WHERE DO WE GO FROM KOREA?

The failure of the conference at Kaesong to produce an armistice agreement and the complications which have developed in connection with this effort to end the fighting in that area moves some Americans to wonder what will be the outcome of the warfare in Korea.

If the Communists finally agree to the terms of an armistice and, subsequently, agree upon conditions that make further fighting unnecessary, it will not mean the withdrawal of all United Nations forces. Obviously, a Communist agreement is worth little or nothing. Prompt withdrawal of United Nations strength would invite the North Koreans or the Chinese Communists to renew their aggression. Consequently, even if the armistice succeeds, the end of our military involvement in the area is not in sight.

Let us look at the other side of the picture. Suppose the conference completely breaks down and no agreement is reached. What then? The United Nations will face a decision as to its future policy in Korea. The necessity for this decision could be eliminated by renewal of offensive action by the Communists. If this occurs, our policy will

naturally be to withstand the attack and, at the right time, take the offensive against Communist forces in Korea.

If the Communists, after refusing to reach any agreement, sit on their arms, the United Nations will have to determine what should be done. We could likewise sit on our arms without doing more than maintaining sufficient strength to contain the Communist armies. On the other hand, we could undertake an offensive, designed to drive the Communist military forces out of North Korea. We could also, if we deem it wise, take offensive action designed to broaden the struggle into an all-out fight with the Communists in Asia.

We doubt the advantage of any offensive action by our forces, with the deliberate intent of enlarging the scale of the war. This does not mean, however, that, if necessary to meet Communist military offensives, we should not use our forces to their best advantage in the Korean struggle. If the bombing of Manchurian bases is deemed advisable by our military commanders, for the maintenance and improvement of our military position in Korea, then it should be undertaken, regardless of the possibility that such action might enlarge the conflict.

In the overall world picture, however, we should not lose sight of the prime factor in international affairs. This involves Western Europe where industrial and potential resources exist, which, if acquired by Communist Russia, would tip the scales against the United States in a tremendous war. The struggle between Communism and the free peoples of the world would not be decided in Asia, but, eventually, it will be decided in Europe. Consequently, it is not advisable for us to become too deeply involved in an Asiatic struggle until, and unless, we have sufficient armed power to take care of the strategic battlefield in Europe.

A limited war in Asia can hardly be avoided if the Communists want to continue the fighting. This is hardly likely, in our opinion, unless the Russians are now ready to take the risk of another great war. If Russia is not prepared to take this gamble, it would be foolish for the Communists to continue the war in Korea, because it is becoming a training ground for the fighting forces of the free world, means that our army, air force and naval forces are securing valuable battle experiences in Korea. The longer the minor war continues, the greater the number of experienced fighters we will have for the major conflict.

The reader should not lose sight of the primary facts in connection with the Korean venture. The fighting was precipitated when the North Koreans attempted, against the decisions of the United Nations to invade South Korea and consolidate all of Korea under a Communist regime. The United Nations employed force to stop this aggressive enterprise and, up to date, they have been eminently successful in thwarting Communist ambitions. This is a great gain for us. It has been accompanied by the infliction of terrific losses upon the Communist fighting forces.

Delicious Quick-Frozen Frying Chicken Is Versatile, Tempting Main Course

Fried chicken is a versatile main course that fits well into almost any sort of menu. And if you start out with a quick-frozen chicken that comes in packages of specified weights, 1 lb.-1 1/2 oz., 2 lb.-6 oz., you can get just the size you want for the number of people you have to serve and you will be sure of a delicious and easily prepared mainstay.

French-fried potatoes go well with the fried chicken. You can buy them quick-frozen, like the chicken, assuring excellent flavor as well as easy preparation. Potato balls are good with the fried chicken, too. The easiest and most economical way to make them is to scoop them out of raw potatoes, which have been pared

and to boil them and the rest of the potatoes separately until tender. Drain both when done. Send the potato balls, with melted butter and minced parsley, to the table; put the rest of the potato in a plastic bag in the refrigerator. Next day cut it neatly and serve with a medium white sauce, hot and well seasoned, as creamed potatoes.

RODEO BE HELD AT SHAMROCK

A rodeo, under the sponsorship of the Shamrock Lions Club, will be held at Shamrock during the State-Line Free Fair. Performances have been scheduled for 8:00 o'clock Thursday, Friday and Saturday nights, and 2:30 p.m. Sunday.

The show, open to amateur cowhands only, will be staged at the new city park site, west of the Fort Worth and Denver Railway underpass on Highway 66.

A \$1,200.00 purse is offered the winning contestants in seven events: saddle bronc riding, bareback bronc riding, calf roping, team tying, bulldogging, bull riding and girls sponsored contest.

A street parade is being arranged for 4:00 o'clock Thursday afternoon. L. W. Bullock, chairman of the rodeo committee, said today. Contestants in the various events will participate in the procession, he declared.

Stock for the four-day show is being furnished by Tom Harland. All entries must be filed by 5:00

o'clock Thursday afternoon, September 20. Cowboys may register at W. B. Smith Magazine and Gift Store, 207 North Main Street, Shamrock.

With the rodeo season drawing to a close and most shows in this area already held, many of the top amateur performers are expected to vie for the \$1,200.00 purse in the Shamrock contest.

Proceeds will go to the city park fund. Jack Dekle, president of the Lions Club said.

Next year's fruit crop may depend upon the care given the orchard during the late summer and early fall months. Weeds should be controlled and all trees checked for infestations of insects.

Roadside Invitation To Drive Refreshed

MOBEETIE HI-LIFE

OPENING OF SCHOOL

School is in full swing now. It began on Monday, Sept. 10, 1951, one week later than was scheduled. After a short introduction of all the teachers, Mr. Reaves made a short speech. The grade school then went to their building and high school to theirs.

The high school worked out their schedule and Mr. Reaves, the superintendent, told us what he expected of us and the privileges we would have.

Many new faces have been seen around high school this year, including both pupils and teachers.

The new teachers are: Mr. L. R. Reaves, superintendent, Mr. C. O. Cash, coach, Mr. Bill Robison, Agriculture teacher, Mrs. McMurry, Home economics teacher.

THE PEP SQUAD

The pep squad organized Tuesday morning with 32 members. Patricia Trimble, Frances Totty, and Jelene Robison were elected leaders. Mrs. Bill Robison was elected to be sponsor for the pep squad girls. We will probably do a lot of yelling Friday afternoon at Kelton.

SENIOR NEWS

The seniors started this year by electing Mr. Robison, ag. teacher, as sponsor. We have 14 members this year. We lost three boys from the class which were Joe Brown, Vernon Willard, and James Davis.

We received our rings Wednesday. Everyone is sure proud of them.

We plan to start taking ads for our annual next week.

JUNIOR NEWS

There are ten students in junior class this year. We started Monday by electing Mr. C. O. Cash as our sponsor. Officers have not been determined as yet.

SOPHOMORE NEWS

School started off with a busy Monday morning. Seems as if everyone is going to enjoy this year, even though it may be a lot of hard work. Some of the kids even mentioned that they would like to go to college they get a rest.

Most of the sophomores are taking World History, Algebra, English II and Homecoming Agriculture.

Most all of the sophomores are going out for P. E. this year. We all think we are going to do our coach real well.

We are going to elect our porters, class parents and speakers in the near future.

FRESHMAN NEWS

We are glad to see most of the class back again this year. We are glad to have them back. Hutchinson join us. During the summer Tommy White moved to Pampa. Other than that we see the same old faces.

Everyone enjoyed a birthday party at Bob Galmor's for Bob Baird and Bobby Galmor.

7TH GRADE NEWS

The 7th grade class has moved to high school this year. We have 18 in our class. Our teachers are Mrs. Scribner, Mr. Cash, and Dunaway. We have not elected a sponsor and class officers.

Electric Cooking Is

EFFICIENT

...as MODERN women KNOW!

Efficient because it is clean, accurate, automatic, labor-saving.

The accuracy of heat application which assures you that the correct amount of measured heat will be delivered to each range unit takes the guesswork out of cooking — adds efficiency.

The automatic time controls on your electric range eliminate pot watching and cooking failures, make it possible for your meals to be prepared while you are miles away — adds efficiency.

The cleanliness of electric cooking means less frequent general housekeeping, eliminates entirely pot and pan scrubbing — adds efficiency.

The coolness of electric cooking means added pep, more pleasant cooking conditions — adds efficiency. Yes, electric cooking is completely efficient — as modern women know.

BASKETBALL NEWS
 The Briscoe Broncos will play the Samnorwood Eagles Friday, September 21, 1951 at 8:00 o'clock. Admission will be 15c and 25c. The boys and girls will both play. The basketball teams are proud to have Coach Killingsworth. We hope to have a good team. The girls were issued their suits last Tuesday. The girls receiving suits were: Imogene Pannell, Wilma Lou Pruitt, Mary Riley, Lucy Barnett, Zetha Parker, Maurita Horn, Jane Ann Zybach, Martha Ann Standlee, Monett Treadwell, Joyce Helton, Patsy Waters, Patsy Tipps, Annadell Fillingim, Earline Hefley, and Syble Willis. The boys that were issued suits are: Thomas Roy (Tooter) Helton, Bobby Helton, S. W. Dougherty, W. L. Williams, Douglas Robertson, Eddie Walker, Jerry Hays, and Van Maxwell.

JUNIOR NEWS
 We had our pictures taken Wednesday which was a disgrace to us all. We ordered our rings a week ago last Friday. Maurita has a birthday September 19, 1951. She will be sweet sixteen. Cleve was with R. L. Sunday, Pete and W. L. were in Shamrock Sunday. Lucy, who was the guy from Canyon Saturday and Sunday? We went to Mobeetie Monday morning to have our chest X-rayed.

SOPHOMORE NEWS
 Sylvia went to the football game at Lefors Friday night. We went to Mobeetie Monday to have our chest X-rays. Martha had company Sunday. Lucy went home with her after the ball game. Wilma is now in the baby sitting business to hear her talk. Come on LuLu, it isn't that bad. This year there are seven members of the sophomore class in the high school band. Zetha seems to like for it to rain. We wonder if it is because Gene can come home when he does.

FRESHMAN NEWS
 There are six girls going out this year for basketball, and we are all glad to have a seat on the bench. Say, Patsy Waters and Patsy Tipps are ageing fast. Where are all the grey hairs. We are sorry Earlene missed school Friday and especially all those lessons. The seniors seemed to have had more fun with the freshman initiation than the freshman. Huh, seniors? Dale, are you looking forward to winning with that prize pig? We hope so.

THE FINISHER
 Lawyer: "You say your husband is a finisher; what does he finish?"
 Witness: "Well, just now he's finishing his third term in prison."

TAKE THE WORK OUT OF SILO FILLING

with the **Allis-Chalmers FORAGE HARVESTER**

Let machinery do the work in filling your silo this fall. With the Allis-Chalmers Forage Harvester and Forage Blower, power handles the crop all the way from field to silo. You get the job done quickly, without a big crew. With your own Forage Harvester, you make better silage because you can cut at the right time.

The A-C Forage Harvester has spiral, cupped knives three feet wide. They handle heavy crops easily. Knives are power-honed without removing them from the machine. The Forage Harvester is a 3-way machine, with attachments for row crops, standing grass, or windrows. See the Forage Harvester before you make silage this year.

"I got the story on **50,000 Miles-No Wear** and changed to New Conoco Super Motor Oil"

says E. M. Markl, Sr. Buick Dealer Kansas City, Kansas

"50,000 Miles-No Wear!" Proved Here:

After a punishing 50,000-mile road test, with proper drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence; in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

GARAGE MANAGER
 "A mechanic dreams of working on a clean engine," says Lewis Stoddard, Garage Manager, Blackfoot, Idaho. "My dream came true when customer started using new Conoco Super. It cuts down trouble, but I'm a loyal booster of Conoco Super."

RANCHER
 "I'm sure glad you converted me to the '50,000 Miles-No Wear' oil," writes Albert E. Lentz, Rancher, Delta, Colorado. "I really barreled my Mercury over the highway on a recent trip, and all I could hear was a motor purring like a kitten."

On Monday, Sept. 17, Mr. and
Mrs. John A. Kent entertained
with a surprise Birthday Party
honoring their son, Gary, on his
10th birthday. The hours were
from 4 until 6 p.m.

On arriving home from school,
Gary was greeted at the door by
the group singing "Happy Birth-
day To You". Quintis Godwin was
in charge of the entertainment
and kept the games in progress, at

which prizes were given to the
winners.

The many lovely gifts given the
honoree was presented by Bruce
Carmichael.

After Gary made his wish and
blew out the candles from a beau-
tifully decorated birthday cake re-
freshments of cake, ice cream,
sandwiches and punch were ser-
ved.

Each guest was given a gift and
favors were nut cups filled with
nuts and mints.

Lee Roby, Mrs. Helen Parker,
Stephenville, and Mrs. Heffer, Am-
arillo.

The new Educational Director
and Director of music at the Bap-
tist Church is Mr. Raymond
White, Pampa. The church feel
very fortunate to secure a man of
Mr. White's ability for the work
along those lines.

The W.S.C.S. of the Methodist
Church are having their Bible
Study at this time and are study-
ing "The Acts of the Apostles"
this is proving to be a very inter-
esting study and the members are
all urged to attend this course.

The second quarterly Confer-
ence of the Methodist Church was
held Sunday night with District
Supt. W. E. Hamilton of Claren-
don presiding. Reports of the vari-
ous departments were given and
Rev. Hamilton preached the eve-
ning sermon.

The Wheeler County X-Ray unit
was in our town Monday and 311
people took this opportunity to
have a chest X-Ray made. Briscoe
school children were brought to
Mobeetie by bus. This is of great
value to our community and we
are thankful for it.

Mr. and Mrs. Tom Hopkins who

trip they spent a few days with
Mr. and Mrs. Oscar Miller at
Colorado Springs then on to Cedar
Rapids, Iowa, where they visited
with Mrs. Miller's sister and hus-
band, Mr. and Mrs. T. G. Bain.
While at Cedar Rapids many
places of interest were visited
both in Iowa and Illinois.

It seemed like old times to see
Glen (Dr.) Render on the streets
again. Glen who had been in Am-
arillo doing Christmas buying for
his drug store at Amherst, took
time to come on to Mobeetie to
visit old friends. Mr. Render was
the former owner of the Mobeetie
Drug and Mrs. Render a teacher
in our school.

SENIOR NEWS

The seniors had a class meeting Wednesday, Sept. 5 and elected class officers.

The president is Bob Weatherly. Vice-president is David Johnson. Secretary and treasurer is Carmaleta Brown. The Corral editor is Bonita Ragan. Ass't. editor is Mary Bob Laycock.

The senior class parents are Mr. and Mrs. Nig Clark, Mr. and Mrs. Jess Moore, and Mr. and Mrs. William Weatherly.

The senior sponsors are Mr. Cecil Paddock and Miss Louella Brown.

The seniors picked out the pattern for their graduation invitations Wednesday. They were shown several annual forms for their annual. The seniors will be in charge of the annual and will surely publish a very interesting annual.

The seniors are selling magazine subscriptions for the Curtis Publishing Co. We get a commission on the subscriptions that we sell and if everyone will help us by subscribing or renewing their subscriptions we will appreciate

it.

JUNIOR NEWS

The junior class met Wednesday, Sept. 5 and elected class officers.

Glen Farmer was elected president. Vice-president is Loretta Crowder. Helen Johnson is secretary and treasurer. Pat Hubbard and La June Mann are reporters and La June Mann and Mr. I. Q. Sewell are sponsors.

The juniors ordered their rings Friday morning and can hardly wait until they arrive.

There are two new members in our class this year. Eddie Don McCracken from California and Billy Dale Watson from Wellington. We are glad to have them.

The juniors are all glad school has started and look forward to a big year.

The junior class was honored by a party given at Lois Barr's. We had a wonderful time in spite of the big rain. Everyone got enough watermelon we know.

The junior class parents are Mr. and Mrs. Bernice Hubbard, Mr. and Mrs. M. C. Burgess, and Mr. and Mrs. Curtis Kidwell.

Everyone was dead-tired after the ball game Thursday night. We believe the boys played a wonderful game.

We are glad to have Buddy back. He went to school for a day in Pampa but he just couldn't stay away from Wheeler.

School turned out Friday evening at 2:15 because everyone was walking around in their sleep.

JUNIOR GOSSIP

John Dan, it looks as if you'll have to be quieter in Literature class from now on.

Patricia and Waunetta always have something to talk about. Especially in class.

Doyle, can't you understand anything you read?

Nadine, don't give up yet in Bookkeeping that is.

Glen, can you type your name yet? Just keep trying.

I thought that Homemaking III knew how to behave.

Betty Lou, Nadine, and La June went to Kelton Friday evening to the ball game with Janet Russ and Billie Owen.

Glen and Buddy went with Jamie Clark to Kelton for the football game.

John, do you like riding Joe's motorcycle? Aren't you afraid that your glasses will get blown off?

SOPHOMORE NEWS

The sophomores elected their class parents and class officers in their first meeting. The class parents are Mr. and Mrs. J. H. Hodges and Mr. and Mrs. Bus Dorman.

The class officers are: President, Clarence Whittenburg. Vice-president is J. E. Rogers. Secretary and treasurer, Maxey Herd, and the reporter is Yolanda Dorman.

We sophomores are certainly glad that we aren't freshmen again this year. Seriously we had fun when we were initiated last year and we know the freshmen are having fun this year.

We are looking forward to a lot of parties and fun this year. We are also looking forward to football and basketball games.

Why do all the boys sit on the front seat in English? All the girls sit at the back? I bet that

Miss Brown might have something to do with it.

Punkie, where did Miss Brown find out that your name was Allen Richard?

FRESHMAN NEWS

The freshmen have elected their class officers, class parents, class sponsors, and reporters.

The president is Katie Pierce. Vice-president is Regie Barr. Ada Pierce is the secretary. The treasurer is Lonelle Lee. The reporters are Joyce Cox and Rondell Childress.

The class parents are Mr. and Mrs. H. J. McCormick and Mr. and Mrs. Bill Owen. The class sponsor is Mrs. Hastings.

We freshmen are being initiated this week. The boys are shining shoes for the upper classmen. The girls are wearing all sorts of things like gunny sack skirts, mother's dresses, daddy's shoes and our hair wet. The boys are dressing like girls and wearing lipstick all over their faces. The upper classmen are enjoying the initiation more than the freshmen. The freshmen girls are being very nice about cleaning the girls dressing room in the gym.

8TH GRADE NEWS

The eighth grade class was glad to be starting back to school. At least I think some of us were. We are looking forward to a good school year. Mrs. Carrick is our sponsor and I am sure we will like her. We elected our class officers in a class meeting last week.

The president is Richard Smith. The vice-president is Don Ogles. The secretary is Claude Cox. The reporters are Sylvia Smith and William Whitener. The parliamentary is Francis Prude.

The room parents are Mr. and Mrs. A. D. Speck, Mr. and Mrs. Cleo Gaines, Mr. and Mrs. Buster Black, and Mr. and Mrs. Paul Green.

It seems funny to be going into the high school building but we are glad to be out of the grade school building.

PEP SQUAD NEWS

The Pep Club met Thursday September 6 to organize and elect leaders.

Bonita Ragan is the new president. Yolanda Dorman is vice-president. Secretary and treasurer is Carmaleta Brown. Mrs. Carrick and Miss Brown are the new sponsors. The leaders are Margaret Moore, Lonelle Lee, and Shirley Moore.

Beverly Clark, daughter of Mr. and Mrs. Nig Clark and Danny Dorman, son of Sheriff and Mrs. Dorman, were chosen as the Pep Club mascots for this year.

The Pep Club's uniforms will be black skirts and sweaters with long sleeves, white blouses and gold ties.

The Pep Club plans to use the same system for demerits as they had last year. There are only twenty-eight members and they want to keep as many of them as possible. If a member is late to a meeting or doesn't have a reasonable excuse for missing a game she gets demerits. When one girl gets a total of twenty demerits she is dismissed from the club.

The Pep Club and the Band plan to sell programs at the home games to help finance the Football Banquet.

The Pep Club will go to Pampa and will do its best in backing the team and they ask the support of all the fans.

THREE LITTLE WORDS

The art of pleasing social intercourse lies not so much in volubility of expression as in the right words to carry a delightful and subtly flattering impression.

To make her guests feel welcome the noted French woman Madame Recamier found that three words sufficed. When they arrived, she said, "At Last!" And when they prepared to depart, she simply said, "Already!"

MUSTANG BAND NEWS

See Sharp or Be Flat

REPORTER: LaJune Mann

The Mustang Band marched at the football game last Thursday night at Pampa. The first game of the season. We're looking forward to many more.

Thursday, we go to Shamrock, to march in the fair. We have really been practicing a lot this week.

Anna Rose, you catch on quick. Has everyone noticed how well she plays the bells?

Janet, we didn't know you were a bass drummer also.

Shame on you Wanda! Never beat your snare drum hard enough to burst it. Maybe you'll have a new drumhead soon.

Everyone was certainly glad to see Mr. Boddy at the ball game Thursday night. Since he is attending college, we supposed he couldn't make it there. We were glad to have him marching with us also.

Margie, Patricia, Betty Jo and Beverly did you girls get cold at the ball game?

Janice, were you hungry Thursday night after the game?

Juanita, won't they give you any music?

We're wondering who Vondell and Waunetta's boy friends were at Pampa.

John Dan, we believe you are a bit lazy, especially at 8:30 o'clock in the morning.

Garth, don't let that slide get away with you.

We are beginning to believe La-Veta when she says the bass horn is heavy.

We think our Band Mascot, Josephine Hubbard, did a swell job.

Burley, are your ears burning? Or are you blushing?

Pearlie, how do you like being

a snare drummer?
Donna Speck, Pavia, Shara Jane and Vondell what is so funny?
Could it be a squeaking clarinet?

REV. C. R. HOLT, Pastor

What a wonderful word is life! More abundant do we want it ever to prove. As we begin to walk a little more slowly up the street the buoyancy of young life impresses us more. The years of maturity, when mental tides are running strong, delivers us at the crossroads where we find ourselves peering anxiously through the *Gateway to Life*. We are more serious then. *The Gateway to Life is the Gateway to God*. It becomes more important then to give more attention to our reading and thinking habits. Our interests in life are more glorious... we are less selfish. *We are more interested in the Life Beyond... more interested in our fellow man.*

We view through the *Gateway to Life* something even more fine than either the physical or mental. *It is life of the spirit, the part that goes on forever.* The *Gateway to Life* will be found by some as they prepare to leave this body for a home in Heaven. Saint John sets before us the Eternal Life which a man begins to experience today. We know that we have passed from death to life because we love the brethren... we love people. Today will be for each of us *The Gateway to Life if we will throw away hatred, malice and greed and join God in practicing love.* The church points the way to a fuller and more abundant life... the Eternal Life.
