Editorial

WE NEED LOYAL AMERICANS

It is a favorite pastime of most Americans
to discuss what the country needs. Just
now, however, in a period as critical as any
that the Republic has faced, we might point

out that the nation needs most the loyal support
of patriotic men and women and the
confidence of those who believe in the democratic
way of life.

There is no substitute for loyalty. Flag-
waving, public demonstrations and com-
munity-wide expressions of solidarity do not
replace the faithful individual, upon whom
successful government depends. As a citizen,
it is essential for you to make your contribu-
tion to the United States of America.

We do not know, and we would hesitate
to suggest, what any man, woman or child
do in the present emergency. We do not have
the intelligence to outline a program for all
to follow. We would modestly recommend,
however, that loyal Americans consider
their present condition and the plight of
their country and then make some positive
contribution to the common good.

Do not mislead yourself. You cannot
make a positive contribution to the cause of
civilization in the face of great danger with-
out some personal sacrifice. If you have any
plan in mind which enables you to escape
the pressure of world conditions, you can
put it aside because it will not work. You
cannot contribute at a profit.

CARE MAY PREVENT DROWNING

Vacation time is in full swing and,
judging from the experience of other years,
3,500 lives will be lost by accidental drown-
ing during these next few months. This re-
presents only about half of the total num-
ber of people drowned each year but they
are crowded into the three summer months.

The annual death toll in the United
States from drowning grows larger each
year. More than one-half of those dying in
this manner are young persons under twenty-
four years of age. The largest single age
group of persons drowned is the group of
youths between fifteen and nineteen years.

Every vacationist should be careful this
summer. A period of rest and relaxation from
work is fine and necessary, but carelessness
should not rob it of its pleasure. To venture
too far in the surf or to take chances in a
swift current means running the risk of
drowning. Swimmers should be extremely
careful.

HOUSE AND SENATE DIFFER

An interesting difference of opinion has
arisen between the House of Representatives
and the Senate in regard to legislation for
a public housing program.

The House of Representatives voted to
limit the program to 5,000 houses, but the
Senate favored the start of 50,000 low-rent,
public housing units in the next year. The
issue, in the words of Housing Administrator
Raymond M. Foley, is whether there
should be a "public housing program."

Some wives wake up the hus-
band when he talks in his sleep,
begruing him even those few
words.

Approximately 20 percent of the
turkeys marketed in Texas during
1950 were, after processing, grad-
ed B or lower. Bruises were the
number one cause for low quality.

Last year county agricultural
agents in Texas trained 4,200 4-H
boys in 127 counties in plant and
grass identification.

Everyone Welcome

Safe -
IT'S AN Electric
WATER HEATER!

When you have a child in the cuddly,
crawling stage, you have the perfect reason
for installing an automatic electric water
heater—the safest water heater made. Your
child can crawl right up to the water heater,
pull itself up by holding on to its spotlessly
clean sides, wrap its arms around the water
heater and be perfectly safe, thanks to the
complete insulation and no-flame features of
an electric water heater.

These same features make an electric
water heater equally safe for you, too. There's
no fear of gusty winds blowing out a flame—
there's no flame. There's no waste heat, either,
because only an electric water heater is com-
pletely insulated so that all the heat goes into
the job to be done.

Reddy Kilowatt's special water heating
rate makes electric water heating economical,
too. For plenty of hot water always, safely,
economically, see your electric appliance
dealer now.

HERE ARE 7 SAFETY RULES FOR SWIMMERS

"Swimming hole" provides welcome relief from the summer but if the rules of safety are ignored by the swimmer, results can be disastrous.

Number of swimming casualties says W. L. Ulich, extension agricultural engineer and director of the State Farm Safety Council of Texas, is directly in proportion to the care that is given to those who participate in water sports. He points out there are seven cardinal safety rules and offers them:

to those who will be visiting their favorite swimming pool, lake, river or beach this summer.

Never swim alone or in unfamiliar water and don't try to swim long distances, especially in cold water, unless followed by at least two people in a boat. Ulich says never dive into water until you are sure that no under-water obstructions are present. Don't go into the water for at least one hour after eating and don't stay in the water after you become tired or cold.

He says the careful water sportsman will never take a chance with a small boat in rough water. And last but not least in importance, he adds, don't move around or "cut-up" when out in a small boat. Entire groups have drowned as a result of a careless act on the part of just one member of a boating party.

Practice safety whenever you are in or around water. Don't ruin your picnic, summer camp, or vacation, warns Ulich, by forgetting even for a moment that water sports can be dangerous.

THE TEACHER

"Now, if there's anything you want," said the landlady, "just let me know, and I'll show you how to do without it."

NATIONAL FARM SAFETY WEEK, 1951

By the President of the United States of America

A Proclamation

WHEREAS preventable accidents continue to kill thousands and injure hundreds of thousands of farm residents each year; and

WHEREAS such accidents deprive the Nation of needed manpower and destroy property vital to our defense; and

WHEREAS a careless or imprudent act is a factor in almost every accident on the farm; and

WHEREAS experience has established the fact that observance of safe practices in working and living can greatly reduce these losses:

NOW, THEREFORE, I, HARRY S. TRUMAN, President of the United States of America, do hereby call upon the Nation to observe the week commencing July 22, 1951, as National Farm Safety Week, and I urgently request each member of every farm family to adopt safe practices in every activity; to drive safely, work safely, and live safely. I also request all organizations and persons interested in farm life to join in a continuing program to encourage the idea that farming the safe way is farming the right way.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

DONE at the City of Washington this second day of May in the year of our Lord nineteen hundred and fifty-one, and of the Independence of the United States of America the one hundred and seventy-fifth.

By the President:

Dean Rusk
Secretary of State

MISSED THE MENU

A missionary, captured by cannibals, was just going to be put into the cooking-pot when he was offered one last chance by the chief of the tribe.

"If you can show me something I've never seen before, I'll set you free."

The missionary took from his pocket a cigarette-lighter and flicked the wheel. A flame instantly appeared from the wick. The chief was astounded and exclaimed: "You can go free. That's the first one of those things I've ever seen that lights the first time."

OLD DRAFT LAW EXTENDED TO '55

The draft law, scheduled for expiration July 9, has been extended in amended form to July 1, 1955. Brigadier General Paul L. Wakefield, state draft director, reminded Texas people today.

General Wakefield noted the following important changes in the Selective Service act:

1. Men inducted will serve for 24 months as compared to 21 under the old law. Males must

register at the age of 18, as formerly.

2. Men are liable for induction at age 18½ instead of 19. No man below 19 can be inducted so long as a board has eligible older men.

3. Physical and mental standards for service have been lowered, with the result that some men now classified IV-F will be found suitable for I-A.

4. The present strength of the armed forces, approximately 3½ million, can be raised to 5 million men.

5. Except for cases of extreme hardship, a man may not be deferred for dependency on the basis of a wife alone.

6. Men now or hereafter deferred on educational, occupational, farming, or dependency grounds will remain liable for service until age 35. Men not deferred are liable only to 26th birthday.

7. Conscientious objectors to military service shall be ordered by local boards, subject to regulations prescribed by the President, to perform civilian work in the national interest for 24 months.

8. Men entering the service by way of a draft board are obligated to serve six years in the reserves after discharge.

9. High school students will be deferred until graduated, until they attain age 20, or until they fall school work.

10. Some college students may be deferred on the basis of class standing during last completed school year, or on the basis of a government-sponsored test. The local board is not bound to defer on the basis of this information, but can defer on consideration of it. Some other college students may be deferred on a less competitive basis.

11. No inducted man may be assigned overseas until he has had four months training.

12. All enlistments in the armed forces, reserve and regular, which expire after July 9, may be extended by the President for one year. No person shall have his enlistment extended a second time.

Pop commands a good salary, and Mom commanders it!

LIGHTER TASK

When a Scottish barber was engaging a new assistant he pointed out:

"I pay lower wages in the summer because the work's lighter." "But surely people get their hair cut quite as often, if not oftener in the summer than in the winter?" protested the applicant for the job.

"Ay," agreed the barber, "but you dinna' ha'e help them on w'i their overcoat."

EVERY WEDNESDAY IS DOUBLE STAMP DAY

SOCIETY

Dr. Davis Vows Engaged Here Sun.

Wedding vows were solemnized this morning, July 15, at 9:00 o'clock, at the home of Mrs. Ollie V. Hubbard, of Mrs. Ollie V. Hubbard, Wheeler, and John Bernice Berger, son of Mr. and Mrs. Davis of Briscoe, in the Methodist Church of Wheeler. The double ring ceremony was held in the presence of close relatives of the bride and groom. The bride was attended in a white dress with navy eyelet trim, accessories of navy and white. She also wore a strand of pearls which were a gift from her mother. The groom was dressed in a suit and tie. The ceremony was performed by the pastor, L. D. Simms.

Meek-Eiland Vows Are Exchanged At Clovis

Miss Patsy Meek, daughter of Mr. and Mrs. Carnes Meek of Gegeby, was united in marriage July 5 to Tommy Eiland, son of Mr. and Mrs. M. B. Eiland of Briscoe. The double ring ceremony was performed at Clovis, N. M., in the Church of Christ parsonage by the pastor, L. D. Simms.

DR. RANGE HAS BEGUN PRACTICE IN WHEELER CO.

Dr. E. Byron Range, Jr., a state and federal accredited and licensed veterinarian, has arrived in Wheeler County and will soon open the Shamrock Veterinary Clinic on Highway 83, about 1 1/2 miles north of Shamrock. Dr. Range, who was reared on a farm near Mesquite, is a graduate in Animal Husbandry from Texas Tech, Lubbock, and of the Texas A. & M. Veterinary School, College Station. He was listed in "Who's Who in American Universities and Colleges" in 1942. The young veterinarian served 4 1/2 years during World War II in industrial procurement, contracting, property accounting and re-conversion. He held the rank of Captain. Following the end of the war, he served as Agricultural Officer with the Veterans Administration during the establishment

NATIONAL FARM SAFETY WEEK JULY 22-28, 1951

FARM SAFETY WEEK TO BE JULY 22 TO 28

The week of July 22 through 28 has been proclaimed as "Farm Safety Week" by President Harry S. Truman. The week is to be observed nationally, but it has been suggested that the people of this vicinity consider it the same as a local project and really work at trying to make their homes and farms safe.

Accident's are one's mistake. We do not know when we will have one. To keep from having lost time from our work we need to be on our toes at all times. It is suggested that we start today on a program of safety, not for just a week but for a year or longer.

Listed below is a minimum daily program of safety for the week which has been designated as "National Safety Week", July 22-28:

Sunday—Safety is humanitarian: Banish fatigue and tension of routine living. Plan to avoid an overcrowded schedule.

Monday—Home safety: Make stairs and steps safe. Avoid slippery floors and insecure rugs. Keep matches out of children's reach.

Tuesday—Livestock: Keep small children away from animals. Check and repair livestock equipment. Avoid handling the bull—use a safe bull pen.

Wednesday—Falls: Repair or discard broken, unsafe ladders. Place guards at hazardous places.

Thursday—Highway traffic: Remove trees and shrubs from farm driveway entrance. Learn and obey proper signals and signs on the highway. Provide lights on all equipment to be moved after dark.

Friday—Machinery: Keep children away from machinery. Do not oil or adjust machines in motion.

Saturday—Review day: Check up on farm and farm-home hazards that might have been overlooked. Find and eliminate at least two additional unsafe practices.

WOULD BE FINE

Prison Warden (addressing convicts): "I've let you have radios, given you concerts, let you play football and smoke, and still you gamble. What is it you want?" Old Con: "How about a cross-country run?"

Buying insurance should be approached as a family affair and the protection sought should include a study of all types of insurance.

Public Urged To Insist On Proper Sanitation In All Eating Places

The Texas State Department of Health cannot maintain daily inspection of all eating places and the public is urged by Dr. Geo. W. Cox, State Health Officer to insist on the proper sanitation of the establishment where they eat. If the public is careless in this respect the incentive to maintain clean food service will be lessened and operators will be lessened the level the public is willing to accept. He urged that the public patronize "eating establishments which measure up to a high standard of cleanliness."

The State Health Department is making every effort to improve sanitation of eating places. Dr. Cox said, and there is "no excuse for cafe owners not taking advantage of the food handlers schools which are being offered all over the state." He added that there are laws, rules and regulations which require the use of approved equipment and methods in such establishments.

"The public should be aware of these sanitary rules and regulations and insist that restaurants observe them. Patrons should realize that tables and counters will be many times cleaner than the kitchen and other places out of sight," he warned.

He urged milk appraisal by the patrons also. Texas law requires that a milk bottle cap state the grade of milk, and whether it is raw or pasteurized. "Insist on having the milk served in its original container, with a covered cap and a legal label," Dr. Cox advised.

"Obviously," he said, "the best in sanitation can be had only by close co-operation between the public and the investigators of the State Health Department."

of Veterans Vocational Agricultural Schools in North Texas. For two years he served as instructor in vocational agriculture at North Texas State Teachers College, Denton, and Brazos County Vocational School, Bryan.

Dr. Range did his non-graduate internship under Dr. Raymond Hander, D.V.M., Childress, president of the Texas State Board of Veterinary Medical Examiners.

Dr. Range is a member of the American Veterinary Medical Association and the Texas Veterinary Medical Association. He is also a member of the American Legion.

The veterinarian is married to the former Miss Jean Taylor, whose parents are long-time residents of Clarendon. They have two children, Paul, 3, and Diane, 1.

The family resides at 500 South Wall Street in Shamrock.

OPS To Begin

(Continued from Page 1)

practicable. Community pricing is a system familiar in World War II under which the country is divided into relatively small market areas and grocery price ceilings set for each area on the basis of local transportation and other costs. These ceilings would be the same for all stores of each size class and would be printed on charts for posting in retail stores where all customers can see them, the District Director said.

"OPS is fully aware of the important part that a community pricing program can play in the Stabilization program, of the necessity of having published ceilings for consumers, and of the great help such a program can be to individual grocers in simplifying their pricing problems," he said.

He explained that the community pricing program during the last war had a lot to do with holding the line on wholesale and retail food prices from the time it was started in May 1943 to the end of that control program.

"Up to now," Gholson pointed out, "OPS is prohibited by law from controlling below-parity farm prices and has not had sufficient assurance that prices have been stable enough to make the printing and posting of ceiling charts practicable."

STILL PROMINENT

"Your public must not be permitted to forget you."

"I am attending to that matter," answered Senator Sorghum. "I have arranged to be photographed with a testimonial for cigarettes I never smoke and my wife is sponsoring a beauty preparation for which, in my admiring opinion, she has not the slightest use."

A BARGAIN

The decrepit old car rattled and chugged to the toll gate and came to a stop with a mechanical gasp.

The attendant, after counting the passengers, requested the appropriate fee—"two dollars for the car?"

"Sold!" cried the happy driver.

Some people get to the point too soon and therefore never learn anything.

PUCKETT'S

RECIPE OF THE WEEK

By Mary Lee Taylor

Molasses Chips

1 1/2 cups sifted all-purpose flour
1/2 cup soft shortening
1/2 cup sugar
1/2 cup molasses
1/2 cup Pet Milk
1/2 teaspoon salt

Sift together flour, baking soda and salt. Put shortening into bowl. Slowly mix in sugar. Stir in molasses. Stir in about 1/2 of flour mixture. Then stir in 1/2 of milk. Stir in rest of flour. Then stir in rest of milk. Add rest of flour and mix well. Drop by heaping teaspoons 2 inches apart on greased baking sheet. Bake in moderately slow oven (350) 12 min., or until brown. Remove from pan at once. Makes 3 dozen.

You Will Need:
Pet Milk, Flour, Shortening, Molasses.

Model B-8 BOSTITCH

The Stapler with A HUNDRED USES

- A DESK FASTENER
- A HAND STAPLER
- A TACKER

Built by Bostitch for years of use. Handy, rugged, compact.

PRICED AT ONLY \$2.20

IN THE OFFICE: Dependable performance at low cost makes it economical for every desk, to stop office borrowing and waste of time.

IN THE HOME: You'll find it one of the handiest things around the house—for sealing lunch bags, tacking decorations, etc.; basting garments; fastening grocery slips, letters, checks; sealing garbage wrappers; dozens of other every-day uses.

AT SCHOOL: What every student needs, young and old. Handy to carry in pocket, brief case, or bag.

An ideal gift... for anyone even yourself

Apricot Coconut Cake

A delightful cake for informal entertaining.

Informal entertaining, whether it be in your own home or at a church or club gathering, calls for recipes which will serve many guests. Apricot Coconut Cake is designed for such eating occasions. This rich, moist, fruity cake topped with fluffy French icing will serve twelve to sixteen people.

Apricot Coconut Cake is an economy special for thrifty, fortified margarine is used in both the cake and the frosting. The homemaker will be delighted with the speed and ease with which margarine creams and combines with other ingredients. She will be more than pleased with the velvety texture of her margarine cake and the smoothness of its icing.

APRICOT COCONUT CAKE

- 1/4 cup fortified margarine
- 1/4 cup brown sugar
- 3 eggs, well beaten
- 2 teaspoons grated orange rind
- 1/2 cup chopped cooked apricots
- 1/4 cup coconut, moist shredded
- 1 teaspoon vanilla
- 2 1/2 cups cake flour
- 1 1/2 teaspoons baking powder
- 1/4 teaspoon baking soda
- 1/2 teaspoon salt
- 1/2 cup sweetened apricot juice

Cream margarine and sugar together until light and fluffy. Add eggs, orange rind, apricots, coconut and vanilla. Blend well. Sift together flour, baking powder, baking soda and salt three times. Add flour mixture and apricot juice alternately to the creamed mixture. Pour batter into a margined 12"x9"x2" pan. Bake in a 350 degree oven for 35 to 40 minutes. Let stand in pan for about 5 minutes. Remove and place on cake rack to cool. When cool, frost with French icing and cut into squares. Yield: 12 to 16 squares.

FRENCH ICING

- 2 cups sifted confectioners' sugar
- 1 egg
- 1 teaspoon vanilla

Cream margarine until soft. Add sugar gradually and continue creaming until mixture is light and fluffy. Beat in the egg and vanilla.

Pampa To Hold Seventh Annual Rodeo Aug. 7 & 8

The 7th Annual Top o' Texas Rodeo, held each year at Pampa, Texas, will open this year as in the past, with the Kid Pony Show, on Tuesday, August 7th. Regular Rodeo performances will begin on Wednesday, August 8th, with night performances only, 8:00 p.m. is the starting time for all shows. Cowboys and cowgirls from the entire Southwest will participate in this show, which is one of the world's largest amateur Rodeos.

Stock for the show will be furnished by Goat Mayo, of Petrolia, Texas, and will be of the same high quality as in the past. Mayo will also be Arena Director.

There will be no Quarter Horse Show this year. The Tuesday night show will be a special attraction for the junior cowboy and cowgirl. Plans for the Kid Pony Show include a colorful opening downtown street parade complete with band; and a full schedule of events that will allow every boy and girl from 5 to 16 to display their ability as riders and their pony's training. Events listed for this show include the Barrel Race, Bull Fight, Bull

Riding, Flag Race, Doughnut Race, Cutting Horse Contest, Calf Roping, and Girl's Clover Leaf Reining Contest.

On Wednesday, August 8th there will be a big downtown street parade, which will officially open the Rodeo. Paul Crouch, president of the Top o' Texas Rodeo Association, will be Parade Marshal. Prizes will be given for the Most Typical Ranch Entry, Best Civic Club Entry, Most Typical Cowboy over 16, Most Typical Cowgirl over 16, Most Typical Cowboy under 16, Most Typical Cowgirl under 16, Best Decorated Bicycle, Oldest Cowboy or Cowgirl, Youngest Cowboy or Cowgirl, Most Comical Entry and the Most Attractive Commercial Entry. The Parade will form at Foster and Hobart Streets, and will begin moving at 4:00 p.m.

The Cutting Horse Contest this year will be one of the high points of the Rodeo, with a purse of \$250.00 plus all entry fees added back.

A total of approximately \$5,000 will be at stake when cowboys and cowgirls from Texas, New Mexico, Oklahoma, and other southwestern states, vie for high honors.

Tex Goudly and 'Texo Hired Hands' of Fort Worth, Texas, will furnish music for all performances, will be featured in the Parade, and will play for the dances, which will be held each night after the Rodeo.

Louis Blair of Dundee, Texas, will clown the Show, and is expected to add the usual spark to each performance. In addition to clowning this year, the Bud Lucas Troup of Wichita Falls, has been secured as a special attraction. This Troup is highly rated for its unusual comedy acts.

According to advance reservations, this year's Show is expected to be the biggest yet held by the Top o' Texas Rodeo Association. For information on the Rodeo or Reserved Seats contact the Pampa Chamber of Commerce, Box 1942, or Telephone 383.

W. H. (BILL) WALKER

W. 2nd. Street Shamrock, Texas

TIDELANDS: The Honorable Ed Gossett, of the Wichita Falls District, appeared before the Rules Committee this morning to obtain a rule bringing to the House Floor the Tidelands Bill. As I told you in previous letters, this bill has been progressing step by step and should be on the House Floor for a vote within the next three weeks. The chances for passage are excellent. The entire Texas Delegation has worked continuously on this bill and we look forward to success. Mr. Gossett is resigning from Congress effective July 31st and the passage of this bill will certainly be an outstanding final act to close his distinguished and brilliant career as a congressman.

DEFENSE PRODUCTION ACT: The Congress has been working on the Defense Production Act for the past week and final action on the bill is not yet in sight. Perhaps it will be finished before this letter reaches many of you. Many amendments are being adopted to

"SMALL BUSINESS"
By G. WILSON HARDER

Charles Sawyer, Commerce Secretary, talking too frequently, and in circles, embarrasses his colleagues on the Mall.

They say, referring to his carnival park, "The Cincinnati Coney Island Kid can't tell the difference between giving the people a fast whirl for a dime on a Gayway Concession, and giving the people a fast whirl for billions."

There is a C. W. Harder fervent wish that he would quit his pre-occupation with the monopoly sidshow.

Opposition party attacks on a cabinet officer are common. But Sawyer is being repudiated most energetically by his own party.

His latest idea. Newspapers, he tells Ohio newspapermen, should refrain from printing some news for "national security". As he has nothing to do with military strategy, attending newsmen quickly dubbed it a plea for "Sawyer security". He said, "It (censorship) would I am sure, make the task of the public official much easier."

But Atty. Gen. J. Howard McGrath, who operates out in the open told newsmen there are no plans for an implied, disguised, direct or indirect censorship.

Undoubtedly, censorship would suit Sawyer. Just recently this column reported how a House Judiciary Committee, headed by N. Y. Democrat Rep. E. Celler, condemned a Sawyer plan to use a half billion American dollars to finance a new aluminum plant for Alcoa's Canadian affiliate.

Called to testify Sawyer "double-talked" through a half hour. One observer said, "He squirmed and ducked so much there kept running through my mind the popular melody, 'Cincinnati Dancing Pig'."

Senate Small Business Committee has opened public hearings to investigate the strange ousting of Earl Glenn, a Commerce Dept. career man, as head of rubber allocation. He was replaced by Leland Spencer, vice president of a subsidiary of the rubber monopoly.

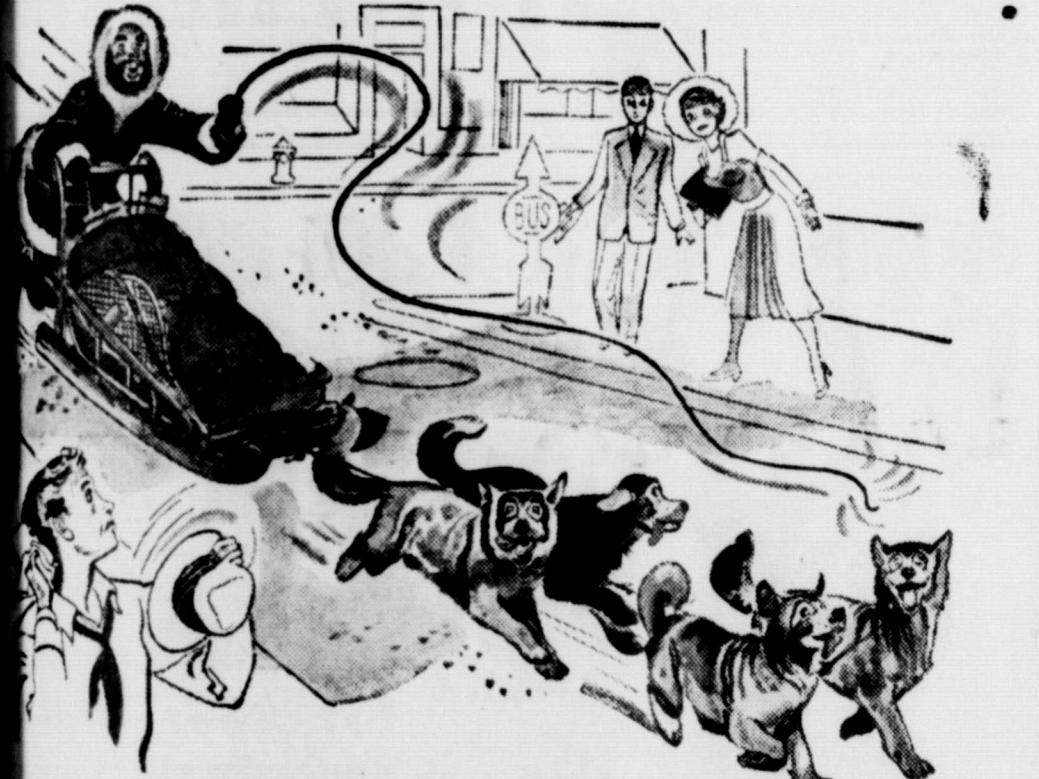

There was an attempt to have the hearings in secret. Before that, Sawyer contacted Sen. John Sparkman, head of the committee, attempted to forestall the hearing, terming the Glenn ouster a matter of administration not policy. But Sen. Sparkman, hailing from Alabama believes in bringing out truth in the open.

Many bureaucrats now desire to keep non-concentrated information from the public. ECA quits announcing who sells the billions of merchandise the Marshall Plan is giving away.

Big Business, getting the lion's share of the business, objected. Besides, Marshall Plan officials are being embarrassed by publication of their actions.

An example. Sometime ago this column reported government is buying French industrial alcohol at 41¢ per gallon for defense needs. The big U. S. distillers refused to sell except at a price range of from 90¢ to \$1.25 per gallon.

But ECA Bulletin No. 2059 reports Marshall Plan has bought \$123,000 of alcohol from American distillers and given it to France. Next week other reasons for the bureaucrat's desire for an Iron Curtain along the Potomac will be reported.

the bill. Most of these are aimed at a curtailment of bureaucratic control and are for the purpose of keeping the entire control program under the command of Congress, where it belongs. This congress is consistently refusing to delegate its powers to bureaus and boards staffed by appointed individuals. There are very few members of Congress who are opposed to fair, honest and equitable controls in an emergency, but most of them feel that if controls are necessary, there should be no favoritism. It is not the controls for emergency needs that the members fear, but it is the administration of those controls. Based upon past experiences, this congress feels that the administration of controls should not be turned over to bureaus and boards with no strings attached. There is not a member of Congress who is not vitally interested in stopping inflationary trends, but most of us do not want to deliver the control of this government into the hands of a few appointed individuals with the powers to regiment the people of this country by dictatorial orders. Such a procedure could increase the danger of inflation rather than decrease it. It must be remembered that the creation of more boards and bureaus with regulatory powers requires the employment of many, many people to enforce those powers. Our purpose has been to reduce the number of federal employees. It is only by this method that we can reduce domestic expenditures substantially. Domestic expenditures must be reduced without higher taxes and hope to have some reduction in taxes. The House yesterday refused to accept a conference report on an appropriations bill because it did not contain an amendment that would prohibit the filling of over 25 percent of the vacancies occurring in the departments during the next fiscal year. We sent the bill back to the Committee with

instructions that this amendment reducing federal employees be attached to the bill.

FEDERAL SALES TAX: Proponents of a federal sales tax are now presenting testimony to a Senate finance committee in an effort to get this congress to pass a federal sales tax. One organization, the Committee for Economic Development, represented by J. Cameron Thomson, Minneapolis banker, urged a five percent retail sales tax on all items not now taxed by federal tax. Food and housing would be exempt. Mr. Thomson suggested that no increase be made in corporation taxes. He said individual income taxes should be hiked by about 800 million dollars more than the \$2,850,000,000 proposed in the House-passed \$7,200,000,000 tax-raising bill, and said that he wanted the impact of that move shifted to the lower income groups. A retail sales tax of 5 percent as urged by Mr. Thomson would certainly put the impact on the smaller income groups. Such a tax would amount to a great deal more than the 12½% increase in the individual income taxes for defense purposes. The 12½% increase in the House tax bill is 12½% of the individual income tax itself and not 12½% of an individual's entire income. The 12½% increase that was voted amounts to less on the individual than the original plan to increase the income tax by three percentage points; that is, 12½% of your income tax is less than 3 percent of your income. By the same reasoning, if you are required to pay 5% retail sales tax on everything you buy, it would amount to an approximate increase in your taxes of 3 percent of your income tax rather than 12½%. I have asked

for suggestions about a federal sales tax in previous letters and I would like to hear from you folks as to how you feel about a federal sales tax. I don't want a federal sales tax passed as an additional tax. If the people feel that the federal sales tax would be a more equitable tax and a more fair distribution of the tax burden, I would like to know it. In any event I don't want to see a federal sales tax passed unless it is a substitute for the income tax or more other tax. We are paying more taxes now than we should, and they need to be reduced at the earliest possible moment, which will be when our defense requirements are met.

DISPERSAL OF GOVERNMENT PLANTS: Congressmen Albert Rains of Alabama and Brooks Hays of Arkansas offered an amendment to the Defense Production Act which would require that any government plants erected in the future or any plants erected through government loans hereafter be dispersed over the country and not concentrated in such places as New England and the Middle West where much of our industry is vulnerable to enemy attack. It was amusing to note that a coalition of extreme right-wing Republicans and left-wing Democrats and Republicans developed to defeat this amendment. The amendment's strongest supporters were the Jeffersonian Democrats from the Atlantic Ocean across the Southern States and through Texas. It looks like the folks in the New England and Middle Western states are afraid industry might find out what a great country we have and how well they can do in our section. We are continuing the work to bring industry to the South and Southwest and will finally be successful.

CLEAN PEOPLE

Mistress: "You place a finger bowl at each corner of the table, Mary, I suppose they used finger bowls at your last place?"
Mary: "Oh, no, mum! They always washed before they came to the table."

The man who is always growling must lead a log's life.

Back in 1880 it was considered an insult to receive a typed letter. The recipient's attitude was "I can read ritin!"

Opening To Be Announced

Mobeetie Meditations

(Continued from Page One)
The WSCS of the Methodist Church met Wednesday in the church. Mrs. Woodford Williams, president, called the meeting to order. The devotion was given by Mrs. A. D. Moore. Mrs. La Vern Scribner and Mrs. O. G. Beck presented parts on the program.

Hayward Romines was honored last Sunday night with an ice cream party given by his parents, Mr. and Mrs. J. H. Romines. There were about 50 young folk present.

The G. A.'s and Y. W. A.'s of the Baptist Church held their meetings last week. The study was on "Missions" with Madge Patterson, Maurea Godwin, Edith St. John and Katie Roby presenting parts. Mrs. E. E. Johnston served refreshments to the group during the social hour.

Rev. and Mrs. A. D. Moore spent Tuesday in Clarendon attending a meeting of the preachers of the Clarendon District in regards to a visitation evangelism campaign which starts this fall in the Methodist Church.

Folks of the Mobeetie community were sorry to learn of the severe injury of Lonnie Ray Smith, son of Mr. and Mrs. L. D. Smith of Olton, formerly of Mobeetie. Lonnie Ray was injured in a car accident and is in the Plainview Hospital. The latest word received is that he is doing as well as could be expected.

Mr. and Mrs. R. L. Galmor had as their guests over the weekend Mrs. Arvil Johnson and children of Cheyenne, Okla. Sunday visitors were Mr. and Mrs. Hubert Johnson and family of Pampa and Mr. and Mrs. Grady Bailey of Miami.

Mr. and Mrs. K. S. Corse and Mr. and Mrs. Wallace Corse and Lee took Doug to Amarillo Wednesday morning to catch the plane back to camp.

We are glad to see Mrs. Sallie Neece able to drive her car and be around town again. Mrs. Neece was in the Wheeler Hospital quite some time recently with a severe hip injury. The old saying, "You can't keep a good man down", certainly applies to her case—just use a different gender. Her sister, Mrs. May Boyles of Chilli-cothe has been spending some time with her.

Mrs. La Vern Scribner has just returned from visiting her sister, Mrs. M. C. Pigg of Wellington. Mrs. Pigg has been quite ill.

Frank Coker, A. V. Coker and J. H. Scribner returned Saturday night from a business trip to Spurgis, N. Dakota.

Mr. and Mrs. Leslie Waters and

boys of Happy were visitors in Mobeetie Saturday.

Mr. and Mrs. Woodford Williams has as their guests Sunday, Mr. and Mrs. Kenneth Walker of Borger, Mr. and Mrs. Marion J. Williams and daughter of Pampa and Ernest Roberts.

Mr. and Mrs. Everett Enlow, who are employed by the Santa Fe Railroad, moved out when the train left Monday. We certainly did wish the Enlows could have been stationed here permanently. Mr. Enlow was supervising the painting of the Santa Fe buildings in Mobeetie.

Sunday visitors in the C. E. Roper home were Mr. and Mrs. Lafoy Vise and girls, Mr. and Mrs. Jack Meek and family of Briscoe, Mr. and Mrs. Earley Willard, and Mr. and Mrs. Grady Vise of Wheeler.

Mr. and Mrs. Henry Johnston, Mrs. Jap Johnston, Mrs. Ted Mason and Mrs. Pearl Bailey attended the funeral of Mrs. Georgie Shaw in Pampa.

Mrs. Maggie Thompson has been enjoying having her grandsons, Garren and Joe Thompson of Amarillo, with her for some time.

Mr. and Mrs. Aubrey Ruff has as their guests this week Mr. and Mrs. J. O. Jackson of Santiago, Calif.

Arthur Seitz took Hayward Romines to Amarillo Tuesday on his way back to camp at Charleston, N. C. after enjoying a furlough with his folks here.

"Grandma" Myers has been enjoying a few days in Borger with her son and family, Mr. and Mrs. Len Myers.

Mrs. Fannie Bartram spent some time last week with her daughter and family, Mr. and Mrs. Arthur Webb of Canadian.

Little Miss Erla Jean Wallace of Amarillo is enjoying a week's stay with her grandparents, Mr. and Mrs. C. E. Roper.

Cpl. James Hogan, Cpl. Johnnie Thaxton from Camp Carson, Colorado were weekend guests in the C. W. Hogan home.

Mrs. J. H. Taylor made a business trip to Dallas last week.

Mr. and Mrs. J. B. Holloman of Taylor are spending two weeks in the C. E. Roper home and helping care for Mrs. Holloman's mother, Mrs. J. H. Vise, who has been seriously ill.

Mr. and Mrs. Jack Miller and grandson Bruce Carmichael, were weekend guests in the Olaf Rankin home at Friona.

Mr. and Mrs. R. J. Tyson had

as their guests over the weekend Mr. and Mrs. W. T. Johnson and family of Bell, Calif. and Miss Nannette Tyson of Dallas. The Johnsons plan to spend a week here visiting with other relatives and friends.

Guests in the Tom Hathaway home Sunday were Mr. and Mrs. Cleo Ruff and children of Pampa and Mr. and Mrs. Britt Lawrence and family of McLean.

Mr. and Mrs. John Hayhurst of Amherst came Sunday to spend some time with her mother, Mrs. J. H. Vise, in the C. E. Roper home.

Mrs. Myrtle Cowan and family had as their guests last week Mr. and Mrs. M. A. Cunningham of Arbin, Calif.

Guests in the John Dunn home last weekend were Mr. and Mrs. Don Crawford and daughters, Mr. and Mrs. Martin Mayfield all of Hutchinson, Kansas, and Don Heiberg of Huntington Park, Calif.

Mrs. Phil Corcoran has returned from Longview where she attended the funeral of her brother, Morris Graham.

Mrs. C. C. Baker and daughter, Charleta, of Pampa have been spending some time with her parents, Mr. and Mrs. M. R. Ayers.

Mr. and Mrs. Albert Scribner of Holly, Colo. came last weekend to take the children, Bill and Mary Ellen home. They had been on an extended visit with their grandmother, Mrs. La Vern Scribner.

Mr. and Mrs. Robert Evans spent the weekend with Mrs. Evans parents, Mr. and Mrs. Phil Corcoran. Together the families made a business trip to Pampa Saturday and visited also with Mr. and Mrs. Raymond Cox, another daughter of Mr. and Mrs. Corcoran.

Mrs. Ralph Martin and boys of Levelland visited over the weekend with her parents, Mr. and Mrs. E. E. Johnston.

safety rules for those who will be visiting their favorite swimming pool, lake, river or beach this

MOVIE NEWCOMER

A Hollywood newcomer who can hold her own with the best of the movie beauties is lovely Barbara Knudsen. Universal-International starlet. For relaxing, the blonde starlet dons her favorite leisure-time outfit: a light cotton T-shirt and dark tailored cotton shorts.

summer.

Never swim alone or in unfamiliar water and don't try to swim long distances, especially in cold water, unless followed by at least two people in a boat. Never dive into water until you are sure that no under-water obstructions are present. Don't go into water for at least one hour after eating and don't stay in the water after you become tired or cold.

Practice safety whenever you are in or around water. Don't ruin your picnic, summer camp, or vacation, by forgetting even for a moment that water sports can be dangerous.

Mr. and Mrs. C. Bryan Witt of Amarillo were guests in the home of Mr. and Mrs. R. H. Forrester the later part of last week.

Wheeler Whisperings

(Continued from Page 1)
welding at this time to welding some poles together for use in lighting the softball diamond which we have been raising Cain about for the past several weeks and we understand that Bill Owen and Sheriff Bus Dorman have gone to Amarillo today (Thursday) to pick up the light fixtures which are to be used in this project.

At the present we have \$453.40 pledged on this project and it will take at least \$200.00 to \$250.00 more to do the job up right even with a great deal of labor being donated; so, please, some of you who haven't told us how much you would give yet let us know so the money will be available when it is needed.

We hear that Mr. and Mrs. Nig Clark and Mr. and Mrs. Cliff Sivage have a new granddaughter. The little lady is the daughter of Mr. and Mrs. Vernon Sivage of Hayes, S. D. Nig says he is going to take his FIRST vacation within a few days and go up and see the little lady.

LOCAL NEWS ITEMS

Mr. and Mrs. Harold Nash and children, Garth and Marilyn, returned home Saturday night from a vacation trip to Colorado.

Mrs. Paul Green and daughter, Paula, Mrs. Shelby Pettit and Mrs. H. O. Lane and daughters of Jowett have been visiting in Dallas this week.

Miss Francis Porter attended a reunion of her college sorority at the Baker Hotel in Dallas this past weekend.
