COACH ASKED TO NOMINATE TWO PLAYERS

Coach J. D. Atwell has received an invitation to nominate a lineman and a back from amongst the seniors on last fall's outstanding Wheeler High School team to appear in the Ninth Annual Greenbelt Bowl Game. This all-star game will be held in Childress, Texas, on Friday, August 16th, and will feature the top players from many high schools in West Texas and Oklahoma.

Coaches for the game have not been named yet, but they will be of the same high calibre that have made past Greenbelt Bowl games a high point in the athletic experience of the boys participating in the game. The coaches, when they are selected, will have the difficult task of selecting the 48 boys who will make up the two all-star squads to appear in the game. Many of the boys who have participated in this game have received athletic scholarships as a direct result of their performance in this game.

REVIVAL STARTS AT METHODIST CHURCH SUNDAY

The Spring Revival will start at the First Methodist Church in Wheeler on Easter Sunday, April 12 and continue for one week. Rev. H. Doyle Ragle, pastor of the First Methodist Church of Canyon will do the preaching starting with the evening service Sunday.

Rev. Ragle was born in New Mexico and reared in Olton, Texas. He graduated from Olton high school and attended Wayland College two years. He took his AB degree from McMurry College, his BD from Perkins School of Theology, SMU, and his MA from Southern Methodist University. He has done further graduate work at Columbia University, Garrett Bible Institute, and Pacific School of Religion.

During the second World War he served as Chaplain in the Navy. He married Lena Catherine Morrison and is the father of three children. He is a member of the American Legion and the Rotary Club.

Rev. Ragle will preach at all services in the revival starting (Continued On Last Page)

MEET SET FOR BAPTIST MEN

A meeting of the North Fork Association Brotherhood will be held at the First Baptist Church in Shamrock on Thursday evening, April 25.

Theme of the meeting, which will begin at 8 p.m., will be "Co-operative Program." Dr. Frank Norfleet, pastor of the Immanuel Baptist Church of Paducah, Ky., will be the guest speaker.

Ladies are invited as special guests.

A song service led by H. W. Hill of Wellington will open the meeting at 8 p.m., followed by scripture reading and prayer led by R. F. Wofford of Shamrock, at 8:10 p.m.

A short business session at 8:15 p.m. will be under the direction of J. B. Brown of Kellerville. Remarks will be given by C. J. Humphrey, District 10 Brotherhood President, at 8:25 p.m., and (Continued On Last Page)

WHEELER HIGH SENIOR CLASS PRESENTS PLAY

The annual senior play "Skidding", will be presented in the Wheeler School Gymnasium, Thursday evening, April 18, at 8:00 p.m.

Skidding, a three act comedy by Auronia Rouverol, requires a cast of ten characters, five young men and five women.

Skidding is a fresh picture of an American family. It shows Marion Hardy, a College girl who falls in love with Wayne Trenton just as a career is opening up to her. Sharon Green plays the part of Marion; Joe Jacob, Wayne.

Two pretty young daughters who change to marry before they finish their education, will be the "Home to Mother" at the first troupe. She are played by Phyllis Richerson and Nancy Lee.

Mother Hardy, in the character of Patsy Burgess, is so upset at the modern tendencies of her daughters, that she goes on a strike in order to straighten out her family. Young Andy Hardy, played by Elvie Williams, is an adorable adolescent lad with his first "case".

Grandpa Hardy, who is in the (Continued on last page)

MRS. B. DORMAN GIVEN AWARD

Mrs. Bus Dorman was given the Peace Officers Six-Gun Award by the Amarillo Globe-News Publishing Co. at the 48th annual Panhandle Press Convention last Friday evening. Presentation of the award was made by Mason King of the Globe-News staff.

Several years ago the late Dave Rasco established the award in recognition of services beyond the call of duty of peace officers in the Golden Spread area. Each year at the Panhandle Press convention some outstanding officer receives the Six-Gun Award.

This is the first of these awards that has been given to the wife of an officer. Mrs. Dorman received the award because of the outstanding part she played in the huge man hunt east of Shamrock on the first of December 1955. She did a superb job on the short wave radio and in the entire communications set up. Both in helping organize the more than 200 officers and men engaged in the hunt, and (Continued on last page)

CLEAN UP DAY TUESDAY, MAY 7

Clean-up day in Wheeler has been tentatively set by the Chamber of Commerce as May 7, 1957. The alternate date, if bad weather prevents the May 7 date was set as Thursday, May 9.

Percy Farmer, Wayne Edwards, Luther Parks, and Earl Brown were appointed on a committee to develop the plans for the Clean-Up. This committee has called a planning session on Friday afternoon at 5 o'clock in the Chamber of Commerce office at the Southeast corner of the square. The committee requests that a representative of the Vol. Fire Dept., Kiwanis Club, Women's Clubs of Wheeler, along with the two County Commissioners and the Mayor meet with them to aid in the planning of this important program.

Tentative plans for a city-wide program. In this action it is hoped the Streets and Alleys, City Park, Vacant lots, along with the (Continued on last page)

SHIRLEY MILLER WINS REGIONAL

At the Regional Interscholastic League Meet held in Lubbock last week-end Miss Shirley Miller of Wheeler won first place in the Girls' Declaration, Sharon Green placed second in Girls' Poetry Reading, Lou Borden placed third in Girls' Extemporaneous Speaking.

Others taking part in the contest were: W. A. Tacker, Alvin Argonbright, Annette Hutchison, Dale Bowerman, Mike and Elvie Williams, Larry Hunter, James Cox, Gary Satterfield, and Darrell Moore.

Trip sponsors who took the students to Lubbock on Thursday were: J. D. Atwell, Mrs. W. A. Tacker, and Mrs. Dorsie Hutchison. The group returned to Wheeler Saturday night.

BOY SCOUTS TO STAGE CIRCUS

Boy Scouts from fourteen Texas and Three Oklahoma counties will join forces May 11 to stage the annual Adobe Walls Council circus in Borger, at the Bulldog Stadium.

Themer for the circus is "Onward for God and Country".

General chairman, George Newberry and W. O. Prewitt, have appointed the following committee chairman for the event:

Units, Muri Howard; Ticket Sales, G. H. Turpin; Arrangements, W. W. Gaither; Clowns, Bill Hoke; Publicity, A. Z. Hahn; Decorations, Harold A. Orman, Booth, Wade Johnson.

C OF C MEETING TUESDAY NIGHT

John Jones, Minister of the Church of Christ, Pampa, was the principal speaker of the regular monthly meeting of the Wheeler Chamber of Commerce. In the absence of the president, Watson Burgess, vice president, conducted the meeting. The president arrived before the meeting closed.

In the business meeting the body went on record to request the City Council to spray or fog the city at intervals to control flies and insects. Clean up day was discussed and the date set as Tuesday May 7. In inclement weather prevented participation on that date, an alternate date of the following Thursday was set.

Brother Jones emphasized three points regarding humans and the work of the C of C. Must be interested in the community as a whole, not just what will bring you pleasure or monetary returns.

Secondly C of C Members MUST (Continued on last page)

4-H Judging Teams Make Good Showing

The 4-H Land and Dairy Judging Teams placed eighth and fourth in the order mentioned in the Plainview Judging Contest this past Saturday, April 13th. This was also the District Elimination Contest for both District One and District Two, according to Bryan Swain, County Agent. The boys on the 4-H Dairy Judging Team that placed fourth were: Wayne Caudell, Dale Haggerman, and Jimmy Walker. The team scored 774 points out of a possible 1050 points. The top team score was 812 points, made by Crosby County, trailed closely by Castro County, and Hale County scored 775 points to beat the Wheeler Team out for third place honors, Swain said.

The Land Judging Team placed eighth in the Land Contest with a total score of 812 points. The team members were as follows: Jim Hill, Dale Wofford, Roland Miles, and Wayne Hill. Swain said he did not have the order of placings, but Hale County walked away with the contest.

Swain said he thought the reason for the score was because there was a big change in soil type (Continued on last page)

Grazing Of Soil Bank Crops Stopped April 15

The Department of Agriculture refuses to change the expiration date for grazing of soil bank crops from April 15 to May 15 in the storm ridden areas, according to a wire received Tuesday by The Times from Congressman Walter Rogers.

"Numerous requests to the Department of Agriculture, based upon argument that this same area has undergone six years of drought plus the recent blizzards, has failed to alter the department's position," the telegram stated.

"They advised again this morning (April 16) that they will not extend the grazing period to May 15," Congressman stated.

County Elimination Contests Scheduled

April 23rd, 8 p.m. has been set for the county eliminations in the 4-H County Fun Festival, Electric Demonstration, and Public Speaking Contest, according to Bryan Swain, County Agent. These eliminations will be held in Wheeler and the place will be announced later. The public will be welcome to attend and encourage the members. All entries will receive ribbons for awards on the basis of their score.

In the Fun Festival those acts grading 90 or above will receive blue ribbons, 80 to 89 red ribbons and 79 down white ribbons. Eighteen acts have been entered and this should be good wholesome entertainment for all. Two Electric Demonstrations will be presented and so for only one Public Speaking contestant has entered. The winners in the county elimination will go to compete in the District Elimination May 4th at West Texas State in Canyon.

ED WATSON SERVICES HELD

William Edward Watson was born in the state of Georgia, on June 25th, 1879, and passed away at Wheeler, April 13, 1957, at 11:15 p.m., at the age of 77 years, nine months and eighteen days.

He was married to Josephine Foster at True, Texas in 1903 and came from Young County to Shamrock and vicinity in 1911, then to Wheeler in 1917. He was a cotton buyer and grower but retired from that trade a few years ago. At the time of his death he was the owner and operator of the Wheeler Hotel. He had been a member of the Baptist Church (Continued on inside)

Drouth Feed Program Extended To May 15

The emergency drouth livestock feed program for Wheeler County has been extended until May 15.

In a telegram to The Times, Congressman Walter Rogers said the Department of Agriculture had approved the counties in the 18th Congressional District for participation in the program through May 15.

Applications may be filed through April 29, for a feed supply to last herds through May 15. This extension gives ranchers another 30-day supply of feed.

Under the last extension of the program, ranchers and farmers had until April 1, to apply for enough feed to support their herds until April 15.

RATE HEARNIG HELD IN AUSTIN

Mayor C. B. Kirk and Bob Holt are representing the City of Wheeler at the gas rate hearing of the Wheeler Gas Company being held in Austin before the Railroad Commission this week.

The Wheeler Gas Company was granted a small rate increase for domestic gas in March by the City Council. The rate increase was deemed insufficient by the gas company in view of the 2% gross receipts tax levied by the city on gas company earnings. The gas company appealed to the Railroad Commission for relief and the hearing date was set for April 17 at Austin.

The City council granted a flat 5c increase in all rates except no charge was made in the minimum rates. Rates as granted by the City are: A minimum rate of \$2; The first 10,000 feet of gas used to be charged at 65c per thousand net; The next 15,000 feet at 55c per thousand net; and all over 25,000 feet consumed at 45c per (Continued on last page)

SCHOOL PEOPLE MET HERE MON.

The local school cafeteria was the scene of the Wheeler County group of Texas State Teachers Association meeting last Monday evening. Approximately 170 teachers, school board members with wives and husbands, one of the largest groups to attend any of the recent meetings, were in attendance.

The program consisted of four numbers by a girls' trio, Sharon Green entertained with jokes, Shirley Miller gave the declamation with which she won first place in the regional meet last week end.

The following new members of the County Association were elected at the meeting: Supt. Joe Bailey, Kellon, president; Supt. D. J. Malin, Allison, vice president; Principal B. Barham, Wheeler, second vice president; Secretary, Mrs. Buster Waiser of Kellon, and Treasurer, Mrs. George Robinson of Shamrock.

A delicious meal was served by the Wheeler Band Boosters Club. Proceeds from the meal will be used by the club to purchase equipment and supplies for the Wheeler Mustang Band.

RED CROSS DRIVE IS BIG SUCCESS

The Red Cross financial Drive for 1957 was a big success, according to the report of P. E. Yarbrough, Financial Drive Chairman. All sections of the area did very well. Kellon Community did an exceptionally good job, raising \$297. The report of the entire north part of Wheeler County is as follows: Wheeler \$394; Kellon \$297; Briscoe \$116; Allison \$30.50, making a total to date of \$870.08. At the present we have no report from Mobeetie. They have doubtless made their drive but have not yet reported. Goal for the North Wheeler County Chapter was 799.00.

Those who directed the Campaign are deeply grateful to every one who contributed time, thought or money. Those who have not yet made any contribution to this great cause are urged to do so as soon as possible, so we can get on to other matters.

There has never been a time when the Red Cross was more greatly needed, or when it served more effectively. It is expected that this great service organization will spend at least two million dollars on the terrible storm that ruined so many homes in Dallas. In one week since the Dallas storm there were seven other bad tornadoes in five states. Loss of life and property has been immense in the last few weeks. "It is imperative that we all give as generously as we can to relieve, as far as possible, but suffering and loss suffered by other sections of our state and nation," Mr. Yarbrough said.

Services Held For Marchbanks Infant

Russell Ervin Marchbanks was born in the Shamrock hospital, on April 10, 1957, and passed away at Shamrock at 3:30 a.m., on April 12, 1957 at the age of two days.

Funeral services were held at the Kirk Funeral Home, on April 13, 1957, with Rev. A. G. Roberts of Lefors officiating. Interment was in the Wheeler Cemetery with Kirk Funeral Home in charge.

Survivors are: the parents, Mr. and Mrs. Hershel Marchbanks of Wheeler, the maternal grandparents, Mr. and Mrs. Albert Watts of Sweetwater, Okla.

SCHOOL NURSE GIVES HINTS FOR BEGINNERS

Mrs. Joe Rogers, School Nurse, gives the following suggestions to parents of children expecting to start to school next term. The Admission requirements as given apply to all beginners to the state and are state requirements. Other suggestions are hints that will help the child through his school life.

Admission requirements are: the child MUST be six years of age on or before September 1 of the school year. The child's birth certificate MUST be presented at time of enrollment, if the child's name is not on the census roll. Vaccination against smallpox, is required an immunization against diphtheria is recommended.

Before enrolling your child in school you should have him given a physical check-up by your family physician. Have his teeth examined by your dentist. Teach him basic health habits such as: bathing, combing and brushing hair, cleaning nails, going to the toilet without help, washing hands after using toilet, and using handkerchief correctly.

At the time of enrollment give the nurse or teacher a history of the child's physical condition, including any information concerning physical handicaps he may have.

Good health is more desirable than perfect attendance and any child sent home from school because of apparent illness is for the protection of the other children and for its own welfare. If your beginning child shows symptoms of illness keep him at home for observation, the nurse urged.

NEW CONTRACT MADE RECENTLY

General Telephone Company of the Southwest and the Communications Workers of America, Local 6190, have signed a 12-month contract after 31 days of negotiating, according to F. W. Hamper, Industrial Relations Director for the Company.

Highlights of the new contract include increased wages and benefits which amount to nearly one-half million dollars and a provision which will allow the company to schedule plant craft employees on other than a five consecutive work week.

Wages increases up to 12c an hour were granted depending upon the group and classification of the employee.

Some employees of the former Texas and Oklahoma Telephone Companies will receive additional wage increases in order to place them on the General Telephone Company wage schedules.

The new work schedule feature will give the company an opportunity to provide a more effective and efficient method of scheduling work forces.

Other provisions under the new contract will make changes in termination allowances, military leave, town reclassification, and double time on certain Sunday work schedules. A new agreement was also reached on a plan for employee disability benefits.

After the official signing of the contract on April 9, the Company and the Union spokesman both stated that a fair and reasonable settlement had been reached.

Society

Mrs. George Porter Entertains Club

Mrs. George Porter was hostess when the Wednesday Study Club met on April 10th, for an Easter Pageant.

The club president, Mrs. Harry Wofford, presided at the meeting. A federation report was given by Mrs. W. W. Wiley, Mrs. R. Wm. Brown reported that an inter-club committee had designated homes and hostess clubs for the home night observance of National Music Week on Monday, May 6th. Mrs. Brown stressed that this program was planned as a community observance and expressed the hope that everyone would take advantage of this opportunity for an evening of music and fun by visiting in the nearest open home.

Homes to be opened are: The Harrison Hall home with the '54 Club as hostess club, the H. M. Wiley home with The Wednesday Study Club as hostess group, the P. E. Yarbrough home with The Thursday Review Club as hostess, the Fannie Wofford home with the Wednesday Study Club as hostess, and the Frank O. Wofford home with the Progressive Study Club as hostess.

Mrs. T. M. Britt was program leader. The Easter story from St. John's Gospel was read by Mrs. H. E. Nicholson.

An inspiring pageant, "The Last Seven Days" was presented. It was a portrayal of simplicity and beauty with participants appearing in choir robes. Mrs. Carlton Thomson acted as reader. The musical parts were performed by Messdames T. M. Britt, Cora Hyatt, George Porter, and Fred Farmer, with Mrs. Madge Porter at the piano. The program was concluded with a lovely prayer lead by Mrs. H. M. Wiley.

The hostess served a delicious refreshment plate which carried out the Easter theme in an original manner. Four guests and twenty-one members were present.

Waters-Herd Vows Read

Miss Wanda Sue Waters, daughter of Mr. and Mrs. Fred Waters and Maxey Herd, son of Mr. and Mrs. H. H. Herd of Wheeler were united in marriage in the San Jacinto Baptist Church, in Amarillo, Monday evening, April 15, 1957, by the Minister Nolan Kennedy at 8:00 p.m. with the double ring ceremony.

Their only attendants were Janice Jaco and Waymon Herd of Amarillo. The young couple left immediately for Colorado on a few days trip. They will make their home in San Antonio, where he will be stationed.

Thursday Review Club Meets At Ware Home

The Thursday Review club met April 11, in the home of Mrs. N. D. Ware, Sr., with Mrs. R. W. McNeil as hostess.

Mrs. N. D. Ware, Jr., president, presided over a short business session. Mrs. N. D. Ware, Jr., presented the guest speaker for the evening, Mrs. Gordon Stiles, who gave a very interesting talk on "How To Be Beautiful." Club collect was given.

Refreshments of deviled eggs,

assorted sandwiches, jello salad, cakes and coffee were served to the following members and guests: Messdames Earl Barnes, David Britt, Richard DeArment, Roy Ford, Jack Garrison, Gene Hall, Harrison Hall, R. J. Holt, Jr., Marion Moore, Delbert McWhorter, Carroll Pettit, Thurman Rives, N. D. Ware, Jr., Carlton Thomson, Bobby Henderson, Harold Loyd Lee, J. D. Beaty, Yreva Sue Richardson, R. W. McNeil, Miss Wilma Hefley and the guests, Mrs. Gordon Stiles, Miss Beth Stiles, and Mrs. Bryan Swaim.

Junior 4-H Girls Meet Monday

The Junior 4-H Club Girls met at the Homemaking Cottage of Wheeler School, Monday afternoon, April 15. The meeting was called to order by Wanda Pierce, President. Miss Vera Crippen, Home Demonstration Agent, announced that there will be a Junior Rodeo held in Wheeler County, June 6 through 8. There will be three events that the 4-H Girls can enter. Elizabeth Wiley and Gwendolyn Barnes led the group in playing a game that they learned in recent Recreation School. The 4-H Council will meet in the courthouse, April 22.

portion of the Washita. Several meetings have been held. The most recent were in Canadian on April 11 and 16.

The association formed by the supervisors will begin working toward an overall plan for the Upper Washita. All treatment will be planned before any construction begins. No details of the plans will be available for some time but the pattern will be similar to Sandstone Creek below Cheyenne, Okla.

The Wheeler district is primarily interested in Gageby Creek, the only tributary causing local damages. The Washita was one of the first streams to have upstream flood prevention works. The Oklahoma portion of the river has several completed tributaries and others with flood prevention works under construction.

Enthusiastic support has been

received from nearby districts in Oklahoma. They do not want the flood waters we should be keeping at home on our fields and pastures.

Guests of the T. A. Treadwell's over the week end were their children: Mr. and Mrs. Don Jenkins of Miami; Mr. and Mrs. H. L. Jenkins and daughter of Wellington; and Mr. and Mrs. Troy Treadwell and children of Pampa.

THE DRIVER'S SEAT

Frank O'Mara probably knows more than anyone else around town about the causes of automobile accidents. He runs a wrecking business — "A junk yard is what it is," he says — a few miles west of town. Whenever I want to find out how our town's safety program is going, I drive out to Frank's place and ask him

about business. He's the only man I know who is sad when business is good. "Too many wrecks," he'll complain when his yard is booming. "Crazy drivers," he'll mutter. And after a few minutes talking with him I'll find out where the area's danger spots are.

"See that new Plymouth over there? A mess, isn't it? Well, it would still be on the road if the man who owned it hadn't turned around to talk with his son. The cops said he was driving almost 60 miles an hour when he started driving blind and left the road. What a dope.

"Then that \$5,832 hunk of junk would still be cruising around if somebody had enough sense to put up a good sign at the by-pass and Ruger Avenue. The fellow that owned that heap was coming into town at night and never saw the stop sign until he was practically on top of it. You'd think somebody would have sense enough to put up reflective signs at an intersection like that so they can be seen at night."

He pointed to a mangled 1953 Ford station wagon and shook his head sadly. "There were four kids in that one. A young boy was driving with another fellow and two girls. He was showing off, and the car left the road at 80 miles an hour on a curve that was designed for use at only 35. That's the car that the police had on display in the center of town last week as a warning.

"But the darnest thing is that pick-up truck over there. See how that rear-end is banded up? It belonged to Benny Masterson, and he got it in the rear when he pulled out of his lane one night. Been doin' it for years, he said. Been doin' it so often he hardly even looked any more. So he did it a couple nights ago. He got banged up real good. The fellow coming up behind him never saw Masterson's truck. That junk over there is the result."

But Frank always ends up his conversation about wrecks and safety by pointing out a 1939 Chevy with its front end banged in. "That's one that set me up in the wrecking business," he said. "I was in that wreck, and I'll never forget it."

Calland and Clayton Callan of Pampa, Mr. and Mrs. Martin Callan, Mr. and Mrs. J. M. Liles and Mr. and Mrs. Russell Barker of Shamrock.

Clyde Johnson and Jackie went to Oklahoma City Sunday to get Mrs. Johnson, after she had spent the last few days visiting there and at Norman. They returned home Sunday night, and visited Mr. and Mrs. Jimmy Harris in Sayre on their way home.

A new age of automobiles begins with this car

Touch a button—in less than a minute the steel top disappears magically into the trunk—and you're in a supremely elegant convertible. It's two cars in one!

Here Today! The FORD SKYLINER — world's only Hide-Away hardtop

Once in a long, long while a car comes along that people remember and talk about for years after its introduction.

The first model "A" Ford was such a car...
The first Ford V-8 was such a car...
The first Ford Thunderbird was such a car.

Today Ford Division is proud to announce still another car that many say is destined to become the most famous Ford of all: The Skyliner—world's only hide-away hardtop.

If you plan to buy a new Ford, or already own one, the fact that Ford created this car is important to you. For all the exhaustive research, planning and testing that went into the Skyliner evidence of the engineering skill you get in every Ford model.

The Ford SKYLINER, the only all-steel hide-away hardtop, is a car for history. This is an old dream of Detroit, a dream of two generations of motorists.

And today Ford has made that dream come true—in steel.

But the story behind this dream is a story of men who refused to accept "no" for an answer. In the Ford tradition they kept striving toward the goal long after others had given up the chase.

To understand this Ford spirit you must go back to 1908. That was the year when many Detroiters smiled smugly as Henry Ford announced, "We will build a motor car for the great multitude... so low in price that no man making a good salary will be unable to own one."

And they did.

Today, nearly a half century later, Ford continues to cause the "experts" to change their tune. When you see this all-steel hardtop that retracts into a convertible, you'll be seeing a car that many said would never be mass-produced.

But Ford did it.

It was December 1956 — after eight years of research, planning, experimenting and testing — when Ford unveiled this masterpiece... unveiled it amid all the pomp and splendor of the New York Automobile Show.

And now this history-making car, this prototype of a whole future generation of cars, is ready for your own personal inspection in the showrooms of many Ford Dealers.

Plan to see it soon. And ask your Dealer to show you the exciting advances in all models of the new Ford line for '57.

It's the newest new kind of Ford

1. It's an all-steel hardtop with sleek Victoria styling... 2. Touch a button and presto! It's a sun-loving convertible!

Mr. and Mrs. George Henderson
 and daughter of Pampa, Mr. and
 Mrs. Tommie Henderson of Borger
 visited relatives in Wheeler over
 the week end.

Mrs. Betty Kindley of Oklahoma
 City is spending the week with
 her parents, Mr. and Mrs. Cecil
 Richerson.

Sylvester Selby of Amarillo
 spent the week end visiting in the
 home of his cousins, Mr. and Mrs.
 L. D. Beasley.

Mrs. Forrest Vise of Happy,
 spent several days last week in
 the home of her parents, Mr. and
 Mrs. Joe Hefley.

Mr. and Mrs. Percy Rowe of
 Pampa, Mr. and Mrs. Burl Chess-
 er and daughter spent Saturday
 and Sunday visiting in the home
 of their mother, Mrs. A. C.
 Mitchell.

One of the very nicest things
 that can happen to any family is
 for the entire family to meet at
 the parents home for Sunday
 dinner together, and that's what
 happened at the J. B. Oglesby
 home Sunday. Mr. and Mrs. Dan
 Phillips and son of Amarillo, Mr.
 and Mrs. Don Oglesby of Borger
 were present to enjoy the day.

There is good news from the
 bedside of Mrs. Bob Rogers. She
 is feeling much better at this
 time.

Mrs. H. H. Walser spent Mon-
 day in the home of her mother,
 Mrs. C. Clay.

Mr. and Mrs. W. L. Jolly of
 Shamrock are spending the week
 in the home of their son and fam-
 ily, the W. L. Jolly's, Jr.

The community received the
 news of the death of Ed Watson
 with considerable sadness Sunday
 morning, when it became known
 that he had passed away. Our
 deepest sympathy to the entire
 family.

Mr. and Mrs. Virgil Patterson
 visited in the home of his mother,
 Mrs. Fay Patterson Friday night.

For the past several years, we
 have been fortunate in Wheeler,
 because of so many people coming
 here to establish their homes after
 reaching retirement age. One thing
 about our town that appeals to
 many of these good people is the
 high moral standard, living con-
 ditions that are reasonable, good
 churches & schools. I think there is
 plenty of room for everyone.
 "Come on in the water is fine."

"Housewife of the Week"

The spotlight now turns on Mrs.
 A. C. Mitchell. She wins the hon-
 ors this week, for loyalty to fam-
 ily and friends. She has the enviable
 record of never failing them, re-
 gardless of the cost of her time
 or sacrifice. Mrs. Mitchell is a
 native Texan. She and her hus-
 band moved to Wheeler in the
 early 20's where they have lived
 and reared their family of seven.

Besides their own family, the
 Mitchell's took in their home, a
 grandson, Dewayne Bradford. Mrs.
 Mitchell has been a widow for
 twelve years. She is a member of
 the Methodist Church. She has
 passed her 76th milestone, yet she
 takes a keen delight in her per-
 sonal appearance and in making
 or buying pretty things for her
 home as anyone possibly could.
 Our very special wish for you
 Mrs. Mitchell is that the "Rest of
 the Road" will grow brighter day
 by day for you and yours.

Mr. and Mrs. Jack Crump of
 Pampa spent Sunday with his par-
 ents, the Dick Crumps.

AND THEN...IT'S EASTER!

Yesterday, these four were their Mothers' despair. Their faces were grimy, their play-clothes spattered with mud. They were even ready to put up their fists and fight when the rivalry between spacemen and cowboys became a little too keen.

Today, they are immaculate. They sing like young angels. They even look like angels . . . because today is Easter! And these boys are proclaiming the glorious message that Christ Is Risen.

Easter is the time of promise, beauty, awe at the miracle of birth and rebirth. Easter is the time to let the joy of living seep into you. It is the time to tell yourself that you believe . . . and, if there's been any doubt about it, to start believing again.

Spend part of your Easter in Church. Spend the rest of it looking, with new eyes, at the wonderful God has created around you.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church: They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

BEFORE AND AFTER From Floor Going to Star Ceiling

No housewife ever has to be told how important a good kitchen floor covering is. Many a housewife has begged — literally on bended knee — for a new floor as she scrubbed the dingy, outmoded old floor.

But maybe you didn't realize what damage an outdated floor covering can do to your kitchen's decorative scheme. The small photo shows how old fashioned floor covering can spoil the effect of an otherwise modern decor. The sink, the cabinets, the stove — all of the equipment — is soundly up-to-date. The equipment is well set off by tasteful wallpaper. But the whole effect is spoiled by the clutter underfoot which makes the kitchen look its size and distracts the eye from the modern equipment.

Below, you see what a modern floor covering can do all by itself. The only substantial change from the old kitchen is a new floor covering — inlaid linoleum in the new Gold Seal "Starway" pattern by Congoleum Nairn Inc. But what a difference! The little kitchen now looks serene and spacious. The light floor looks larger and cleaner, fitting the fine modern equipment. The smart wallpaper shows to full effect, relieved of the competition of a busy floor covering. Once again, a change of floor covering has shown the decorative importance of what's underfoot.

Gold Seal "Starway" linoleum is available in various combinations to fit almost any color scheme. In this case, the neutral gray background of the linoleum goes well with the pale gray cabinets, and the yellow, charcoal and red of the star pattern harmonize with the yellow counter top and red accents of the wallpaper.

returned to Hollis with them, after spending the week end visiting here with her parents.

Mrs. T. E. Haddox, Jr. and baby son are visiting this week in the home of her parents, Mr. and Mrs. Lyndon Sims. Mrs. Sims went to Lubbock and brought them home with her.

Mr. and Mrs. Paul Farmer of Borger were dinner guests of his parents Mr. and Mrs. E. E. Farmer, Sunday.

Grady Harris and Odis Vernon made a trip to Oklahoma City, Sunday. They visited with Mrs. Harris, Grady's mother while there.

Jimmy and Madge Horton with son Brock will spend Easter holidays with their parents, the Grady Harris' and Jess Patterson's. They are in College Station in school.

Mrs. Chris McClain of Farmington, N. M., was in Wheeler Saturday. She was en route home from her grandfathers funeral in Oklahoma.

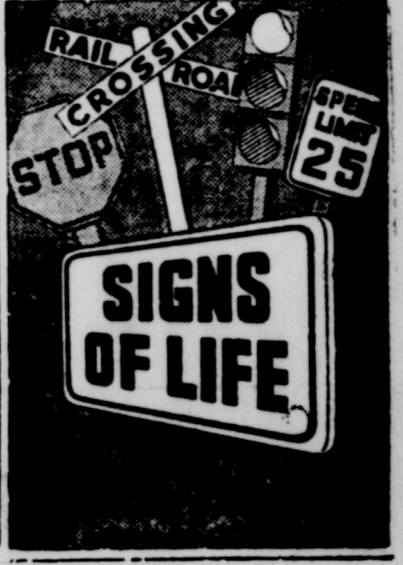

Mr. and Mrs. John Manning and children were dinner guests of the Kenneth Franklin's Sunday.

Mrs. Altha Hunt, Mrs. Oma Green and Mrs. Bronson Green of Amarillo, were in Wheeler Monday for the funeral of Ed. Watson.

CARD OF THANKS

Words cannot adequately express our gratitude to those who expressed their sympathy and helpfulness to us so beautifully at the time of our recent sorrow. THERE'S AN ELECTRIC HEATING METHOD FOR EVERY HOME NEED!

Electric Heating is CLEAN, MODERN, AND SAFE!

Now, instantaneous, comfortable heating — of course, it's electric! Whether you are building your new home, remodeling or adding a room to your present home, you can use electric heating. The advantages you have with your electric working appliances are also yours with electric heating. Electric heating is the cleanest form of heating known. Now is the time to solve your heating problems for next winter and years to come. For information, without obligation, see your Public Service Company manager.

- YOUR PRESENT HOME**
 - CEILING HEATING UNIT WITH CIRCULATING FAN**

Ceiling heating units are ideal for bathrooms, hallways or bedrooms. They can be used as the main heat source or as auxiliary heating. A flip of the switch gives you heat where you want it and, if desired, a controlling thermostat can be added for automatic operation.
 - RADIANT-CONVECTION WALL HEATERS**

This type of electric heating you've seen many times either in portable heaters or in wall-mounted units. Such electric heating units are inexpensive, can be thermostatically controlled and are easily installed. One answer to the problem of heating a room added on.
 - RADIANT GLASS, METAL or CERAMIC PANELS**

Nearest thing to the warmth of the sun's natural heat rays is electric radiant heat. Heating coils are embedded in a heat conducting material which, through radiation, warms your family, floors, furniture. These units, mounted on wall, floor, ceiling in various sizes, up to 50" inches long.
 - HEAT LAMPS**

Heat lamps are used where quick spot heating is desired — over work benches, in garages, working on the family car, etc. A heat lamp can be inserted in place of a regular lighting bulb, or it can be installed permanently in bathroom ceilings, etc.
- THAT ROOM YOU'RE ADDING ON**
 - BASEBOARD HEATING UNITS**

Electric baseboard heating is completely inconspicuous since it can be painted to match or contrast with wall colors. In practically all homes the heating requirement is met by installation along outside walls only. Furniture can be placed anywhere without interfering with your heating.
 - EMBEDDED CEILING CABLES OR PANELS**

As in all electric heating your furnace is miles away (at the electric power plant). You turn on a switch and get completely clean electric heat. Continuous coils are run back and forth across ceiling and then covered with plaster or texture paint material. Heating system is completely out of sight.
 - THE AMAZING NEW HEAT PUMP**

Here's the amazing "heat pump" which uses the principle employed in your electric refrigerator to "pump" heat to you in winter and cool air in the summer. It's a combination central unit which costs approximately the same as the central heating and cooling units in conventional use. No matter the outside weather, the "heat pump" adjusts immediately to give you the weather you want inside your home.

TRUSEE VOTE AT ALLISON ENDS IN TIE

A special run-off election will be held in the Allison School District within the next few days to break a four-way tie for two places on the Allison school board, Supt. Darrell Malin announced.

Four new members were elected to the Allison board of trustees, and one old board member was re-elected, in spirited voting on April 6.

Four other men, two of them candidates for re-election, wound up in a tie for the remaining two places on the board.

Fifteen candidates were in the race, and 148 votes were cast.

Joe Dukles led the balloting with 80 votes, followed by Vern Lohberger and Lee Kiker, each with 75.

Bob Markham won re-election to the board with 73 votes, and Willie Bergert was elected with 73 votes.

Tied with 70 votes each for the remaining two places were E. O. Jelly and Rex Miller, both candidates for re-election, and L. L. Jones and John Glisan.

Members of the retiring board are Kelly, Miller, Millard Donaldson, Bob Markham, Ern Bergert, Glen Elmore and Rayburn Hall. Bergert and Elmore were not candidates for re-election.

Supt. Malin said the special election will be held soon to elect two men to complete the new school board. On the ballot will be the names of the four men who wound up in the four-way tie — Kelly, Glisan, Jones and Miller.

believe more in our community than anyone else. And Thirdly the Chamber Must have a real goal. Not a small goal, easily attained but make the goal almost beyond accomplishment.

He brought out that the business men in Wheeler, or any town, were the face of the town. If outsiders do not like our face, they will not want to be a part of our community. Believe in Wheeler, be sold on Wheeler, then SELL Wheeler to others, is the job of C of C members, he said.

In keeping the information flowing from the scene of the hunt to the agencies needed in assisting with other physical assistance.

She manned the radio and telephone during the entire night intercepting messages and relaying necessary communications to other officers.

Because of the efforts of Mrs. Dorman, much needed assistance in the hunt was quickly received by local officers and the hunt was terminated in a successful manner within a few short hours.

As we in Wheeler County know, Mrs. Dorman is always on the communication systems whenever she is needed. It, to her, was simply doing what she could to assist her husband in line of duty.

Always in times of emergency, fire, storm, or what have you, she is standing by ready to help those in radio contact with the sheriff's department in any way possible.

Revival Starts

with the evening service on Sunday through the week and including the Sunday morning service on April 28.

A 24-hour prayer vigil will start at 9 o'clock Saturday morning with continued participation through the day and night. Breaks at every 30-minute period will enable all visitors to participate when it is the most convenient during the period of prayer for the revival.

There will be three services daily. The first, a men's breakfast will start at 7 a.m. with a good breakfast being served and closed in time for the participants to be in their places of business by 8 o'clock. Following this service at 8 will be the regular morning service open to men, women, and children. This service will be over in time for school children to get to school on time.

The evening service will begin at 7:30 each evening and is the principal service each day. The public is cordially invited to attend any or all of these services. Special emphasis has been placed upon the men's breakfast and all men and boys of the community are urged to attend and reap the benefits of this early morning worship.

Wheeler P-T-A To Install Officers

Mrs. Roy Ford was elected president of the Wheeler Parent and Teachers Association at the recent meeting. Also elected to serve with her were Mrs. Adrian Risner, vice-president; and Mrs. Bob Douthitt, secretary-treasurer.

Mrs. W. A. Goad, Jr., presided over the meeting and appointed Mrs. Max Wiley to be the third member of the Scholarship committee.

The newly elected officers were also elected as delegates to the Spring Conference in Gruver, April 13th.

Mrs. Farmer's first grade pupils presented a short skit and a group of Homemaking girls directed by Mrs. Gordon Whitener, presented a Fashion show modeling the dresses they had made this year.

Announcement was made that the next regular meeting date has been changed to Monday night, April 29th. New officers will be installed at that date.

Mrs. Don Gipson and baby of Shamrock were in Wheeler Saturday for a visit with relatives. Her mother Mrs. Jewel Rimmer returned home with her to spend the week end.

At the Commission hearing the company is asking for: \$2.00 for the first 2,000 feet or less of gas used; the next 8,000 feet at 85¢; the next 15,000 feet at 70¢; and all over 25,000 feet at 60¢; with a 10% delayed payment charge.

Outcome of the hearing is not known as we go to press this week, but The Times will try to give it next week.

Clean Up Day

(Continued from page one)

residential and business districts can be completely devoid of tin cans, broken bottles, tree limbs, dead grass and weeds, rubbish of all kinds, and our town made a clean and healthful place in which to live.

Why Clean-Up, Paint Up, Fix-Up? In the next few days you will see and hear "Clean Up, Paint Up, and Fix Up" everywhere.

Briefly here are the reasons for Wheeler's Campaign, Clean Up, Paint Up, Fix Up, produces health and safety, develops community spirit, reduces fire losses, teaches good housekeeping & respect for property. It encourages landscaping of vacant lots, improves morale, discourages crime, restores and increases value of real estate, and teaches a civic lesson.

You can easily see that you can't afford NOT to support a campaign that offers so many values for YOU, Your Family, and Your Home.

Why Clean Up, Paint Up, Fix Up? For your health, happiness, and well-being, that's why. Let's all get together and do a bang up job on Wheeler Tuesday, May 7. Start NOW, DON'T DELAY!

NEW RESEARCH FOUNDATION ANNOUNCED

J. E. Cunningham, president of Southwestern Public Service Co., announced recently that his company, along with 10 other electric light and power companies of Texas had formed the Texas Atomic Energy Research Foundation. Corporation papers have been filed.

Mr. Cunningham stated that the purpose of the foundation was to engage in research in the atomic energy field as applied to the generation of electric power.

The 11 companies will jointly carry on their research as a group in the field of atomic research. The combination can be made effective by elimination of duplication and combining of needed capital. It is designed as a long range program since the economical natural gas in Texas will compete in the fuel category. Atomic power plants are different only in the fuel used.

All eleven of the power companies are represented on the board of directors. With W. A. Parrish, president of Houston Lighting and Power Company serving as president of the newly formed Texas Atomic Research Foundation.

INSTRUCTIONS ARE GIVEN FOR PLANTING GRASS

Sorghum Alumnum, a grass that has proved beneficial in this area, will be planted this year by many farmers — both for grazing for permanent grass on soil bank land.

Detailed instructions on how to fix plates for planting the seed, are given as follows:

1. Put a blank plate in the planter box.
2. Mark the spot where the seed will drop through the spout.
3. Move the tractor forward 20 inches.
4. Mark the spot again.
5. Move the tractor forward another 20 inches.
6. Mark the plate again.
7. Continue this until the plate has made a complete round.
8. Remove the plate and bore them out with a 3/16-inch drill.
9. Ream out the bottom with a 1/4 inch drill.

The above should plant about one pound of Sorghum Alumnum seed per acre.

4-H Electric Contest To Be Held Here Soon

The Wheeler County Boys 4-H Clubs are having their electric contest April 27th, at the Southwestern Public Service Company Office in Wheeler, according to Bryan Swain, County Agent.

Swain said the boys with electric projects this year are making either lamps or extension cords and these will be displayed and graded Saturday morning April 27th.

He said the boys are making their lamps all different kinds of material for their base such as: wagon wheel hubs, tree limbs, two by fours, four by fours, old spurs, horse shoes, chain, and many others.

SENTRY DUTY

IN AMERICA every editor is on sentry duty, guarding constantly against all encroachments on the Freedom of the Press. It has always been like this. Ever since the press battled for and won freedom of expression, its guardians have had to be on the constant lookout for infiltration by the enemies of that freedom, infiltration — pressure from powerful groups to tone down comment on a situation — pulling of strings to keep a story from being published — predigested propaganda releases.

But the press knows the importance of never giving up its freedom. For on freedom of the press depend all other freedoms that make up democracy. Therefore, the men of America's press refuse to recognize any check — except military security — on complete, unabridged and inviolate freedom to print the truth.

That is the challenge of today to the censor and the vigilance of those sentries of America's press.
