IMPORTANT FHA CREDIT MEET SET FOR FRIDAY

A meeting of importance to representatives of all sources of agricultural credit in Wheeler County, is being held October 5, at the Commissioners Court Room at 2:30 p.m. Wheeler, Farmers Home Administration County Supervisor advised today.

Invited to attend and participate are all local bankers, representatives of Production Credit Association, Federal Land Banks, insurance companies, farm machinery and supply dealers, and representatives of all agricultural credit agencies.

This meeting, and a similar meeting in every county in Texas, has been suggested by Walter T. McKay, Farmers Home Administration State Director at Dallas. It is an outgrowth of the interest of all people interested in and serving Texas farmers and ranchers. Its purpose will be to give those present information regarding Farmers Home Administration loan programs and to work out a proper working relationship with (Continued on last page)

OSCAR F. JONES SERVICES HELD

Funeral services for Oscar Franklin Jones were conducted from the Church of Christ in Allison at 3 o'clock Wednesday afternoon. Mr. Jones came to the county from Madill, Okla., in 1928. He was laid to rest in Zybach Cemetery beside his wife who passed away April 16 of this year. Mr. Jones passed away at the home of a daughter, Mrs. Clara Ramsey of Anadarko, Okla.

Palbearers were: Ray Brown, Carl Levitt, Rex Miller, Ernest Begert, Bob Markham, and Vernon Hall.

Minister C. M. Walkup of Gould, Okla., assisted by Minister Joe Dukes had charge of the last rites. Kirk Funeral Home was in charge of interment in the Zybach Cemetery.

Oscar Franklin Jones was born May 1, 1878 at Paris and departed this life September 30, 1956, at the age of 78 years and five months. (Continued on last page)

Grass Drill Now Ready At Wheeler FFA Bldg.

According to J. G. Watson, advisor of the Wheeler Chapter of Future Farmers of America, the Future Farmers of America District Grass Drill is now ready for use. The drill has had a complete overhaul at the factory this summer and is in excellent condition.

Those wishing to use the drill this fall may sign up at the Wheeler Vocational Agriculture Building with Mr. Watson. Rent for the drill is 50c per acre payable to the Wheeler FFA. Part of the proceeds received from the drill are used to finance chapter activities. The rest goes into the FFA district treasury. Remember sign up now or you may have to wait.

Annual Flower Show Is Scheduled For Saturday

In spite of the prolonged drought, the Annual Flower Show will be held Saturday, October 6, at the school cafeteria, is expected to be a thing of beauty.

The show is being staged under the auspices of the North Wheeler County Garden Club of which Mrs. Cora Hyatt is president. Mrs. Geo. Taylor is general chairman of the show committee and Mrs. Frank Walker is publicity chairman of the show.

The '54 Study Club will serve refreshments with the proceeds going to the Wheeler Library.

Judging will be done between the hours of 10:30 a.m. and 1:00 p.m. Exhibits will be scored by the standard system of judging, and the decision of the judges will be final.

A tri-color award will be presented for the best arrangements in the show. A sweepstakes ribbon will be given the member with the highest score in horticulture.

Club membership is not required for eligibility to enter exhibits and anyone wishing to exhibit arrangements is invited to contact one of the officials.

The public is cordially invited to view the beautiful exhibits that will be on display throughout Saturday.

'56 SOIL BANK PAYMENTS BE ISSUED SOON

Although authorization has not been received for issuing Soil Bank payments for 1956, the ASC Office in Wheeler is continuing preparation of payments so that they can be issued without delay when the order comes.

This information was released in a news letter to farmers by Albert C. Marshall, office manager of the Wheeler County ASC. Agreements will be accepted through Friday, October 5, for Soil Bank wheat acreage reserve, Marshall said.

"Remember, this is the yearly program. Rental rate is the farm normal yield at the rate of \$1.19 per bushel. Original agreement will be a maximum of 50 per cent of the 1957 wheat allotment and includes a request for coverage of 100 per cent dependent on availability of sufficient funds in the county allotment.

"Generally, the 1957 program contains the same provisions as 1956," Marshall stated. Marshall listed the undesirable varieties of hard red winter wheat for 1957 as: Stafford, Pawnee, Sol 33, Red Chief, Champion, Earls, Blackhull, Red Jacket, Kaniking, New Chief, Blue Jacket, Purkof, Cimarron and Red Hull.

LOCAL FFA UNIT NAMES LEADERS

J. G. Watson, advisor of the local FFA Chapter, this week announced the organizational meeting of the chapter and the election of local officers for the 1956-57 year.

Officers elected were: president, Larry Hunter, son of Mr. and Mrs. Hoy Hunter; vice president, Roland Miles, son of Mr. and Mrs. R. L. Miles; treasurer, Dale Bowerman, son of Mr. and Mrs. O. L. Bowerman; secretary, Harold Crossland, son of Mr. and Mrs. Tom Crossland; sentinel, Jim Porter, son of Mrs. Madge Porter; reporter, Garth Nash, son of Mr. and Mrs. Harold Nash.

On Tuesday, September 25, the "Top 'o Texas" district of Area I held a district meet in Pampa to elect the district officers. At this meeting two local FFA Chapter members were elected to district offices. They were Reporter, Kearby Weatherly, son of Mr. and Mrs. Haskell Weatherly; and Sentinel, Delbert Thomas, son of Mr. and Mrs. Al Thomas.

The District Meet is scheduled at Darouzett on Tuesday, November 13.

Mr. Watson says the boys are full of interest and pep this year and that he expects them to make a good showing for themselves in FFA work.

Mr. and Mrs. Glen Farmer and son of Canyon, spent the week end in the home of his parents, Mr. and Mrs. Ebb Farmer.

BOY SCOUT FUND DRIVE TO START HERE TUESDAY

The annual fund raising campaign for the support of the Adobe Walls Council of Boy Scouts will get underway here with a "Kick-off" breakfast at Nora's Cafe. Workers who will be in charge of the various teams doing the soliciting along with team members will converge at 7 a.m. for the pep talk and final instructions. Thurman Rives, finance drive chairman, announced this week.

Mr. Rives stated that the troop requirements in money would be about the same as last year. The goal has been set at \$500 for 1957, he said. This amount is needed to defer the required expense of the various scout groups in our community. There are 29 adult workers who are contributing their time and energy through the year and we are asked only to donate of our means that they might have the needed money to carry-on. A small part of the over all load of Scouting.

Particular emphasis will be placed on trying to secure as many regular monthly subscriptions as (Continued on Last Page)

MUSTANGS DOWN BEARCATS 46-0

The Wheeler Mustangs downed the Erick, Okla., Bearcats at Nicholson Field here last Friday night in a Non-Conference battle. The Mustangs proved to much for the Bearcats and in the last quarter of the game tallied 21 points on plays dealing with aerials. Two pass interceptions and a completed pass accounted for the scoring. Harold Ried kicked three for three in the last stanza.

After see-sawing for about half the first quarter Harold Crossland swept left end for 35 yards and the TD. The try for extra point was not good. A few minutes later, Hershell Hutchison recovered a Bearcat fumble on their own 5-yard line. Porter went off tackle for the TD. Jaco carried the extra point to bring the score to 13-0 as the quarter ran out.

Shortly after the second quarter started Dill punted 50 yards to Jaco who returned it 10 to the 23. Jaco on a pitchout from Crossland carried for 25 to the 48. Porter OT for 40 to the 12. Then Crossland pitched out to Satterfield who carried for the TD. Point after was not good.

Gilchrist and Gibson were the defensive stand outs for the Bearcats in the first half, with Gibson also doing a superb job in the offense. Fumbles plagued both teams all during the game.

Martin kicked off for the Bearcats to start the third session, to Crossland who returned 10 to the 42. The ball was lost to the Bearcats on a fumble where it was 1st & ten for the Bearcats on their own 43. After making a first to the Mustangs 44 the Bearcats went to the air and Porter intercepted a pass returning it 27 to the 29. Porter again carried the last 5 for the TD. Extra point not good. Score 25-0 Mustangs.

Moore kicked off 38 yards to Dick Dill who returned it 37 yards. Mustangs held for three downs and Dick Dill got off a beautiful 57-yard punt with the wind, which Jaco returned 55 yards to the 20. Satterfield picked up 9 as the quarter ended. Porter came back on the first play in the fourth quarter to score from the 11. Harold Reid kicked point.

Moore kicked off for the Mustangs and the Bearcats again went to the air. Pass from Don Dill intended for Roger Elms was intercepted on the Bearcat 30 by Jaco who scampered the distance for another TD. Reid kicked point.

Moore kicked to the 10 with Hardy returning to the 28. The Bearcats lost the ball on downs on their own 46. Caswell, Courtright and Weatherly carried for a first on the 35. Weatherly no gain. Courtright made 5. Weatherly lost (Continued on last page)

Church Celebrates Rally Week in Wheeler

September 30, 1956 through October 7, 1956 has been designated by the First Methodist Church of Wheeler as Rally Week. During this week personal contacts will be made to enlist absentees for church attendance.

The week's activities will be culminated on October 7, when a goal of 100 per cent attendance has been set for the morning worship services.

The public is cordially invited to attend church at the First Methodist Church on Rally Day, October 7, 1956. Regardless of your faith, plan to attend church somewhere this Sunday.

Power Commission Cancels Gas Hearing

A hearing in reopened proceedings involving competing applications by Natural Gas Pipeline Company of America, Chicago, and Lone Star Gas Company has been postponed indefinitely by the Federal Power Commission.

The hearing was scheduled for October 1.

The building of pipe line facilities to make additional natural gas available to the Chicago company was proposed by both companies.

Last February a FPC examiner ruled in favor of Natural but the commission subsequently ordered the proceedings reopened after hearing oral arguments of his decision.

BANK DEPOSITS ARE UP; LOANS SHOW DECREASE

Bank statements published in this issue of The Times by the First National Bank of Wheeler and the First State Bank of Mobeetie, show that deposits are higher and loans lower than at this time last year.

The statements are published in response to calls made by the U. S. Comptroller of the Currency and the Banking Commissioner of Texas, and reflect the condition of the two banks at the close of business of September 26.

Deposits at the two banks total \$2,274,143, an increase of \$56,618 over the total of \$2,217,525 shown in the statements published last Fall, which reflected business on October 5.

The First National Bank of Wheeler has \$1,725,674 on deposit, and the First State Bank of Mobeetie has \$548,469.

Loans at the two banks are (Continued on Last Page)

4-H COUNCIL LISTS LEADERS

The Wheeler County 4-H Council met this past Thursday night in the District Court Room in Wheeler to elect their new officers for 1957.

Jim Teegerstrom, Council Co-Chairman, called the meeting to order at 8:00 P. M. and asked for the reading of the minutes of the last meeting by the secretary, Sandra Meek. Minutes read and approved, he asked for any old business to be brought before the council, as there was no old business. Jim reported the council made twenty dollars on their educational booth in the Free Fair at Shamrock, which would be turned over to the new Treasurer when elected.

Mr. then, declared the meeting open for nominations of new council officers for 1957. The following officers were elected: Co-Chairman, Jim Teegerstrom and Sandra Meek; vice co-chairman, Shirley Brashears and Jerry Lackey; secretary, Jacqueline Dodd; treasurer, Bob Martin; Parliamentarian, Ruth Fillingim; and Song Leader. MUSTANGS WILL PLAY QUITAQUE FRIDAY NIGHT

Enthusiastic over their lopsided, 46-0 victory last Friday night over the Erick (Okla.) Bobcat, the Wheeler Mustangs will journey to Quitaque this Friday evening to enter their first conference competition.

Game time for the contest between the Mustangs and Panthers will be 8 p.m.

The Panthers, like the Mustangs, have an impressive record, having won three of their four starts so far this season.

Their victories were over Kress, 27 to 12; over Floydada "B" 34-0; and over Hart, 21-19. The Panthers were blanked by Happy, 29-0, for their only defeat.

It was learned by way of the grapevine that Quitaque's star quarterback, Mayfield, will be out of the game Friday night because of a broken shoulder.

The Wheeler Mustangs, coached by J. D. Atwell, and his assistant, G. W. Daugherty, have chalked up two victories in their three games to date. After losing to the powerful Wildcats, 12-19, the local lads bounced back to whip the McLean Tiegns, 32-7, and the Erick Bearcats, 46-0.

Coach Atwell said earlier this week he expects to start practically the same lads as he did last week.

A large delegation of Mustangs fans are expected to follow their favorite gridmen to Quitaque for the important conference game.

KELTON P-TA SPONSORS BOY SCOUT TROOPS

In their regular meeting held at the Gymnasium on Monday night of this week the Kelton Parent-Teachers Association voted to sponsor the organization and growth of the Boy Scout movement in Kelton. A Scout committee was appointed and Cub Masters and Scoutmasters designated.

Members of the Scout Committee are: Garland Abernathy, chairman; Melvin Overcast, Buddy Arrington, Buck Henderson, Chester Beasley, and Carroll Adams is to assist them in getting the troop in operation.

Rev. H. E. Parmenter, pastor of the First Methodist Church of Kelton was named Scoutmaster. Joe Bailey, School Supt. at Kelton is Cub Master. Den Mothers for the Cub Dens are urgently needed. If you will assist in this work contact Joe Bailey, Rev. Parmenter or Garland Abernathy.

Wheeler Schools To Dismiss Early Daily

Supt. Earl Brown said this week that the Wheeler schools would operate on an early schedule during the Cotton Harvest period. Starting last Monday school starts at 8:10 to 11:30 noon till 12:15 with dismissal at 1:55 p.m.

"This is being done to help maintain the ADA of the school and at the same time allow the children to assist in gathering of the cotton crop," Mr. Brown said.

A drop in ADA means the loss of another teacher next year as the number of teachers certified to a school depend upon the Average Daily Attendance of the year prior to their teaching. Mr. Brown said the attendance was doing good thus far but that several of those enrolled at the beginning of school had dropped out or moved away and that he knew of a few more who were planning to move from the school. This makes it necessary to watch those absentees and keep them down, he said.

It isn't known when school will return to regular hours. That time depends upon the time required to get the crop out and the urgency of children's helping in the harvest of the cotton.

Mr. and Mrs. O. K. Henson, Jr., of Sweetwater and Mr. James Prock of Vega attended the Erick-Wheeler football game. Both Mr. Henson and Mr. Prock taught in the Wheeler schools last year.

Mr. and Mrs. Jack Garrison and family were business visitors in Amarillo recently.

Bryan Speck of Altus, Okla., visited friends in Wheeler recently.

BEETIE FFA NAMES LEADERS

Mobeetie agriculture classes Friday, September 21, to elect officers and make plans for the year. The following were elected officers:

Clarence Caldwell, president; Al Corcoran, vice president; Arriener, 2nd. vice president; Wayne Hogan, secretary; Wallis, treasurer; Clinton, sentinel; Charles Walser; Ferrell Baird, Parliamentarian; Bill Mundy, historian; and long leader is Paul Hathaway.

The program committee for the year is Archie Scribner, Hathaway, Ferrell Baird and Mundy.

Refreshment committee are: Gattin, Alford Corcoran, Wallis, Clinton Simpson and Mundy.

Swartz is the FFA Instructor.

New Hope For Canadian River Dam

There's a good chance that federal funds for the construction of the Canadian River dam will be included in the U. S. 1958 fiscal budget and work on the project can be started within 12 months. Congressman Walter Rogers has made formal request to Secretary of Interior Fred Seaton to set up a federal loan for the dam's cost under President Eisenhower's avowed "partnership" water policy. And Secretary Seaton, answering a telephone call in Deadwood, S. D., recently after said he would be glad to send Bureau of Reclamation engineers to confer with the Canadian River Municipal Water Authority, which has been trying to get private capital for building the dam. "We will be glad to cooperate in a feasible plan to provide water for the Texas High Plains through a partnership arrangement between the federal government and the local authority," he said. Seaton was in South Dakota on a speaking tour and had not yet received Rogers' letter. "I told Jack Porter (of Houston and Texas' Republican national committeeman) last week the Department of Interior would cooperate with any project that can be worked out under the Texas laws. "We're not trying to force any funds on your district—but engineers will explore the joint method

of financing with your Authority members." Authority directors were heartened when the Department of Interior had earlier approved a repayment schedule for San Angelo that would use only revenue received from the sale of water—no mortgage on tax funds. This formula washed out the last of the big objections on using federal funds for the construction of the dam—if such a plan can be worked out for the Canadian project.

The Authority would welcome back Amarillo, Pampa and Plainview, who withdrew from the Authority when it seemed that only short-term, high interest bonds could be obtained for the building of the dam.

Amarillo is not averse to getting Canadian River water if it can be brought to the 13 cents per thousand gallons rate proposed some time ago by the Bureau of Reclamation.

Rogers' letter to the Secretary of the Interior was sparked by a statement made by H. J. (Jack) Porter, Houston, Republican national committeeman, who last week declared the Canadian River Municipal Water Authority was entitled to the "partnership" arrangements between federal and local groups which is the basis of the San Angelo pending contract.

Half Million Spent On Study
 In his letter to the Secretary, Rogers re-stated the history of the project. He explained that since the project was authorized by Congress, the Bureau of Reclamation has already spent nearly half a million dollars on economic and engineering studies. He told the Secretary that an interstate compact agreement had been reached between Texas, Oklahoma and New Mexico on an apportionment of the Canadian River waters. He explained that the Texas Legislature has changed a state law removing a conflict between federal and state legislation on the title to the facilities when repayment of the project cost had been completed.

"Much has been said about a Presidential program advocating partnership in water projects. It is assumed that the President means a partnership by the people in the particular localities where the project is to be located on the one hand and the federal government on the other, and also that the Presidential proposal envisages in approximate 50-50 partnership in paying for these projects," Rogers wrote in his letter.

"Since the President did not send to the Congress any suggestion implementing legislation creating a new program in this respect, I must conclude that the President recognized that such a program could be carried out under the reclamation laws that were already in existence, and in fact had been carried out many times in the reclamation program in the past. The Canadian River Project meets fully and goes far beyond every re-

quirement that could be thought of under a partnership theory. In fact, more than 90 per cent of the cost of the project is an obligation assumed by the local people. The overall federal participation is much less than 10 per cent.

"Therefore, the Canadian River Project partnership between the local people and the federal government, in keeping with the President's suggestion, would be much better than a fifty-fifty partnership in so far as the federal government is concerned. The truth is that the local people would assume an obligation in their partnership of approximately 94 per cent of the cost of the project, while the federal government's participation would be approximately 6 per cent."

Rogers quotes from a 1954 Bureau of Reclamation letter: "Repayment of the total reimbursable costs of \$91,631,000 allocated to municipal and industrial water supply could be accomplished in 50 years with 2.6 per cent interest on the unpaid balance by means of 50 equal annual installments of \$3,296,000. On the basis of the adopted schedule of water deliveries the cost of water to the cities would be 13.8 cents per 100 gallons, in the first year of project operation, decreasing as water requirements mount to a minimum rate of 10.7 cents in the 19th through 50th year of operation. Variations in method of repayment would modify the foregoing rates. (The \$91,631,000 figure includes interest, operation and maintenance costs during construction.)"

Two plans for building the proposed dam at Sanford have been

explored by the Canadian River Municipal Water Authority.

The first was that proposed by the Bureau of Reclamation. Congress would appropriate the money for construction; the federal government would pay for the flood control benefits; cities would have 50 years to pay the balance of cost; and the interest rate would be comparable to that which the federal government pays on long-term financing. (The rate of 2.6 per cent per annum was set by the Secretary of the Treasury on April 30, 1953, for negotiation purposes.)

The second plan was for private financing of the dam—which would shorten the term of repayment to 35 years, would have a higher interest rate of minimum 4 per cent, and would not include some of the flood control and recreational facilities that the federal program proposed.

Three of the 12 cities in the Authority pulled out when a vote was taken on the advisability of accepting the private financing plan. The short repayment term and the higher interest forced the cost of water at the city limits to a possible 22 cents. There was another liability—in case of the dam washed out, or that it didn't hold water, the cities still must pay its cost to private bond holders. Although there is no law forcing the Bureau of Reclamation to make good on the dams it builds, by precedent the government has declared a moratorium for the cities if sufficient water supplies were not available.

In the meantime, the San Angelo Water Supply Corporation, a non-profit group recently established under state law, secured permission from the Secretary of Interior to deal with the Bureau of Reclamation for a federally financed, multi-purpose dam serving both city users and irrigators. Since the corporation had no taxing power, repayments could be made only from revenue received from selling water to the city and to the other users. The plan received approval by the U. S. Senate last session.

It was the approval of this plan that caused Porter to make a statement recently that the Canadian River Authority might seek the same approval.

Recently Porter said by telephone to the Sunday News-Globe that his only object was to get the federal engineers and the Authority directors together so "a workable, satisfactory financing plan can be worked out by which the Authority and the Bureau will jointly build the dam."

"When I was in Washington 10 days ago, I talked to Secretary Seaton and found that he was agreeable to re-negotiation."

Seaton's recent conversation was more emphatic. "I have talked with Commissioner Wilbur A. Dexeimer of the Bureau of Reclamation and he is already working out the details."

A member of the Amarillo staff of the Reclamation Bureau said last week that it would not be difficult to reconstitute the Authority so that Amarillo, Pampa and Plainview could re-enter if a joint partnership plan is worked out between the government and the Authority.

A spirit of unanimous consent to the re-opening of negotiations for the use of federal funds in building the dam was found on the High Plains recently.

Robert Maxey, Lubbock, Authority president said, "We will be happy to take up any new plans at the next meeting of the Authority directors. We have felt recent-

ly that the new partnership policy enunciated by Eisenhower might be a blessing in disguise. The Reclamation Bureau to of its requirements could get together on a plan. "We're not mad at the plan," he said. "We're not mad at the plan," he said. "We're not mad at the plan," he said.

Mayor Art Jordan of town Saturday, but Tem J. Armstrong would go along on plan".

"I'm speaking personally for the city if the cost of water can be worked down to cents a thousand gallons. Amarillo should and long," Armstrong said. "Mr. Armstrong of Congressman Walter 'taking the bull by the horns' taking steps necessary appropriation money year's budget."

At Pampa, Lynn B. or, was out of town. Fred Brook, the city said, "If negotiation personally feel our mission would listen tentative car. If the brought down to 13 consideration would be."

"I think Rogers' act commended, but our commission couldn't say, and whether or not our back in (the Authority ed out because we were with the setup."

A former director of city and president of First National Bank, son, said "It's difficult what Pampa will want personally, I think it would deal and I'll go along with Rogers."

George Finger, Bureau vice president, was interested in any revival supported plan which involve longer term repayment. "Every water user in Plains wants a dam—at possible cost," he said.

Mrs. Altha Hunt and Mrs. Merle Norman Ranch were in Wheeler. Mrs. Hunt is working in Office in Amarillo.

Mr. and Mrs. Buck Amarillo visited friends relatives in Wheeler over end.

Ike Better Democrat Than Adlai, Says Supporter

A bunch of us were standing around talking the other day, and the talk got around to politics like it usually does. Some of the boys said they'd voted for Ike in '52 and were going to do it again; some of them said they'd always voted the Democratic ticket straight and always expected to — you know how it goes around a little Texas town.

One fellow said something that made the rest of us stop and think. He said he was a Democrat, sure — always had been, and his father and grandfather before him. And he always felt like he had to vote for the best Democrat in the race, which he was going to do this year.

"And that means," he said, "that I'll have to cast my vote for Ike Eisenhower. He's a better Democrat, by my definition of a Democrat, than that other fellow ever will be."

And besides that, he said, Ike kept his promises to Texas and Texas ought to return the favor by keeping Ike.

You know, he might have had something there. "Gratitude" is one of the greatest words in the English language, and we all like to think of ourselves as being grateful when people do something for us. Like I heard a man say one time: "Texans are people who never forget anything that is done TO them — or FOR them." That's the way we think of ourselves, and it's about right.

This Eisenhower man pointed out that Ike promised to give the Tidelands back to Texas, and he kept that promise; he promised to do his best to close out Mr. Truman's war in Korea, and he kept

that promise, and he promised to give us a government in Washington that we could be proud of, because it was clean and honest and efficient — and, in this man's opinion, he had kept that promise. "I know you're reading and hearing a lot of stuff to the contrary," he told us, "coming from Brother Stevenson and Brother Kefauver and the rest of the politicians on the other side. That's politics for you. Everybody expects them to jump on Ike every way they can, and I guess they'll keep on doing it right up to Nov. 6. But the American people are smarter than some politicians give them credit for being, and before they vote they're going to sit down and ask themselves this question: "Remembering 1952, when our boys were dying in Korea and the newspapers were full of talk about mink coats and Communists and corruption in Washington — now, he honest about it: If you could, would you go back to 1952 and start over with Adlai Stevenson instead of Dwight D. Eisenhower?"

"This man said he wouldn't, and come to think of it, I wouldn't either. As a matter of fact, I think Ike has made us one of the best presidents we ever had. If we had to go to war, I'd certainly rather have him at the head of our government than any other living American. But even more importantly — I'm convinced he is the best man to keep up OUT of war."

"That's why I still like Ike — better than ever!"

Yours truly,
Tex

"Conqueror" Reveals Man's Rise To Power

"The Conqueror" Howard Hughes' \$6,000,000 RKO production now showing at the Liberty Theatre actually is not the story of Genghis Khan, as may be supposed, but the story of the young Mongol warrior, Temujin, during his earlier conquests before he was given the title of "Genghis Khan," meaning "Perfect Warrior."

It was during this period that Temujin performed a task, perhaps unequalled in the History of a man's rise to Power, and in portraying him in the big CinemaScope-Technicolor production, John Wayne gives one of the most impressive and virile characterizations of his notably successful screen career.

As shown in the film, Wayne's Temujin is hunted by adjoining tribesmen, most of whom were bitter enemies, each seeking to dispose his neighbor. Frequently even, he was turned against by his own tribesmen, yet his unquenchable passion for power and his determination to conquer everything in his way, carried him to a fulfillment that staggered the entire world or his time.

Co-starred with John Wayne in "The Conqueror" is Susan Hayward, as the daughter of his Tartar enemy, at whose feet he laid all the riches of Cathay, and Pedro Armendariz, who is seen as Temujin's blood-brother. Agnes Moorehead, Thomas Gomez, John Hoyt, William Conrad and Ted de Corsie top the supporting cast. Written by Oscar Millard, the epic film was produced and directed by Dick Powell.

County Home Demonstration Agent Texas A. & M. College Extension Service

San Antonio will be a busy place during the week of September 23-29. These are the dates set for the annual meeting of the National Home Demonstration Council, and the annual meeting of the Texas Home Demonstration Association meeting which follows, September 27-29. The Gunter Hotel will be headquarters for both meetings, but main program sessions will be held in the Municipal Auditorium. Delegates from 39 states, Puerto Rico and Hawaii will be participating in the national meeting. They will represent the 3 million

homemakers enrolled in home demonstration extension groups. Mrs. John Golightly, president of the Texas Association, says approximately 2,000 Texas club members are expected to take part.

The program is a full one, with special tours and activities planned for all, including visiting husbands. Many groups, arriving in special buses, are planning to tour various parts of the state and Mexico. Homemakers at the meeting will hear, among others on the program, Frances Scudder, Director of the Division of Home Economics, Federal Extension Service; Governor Allan Shivers of Texas; and Mrs. Oveta Culp Hobby, former secretary of Health, Welfare and Education.

Every state will have an opportunity to report on an outstanding part of their program. Highlights of the annual state meeting of Texas Home Demonstration Association, which opens Thursday, September 26, will be election of officers, program planning and work shop sessions in the six main areas of activity, citizen-

ship, education, health and safety, recreation, civil defense, and 4-H Club work.

Those planning to attend both the State and National meetings from Wheeler County are Mrs. Clarence Zybach, Mrs. E. D. Moore, Mrs. F. N. Keahey, and Mrs. O. T. Glasscock. The information which they bring back will be reported to all of the club members of the county.

They will go by chartered bus with other members from district 1, which includes all of the Panhandle.

We Are Ready To Do Your GINNING!

Yes, We are ready to do your ginning. We have completely gone over our ginning plant, motors and all, and have everything in tip-top shape to give you the kind of turnout you expect.

We have secured the services of Dennis James, of Shamrock, as our ginner this season. He is well qualified and has had real experience as a ginner.

If you need cotton pullers or if you need a job pulling cotton contact Fat Jones at the Paymaster Gin.

We extend a sincere invitation to each and everyone of you to bring your cotton to us for ginning this fall. We will render every service you can reasonably expect and the best job of ginning done anywhere.

It has been a pleasure to serve you in the past and we hope that we shall have the opportunity of continuing to serve you.

某人之鄰里

Somebody's Neighbor

He probably doesn't look much like the man next door. He does his arithmetic with the aid of a centuries-old gadget called the abacus, and he writes the results in characters that would be quite undecipherable to you... yet you probably have far more in common with him than you'd ever dream.

Like you, he wants peace. Like you, he wants a good future for his children, and he wants them to have more than he has had. Like you, he has experienced happiness and sorrow, love and disillusionment. Like you, he prays.

On World Wide Communion Sunday, he will be going to Church and, though this may seem a bit odd to you, he will be praying for you. Yes... for you, and for everyone else in the world, friend or enemy.

Why not join him? Why not, on World Wide Communion Sunday, go to your own church and include him... him and everyone else... in your prayers.

Pray for peace, too. Remember, the power of prayer is a wonderful thing... especially when it is given many voices.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Mobeetie P-TA Holds Meeting Sept. 20

The Mobeetie P-TA held their regular meeting September 20. A membership committee was appointed and it was decided the dues would be \$1 per family. They can be paid to Mrs. Moore, Mrs. Lefoy Vise, or Mrs. Kenneth Dou-thit.

Mrs. Leon Fillingim, president of the association, extends a welcome hand and urges all school parents to attend the P-TA meeting to help make this school year one of the best.

Mrs. J. J. Ayres visited recently with her son and family Mr. and Mrs. Clyde Ayres in Amherst.

If you look the world over, you'll never find so much good entertainment and spectacular fun as you'll find at the 1956 State Fair of Texas. This year's extravaganza, October 6 through 21, will present a kaleidoscopic program of sparkling entertainment, fashion shows, football games, livestock shows, agricultural and industrial exhibits, contests and special events, youth activities and carnival merry-making. There's something wonderful for everybody at this festival of fun!

Imagine these shows: "DAMN YANKEES" starring Bobby Clark and Sherry O'Neil, ICE CAPADES featuring "Peter Pan," Joie Chitwood's AUTO DAREDEVILS, and many new rides and shows on the MILLION \$ MIDWAY.

COTTON BOWL FOOTBALL: Texas A&M vs. Texas Tech on October 6, Texas vs. Oklahoma on October 13 and many big high school games.

And the big name talent: ELVIS PRESLEY on October 11, LOUIS ARMSTRONG on October 15, THE SPORTSMEN and ROGER WILLIAMS on October 16, VICTOR BORGE on October 20, FIESTA MEXICANA on October 9.

The fabulous sights: an ESPERANZA OF LIGHT, PAN-AMERICAN LIVESTOCK SHOW, a GALLERY OF PRESIDENTS in the Art Museum, amazing EXHIBITS in the Automobile Show, Electric Show, Gas Show, Women's Building, Food Show, Farm Implement Exhibits, Agriculture Show.

Not to mention free band concerts aerial acts and free shows at the INTERNATIONAL CENTER with exhibits of thirteen foreign countries, free MAGIC SHOW, PLANETARIUM.

Naturally, I'll be there to greet you... and to introduce you to my new pet Hereford. He's only 12 feet tall, but he's mighty cute.

Yesir, There's no doubt about it. We're Shootin' the Works, all right. It's the most extravaganza, most colossal, most sensational fair of all... and it's the biggest state fair in the world! Come 'n see!

Test Drive Today's New Flite-Fuel

DISCOVER WHY WE SAY:
IT'S PERFORMANCE THAT COUNTS!

Check off these Performance Advantages of Flite-Fuel

- Higher anti-knock
- Easy starting
- Fast acceleration
- Clean-burning
- More mileage

Claims of gasoline performance are one thing—actual performance something entirely different. That's why we make this suggestion: you've got nothing to lose and a lot to gain by test driving Phillips 66 FLITE-FUEL. Let your car's performance be the judge.

You'll discover ease of starting and responsiveness that you may never have suspected your motor could deliver. You'll benefit from the smoothness of advanced high octane. You'll get the advantages of controlled volatility and positive anti-stalling, and more miles per gallon, too. No other gasoline gives you the combination of high performance components you get in FLITE-FUEL.

Why not give FLITE-FUEL a try? Fill up today at any station where you see the familiar orange and black Phillips 66 Shield.

ed in all other types of building fires: mercantile, manufacturing, non-residential assembly, storage and miscellaneous.

The grand total — 409,044 fires — is greater by nearly 10,000 than the previous year's figure.

The only decrease, and it was a sizeable one, was in the number of grass and brush fires: 248,000 — more than 35,000 fewer than in 1954.

Home fires continue to be the most common type of building fire. In 1955 they represented 35 percent of all fires — a slightly greater percentage than the year before.

Chief Holt urges every household in the community, therefore, to increase his efforts to locate and eliminate fire hazards in his home.

Concert Group — (Continued from page one)

D. E. Blackketter, association president, expressed his appreciation to all of those people who have agreed to work during the drive and said that he felt certain that membership in the association would reach an alltime high this season.

Discussing the advantages that reciprocity with the associations in nearby cities offers members, President Blackketter called attention to the fine program scheduled in Pampa for the 1956-57 season: Nadine Connor, October 15; The Teltsechiks, November 1; The Songmasters, February 7; The Longies Symphonette, March 12; Ballet and Ballads, March 29.

Tentatively scheduled by the Shamrock association for the 1956-57 season is the Tanglewood Opera Quartet, featuring four brilliant young American artists who are destined to become the stars of tomorrow. They are: Sarah Fleming, soprano; Janice Moudry, mezzo-soprano; Marvin Worden, tenor; and Marshall Heinbaugh, baritone.

Mrs. Hall, Mrs. McIlhenny and Mrs. DeArment plan to attend the association's membership kick-off dinner in Shamrock Monday night, October 8, scheduled for 7:30 o'clock at the First Christian Church.

Bank Deposits — (Continued from page one)

\$46,915 lower than they were at this time last year. Loans at the two banks total \$552,128 now, as compared with \$599,043 a year ago.

Loans at the First National total \$377,380, and at the First State Bank \$174,748.

The statements reflect a healthy financial condition in this area in spite of the continued drought.

Joe Pitecock, Carly Anderson, Edward Killingsworth, Bill Overcast, and George Gandy made a fishing trip to Lake Kemp over the week end.

possible this year. The council feels that a specified amount each month, although it may be small is better for the donor and the the Scout movement than lump sum contribution to scouting. Mr. Rives said this means of financing the Scout Movement kept is closer to the mind than if a lump sum was given and then the entire thing forgotten.

When you are contacted Tuesday, support this cause to the utmost as it is one of the more urgent requirements of our community. Give either a sustaining (monthly) contribution or give a lump sum but GIVE SOMETHING!

them, since this agency's lending activities supplement but do not replace other sources of agricultural credit.

Mr. McKay has advised that, as a result of recently enacted legislation, the lending activities of the Farmers Home Administration have been broadened materially, and now makes it possible for the agency to serve the credit needs of a larger number of Texas farmers and ranchers.

months. He was united in marriage to Alice Tidrow, July 25, 1899, at Paris. To this union were born 14 children, 11 of whom survive.

Survivors include: six daughters, Mrs. Leola Brooks, Grand Prairie; Mrs. Clara Ramsey, Anadarko, Okla.; Mrs. Lucille Hefley, Almar, Okla.; Mrs. Oleta Chambers, Grand Prairie; Mrs. Corie Heopy, Norwalk, Calif.; Mrs. Ruth Graves, New Orleans, La.

Five sons: John Jones, Sudan, Kans.; Clarence Jones, Borger; Lloyd Jones, Allison; Weldon Jones, Southgate, Calif.; Oscar Jones, Concord, Mass.

Also surviving are two brothers, E. P. Jones, Amarillo; Warren Jones, Phoenix, Ariz; and a sister, Mrs. Clara Yates, Oregon. 23 grandchildren and 15 great-grandchildren.

Mr. Jones was preceded in death by his wife, Mrs. Alice Jones who departed this life April 16, 1956. Also by two daughters, one son, one sister, and two brothers.

Oscar Franklin Jones was baptized into the Church of Christ at the age of 11 years. He was a retired farmer.

4-H Council — (Continued from page one)

ers were Betty Terry and Gwendolyn Barnes.

Teegerstrom asked for any further new business, and Jerry Lackey moved, seconded by Bib Martin that the Council meet each month at 7:30 p.m. on the 4th Monday evening, and motion carried.

The Council decided to send at least four boys and four girls to the 4-H Recreational Party held in Pampa, to be accompanied by the County Extension Agents, Miss Vara Crippen and Bryan Swalm. It was pointed out by both agents that those 4-H members attending would be expected to teach the games learned in Pampa to other 4-H members when they returned. Members attending will be announced later. 4-H Council adjourned.

Scout Program — (Continued from page one)

said, "And we expect to have a record number next year. We want to be able to offer Scouting to any boy who asks for it next year."

"To do this, we must be able to help our local Scout executives and sponsoring groups."

The Scout budget will be used in many ways to help operate the program which develops physical fitness, self-reliance, a greater appreciation of God, a sense of personal responsibility, a spirit of helping people and many other Scout characteristics.

Part of the funds, said Mr. Rives will be used to maintain Camp Kiowa, where local Scouts go for their major camping materials, a service station for supplies and records, advancement standards and awards, training for leaders and professional leadership.

Mr. and Mrs. Tom Schaffer and son, Sammy, from Groom were Sunday guests in the home of Mr. and Mrs. Boyce Farris and family.

Mrs. Carl Linkey and Mickey of Shamrock visited in the home of their daughter, Mr. and Mrs. Harrison Hall recently.

Roselyn Williams of Memphis spent Sunday in the home of her brother, Mr. and Mrs. Cotton Williams and family.

Mr. and Mrs. Lem Gaines and girls were visitors in Pampa Sunday.

Mustangs Down — (Continued from page one)

3. Hunter passed to Harold Reid good for the 3 yard and TD. Reid kicked point.

Johnson kicked off for the Mustangs and the ball was returned 15 yards by Hardy as time ran out and the game became history. Score: Mustangs 46, Bears 0.

Gate receipts for the game totaled \$503.50.

KIWANIS NOTES

Four visitors attended the regular Monday meeting of the Wheeler Kiwanis Club at Fellowship Hall this week.

This being the Annual Meeting day officers for the coming year were elected: Frank Wofford, president; and Geo. Taylor, Gene Hall and Carroll Killingsworth, directors. Those officers will be installed later.

David brought another good football film, this one in slow motion and had the Coach and Mustang team as program visitors. Film was the TCU and A&M game in 1953.

Don't forget the directors meeting Thursday evening at 5. All officers and directors are urged to be present, also those needing makeups in their attendance.

Mr. and Mrs. E. D. Guynes spent the week end visiting relatives in Amarillo.

Mrs. Harold Hill has returned to Northwest Texas Hospital in Amarillo for treatment.

Wheeler County Soil Conservation . District News

Farmers in the southwest part of the district should not forget the supervisor election Tuesday, October 2 at 2:00 p.m. The election will be held at the Pagan Community Building. Anyone who lives in the district and owns land in the sub-division can vote. The area involved runs from the North Fork River south to 1 mile north of Highway 66. It includes everything west of the Magic City road.

Dusan Pagan has been representing this part of the district. He is finishing a regular 5 year term and is Chairman of the Board at the present time. You can show your appreciation for his service by turning out for the election. Bring your wife and double your vote.

Soil Conservation Service personnel assisting the district are scouring the countryside for any perennial grass seed. With the Soil Bank coming on, we will need all we can get. The most promising source seems to be small lots farmers bought some time ago and did not plant because of the drought. Grass seeds are good for several years. If you have some laying around the barn, they are worth plenty. Don't let them get out of the District. It is a seller's market and the demand will grow as time goes on.
