(Continued on last page)

## Wheeler FFA Teams Contest At Lubbock

FFA Livestock and Dairy teams went to Lubbock, Texas last week for the Area Contest.

In Cox, Kenneth Farris, and Holcomb composed the live- stocking team. Garth Nash, Courtright, and Jackle made up the Dairy judg- ment. The two teams com- posed 1600 other boys from and II.

of the contest will be held this week end.

## 10 PER CENT COTTON ACRES IN SOIL BANK

Wheeler County Farmers have placed approximately 10 per cent of their allotted cotton acreage in the Soil Bank, for which they are due payments totalling \$71,817.43.

According to Earl McClellan, Amarillo Daily News farm editor, only nine per cent of the total allotment in 22 Panhandle counties and three neighboring counties in New Mexico and two in Oklahoma have been placed in the Soil Bank program.

McClellan points out there is little chance of cotton production being reduced in the area because of the Soil Bank program. He gives two reasons: 1. Lack of participation in the program in heavy producing irrigated areas and better crop prospects for dry land farms.

All of the 22 Texas counties covered in McClellan's survey showed allotment increase this year over 1956. In the dry land counties the acreage increase took six to 33 per cent of the allotments.

Wheeler County's 1957 cotton allotment is 28,933 acres, and 2,998.4 acres have been placed in the acreage reserve with payments to farmers to total \$71,817.43.

In nearby Collingsworth County, farmers have placed 6,732.6 of their 68,355.3 acres in the Soil Bank. (Continued on last page)

## 4-H ELECTRIC CONTEST HELD

Twenty six lamps were entered in the Wheeler County 4-H Electric Contest held in Wheeler this past Saturday, April 27, with more lamps being made but could not be exhibited due to the weather and other reasons.

The top five boys were awarded "4-H member lives here" signs along with blue ribbons, all awards were made by the Southwestern Public Service Company of Wheeler. Watson Burgess, Manager.

The five boys receiving top awards were as follows: Jerry Hefley, Shamrock; Robert Kelly, Mobeetie; Ray Corcoran, Mobeetie; Wayne Hill, Wheeler; Glen Hathaway, Mobeetie; and other blue ribbon awards went to: Bob Martin, Dale Hagerman, Colie Donaldson, Kenneth McCasland, Don Woods, Ronnie Snelgroose, David Treadwell, and Toney Dickey.

Those receiving red and white awards were: Teddie Evans, James Hollabough, Wayne Morris, Don Woods, Mark Thomas, Bobby Price, James Hollabough, Glen Hagerman, Freddy Evans, Dale Pruitt, Arville Atherton, and Michael.

The lamps were judged by James Verden of Wheeler on the basis of general appearance, sturdiness, and useability. Those receiving 90 or above received a blue ribbon, 80 to 89 a red ribbon and those receiving 79 or below received a white ribbon. The lamps were judged Saturday morning and remained on display through Monday, according to Bryan Swaim, county agent.

Swaim said these were very good lamps for the boys first year and that he was sorry all the boys could not get their lamps in to display them but that they would still receive a ribbon if they brought them by his office to be graded any time this week.

Swaim said thirty boys had turned in records on their electric projects already and he knew of some others that had not turned in either their records projects to be graded, & he urged them to do so this week if they wanted a ribbon on their projects.

## Wheeler Seniors To Be Graduated May 16

Baccalaureate and commencement dates for the 1957 graduating class of Wheeler High School were announced this week by Supt. A. E. Brown.

Baccalaureate has been set for 8 o'clock Sunday evening, May 12, and commencement is scheduled for 8 p.m. Thursday, May 16.

Speakers for both programs will be announced next week, Supt. Brown stated.

## HOSPITAL NOTES

PATIENTS ADMITTED

Mrs. Effie Hays, Allison, April 24

Mrs. Corky Guthrie, Wheeler, April 25

Mrs. Raymond Burk, Wheeler, April 25

Carol Caswell, Wheeler, April 25

Milton Wilson, Briscoe, April 25

Lee Guthrie, Wheeler, April 26

Mrs. Joe Hefley, Wheeler, April 27

PATIENTS DISMISSED

Billie Bob Levitt, Allison, April 24

David Douthit, Wheeler, April 24

Dwight Marebanks, Amarillo, April 26

Mrs. S. L. Dixon, Canadian, April 29

Mrs. Effie Hays, Allison, April 2

Mrs. Corky Guthrie, Wheeler, April 30

Mrs. Raymond Burk, Wheeler, April 29

Carol Caswell, Wheeler, April 25

Milton Wilson, Briscoe, April 30

Lee Guthrie, Wheeler, April 30

Mrs. Joe Hefley, Wheeler, April 30

## Vesper Program Is Slated In Shamrock

Music lovers in the Wheeler area have been extended an invitation to attend a Vesper program to be held in Clark Auditorium at Shamrock, starting at 4:30 o'clock Sunday afternoon, May 5.

Appearing on the program will be Dr. Daia, eminent composer, conductor and music master, Mrs. Daia and their two children. The family resides in Amarillo.

The free program will open Music Week in Shamrock which is sponsored annually by the Fine Arts Club.

## Wheeler Seniors To Be Graduated May 16

Baccalaureate and commencement dates for the 1957 graduating class of Wheeler High School were announced this week by Supt. A. E. Brown.

Baccalaureate has been set for 8 o'clock Sunday evening, May 12, and commencement is scheduled for 8 p.m. Thursday, May 16.

Speakers for both programs will be announced next week, Supt. Brown stated.

## Wheeler Seniors To Be Graduated May 16

Baccalaureate and commencement dates for the 1957 graduating class of Wheeler High School were announced this week by Supt. A. E. Brown.

Baccalaureate has been set for 8 o'clock Sunday evening, May 12, and commencement is scheduled for 8 p.m. Thursday, May 16.

Speakers for both programs will be announced next week, Supt. Brown stated.

## May Festival On Friday Evening, May 3

The first four grades of the Wheeler Grade School will present a Spring Program in the school gymnasium, Friday evening, May 3, at 8:00 o'clock.

The program is being prepared under the direction of Mesdames George Weems, Emb Farmer, Elva Dalrymple, Dee Liston, and A. O. Young.

There will be no charge and the public is invited to attend.

## YOU CAN'T TAKE IT WITH YOU

The Mobeetie High School Junior Class will present "You Can't Take It With You" on May 9 and 10 at 8:45 p.m. This play by Moss Hart and George S. Kaufman was first produced on Broadway in 1936. It has probably had more professional and amateur runs than any other play ever written.

The play is a philosophical comedy. Grandpa Vanderhoff has collected about him a group of people who live in the fullest sense of the word. Everyone has a hobby that is practiced in the living room of the Vanderhoff home. The author comments that it might be better called "the everyman for himself room," for here meals are eaten, plays are written, games played, and steps practiced printing presses operated, fireworks exploded, and there would probably be less skating if there were enough room.

The members of the Junior Class of the Mobeetie School have gone to a lot of trouble and expense to build an elaborate set for this production. We feel that you are going to miss one of the funniest shows ever written if you fail to see this show.

Reservations can be made for choice seats for the High School or at Mobeetie Drug during the week of May 5 to 10th. "You are going to regret it unless you make plans to meet your friends at this show," a spokesman for the class stated.

## WORKERS AT INSTITUTE

The Wheeler Methodist Church was well represented at the District Coaching Institute for Vacation Church School Workers at Pampa on Thursday, April 25th.

The meeting was conducted under the supervision of Mrs. Loyd Hamilton, of Borger, who is the District Director of Children's Work. Wider Relations was the general theme of the meeting and workshops for each age group were held.

Mesdames Bob McNeil and Harold Nicholson attended the Kindergarten section. Miss Beth Stiles and Mesdames J. R. Clark, and Dick DeArment took the primary course. Mesdames Carlton Thomson, Loyd Courtright, and Lowell Farmer attended the class for junior teachers; and Mrs. Max Wiley was in the director's study group.

The Commission on Education of The Methodist Church of Wheeler has scheduled the local Vacation Church School for May 19-26th.

## HONOR ROLL IS ANNOUNCED

## Wheeler Seniors To Be Graduated May 16

Baccalaureate and commencement dates for the 1957 graduating class of Wheeler High School were announced this week by Supt. A. E. Brown.

Baccalaureate has been set for 8 o'clock Sunday evening, May 12, and commencement is scheduled for 8 p.m. Thursday, May 16.

Speakers for both programs will be announced next week, Supt. Brown stated.

## JUNIOR RODEO SCHEDULED FOR FRIDAY, JUNE 21

Date for the Wheeler County Junior Rodeo, sponsored by 4-H Clubs and featuring boys and girls from all schools of the county, has been set for Friday, June 21.

Entries must be in the office of County Agent Bryan Swaim by 5 p.m. on Monday, May 27.

The event will be held at the Wheeler Riding and Roping Club Rodeo Grounds, northeast of Wheeler.

There will be three divisions: "small fry," boys and girls of pre-school age; juniors, school age up to 12; and seniors, 13 years up but must be attending school.

Cups will be presented to the best cowboy and cowgirl in each age bracket except "small fry," and a cup will also be awarded the boy or girl making the highest individual score. Ribbons will be given every one entering any contest.

The list of events includes: junior bull riding and senior bull riding (boys only), senior and junior barrel race (boys and girls), small fry barrel race (girls), small fry rodeo (girls), "small fry" shoe scramble, boys three-man tiedown, boys and girls ribbon roping.

P. A. Martin of Briscoe is general rodeo chairman.

Send in your entries early, boys and girls! Let's make the Wheeler County Junior Rodeo an event to remember.

## Box Supper And Cake Walk At Briscoe School

The Briscoe Junior and Senior Classes are sponsoring a Box Supper and Cake Walk on Tuesday night, May 7th, at 8:00 p.m. in the Briscoe Gymnasium. Ladies bring your boxes — men bring your pocket books.

The Mustang Ramblers of Wheeler will provide the entertainment for the night, according to the sponsor, Mr. Howard.

## HONOR GRADS ARE NAMED AT BRISCOE HIGH

The honor students of the 1957 graduating class of Briscoe High School were announced this week by the class sponsor, W. F. Howard.

Camilla Eiland is valedictorian of the class with a four-year scholastic average of 88.912. Salutatorian is Ruth Fillingim, whose four-year average is 83.588.

The third ranking student, scholastically, is Carol Mason with an average of 87.677.

C. G. Dodd takes top honors for boys. His average is 86.823.

Dalton Vaughan is superintendent of the Briscoe Schools.

## 100 PER CENT PRAIRIE DOG KILL REPORTED

"Yes, sir, it really worked," said H. B. Leake, who was talking to County Agent Bryan Swaim, on his result in killing prairie dogs on his range land north of Mobeetie.

According to Swaim, who checked the results, with Mr. Leake, a one hundred per cent kill was made on two prairie dog towns covering an area of at least 100 acres, and with a prairie dog hole at least every 100 feet.

Mr. Leake used the poison grain, which is handled by the Wheeler County Commissioners Court, to obtain this control, he put a total of 100 pounds of grain out at one tablespoon full at a time. It was a lot of work, said Swaim, but it is the best results on as large an area as he had ever seen.

Mr. Leake obtained this result because of several things: First, he marked the area he wanted to cover and used his pickup truck to keep him in line with the area he wanted to cover. He tried to cover an area of 50 feet wide on a fence post and cover that area between his last tracks and his pickup, being careful not to miss a hole in the 30 foot wide strip.

Second, on the holes where the tunnel went straight down and where results are very hard to get, Mr. Leake dug out a little cup in the side of the tunnel about six to eight inches below the entrance of the tunnel and placed the table-spoon full of poison grain, where before most people just dumped the grain down the tunnel letting it scatter and less noticeable to the prairie dogs.

Mr. Leake said he had to go back to two of this type of holes as he started out not tunneling a place for the grain, and as far as he knew, this is the only ones he missed, and he got them when he went back and tunneled out a place and put the poison grain in a pile in the tunnel.

Swaim said the amazing thing about this 100 per cent control was that Mr. Leake just finished placing the poison grain about two weeks ago and control was not usually too good after things had greened up and the dogs could find other feed, this showed that if a person would place the poison in the tunnel in a pile large enough to be found, good control could, and should, be expected.

Baccalaureate and commencement dates for the 1957 graduating class of Wheeler High School were announced this week by Supt. A. E. Brown.

Baccalaureate has been set for 8 o'clock Sunday evening, May 12, and commencement is scheduled for 8 p.m. Thursday, May 16.

Speakers for both programs will be announced next week, Supt. Brown stated.

## Plans Complete For Clean Up Day, May 7

Tuesday, May 7, has been designated as Clean Up Day in Wheeler and the entire citizenry is urged to cooperate in making this the cleanest city in the entire Southwest.

Clean Up Day is being sponsored by the Chamber of Commerce with Percy Farmer serving as general chairman.

All citizens are urged to clean their premises of all weeds, brush and rubbish and stack it in a convenient place. On Clean Up Day, trucks will call at homes and business places and haul away the unwanted items.

Persons who have stacked brush, tree limbs or other debris in a wash and do not wish to have it hauled away, are asked to notify Chamber of Commerce Manager Dick Guynes by telephoning No. 2172.

Also, if any trash you have stacked up for the trucks to haul away has not been picked up by 4 p.m., you are asked to telephone Mr. Guynes, and a truck will be dispatched to your place.

Each business man is required to clean in front of his place of business as early as possible on Tuesday morning, so that crews can repaint the parking stripe on the pavement. The downtown streets will be swept and the city will haul away the sand and dirt.

It is hoped that all streets, alleys and vacant lots can be cleaned during the drive.

Plans for the Clean Up Day

## CITY HAS NEW EQUIPMENT

The City has provided an excellent piece of equipment for the sewer department of Wheeler. A small 2-wheel trailer has been built upon which is mounted the cleaning rods for the city sewer main lines. Along with the rods are all of the necessary tools for a major sewer clean out job.

A new air cooled gasoline engine with adequate horse power to handle the rod has been purchased and is carried on the trailer ready for instant use. More new rod has been bought & Mayor Kirk stated this week that he thought ample rod was now immediately available to care for any main line sewer stoppage that might occur.

Heretofore there has, of necessity, been a delay between the time sewer trouble developed and the time that anyone could get on it to clean out the plug or stoppage. Now, with the new equipment and the trailer, which will be loaded and ready to use at all times, there should be no appreciable delay between the notification of trouble and the actual work of removing the cause of trouble, Jim Risner, Supt. said.

## SOFTBALL TEAM BE ORGANIZED

The Kiwanis Club appointed Bryan Swaim, Bob Douthit and Albert Marshall on a committee to see about the possibility of having a softball league here in Wheeler this summer and report back on the interest in such a league.

Anyone interested in having a team in such a league this summer should contact one of the above members and let his wishes be known. They request each old team captain to contact them if he is or is not interested in having a team in the league.

This includes Junior boys and girls teams as well as adult men and women teams. Please let your interest be known as soon as possible so steps can be taken to provide fun and entertainment for those wanting to play or watch softball games. Ideas will also be welcomed by this committee.

## Wheeler Seniors To Be Graduated May 16

Baccalaureate and commencement dates for the 1957 graduating class of Wheeler High School were announced this week by Supt. A. E. Brown.

Baccalaureate has been set for 8 o'clock Sunday evening, May 12, and commencement is scheduled for 8 p.m. Thursday, May 16.

## Spelling Champion Places 4th In Area

Bobby Hawk of Shamrock, senior or champion of the Wheeler County Spelling Bee held in Wheeler in March, placed fourth in the annual Globe-News Spelling Bee held Saturday in Amarillo.

Spelling against 44 other county champions in the area contest, there were only three contestants left standing when the 13-year-old junior high school student took his seat. He placed fifth in the regional contest last year.

**ARMY PACKAGE POWER REACTOR**—Model of the Army's nuclear power plant. The "package" power reactor is a joint project of the Atomic Energy Commission and the Defense Department. It is the first nuclear plant for providing power and heat for military requirements in remote areas where conventional fuels are too costly.

**KIWANIS NOTES**

Miss Vara Crippen presented Miss Barbara Worley of Kelton in her 4-H-Club Share The Fun act at the regular meeting of the Wheeler Kiwanis Clubs this week. The Kiwanis Quartet, assisted by Bob McNeil completed the program. It was thoroughly enjoyed by all.

Walter Dean of Pampa and Jackie Johnson, local Key Club member were the guests of this week's meeting.

Secretary Rives requested that all committee chairmen get their reports in to him this week as he had to be out of town next week and wanted to get the monthly club report off before leaving Wheeler.

A director's meeting was announced for Thursday evening at 5 with all needing makeups being urged to attend.

Bryan Swain was appointed to head up the Softball Committee for the season with Bob Douthit and Albert Marshall being named assistants. Anyone wishing to enter a team in the softball play here is requested to contact any of the three above named committeemen as soon as possible.

Guests in the home of Mr. and Mrs. Melvin May Sunday were: Mr. and Mrs. Waymon Herd, Mr. and Mrs. Maxey Herd of Amarillo; Mr. and Mrs. J. D. Herd of Skellytown; Mr. and Mrs. Charles Harris of Pampa; Mr. and Mrs. Glen Robertson and daughters of White Deer; Mr. and Mrs. Howard Criner and son of Oklahoma City; Mr. and Mrs. H. H. Herd and Mrs. Amos May of Wheeler.

**YOUR NEIGHBOR AND MINE . . .**

By MRS. LEVI REID

We were about the happiest people we know of this week, answering a knock at the door about eleven o'clock Saturday night, we found my brother and his wife, Mr. and Mrs. B. C. Austin, San Angelo, had come for a surprise visit.

Everyone is wearing a smile over the nice rain that fell in our vicinity the last few days. Gardens and everything in general are growing fine.

Mrs. H. H. Walsler visited Sunday with her son and family, Mr. and Mrs. Buster Walsler of Kelton.

We regret to report Mrs. Joe Hefley is ill in the hospital. Week end and Sunday visitors with their mother, Mrs. R. L. McClain were her children: Mr. and Mrs. Bob Ayres, Okla. City; Mr. and Mrs. Gene McClain of Dumas, Mr. and Mrs. T. W. McClain of Amarillo, Mr. and Mrs. Bob Rogers, Mrs. Bess Robertson of Wheeler, Ray and Lillie of the home.

H. S. Weeks spent last week visiting with his daughter and family of Higgins.

Mrs. M. W. Young, and Mrs. L. E. Young of Gould, Okla., were here last week as guests of their sister-in-law and family, Mrs. Frank Caswell.

Mr. and Mrs. Billy Darnell and three children of Lubbock spent Saturday visiting in the Frank Caswell home.

Mrs. Jimmie Fields is ill with the flu this week. Today's Bible Verse: For the earth is the Lord's and the fullness thereof. Cor. 10: 26.

Mr. and Mrs. Haskell Weatherly visited Friday in the home of their daughter, Mr. and Mrs. Chas. Pond of Amarillo.

Mr. and Mrs. W. L. Jolly enjoyed having their nieces, Sharri Kay Brown, and Mrs. Austin Burgin of Amarillo in their home Saturday.

Refreshment time at all the group meetings should be easy now, if we'll just remember it's "Doughnut Selling time for the Seniors". We have the opportunity of enjoying the special made donuts and helping the class as

**Wheeler FFA Parents And Son Dinner**

The FFA boys of Wheeler were hosts to their parents, Thursday night for a dinner. There were approximately 100 people present. The chapter conducting teams composed of the Freshman class had charge of opening and closing ceremonies. This team won the Top of Texas District contest last fall.

Alvin Arganbright gave a short history of the FFA. Billy Shaw gave the Creed, Marvin Cox the FFA motto. Sonny Sechrist the aims and purposes. Larry Hunter, president of the chapter was Master of Ceremonies.

Boys receiving certificates of merit from state FFA association were as follows: Joe Hyatt—beef cattle production; Larry—leadership; Jim Hill—Swine Production; Garth Nash, Jackie Johnson and Milton Courtright—Dairy Cattle Judging; Frank Walker, Jr., Kenneth Farris, Marvin Cox and Buck Holcomb—livestock Judging; Dean Jolly, W. A. Tacker, Sonny Sechrist, Buck Holcomb, Joe Clayton, Marvin Cox, Kenneth Farris, Albert Thomas, Delbert Thomas and Frank Walker, chapter conducting.

**FFA Students Take Trip To Oklahoma City**

The II and III year FFA students of Wheeler went to Okla. City Monday as guests of National Stock Yard Company and Wilson Packing Company.

This field trip completed their study of livestock marketing for this school term. The boys toured the stockyards and all its allied parts. Also made a tour of the Wilson Packing Plant.

Mr. and Mrs. Howard Criner and son of Oklahoma City, visited in the home of his sister, Mr. and Mrs. Amos May and Mr. and Mrs. H. H. Herd Saturday night.

Rev. Gaylon Wiley and wife of Wayland College, Plainview, was guest pastor at the Briscoe Baptist Church, Sunday, and had dinner in the Ed Riley home.

**Wheeler County 4-H Demonstrations**

The Wheeler County 4-H girls held their Dairy Foods demonstrations, Saturday, April 27th, in the Wheeler Homemaking Cottage, Mrs. C. J. Van Zandt and Mrs. Max Wiley were the judges for the contests.

Ruth Fillingim and Sandra Meek of the Briscoe 4-H Club gave a demonstration of their cheese cake. They won a blue ribbon for their efforts and will represent the county in the Dairy Foods contest in Canyon this next week.

Penny Puryear and Cecilia Beasley of Kelton gave as their demonstration "Banana Split" using ice cream as a dairy product.

Mozelle and Estelle Fillingim of Briscoe gave a demonstration on milk drinks. They too, won a blue

The Wheeler County 4-H girls held their Dairy Foods demonstrations, Saturday, April 27th, in the Wheeler Homemaking Cottage, Mrs. C. J. Van Zandt and Mrs. Max Wiley were the judges for the contests.

Ruth Fillingim and Sandra Meek of the Briscoe 4-H Club gave a demonstration of their cheese cake. They won a blue ribbon for their efforts and will represent the county in the Dairy Foods contest in Canyon this next week.

Penny Puryear and Cecilia Beasley of Kelton gave as their demonstration "Banana Split" using ice cream as a dairy product.

Mozelle and Estelle Fillingim of Briscoe gave a demonstration on milk drinks. They too, won a blue

ribbon on their team demonstration. Beth Hefley and Marikay Wilhelm of Briscoe made a vegetable salad for their demonstration. They won a blue ribbon also. Violet Fillingim won a blue ribbon on her demonstration of Party Refreshments.

Barbara Worley of Kelton will represent the county in "Share the Fun Festival." She gave her demonstration at the Kiwanis meeting Monday of this week. This is the first year Wheeler County has had a demonstration of "Share the Fun Festival."

The District contests will be at Canyon, at West Texas College, this Saturday, May 4th, from 10:00 to 3:00 p.m.

Raymond Barnes of Pampa spent Saturday night in the home of his brother, Earl Barnes and family.

Mr. and Mrs. R. B. and Debbie of Albuquerque, Mr. and Mrs. Don Perryton were guests of Mr. and Mrs. R. L. Sr., recently, Mrs. L. J. der remained in Wheeler week to visit her parents.

Mr. and Mrs. Owen to Amarillo Monday to Buck Jones.

do a "hand" wash automatically?

You can... with the new Maytag All-Fabric Automatic. Here's how:

One, it lets you choose exactly the right water temperature; hot, warm or even cold. Two, it matches the water level to the load with Maytag's exclusive Automatic Water Level Control. And three, agitation and spin speed are slower than for regular fabrics. See the Maytag All-Fabric Automatic soon!

Twitty spent last week end in  
Alexandria, La., visiting their sis-  
ter and daughter, Mrs. Tommie  
Revis and family.

**HIWAY MISHAPS  
CLAIM 6 LIVES  
DURING MARCH**

Six persons were killed, 46 in-  
jured and \$84,460.00 worth of prop-  
erty destroyed in traffic acci-  
dents in this district during March  
according to Captain J. W. Black-  
well of the Texas Highway Pat-  
rol.

The figures do not include acci-  
dents in cities of more than  
2,500 population or accidents in-  
vestigated by agencies other than  
the highway patrol.

Location of the accidents in  
March were: 94 on state and fed-  
eral highways; eight on farm-to-  
market roads; 10 on county roads;  
and 14 in small towns.

Principal violation listed as  
causative factors were: speeding,  
driving while drinking, improper  
passing, failure to grant right-of-  
way, and following too closely.

In March of last year, five per-  
sons were killed, 48 injured, and  
\$58,995.00 worth of property de-  
stroyed.

Through March of this year, 29  
persons were killed and 147 in-  
jured. For the corresponding three  
months of last year, 16 persons  
were killed and 163 injured.

In carrying out their basic du-  
ties of traffic law enforcement  
last month, the 37 patrolmen of  
the District No. 5, composed of  
the 26 Panhandle Counties, per-  
formed the following activities:  
investigated 126 traffic accidents;  
made 769 traffic arrests, includ-  
ing 459 for speeding and 34 for  
driving while intoxicated.

They issue 1,911 warnings for  
hazardous violations, served 16  
Safety Responsibility Demand Or-  
ders, and investigated two cases  
for the restoration of drivers  
licenses.

The patrolmen worked 5,783  
man hours and 3,609, night hours  
and travelled 91,119 miles.

**REGULATIONS  
NEED STUDY**

By LEE BARRY

In our quest for better methods  
of offering educational opportuni-  
ties to all the children of the state,  
it is but natural that we turn to  
the better educated people of the  
state. For the same reason we  
select of that group those who are  
giving of their time to the educa-  
tion of others by the same token  
we look to the heads of the larger  
public schools & of colleges & de-  
partments of colleges. These doc-  
tors and professor from their posi-  
tion do not go far enough to see  
the children of the sparsely settled  
districts of the state, they close  
their eyes and start talking. They  
dream of an ideal school with 500  
to 12000 students, having ample  
teacher staff for all the branches  
of the varied subjects, plenty  
classroom and teacher equipment.

With this picture in mind, their  
recommendation, through the state  
board, to the legislature that all  
schools with less than 500 stu-  
dents be abolished. I challenge any  
one to locate a point in the state  
where school buses can gather 500

rural children, take them to that  
point and back to their homes in  
six hours. The recommendation  
would destroy every rural school  
in the state. If this problem is  
ever solved it will be from the  
other end by people who are in-  
terested in the welfare of rural  
children. The only reason for a  
school is to benefit the child. A  
bus ride is not a substitute for a  
school.

The recommendation carried a  
sparsely settled clause. If a dis-  
trict has an area of 100 sq. mi.  
and a school population of 499,  
there are 499 good reasons for a  
school, but no school can be had.  
If 400 of these reasons are re-  
moved a school is granted. If this  
recommendation meets your ap-  
proval I suggest you try to count  
your marbles.

City schools offer advantages  
rural children can not have. City  
schools have disadvantages rural  
schools do not have or want. Idle-  
ness, gangs doing depredations at  
all hours of day or night, stealing,  
gangfights and mobing. This group  
is a small percent of the student  
body, in rural communities the  
number does not give power  
enough to get rolling. It is bad for  
a decent child to have an oppor-  
tunity to take part in such con-  
duct. It is impossible for a rural  
child to attend a city school with-  
out being invited even pressured  
to join such a gang. For an older  
child to come into such environ-  
ment seems hazardous than to  
grow up in it.

In the early days of any por-  
tion of this country all schools  
were rural and necessarily small.  
There never has been a large rural  
school. As towns and cities  
grew up schools became larger.  
Some eight percent of the chil-  
dren today live in towns or cities  
and attend schools larger than rural  
schools can be. A city school  
is not good for a rural child. The  
only limit on the size of a rural  
school is time of travel based on  
distance and road conditions. The  
educational opportunities of some  
children would be improved if the  
school they attend were consoli-  
dated with another school or  
schools. There are many small  
rural schools that can not be made  
larger. The need is for an adequate  
small school program. We do not  
have a small school program.

If you would advise on improv-  
ing rural education go to a dis-  
trict that cannot be made larger  
and get the facts or the approval  
of a permanent citizen. If you  
think, and they agree, that the  
school is worse than no school  
then perhaps the school should be  
destroyed. Do not destroy any  
school unless or until you can  
offer better educational opportuni-  
ties.

Thoroughbred cattle are bet-  
ter than scrubs. If you think it  
would improve the cattle industry  
for the government to order all  
non-registered cattle shot and no  
remuneration to the owner, then  
you may think the educators are

**Glare Protection Important To  
Highway Safety, Expert States**

Unless you spend the summer months living in a cave, you need at least one pair of good quality sun glasses. Sunshine, which can be one of your best friends, can also be an enemy, particularly on the highway where glare-induced accidents are a constant threat to even the most careful driver.

right when the propose to destroy  
the only school in a reasonable  
distance of some rural children and  
offer nothing instead.

Eight hours has national re-  
cognition as a day for an adult.  
Portal to portal pay starts the  
day at the gate or when you set  
foot on company soil. Seven hours  
is a school day for a child. By  
the same token the school days  
starts and ends with the bus ride.  
If the bus ride is three hours  
then the child has one-half day  
in school or a ten hour day for  
the child. Extra curricula is nothing  
but a fairy tale. Town or city  
school advantages applied to rural  
children do more harm than good.  
The greatest educational oppor-  
tunity than can be offered a rural  
child is an adequate rural school.

It is possible for a rural child  
to go to a city school and be the  
best in the class. It is possible  
that the rural child is not pre-  
pared to resist or spurn the hazards  
and temptations that are common  
in city youth groups. There is a  
time in a child's life that a change  
of environment is more hazardous,  
and from grade to high school is  
not a good time to test this theory.

 house, furnished. Estie Seedig. 1tp

## CLUB NEWS

Twenty four projects were visit-  
 ed by the county agent this past  
 two weeks and the 4-H boys are  
 doing a very good job in their  
 many phases of work. Beef calf  
 projects visited were: Richard Kik-  
 er, Bob Martin, Frank Walker, Jr.,  
 Dean, Kent, and Carolyn Sims,  
 Nancy Whitener, Robert Jones,  
 Charlie Jones, Ronnie Cantrell,  
 Paul Range, Kenneth McCasland,  
 James Bah, James Henderson, Ray  
 Corcoran, Rayburn Corcoran, Dale  
 Pruitt, Otis Pruitt, and Arville  
 Atherton.

All the calves have been dehorned  
 and most calves are on full rations.  
 Pens for the summer were  
 discussed with the boys and a lot  
 of the feeders have started con-  
 struction of an outside pen away  
 from the barn at least one half in  
 size, brush or hay arber eight feet  
 high, with 6 inches of sand for the  
 floor held in by some type of tim-  
 ber such as railroad ties, movable  
 feed and hay containers about five  
 feet in length, water trough and  
 mineral box.

This type of pen will allow  
 ample air movement resulting in  
 a cooler place for the calves,  
 which means a higher rate of  
 gain per animal during the sum-  
 mer. Less chance for disease  
 through being away from other  
 livestock and improved sanitation.  
 All boys were encouraged to spray  
 their calves with BHC wettable  
 powder at the rate of one and one  
 half ounce in five gallons of water,  
 and repeat this application in  
 two weeks to catch any eggs that  
 might hatch.

Most boys have their animals  
 where they can lead them and  
 groom them fairly well, but more  
 work should be done on this as a  
 gentle animal will make better  
 gains than an animal that is nerv-  
 ous. All calves should be lead a-  
 bout one mile every day and  
 groomed at least once every day to  
 make him have a good appetite  
 and build the muscle needed to  
 carry the weight required to have  
 a calf in good show condition.

Three swine litters have been  
 weighed and their weights will  
 be announced when all litters have  
 been weighed. All boys desiring to  
 get into this type of program  
 should contact the county agent  
 at once if they have not already  
 done so, as the gilts will be given  
 out in May.

Mrs. Carroll Pettit and daugh-  
 ter, and Mr. and Mrs. George  
 Johnson of Pampa, spent Monday  
 in Wheeler. Mrs. Pettit visited re-  
 latives and the Johnson's were on  
 business.

occur in all rye fields. Farmers  
 who grow rye tell us that this  
 happens every year. Ladybugs are  
 one of the best controls for all  
 kinds of aphids. It is highly prob-  
 able that the rye grown for cov-  
 er crop is giving us another re-  
 sult in reduced insect damage to  
 other crops. Providing a home for  
 natural enemies is sometimes the  
 best control measure for bugs.

**Sims-Evans Vows Read At McLean**

Miss Juanice Sims, daughter of Mr. and Mrs. John Sims of Mobeetie, and Bill Evans, son of Mr. and Mrs. Walter Evans of McLean, were united in marriage on May 1, at 11 a. m. in the First Baptist Church.

The double-ring ceremony was by Jesse Leonard, minister, in an altar banked by spiral chandelabra with white candles tied with pink ribbon bows. Baskets, adorned with pink bows and filled with white gladioli completed the background for the ceremony.

Pre-nuptial selections were presented by Mrs. Lyndon Sims, organist, of Wheeler.

The bride, given in marriage by her father, wore a white ballerina length dress of broadened fabric with a nylon tulle veil topped with a seed pearl headpiece.

She carried a white Bible, which was covered with seed pearls and centered with a bouquet of white carnation and stephanotis.

Mrs. Virginia Mixon of Dumas, was matron of honor and wore a pink taffeta ballerina dress with a white carnation corsage.

Mathon Moore, of Dallas, served as best man. Jee Don Evans and Johnny Evans, brothers of the bridegroom, were ushers.

Misses Linda Evans, sister of the bridegroom, and Sharon Evans of Dumas, niece of the bridegroom, served as candle-lighters, wearing mini-green dotted Swiss dresses trimmed with lace. They wore flower-trimmed headpieces and white carnation corsages.

Mrs. Sims wore, for her daughter's wedding, a white printed sheer dress with white accessories and a white carnation corsage.

Mrs. Evans, the bridegroom's mother, wore a black suit with matching accessories and a white carnation corsage.

A reception was held in the church, basement with Miss Joyce Evans, of Lubbock, registering the guests. Miss Sue Evans and Mrs. Trey Corbin, sisters of the bridegroom, presiding at the punch bowl and served the wedding cake.

For the wedding trip, the bride chose a rose and white plaid dress with rose-linen jacket and white accessories.

Mr. and Mrs. Evans will make their home in Lubbock, where they will continue their school work as students at Texas Tech.

**Lake Maracaibo, Venezuela**

Lake Maracaibo, in the western part of Venezuela, is one of the world's richest oil-basins. Oil derricks rise above the lake in a geometric pattern that stretches as far as the eye can see. The lake is about the size of Lake Erie and many of these oil derricks are on pilings in water 100 feet deep.

**CARD OF THANKS**

We wish to express our sincere thanks and appreciation to the people who sent flowers and spoke words of comfort in the passing of our father.

The W. S. Farmer Family

Mr. and Mrs. Jack Mitchell of Tucuman, N. M., sister of Mrs. W. F. McNeil and Mr. and Mrs. J. B. McNeil and family of Pampa, visited recently in the home of Mr. and Mrs. W. F. McNeil.

Mr. and Mrs. Elvold Callan of Pampa, were afternoon callers in the Buster Callan home.

**ALLISON NEWS**

Mrs. Lester Levitt

Several from this community attended the funeral of W. S. (Uncle Bill) Farmer at Berlin, Okla., Thursday. Uncle Bill died suddenly Wednesday at the home of his son, near Cheyenne, of a heart attack. Funeral services were conducted by Minister Truman Teel of the Church of Christ at Durham, with burial at Berlin.

Mr. and Mrs. C. L. Markham had as their guests for dinner Sunday: Mr. and Mrs. Cecil Markham of Dumas; Mr. and Mrs. Charles Weibe and A. Reeves and family of Tulsa; Mr. and Mrs. George Parker; Kenneth Hamon and family of Pampa; B. S. Markham and family and Glen Markham and family of Canadian.

Mr. and Mrs. M. K. Levitt were dinner guests Sunday in the Lester Levitt home.

Sue, and Mrs. D. Malin and family spent the week end in Amarillo and Canyon visiting and on business.

Darrell Harrison and family of Amarillo visited in the John Gilmore and Bruce Harrison homes over the week end.

Rev. and Mrs. Gary Baker were dinner guests in the Lloyd Jones home Sunday.

Pvt. Jimmy Greenwood of El Paso and wife of Amarillo visited in the Ray D. Brown home over the week end.

Mr. and Mrs. V. L. Smith and children of Sentinel, Okla., were Sunday guests in the Clyde Dukes home.

Mr. and Mrs. Bruce Hall and Gerald Hall and family of Amarillo and Mrs. J. R. Hall were dinner guests at the Rayburn Hall home.

Rex Miller and family and W. A. Powledge were dinner guests in the Leonard Powledge home Sunday.

Mr. and Mrs. Ernest Bogart and Linda visited in the David Kiber home Sunday.

Mr. and Mrs. Lee Kiker attended church at Wheeler, Sunday and went on to Shamrock and were dinner guests of her sister and husband, Mr. and Mrs. Wes Hill.

Mr. and Mrs. Hester Dodson and Pat, Mr. and Mrs. C. O. Killingsworth, and Mr. and Mrs. E. E. Meek of Gageby, attended the singing convention in Shamrock Sunday.

Mr. and Mrs. Louis Boynton of Seymour, were visitors in Wheeler Wednesday.

**Locals**

Mr. and Mrs. Richard Carter of Wellington visited in the Shelby Pettit home Tuesday.

Mr. and Mrs. Henry Flanagan of Mobeetie, and Mrs. Fred Farmer spent Wednesday visiting their father, J. P. Meek and W. L. Meek of Childress. They also met Mrs. Edna Foust, of Philadelphia, Penn., who returned with them for a visit with relatives and friends in Mobeetie and Wheeler.

Airman and Mrs. Kenneth Holt of Missouri were visiting his parents Mr. and Mrs. O. F. Holt over the Easter holidays.

Jay and Billie Jean Wood and son, David spent the week end in Wheeler visiting relatives.

Issac Carter was in Amarillo a couple of days last week on business.

Mr. and Mrs. W. C. Riley of Elkhart, Kans., visited over the week end with Mrs. J. A. Callan, Mr. and Mrs. Milton Liles, Mr. and Mrs. Russel Barker and Mr. and Mrs. Buster Callan and family. Mrs. Riley is a daughter of Mrs. J. A. Callan.

Rev. and Mrs. O. L. Jones and son Larry of Chattanooga, Okla., spent Saturday night in the Percy Farmer home. Rev. Jones filled the pulpit at the First Baptist Church in Wheeler Sunday.

Mrs. Elgie Deering and daughter visited relatives in Higgins Sunday.

Mrs. T. M. Bowman visited her sister, Mrs. Brown, of Childress last week.

Mr. and Mrs. T. C. Cummings of Amarillo visited her brother, Mr. and Mrs. Raymond Burks and family over the week end.

Mr. and Mrs. George Warren are in Excelsior Springs, Mo., this week on business.

Mr. and Mrs. Harry Wofford were in Mineral Wells, the last of last week.

Mrs. Dora Harris who has been with her daughter in Oklahoma City, visiting for the past several months will return to her home in Mobeetie, Sunday.

Mrs. Irene Stearns, Palmer and Rena Sivage attended the funeral of Jud Atchley of Lefors, last Thursday.

**Music Week —**
