

8,642 ACRES WHEAT LAND IN SOIL BANK

One hundred and two Wheeler County wheat producers have placed 8,642.1 acres in the 1957 soil bank, according to Albert C. Marshall, office manager of the ASC.

The 102 farmers will be eligible for payments totalling \$95,590.69, according to Marshall.

Many producers placed their entire wheat allotment in the acreage reserve. The original terms permitting only 59 per cent of the allotted acreage to go into the soil bank were revised to allow 100 per cent participation, and many local producers took advantage of it, conceding that prospects for any sort of crop next spring are poor.

The final date for signing under this program has passed.

Contracts are still being signed for the long-term conservation reserve program, and will remain open until November 30, for those who want to include land for 1956 in the contract — and until March 15, 1957, for those who want to begin the program next year.

The annual payment rate for base acreage placed in the conservation reserve in Wheeler

County is \$9.00. Each producer is limited to \$5,000 annually under this program. An additional 80 per cent of the cost will be allowed for seeding the conservation reserve acreage to permanent cover. Noxious weeds — cocklebur and sunflower — must be controlled on the conservation reserve acreage.

The length of the agreements on conservation reserve contracts will be either five years or 10 years. In case where cover is already established, the contract period will be three years.

FARMERS WILL VOTE SOON ON COTTON QUOTAS

Tuesday, December 11, has been designated as the day when Wheeler County farmers and other producers throughout the nation will go to the polls and vote on whether they want to use marketing quotas for their 1957 cotton crop.

At least two-thirds of the farmers voting in the referendum must approve the quotas before they may be continued in effect.

If growers approve quotas in the referendum, price support on the 1957 cotton crop will be available to eligible growers at the full

level of the effective supports, between 75 and 90 per cent of parity. Eligible growers are those who comply with their acreage allotments.

If quotas are turned down, support to eligible growers will drop to 50 per cent of parity.

Under a marketing quota program, growers who exceed their farm acreage allotments will be subject to penalties on the farms' excess production of cotton. The penalty for upland cotton is 50 per cent of parity. In general the farm marketing quota is the production from the farm's acreage allotment.

CHARLES SEITZ IN WHO'S WHO

Charles A. Seitz is the son of Charlie and Alma Seitz of Mobeetie. He finished high school at Mobeetie in 1949, and attended Amarillo College for two years.

He then went into service and spent his over seas duty in Korea. He returned from service in 1954 and then returned to college. He has been married for about a year.

He is a senior chemistry major, a member of Alpha Chi and has worked in Amarillo and the Helium Plant. He plans to become an industrial chemist after doing graduate work.

BLOOD "EXPANDERS" and albumin—a plasma derivative—stored in the Federal Civil Defense Administration's stockpiles would be indispensable after a large attack to supplement limited supplies of whole blood for millions of casualties in first aid stations such as above. For example, 5,000,000 casualties would require an estimated 7,500,000 pints of whole blood, 2,000,000 bottles of albumin and 5,500,000 bottles of blood "expanders" during the first three weeks after attack. By mid-1957, FCDA expects to have enough blood derivatives and plasma volume "expanders" stored to provide for 6 1/2 million casualties. (American Red Cross Photo)

GIVE US BONDS FOR CHRISTMAS

"During this season of giving, I would suggest a gift which keeps on giving . . . United States Savings Bonds. You can make gifts of Series E Savings Bonds with absolute assurance that they will continue to appreciate in value for a period of up to 19 years and 8 months, when they will be worth 80% more than you paid for them. Meanwhile, they have a cash-in value of cost, plus accrued interest, at any time after the first sixty days," Mr. Holt advised.

During October of this year, Texans increased their purchases of Series E Savings Bonds. Mr. Holt, Chairman of Wheeler County Savings Bonds Committee reported today, Sales of the popular E bond increased 3.4% over the same month in 1955.

Total sales of Savings Bonds for

the first ten months of this year in our county amounted to \$218,461, while sales in Texas were \$160,301,508 for the same period. Chairman Holt continued.

KIWANIS NOTES

There were no visitors at the Kiwanis meeting Monday at Fellowship Hall. P. E. Yarborough brought a very interesting and thought provoking program on the meaning of Thanksgiving. He sighted the fact that the early pilgrims, though they had lost about half of their number realized that gratitude, devotion, hope, and loyalty deserved the concentrated thanks of the community. He called upon everyone to take stock and make the same realization today.

Don't forget this is 100% attendance month. Thurman reports that all members had made up their attendance to date. Two were out today so let's get them to make up so we will have the

100%. Harry, Lewis, Carl and Watson made an interclub visit at Pampa last week. Director's meeting call ed as Thursday evening, December 6 for the regular meeting this month.

Mr. and Mrs. W. O. Liggett of Wichita Falls, visited in the home of Mr. and Mrs. Willard Strawbridge over the week end.

Richard Gaines, a student at West Texas State College, Canyon is doing his nine-weeks practice teaching in the Wheeler Public Schools. Richard is teaching in the Science Dept. under G. W. Dougherty.

Mr. and Mrs. Jim Hyatt and daughter, and granddaughter Dena Kay DeBarry of Olton visited in the O. Lewis home Sunday.

Mr. and Mrs. Bob Douthit, Dick Pendleton and Jack Garrison went to the Cotton Bowl Game in Dallas, Saturday.

INTERMEDIATE UNIT

LEE BARRY has assumed the leadership of the intermediate unit. He is a teacher in the local school. The unit is a cooperative movement to qualify us for Professional Positions and Services offered and furnished by the state. The local superintendent should be in full control of the local school. The professional teacher's authority would be on a level with that of a Classroom teacher. This cooperation would in no way effect the number of classroom teachers or principals. It would give Vocational teachers where needed, Special Service teachers of Exceptional Children, Supervisors and or counsellors. This region, without Pampa and Borger, would qualify for twenty Special Service Teachers, among which can be included, librarians, school nurses, school physicians, visiting teachers, itinerant teachers, and teachers for exceptional children. The region would qualify for eight Supervisors and or Counsellors. I would not want to miss an opportunity to plug for a strong conviction that a school where twelve grades are needed, should have no less than twelve classroom teachers. This will not be in the Agency's recommendation but should be recommended to the Legislature by every small, twelve gradeschool in the state. I would like to meet any even-

This can be of much value to the sparsely settled portion of the state. It is suggested that the nine counties in the north-east corner of the Panhandle be made one intermediate unit. In my opinion much good can be derived from this. As this plan is to be presented to the next Legislature, I think the school leaders of this region would do well to meet and decide what we want, and then make our wants known to the Legislature.

This is a cooperative movement to qualify us for Professional Positions and Services offered and furnished by the state. The local superintendent should be in full control of the local school. The professional teacher's authority would be on a level with that of a Classroom teacher. This cooperation would in no way effect the number of classroom teachers or principals. Top 4-H Honors for Texas Youth

Outstanding accomplishment in 4-H Tractor, Soil Conservation, Safety, and Poultry programs won top state honors for Texas Club members. Their reward is an all-expense trip to the National 4-H Club Congress in Chicago, Nov. 25-29.

Frank Morton, 14, of Wichita Falls has won the national 4-H Safety program, this 17 year old girl assumes a responsibility to make the farm, community, and the nation a safer place.

Mary and her sister conducted a survey on their farm and corrected light hazards. With the farmers' cooperation they placed 100 placards on various hazards they found on the farm. The largest number of placards for any age farm was 54, the smallest, 17.

She has tested 25 wells in the community as a safety measure against disease. She and her sister gave safety demonstrations at the Texas safety convention.

With help and encouragement from her local leader, Mrs. Cecil Sellers, Mary completed 13 projects. General Motors, which has supported 4-H work for 13 years, provided her trip.

In a manner of speaking, Virgil Polceck's hen laid the golden egg that turned into a week's expense-paid trip to the Club Congress. Living on a farm near Big Foot this 17 year old chalked up a remarkable record in the 4-H Poultry program. Sears Roebuck Foundation is donor of his trip.

Now in his sixth year of Club work, Virgil is handling some 5000 pullets, laying hens, and broilers. He carried 5 projects involving swine, grain, garden, and health. Virgil's industry and skills have produced substantial profits. John Field is the local 4-H leader.

All these programs are conducted under the direction of the Cooperative Extension Service.

Plans are now underway for an Aggie Christmas Party for all Aggies living in the two counties. The place of the party will be in the National Guard Armory at Shamrock. The date is not set as of the present.

Briscoe HD Club Met November 20th

Briscoe H. D. Club met in the club room November 20th. President Mrs. Essie Finserwald, in chair. Twelve members and one visitor were present. LaJuana Puryear was hostess for the occasion. She and Mrs. Bob Ramsey demonstrated three ways to serve "Food for Fun" to your friends. As Mrs. Ramsey gave her demonstration she stated that "they Key to being a successful hostess" was "Hospitality."

LaJuana served the refreshments buffet style from a Lazy Susan. Her center piece was made from mistletoe and holly.

In the business meeting a committee reported presenting a table linen set to the Briscoe F.H.A. girls from the club. Then a "Thank You" card was read from the girls. A motion was made and carried for the club to lyve the county Council Christmas Party, December 11, and invite all Home Demonstration club members in the county.

Plans were also completed for the Thanksgiving Supper for our families November 26th at 6:30 p.m. in the school lunch room. Next meeting will be December 13, at 2 p.m. in Lois Hudson's home for the club Christmas Party.

It's Your AMERICA

WINNING THE VOTE

LONG AFTER THE CONSTITUTION BECAME LAW, ONLY PROPERTY OWNERS COULD VOTE. DANIEL WEBSTER ARGUED THAT "VIOLENCE AND REVOLUTION" WOULD RESULT IF THOSE WHO HAD NO PROPERTY WERE ALLOWED TO VOTE.

WOMEN MUST VOTE

THE RIGHT OF AMERICAN WOMEN TO VOTE CAME ONLY AFTER YEARS OF STRUGGLE AND FIGHTING. HARRISON WELLS WAS THE FIRST PRESIDENT WHO WOULD NOT SIGN A BILL THAT DENIED THE RIGHT TO VOTE TO THE WOMEN.

TURN OVER 100 MILLION MEN AND WOMEN ARE ELIGIBLE TO VOTE BECAUSE AMERICANS REFUSED TO GIVE UP THE FIGHT FOR FREE UNIVERSAL SUFFRAGE. CAST YOUR VOTE ON ELECTION DAY.

Hometown Club Formed At A.&M.

The Wheeler-Collingsworth County Hometown Club was officially formed October 4, 1956, with eleven members present. The club elected Jamie Clark as its first president. The club has now reached a membership of 16. Jamie Clark, Burley Owen, Horace Ragan, and Joe Van Zandt are local boys who are members of the club.

The main purpose of the organization is to increase the interest of the high school graduates from this area in attending to form a closer fellowship among Texas A&M. Other objectives are the men attending A&M from the two counties and to inform the Aggie Exes of the events in Aggie land.

We now have plans to visit the following high school around the middle of December and talk to the male seniors and show them films. Wellington, Quail, Samnorwood, Wheeler, Shamrock and McLean.

Mrs. Wiley Entertains Wednesday Study Club

Mrs. H. M. Wiley entertained the members of The Wednesday Study Club and guests with a Thanksgiving party in her home on November 21st. The entertaining rooms were artistically decorated with arrangements of autumn leaves, berries, grasses and fruits.

Mrs. Harry Wofford, president, presided at the meeting. A short business session was held. Mrs. Max Wiley gave a Federation report, which consisted of a summary report of the working tools of good citizenship. Mrs. P. E. Yarborough lead the group in a Thanksgiving Prayer.

Mrs. Harold Nash was the speaker for the afternoon. She brought the group a timely message, which she guaranteed in

solve all the problems of the busy housewife during the approaching holiday season. Mrs. Nash based her talk on "The Housewife Bites Back," a humorous book on how to be a perfect housekeeper by Elinor Gouling Smith. Mrs. Nash's review was given in a clever and highly entertaining manner.

The hostess served a delicious and colorful refreshment plate featuring traditional Thanksgiving foods. Those enjoying the occasion were: Dr. Mary Lou McElhany and Mesdames Grainger McElhany, Harold Nicholson, C. J. Van Zandt, J. R. Clark and J. M. Montgomery, who wear glasses, and mebers, Mesdames, D. O. Beene, T. M. Britt, R. Wm. Brown, Lee Guthrie, Cora Hyatt, L. C. Laflin, M. McIlhany, C. J. Meek, Harold Nash, H. E. Nicholson, Shelby Pettit, George Porter, Nelson Porter, Frank Walker, Max Wiley, Frank Wofford, Harry Wofford, P. E. Yarborough, Dar-

Selected as the nation's outstanding young farmer among 300,000 members of Future Farmers of America, Wesley Patrick of Brooks County, Ga., was named Star Farmer of America at the 29th National FFA Convention in Kansas City, Wesley farms 120 acres near Quitman, Ga., and specializes in pure-bred Duroc hogs.

CHRISTMAS MAIL HINTS

Pointing up the need for your cooperation on his 1956 "Mail Early For Christmas" campaign, Postmaster Jamison says if you will follow these 3 simple rules, all of your gifts can be delivered before Christmas Day: Wrap them securely. Address them correctly, and Mail them early.

Amplifying these rules, the Postmaster said, "Avoid the risk of mailing poorly wrapped packages. Use corrugated-mailing cartons, plenty of heavy brown wrapping paper, and be sure that every package is tied with strong cord. Cartons containing several gift packages should be stuffed

with tissue or old newspapers to cushion the shocks." He also reminds us that size and weight limitations for Parcel Post packages vary according to place of mailing and destination.

Speaking about correct addressing of Christmas gifts and cards, the Postmaster said: "Be sure your Christmas mailing list is up to date and that you have the complete name, address, zone number, city and state for everyone on your list. Send all your Christmas cards by First-Class mail, because they will be processed and delivered quicker, and they'll be forwarded, or returned, if it becomes necessary. Only Christmas cards sent First-Class mail may carry written messages, a custom everyone enjoys. Moreover, Christmas card envelopes smaller than 3-3/4" by 4" or larger than 9" by 12" require hand cancellation, and must carry First-Class postage.

HIWAY MISHAPS TAKE SIX LIVES DURING OCTOBER

Six persons were killed and 52 injured in rural highway accidents investigated by Texas Highway Patrolmen in the 26 Panhandle counties during the month of October.

Property damage was estimated at \$12,607.

During the corresponding month last year, eight persons were killed, 86 injured and property damage was listed at \$89,082.

During the past month, the patrolmen investigated 89 accidents on state and federal highways, 43 on farm-to-market roads, 12 on county roads and 10 in towns of less than 2,500 population.

Principal violations listed as causative factors in the October accidents, in the order named, were: speeding; failure to grant right-of-way, driving while drinking, following too closely and improper turns.

So far this year, 75 persons have been killed in rural highway accidents in this district, 646 injured and property damage is estimated as \$755,193.

During the first 10 months of 1955, accidents claimed 81 lives, injured 685 and caused \$703,058 property damage.

In carrying out their basic duties of traffic law enforcement last month, the 31 patrolmen performed the following activities: investigated 124 traffic accidents; made 1,005 traffic arrests including 586 for speeding and 32 for driving while intoxicated; issued 2,620 warnings for hazardous driving, served 44 safety responsibility police demand orders; and investigated three cases for the purpose of restoration of drivers license.

They worked 4,731 day hours and 2,762 night hours and traveled 90,453 miles.

Clyde Dukes and family, Mrs. J. R. Hall, Rayburn Hall and family and James Hall and family visited in the Raymond Jones' home Sunday.

Visitors in the George Parker home over the holiday were: Mr. and Mrs. Clod Markham from Dalhart, Ralph Markham and family from Sudan, N. M., Glen Markham and family from Canadian, Zeland Rainey and family from Sunray and Kenneth Hamon and family from Pampa.

Mr. and Mrs. M. Ball were in Pampa Saturday on business and medical reasons.

Mrs. Sanford Miller has been staying with her daughter, Mrs. Dorothy Brown who had major surgery in an Amarillo hospital.

Mr. and Mrs. Lee Kiker and Gertrude ill were in Pampa Friday on business.

Mr. and Mrs. Jerry Harrison from Reydton, Mr. and Mrs. J. D. Wallace from Spearman; Clifton Boydston and family from Pampa and Mr. and Mrs. Willis Harrison were dinner guests in the Bruce Harrison home recently.

Mr. and Mrs. Bobbie Curlee from Canyon visited Mr. and Mrs. Glen George and Mr. and Mrs. Charley Curlee over the week end.

Warren Brown and family and Vance Boydston from Amarillo visited in the Joe Walsh and Willie Boydston homes over the week end.

John Glison and family spent Thursday at Perryton with relatives.

Mr. and Mrs. Bruce Harrison, Denzil Reed and Elmer Brown were dinner guest in the Bob Black home Sunday.

Aaron Eddings and family from Reydton, Mrs. B. C. Eddings and daughter from Kingston, Okla., and Mrs. Troy Dean Jones and daughter from Lubbock visited in the Loyd Jones' home Sunday. Also Mr. and Mrs. Bob Watchous.

Supt. D. Malin and family spent the week end at Vernon with relatives.

Ray Giddens and family from New Mexico visited in the Glen Elmore and Mrs. N. Giddens homes over the week end.

Mr. and Mrs. Frank Parsley spent the holidays in Ft. Smith, Ark., and Muskogee, Okla. They visited with their daughter and family while away.

Allison School Presents Radio Program Friday

The Allison High School Chorus and their Superintendent, Mr. Malin, and Mrs. Pruitt were in Wheeler and gave the program over KEVA on the Wheeler hour. Those in the chorus were: Betty Miller, Joy Gilmer, Linda Begert, Carolyn Morse, Jessie Lee Hartly, Mary Hartley, Laverta Chandler, Annie Faye Megee, Betty Hall, Leola Williams, Elizabeth Malin, Diana Donaldson, Fern Childress, Mary Elmore, Linda Walker, and Delores Donaldson.

Delores Donaldson was the announcer for the group. Their theme song "Sitting on Top of the World" was first. The Chorus sang four numbers, "When I Grow Too Old to Dream", "All-eghbaney Moon", and "Don't Sit Under the Apple Tree" and "Blue Christmas". They sang "Happy Birthday", to all havin' birthdays. Joy Gilmer sang "Cecilia," then she played the piano for Betty Miller as she sang "Singing the Blues." Betty Miller and Joy Gilmer gave a duets, "Yes It Means I'm in Love Again."

Mr. Malin was the pianist for the chorus and he and Joy Gilmer played "Steel Guitar Rag."

Briscoe School Radio Program

The Briscoe High School Chorus and their sponsor, a teacher in the Briscoe, gave the program on Hour over KEVA on November 22. The bridge did the announcement.

The freshman girls, thit, Jacquelyn Doda, gleton, Charolette, Jean Zybach with at the piano sang Street.

Then the sophomores Trica D Spain, Linda Holton, Sandra Me Hays, and Nelda B their number "I. Belie Inez Stanlee played solos, and Patricia Hay "Black Hawk Waltz" Carter gave an imita Woody Woodpecker, of the small children list.

The chorus composed man, sophomores and girls, Peggy Gilmer, gin, Peggy Purcell, Douthit, who are seniors sang five num Younger." "Whiter T "Love Remains," "He ed."

Dad Date Night A Big Success

Dad date night was observed Monday night, November 19th, at the homemaking cottage, with Gail Holdeman as leader. Every girl taking homemaking dated their Dads, bringing them to a Thanksgiving dinner at the cottage.

Tables were arranged in the living room where each Dad found his place by identifying a baby picture of his daughter. A short welcome was given by Gail, after which June Beasley, president of FHA gave a poem on "Dads". Gordon Whitener asked the blessing.

The Thanksgiving dinner was prepared by the homemaking girls with the assistance of two room mothers, Mrs. J. C. Moore, Jr., and Mrs. C. A. Holdeman. The buns were donated by the Mead's Bread Co.

After the dinner games, and songs, directed by Peggy Pride and Shari Lee, were enjoyed by the Dads and Daughters. A special song was sung by Shirley Miller Lou Borden, and June Beasley, Minister Borden spoke on "What Our Daughters Mean to Us". Lou Borden responded with "What Our Dads Mean to Us."

Mrs. Gordon Whitener, homemaking teacher, expressed appreciation for the interest shown in their daughters by the Dads, as the school and home work together to prepare the girls for future homemakers.

Why not GO BIG TIME?

Tired of going steady with the low-priced three? Well, right here is the car that will let you break the habit and start you keeping company with the finest! See how a long 122-inch wheelbase . . . advanced new suspension ideas . . . the solid stance of a heavyweight . . . are teamed together to give you another Pontiac "first"—the Level-Line Ride. And feel the deep-chested power of the Chieftain's 347-cubic-inch, 10-to-1-compression-ratio Strato-Streak V-8, successor to the record holder that broke over 50 stock car marks and led all eights in miles per gallon. Then consider that all this comes to you proved as no other car in history . . . by 100,000 miles of grueling road tests! And yet, the Chieftain actually costs less than many models of the low-priced cars.

Why not go big time? There's absolutely nothing in the way!

Jolly and Mr. and Mrs. Carroll Killingsworth were among the adults accompanying the group of students which appeared on KGNC-TV Saturday afternoon. The students included: Jim Jolly, Bill Green, Sharon Beaty, Sharon Green, Tillie Green, Georgia Pond, Kitty Hibler, Dorothy Hall, Carolyn Sims, Jimmy Erwin, Kearby Weatherly, Ann Johnson, and Chirley Chapman.

CARD OF THANKS

Words cannot adequately express our deep appreciation for the many kind and sympathetic acts to us at the time of our recent bereavement in the loss of our loved one.
We are grateful for the beautiful floral offerings and the delicious food.
The Family of W. A. Purnell

Three New Proposed Farm-To-Market Roads

The Texas Highway Commission has taken the first step to inaugurate a new two-year Farm-to-Market Road Program for Texas. E. H. Thorton, Jr., Chairman of the Highway Commission, stated that the funds for this 1957 and 1958 program are derived from federal-aid highway funds, matched with state highway funds on a dollar-for-dollar basis.

Palmer Massey, District Engineer of the Texas Highway Department at Childress, has stated that the following farm-to-market roads in this area are scheduled for work under this program:

From US 66 at 25 miles west of US 83, north a distance of approximately one mile.

From US 66 at Lela, north to road intersection, a distance of approximately three miles.

From four miles east of Keller, west to Gray County line, a distance of approximately 3.8 miles.

It was announced that work will begin on these projects as soon as final planning is completed and necessary right of way on their land.

secured. Resident Engineer Clyde Drake will be in charge of the work in this area.

Wheeler County Soil Conservation District News

Several district cooperators of Wheeler Soil Conservation District have contacted Soil Conservation Service technician's about adapted grasses. In the office of the Soil Conservation Service the technician's have display boards of the desirable grasses to be found on the different range sites. These display boards are helpful in discussing grasses to be seeded. Also helpful is a board showing the native legumes found on range land with the district. In the hall of the court house is a board displaying range sites and conditions.

Mr. D. H. Surber of Lela, J. C. Lunsford of Pampa who owns a place north east of Wheeler, and E. A. Zybach of Briscoe, were all in discussing grasses to be seeded and necessary right of way on their land.

Mustangs Roll —

(Continued from page one)

pleted two passes for 28 yards, having one called back and an off-sides penalty assessed. This left a gain of 18 yards passing to none for the Tigers. On the ground Wheeler gained 191 yards to 131 for the Mustangs. Each team punted 7 times during the game with the Mustangs averaging 26.5 yards per try to 44 yards for the Groom eleven. The Mustangs were penalized 20 yards to 5 for the Tigers. The Groom Tigers recovered one Mustangs fumble while the Wheeler team gathered two Tiger slips. The Tigers attempted 7 passes while the Mustangs tried only three, completing two of them.

Big Jim Porter got through the secondary in the last minutes of play but was hit so many times from so many different directions that he was forced to step out of bounds on the Tiger 47. He had cleared all opposition and traveled 78 yards to the end zone for the longest run of the evening, only to have it called back to the Tiger 47. This did not materially affect the outcome of the game as the Wheeler team were already leading in penetrations two to one.

Gerald Hermesmeyer and Kenneth Friemel were the team Captains for Groom. Joe Jaco, Dennis Wilsford and Jim Porter were the captains for the Mustangs.

As play started Joe Jaco returned the opening kick-off 10 yards to the Mustang 38. The Mustangs made one first and ten but could go no further.

The Tigers took over on their

CALLAN GRAHAM, Former West Texas legislator and district attorney from Kimble County, has been named executive vice-president of the Texas Good Roads Association at Austin. He will assume the post December 1.

own 35 and drove consistently to pay dirt with Maynard Britten going over from the five. Gerald Hermesmeyer, Leon Anglin and Maynard Britten did the heavy work on this sustained drive of 65 yards in about 14 plays. The Tigers picked up 6 of their 9 first downs in the first half of play. Five of them in this drive. Leon Anglin booted the extra point squarely between the uprights.

In the closing minutes of the first half quarterback Harold Crossland opened up with three passes completing two of them but having one completion called back because of a rules infraction. Joe Jaco and Larry Hunter each snugged their pass. The Mustangs were unable to gain enough to get to pay dirt.

After the half Dennis Wilsford kicked to the Tigers on the 10. Anglin returned to the 25 where the Mustangs held and forced the Tigers to kick. After an exchange of punts Harold Crossland on a keeper play got loose, reversed the field a couple of times picking up blockers and sprinted for 63 yards and TD. This was a thriller of a run as he was nearly stepped several times in the jaunt and careened off first one player then another until he finally reached pay dirt. Harold Reid kicked the extra point. Five minutes left in the third quarter. Score 7-7.

About the middle of the last period the Mustangs started another drive to pay dirt. Crossland, Porter, Satterfield and Jaco all had a big hand in advancing the ball from the Mustang 35. The drive terminated by a fumble recovered by the Tigers on the second down just after the Mustangs had crossed the 20 for a penetration. This drive is the one that put the Mustangs out in the lead. It gave them nine first downs to the Tigers 8 and one penetration or 2-1 in penetrations.

The Tigers came back to make their last first down then booted the ball way down field where it was downed on the Mustang 5-yard line. Again Porter, Crossland, Jaco and Satterfield worked it out from under the shadow of the goal posts before Porter broke loose for the longest jaunt of the game, the 78-yard trip. He stepped on the line at the Tiger 47 but many fans did not see this. The ball was put in play at this point and a few minutes later time ran out.

Regional Game —

(Continued from page one)

previous games. A passing combination between Gary Poage, quarterback, and his brother, Ray Poage, end, has shown up well and is one of the serious threats of the Happy team.

As usual the Amarillo paper has picked Happy over Wheeler for this contest. The Pampa paper said that it would be no upset if Wheeler won but it would be a surprise. We want to get to Canyon Thursday and help the Mustangs prove to these sports writers that Wheeler can and add win the Regional game in 1956. See you at Canyon at the game.

Admission prices same as season games, adults \$1.00, students 50c.

Wheeler GOC —

(Continued from page one)

Holt said in making the announcement of the alert.

The local GOC is a part of the 4768th Ground Observers Squadron, United States Air Force, with a filter center in Oklahoma City. Plane spotting is only the phase of the work of the squadron as they are also altered during the tornado season to spot storms and their path of travel.

If you are not a member of the post and would like to become a part of this vital operation contact one of the above named Chief Observers for further information. Be at the training center Sunday afternoon and see how it operates. Do your part in civil defense by being an observer.

Kelton Seniors —

(Continued from page one)

Baskins, Charley Lang; Bair Boswell, Sammie Miller; Lucien Littlefield, Loyd Anderson; Frank Fairfield, Jerry Lackey; Blanche Bowers, Reba Whitely; Annie Ambrose, Peggy Baird; Polly Paine, Currie Abernathy; Sophie Simpkins, Karen Higdon; and Serena Simpkins, and Carolyn Ledbetter. Admission prices for the evenings entertainment is only 25c for students and 50c for adults.

The senior class urges everyone to attend the play and enjoy a full evening of entertainment.

Two-Directors —

(Continued from page one)

goodies to be distributed at Santa's appearance. Cecil Denson, Ocie Ford, and Dick Guynes compose the committee to attend to the purchase of the sacks and filling for same. The sacks will be filled Thursday evening December 13 by the members of the Chamber.

The Chamber of Commerce and the City of Wheeler are cooperating in the decorations. Mayor C. E. Kirk and Watson Burgess were appointed on a committee to look after the erection and lighting of the decorations. They will be calling on other citizens for assistance to get the lights and decorations up and working on the first pretty day after Thanksgiving which may be Friday of this week.

P. E. Yarborough, Robert Holt, Bryan Swaim, and T. J. Daughtry were appointed as Chamber of Commerce committee to meet with representatives of the women's clubs of Wheeler in an endeavor to work out plans for a Community fair to be held in Wheeler next fall. This committee is to report back to the Chamber at their regular meeting in December.

George Taylor brought the program in the absence of Albert Marshall. The program was on the different phases of the soil bank and its meaning or effect on small towns and businesses. Mr. Taylor pointed out that the Soil Bank could work to a distinct ad-

vantage in the small rural communities such as ours in that it froze the number of tenants on a given acreage. He stated that the Soil Bank was not good for all farmers but that the majority of farmers could profit by its use. He defied anyone to write an agricultural bill for the entire nation that would be beneficial to all farmers alike and not work a hardship on some.

The Soil Bank, as explained by Mr. Taylor, really amounts to a lease of a given tract of land to the Government for a definite period and for a specific purpose.

The next meeting of the Chamber will be Tuesday night, December 18, 1956, at Nora's Cafe. The public is urged to attend.

Public Told —

(Continued from page one)

century of Christmas Seals from merely keeping the victims alive." Dr. Nicholson explained. "Today we work to find TB early when it's easiest to cure, to teach people how to protect themselves from TB, to help ex-patients become useful members of society."

The 1956 Christmas Seal Sale which opened November 15, will continue through December.

Two sheets of Seals worth \$1.00 each have been mailed to every person in the county whose name and address could be obtained. The Seals are accompanied by letters asking the recipients to forward payment to: Wheeler County TB Association, Wheeler, Texas.

By having a local, active association, 80c of each \$1.00 received from the sale of Christmas Seals is kept in the county to help combat the spread of the disease. The other 20c goes to the national association to be used in research work.

Scholastic —

(Continued from page one)

the school. Neither can a school pay part of the cost of an award and the individual or any other person pay the remainder of the cost if the total outlay for the

award is in excess of the stipulated \$15.00 maximum. The school cannot act as a purchasing agent or advisor in the purchase of any award for achievement in interschool competition.

Mrs. W. A. Goad, Jr. —

(Continued from page one)

discussions. A question and answer period followed each time. The subjects discussed in relation to P-TA work were Mental Health, Legislation, Program planning and Teacher Recruitment.

At the annual banquet at Fair Park Coliseum attended by more than fifteen hundred delegates and guests, Mrs. W. D. DeGrassi of Amarillo was installed as president of Texas Congress of Parent and Teachers, Dr. Robert L. Sutherland, director, Hogg Foundation, University of Texas was the speaker.

The convention adjourned Friday morning after adopting the 1956-1957 platform, reading of committee reports and a history of Mrs. Price's administration.

Last Rites —

(Continued from page one)

The husband and one son preceded her in death.

A flower, an Edelweiss, was preserved and used as a corsage. It had been preserved for about 40 years and was in a good state of preservation. It grows high in the mountains of her native country and many persons have fallen to their death in the attempt to obtain it.

Serving as pallbearers were: David Kiker, Lee Kiker, Glenn Elmore, Forace Evans, Ken Ball and Carl Levitt.

Survivors included children and step-children: Frank Begert, Canyon; Ernest Begert, Fred Begert, Porter; T. E. Trammell, Moore; Robert Trammell, Moore; and Mrs. Nellie Blaser, Springfield, Ark.

Also surviving are 11 grandchildren.

Mr. and Mrs. Curtis Pond, of Amarillo, spent the day in the Burley Mann home Sunday.

W. A. Purnell

(Continued from page one)

Sarah Hardy in 1927. She passed away in Mr. Purnell moved October 27, 1927, to 1938 where he continued until his few years ago.

He became a Methodist church in an active member superintendent of the board for a number of years. Survivors include: Curtis Hardy, Muriel Hardy and Sweetwater, in addition, four grand children, four granddaughters and one great grandchild.

Wheeler NFL
