Shelby Pettit Seeks Commissioner Post

I have many times in the past been interviewed about making the race for Commissioner of Precinct No. 1 in Wheeler County, Texas, but I have heretofore been rather shy about offering myself as a target for the discussion of my

CHANGES MADE SCHOOL SET-UP

Supt. A. E. Brown this week announced the first semester of the Wheeler high school would end the week end of January 20. The second semester will start Monday, January 23. This makes 90 school days in the first semester and 85 in the second he said.

During the holidays gymnasium was put on the gymnasium floor and all floors in the buildings were waxed. A dishwasher was installed in the Cafeteria also.

Attendance so far has been good and the superintendent stated average daily attendance was 350. If this attendance can be maintained throughout the year Wheeler will not lose teachers next term.

Frank Lee To Run For Commissioner

Frank Lee, well known Mobettie farmer-rancher, told The Times this week he would be a candidate for county commissioner in precinct 1.

CROTSEY REVUE PLANS MATINEE

The Crotsey Stage Revue featuring an entire company of beautiful young ladies will present a full evening of comedy, intrigue, charm and large illusions, when it is presented to the Wheeler public by the Wheeler Kiwanis club at 8 p.m., Wednesday, January 11.

The production will be staged in the Wheeler high school gymnasium. A special matinee will be held 2 p.m., for the benefit of school children of Wheeler and neighboring districts. Admission is 25 cents per child and the show will last for one hour and be entirely different from the night performance.

Tickets for the night show may be obtained from any member of the Wheeler Kiwanis club or at the Wheeler Drug Store.

The Crotsey Stage Revue is reported to have spent some 20 years on the road, traveling more than 30,000 miles a year, using a large truck to transport the necessary equipment, consisting of costly scenery, costuming and stage paraphernalia.

RIVES SEEKS RE-ELECTION AS TAX ASSESSOR

Thurman Rives this week announced his candidacy for re-election to the office of tax assessor-collector of Wheeler County, subject to the action of voters in the July Democratic Primary.

In submitting his announcement, Mr. Rives made the following statement: "It is with a deep feeling of humbleness and appreciation that I thank the good people of Wheeler County for the kind consideration they have given me during my tenure of office. I consider it a great pleasure to have had the privilege of serving you."

"My endeavor has been to serve everyone in a courteous, efficient manner during the time I have held the office of tax-assessor-collector and shall continue to try to serve to the best interest of all the people of the county as long as I am favored with the opportunity."

"I am convinced that the experience which I have gained while in office will enable me to handle the various phases of work even more efficiently in the future."

"Please accept my sincere appreciation for everything you have done for me in the past and let me earnestly solicit your support in the future."

"It is my heart-felt desire that I shall always remain deserving of your assistance and cooperation."

PERRYTON WINS MOBETTIE MEET

First place trophy in the Mobettie basketball tournament last week was won by the Perryton Rangerettes who snatched three games, two of them overtime affairs.

The Wheeler boys team defeated the Perryton Rangers in the semifinals. The Rangerettes won their first game over Mobettie, 68-49 to go into the finals against Follett. They won this one against Follett in a double overtime affair which Perryton won, 56-55.

In the finals, the Rangerettes won, 65-64, in another overtime (Continued on last page)

Case Of Mistaken Identity Here

There has been much speculation about a 3-D projector received recently by the local school. The projector was reputedly a prize won by the school. Upon its arrival Supt. Brown knew there had been a mistake somewhere so started to check it out.

"The projector belonged to the Wheeler Elementary School of Commerce, Texas," he stated. "It was a Sawyer's View Master 3-D projector and has been sent on to its rightful destination."

FIRST BAPTIST CHURCH TO HAVE NEW PASTOR SUN.

Rev. Darrell Taylor of Lubbock has accepted the call of the First Baptist Church here. He will preach his first sermon here next Sunday. Services will be held at both morning and evening hours.

Brother Taylor has three children. They, along with Dr. and Mrs. Taylor will move onto the field as soon as the local parsonage has been redecorated.

Rev. A. Edwin Wilson is conducting a Bible Study group at the First Baptist Church here this week. These interesting and beneficial studies are being held each day at 10 a.m. and 7 p.m. The public is cordially invited to come out and partake of these spiritual Bible studies. He is a very capable leader and brings out many truths in his explanations and illustrations.

BASKETBALL TOURNEY HERE

With 16 boys and girls teams already entered, widespread interest is being shown by fans all over the Eastern Panhandle in Wheeler's Annual Invitation Basketball Tournament to be played Thursday, Friday and Saturday of this week.

Principal B. K. Barham will be general superintendent of the tournament, with Wheeler faculty members helping in the detail work. Officials will be Bill White, Dwayne Lyon both of Pampa and Dick Pendleton of Wheeler.

Trophies will be awarded first and second place winners and consolation following Saturday night's games. Awards will be made by Principal B. K. Barham.

LOCAL LODGE WILL ATTEND

Several members of the Eastern Star in Wheeler and Mobettie plan to attend the fraternal school to be held by the order in Shamrock Thursday when between 300 and 400 out-of-town people are expected to register.

Morning and afternoon sessions will be held, and the evening will be a joint fraternal visit among chapters represented and Mrs. Lois Burnett of Fort Worth, Worthy Grand Matron of the Grand Chapter of Texas.

Mrs. T. J. Daughtry of Wheeler, Worthy Matron, will be among those attending in an official capacity, as will Mr. D. O. Beene of Wheeler.

5 Candidates Are Asking For Office

Five candidates for elective office in Wheeler county formally launched their campaigns this week, subject to the decision of

W. L. (Shorty) ERWIN

ERWIN ASKING RE-ELECTION AS COMMISSIONER

To The People of Precinct No. 1 in Wheeler County, Texas: The question, "Are you going to run again?" has been asked me so often that I am announcing public my intentions to become a candidate for the office I now hold as your Commissioner. I have been your servant, in this capacity, for the past five years and I am now asking you to elect me for my FIRST four-year term. I do not feel that I am any the less qualified for the office by having had the experience. I feel that I know your needs, I know your difficulties and I am better able than ever to satisfy your needs and relieve your difficulties.

If you see fit to return me to the office of Commissioner, in and for Precinct No. 1, Wheeler County, Texas, I promise the same fair and impartial treatment of every person and every part of the precinct as I have given you in the past. If I have made mistakes (and I have), be assured that they are of the head and not of the heart.

The precinct is in better shape now than it was at the beginning of the year 1950. The precinct has 13 miles more of paved road than it had when I took office and the State Highway Department is now engaged in a project of widening and bettering the 18 miles of paved road on Highway No. 152. SILVER \$ DAY WELL ATTENDED

In spite of an error (The Editor not to blame) in dates for the last Silver Dollar Day event probably caused by two disrupted holiday week ends the last Saturday event was as usual well attended.

Minister Jack Robertson, Briscoe was first for \$25.00; Bill Smith, Wheeler, was second for \$12.50; G. C. Johnson from around Briscoe was third for \$7.50; Chas. Bradshaw, Wheeler, was fourth for \$5.00.

Other names called were: Frank L. Fletcher, A. E. Roberts, Gilbert Podgett, Hubert Tindall, Hugh E. Cooper, W. T. Mayberry, Ben C. Hunter, C. W. Caison, James Brothers, Gordon Roberts, S. Q. Scott, Mrs. Howard Sherwood, Shamrock; Vivian Harrison, Allison; Annie M. Hooker, E. F. Lester, Jerry Taylor, S. C. Burns, Alfred Hill, Mobettie; D. L. Hale, Jr., Orion Sweet, Miami; Eunice Madox, Pampa; Charles Hubbard, Borger; Lee Barry, Briscoe; Jeff Griffin, Roy T. Williams, Don Lowrie, E. A. Rowell, M. C. Burgess, Harold D. Callan, T. O. Bradstreet, J. C. Chandler, Arnold Jones, Wheeler.

The name of Woldo Bowerman of Shamrock was called for the Jackpot but it was not claimed. The amount of the Jackpot for Saturday, January 7, (This is correct) will be around \$65.00.

Mrs. Dave Turcott of Pampa spent the week end with her brother, Mr. and Mrs. H. E. Cole.

voters in the Democratic Primary, July 28.

Three are incumbents seeking re-election; Thurman Rives, tax assessor-collector; Bus Dorman, sheriff; and W. L. (Shorty) Erwin, county commissioner in Precinct 1.

DORMAN ASKS RE-ELECTION AS COUNTY SHERIFF

Bus Dorman, who holds a commendable record as sheriff of Wheeler County, this week announced his candidacy for re-election to that post.

Sheriff Dorman's candidacy is subject to the action of voters in the July Democratic Primary. "During the time I have served as peace officer of Wheeler County, it has been my constant endeavor to fulfill the only pledge which I made when first seeking election. That pledge was to serve all of the people to the best of my ability, showing no favors to individuals or groups", Sheriff Dorman said.

"I desire to renew that promise in asking for re-election to the important job," he declared. (Continued on last page)

ALL REGIONAL B TEAM VOTED

Three Wheeler Mustang men were named to the News-Globe's 1955 Class B All-Regional teams while one received honorable mention.

Jim Porter was named to one of the halfback posts on the first string of the All-Regional team. Roger Topper received a position as halfback and Dennis Wilsford was selected as a guard on the second string team.

Francis Pride, Wheeler end, received honorable mention. The teams were chosen as the cream of the crop by a vote of the Class B gridiron coaches of the panhandle. The ballots which the coaches mailed to the News-Globe, where the sports department counted them and announced the results of their selection, told what the line-up would be.

In selecting the Class B All-Regional team this season, the coaches picked a ball club which could make ground gains as well as passing yardage if they were allowed to play together.

No \$ Day Circulars Mailed This Month

Due to the stress of the holidays and the year-end inventory period no Dollar Day Circulars were mailed out from Wheeler in January. However the event is not forgotten and many local merchants will be celebrating the days here this week-end and Monday of next week with many real values in merchandise on their shelves.

Don't let the lack of the circulars lead you to believe there are no bargains in Wheeler this week-end or you will miss a wonderful opportunity to SAVE on items from clothing to groceries to heavy merchandise. See you in Wheeler this week-end.

'54 Study Club News

The '54 Study Club met December 19 at the school cafeteria with the Social Committee as hostesses. A Christmas program was given and the group joined in singing carols. After a buffet dinner, gifts were exchanged. Families of the members were guests for the occasion.

Mr. and Mrs. John Manning and family visited relatives in Dallas over the holidays.

Social Security

"Self-Employed Farmers in the Texas Panhandle District have become increasingly aware of their rights and responsibilities under the 1954 amendments to the Social Security Act," John R. Sanderson, Manager of the Amarillo District Office said today.

Sanderson based his statement on the large number of farm operators that have been contacting the local Social Security Office. "The Social Security District Office has been glad to assist these farmers in obtaining answers to their questions and will continue to do so," Sanderson said.

One of the most frequently asked questions during this past season when crop harvesting was underway dealt with the employer-employee relationship between the farm operator and the harvesting crew.

Sanderson summarized this situation as follows "Employees are often made available to farmers by a 'labor contractor' or 'crew leader.' Some labor contractors or crew leaders are the employee agents of the farmer; others are acting on their own and thus self-employed in their own right. When the farmer has the right to control and direct the crew leader in his work, the crew leader and members of the crew are employees of the farmer.

All farmers who have had employees during the year 1955 that were paid cash wages of \$100 or more should immediately apply for their agricultural employer identification number. (This is different from their social security number). Forms may be had at the local post office or by writing to your District Social Security Office or Internal Revenue Office.

Sanderson advises farmers wishing more detailed information to get in touch with the Social Security Office. The address of the Amarillo Office is Room 324 New Post Office Building, Amarillo, Texas.

RESOLVE... to live better... live ELECTRICALLY in 1956!!!

You'll enjoy your New Year's resolution... and it won't be a burden at all... if you resolve to live electrically this year, and forever after, as it says in the fairy stories.

And electric living is so pleasant, comfortable and economical, that, just like in the fairy stories, you'll think Reddy Kilowatt is prince charming, the beautiful princess, and the fairy godmother all rolled into one. Try him... and see.

ELECTRIC CLOTHES DRYING
"It's magic, no trick... electric drying's slick." Just switch the clothes from your automatic washer to your dryer, then set the control, that's all it takes for perfect drying anytime... anytime.

ELECTRIC COOKING
"Cool and carefree... white glove clean"... that's modern electric cooking. Perfect results with perfectly controlled cooking temperatures. Economical, too... about 2 cents a meal... plus the big savings from the cleanliness of electric cooking.

ELECTRIC WATER HEATING
"All the hot water you need... safely." Yes, the new modern quick recovery water heaters will give you all the hot water you need... whenever you need it. They'll give you complete safety, too, with heating elements that are completely enclosed. Electric water heating is matchless for speed and safety.

ELECTRIC FOOD FREEZING
"Freezer living is leisure living"... and economical living, too. Your electric home freezer lets you take advantage of every opportunity to save on your food budget. Keeps you ahead for unexpected guests.

AIR-GROUND TEAMWORK is featured in the radiation detection technique used by the Kansas University radiological monitoring team at Lawrence, Kan., some of whom are shown here. Dr. Frank E. Hoecker, team director (standing at car door), said that if a nuclear attack should come, one of the team members would fly over suspected fallout areas taking radiation readings, which would be radioed along with the plane's location to the crew in the auto. They would plot the "hot" area on a map, then verify the information by sending two-man teams near the area on foot with test instruments and walkie-talkies. Results would be radioed to the state CD center and forwarded to FCDA national headquarters in Battle Creek, Mich. (Lawrence, Kan., Journal World Photo)

GM Unveils New Turbine Car

General Motors has built and successfully tested this new experimental gas turbine-powered passenger car, Firebird II. To be shown publicly for the first time at the General Motors Motorama of 1956 in New York, Miami, Los Angeles, San Francisco and Boston, the Firebird II is designed as a four-passenger family car for highway use. General Motors has no plans, however, to put it into production.

It's POWERFUL Good News!

WANT a real performance thrill? Just get your hands on the wheel of a new John Deere "420."

John Deere Tractors have always amazed owners with their "never-say-die" lugging power, but you'll agree you never saw any other tractor pull so much, pound for pound.

The new "420" Tractors—10 models in all—feature 20 per cent more built-in power than the "40" Series, which they replace. That means better performance in the higher gears, ample power to use bigger-capacity tools—even 3-bottom plows and 4-row planters and cultivators. It means more acres covered per day, more jobs done on time.

There are many other advancements we invite you to see. As for modern John Deere comfort and

operating features, you'll find them all—deep cushion seat... standard 3-point hitch with Load-and-Depth Control... "live" Touch-o-matic hydraulic control... self-energizing disk-type brakes, swinging drawbar... and many others.

Come in and get all the facts; arrange for your free demonstration. No obligation to you.

Godwin-Simpson Vows Spoken in Godwin Home

The Willard Godwin home, in Mobeetie was the scene of a beautiful wedding ceremony on December 31st at 8:00 p.m., in which their daughter Maurea, became the bride of Jerry Simpson, son of Mr. and Mrs. Bryon Simpson.

The bride's brother, Quintis Godwin officiated at the double ring ceremony, which was performed before an altar, decorated with eucalyptus and baskets of white mums.

Mrs. Drew Godwin, sister-in-law of the bride, played appropriate wedding music, as the candles were lighted by Melba Simpson, sister of the groom and Danny Patterson, nephew of the bride.

The bride entering to the strains of the wedding march, was escorted to the altar by her father. She was attired in a ballerina length wedding gown of white satin and lace. She wore a finger tip veil of illusion, embroidered with seed pearls and carried a white bible covered with a bouquet of white roses.

For something old, the bride carried a 70 year old handkerchief belonging to a friend. She also carried out the tradition of something old, new, borrowed and blue.

Mr. and Mrs. Carl Alexander of Borger, were the attendants of the bride and groom. Mrs. Alexander was also dressed in a white satin and lace gown.

The bride's mother wore an aqua dress and her corsage was white carnations. The groom's mother was dressed in navy slanting and wore a corsage of pink carnations.

Forty guests were registered by Mrs. Norman Dysart, sister of the bride. Among out of town guests registered were the grandparents of the groom, Mr. and Mrs. Simpson of Spearman, and Mr. and Mrs. Claude Parker, Sunray.

Following the ceremony a reception was held with Mesdames Quintis Godwin and Mill Godwin, sister-in-law of the bride and Mrs. Travis Patterson, sister of the bride serving.

The couple left immediately for a short wedding trip. They will make their home at 606 N. Nelson in Pampa.

Both the bride and groom are

FROM THE AGRICULTURAL DEVELOPMENT DEPARTMENT SOUTHWESTERN PUBLIC SERVICE COMPANY

Although the "cage system" for poultry laying houses is the most profitable method, it has created one winter-time problem which, fortunately, can be easily solved through the use of electric heating cable.

It is a proven fact that water for poultry must be kept warm enough for adequate drinking; otherwise, egg production suffers sometimes to the extent that the flock never recovers its former high production. The long watering troughs used in cage laying houses actually act as radiators, giving up their heat content into the surrounding cold air and cooling or freezing the water. Electric heating cable installed the full length of the trough warms the water uniformly the entire length

of the trough. If cable with sufficient heating capacity is employed, you will be assured of palatable water at all times in your poultry house.

Here's why electric heating cable is the only proven satisfactory answer to warm drinking water for poultry:

1. It is easy to install; however, it must be properly installed. Your local electrical contractor and your dealer can assist you in proper installation.
2. It is thermostatically controlled. Once plugged in, the equipment operates without attention until you unplug it in the Spring. The water is warmed to the desired temperature; the electricity shuts

off automatically. You are never using electricity when it is not needed.

3. It is an economical system. The average cost for power throughout the State of Texas has been less than one egg per hen per season. Original equipment cost averaged over a period of years is low.

4. It pays. Holding high egg production through just one severe cold spell could pay for your entire installation.

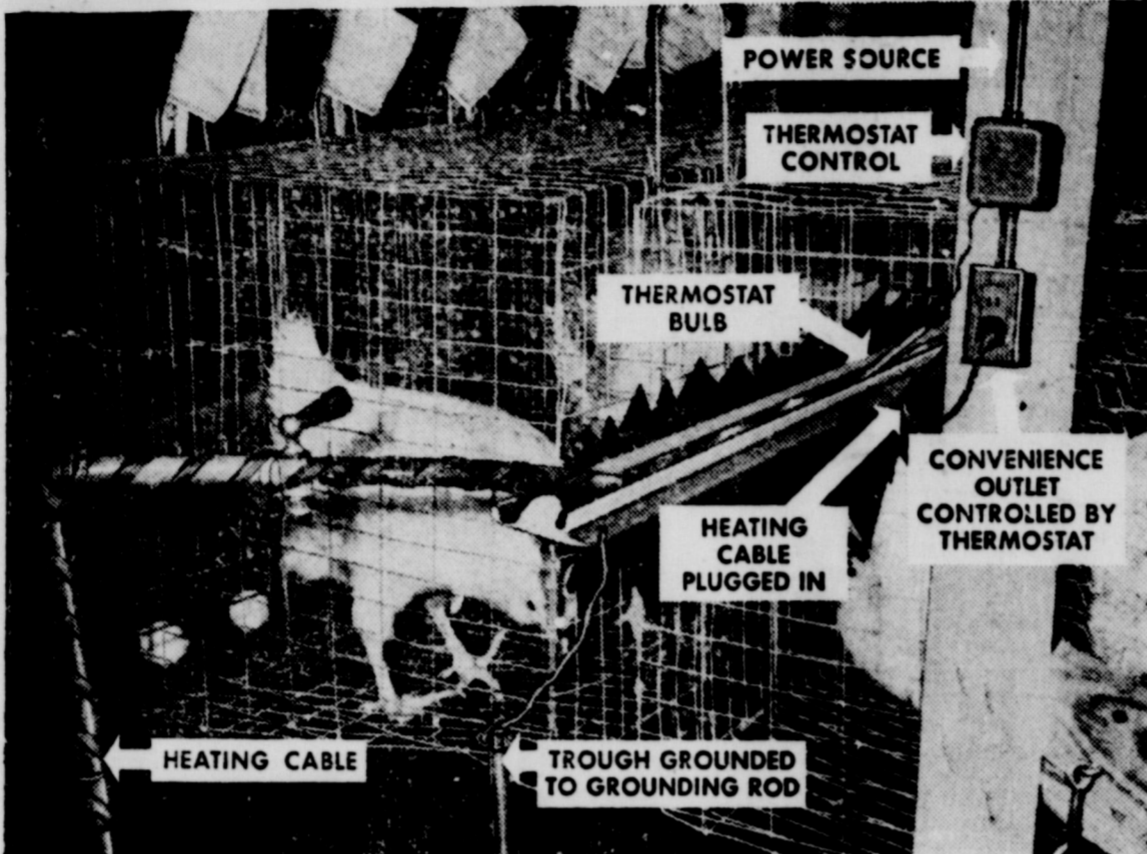

5. It is safe. With proper installation of equipment and grounding of the troughs, there is no safety problem.

You can get additional information from your County Agricultural Agent.

Experience among egg producers proves that drinking water must be maintained somewhere between 50 and 70 degrees. The problem is more than keeping frost out of the water. The water must be kept warm if you are to maintain high production of large grade "A" eggs. A loss in production or small, under-grade eggs means a loss of money out of your pocket.

Heating cable can be the profit factor in your wintertime egg production.

Artist's drawing superimposed over photo shows various parts of water warming installation using electric heating cable. In actual installation, thermostat bulb would be located in center of trough or at opposite end from water source.

graduates of Mobeetie High School. The bride has been employed for several months at the City National Bank in Plainview. The groom is employed at Cabot, in Pampa.

...but it's the '56 Chevrolet!

Who wouldn't mistake this new Chevrolet for a high-priced car! It looks strictly "upper bracket" with its bold new Motorantle styling... its longer, lower hood... its proud new full-width grille. But, even beyond the costly appearance of its beautiful Body by Fisher, Chevy gives the high-priced cars a run for their money. It brings

you lightning acceleration for safer passing. Horsepower ranges up to 205! All engines now have hydraulic-actuated valves. Best of all, you get safety door latches, seat belts, with or without shoulder harness, and instrument panel padding... Best a Chevrolet! Come highway.

The GLAD Way

Too long have we thought of The Way of the Cross as the "sad way." There may be sad moments along every noble path, but not all great ways are sad ways. The path of motherhood may have sad turns but it is a satisfying path. The path of education climbs some difficult and steep places but it is a thrilling way. Isaiah talked about the highway of God, where faithful servants passed on good errands. *The way of the Cross is the way one takes when he serves God. It is not the "Sad Way" but rather the "Glad Way."* Jesus came by way of the Cross, and the Book of Books on which the cross is planted, tells us to "take up our cross and follow." Whether atop the church steeple or on the highest mountain, it is *The Glad Way*. Heaven and God are at the end of that way. It is today aglow with the light of forgiving grace. *It challenges the weak to walk by faith and offers pardon to those who fall at its foot.* It is where Jesus prayed, "Father, forgive them, for they know not what they do." *It is The Glad Way.*

YOU IN THE CHURCH
THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that lift and influence for a better citizenship and a stronger democracy. In the church the ministerial are making religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we ask our children should go to the church of our choice on Sunday. For in the Church and the Church in you form a combination for good. Be a regular CHURCH GOER and a daily BIBLE READER.

CHRISTIANITY IS THE ROAD to the solution of the perplexing problems of the hour.

THE CHURCHES and their messages are the guide posts on this road.

THE PUBLIC SPIRITED FIRMS listed on this page urge church support and attendance—thus working toward a greater and more spiritual community in which to live and raise our families.

The annual Banquet and Ladies night will be held January 24 at American Legion Hall with Nora's Cafe serving. Time 7:30 p.m. Tickets \$1.50. Wes Izzard popular Globe News, will be the main speaker. Entertainment features will be announced later.

Wes Izzard is probably one of the best known and most popular men in the Golden Spread, and we think that all members and guests will certainly want to be on hand for this banquet. Guests from other towns and communities will be invited.

All members will receive return cards at an early date on which to state their intentions for attending and which should be returned at once so as to know how many to prepare for. All are urged to attend, as annual ladies night banquets are the highlights

of Chambers of Commerce activities. You will be advised in two more issues of the Times on the program that is in preparation.

The regular monthly meeting scheduled for January 10th will be cancelled in preparation for the annual affair.

part of the precinct. The man you elect this year will serve you for four years, hence it is to your interest that you obtain the best possible man for the position. I therefore offer you the names of the business men of Wheeler, Mobeetie and Briscoe, as well as the names of all farmers who have lived in the Corn Valley Community at any time since 1917 as my references.

I will appreciate your vote, your influence and your help and I will act, if and when elected, as I have always acted in the past. I run subject to the action of the Democratic Primaries to be held on the fourth Saturdays in July and August of this year.

Dorman Asks —

(Continued from page one)

Sheriff Dorman is 41 years old and a native of Wheeler County. He was born in the Twitty Community and grew up in Wheeler and Collingsworth Counties. He became popular in his 'teens as a sandlot baseball pitcher," and after played professional baseball.

Married to the former Myrtle Green of Twitty, they have three children.

"It has been a pleasure to serve you as sheriff, and the wonderful cooperation I have received from you good people has made my duties easier to handle.

"I would like for all persons to check the records of my office and if, in so doing, they find that I have executed my duties in a satisfactory manner, I will sincerely appreciate your vote and support in the coming election," Sheriff Dorman stated.

Last Rites —

(Continued from page one)

Tuesday morning of last week. Stephens, 29-year-old Shamrock man, has been charged with murder with malice in the death, and has been released on \$3,000 bond. The case will be investigated by the Wheeler County grand jury scheduled to convene here January 5.

Wheeler County officers said Wofford was hit over the head with a part of a car jack Monday night after he and Stephens argued over a check allegedly given to Wofford by Stephens.

The affray occurred at the Stephens home in Shamrock. Stephens was arrested Tuesday morning at the Shamrock filling station where he is employed.

PROBE LEADERS CONFER. Three key figures in the Texas land investigations center in a Kerrville hospital on the wide criminal and civil cases now in various stages of prosecution. Left to right — Wiley Chesnam, former DeWitt County Attorney recently appointed by the Attorney General to head the criminal of the Attorney General's Office in coordinating the cases under investigation, and Attorney General John Ben Shepperd, visit Kenneth editor of the Curo Record, who recently won a Pulitzer Prize work in exposing the first fraudulent land sales in the western program. Towery is recuperating in the Kerrville hospital.

Ed Reeves of Quail, who accompanied Wofford to the Stephens home, said he took the injured man to the Shamrock hospital but Wofford refused to go in for treatment.

Mr. Wofford was born November 21, 1917, in Montague County. He had lived in the Quail Community for the past six years.

Surviving are: the parents, Mr. and Mrs. Ed Wofford, Chowchilla, Calif.; three brothers, Otto Wofford, Chowchilla; and Maple and Paul Wofford, both of Quail; and three sisters, Mrs. Woody Clay,
