## YOREL HARRIS ASSUMES DUTIES

Yorel Harris, formerly of Roswell, N. M., has assumed his duties as the new Scout Executive of the Adobe Walls Council, Boy Scouts of America. Mr. Harris, his wife Gwen and their two children plan to live in Pampa.

Mr. Harris has 26 years of Scouting experience, including 12 years as a professional. He entered the profession in Oklahoma, serving as Field Executive and then Assistant to the Scout Executive. After moving to New Mexico, he was promoted to Director of Field Staff in which capacity he was serving when he accepted the position of Scout executive here.

Having served on the National Camping and Aquatic Staff, Mr. Harris had as his "hobby" the development of aquatics in the Boy Scout Program. Many Councils have adopted the use of a program he developed for the training of young men in aquatics. His former duties consisted of the supervision of professional men, development of Council program and advisor to Council Operating committees and development of adequate Council finance.

Mr. Harris attended the University of Oklahoma, where he was active in sports, is a member of the Masonic and Elks lodges and a Rotarian. He has been an active church member and lists as his hobbies, "sports" and "people".

## NEWS ITEMS OF 20 YEARS AGO

Gathering, more than 200 strong, local farmers met in regular session, with Geo. Henderson presiding as chairman. John Turcotte, president of Gray Co. Agricultural Ass'n was present and gave an interesting talk, recounting experiences during his long residence in the Panhandle, dating back to the time when Indians roamed this region. It was voted to affiliate with the Texas Agricultural Ass'n.

Wheeler County was represented at the A. A. U. basketball tourney at Plainview by two groups of high school girl players from Briscoe and Allison. Girls from Briscoe scheduled to participate were: Lois Aderholt, Lorene McNeill, Vera Myrtle McNeill, Ruth Morris, Dorothy Lohberger, Daphne Young, Mabel Barnes and Margie Vaughan.

Those going from Allison to uphold that school's reputation in cage circles were Oleta and Ruth Jones, Ruby Gunter, Helen Hayes, Ruth Garner, Bonnie Brown, Lottie Bell Traylor, Virginia Dillon, Virginia Mae Wright, Juanita Johnson, Ruth Richardson and Fleeta Mae Hickerson.

"Admirers of good horses had a treat Saturday, when G. W. Mason, farmer living 7 1/2 miles east of town, exhibited Dan, a splendid Percheon stable horse, on the streets here. The animal is of the black, short-haired northern stock of Percheons, and a beauty."

From a special release from Denton. . . "On the basis of outstanding work in scholarship, Miss Mary Lou McIlhany of Wheeler has been awarded honors for the first semester at Texas State College for Women" Miss McIlhany was a freshman majoring in chemistry.

## Do You Know Your School? (An Editorial)

The need for the public school never changes, but times and conditions may change or require changed methods and practices of public education. This is inherent with anything that grows, for growth is the result of change.

Our Texas public schools were created 102 years ago. In 1854 the first law passed establishing the public school.

It is a healthy thong in our democratic way of life to have intelligent understanding of the important functions of our basic institutions. This is especially true of the schools. The initiative and resourcefulness and the wisdom and leadership that our schools are inculcating in the youth of today are the answer of the problem of citizenship in the years ahead.

Yes, "bring me men to match my mountains". That is the need of our times and must come from the public schools—schools that are strong in virtues required for building strong men and women.

We can be assured of this and do our part in understanding and helping the public schools to fulfill their great obligation to our times by being a participant in the annual Public Schools Week, March 5 through 10. Schools will hold open house; accept their hospitality, and you will enjoy the experience of going back to school—if but for a day.

## "THE STREETS" TO BE SHOWN HERE WED.

The Wheeler Chapter of Key Club International will sponsor a showing of "The Streets" at the First Baptist Church on Wednesday night, March 7. The following morning it will be shown at an assembly program in the Wheeler Schools.

The film audience will see how Skid Row alcoholics drink wood alcohol by squeezing the liquid through stale bread to strain out the poison.

They will see scenes of the "bottle gang," whose members rendezvous in an alley to share a

## ANOTHER LONG TIME RESIDENT ENTERS RACE

Lewis Underwood announces his candidacy for Commissioner in Precinct 1. His home has been in this precinct since 1919. He went to school at Wheeler and was engaged in farming at Wheeler for several years.

In 1941 he moved north of Mobeetie and has lived there since with the exception of one year in service.

Mr. Underwood is married and has three children. He is engaged in road work now and has been the past two winters. Mr. Underwood states, "It is with the present and past experience that I have had in road work that gives me the desire to serve the people of Precinct 1 as Commissioner."

"I feel capable of maintaining roads, care of machinery, as well as handling the business matters of the precinct."

I run subject to the action of the Democratic Primaries. Your vote and influence will be greatly appreciated.

## ART EXHIBIT IN LIVE FORM

Students of the Wheeler Schools will present an art program featuring living pictures Tuesday evening, March 6, at 7:30.

The program will be worked up by the students and faculty, with each member and group responsible for two or more pictures.

Highlights of the program will be such pictures as "Christ in the Temple," by Hoffman, presented by the Key Club; "Mother" by Whistler; "Blue Boy" by Gainsborough, portrayed by Darrell Moore, and "The Man With a Hoe," portrayed by Bruce Topper. These are representative of the thirty-five living portraits of the evening's program.

Proceeds from the program, 25c for adults and 10c for students, will be used for the advancement of an art program in the school.

## PAST MASTERS TO BE HONORED

Past Masters of Wheeler Masonic Lodge No. 1099 will be honored in special services at the regular meeting of the lodge on Monday night, March 5. "Recognition Night" for past Masters is an annual event.

Past Masters of the Wheeler lodge include: A. B. Crump, R. H. Forrester, C. F. Pennington, H. E. Nicholson, C. J. Meek, Lee Guthrie, L. T. Lee, C. L. Lewis, H. J. Garrison, Jr., F. D. Atherton, R. G. Russ, Jr., E. A. Zybach, C. A. Mason, W. O. Puett, Joe K. Clark, D. L. Kiker, Carl Levitt, A. L. Hibler, Jr., Otis Reid, B. R. Lane, and the late D. A. Hunt.

C. B. Kirk, who was master of the St. Joe Lodge No. 483, is an affiliated Past Master. Lloyd Aglin is the present Worship Master of the Wheeler lodge.

## KELTON SINGING WELL ATTENDED

C. O. Killingworth, president of the Wheeler County Singing Convention, said singers and visitors were pleased with the loyal support given his group by people of the Kelton community when the convention met at Kelton on February 26.

A large number of Kelton people turned out for the program, he said. Next meeting of the singers will be at the Nazarene Church in Shamrock on Sunday, March 25. Singers from four other counties attended the Wheeler county convention, helping to put on excellent quartet and group singing numbers. The public is always welcome.

## HOLIDAY AHEAD AS TEACHERS MEET MARCH 9

Teachers from all schools in the Wheeler area will attend the annual Conference for Education in Amarillo, Friday, March 9. Teachers from the entire 26-county Panhandle district will be present.

Pupils and students of the Wheeler area will be more interested in this fact: Friday, March 9 will be an all-day holiday.

In the innovation this year the program will include a full day's meeting but will not include an evening session. Outstanding speakers have been secured for the morning program, to be held in the Municipal Auditorium, opening at 9.

The afternoon session will include discussion groups in the various subjects led by elected leaders of the area.

Dr. R. E. Darnell, Dean of Frank Phillips Junior College, Borger, is president of District 9, which is a part of the Texas State Teachers Association. He will preside at the opening session. Other officers are Mrs. Grace Scott, Tulsa, vice-president Oscar Schuette, Canyon, secretary; Joe Champion, Perryton, treasurer; M. W. Graves, Stinnett, membership chairman of TSTA; Ruth Lowes, Canyon, membership chairman, National Education Association; Mrs. W. B. Burkhalter, Amarillo, publicity chairman; and Dr. Em-

## PEDESTRIANS NEED TO OBEY TRAFFIC LAWS

"Many pedestrians on our streets today are a constant hazard to themselves and others by their reckless disregard of traffic laws."

The view was expressed by Wheeler County Sheriff, Bus Dorman, today in his discussion of the Know and Obey Traffic Law program which the Texas Safety Association and the Department of Public Safety is conducting this month in cooperation with the National Safety Council.

"How many of us can plead 'Not Guilty' to sneaking across a street on a red light, or jaywalking, or to doing any of the other extremely hazardous things which spell disaster to so many pedestrians in traffic each year?" Mr. Dorman asked.

Emphasizing that traffic laws were made for the protection of both pedestrian and motorist, the Sheriff said that statistics indicated that many traffic accidents are caused by reckless pedestrian walking habits and an indifference to the necessity for obeying traffic laws at all times.

"Traffic signals represent the expert thinking of engineers and safety authorities and are used for the protection of both motorist and pedestrian," Mr. Dorman said. "When we disobey traffic laws, whether motorist or pedestrian, we're cheating ourselves as well as others, the Sheriff said. "It might be fun to fool yourself at solitaire — but don't try the same thing in modern traffic. It might be fatal!"

## RETAIL SALES DOWN SLIGHTLY

Retail sales in 1954 of 164 stores in Wheeler County totaled \$9,701,000 according to preliminary 1954 Census of Business figures announced by the Bureau of the Census, Department of Commerce.

This was a decrease of 3.6 per cent under the sales in 1948 of 174 stores at \$10,068,000. Stores with payroll in 1954 numbered 110, had 373 paid employees in November 1954, reported payroll of \$716,000, and accounted for sales of \$8,949,000. Proprietors of unincorporated businesses numbered 179. The number of stores and their 1954 sales, grouped by major kinds of business, were: 25 food stores, \$2,236,000. 23 eating and drinking places, \$544,000. 10 general merchandise group, \$672,000. 4 apparel and accessories stores, \$284,000. 7 furniture, home furnishings and appliances, \$309,000. 9 automotive group, \$2,188,000. ## PUBLIC SCHOOL WEEK ACTIVITY

In observing Texas Public School week, the Wheeler Schools will present a Colonial Art exhibit in the high school on Tuesday, March 6th.

One-hundred fifty prints from the Colonial Art gallery in Oklahoma City have been received, according to Supt. A. E. Brown.

These are excellent prints from the world's most famous masterpieces. They show the progress of art from the Italian Renaissance period through the period of the 18th century portrait painting of England; the French period of Millet and Breton in portraying peasant life; the German period of Rubens and Hals; and the entire development of art in America.

## DRIVERS TOLD TO SLOW DOWN ON WEST ROAD

Motorists are cautioned to watch their speed on State Highway 152, between Wheeler and the Gray county line, by Clyde Drake of Wellington, resident engineer with the State Highway Department, and Jack Taylor of Shamrock, maintenance supervisor.

Two wrecks have already occurred on the 16-mile strip, now under construction, and others may follow with resulting injuries unless motorists observe warning signs and keep their speed below the 40-mile limit, said Drake and Taylor.

Two teen-agers were injured in an accident seven miles west of Wheeler when a '52 Ford, driven by Frank David Veiga, 18, of Montecello, Calif., hit a bridge barricade and landed in an open bridge hole.

The bridge was under construction. None of the six passengers in the Ford was believed seriously hurt. The car was demolished. A car belonging to Harold Callan of Wheeler was badly damaged in an accident on the strip of Highway 152 which is under construction.

The maximum speed on the 16 miles of pavement is 40 miles an hour, said the highway engineer, and there are several places where the speed must be reduced much more to make driving safe.

The road is being widened and rebuilt. When completed it will be a 24-ft. wide lack top with a nine-inch base. One thing for motorists to remember, said the highway engineer, is that driving conditions on the 16 mile strip change hourly.

## PUBLIC ASKED VISIT SCHOOLS ALL NEXT WEEK

The public is invited to visit Wheeler county schools during Public Schools Week in Texas, March 5 to 10.

A committee of which Jesse J. Dyer is chairman, and Leo Hubble and Carl Levitt are members, extends the invitation on behalf of all Wheeler County administrators and faculty members.

The Wheeler chamber of commerce also joins in the appeal to parents and patrons that they avail themselves of the opportunity to visit their schools, get acquainted with administrators and teachers, and observe the work being done.

"Your presence at your school during this week will indicate an interest and will be encouraging to those who have the responsibility of educating your children," said Harry Wofford, president of the Wheeler chamber of commerce.

"When citizens of a community begin to share their ideas about the educational program available to their children, then better schools will result," he said.

Mr. Dyer called attention of patrons to a statement recently made by Mrs. Leon Price, president of the Texas Congress of Parents and Teachers:

"Our children deserve the very best education we can give them—to that I believe everyone will agree. However, the types of schools we have in our respective communities depends largely upon the interest we take in our schools. Educators and school boards can't do the job alone—a great deal of the responsibility falls upon us, the average American citizen.

"One way that we can indicate this interest and share this responsibility is to visit one or more schools in our community during PUBLIC SCHOOLS WEEK, March 5-10, 1956. I urge all citizens to resolve, now, to set aside a period during this time to get an "inside look" at the biggest and best investment we have in the future of our communities, states and nation—our public schools.

## SOIL SAVING STORIES TOLD

A small but enthusiastic audience attended the Soil Conservation District Association program given in the Wheeler vocational ag building Monday night. The meeting was sponsored by Wheeler county implement dealers who were represented by Archie Hibler and Al Thomas of Wheeler and Stuart Tisdal of Shamrock.

District representatives present were: Clifford Walser, Mobeetie, Clarence Zybach, Briscoe and Bennie Schlegel, Shamrock. Twenty-eight persons attended.

Tisdal presented an excellent color film on soil conservation, followed by a discussion on economics. Farm problems such as land and equipment prices were aired. Tisdal also gave a background on the organization and operation of major implement companies.

The next meeting will be on March 26 when Clarence Zybach will furnish the film and lead the discussion on grass seeding and seed harvest.

## Cub Scouts Receive Awards Here Friday

At a Pack meeting of Cub Pack No. 72, held in Fellowship hall last Friday evening advancement and achievement awards were presented by Dorsie Hutchison, Chairman of the Cub Pack Council. The awards were pinned on the boys by their mothers. The following boys received awards: Larry Garrison, Terry Vanpool and Mark Thomas received Wolf badges and a gold and silver arrow. Jimmy Adams received his Bear Badge.

### CHILD STATUS EXPLANATION

The many inquires received indicates that there is a misunderstanding regarding the taxpayer status of dependent children earning \$600 or more. W. C. Bowen, officer in charge of Internal Revenue Service in Pampa announced today.

"A child earning \$600 or more

qualifies as a taxpayer and must file a return and pay any tax due. This is true whether the parent claims the child as a dependent or not. Parents are responsible for the tax due from minors," Mr. Bowen said.

"Parents may claim the dependency deduction for a child earning \$600 or more under certain conditions. The parents must furnish more than half the support of the child to qualify the child as a dependent. The child must be under 19 years of age, or over must meet the qualifications

of a student. A student must attend a full-time school during at least five months of the calendar year. Such schools include only institutions with a regular faculty and student body and do not include corresponding schools, night schools and employer training schools.

"For example, a child 21 attended a college as a full-time student during 1955 and earned \$720 which he used for school expenses. The father spent \$850 for the child's support. The child is required to file an income tax return and pay

tax due on the above earnings. The father can claim the child as a dependent on his return since he contributed over half to the child's support. A child earning less than \$600 who has had tax withheld should file a return so that the tax withheld may be refunded to him," Mr. Bowen said.

Farmers who passed up the January 15 deadline for filing estimates of 1955 income need to file their final 1955 income tax return by February 15, 1956 to avoid penalty, says Mr. W. C. Bowen of the Pampa Internal Revenue Office.

For income tax purposes, a farmer is one who derives two-

thirds or more of his gross income from farming.

Wednesday Study Club**

Mrs. Lee Foster of Canyon, Tex-  
as, was guest speaker when the  
Wednesday Study Club observed  
Texas Day on February 22 in the  
home of Mrs. Harry Wofford.

Mrs. Foster, an outstanding club  
woman, educator, lecturer, and a  
member of the Texas Heritage  
Department of the Texas Federa-  
tion of Women's Clubs, was in-  
troduced by Mrs. R. Wm. Brown.  
Mrs. Foster reviewed the book  
"The Far Journey", by Loula  
Grace Erdman, another distingush-  
ed Texan.

A quartet made up of Mesdames  
C. J. Meek, Carlton Thomson, Geo.  
Porter, and T. M. Britt sang "Love  
and Grow", a selection for which  
Mrs. Foster composed the music.  
Mrs. Madge Porter played the ac-  
companiment.

Those enjoying this outstanding  
program were: Mesdames, Frank  
Noah, Grainger McIlhany, T. M.  
Britt, R. Wm. Brown, L. C. Lafin,

**Wheeler County Soil  
Conservation  
District News**

Seeding of sand lovegrass and  
weeping lovegrass has already  
started in the Wheeler Soil Con-  
servation District. Some plantings  
of switchgrass, bluestems and  
indiangrass will be made in the  
near future. T. C. Lott of Wheel-  
er is seeding some native grass  
for hay meadow. D. P. Killgo is  
planting to seed some weeping  
lovegrass and blue panic near  
Kelton.

All grass seeds have gone up in  
price this spring and it looks like  
the price will hold through this  
season. There are a lot of acres of  
native grasses in the district that  
could be harvested this year.  
Switchgrass is retailing for \$1.35  
per pound. The wholesale price  
should stay near a dollar per  
pound for the season. Most of the  
native grasses are near this price.  
If you have any grassland you can  
save for seed, the Soil Conserva-  
tion Service technicians assisting  
the Wheeler District will be glad  
to check it with you. The yields  
will not have to be very high to  
pay good returns.

Seed plots make good winter  
pasture so little or no grazing is  
lost. Harvesting can be done with  
ordinary combines available all  
over the district.

Wallace Fields and Dee Crow-  
der of Shamrock are building some  
new terraces. The moisture is good  
for moving soil. If you have been  
waiting for moisture, it may be as  
good as you will get outside of  
crop season.

**New Super Startena  
To Go With Your  
Well-Bred Chicks**

They go together like bees and  
honey... well-bred baby chicks  
and Purina Super Chick Startena.  
Compared to the U. S. average of  
185 eggs a well-bred chick will  
lay from 200-210 eggs per year.  
For a few cents extra chick cost  
the feeder stands to get about 20  
extra eggs worth about 3 cents  
each or an extra 60 cents income  
per bird.

And to get the most from your  
chicks be sure to start them on  
improved Purina Super Startena.  
Tests show it gives:

1. Super growth... 56% faster  
growth than the 1955 formula.
2. Super economy... 7% larger  
chicks on the same amount of  
feed as last year.
3. Super safety... because it  
comes with new coccidiosis con-  
trol mixed in, if desired. Costs  
only 1/5 per cent per chick extra.
4. Super vigor... bright color-  
ed legs and even feathering. New  
ingredient in formula gives chicks  
pep and vigor.
5. With all these extra Purina  
Super Chick Startena costs less  
this year. Get the facts on this  
good buy!

**Now Is The Time  
To Start Hurrying  
Pigs To Market**

Peak prices used to come in  
September, but they have moved  
forward to August. Start hurrying  
your pigs to market now and cash  
in on those peak prices. Yes, sir,  
time means nothing to a hog but  
it mean dollars to the hog man  
and so do big litters.

Did you know that the average  
hog man weans only about 6.47  
pigs per litter. At the Purina  
Farm we have weaned 9.15 pigs  
per litter. Since it takes 5 pigs  
to break even, we can see where  
the average hog man isn't too

well off. We're sure you can use  
the extra profit from four extra  
pigs.

And, we don't stop at weaning.  
The average hog man markets only  
about 11 pigs per year per sow,  
but at the Purina Farm under  
ordinary conditions 17 pigs are  
marketed per year per sow. Thou-  
sands of hog men in all sections  
of the country are marketing  
1,750 to 2,000 lb. litters in 5  
months and less on the Purina  
Hog Program. That's why more  
hogs are grown on Purina than  
any other feed. Let's do some  
figuring with you and then make  
a pig-weighting date. We'll show  
you results with your own pigs.

**Directions For  
Orphan Pigs**

Feed Purina Nursing Chow dry  
one week, then supplement it with  
Baby Pig Chow. Feed both Nurs-  
ing and Baby Pig Chow for 2  
more weeks, then Baby Pig Chow  
alone until switching to Pig Star-  
tena at 6 weeks. Then feed pig  
Startena until orphans are 9 weeks  
old. After that they can be  
handled like sow-raised pigs.

**HEALTH  
HINT**

CHEK-R-TABS — One tablet  
sanitizes a quart of water up to  
24 hours. Baby chicks need this  
protection. Costs only pennies per  
chick.

PURINA DISINFECTANT—A  
solution made from it will ef-  
fectively kill common germs in  
feeders, waterers, brooders and  
other equipment. Complete direc-  
tions on label. Get both products  
now so they'll be ready when the  
need arises.

**YOU IN THE CHURCH**  
**THE CHURCH IN YOU**

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are making religious character. Statesmen today declare that the church alone can furnish leadership in these perilous times. Then we the officers of state in these perilous times. Then we wish our children should go to the church of the Church in you. Form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

Williams Reprints, Phoenix  
P. O. Box 211, A. Wash., Tex.

"What shall I render unto the Lord for all His benefits?" (Psalms 116:12). Every man of earnest and serious mind must ask himself this question as he meditates on the goodness and the Grace of God toward him. We want to do what is right in our every association with God and man. The Government takes as its proper share at least twenty per cent of every man's income. WHAT IF GOD SHOULD REACH DOWN INTO YOUR LIFE AND MINE AND TAKE WHAT REALLY BELONGS TO HIM? How much would be left for us? Have you raised corn? Or did you and God work together in making the corn crop? And just which of you put more time and energy into the process? Have you "struck" oil? Who spent centuries creating the oil and holding it in the underground lake until you came along? Is the oil really all yours? What is God's share? YOU AND GOD ARE PARTNERS IN THE OIL BUSINESS; WHAT IS HIS PORTION?

Jesus Christ is our revelation of the generosity of God who has been the eternal Giver, enriching us with every sort of good thing. From the day of the first creation God has been at work with and for man. Each of us represents in his body and in his soul the everlasting toil of God, who truly wants to make us His children and who desires us to join Him in making an ever better world for His sons and daughters to live in. JESUS IS OUR PATTERN OF WHAT A MAN CAN GIVE TO HELP IN THE PURPOSE OF GOD. HOW MUCH DID JESUS GIVE BACK TO GOD?

Jewish and Christian people have agreed that we ought to give at least a tenth of our income to God and His Church for the carrying on of His redemptive program. A tenth will not necessarily discharge all our debt, but it will show a sense of deep gratitude. Everything is His, even the cattle of a thousand hills and the abundant harvest from the fields. He gives us everything which makes life abundant. Our ideal is to join in the prayer, "Take my life and let it be consecrated, Lord to Thee." Let's be good partners with God. Let us be His co-workers. MAY WE GLADLY GIVE BACK TO HIM AT LEAST A TENTH OF WHAT HE SO FREELY GIVES US."

hang these prints in the senior study hall Monday after school. Mrs. Gordon Whitener heads this committee.

James E. Prock, chairman of the advertising committee, has scheduled periods for the students of each grade to study the pictures. Each grade will be accompanied by its sponsor. This schedule covers from 9:00 a.m. to 3:00 p.m.

The public is invited to see the pictures from 3:00 to 6:00 p.m. Sharon Green, Kay Clemens; Peggy Pride, Shari Lee and Nancy Brown will act as hostesses. The small fee of 10c for students and 25c for adults will be used for purchasing pictures for the school.

Recent guests in the T. A. Treadwell home were Mr. and Mrs. Elvin Hawkins of Ellensburg, Wash. Mrs. Hawkins is Mrs. Treadwell's niece.

Mr. and Mrs. W. O. Weatherly and Mr. and Mrs. Jess Moore made a trip to Elk City, Sunday.

**KIWANIS NOTES**

Nine members of the Wheeler Club visited the Pampa club in an inter-club visit for February. This week five members of the Pampa club were guests at the local luncheon Monday noon. Brother Darrell Taylor was also a visitor this week.

Mr. Brown brought an excellent program in connection with Texas Public Schools Week to be celebrated here next week. It consisted of numbers by the sixth and seventh grade chorus under the direction of Mrs. Harrison Hall, and a talk on the Student Council by Sharon Green. Both parts of the program were well received and well rendered.

It looks like we would get an inter-club visit out of the meeting to be held in Lawton on March, when the International Kiwanis President, Jack Raney, will be the principal speaker. Good work Ray.

David has announced an interesting program for next week so let's all be out to enjoy it. Don't forget the director's meeting Thursday evening if you need a make-up.

bottle of cheap wine and spin tall tales.

"The Street" is based on an actual case history from the files of the Pacific Garden Mission, who are sponsoring the new film, according to Superintendent Harry Saulnier. It tells the story of a youthful alcohol who turns to God out of the depths of spiritual and physical need. Wm. Whitener is Lieutenant Governor of Division District VI, Texas-Oklahoma District of Key Clubs International; Francis Pride is president of the local chapter, and Claude Cox is secretary. The club is to be commended for their part in bringing this film to our community that youths and adults alike may be shown what is actually taking place in other communities.

There will be no admission charge and the public is cordially invited to view this film either showing.

The Coral — From an item entitled "Minute Interviews" Question: What do you like to read best in the corral.

Dorothy Burgess: Gossip, Oh, sometimes I like to read the Wampus Cat whenever it is put in the paper.

Irene Hunt: "Well, I always read the columns first. The Wampus Cat and Caught in the Lasso's Noose."

Wallace Pendleron: "Sports Slants will be O. K."

Ford Newkirk: I don't think I have anything special. I guess the sports. I always read them first."

Mazie Bean: "I just start in and read it all. I suppose I like the gossip best, because I always read it first."

From the grade school "Colts" column — Some of the pupils trying out for picture memory were, Hiram Whitener, Emily Lou Ahler, Raymond Herd, Odus Hooker. In the arithmetic division, seventh grade only, Lowell Farmer and Tris Hooker.

committee, and study the engineers plan and specifications.

The program will be under the direction of the county agent, and will be an informative approach to many farm, and ranch problems.

The Wheeler County boys and girls did themselves proud at the Top O' Texas Junior Livestock Show and Sale at Pampa this week just passed. We want to congratulate them on their fine showing, and hope to see them go on to greater triumphs in the future.

We want six beautiful girls from sixteen to twenty years of age to ride on the Wheeler float at the Shamrock Irish Day Parade. So, girls send entry to Dick Guynes, and do it as soon as possible.

Mr. and Mrs. Harold Hill who were seriously injured several weeks ago in an automobile accident were returned to their home near Wheeler Monday afternoon after having been released from an Amarillo hospital.

The next meeting of the Wheeler Chamber of Commerce will be at Nora's Cafe, March 13, 7 p.m.

We would like to see a large attendance of the membership, and any one interested in the growth, and development of Wheeler is invited to be on hand and ask questions about the proposed sewer, and water improvement project. It is to every citizens interest to keep informed on the plans, and cost of these civic improvements as an informed public is the better qualified to cast an intelligent vote if and when and election is called. Everyone is urged to call on the
