Dates Set for County, Precinct Conventions

A. B. Crump, Chairman of the Wheeler County Democratic Executive Committee, posted notices this week calling for precinct conventions to be held in all voting precincts at 11 o'clock Saturday morning, May 5.

The conventions are to be held at the usual voting places for Democratic Primaries.

DAMAGE CAUSED BY WINDSTORM SUNDAY NIGHT

The windstorm which struck this area late Sunday afternoon caused considerable damage to property. Weather observers rated the storm as the worst since 1936.

Probably the greatest damage was caused at the farm of Mr. and Mrs. Grady Harris of Mobeetie, where for the second time in two months, the roof was blown from a building housing the family's two cars, a pickup and farm machinery.

About one-third of the roof of the 30-foot by 80-foot building was torn off, one portion of it going in one direction and another part in the opposite direction.

The gable of the building fell in, leaving only a sliding door track standing at the end of the form.

The hoods and fenders of two passenger cars, a 1936 Chevrolet and a 1933 Chevrolet were smashed. (Continued on last page)

Owen Service Station Adds Mechanical Dept.

Owen Service Station here announced this week that starting Monday, April 16 they would have a complete mechanical repair shop open at their location on the northeast corner of the square in Wheeler.

Bill Owen, owner and operator of the Texaco Station said this week that his new building was being completed and that Monk Bowerman, well known mechanic of this community, had been engaged to operate the repair department of the station.

Bill is installing the latest and best in test and repair equipment and invites his friends and the public to drop by and try out the repair department.

Annual Meeting Set For Thursday Night

The annual meeting of the Wheeler County Chapter of the National Foundation for Infantile Paralysis will be held at the district courtroom in Wheeler at 8 o'clock Thursday night, April 12.

All officers of the chapter and other interested persons are urged to attend, according to Harry Wofford, chapter chairman.

CONTRIBUTIONS STILL NEEDED BY RED CROSS

Contributions to the annual Red Cross fund drive are still coming in and a total of \$538.50 was reported up to Tuesday afternoon.

Of that amount, Wheeler reported \$306.00, Kelton \$200.00 and Briscoe \$32.50.

Mobeetie and Allison had not reported their collections at that time.

The public is invited to continue turning contributions to their community chairmen, as the Red Cross will be called on for relief funds all over the country as the storm season advances.

"Thanks to everyone for the donations received to date," the chapter officials said.

THEFT CHARGES FILED AGAINST 2 OKLAHOMANS

Two Oklahoma men, charged with burglarizing the Bill Owen Service Station in Wheeler of about \$115.00 Saturday night, were arrested in Littlefield Monday.

Their arrest followed a statewide pick-up order sent out by Sheriff Bus Dorman.

One of the men, Jimmy Ross, is being held in the Gray County jail in Pampa. Ross was under five-year probation to the Gray County Sheriff on a forgery count.

The other man, Leon Crosby, is in Wheeler County jail. He was under five-year probation to Sheriff Dorman on charges of passing forged checks on Ed and George Davis.

Charges of theft of more than \$50.00 have been filed against the two men.

They had about \$80.00 in their possession when apprehended by officers in Littlefield.

3 BURGLARIES ARE REPORTED AT SHAMROCK

Wheeler County peace officers are searching for burglars who broke into three business houses on Highway 66 in Shamrock on Sunday and Monday nights.

Victims of the culprits were the Dixie Cafe and Lucy's Cafe on Sunday night and O. K. Rubber Welders on Monday night.

A small amount of money was taken from each place, according to Sheriff Bus Dorman.

Burglars entered the Dixie Cafe after breaking out a window panel in the rear of the building. They took between \$35.00 and \$40.00 from the cigarette machine.

Sheriff Dorman was able to lift some fingerprints of the burglars. About \$25.00 was taken from the cigarette machine at Lucy's Cafe. The burglars were unable to break into the music machine. The thieves entered through a rear door, after breaking out a window panel and releasing the night latch.

Only a few pennies and a key to the Coca-Cola machine were taken from the cash register at O. K. Rubber Welders. There was evidence that the burglars had attempted to break into the cigarette machine. The burglars gained entrance to the building by breaking out a rear window.

Bond Election Called May 1st

The City Council, convened in special session at their regular meeting place, last Monday evening received the petition of the Chamber of Commerce asking for a Bond Election to be held for the purpose of constructing improvements, repair, and extensions to the present waterworks and Sanitary Sewer Systems of the City.

Percy Farmer introduced the resolution calling for the bond election order and moved its adoption. Riram Whitener seconded the motion and City Attorney D. O. Beene has posted the notices of election. The election call is published in its entirety elsewhere in this issue of The Times.

The election has two propositions on the ballot and either or both may be passed independently of the other. No. 1 calls for a bond issue of \$61,000 for the improving, repair and extension of the waterworks of Wheeler with the levying of a tax in payment thereof. No. 2 calls for the issuance of bonds in the amount \$49,000 for the purpose of construction improvements and extensions to the Sanitary Sewer System of Wheeler and levying a tax for the payment of same.

The election has been called for May 1, 1936 in the Commissioner's Courtroom at Wheeler, Texas, with A. B. Crump as election judge. Any qualified voter residing within the City limits of Wheeler having rendered taxable property in the City of Wheeler is eligible to vote between the hours of 8 a.m. and 6 p.m. on Tuesday, May 1.

STORM SIGNAL TO BE SOUNDED AT 3 P. M. THURS.

On Thursday afternoon at 3 o'clock the storm warning signal will be blown in Wheeler as a test to find out what will be the most readily heard and understood in the event of an emergency. Fire Chief R. J. Holt, Jr., stated this week.

The department is planning to sound the alarm if the necessity arise this season and some doubt has come up as to what would make the best alarm system. Mr. Holt said.

On Thursday the Firemen will be in various parts of Wheeler to ascertain which of the two signals being sounded is the most readily heard and easiest understood. One long blast held for approximately one full minute will be sounded by two blasts of 30 seconds duration each. One of these or maybe both will be the signal used in case it is necessary to warn residents of approaching storms or storm conditions the chiefs said.

Anyone living in a five mile radius of Wheeler having a telephone who wishes to become a part of the storm watching setup is requested to contact either Chief Holt or Assistant Chief Bob McNeil, the chief stated. The department is interested in securing a ring of watchers that will call in the storm if one is sighted. Radio contact will be made with neighboring communities through the sheriff's department in case of storm conditions and warnings will be given from information received by them as well as the local watchers the chiefs stated.

Next week The Times will announce the official storm warning signal as decided upon after this test Thursday afternoon, April 12.

SPECIAL CITY ELECTION CALL

The City Council convened in special session last Monday night, April 9, issued a call for a special election to fill the vacancy created in the council by the resignation of C. B. Kirk, who was elected mayor in the regular municipal election held April 3.

Anyone wishing their name placed on the ballot for the post of Councilman should make same known to City Secretary, Reba Wofford, or on before Wednesday, April 18, last day for filing.

The election call states that the election will be held in the Commissioner's Courtroom in the courthouse at Wheeler, Texas, between the hours of eight a.m. and six p.m. on Saturday, April 21. A. D. "Red" May has been named as election judge.

The new council was qualified and seated at the meeting held Monday night. C. B. Kirk became the mayor and Dorsie Hutchison replaced Chester Lewis as a member of the council.

Changes in Time Of Services Announced

Changes in time of services at the First Baptist Church were announced this week. The following schedule will prevail during the summer months:

Training Union at 7 p.m. with worship services to follow at 8 p.m. on Sundays. Midweek prayer service will be held at 8 p.m., on Wednesdays, preceded by senior choir practice at 7 p.m.

Mrs. R. M. Adcock of Little Rock returned home Tuesday after spending the last two weeks in the home of her sister, Mr. and Mrs. Jim Mason at Briscoe.

Wage and Hour Law Is Explained At Meeting

Many cotton farmers are violating federal Child Labor Laws and are subject to prosecution if complaints are filed, P. D. Riley, investigator for the U. S. Department of Labor, told a gathering of 100 people in Shamrock Monday night.

Farmers and ranchers are exempt from the \$1.00 per hour minimum wages and the 40-hour week in practically all instances, he said, but are subject to the federal statute forbidding the employment of children under 16 years of age while school is in session.

The investigator said a farmer employer is himself held responsible for employing under-age Latin American children to pull cotton, rather than the "crew leader" or foreman of a work gang.

SPEECH CLASS PRESENTS PLAY

The Seventh (A) Grade Speech Class will present "No More Homework", a 3-act comedy by John Henderson, in the gymnasium at 7:30 P. M. Friday April 13.

When Pamela Jones, Kay Parsley, was elected student council president, never in her wildest dreams did she foresee having to make the thousand and one decision required of a school principal. Should she abolish home work, as one friend helpfully suggests? Should she stand behind an unpopular teacher? Should she keep the school's star athlete out of the state basketball tournament for disciplinary reasons? These are only a few of the headaches (Continued on last page)

Newsletter from

CONGRESSMAN WALTER ROGERS

Congress is no stranger to criticism. And rightfully so, in our democratic form of government. Our country has been built to its present greatness by the constructive criticism of those who are interested in correcting situations and conditions to the ultimate benefit of all. May it ever be so.

The so-called Easter Congressional recess has brought an extra helping of criticism from several sources, generally. Some of the Metropolitan dailies have made some rather caustic comments about Congress taking a recess. The manner in which they have treated the subject would lead one to believe that it is somewhat like a school recess where everyone goes out to the playground and has a romping good

time. However, this is certainly not true.

The term, "recess", actually refers to the suspending of official sessions of the Congress for a period of about 10 days. It does not mean that all congressional work is suspended. In fact, my working days has increased from 10 or 11 hours to about 14. There are several reasons that have caused this. One is the farm bill, which is presently before a Conference Committee. We from the farm areas worked very closely with the Senate during the final passage of the farm bill and have continued to work very closely with the Conference Committee in order to iron out many of the kinks in the bill. This, of course, caused us to lay behind some in our correspondence and other duties. We can use the recess time in order to catch up in this respect. Another would be the fact that the Conference Committee has remained in session during this recess and has worked long, hard hours. Many of us have continued during the recess to work in close cooperation with the Conference Committee and this, of course, requires additional hours. Another reason is the fact that I want to get back home for at least a few days during the suspension of activities of the Congress. In order to do this, I must get ahead in much of my work here so that I will not be too far behind when I return.

I never read some of the columnists, commentators or editorial writers, treating the subject of recess, that I don't think of the little boy at Wildorado who wrote me several years ago and told me that he was writing his Congressman because he wanted something done about school. His complaint was that the study hours were too long and the recess was too short. I can well remember when I was his age that I felt the same way. I guess life is just that way. When you're young, there isn't enough time to get all of the playing done, and when you get older, there isn't enough time to get all of the work done.

I noticed in a local paper that some politicians are going to use as a battle cry, "the do nothing 84th Congress". This does not surprise me much, because this group is bent on trying to get votes at any price and they are looking for some easy catch phrase that will be acceptable to the New York public relations firms that are being paid to propagandize the country. One has but to stop and think to realize that a "do nothing Congress" could well be a great contribution to the welfare of this country.

It might furnish the Members the time and opportunity to go over the laws that are on the books and correct some of the mistakes that have been made in past years. It certainly would be soothing to the American taxpayer, because he could be assured of at least one session of Congress that wasn't trying to raise his taxes. One of the oldest political sayings in Texas is that a legislative body

Metropolitan Opera To Visit Dallas

Above, Blanche Thebom and Robert Merrill
Below, Leonard Warren and Eleanor Steber

Dallas civic leaders will import the world renowned Metropolitan Opera Company to the State Fair Auditorium for four performances May 11 to 13. Four of the company's stars are pictured above. The season will present: Friday, May 11, evening, "Tales of Hoffman," with Blanche Thebom, Richard Tucker, Lucine Amara, Mildred Miller, Laurel Hurley and Martial Singher; Saturday, May 12, matinee, "Don Pasquale," with Robert Merrill, Roberta Peters, Fernando Corena and Charles Anthony; evening, "Tosca," with Leonard Warren, Zinka Milanov, Giuseppe Campora and Gerhard Pechner; Sunday, May 13, matinee, "Der Meistersinger" with Eleanor Steber, Otto Edelman, Giorgio Tozzi and Albert Da Costa. The Dallas Grand Opera Association, headed by Arthur L. Kramer, Jr., president, has opened offices at 1315 Elm St., to receive reservations from Southwestern opera lovers.

that is not in session cannot pass any tax bills. Many people have told me that if Congress was graduated on the number of bills it did not pass, at least some headway would be made toward stopping the confusion.

The telephone company could make one of the greatest contributions to mankind if they would work some system to provide a separate telephone for each teenager in the house. A telephone man told me not long ago that this had already been worked out, and that you could have as many phones in your home as you could pay for. What he didn't under-

stand is that if you can afford teen-agers, you can't afford extra telephones.

I get to talk to my home one each day, unless Jean calls me. The only successful method I have found of reaching my home is to ask the operator to interrupt the conversation between one of my teen-agers and another teen-ager. The operator is adamant in this respect and advise me that, unless it is an emergency call, there will be no breaking in. I cannot convince myself to call it an emergency, and usually end up talking to the President of the local tele-

phone company or one of his cabinet in order to get a directive sent down the line to please let Congressman Rogers of Texas talk to his home.

Dads Can Handle New Baby Diaper

Moms and dads with blessed events in their homes will soon be singing the praises of Mary Virginia and Walter Payne of Kilgore. A preformed diaper, tailored to conform to the contours of junior's posterior from birth until he becomes too old for breech-cloths, is the reason.

Dad will probably be doing the loudest singing because of the diaper's simplicity. A tuck here, a pin there and there, and dad can do an outstanding job in changing junior's wardrobe.

But it took many years of trial and error before this new diaper, called No-Fol, was perfected to the extent it won a blue ribbon fashion award.

It started in Houston, about 20 years ago when Grandmother Hughes got so tired fooling around with conventional diapers she had to keep in condition for her grandchildren.

Mrs. Hughes' final result was simple. From the diaper's two sides a quarter-moon is cut from the cloth, leaving something like the side view of a blacksmith's anvil. These oval-shaped pieces of cloth, along with four layers of diaper gauze, become the padding for the seat of baby's new britches. This padding is then sewn to one of the two pieces of bird's-eye material making up the eight layers of the finished product.

Pediatricians have voiced their approval of the diaper because it eliminates excess bulk between baby's legs, helps him to walk easier, causes less irritation and keeps him more comfortable. During the 1955 State Fair of Texas the Dallas Fashion Arts, Inc., gave the diaper its blue ribbon seal of approval.

The Paynes came into the picture in 1951, when Grandmother Hughes was trying to get her diaper on the market.

With the simple addition of a clip-cord, the new diaper serves as a bib for baby; thrown over the shoulder, it becomes a burp cloth, and on trips away from home it can be used for a soiled clothes bag.

Wheeler County Soil Conservation District News

The Wheeler Soil Conservation District Supervisors met at Wheeler last week and reviewed progress being made on grass planting. H. C. Watherby, Voc. Ag. Teacher at Shamrock, M. C. Swarts, Voc. Ag. Teacher at Mobeetie and Marl Jaco of Wheeler attended. These men are looking after district owned grass drills for the supervisors. They report that the drills are all busy.

Howard Caswell is building some terraces on his place north of Wheeler. Clyde Whittle has just completed a diversion in his place north of Shamrock. H. H. Hall has just completed some terraces on his farm west of Twitty.

Farmers who have recently become District cooperators include Howard Caswell of Wheeler, O. T. Nicholson, Est. of Shamrock, D. C. Hale near Twitty and C. C. Jones on his farm southeast of Wheeler.

Soil Conservation Service Personnel assisting the Wheeler District have been collecting information to design and lay out irrigation borders for Wiley McCray north of Mobeetie. Land leveling and borders make irrigation easier and save a lot of water.

LEGAL NOTICE

ORDER FOR BOND ELECTION
THE STATE OF TEXAS
COUNTY OF WHEELER
CITY OF WHEELER

On this the 9th day of April, 1956, the City Council of the City of Wheeler, Texas, convened in Special session, at the regular meeting place thereof with the following members present, to-wit: C. B. Kirk, Mayor; P. L. Farmer, Hiram Whitener, A. O. Vanpool, Dorsie Hutchison, Aldermen

Reba Wofford, City Secretary, and the following absent: None, constituting a quorum, when among other proceedings had were the following:

Alderman P. L. Farmer introduced a resolution and order and moved its adoption. The motion was seconded by Alderman Hiram Whitener. The motion carrying with it the adoption of the resolution and order prevailed by the following vote: AYES: Aldermen Dorsie Hutchison, A. O. Vanpool, Hiram Whitener, P. L. Farmer. NOES: None.

The resolution and order are as follows: whereas the City Council of the City of Wheeler, Texas deems

it advisable and to the best interest of said City to submit to the resident property taxpayers qualified voters of said City the propositions for the issuance of bonds of said City for the purposes hereinafter mentioned.

THEREFORE, BE IT ORDERED BY THE CITY COUNCIL OF THE CITY OF WHEELER, TEXAS:

That an election be held in the City of Wheeler, Texas on the 1st day of May, 1956, which date is not less than 15 nor more than 30 days from the date of this order, at which election the following propositions shall be submitted to the resident qualified property taxpayers of said City, who own taxable property in said City, and who have duly rendered the same for taxation, for their action thereupon:

PROPOSITION NO. 1
"Shall the City Council of the City of Wheeler, Texas, be authorized to issue bonds of the City of Wheeler, in the sum of \$81,000.00, payable serially or otherwise not to exceed thirty (30) years from their date, bearing interest at a rate not to exceed 6% per annum, payable semi-annually, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to redeem them at maturity, for the purpose of constructing improvements, repairs and extensions to the waterworks system of said City, as authorized by the Constitution and laws of the State of Texas."

Said election shall be held at the following place and the following named persons are hereby appointed officers of said election: In the Commissioners Court Room, in the Court House in Wheeler, Texas, with A. E. Crump, as presiding Judge, and _____ as Clerks. Said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds of Cities, as provided in the General Laws of the State of Texas, and only qualified voters who own taxable property in said City and who have duly rendered the same for taxation, shall be allowed to vote. The ballots for said election shall have written or printed thereon the following:

of Texas."

PROPOSITION NO. 2
"Shall the City Council of the City of Wheeler, Texas, be authorized to issue the bonds of the City of Wheeler, in the sum of \$49,000.00, payable serially or otherwise not to exceed thirty (30) years from their date, bearing interest at a rate not to exceed 6% per annum, payable semi-annually, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to redeem them at maturity, for the purpose of constructing improvements and extensions to the Sanitary Sewer System of said City, as authorized by the Constitution and laws of the State of Texas."

Said election shall be held at the following place and the following named persons are hereby appointed officers of said election: In the Commissioners Court Room, in the Court House in Wheeler, Texas, with A. E. Crump, as presiding Judge, and _____ as Clerks.

Said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds of Cities, as provided in the General Laws of the State of Texas, and only qualified voters who own taxable property in said City and who have duly rendered the same for taxation, shall be allowed to vote. The ballots for said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF

THE WATERWORKS SYSTEM BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF, AS SUBMITTED IN PROPOSITION NO. 1."

"AGAINST THE ISSUANCE OF THE WATERWORKS SYSTEM BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF, AS SUBMITTED IN PROPOSITION NO. 1."

"FOR THE ISSUANCE OF SANITARY SEWER SYSTEM BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF, AS SUBMITTED IN PROPOSITION NO. 2"

"AGAINST THE ISSUANCE OF THE SANITARY SEWER SYSTEM BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF, AS SUBMITTED IN PROPOSITION NO. 2"

Each voter shall vote on the propositions hereby submitted by placing an "X" in the square beside the expression of his choice on each proposition, or said voter may scratch or mark out one of said expressions for each proposition, thus leaving the other as indicating his vote.

A copy of this Order signed by the Mayor of the City of Wheeler and attested by the Secretary of said City shall serve as a proper

notice of said election.

The City of Wheeler, having only one election precinct, the Mayor is authorized and directed to cause said notice of the election to be posted at the City Hall and at two other places in said City, for at least fifteen full days prior to the date of said election.

The Mayor is further authorized and directed to have said notice of election published in some newspaper of general circulation published in said City and which notice shall be published on the same day in each of two successive weeks, the date of the first publication being not less than fourteen full days prior to the date of the election.

PASSED AND APPROVED this 9th day of April, 1956.

Wheeler County Precinct 1, entered a claim to having the only native stone masonry bridge in the county and probably in the Panhandle. The bridge was located 5 1/2 miles north of Wheeler and was made of the same stone as was used in the construction of the old Mobeetie court house and jail. (In 1884 a quarry was opened at the Sorensen hill and the material for structures was hauled to the site by ox drawn wagons) Sid Hodnett was general overseer of the work, and Will Warren, master stone-mason.

At the annual school election of Wheeler Independent School District, J. W. Barr and Jim Sisner were reelected.

Military Reserve Week Proclaimed by Shivers

AUSTIN, Tex.—(Special)—Military Reserve Week in Texas, April 22-28, has been proclaimed by Governor Allan Shivers to spur enlistments in the Armed Forces Reserve.

The drive has been sponsored on a nationwide basis by the National Security Committee (a civilian organization composed of patriotic and veterans organizations) and its 19 constituent organizations.

Already active in the state of Texas are the Amateur Athletics Union, American Gold Star Mothers, American Legion, American Legion Auxiliary, Am Vets, Disabled American Veterans, Disabled American Veterans Auxiliary, Jewish War Veterans, Military Order of the Purple Heart, Military Order of the Purple Heart Auxiliary, Reserve Officers Association, United Spanish War Veterans Auxiliary and the Veterans of Foreign Wars.

Military Reserve Week has been proclaimed by President Dwight D. Eisenhower, Secretary of Defense Charles E. Wilson, Secretary of

the Army Wilber M. Brucker and Army Chief of Staff Maxwell D. Taylor.

This program is designed especially to acquaint youths between 17 and 18 1/2 years of age, and their parents, with the need for strong and ready reserve forces in the national defense effort.

Under the provisions of the Reserve Forces Act of 1955 young men without prior military service may join a ready reserve unit, or a unit of the National Guard, take six months active duty for training, and fulfill the remainder of their military obligation in their own home towns.

room in Wheeler, at 10 o'clock Tuesday morning, May 8, to elect delegates to the state convention to be held at Dallas on May 24.

Chairman Crump asks that members of the Wheeler County Democratic Executive Committee be present and meet immediately after the county convention adjourns to estimate the cost of the July and August primaries and apportion the cost among the candidates. It is important that all candidates be present at the meeting, Mr. Crump said.

May 19 is the final date for candidates to pay the committee their filing fees so that their names will be placed on the primary ballots.

ed and a feed mill was damaged. About the same amount of the pairs had just been completed. A roof of the same building was blown off in February, and carpenter who checked the damage Monday said he could find no defects in the construction and that in his opinion a freak wind was the only explanation.

Power service was interrupted Sunday night when the REA line broke at the creek near the Hogan Risner home, northwest of town.

The roof blew off a cow barn at the Clifford Heffley's farm about 5 p.m. and crashed into a secondary power line.

Firemen were unable to reach the scene of a fire at the Frye Ranch during the peak of the storm because of poor visibility.

Extent of damage to crop and pasture land has not been estimated by agricultural leaders.

that confront Pam and Her boy friend, "Bulz" Bailey, Jimmy Atherton, who unexpectedly finds himself doubling as vice-principal and "home ec" teacher, within an emmette in one hand and a dress pattern in the other.

Romance kinks up its lovely heels, too, in this merry turnabout. Who would have ever guessed that elderly Miss Goodin, Cecille Williams, "carried a torch" for the confirmed faculty bachelor, Mr. Harper, Joe Loter? Who would ever have imagined that "Tick" Tok, Bill Green, the diminutive janitor, would eventually dominate Mrs. Ratchet, Dorothy Hall, the demon scrub lady who — every body suspected — rode home each night on her broomstick?

All of these things — and more

— keep Acting-Principal Pamela Jones in a whirl! One complication swiftly leads to another! Before long, the entire school seems upside down, and everybody is "down" on her. She even has to mill in for the lead in the school play at the last minute!

Then somehow, with the return of Mr. Lundquist, Carroll Killingsworth the real principal, situations manage to right themselves; and Pam and "Bulz" and the rest of the school return to normal. Well, more or less!

Others in the cast include: Anna Belle Yates, Sharon Farris, Jerry Burgess, Carolyn Sims, Audie Jo Holdeman, Kenneth Burks, Kitty Hibler, Wayne Hill, Jan Pitcock, and Charles Abercrombie.

ill over 40 hours per week. He suggested full information of coverage and exemptions under the law may be obtained from the nearest Wage Hour office, which for West Texas is located at Room 304, Post Office Building, Albuquerque, New Mexico.

He explained that the only change in the recent law was raising minimum pay from 75c to \$1.00 per hour; that other provisions such as overtime pay requirements and child labor provisions remain unchanged. He recalled the minimum wage was 25c an hour when the law went into effect in 1938; that it was raised to 30c the next year to 40c in 1940. It has been 75c since 1950.

"The \$1.00 minimum wage actually affects only about 9 per cent of the covered working population," he said, "as over 90 per cent of

Antarctica Houses Built For Comfort at 100 Below

How can members of Rear Admiral Byrd's Antarctic expedition keep their houses warm in the frigid temperatures near the South Pole?

The Navy recently revealed that the 60 buildings being put up on Antarctica are specially designed to withstand cold. They have windows with three thicknesses of glass, two air spaces between the glass, and four-inch-thick doors that are sealed against the cold by special rubber gaskets that are impervious to below-zero temperatures.

The walls and ceilings of the building are insulated with full-thick mineral wool, the same material used in private home insulation.

Scientists who designed the buildings, which are part of this

country's contribution to International Geophysical Year, 1957-58, say the occupants can keep comfortable even if the outside temperature plummets to 100 degrees below zero.

Before the \$1,000,000 buildings were approved, the Navy tested two sample structures in severe temperatures in a special "cold chamber" at the Detroit Arsenal.

"Mineral wool," used as insulation, is a comprehensive name for fire-resistant rock wool, slag wool and glass wool made from mineral substances. It has been used for more than 100 years.

About 3½ inches of mineral wool has the same insulation value as 6 feet of concrete or brick, or 15 inches of plaster board. The insulation has millions of tiny air cells which trap heat.

those covered were receiving \$1.00 or more when it became effective. There are many, many millions of laborers not covered."

Mr. Riley said 927,000 Texan workers are now subject to the federal minimum wage, 378,000 of them in manufacturing. Next largest classification is transportation, communications and utilities with 193,000.

It is estimated that approximately 76 per cent of those who are not now receiving at least \$1.00 per hour are engaged in manufacturing. The remaining 24 per cent would be engaged in non-manufacturing work subject to the act.

The Act applies to employers engaged in interstate commerce or in the production of goods for interstate commerce and requires

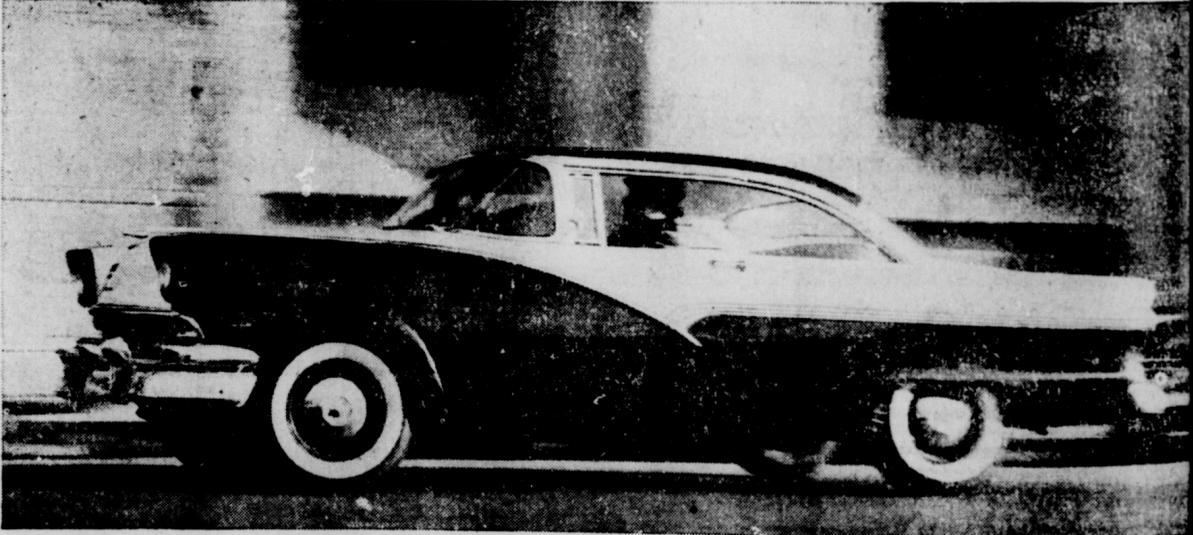

that employees so engaged be paid \$1.00 per hour for all hours worked and not less than time and one-half their regular rates of pay for all hours over 40 weekly.

It was reasonably estimated that 24,000,000 wage and salary workers in the United States are subject to the minimum wage provisions, slightly less than 10 per cent of whom are presently receiving less than \$1.00 per hour. In Texas alone it is estimated that 92,700 are not earning as much as \$1.00 per hour at this time.

Mr. and Mrs. W. L. Williams, Jr. of Borger visited Friday night through Monday with relatives in Wheeler.
