twice daily while Bro. Wilson is here.

Know God's Word, and Be Prepared for what lies ahead, whether in this life or for the Ages of Eternity, Rev. Smith urged.

FIRE DESTROYS SANDERS HOME

The two story farm home of Mr. and Mrs. W. M. Sanders which was located 5 miles northeast of Wheeler was completely destroyed by fire early Monday morning and several acres of grass land was burned off. When word reached the Wheeler Volunteer fire department and they got to the scene the house had already burned to the ground and the grass had caught fire.

According to reports, Mr. and Mrs. Sanders were eating breakfast in the kitchen of their home early Monday morning when they noticed unusual noises up stairs and when they investigated they found that the whole up-stairs was on fire and was already beginning to fall in; so, they didn't have much chance to save any of their belongings. All they did manage to save was a few clothes.

Guesses were that the fire caught from a defective flue or from sparks landing on the roof. The grassland which burned was the pasture of O. W. Pendleton and the fire was threatening the Pendleton home before it was extinguished by the local fire department and other volunteer fighters.

The fire was reported to Fire Chief Jack Garrison about 9:30 a.m. by Johnny Reed.

Mr. Sanders is a retired preacher.

Cecil Johnson Buys Local Malt Shop

Cecil Johnson is announcing the purchase of the Malt Shop which is located next door to the theatre here in an advertisement on another page of this week's Times.

Johnson, who is well-known here, states that he will make hamburgers that he would eat himself using only pure meat, and that he will serve cones, chili, soup and delicious home-made pies as well as other items.

7TH GRADE

A's and B's—Ora Lancaster, Helen Allen, Arthur Don Burke, and Frank Totty.

6TH GRADE

All A's—E. W. Riley, Jay Godwin and James Willard.

5TH GRADE

All A's—Carroll Whittenberg and Bobby Hill.

4TH GRADE

All A's—Sharon Davis, Aaron (Continued on Last Page)

1951 MUSTANG SCHEDULE GIVEN

The 1951 football schedule for the Wheeler Mustangs was announced this week. It calls for 10 games, five to be played on the home field and five on grids of opponents.

Six of the contests will be with conference foes. Of the conference games, three will be played here and three away from home. The Mustangs will play in District 1-A next year, with Clarendon, Lefors, White Deer, Panhandle, McLean and Canadian furnishing competition. Lefors, Panhandle and Canadian will play in Wheeler, while the Mustangs will journey to Clarendon, White Deer and McLean.

Non-conference games will be with Pampa Gorillas, Turkey, Stinnett and Lakeview.

In recent years, the Mustangs were in District 2-B with White Deer, Claude, Groom, Panhandle, Vega, Spearman, Stinnett and Canadian. Last year Clarendon, Lefors and McLean competed in Class A. The classifications are based upon high school enrollment.

The Mustang schedule for 1951 follows:
September 7, Open.
September 13, Pampa Gorillas, there.
Sept 21, Turkey, there.
September 28, *Clarendon, there.
October 5, *Lefors, here.
October 12, Stinnett, here.
October 19, *White Deer, there.
October 26, Lakeview, here.
November 2, *Panhandle, here.
November 9, *McLean, there.
November 16, *Clarendon, here.
*Conference games.

D. D. Vines To Have Auction Sale Feb. 7

Shelby Pettit, local auctioneer, has announced an auction sale for next Wednesday, February 7 at the D. D. Vines farm which is located 1 1/2 miles west of Kelton then 1/4 mile north. The sale is scheduled to begin at 12:30 p.m. Mr. Vines will serve free coffee to those present if they will furnish their cups.

Included in the sale will be implements, cows, chickens, seed, household furnishings and miscellaneous items. A complete list of the items can be found in an advertisement on another page of this week's Times.

The Wheeler Gymnasium will be the scene of the sub-district basketball tournament next Thursday, Friday and Saturday, February 8, 9, and 10. Teams which will participate in the local tourney include Kelton, Allison, Mobettie, Miami, Wheeler and Briscoe.

This year both boys and girls teams will participate in the sub-district play-offs since girls basketball has been included in the Interscholastic League program. There will be four games each session, two boys and two girls, beginning at 2 o'clock Thursday afternoon and lasting through Saturday night. Each of the six boys and girls teams will play every other team in the tournament in a round-robin type play off and the teams which come out with the best average will be winners.

Winners of first and second place in both the boys and girls divisions will represent this half of District 2-B and the district tourney which will be held in Canadian the following week.

Trophies which will be awarded the winners and runners-up in both boys and girls play are on display at the Wheeler Times office, if you can see through the ice that coats the window. Members of the first all-tournament teams will receive miniature gold basketballs while members of the second all-tournament team will receive miniature silver basketballs.

The morning sessions will begin at 9 o'clock, the afternoon sessions at 2 o'clock and the evening sessions at 7 o'clock according to announcement made this week by Coach Bernie Smith.

Otto Mangold, Tom Gilley and Newt Sechrist will do the officiating in the tournament.

SAM WEEKS DIES SUDDENLY

I. S. Weeks, 64-year-old local resident, passed away at his home early Tuesday morning when he suffered a heart attack. Mr. Weeks was an unusually early riser and had prepared his breakfast and eaten it and had set down to rest when the heart attack struck him and he died suddenly about 4:00 o'clock.

The Weeks moved here from the vicinity of Canadian approximately 4 years ago and had made their home just southwest of Wheeler on the cemetery road.

Funerary services were scheduled for 2:00 o'clock this afternoon (Thursday) at the first Christian Church in Canadian and burial was to be in the Canadian Cemetery.

Mr. Weeks was 64 years old the eighth of this past June.

He is survived by the wife of Wheeler, one son, Fred, of Canadian, and a daughter of San Francisco, Calif.

Mr. and Mrs. Muri Jaco and Mr. and Mrs. Lloyd Anglin attended the funeral services for S. I. Weeks in Canadian Thursday (today).

CONTROL READJUSTMENT PROMISES RELIEF

The freezing of prices at the highest point in history evoked widespread dissatisfaction after the public overwhelmingly had called for economic controls.

In that respect the action of the Stabilization Administration was not good politics.

a circumstance that ordinarily would be in its favor. Actually, the price-wage freeze was an extremity measure because living costs were about to get out of hand.

There is the promise of price-wage readjustment to eliminate hardships and inequity in specific instances. The immensity of this task may be measured by the fact that the government is seeking to police eight million items and about four million businesses.

The best possible advice has been offered by James Marlow, AP correspondent in Washington, to relax now and hope for the best. Delay in invoking controls is water under the bridge, and the problem now is to dam effectively the flood of inflation.

It is true that controls are secondary measures against inflation. The primary restraints are higher taxes, increased savings, credit curbs, a balanced budget, priorities and other related means.

Without condoning mistakes made by the government in the past—and the people have shared in these blunders by stampede buying—the American people must realize what is at stake in the emergency stabilization plan. They must recognize that they are far better off economically than any other people in the world today.

The overall concern is that economic disaster here would be a victory for the Soviet aggressor, which has predicted that our economy would fall apart from its excesses. Self-discipline, moderation and willingness to support control measures are popular means to defeat this aim of Russia.

Eric Johnston, stabilization director, aptly has stated that inflation is an enemy of America as formidable as, even more serious than, Communist aggression. A free, responsible and enlightened people face this challenge at home, and can hold the line against economic disaster if they are fully awakened to the peril. Government alone can not do the job.

—From Fort Worth Star-Telegram

The old fashioned wedding ring was a cumbersome affair, made to last a lifetime. The modern ring is very thin and narrow, designed to last as long as modern marriages.

ALLISON NEWS

Mrs. Lester Levitt (Intended for last week) Mr. and Mrs. Tobe Frye drove Anadarko, Okla. Tuesday and Wednesday. From there they went to Vinson, Okla. and spent the night with the four Overton brothers before returning home. Sgt. Charles Pierce from Fort Field, near Sherman, spent the weekend here with his sister, Mrs. Aubrey Bowers and family.

Donna Jo Brown, Patsy Huff and Barbara Frye spent the mid-term holidays here with home folks. Mr. and Mrs. David Waldrup, who have been in Walnutridge, Ark. attending college have returned to Allison to make their home. David is planning to join the Air Force and his wife will remain here with relatives. John R. Hall has finally got his new house moved to his place east of town from New Mexico. Mr. and Mrs. Roy Langford and Mr. and Mrs. Lester Levitt spent Sunday in the Leslie Waters home.

Rev. Carl Lamb and family from Shamrock were Sunday guests in the Forace Evans home. Rev. Lamb preached at the Baptist Church Sunday. Mr. and Mrs. Aubrey Bowers were in Amarillo Wednesday on business. Mr. and Mrs. Dale Langford from Clarendon visited Roy and Ray Langford and families Sunday. Mrs. Archie Dillon spent last week at Pampa with her daughter, Mrs. Rex Miller and family. J. E. McKatherine and family from Hereford spent the weekend here in the parental M. Ball home. Mrs. Bill Begert is staying at Wellington with her father, Henry Formenti who is seriously ill. The community was shocked Monday to hear of the explosion at Stillene which seriously injured four members of the J. C. Spruill family, former residents of Allison. Mr. and Mrs. Dudley McMillan from Wellington visited Mr. and Mrs. H. R. Warren over the weekend. Mr. and Mrs. Ernest Wallace and Mr. and Mrs. Roy Langford made a business trip to Hollis, Okla. last week. Wilbur Hugs and family from Reydon, Okla. visited Clyde Dukes and family here Sunday. Deputy Thomas Glen Newton of Canadian was a dinner guest Monday in the Lester Levitt home. Mr. and Mrs. Chuck Reynolds from Reydon accompanied Mr. and Mrs. Lewis Wayne Grayson to Amarillo Sunday where Lewis Wayne is under doctor's care at the Veterans Hospital. Mrs. Grayson went from there to Borger where she will visit her sister, Mrs. Bobby Joe Grayson and family, until her husband is released from the hospital. Carl Levitt and David Kiker attended Lodge at the Masonic Hall in Wheeler Monday night. Mrs. D. C. Chandler was on the sick list the first of the week. Mrs. Lee Kiker visited her mother, Mrs. Ed George, at Shamrock Tuesday. Quarterly conference was held at the Methodist Church here Sunday with Rev. Hamilton, district presiding Elder, delivering the sermon. Mrs. Lois Curlee, who is employed at the Bell Telephone Co. at Canadian spent the weekend here with her family.

NEWS FROM— County Agent's Office

By Ralph Wheat and Robert Ledbetter

CONTROL OF POCKET GOPHERS

In looking over the county, we see much damage being caused to crops such as alfalfa by the pocket gopher. This is especially true in the lighter soils. The gopher can really present a problem if left unchecked. In heavily infested areas the best method of control is poisoning. In building his mounds all along it; this runway may be found by probing with a rod 8-10 inches to the side of the mound. Poisoned bait may be dropped in the probe hole with care being exerted not to probe through the bottom of the hole as this will cause the bait to be hard to find. The probe hole should be covered with paper to prevent light from entering the hole. Poison grain may be obtained at the courthouse.

EARLY ORCHARD MANAGEMENT

Now is a good time to start some of the early orchard management practices that are essential to good orchards. Pruning should be done in the next few weeks. We have noticed several pruning their fruit trees the past week. Now is also the time to plant new orchards. It would be especially wise to check the varieties adapted to this county before planting. Ethylene dichloride emulsion may be applied around the base of peach trees to prevent the infestation of borers. The emulsion should be covered with a few shovelfuls of dirt and may be applied up until April.

BOARD OF SUPERVISORS MEET

The Board of Supervisors of the Wheeler County Soil Conservation District met in the County Agent's office Monday night. Members of the board present were Dusan Pakan, Clarence Zybach, Billy Cantrell, and Clifford Walser.

George Gandy, Cantrell and Zybach gave a report on the State Meeting of supervisors held in Mineral Wells this past week. This was the group that went from here.

Plans were made for buying another legume drill and some discussion was given as to the advisability of buying a brush cutter. This machinery will be the property of the district and will be subject to a small rental fee just as the present drills are.

Then there's the husband who didn't speak to his wife for three days. He was too polite to interrupt her.

Motorists should refrain from throwing lighted matches and cigarettes onto highway right-of-ways where grass can be set on fire. Serious grass fires have resulted from the practice and motorists should remember that grass is a mighty important item so far as the farmer and ranchman are concerned. The nation's meat supply in part depends upon the amount of grass available for livestock production.

CONCERT TO BE AT SHAMROCK

Leonid Hambro, brilliant piano virtuoso, will appear in concert at Shamrock on Friday, February 2 as an outstanding presentation of the Wheeler County Municipal Concert Association. The concert will be held at the Clark auditorium and will begin promptly at 8:00 o'clock.

Heralded for his virtuosity, Leonid Hambro holds great appeal for the trained musician and the average concert-goer as well. For the trained musician, Mr. Hambro brings a dazzling technique coupled with a profound understanding and interpretation of the works of the old masters as well as the modern composer. For Mr. Average Citizen the concert will be top-flight entertainment as Leonid Hambro, possessor of most charming personality along with his great talent, communicates his definite ideas on music. Mr. Hambro firmly believes that the great composers were

equally great men equipped with great minds which in the last analysis, means that they fully understood their fellow men. Human nature has not changed with the passing of the years. Our likes and dislikes, ambitions and goals—all remain pretty much the same. And as Mr. Hambro performs at the piano he takes the position that he is merely assisting the composers in telling the tale, in music, of our daily thoughts. Couple that insight with a delightful sense of humor and add to it a talent of mammoth proportions, and we have the recipe for the most unusual of persons—the true artists.

The Hambro concert may be attended only by those holding membership identification cards in the Wheeler County Municipal Concert Association.

666 GIVES FAST RELIEF LIQUID OR TABLETS when COLD MISERIES STRIKE

GET FULL FEEDING VALUE The McCormick No. 6 Hammer Mill gives you maximum grinding capacity with belt power from one or two-plov tractor—and full feeding value from your grain. A wide rotor of large diameter provides plenty of grinding space for its 30 swinging hammers. Notched hammers increase cutting surface and grinding capacity. Wind-swept feed delivery increases the daily capacity by eliminating stoppage to clean the blower inlet elbow. These are a few of the desirable features of the No. 6. Come in and let us give you the whole story.

the Railroads RESPECT... What is the TRUTH? the Labor Unions seek to REPUDIATE this agreement!

MEMORANDUM OF AGREEMENT Washington, D. C. December 21, 1950 1. Establish 40 hour week for yardmen with increase of 23 cents effective October 1, 1950, and additional 2 cents effective January 1, 1951. 2. Set aside 40 hour week agreement until January 1, 1952, and establish 6 day work week for yardmen. Effective with the first pay roll period after 30 days from the date of execution of the formal agreement, yardmen required by the carrier to work on the 7th day to be paid overtime rates except engineers who shall receive straight time rates for the 7th day. This does not create guarantees where they do not now exist. On and after October 1, 1951, three months' notice to be given of desire to go on 40 hour week. Provide for consideration of availability of manpower and 4 cents per hour if and when the 40 hour week actually becomes effective. 3. Settle rules for 40 hour week and 6 day week. 4. Grant yard conductors and brakemen other rules such as daily earnings minimum, car retarder operators and footboard yardmasters as recommended by Emergency Board No. 81. 5. Settle following rules: Initial Terminal Delay (Conductors and Trainmen) Interdivisional Runs Pooling Caboosees (Conductors and Trainmen) Reporting for Duty More than One Class of Service Switching Limits Air Hose (Conductors and Trainmen) Western Differential and Double Header and Tonnage Limitation (Conductors and Trainmen, all Territories) 6. Road men to receive 5 cents per hour increase effective October 1, 1950 and additional 5 cents per hour increase effective January 1, 1951. 7. Quarterly adjustment of wages on basis of cost

of living index (1 point to equal 1¢ per hour. First adjustment April 1, 1951. Base to be 176). 8. Agreement embodying principles applicable to yardmasters to be entered into for benefit of yardmasters. 9. Effective October 1, 1950, the basic hours of dining car stewards shall be reduced from 225 to 205 hours per month; no penalty overtime to accrue until 240 hours have been worked, the hours between 206 and 240 to be paid for at the pro rata rate. Effective February 1, 1951, overtime at time and one-half shall accrue after 220 hours have been worked. The basic monthly salary to be paid for the 205-hour month shall be the same as that now paid for the 225-hour month. Except that four dollars and ten cents (\$4.10) shall be added to the present monthly rate effective January 1, 1951. 10. In consideration of above, this agreement to be effective until October 1, 1953, and thereafter until changed or modified under provisions of Railway Labor Act. Moratorium on proposals for changes in wages or rules until October 1, 1953, as follows: No proposals for changes in rates of pay, rules or working conditions will be initiated or progressed by the employees against any carrier or by any carrier against its employees, parties hereto, within a period of three years from October 1, 1950, except such proposals for changes in rules or working conditions which may have been initiated prior to June 1, 1950. Provided, however, that if as the result of government wage stabilization policy, workers generally have been permitted to receive so-called annual improvement increases, the parties may meet with Doctor Steelman on or after July 1, 1952, to discuss whether or not further wage adjustments for employees covered by this agreement are justified, in addition to increases received under the cost of living formula. At the request of either party for such a meeting Doctor Steelman shall fix the time and place for such meeting. Doctor Steelman and the parties may secure information from the wage stabilization authorities or other government agencies. If

the parties are unable to agree at such conferences whether or not further wage adjustments are justified they shall ask the President of the United States to appoint a referee who shall sit with them and consider all pertinent information, and decide promptly whether further wage increases are justified and, if so, what such increases should be, shall have one vote, the employee representatives shall have one vote and the referee shall have one vote. 11. If the parties cannot agree on details of agreement or rules they shall be submitted to John R. Steelman for final decision. The usual protections for arbitrators, miscellaneous rates, special allowances, and existing money differentials above existing standard daily rates will be included in the formal agreement. ** The foregoing will not debar management and committees on individual railroads from mutually agreeing upon changes in rates, rules and working conditions of employees covered by this agreement. J. R. Steelman Chairman Eastern Carriers' Conference Comm. J. B. Burton Chairman Brotherhood of Locomotive Firemen and Enginemen by President R. D. ... Chairman Order of Railway Conductors by President W. B. ... Chairman Brotherhood of Railroad Trainmen

4/H CLUB NEWS
Briscoe Club

The Briscoe 4-H Club girls met recently with their club sponsor, Mrs. Milton Finsterwald, who gave a demonstration on good grooming.

A number of games were also played and a valentine party was planned.

Nineteen girls were present for the meeting.

The City of Wheeler is sorry to loose two of its residents to the City of Wichita Falls. Mrs. Ralph Robison and little daughter left last week to join Mr. Robison in Wichita Falls where he has been employed since the first of January. Mr. and Mrs. Albert Gunter and daughters also moved there last week where he is employed by a construction company.

Mr. and Mrs. Cecil Denson took a trip through south Texas last week.

SOCIETY

Hostess Review Club

Thursday Review Study January 25 at the Carlene with Mrs. Carroll as hostess.

A brief business meeting interesting program on "Oddities" was led by Mrs. Wright who told of "Known Facts About Wheeler County". A roundtable of "Strange Happenings in Wheeler County" was enjoyed by all. The program ended with the reading of a collection.

Refreshments were served by Mesdames Earl Barnes, Allan, Lowell Pendleton, Martin, Roy Ford, W. A. Carroll Pendleton, R. J. Cecil Richerson, Jr.,

Harvey Wright, Jaunell Johnson, and Misses Vendell Starkey, Wilma and Glenna Hefley.

Roy Waters Home Is Scene Of 42 Party

Mr. and Mrs. Roy Waters of Briscoe entertained a group of their friends Tuesday night, January 23, with a forty-two party.

Scoring high for the men was Ewell Steen, low was Darrell Atherton. High score for the ladies went to Mrs. Darrell Atherton and low went to Mrs. Sterling Price.

Refreshments were served to the following: Messers and Mesdames Oden Hudson, Wiley McCray, Kenneth Douthit, Sterling Price, Ewell Steen, Ed Riley, B. F. Meadows, Jr., Darrell Atherton, S. E. Mason, and Loyd Childress of Wheeler, and the host and hostess.

Mrs. Burgess Hostess To Good Neighbors

The Good Neighbors Club met with Mrs. Barney Burgess Tuesday, January 23.

After the business meeting, Mrs. Willard Godwin gave an interesting book review of the book, "Papa Was A Preacher", by Alene Porter.

Refreshments were served to: Mesdames Jack Meek, Clyde Meek, Tot Lane, Cash Walker, Tom Beck, Willard Godwin, Jim Selby, Jay Hastings, Minor, Jim Wellington, P. A. Martin, Ayers, John Wright, Doyle Standlee and Earl Williams, guests. Members: Mesdames Katie Finsterwald, Helen Nixon, Helen Dyson, Melba Robertson, Essie Finsterwald, Mary Finsterwald, Bernice Ramsey, Mattie McCarroll, Bernice Hefley, Eunice Treadwell, Maurine Barnett and the hostess, Florence Burgess.

Mrs. Wiley Hostess At Study Club Meeting

The next meeting will be an all day meeting with Mrs. Opal Hefley, February 13.

Mrs. H. M. Wiley was hostess to members of the Wednesday Study Club on January 24.

The club president, Mrs. R. Wm. Brown called the meeting to order and presided over a brief business session. The club voted to donate \$5.00 to the March of Dimes Drive and \$25.00 to Girls Town. It was also reported that plans were underway for the club to raise more money which will be donated to the local school band.

Mrs. Harry Wofford was leader of a very interesting and entertaining program on "Education Through Travel". She spoke on "Mount Rushmore, National Memorial, which comprises the giant heads of Washington, Jefferson, Lincoln and Theodore Roosevelt carved out in South Dakota's Black Hills near Rapid City. These granite carvings represent the founding, expansion, preservation and unification of the nation. The memorial, approached by a stone stairway, will also have important documents sealed in the walls.

Donaldson Home Scene Of Home Culture Meet

The Home Culture Club met Wednesday in the home of Mrs. Millard Donaldson.

The club voted to donate \$25. to Boy's Ranch instead of food during the brief business meeting. Apron patterns were also exchanged.

Those answering the club roll call were: Mesdames Emma Rogers, Sally Huff, Winnie Kiker, Iccal Reed, Billie Peterman, Blanche Parker, Valoise Wileham, M. P. Rogers, Tobe Frye, Donaldson and Juanita Reedy.

Miss Standlee Hostess At Gay Teenage Party

The farm home of Mr. and Mrs. Doyle Standlee was the scene of a party given by their daughter, Martha, on the evening of Tuesday, January 23.

Members of the teenage group enjoyed games and dancing.

Refreshments of cookies and pop was served to: Joyce Helton, Lucy Barnett, Bobby Helton, Jane Ann Zybach, Donnie Meadows, Buddy Wilson, Imogene Pannell, Jerry Hayes, Eddie Walker, Roy Swift, Anna Dell Fillingim, Douglas Robertson, Maureta Horn, Billy Helton, Leroy Hudson, Monte Treadwell, W. L. Williams, Thomas Roy Helton, Clyde Laycock, and Neal Laycock, both of Wheeler and the hostess, Martha Standlee.

Parents and their friends who attended were: Mr. and Mrs. Oren Horn, Mr. and Mrs. Thurman Horn, Mrs. T. A. Treadwell, Mrs. Weaver Barnett and Kathy, Leon Fillingim and Mr. and Mrs. Doyle Standlee and Inez.

J. M. Glover had the pleasure of being with all of his children in Ft. Worth this past weekend when they all met at the home of his son, Charles Glover and family, there for a family reunion.

Those present were Mr. and Mrs. Marion Glover of Spearman and their son, Billy Jack, who is attending college in Abilene, Mr. and Mrs. Luther Glover and Bobby Wayne of Pampa and Mr. and Mrs. H. G. Smith of Shamrock.

Mr. and Mrs. Ebb Farmer and Mrs. Cora Hyatt were Sunday guests of Mr. and Mrs. Glen O. Render of Pampa Sunday.

RECIPE OF THE WEEK
By Mary Lee Taylor

Pancakes with Sausage Patties

Ingredients: 1/2 cup plain pan-cake mix, 1/2 cup milk, 1/2 cup buttermilk, 1 egg, 1/2 cup water, 1/2 lb. bulk pork sausage, 1/2 teaspoon salt, 1/2 teaspoon mustard.

Directions: Put the mix into bowl. Stir in mixture of 1/2 cup milk and water. Do not beat until smooth, as overbeating toughens pancakes. Bake on hot, slightly greased griddle or in heavy skillet, until bubbles appear and edges are cooked, then turn and brown other side. Makes eighteen 4-in. cakes. Meanwhile, mix sausage with rolled oats, the 1/4 cup milk, onion and mustard. Shape in 8 flat patties. Brown slowly on both sides in hot, greased skillet. Serve with pancakes and syrup. Makes 4 servings.

You Will Need: Pet Milk, Pancake Mix, Bulk Pork Sausage, Syrup.

Russ Dry Goods

Wheeler, Texas

No Blue Mondays Now

This young housewife no longer worries about mounting piles of soiled clothes that used to accumulate on rainy washdays. While the youngsters are at school, her automatic laundry will wash, dry and iron with little more effort on her part than setting dials. This wash-day triple play is now possible—regardless of weather conditions—with an ingenious new type of electric dryer. Moisture evaporated from the clothes by electrically heated air is immediately condensed by a spray of cold water and washed down the drain. This "filtering by water" principle also washes away the lint. There is no air intake or outlet, and tests show that even where the dryer is used in a combination kitchen-laundry room, it does not raise the room humidity. Former models of clothes dryers have not been widely accepted by housewives because of objections to the moisture and lint given off. The new dryer was designed for mass production by Hotpoint, the industry's newest leader in the complete home laundry field. A greatly widened market is predicted for the machine now that objections to former styles have been overcome. In modern planned home laundries, the dryer is placed between the automatic washing machine and table top ironer. It requires no room vents, and can be installed in combination with an all-electric kitchen, in a basement, utility room, or even in a second floor loca-

Auto Firm Is Guilty Of Violating Gov't's. New Regulation W

The Board of Governors of the Federal Reserve System obtained a judgment today in the United States District Court at Columbus, Ohio, enjoining 5th Avenue Motors, Inc., its President, Harold F. F. Pritchard, and its Secretary-Treasurer, O. George Ezzo, from further violations of Regulation W and compelling compliance with said regulation. The defendants, through their attorneys, consented to the entry of the judgment. The Board of Governors of the Federal Reserve System, having received reports from the Federal Reserve Bank of Cleveland that 5th Avenue Motors, Inc. appeared

nesday night? Charles goes to these eighth-grade ball games? George was so mad the other day in the study hall? Was it because someone threw ink on his shirt? Daris had better keep his mouth shut!

NEWS

We are all proud of Joe Van Zandt and Earl Corse. Joe won first place on his 4-H club calf and Earl won second place. The eighth grade girls played Wheeler Tuesday night but were defeated by a score of 20 to 25.

to be selling used cars on terms which violated Regulation W, ordered an investigation to determine what further steps it should take. This investigation, which is specifically authorized by the Defense Production Act of 1950, was conducted in Court Room No. 2 of the United States District Court at Columbus, Ohio, on Jan. 12 and 13, 1951. About 35 witnesses were subpoenaed by the Board of Governors and examined under oath. In view of information obtained in the investigation and data furnished by the Federal Reserve Bank of Cleveland, the defendants consented to the entry of the judgment, violation of which would subject them to being cited and punished for contempt of court.

Regulation W, issued by the Board of Governors of the Federal Reserve System pursuant to the Defense Production Act of 1950, provides that a registrant shall not extend any credit for the financing of certain listed articles including new and used passenger automobiles without obtaining a down payment in an amount prescribed in the regulation. In the case of automobiles, the present terms of the regulation require a down payment of not less than one-third of the cash price of the car and the balance must be paid in 15 months.

Atlas would have to be a lot stronger man today, to lift this world with all its taxes.

SENIOR NEWS

We have our annual finished except for the pages of the cast of the junior and senior plays.

We have selected our play, "Fancy Meeting You". We are anxious for the juniors to get their play over with so we can start practicing on it.

CHATTER

We hope Ouida had a good trip to Austin over the weekend. Madge and Patsy have suddenly got some new names. Rastus and Sambo. Bobby could give us a little information on this. I think his name is Big Chief Sitting Bull. Ann Nell, who was this you got a letter from this week? Evelyn, who was this you had a heavy date with? Joe, you are getting to be quite a bachelor, aren't you? Edwin, why don't you ever do anything?

SOPHOMORE NEWS

Carl, you should be on time and you would get to go skating more often. Dan, were you really that scared in Pampa Wednesday night? Aline, why did you and Vendell have to cross the street Thursday? You were already on the same side as the bus. Lavada, it seems as though you have been walking on clouds since Monday night. Waylan, did you ever learn to skate? Belle is too little to hold you up. JoAnn, we thought you were a good skater.

Clyde is teaching Rhema lessons in the place of Arthur Murry. Juanice is a professor in Canyon College. Nathan is teaching English in Mobetie High. Ruth is playing basketball in Waylan College. Joe H. is playing the part of the fat man in Ringlin Brothers Circus. Shirley is raising little Leonards in a one room shack. Jerry Taylor is sitting on street corners, asking people "Duh! What makes me so dumb?" Jolene is living in Allison, selling 1961 Mercurys. Richard is a movie star in Hollywood. Mary is living in Miami raising 6-ft. basketball players.

WONDER WHY?

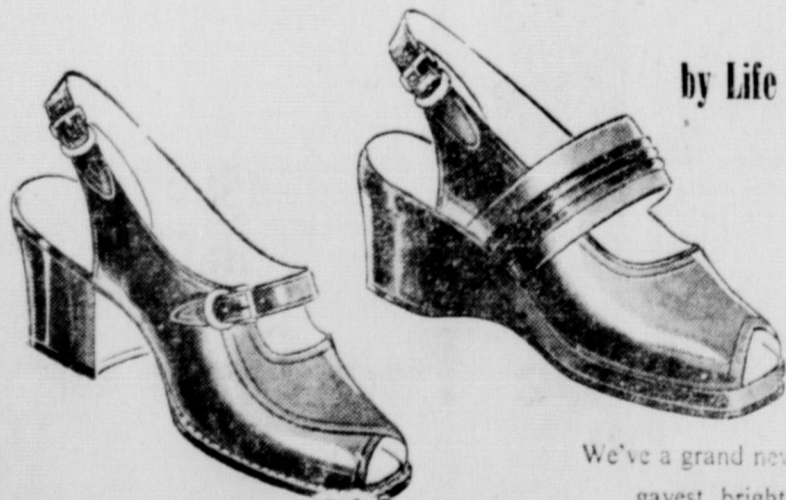

Belle was so sleepy Thursday morning? Joe S. gets kicked out of Ag. class so often? Virginia was sorry that she went to Wheeler so early Saturday night? Was it because someone came to see her? Billy B. stays out of school so much? Maurea hates to come to school so much? Some certain freshman girls were running up and down the hall Wednesday? What about that Juanice, Marie, Mary, and Virginia? Reba is so proud of the picture she received from Dozier? LaNelle had a good time Wed-

SENIOR NEWS
We are glad Leottos is going to finish school before joining the Navy.

We are happy that Mr. and Mrs. Barnett are the parents of a baby girl. We hope that both baby and mother get along fine. Lottie and Leottos spent Friday in Amarillo attending to some business. We hope Kenneth enjoys the new "Pick-Up" he's driving around lately. We are proud that we have our class will and history ready for the annual.

JUNIOR JABBER
The junior class seems to have frozen with the weather. Everyone is working very hard on the senior play. Thomas Roy, what happened to Canadian? Say, boy, you are getting around, aren't you? Douglas, you were surely playing ball at Allison Friday night. Tolene, do you still like to go over to Allison? S. W., why do people call you Tarzan? We wonder where Van was Monday? By the way, our assembly Friday was really a killer diller, wasn't it?

SOPHOMORE NEWS
We wish to thank Martha Ann Standlee for the high school party. We enjoyed it very much. All the sophomores seem to be against this weather. Juanell and Cleavene were very excited about Friday night. You guessed it—we went to Allison. Maureta went to Wellington to the dentist Wednesday. Bet she had fun. Lucy, whom are you so thrilled about from Samnorwood? Too bad that he got here just as the buses had to leave. Bobby, it seems as though cars don't like weather either. How about that?

SENIOR NEWS
The seniors have selected their play for this spring. The name is "Everything Happens To Us", which applies to the seniors as well. It will be a three act comedy. We will give you more information later on in the year.

The seniors presented the assembly this week, well the picture show was good anyway. It was of the old west and really exciting. We had a few mixups on the play but we really enjoyed giving it.

JUNIOR NEWS
The juniors will have the concession stand at the next tournament. We will have hot dogs, sandwiches, cokes, drinks, candy, and gum. Be sure to buy something, everyone. Now that basketball is nearly over, most of the junior girls are looking forward to volleyball. We enjoyed the senior assembly program. That western was thrilling.

SOPHOMORE NEWS PERSONALITY
Name --- John Bowman
Age --- What's that?
Color of hair --- Brown

Mary, why did you make so many points against Allison? Jayne Ann, how do you like to play forward? Pete, I hear that you like to mess up girls' hair. Oh well, you have to resist them some way. W. L., why were you in such a gay mood Thursday? We wonder, Tommy, how is it that "Cooky" is your favorite dish? Pat, how does that Dodge Pick-up ride? Or have you noticed the pick-up?

FRESHMAN NEWS
Our heartiest congratulations to Mr. and Mrs. H. R. Barnett on their newly arrived daughter. Gene, did you know you were supposed to go out the door instead of the windshield? Lucille and Zetha, why are you always talking about water guns? Sylvia, did you really have fun over the weekend? How was Wichita Falls and Ft. Worth? Martha, did a car ever freeze for you? Dean, why are you getting up about the time the bus runs? Jerry, whom did you bring to school? Bill, did you really get your algebra? Monett, how's the silver smith business? Wilma and Johnnie, why weren't you at school? Eddie, what happened to your water gun?

Nothing Better Than Good Food, Says Ohio Man

If a man isn't able to eat the foods he likes he's in mighty sorry shape—imagine going through life without being able to enjoy a fine big platter of bacon and eggs. That is the way Joseph N. Damillot, 3414 E. 5th Street, Dayton, Ohio, used to be, but since he has been taking HADACOL, he says he feels just fine and is able to enjoy lots and lots of fine foods. Mr. Damillot found that taking HADACOL helped his system overcome a deficiency of Vitamins B₁, B₂, Niacin and Iron.

Here is Mr. Damillot's statement: "My first bottle of HADACOL convinced me that HADACOL was what I needed for the gas on my stomach at nights. I could not keep food on my stomach, but after the first bottle I was going great. Now I eat bacon and eggs, and other foods that never would stay with me. I also can sleep well at nights. Thanks to HADACOL I will never be without it, and can recommend it to all who suffer with the above ailments that I had. I know because I have suffered for quite some time."

Canned Spaghetti Products Add Chef's Note To Doorbell Dinner

Photograph by Chel Boy-At-Der

When unexpected guests drop in at the last minute, you can ask them to stay for dinner without a qualm if you have a few "fillers" for thin menus on hand. A dish of well-seasoned spaghetti with a good sauce will add real substance to any meal. With meat sauce it is a reliable mainstay; with mushroom sauce it ekes out small servings of meat quite adequately. You can keep on hand a few cans of spaghetti sauce—made with either meat or mushrooms—and a package of spaghetti so that you are always ready with this emergency dish. There's a packaged spaghetti dinner, too—spaghetti ready to cook, a can of flavorful sauce and a small can of grated Parmesan-style cheese—that's delicious as a "filler" for the main course. Canned meatballs and spaghetti or canned ravioli, prepared with a taste-tempting sauce that's flavored with the genius of a real chef, are other helps that can be kept on hand to add substance to the main course.

Every menu planner, whether chef or homemaker, knows that condiments such as olives, celery and jelly build up a simple meal. So does a generous plate of raw vegetables—carrot sticks, green pepper rings, onion rings, celery cut into sticks, cauliflower flowerets, thin slivers of white turnip. Salt and pepper are the only seasonings needed by these raw vegetable tidbits that do so much to dress up your menu. If the dessert is not adequate for your unexpectedly bigger number of diners, you can fall back on canned fruit or fresh fruit, if you have it, and cookies or sweet crackers. Crackers and cheese and jam make another hearty dessert that's usually available on the pantry shelf.

HISTORY
One fine day on February the eighth in the year of 1935 a baby daughter was born to Mr. and Mrs. Fat Moore. She was given the name Shirley Moore. From fifteen years ago she has grown into a slender, dark complexioned brunette with bright green eyes. She is five feet, three inches and her hobby is horseback riding. Her favorite subject is boys and her favorite teacher is Miss Mobley. Her favorite saying is, "Oh, Bette." Her favorite song is "I'm A Lady". Shirley's favorite car is a blue Chevrolet and her ambition is to go to Pampa and to own a pick-up. Her nickname is Cheyenne and she is known around Wheeler High as "Gouber". Shirley is sometimes seen on school days at noon riding in a black Pampa Chevrolet.

TOWN TALK
Molly, do you think he will write? Waunetta has a cute nickname, "Birdseed". Miss Mobley, we enjoy your jokes in English II.

Fliptian, did you material in Amari Doyle, who has L. B.? Nadine, do you about Oklahoma? Molly, did you have a date Saturday night? Tony, why do they call you "Doll Baby"? Lois, how was "Call of the Canyon", Thursday? Ray has a new hot-rod. La June, who were you and Tony swooning over in the drug store Wednesday? Could it be Audie Murphy?

FRESHMAN NEWS GOSSIP
Beverly, how do you like your new nick name? "Mama". It seems the boys are getting a big kick out of putting tacks in everyone's desk. Vondell, I guess you and Wanda and a few more will play hookey again? Just what I thought. We are really proud of Spot for playing a swell game Friday night along with the rest of the team when we played Pampa.

AUCTION SALE

Having sold our farm and since we are moving away, we will sell livestock and farm implements at auction at farm located 1 1/2 miles west of Kelton then 1/4 mile north.

WEDNESDAY, FEBRUARY 7 12:30 P.M.

- IMPLEMENTS**
- 1—Farmall H Tractor with lister-planter and cultivator attachments, good condition.
 - 1—1942 Allis Chalmers Combine, 6-ft., good shape, (Subject to Private Sale).
 - 1—7-ft. International Power Mowing Machine.
 - 1—Tractor Pull 6-ft. Mowing Machine on rubber, practically new.
 - 1—6-Row Dusting machine with flexible pipe.
 - 1—Disc Harrow.
 - 1—2-Row Go-Vator.
 - 1—2-Section Harrow.
 - 1—10-inch John Deere Hammermill with belt.
 - 1—2-Disc Breaking Plow.
 - 1—Power Feed Header, fits Farmall Tractor.
 - 1—2-Row Boll Fuller on Rubber.
 - 1—Single Row Binder on Rubber.
 - 1—International 2-Row Fertilizer Spreader.
 - 1—Royal Blue 2-Row Fertilizer Spreader.

- CHICKENS**
- 65—Hybrid Laying Pullets.
- SEED**
- 250-lbs. Recleaned Alfalfa Seed.
100-lbs. Sweet Clover.
30-Bushels of Lockect 140 Cottonseed, first year.
Some other seeds.

- MISCELLANEOUS**
- 1—New Mail Box.
 - 1—Lot of Junk Iron.
 - Hoes, Rakes, Cream Cans, etc.

- HOUSEHOLD FURNISHINGS**
- 1—Studio Couch.
 - 1—Rocker.
 - 1—Round Dining Table.
 - 2—Iron Bedsteads.
 - 2—Sets Springs.
 - 2—Dressers.
 - 4—Chairs.

- COWS**
- 1—Black White Faced coming 2-yr. old heifer.
 - 1—Black Cow, 7 yrs. old, fresh in spring.
 - 1—Brown Cow, 7 yrs. old, be fresh in about 2 months.
 - 1—Blue Cow, milking 3 gallons.

Announcing

The Purchase of the MALT SHOP by CECIL JOHNSON

We are happy to announce that we have purchased the MALT SHOP and are now operating same. We cordially invite everyone to drop by and see us.

We are going to serve the most delicious hamburgers you can get anywhere and we can assure you that the meat which we use in them will be pure meat and will be meat which we will eat ourselves.

We will have good chili, coney islands, the most appetizing home-made pies you can get anywhere and they will be made fresh every day. We will serve sandwiches and cold drinks of all kinds, and I haven't forgotten how to make those good thick malts, either.

We will have a full line of candies, cigars and cigarettes.

Drop by to see us often.

DEATH CLAIMS J. B. CLARK

Funeral services for J. B. Clark, beloved Shamrock attorney, were conducted from the First Methodist Church at Shamrock at 2 o'clock last Saturday afternoon. Judge Clark, former mayor of Shamrock and a key figure in civic and school development in Shamrock for 35 years as well as one of the leading advisors of all Wheeler County officials, passed away in St. Joseph's Hospital in Wellington late Wednesday afternoon, on his 61st birthday. Rev. S. M. Dunham, Methodist pastor, officiated at the last rites for the prominent county leader. The death of Judge Clark had been momentarily expected for several days. He had continued to grow weaker since three weeks ago when he underwent major surgery for the second time. Friends had been at his bedside around the clock for almost a month. The career of Judge Clark was tied up with community and public affairs possibly more than any other person in the county. He served as city attorney and Mayor of Shamrock when the country town decided to install modern water and sewer services, pave residential streets and to offer modern fire protection. It was the guiding hand of J. B. Clark that directed, often from behind the scenes, the multiplied civic improvements that have come during the past quarter of a century. It was the Shamrock Public School system that this busy man loved most. He was a member of the school board for many years and served as president of the board when many major improvements were inaugurated by the local board. He served without pay as legal advisor of the school boards through the years. He was instrumental in the construction of Clark Auditorium which was named in his honor. He was also active in the building of Denver Field, Shamrock football stadium. Judge Clark helped organized the Shamrock Boosters and served as its first president. He was a member of the Masonic Lodge, Scottish Rite, Khiva Shrine and the Shamrock Methodist Church. Surviving are the widow of Shamrock, a daughter, Mrs. Matthew J. Taylor, teacher in Shamrock High School, two sons, Bill of Shamrock and Bennett, who is a professor in the science department of the University of Houston. Also surviving are two grandchildren, Joe Matt and Karla Jan Taylor and one sister, Mrs. H. E. Hill, all of Shamrock.

MUSTANG BAND NEWS

See Sharp or Be Flat Mustang Band Council Billy Owen Vondell Hodges Janice Jacob Helen Johnson Student Director-Manager - John Dan Bowman Music Librarian - Martha Lou Reporter - LaJaune Mann

We are all very proud of Robert's new hat (what a color) and the man who waves the stick says it gives him a terrific headache, but, guess twill do til he gets the opportunity to get a louder one.

Another addition to the band is that Dennis now has a new bright and shiny Alto saxophone so we should be hearing from him more often.

Wonder what bubble gum has to do with Barbara's baritone horn?

It seems that Wanda Topper enjoys putting tacks in peoples chairs and more often the sax section to see if they can get the point. (Of course the director never sees these things, they think).

Last week the drummers kept gripping about standing up. (You know tis awful 5 hours a week in band) so now they have been relieved and do not have to put in the whole hour daily standing and beating themselves silly.

Has everyone noticed the new stands for the bells Janice has everything now except the pillow and cokes to go with the new set up, but she came right back with a new gripe and wanted to start playing popular sheet music in band.

Billie Owen has now been transferred to the Ebo alto Clarinet 1st chair in clarinet section and replaced in 1st section by Patricia Darnell, with her chair in 2nd section replaced by Sarah Jane Goad which is the last of the accordions to disappear from the band, you know at one time when we first started we had 8 accordions, now, NONE. But they helped when we needed the instrumentation in the beginning. So thanks to all of the accordion players.

Rogers Reports From Washington

Speaker Rayburn echoed the serious tone of the 82nd Congress as he called on all members to "do the things that make the international desperadoes and despots tear to get in our path." This session is deep in debate about taxes, finances and other urgent policies. But above all, it is concerned about armies for the United States and aid to the free non-Communist world. These are some of the searching problems confronting this session as it bends its energies to building up the nation's defense and protective strength for survival while this country stands in the gravest peril of its history.

Congressman Rogers says quite a few business men, both big and little, have expressed opinions to him about a Federal General Sales Tax. Many are in favor of it. He would like for folks in the district to write him their ideas about it. He feels that this is a matter of vital interest to all taxpayers and that they should not hesitate to express their views to their representatives and senators without delay.

The price-wage freeze is coming sooner than anticipated. Charles E. Wilson, as Director of Defense Mobilization, is in charge of the entire home-front defense program, and he is satisfied that piecemeal controls will not work. Congressmen have been bombarded with anxious inquiries and protests against drafting eighteen year-olds. Their mail reflects the serious thoughts of the people on this issue. Defense Secretary Marshall has presented an eighteen year-old draft bill to Congress with the promise that none of the youths would be sent to the combat areas before they are nineteen "except in dire emergency." The bill also disclosed for the first time that seventeen year-old registration is planned.

As things look at present Marshall assured no sending of eighteen year-olds to combat area, but opposed writing any flat prohibition of this as proposed by Chairman Lyndon Johnson, as it would cripple the service in meeting a sudden ruthless and violent attack by any possible enemy. Mr. Rogers said he doubted the authority of Congress to limit the services of eighteen year-olds once they are drafted. He feels that draftees, once under jurisdiction of the military, could be ordered any place the military wanted.

Even if an eighteen year-old draft bill should include a prohibition against active service, it is the opinion of Mr. Rogers that it will be only a short time before

Thomas, Glynda Beck and Virginia Willard. A's and B's--Jimmy Hooker, Garland Lancaster, Joe Rucker, Joyce Wheeler, Bobby Howard, George Patton and Gary Vernon.

Since funds have been appropriated for the Amarillo field, other cities in the district are busy getting former training fields reactivated. Congressman Rogers has been submitting briefs on behalf of these cities to authorities in Washington. He is expecting a visit from a Pampa delegation on behalf of the Pampa field. He has received excellent commitments of the good citizens of Childress offering their facilities and offering to cooperate fully with all

the military will be asking Congress to release that limitation on the basis that eighteen year-olds had been placed in units with older men and that to limit their services would cause a disruption of the units.

The Committee on Veterans Affairs, on which Congressman Rogers serves, unanimously reported favorably to the House the bill which provides \$10,000 free indemnity for those serving in the Armed Forces. The bill is retroactive to June 27, 1950. It provides insurance, without cost, in the amount of \$10,000 for each person in the Armed Services. It is in effect from the time of induction into active service until ninety days after leaving service. If a person is injured while in the service so that he becomes unemployable at normal rates, he may obtain a policy under the National Service Life Insurance Act. Indemnity is paid in monthly installments of \$92.90 over a ten-year period. Creditors can not attach it, and it is exempt from taxation. The Comptroller General stated that had this program been in effect during the period 1940-1949, the cost to the Government would have been \$587,000,000 less. Congressman Rogers, on a recent Mutual Newsreel Broadcast said "This legislation is a major step toward the needed economy in administrative costs, and the curtailing of bureaucracy."

There is much interest in the Panhandle as to how the district can help in the defense program. Mr. Rogers has been receiving many letters, telegrams and telephone calls from builders, jobbers and manufacturers in the district who are ready to participate in the construction of Amarillo Air Base and other proposed installations in the Panhandle. One of his first moves was to register a demand with the Army Corps of Engineers that contracts be let direct to builders on the ground, in all cases where possible, and that builders on the ground be given first opportunity to qualify for the major construction projects. In the meantime, those persons seeking construction contracts should contact the office of the Army Corps of Engineers, at 2600 Memorial Drive, Tulsa, Oklahoma, until otherwise advised.

Since funds have been appropriated for the Amarillo field, other cities in the district are busy getting former training fields reactivated. Congressman Rogers has been submitting briefs on behalf of these cities to authorities in Washington. He is expecting a visit from a Pampa delegation on behalf of the Pampa field. He has received excellent commitments of the good citizens of Childress offering their facilities and offering to cooperate fully with all

Government activities in re-activating the Childress field. Many of the other counties in the district have conveyed their expressed wishes to be of whatever service they can in the mobilization program. One of the former training sites, Dalhart, has already sent a committee to Washington in behalf of the re-opening of its air base. Mayor Schuhart, Floyd Richards and S. E. Brown, of Dalhart, were recent visitors here. They were given the assistance of Mr. Rogers' office and that of Senator Lyndon Johnson in making appointments with Air Force officials.

Mr. Rogers at long last found a house in this over-crowded city. Mrs. Rogers is at present in Pampa attending to unfinished business there before returning to Washington. They were the recipients of several nice courtesies during the opening week of this 82nd session. The office is now in full swing and the employees are working overtime to keep all matters current.
