

DANIEL URGES WAY OF WATER AMENDMENT

Wheeler, Oct. 30. (Special)—Gov. Daniel today urged all eligible Texans to go to the polls on Nov. 5 and vote for the water amendment, which is on the ballot as Proposition Number 3 on the ballot. The urgent need of dams and water projects in the state is evident to everyone, Daniel stated. "Proposition No. 3 will make possible the construction of a self-financing plan and the water amendment does not call for and will not necessitate any tax."

He pointed out that all of the state's public officials are supporting the proposal. "Furthermore, the amendment has been endorsed by a multitude of state organizations and other organizations, newspapers, manufacturers, chambers of commerce."

Actively supporting the water amendment are the East Texas Chamber of Commerce, West Texas Chamber of Commerce, Rio Grande Valley Chamber of Commerce, the AFL-CIO, the Texas Manufacturers Association.

"Now is Texas' opportunity of lifetime," the governor added. "At our fingertips is a potential \$600,000,000 for water projects to be paid out of revenues. Our chief executive also cited the food damages and the tremendous loss of lives and property that have resulted from uncontrolled waters."

"Why should Texans continue to suffer millions of dollars in property damage every year? Why should good water that can be used by cities, by industries and agriculture be allowed to flow uncontrolled off our rich lands and into the Gulf of Mexico?"

Statements Of Top O Wheeler County Banks Show Deposit Increase

North Wheeler county's two banks—the First National Bank in Wheeler, and the First State Bank in Mobeetie, reflect an apparent stable business economy in the Top O Wheeler County, as statements of the two banks published in the October 24 issue of The Times, indicate.

Published in response to calls made by state and federal banking departments for statements of their financial condition, deposits in the two banks at the close of business October 31, was \$2,614,172.82.

The First National Bank had deposits totaling \$1,991,801.42. This is \$266,126.88 more than was on deposit in the First National this time last year.

The First State Bank in Mobeetie showed \$622,371.40 on deposit, representing an increase of \$92,605.53 over June 1957 deposits and \$73,901.80 more than First State deposits were this time last year.

The First National in Wheeler showed an increase of \$165,343.95 over their statement of June 6, 1957 when total deposits were \$1,826,454.95.

Baptist Revival Success Despite Flu Bug

Revival services held at the Wheeler First Baptist Church the past two weeks closed Sunday evening, Oct. 27.

Rev. Frank Ross, pastor, who conducted the services, said that large numbers attended each service and that much interest was shown.

Twelve people accepted Christ as their Savior and asked membership with the church. Six people requested membership by letter.

Rev. Ross said that attendance to the services held up remarkably well considering the number of people who were ill with flu in Wheeler last week.

Wheeler Methodist Young People 'Trick Or Treat' For CROP Gifts

The Methodist Young People's organization is planning to celebrate Halloween in Wheeler in a very commendable and unselfish way. They will go from door to door Trick-or-Treat calling on the citizens to share their plenty with hungry people overseas. These young men and women are working for Christian Rural Overseas Program (CROP).

A map of the city was drawn and divided into sections by Delbert Thomas. This way there will be only one group of CROP representatives call at your home for your contribution to this worthy cause. The boys and girls hope to collect enough in Wheeler to help feed several hungry people.

Last year Texas youth collected \$54,910.04 for CROP. This made possible the distribution of 2160 tons of surplus food and a share in the shipping cost of more than \$20,000 worth of contributed commodities including cotton, rice and pinto beans.

Who Will Be Crowned . . .

Homecoming Queen?

QUEEN AND PRESIDENT — Britain's Queen Elizabeth II proved an attractive and charming visitor to U.S. shores during her whirlwind four-day state visit to Washington and subsequent tour of New York. The Queen is shown greeting a smiling President Eisenhower as he arrives at the British Embassy in Washington for a state dinner. Elizabeth's ever-smiling face and gracious manner proved a boon to relations between the two English-speaking nations.

Football Squad Will Choose One of Five Candidates Friday Evening

Homecoming plans and activities received a belated go-ahead Monday. Plans were put into high gear almost instantly.

The demand comes in a loud, strong voice from north Main Street for towns people to "GO WESTERN" Friday, Homecoming Day. Townspeople must dress western, not necessarily from head to foot but to be wearing at least three items of western style clothing. The Seniors will send an investigating committee around to check or collect a 25c fine for non-compliance. High school students and teachers have to "Go Western" all week or be thrown in the horse tank.

Student Council members under the direction of their president, James Porter, will be in charge of a Western program to be given today at 9 a. m. in General Assembly at High School.

A big bonfire and pep rally will take place in front of the HS gym Thursday evening beginning at 7 p. m. And "If they are left", students plan a big rally at the intersection of Texas and Main Streets Friday afternoon, a Senior spokesman said today.

The football squad will choose their Queen from the following five candidates: Shari Galt Lee, a Senior; Snaron Beaty, Tillie Green and Sondra Jones, Juniors and Georgia Gave Pond, a Sophomore. The girls will not know who will reign until half-time Friday evening when she will receive the Mustang Crown.

Captains of the team are James Porter, Larry Hunter and James Cox.

A very cleverly planned arrangement for the presentation ceremonies has been worked out. Try not to miss it.

They ask all Wheeler Mustang fans to be present to see the squad play against the Estelline Bear Cubs Friday evening, Nov. 1 with kick-off time at 7:30 p. m.

The leaders in the cheering section will be Nancy Brown, Peggy Pride, Audie Jo Holdeman, Shirley Miller and Juanell Wegner.

Turkey Dinner Will Open P-TA Halloween Fun Fest

Witches and black cats, ghosts and goblins, Jack O'lanterns and funny faces, wee elves, brownies and dainty fairies will all gather at the High school gym this evening for lots of fun and goodies to eat.

Wheeler P-TA has a big turkey dinner and all the trimmings ready to serve at 5:30 to 7:30 p. m. at the school cafeteria, to start Halloween festivities off in grand style.

Every grade and department of the Wheeler school system and the moms and dads of the youngsters have been enthusiastically working on booths, stunts and making numerous other preparations so this Fun night will be long remembered by everyone.

The Style Show and Baby Show put on by the fathers belonging to 2nd and 3rd grade room will be held in the grade school auditorium. All other activity will take place in the high school gym.

The Royalty contests will close at noon. Lower grade winners will be the crown bearers, upper elementary winners are the Prince and Princess while the winners in high school will be crowned Halloween King and Queen in beautifully arranged ceremonies to begin at 9 p. m.

It is hoped a large crowd will attend. This is the only fund raising campaign conducted by P-TA members during the year. They cordially invite all Wheeler citizens and friends of the school to come and participate. The proceeds will go into their projects fund. They hope to have money enough to offer a scholarship to a graduating senior to help and encourage them to go to the college of their choice for further education. They presented a scholarship of \$150.00 last year.

C of C NOTES

The next meeting of the Wheeler Chamber of Commerce will be Nov. 19 at 7:30 p. m.

Sgt. E. G. Albers, Jr. of the State Highway Patrol will talk on Highway Safety regulations. This is a fine gesture on the part of Sgt. Albers and we would appreciate seeing a good audience out to hear him.

You May Still Get The Kind Grandma Talked About— ICY, GOLD WINTERS PREDICTED BY VETERAN OBSERVER

The freezing temperatures of Friday night dealt a severe blow to Wheeler county cotton farmers and row crop growers.

Late spring and early fall rains delayed harvest of grain in this area. The previous two weeks of wet, cool weather had already dealt a heavy blow to prospects of gathering high grade cotton. Farmers were still hopeful of avoiding too much damage until Thursday and Friday's dropping temperatures froze their hopes as well as moisture filled cotton bolls yet in the fields.

An estimated 25 per cent of the County grain crop is still to harvest. The rains prevented thrashing for so many days that most crops yet unharvested will be unfit for feed.

Wheeler County has received a total rainfall this year of about 30 inches with 6.6 inches coming in October on crops ready for harvesting.

Remember how grandpa talked about the winters when he was a boy how the snow drifted to 30 feet and rivers froze solid so you could walk across?

Well, those winters are coming back. That's the opinion of Dr. Hurd C. Willett, professor of meteorology at Massachusetts Institute of Technology, Cambridge, Mass.

Dr. Willett has made an amazing record of long-range weather forecasts. His predictions include:

1. The next 5 years look promising for ice skating and skiing enthusiasts in America. Weather in this country will be colder and wetter over the long run.
2. There will be fewer hurricanes along the middle Atlantic and New England seaboard.
3. These storms will return to their natural track in the Caribbean or Gulf of Mexico areas, or the Atlantic.

There will be more rainfall and cooler weather in the Middle West, Southwest and South. There might be a period of lesser drought in the southernmost part of the country, occurring about 1975 to 1985.

5. Glaciers in the Northwest, which melted away to record lows in the first 50 years of this century, will continue their recent growth; the water level of the Great Salt Lake will rise and the wet, cool climate that has returned to the Northwestern states.

(Continued on page 2)

Cub Pack 72 Saving Pennies To Give 'Meals For Millions'

Members of Cub Scout Pack 72 are going to save their pennies and coin money all during November so that they may make a gift to the fund "Meals For Millions". Jim Montgomery, Scout Master, explained to the Cubs that through this program meals can be prepared for only 3c each. The program, which is mainly supported by pennies contributed by members of organizations such as their, feeds 52 million people in 101 different countries. All members of Pack 72 will bring their gifts to the November meeting and the money will be sent in their name.

Mr. Montgomery presented the following awards earned by the boys:

- 1st year service pin and Wolf Badge to Gary Montgomery;
- 2nd year service pin to Lowell Farmer II;
- 1st year service pin to John Dunn;
- 3rd year service pin to Jimmy Adams;
- Lion Badge and one gold and one silver arrow point to Terry Vannool;
- Lion Badge to Larry Garrison and a Bob Cat pin to Tony Terry.

Mrs. Jack Garrison, former Den Mother, was presented with a plaque in recognition of services she has rendered to Cub Scouting.

The Halloween theme was carried out in decorations, stunts and games for the Pack meeting, Oct. 22. Mrs. Carroll Adams directed game and Mrs. Lowell Farmer presented a stunt. They have lots of fun during the party time of their meeting.

Those in attendance were Jimmy Adams, Jessie Terry, Tony Terry, Robert Styles, Tommy Wiley, Ricky DeArment, Lowell Farmer II, Terry Vannool, Gary Montgomery, Larry Garrison, Kenneth Daughtry, Duane Porter and Craig Grider.

CELEBRATES 80th BIRTHDAY

Mrs. I. B. Lee, Wheeler, celebrated her 80th birthday Sunday, Oct. 20. Her birth date is Oct. 22 but her family descended on her home Sunday in a surprise gathering for dinner.

Those in attendance were Mr. and Mrs. Harold Lloyd Lee and family, Mr. and Mrs. Lloyd Lee and daughters, Mrs. Lonnie Lee, Lonnell and Shari Galt, all of Wheeler; Mrs. Ernest Lee, Mobeetie; Mrs. Artie Hunt, Lubbock; Mrs. Ethel White, Amarillo, and Mr. and Mrs. Carroll Pennington and daughter of Borger.

Pariser Wins Radio Contest Prize

Ms. Celia Pariser of Briscoe was the winner of a contest conducted over Shamrock radio station KEVA, last week. The program is sponsored by the friendly citizens of Wheeler. Bill Barry, a movie and sends a broadcast every three days each at 5:30 p. m.

Mrs. Pariser will receive the following prizes for her winning answer to the contest: \$2.00 worth of merchandise from Daughtry's in Franklin store; \$2.00 worth of berries at Puckett's Food store; the gallons of gas at Owen Texaco Service Station; Two dinners at Jim's Cafe and two tickets to the Bouquet Theatre.

Another contest is scheduled to begin this week, according to Mr. Barry. Who will be the lucky one?

BRISCOE HAS WIDE SERVICE

Briscoe is 244 counties—all but 10—were served by the University Texas Package Loan Library during the past fiscal year, the library's 43rd year of operation. In response to requests for information on specified subjects, 22,699 package libraries (collections of pamphlets, periodical articles and other non-book printed materials) were assembled and sent to libraries and individuals living in 682 counties.

Wheeler FHA Girls Hold Open House

Wheeler FHA girls held open house and a silver tea, Oct. 21 at their newly decorated Homemaking Cottage. Ninety-five persons gathered there on that cold, rainy afternoon.

Flowers for the occasion were arranged by Mrs. Geo. Taylor. A very clever arrangement of fruits, vegetables, witches and fall foliage served as a centerpiece. The lamps and desk were loaned to the girls by Parsley Furniture Co.

Invitations had been sent to all the FHA classes in surrounding schools. Twenty girls from Kelton, fifteen from Briscoe and five from Mobeetie came to visit the Wheeler class.

Mrs. Whitener, home economics teacher, extend a standing invitation to all the people of the community who have not seen the cottage since re-decoration, to stop anytime for a visit.

"We are proud of our cottage and know you will want to see it,"

Mrs. Whitener said.

The girls and their teacher together, repaired and upholstered the furniture, revarnishing the wood. They painted all the walls, desks, cabinets and blackboard. They made new curtains, dyed some old ones and made over some for the bedroom.

"This is probably the only orchid entrance hall in existence," Mrs. Whitener remarked, "but we wanted a color that all the other colors would blend into and we decided that pastel orchid was it."

Upon entering the cottage one receives a most gracious and pleasantly welcome feeling. The hall furniture has been refinished in oak varnish, the pictures hanging against the orchid walls are groupings of flowers that pick up the blue, pink, gold, green and brown tones of all the rooms opening off the entrance.

The curtains in the class room, chairback and sewing machine covers as well as the kitchen cur-

tains are made from new material. The class purchased new mattress covers from army surplus to use in making the curtains.

The large classroom with its eight windows has pastel blue walls and off-white desks, chairs, and other furniture. The curtains are daintily trimmed with the embroidery attachment of their machine. The light blue trim is carried out on chairback and machine covers. The old green board is now a jet black over which hangs an interesting painting. A new bulletin board on rollers was made by the janitor, which adds a needed teaching tool.

The girls have one display exhibit they won \$20.00 with at the Shamrock Fair. There is illustrated how Future Homemakers of America affects the entire family by the study of clothing, feeding, housing of the family, the relationships, child development and home care of the sick.

The living-dining room at the

cottage has a brown and gold color scheme with the furniture tastefully arranged and brown scrub curtains. The kitchen walls and cabinets are a soft green with pink inside the cabinets and trim. The new curtains are made from the mattress cover material with a deep fringe and beautifully applied flower design in pink and green.

The bedroom furniture was mended and refinished by the girls who also upholstered two chairs. They used the best parts of old curtains making cafe type ones, the material is white with pink ball fringe trimming. The color scheme of blended pink and dusty rose is used here.

Wheeler FHA girls with their friend and teacher have certainly proved that much can be accomplished when a plan has been formulated and there is exercised the will to work together. Little expense and much effort has accomplished wonders.

SS FIELD REPRESENTATIVE VISITS WHEELER

Curtis M. Watts, field representative working out of the Dept. of Health, Education and Welfare District office in Amarillo, was in Wheeler Wednesday. He was here to help people to a better understanding of the benefits of Social Security. He will return to the Wheeler County Court House Nov. 17 and will be glad to explain any point of the Social Security law to all who ask for his assistance.

Mustangs Trot Off With 4th Straight Victory

The Wheeler Mustangs bucked the Lakeview Eagles Friday night, Oct. 25 in a game that netted their fourth straight victory, 45-34.

Wheeler had previously defeated Quitaque, Silverton and Turkey in District 2-5 games.

The Mustangs opened the scoring with three touchdowns in the first quarter. The Eagles were able to score only in the second and fourth quarters. Wheeler led 28-0 at the first quarter, 34-7 at the half and 45-7 at the end of the third quarter.

Jim Porter, fullback and Harold Crossland spurred the Mustangs offensive attack.

Keith Robertson scored the first Eagle touchdown on a 45-yard reverse.

The Wheeler squad will try for a fifth win over Estelline here Friday night, Kick-off at 7:30 p. m. Next comes the game of all games in District 2-5 playing Mustangs vs. Minton. The game is scheduled for Nov. 15 at Mtonado.

Farm AND Ranch News

LOOSER PLANTING CONTROLS MAY SWEETEN FARM PLAN

Agriculture Secretary Ezra Taft Benson may sweeten his new farm proposals to Congress next year by adding a request for authority to loosen federal planting controls.

Benson probably will seek the new authority for five of the six crops classed as "basic" under farm law—cotton, wheat, peanuts, rice and tobacco.

For the sixth crop, corn, Benson has already outlined another program. He has urged Congress to drop acreage allotments completely, giving corn the same treatment as non-controlled animal feed grains like barley, oats, and sorghum grain.

The move to give Benson power to ease planting curbs on the other five crops would accompany his bid for authority to reduce federal price supports on all six major crops.

The price-slashing proposal got a cold-shoulder in Congress last summer. Administration officials hope to attract more support by combining it with a provision that could allow farmers to expand planting of some controlled crops.

A plan under consideration by Benson's aids would give the Secretary discretion to raise allotments over the level fixed by formulas in the present farm law.

Benson would not be forced to grant the increase for all crops under this plan but he could use the authority to prevent cuts dictated by the formula or to expand acreage where the formula provided no increase.

The proposal now under consideration would not give Benson authority to cut allotments below the "formula" level.

Under the law which governs farm controls and price supports, acreage allotments are a key factor in programs for corn, cotton, wheat and other "basics."

The system works this way:

The Agriculture Department each year adds up the supply, production and consumption outlook for each major crop. Then, using formulas written into the law, Department officials fix acreage allotments and price support rates. The number of acres allotted for each crop moves up and down with supply totals.

Farmers who comply with acreage allotments are then eligible for government price support. (In some seasons, marketing quotas

are also enforced. In these years, farmers who overplant allotments are subject to cash penalties in addition to losing eligibility for price support.)

In recent years, surpluses of most of the "basic" crops have forced acreage allotments far below the levels of the early post-war years. If the allotment formula remains unchanged, Agriculture Department officials said there may be more cuts ahead after 1958 for cotton and rice.

Will Represent Texas Panhandle In Farm Bureau Queen Contest

MISS VADE BELL, Wellington Farm Bureau Queen Representing nineteen Panhandle Counties

Pretty Miss Vada Bell of Collingsworth County will represent 19 counties in the Panhandle area in the finals of the Texas Farm Bureau queen contest Nov. 18 at the Baker Hotel in Dallas. She will compete against 12 other lovely Farm Bureau district queens.

Miss Bell, 17, was chosen District 1 queen in a contest held Sept. 7 at Amarillo.

The daughter of Mr. and Mrs. Paul Bell, Wellington, she has brown eyes and light brown hair. This marks her third year as cheerleader and fourth year in basketball in high school. Other school activities include senior class officer, member of Future Teachers of America and member of the student council her first 3 years in high school. She was chosen basketball queen in 1955, was runner up in both the Miss Wellington and Miss West Texas contests in 1956. Miss Bell plans to attend college after graduation, but as yet, has not decided which one.

Queen contestants will receive expense-paid trips for themselves and their matron escorts to the state contest which is being held in connection with the 24th annual TFB convention. In addition, they will receive beautiful wrist watches.

The lucky girl chosen state Farm Bureau Queen will receive \$500 in expenses for herself and her matron escort to attend the 24th annual convention of the American Farm Bureau Federation Dec. 8-12 in Chicago.

Miss Joann Vaughn, daughter of Mr. and Mrs. Marshall Vaughn, Tulla, Swisher County, was 1956 TFB Queen.

Wheeler County SOIL CONSERVATION DISTRICT NEWS

Soil moisture is now about perfect for construction of terraces and diversions. It has been too dry during the winter season for several years. Money is available for ACP assistance. The Supervisors of the Wheeler District has lagged for several years and urge all farmers to make best use of the good conditions.

Soil Conservation Service personnel assisting the district have run some diversion terraces for Venson Smith on his farm west of Briscoe. Many places where diversions are needed have no protected outlet. Now is a good time to prepare a place to put the water so a diversion can be built later.

More than half the right-of-way on the new pipeline has been seeded to rye. This strip of bare land running across the district was a blow hazard. It is good to see the farmers taking steps to prevent wind erosion rather than having to fight it after it starts.

The Supervisors would like to call attention to the row drills that they have for seeding rye in cotton. Gordon Whitener used one on his place west of Wheeler. He has a perfect stand of rye in his cotton and did no damage to the growing crop.

Texas Cotton Crop Ginned At Slow Rate

The 1957 Texas cotton crop is being ginned at a much slower rate than the 1956 crop. The Census Bureau, Washington, reported this week.

Texas ginnings through last October 18 were 1,202,021 bales, compared with 2,174,453 bales the same date in 1956. Estimated ginnings for all the cotton growing states were 4,179,112 bales last Oct. 18, compared with 8,020,891 up to that time in 1956.

Texas Draft Call 340 For December

The State Selective Service said today the state quota for Texas draft boards in December calls for 340 men compared with 346 for November.

The December calls is the state's share of a national call for 7,000 men.

Mr. and Mrs. Marshall Vaughn, Tulla, Swisher County, was 1956 TFB Queen.

Extend Honors To Top 4-H Youth

HONORS will be extended to high ranking 4-H boys and girls during the 26th national 4-H Club Congress to be held in Chicago December 1-5, 1957, when outstanding achievement records bring rewarding trips to more than 1300 Club members. As businessmen offer a hand locally scores of nationally known individuals and business concerns express their admiration of deserving boys and girls by giving them the "time of their lives" during the Congress.

Over two million 4-H Club members will be represented at the 4-H Congress in the Windy City. Boys and girls from the 48 states, Alaska, Hawaii, and Puerto Rico will register for the annual event. In addition to all expense trips honoring state, sectional and national winners, 218 college scholarships totaling \$82,420 will be awarded.

Sharing the responsibility for providing these incentive awards are individuals and business enterprises that cooperate in furthering the ideals and philosophy of 4-H work. They also make possible the many wonderful and never-to-be-forgotten experiences of Club Congress. Awards in approximately 40 different types of projects and activities have been announced by the National Committee on Boys and Girls Club Work, which arranges the programs in cooperation with the Extension Service.

Nearly half a million dollars in scholarships and awards are offered annually to teenagers. The national 4-H Congress gives recognition to those who have shown exceptional leadership and ability. Throughout their Club careers they have been guided and inspired by local leaders and others interested in 4-H work.

Heading the list of donors of the 1957 awards is the President

of the United States. Other donors are Edward Foss Wilson, Mrs. Charles R. Walkgreen, Thos. E. Wilson, Ford Motor Co., Olin Mathieson Chemical Corp., Plant Food Division; International Harvester, Standard Brands, Kerr Glass Mfg. Coats and Clark Inc., Betty Crocker of General Mills, Carnation Co., Oliver Corporation.

Simplicity Pattern Co., Westinghouse Educational Foundation, Hercules Powder Co., Allied Chemical & Dye Corp., Arcadian Products Dept., American Forest Products Industries, Whirlpool Corp., Allis Chalmers Mfg. Co., Tractor Group; Montgomery Ward, Eli Lilly & Co., Sears-Roebuck Foundation, General Motors, Singer Sewing Machine Co., Firestone Tire & Rubber.

American Oil Co., Humble Oil & Refining Co., Standard Oil Foundation, Standard Oil (Ky.), Standard Oil (Ohio), Utah Oil Refining, Wm. Wrigley Jr. Co., Pure Oil Co., Colgate-Palmolive Co., Conrad Hilton Hotel, Elgin National Watch, Massey-Harris Ferguson, Homelite, A Division of Textron.

Also the Santa Fe, Chicago & Northwestern, Rock Island and Illinois Central railroads, Chicago Board of Trade, Cities Service Oil Co., Cudahy Packing Co., Armour & Co., California Spray-Chemical Corp., Sunbeam Corporation.

It is alright, sir to let your mind wander, provided you don't try to follow it, especially when you are driving. DRIVE SAFELY

Be assured, good friends everywhere, life will knock you to your knees. But that is the best position in which to pray.

You May Get The Kind Grandpa Talked About

(Continued from page 1)

during the last 10 years, will continue with possibly some slight modifications.

"Of course," Dr. Willett said in an interview recently, "these long-range forecasts are only the highlights of what we must expect in the next half century or so as the earth's climate continues a new phase of its periodic changes."

"The weather," he added, "is changeable, as everybody knows, and there will be short periods when it will run contrary to the long-range trend."

The weather has been Dr. Willett's business for 41 years, since he first kept a weather diary as a 13-year-old youth on his father's farm near Pittsburgh, Pa.

That hobby became a full time career for the Rhode Island-born meteorologist, who has studied the weather as a graduate student, wartime government weather consultant and professor at MT.

Since 1936, Dr. Willett has specialized in studying "general circulation," meaning the study of large-scale wind systems of the hemispheres.

"Winters in the northern United States will get colder gradually," he said, "with the coldest period lasting probably from 1975-1995. Of course, they will not be continuously cold year in and year out. There will be the normal ups and downs in temperatures.

"Winters in other parts of the country will get correspondingly colder, and even the summers will probably be a little cooler throughout the country."

Cyclone winds have been known to whirl at a rate of 200 to 300 miles per hour.

Six Area Seniors In Cotton Course

Six Texas Tech seniors from the Panhandle area are among the 15 "charter" students in a cotton gin engineering course being offered at Tech this fall.

This is the first year specialized training in cotton gin engineering has been offered anywhere in the country, according to Ira Williams, Tech agricultural engineering department head.

Students in the course are being taught basic principles of cleaning, conditioning and compressing cotton. Also included is instruction in plant management and fiber quality evaluation.

Members of the National Cotton Council have estimated that at least 10 or 12 graduates in cotton gin engineering can be readily absorbed by the industry annually for many years to come.

Students from this area are: Ivan Wayne Kirk, Groom; Richard Lee Ochs, Dumas; Roy Lewis Johnson, Amarillo; Kenneth Billington, Tulla; Wesley Jackson Cagle, Plainview; H. I. Hodgkin, Roaring Springs.

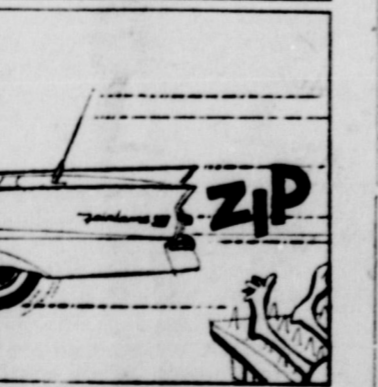

Commissioners Call McClellan Election

The \$500,000 park bond election to finance the rebuilding of Lake McClellan has been officially called for Nov. 5 by the Gray County Commissioners Court.

Its companion bond issue, the \$250,000 road bond, will also be held Nov. 5.

WORLD JUST TO LISTEN — World-famed cellist Pablo Casals can't remain impassive as he listens to the play-back recording he had made earlier at the Sorbonne in Paris. These photos tell the story of the virtuoso's reactions as he listens to his own playing. Casals concentrates deeply, upper left, as the music begins. Something faulty in the presentation jars him out of his contemplative mood, upper right. At lower left, he reacts in the mood of the music and, lower right, he beats happily in accompaniment.

ALLISON

By Mrs. Lester Levitt

Mr. and Mrs. Carl Giddens, Patricia, Anthony Cornell and the Melvin Gidder visited the home in Dumas last week end here with his parents, Mr. and Mrs. Vernon Hall.

Miss Linda Glisan, who is a student in Bethany, Okla., college spent the week end here recently with her parents, Mr. and Mrs. John D. Glisan.

Mrs. M. Ball is in Erick, Okla., with her mother, Mrs. W. B. England, who is ill.

Mr. and Mrs. Eddie Bessie of Reydon, Okla., were in Allison Friday transacting business.

Mr. and Mrs. R. P. Grayson consulted a doctor in Pampa one day last week.

Leo Peterman's mother died Friday morning at her home in Sweetwater, Okla. Several from here attended her funeral services held in Sayre, Okla., Monday. A complete story will be found elsewhere in the Times.

Mr. and Mrs. Bob Watchous and daughter, Pamela Joy, of Skellytown, visited friends here Sunday. He was depot agent here at one time.

Mr. and Mrs. Clyde Dukes visited Mr. and Mrs. Ernest Wallace in Sweetwater, Okla., Sunday. Mrs. Wallace has been keeping the Dukes infant baby while Mrs. Dukes recovered from her recent illness and surgery.

Cliff Sanford and family of Reydon, Okla., were dinner guests in the Bruce Harrison home Sunday.

Luther Pearce of Reydon visited John Megee and family Sunday.

Pat Brown of Oklahoma City spent the weekend here with her parents, Mr. and Mrs. Elmer Brown and family.

Mr. and Mrs. Forace Evans and Mr. and Mrs. George Bradstreet and Ronald Evans and family of Lipscomb visited in the A. B. Evans home Sunday.

Rev. Howard Smelser, Mr. and Mrs. Bruce Harrison and Mrs. Frank Chandler attended a Fellowship meeting at Dumas Monday night. The meeting was held in the Pentecostal church.

Mr. and Mrs. Harrison Hodges of Port Arthur, Texas visited Mr. and Mrs. Joe Walsh one day last week.

Mr. and Mrs. Ralph Markham and Johnny of Seagraves visited Mr. and Mrs. C. L. and Bob Markham and family and Mr. and Mrs. George Parker Friday and Saturday.

Mrs. Frank Begert, who lives in Umbarger, Tex. displayed the wedding dress of Mrs. Ida Begert at the homecoming at Canyon Saturday. The dress was in the trousseau for her wedding in 1907 in Switzerland.

Mr. and Mrs. Archie Dillon motored to Wellington Sunday and spent the day with Mr. and Mrs. Dudley McMillan.

Mr. and Mrs. Prentice Jones and daughter of Groom attended services at the Church of Christ here Sunday.

Mr. and Mrs. Walter Scott of Pampa, Jimmy Levitt and family of Berger and Harold Peterman and family were week end guests in the M. K. Levitt home.

Mr. and Mrs. J. T. Childress and children spent Saturday and Sunday in Childress with her father, Carl Hanks and family.

Mr. and Mrs. D. Marlin and children and Delores Donaldson attended the homecoming celebration in Canyon Saturday.

Mrs. Clifton Boydston and children of Pampa, Hershel Sanford and Mr. and Mrs. Harry Dale Henson of Amarillo and Mrs. Roxey Sanford, Reydon visited in the Bruce Harrison home Monday.

Mr. and Mrs. Roy Morse and family attended a family reunion at Dalhart last week end.

Mr. and Mrs. Raymond Jones of Pampa spent the week end here with her parents, Mr. and Mrs. Rayburn Hall.

John E. Jones has received word that her grandson, Ernest Risner, has suddenly taken a turn for the worse and is not expected to live. Risner has been ill at Peterman's Hospital in Austin several months. His parents, Mr. and Mrs. Frank Risner of Pampa, are at his bedside.

Mr. and Mrs. K. E. Morse attended the workers conference at the First Baptist Church Thursday night.

Mrs. Loyd Jones were in Pampa Thursday on business.

Mr. and Mrs. Williams visited Ruby who is still unconscious in Memorial hospital. She suffered injuries in a car accident near Canadian several weeks ago.

Mr. and Mrs. R. P. Grayson returned Sunday until Tuesday from Okla., with their son and Mrs. Chuck Reynolds, a former resident of Reydon accompanied to Noble and went on to Pampa City on business.

Mrs. Donaldson Morse spent the week in Northwest hospital in Amarillo for treatment of a kidney infection. Mr. and Mrs. P. J. Fiewelling of Canadian returned from Pampa where they were guests in the home of Mrs. Boyd Huff and family and Mrs. Ernest Begert were Sunday dinner guests in the Ernest Begert home.

Mr. and Mrs. Billy Aaron of Pampa announced the birth of a son, Randy (Randy) Sent 29 at Pampa hospital. Mr. and Mrs. Aaron are the happy grandparents.

Mr. and Mrs. J. H. Hall, who is employed in Pampa, spent the week end here with his parents, Mr. and Mrs. Vernon Hall.

WHEELER TIMES

MRS. PETERMAN DIES AT SWEETWATER, OKLA., FRIDAY

Funeral services for Mrs. Clara Brown Peterman, 76, were held in Sayre, Okla., Catholic Church at 10 o'clock Monday morning, with Father Paul C. Brown reading the Mass.

Mrs. Peterman was born in Eastern Kansas July 10, 1881 and died at her home in Sweetwater, Okla., October 25, 1957. She had suffered a stroke and died without regaining consciousness. She had not been ill prior to her suffering the stroke.

Survivors include her husband, C. E. Peterman of Sweetwater; seven sons: Leo, of Allison; Harold, of Santa Rosa, Texas; Vincent of Amhurst; Tom, Owen and Clarence, of San Francisco, Calif.; three daughters, Grace Kenney and Fay Schtaaveld, of Oklahoma City, and Mrs. Ella Hagerman of Sweetwater, Okla.

Pall bearers were the grandsons, Charles, Billy Joe and Verlin Hagerman and Joe, Earl and Ray Peterman.

Interment was made in Elk City with Father's Funeral Home in charge.

All of the children were present at the funeral.

ON RECORD

Bel Air Impala Sport Coupe—new luxury in the low-price field

ALMOST TOO NEW TO BE TRUE! '58 CHEVROLET!

The biggest, boldest move any car ever made!

Meet the '58 Chevrolet... panther-quick, silk-smooth... with a V8 unlike any other, a Full Coil suspension, a real air ride... two new super models! Here today!

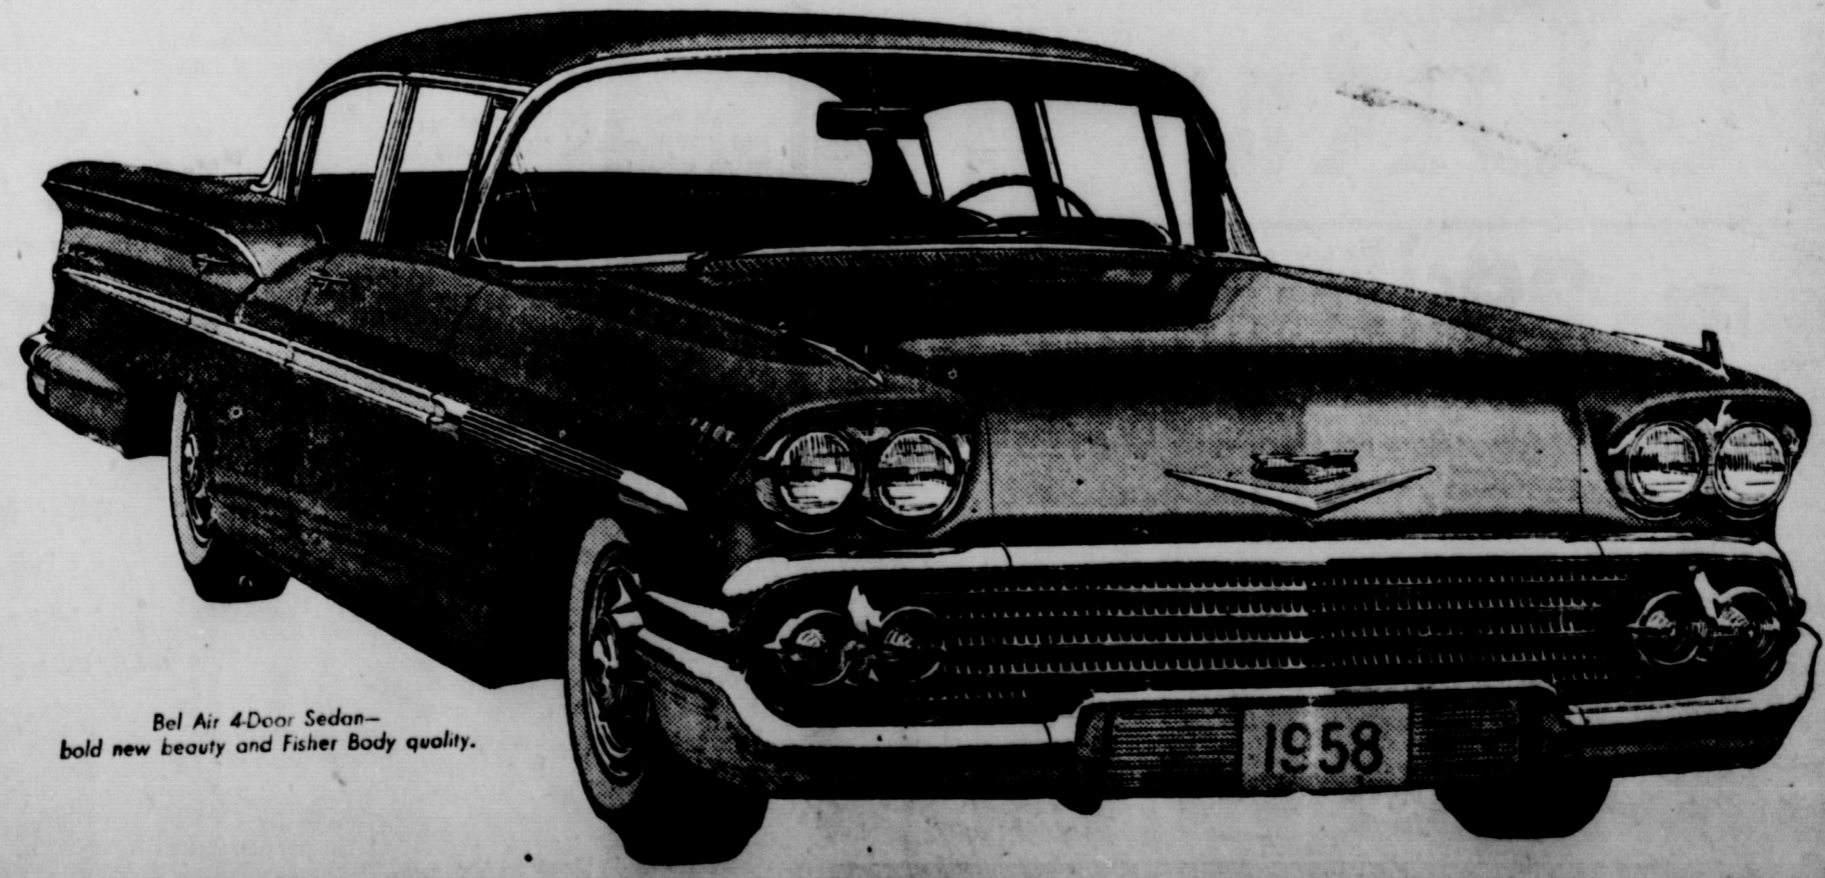

Look at Chevrolet's airy new styling. That's how new Chevrolet is all over! It's lower, wider—nine inches longer.

There's an all-new Turbo-Thrust V8* engine. Pair it up with Turboglide*, and you'll command the quickest combination on the

road. There are two new rides—Full Coil suspension and a real air ride*. The body-frame design is new, the wheelbase is longer.

There's a new 4-headlight system, new 6 and V8 power, foot-operated parking brake. And two new super models—the Bel Air Impala Sport Coupe and Convertible, most luxurious and distinctive Chevrolets of all. See all that's new at your Chevrolet dealer's soon!

*Optional at extra cost.

Bel Air 4-Door Sedan—bold new beauty and Fisher Body quality.

CHEVROLET SHOWING NEW '58 MODELS TODAY

The side and rear treatment of the Biscayne sedan points up the complete job of styling on the 1958 Chevrolets. Note the broad rear deck lid, the graceful gull-wing sweep of the rear fender line and the full-length moldings that marks the latest development in Sculpturamic styling. The Biscayne series is in the middle price range of the 1958 Chevrolet line.

Change in Motor Vehicle Inspections Announced

Homer Garrison Jr., Director of the Texas Department of Public Safety, announced today a change in motor vehicle inspection regulations so as to no longer require the removal of a wheel in order to inspect the brakes of vehicles. In an effort to prevent accidents which might occur due to brake failures, the Department's earlier regulation had required that the wheel be removed for the principal purpose of determining the percentage of thickness of the remaining brake lining. Inspection stations found difficulty in making these inspections due to the fact there was no way of determining the original thickness and the decision in each case was left to the inspecting mechanic who had no satisfactory guide to follow.

The change in regulations, which resulted from action of the Public Safety Commission, does not affect the remainder of the inspection of brakes, which will still be required to have the performance ability required by the statute.

Col. Garrison announced that this change in the regulations was made in the interest of fairness to the inspection stations and to the motoring public.

\$1.00 PARKING FEE AT NICHOLSON FIELD

School officials announced today that there will be a parking fee of \$1.00 per car charged to any car parked around the Nicholson Field Friday night INCLUDING those parked on the south side.

Gates will be opened early to allow fans to get set in plenty of time for the kick-off of the game between the Mustangs and Estelene Bear Cubs. Come early and pay your \$1.00 parking fee and pick your spot to see a good football game and Homecoming activities planned for half-time.

LIFE'S LIKE THAT

It's easy to find your station in life—sooner or later someone will tell you where to get off.

Actions of men knock the good out of their intentions.

A man seldom loses his shirt if he keeps his sleeves rolled up.

Thomas Hostess To Art Exhibit Seen At McIlhany Home

Thomas was hostess to the Wednesday club members and their guests had an opportunity to see a number of wonderful paintings by famous artists in their meeting last week.

Mrs. M. McIlhany was hostess to the club in her home and conducted an interesting program on art. Mrs. Fred Farmer assisted her and was chairman of the art exhibit.

Mrs. McIlhany talked on art, beginning with the Renaissance, the 200 year long period following the Dark Ages. She concluded her talk with a story of her visit to the Louvre, when she was in Europe a few months ago.

Many copies of the old masters were on exhibit in the living room among them were works by Jiotto, the Italian who lived in the 12th Century and was the first artist to paint with "depth".

Paintings by two local artists, Mrs. W. L. Williams and Mrs. Deward Wofford were shown. There were nineteen members and three guests who attended.

The guests were Mrs. Harry Mundy of Shamrock and Mrs. David Britt and Mrs. Bobbie Henderson of Wheeler.

The next meeting will be in the home of Mrs. Max Wiley Nov. 6. Mrs. Whitener will have charge of the program on nutrition.

Public enemy number ONE is the stop-sign passer.

About People You Know

Sherry Moore went to Amarillo this week where she plans to visit two or three weeks with her sister, Mrs. Chas Hubbard.

Mrs. Elton Ash, of McLean, spent last week here with her sister, Estel Nash. Mrs. Ash is recuperating from surgery she underwent recently.

Mrs. Ebb Farmer was among flu patients Monday and Tuesday.

Mrs. L. C. Lafflin was ill last week with flu. She is reported to be "some better" but still unable to be at work.

Lewis Lancaster, manager of J-Lee Dept. store in Wheeler, was in Dallas Sunday and Monday buying merchandise.

Mr. and Mrs. C. C. Robison spent last weekend in Frederick, Okla., where they were guests of her brother and wife, Mr. and Mrs. Lloyd Cole.

Dick and Margaret Pendleton, of Wellington, spent the weekend in Wheeler visiting with his parents, Mr. and Mrs. C. R. Pendleton and her parents, Mr. and Mrs. Jess Moore.

Mr. and Mrs. Calvin Wainright, Pampa, spent the weekend here with her parents, Mr. and Mrs. Clyde Johnson. Mr. and Mrs. Johnson and Jackie accompanied the Wainrights to Pampa Sunday evening. While there they visited in the home of Mr. and Mrs. Everett Goad.

Mr. and Mrs. C. A. McCandless and Jackie had as weekend guests Mr. and Mrs. C. L. McCandless and Yvonne, of Modesto, Calif. Mr. and Mrs. C. E. Stevens, James and Sidney, of Amarillo; Mr. and Mrs. A. L. McCandless, Deborah, Jane and Arthur Neal, of Canyon, and Charles Starr of Pantex.

Garland Parks Jr., of Amarillo, was a guest of his parents, Mr. and Mrs. Garland Parks Sr., over the weekend. He had been to Miami, Fla. last week and stopped by Wheeler on his return. He is employed by Commercial Credit company, Amarillo.

Donald J. Ross was out of school the first part of the week recuperating from the flu. He was taken ill Wednesday of last week.

Mr. and Mrs. Aaron Williams spent Friday night and Saturday in Amarillo guests of her sister and husband, Mr. and Mrs. Paul Alexander.

Mr. and Mrs. Carroll Pettit and daughter spent Monday and Tuesday visiting their parents, Mr. and Mrs. Carl Lafflin and Mr. and Mrs. Shelby Pettit, and other relatives here.

Supt. and Mrs. A. E. Brown and Nancy spent last weekend visiting their daughter, Mrs. Bob Wilson and Mr. Wilson in Norman, Okla. They attended the OU-Colorado football game Saturday.

Mr. and Mrs. James Gaines and Kenda, of Borger, visited here in the George Richardson and Cleo Gaines homes over the weekend.

Mr. and Mrs. Bryan Swaim moved Wednesday from the Ray Siegmund home on Main street to the W. L. Williams farm west of town. Mr. Swaim is Wheeler County Extension Agent.

Mrs. Marshall Nunn and Mrs. John Nunn and children of Shamrock, transacted business here Monday.

Miss Vera Crippen, Home Demonstration Agent, held a training meeting on Christmas ideas at her home in Wheeler Tuesday after-

noon. The training session was for the club demonstrators from each HD club in the county.

Miss Wanda Pruitt, employee in the County Clerk's office, is ill this week.

Mr. and Mrs. Bob Beaman and David, of Ft. Worth, visited her parents, Mr. and Mrs. Murry Sanders Saturday and Sunday.

Mr. and Mrs. Thomas Roy Helton, Gayle and Dale, attended the West Texas Homecoming activities in Canyon Saturday.

Mr. and Mrs. Alton Seitz, of Abilene, Texas are the parents of a son born October 27. The young man has been named David Alton. Mrs. Seitz is a former employee of the Wheeler County Superintendent's office.

Norma Lee Black can be seen back at work in Ami's beauty shop on Thursday and Friday of each week.

Mr. and Mrs. Grady Harris are visiting their children, Mr. and Mrs. Jimmy Horton and Brock; and Mr. and Mrs. Tom Hopkins Timmy and Chris in Austin this week. The Harris' will also visit relatives and friends in Arkansas before returning to their home here. They attended the A&M class reunion of Grady's at College Station over the weekend.

Mr. and Mrs. Elmer Simpson have recently purchased the Albert Marshall property in the northwest part of Wheeler. The Marshalls are planning to build a new home.

Mr. and Mrs. Delmer Thomas plan to move to Canyon this week end. Mr. Thomas has accepted a position with the Randall County Agricultural Stabilization and Conservation office there.

Mr. and Mrs. James Goad, of Amarillo, spent Tuesday and Wednesday here this week guests of his parents, Mr. and Mrs. W. A. Goad Sr. Her parents, Mr. and Mrs. Chas. Slemmer are moving to Amarillo where Mr. Slemmer has accepted a job in the mechan-

ical department of the News-Globe.

Judge and Mrs. R. H. Forrester returned this week from a vacation spent in San Angelo and Corpus Christi.

Mr. and Mrs. Jack Pitcock and daughter, Sharon, of Amarillo, spent the weekend here with Mrs. Ann Tillman and Jan.

Atty. and Mrs. Thurman Adkins of Shamrock, spent Tuesday here. Atty. Adkins transacted legal matters and Mrs. Adkins visited with friends.

Mrs. Cecil Johnson and daughter, Ann, of Wellington, spent Saturday night here as guests of Mrs. Ann Tillman and Jan.

TIME OF GRADE SCHOOL FOOTBALL GAME CHANGED TO THURSDAY AFTERNOON

The grade school football game regularly scheduled to be played at McLean Thursday night has been changed to an afternoon game in order that players can participate in the "Fun Night" activities. Game time is 2:00 p.m. at McLean.

here Tuesday evening, Oct. 22 and the girls won by a score of 57-35. The boys were defeated by Quail by a score of 48-43. The game between the Briscoe Bronco and the Crawford teams is scheduled for Nov. 26.

Mr. and Mrs. Henry Lee went to Borger Monday to visit their two daughters.

Briscoe area received more rain over the week end and again Tuesday evening when small hail stones accompanied the rain.

Mr. and Mrs. Jack Davis and their three daughters of Manchester, Okla., were pleasant visitors in the J. E. Steen home Sunday.

Bill Carson, who has spent several days in the Shattuck, Okla., hospital, was able to return to his home here Tuesday. His sister Mrs. LaTisha Blake, Albuquerque, N. M. accompanied him home.

Supt. D. Vaughn has announced at a district basketball meeting recently it was decided to charge 25c for students, 50c admission for adults to the basketball games this year which is the same as last year. Season tickets may be purchased at \$1.60 for students and \$2.80 for adults, the tickets good for admission to eight

games. Additional games 35c per game.

Jack Helton and James Briscoe FFA boys, entered all their hogs in the State Fair, Dallas. Two Poland China hogs placed in two divisions; a shire took 2nd place. Berkshire and a Chester entered did not weigh heavy to place. A Poland China was grand champion. The 1192 head of hogs entered Swine show which included Helton and Wright. They were well pleased with the on their hogs. They home Saturday.

BRISCOE NEWS THIS WEEK

Mrs. O. Douthett returned from Bovera where she has several days visiting relatives.

The J. E. Steens are beautiful new two-tone Chevrolet lately.

The Carver family has into the Briscoe Assembly parsonage. Mr. Carver has the Veteran's hospital in where he will undergo surgery has been ill since June. Carvers have seven children.

BRISCOE P-TA MEETS

Briscoe P-TA met Oct. 17 with very good attendance. Allison band and chorus furnished the entertainment of the evening. The band played several numbers. The chorus, under the direction of the Allison superintendent, sang several lovely songs. The Briscoe P-TA members certainly do appreciate the efforts of these young people and did greatly enjoy their music.

P-TA goals for the coming year were set. Plans were made for a pancake supper to raise money. The Pillsbury Milling Co., will serve the supper beginning at 7:30 p. m. Nov. 14 and continue serving as long as they have customers. Tickets are now available at the school house and several other places in Briscoe. They are priced: for adults, 75c; children 10 to 14, 50c; and children under 10 years, 25c. The public is invited to attend.

Briscoe school will not hold a carnival this year.

AROUND THE WORLD

The 58 Ford has been proved around the world. This is the most dramatic and most grueling test ever given a new car before its public announcement.

The whole world was used as a test track for the 58 Ford. The car drove through England, France, Switzerland, Italy, Yugoslavia, Greece, Turkey, Iran, Afghanistan, Pakistan, India, Malaya, Thailand, Cambodia, Vietnam, and finally back to the place it started—Detroit, Michigan, U.S.A.

The Ford powered over the great mountain ranges of three continents: from the Alps to the Himalayas and the Rockies. It crossed the great rivers of history: the Thames, the Seine, the Niger, the Arno, the Tigris, the Euphrates, the Indus, the Ganges.

This car stood at Buckingham Palace, rolled up the Champs Elysees to the Arc de Triomphe, and paused at the Eiffel Tower. It was greeted by the great Paris couturiers at the famous fashion salons where its "sculptured in steel" styling was applauded by the most style-conscious audience in the world.

The 58 Ford rode smoothly down the rugged, beautiful seacoast of Tito's country, to a festival in Dubrovnik, and into Greece to Athens, where this newest classic met such ancient classics as the Parthenon and the Temple of Poseidon.

Into Turkey: and the 58 Ford passed the great white lacework palaces of the Sultans along the Bosphorus and the Golden Horn. Then the Ford went where few but nomads travel, up into the hot days and chill nights of the ancient mountains of Afghanistan. And thence along the route Alexander the Great followed with his chariots to cross the historic Indus river.

On and on the Ford moved, down into the heat of mysterious India, through New Delhi to the Taj Mahal, and to the great pink palace of the Maharajah of Jaipur.

This great new car met the challenge of the monsoons—rains that for centuries have stopped all road movement throughout Indo-China, but didn't stop the 58 Ford. It drove on to Penang in Malaya, and then north to Bangkok.

Further on came Saigon, the Paris of the Orient, at the farthest tip of Southeast Asia. Finally, it powered across the great Rockies and plains of North America and back, at long last, to Detroit, Michigan.

The 58 Ford . . . has been proved and approved around the world. A natural question arises. Why did Ford go to such great lengths with its 1958 model? Why spend so much money and time and go through all the problems of negotiations, customs, border transit, diplomacy in so many countries?

The answer: in the competitive automobile market of today, only the best in all-around value can survive. And this round-the-world test is the most decisive possible demonstration of the best.

The 1958 Ford is value, hard-dollar value. It is also style, power, performance, and a dozen great new features. But above all, it is value.

This is the car you've been waiting for. See it November 7—there's nothing newer in the world than the 58 Ford!

Mobeetie News

Mrs. G. B. Dunn, Correspondent

Mobeetie Homecoming Date Set For Nov. 9

Homecoming day for Mobeetie exes has been set for Saturday, November 9, 1957. The occasion this year is especially for honoring the graduates in the years of 1931 to 1935, inclusive, and a reunion of these graduates and their teachers is the special goal of the senior class of Mobeetie High school, sponsors of the get-together. The class secretaries of all classes are urged to contact their classmates for a reunion this year.

The ex-student dinner will be served cafeteria style in the high school building beginning at 4:30 p.m. The program and business meeting will begin at 6:30. One of the highlights of the program is to be Charles Mixon and his music makers. At 7:45 the Mobeetie Hornets and the Booker Kio was will play a conference game on the Mobeetie gridiron. This game is likely to determine the district champions.

All ex-students, all the past and present teachers of Mobeetie schools, the past and present trustees of the school district, and the trustees on the County Board who live in or were living in the Mobeetie district while serving on the board, are invited to attend.

Reservations are not being requested this year, since about the name number have attended each year previously. The plates this year will be \$1.00 each.

The Mobeetie seniors want this to be a memorable occasion for the exes and are asking them to come early for a longer period of visiting; also, a visiting hour after the program for all those who wish to remain is a part of the day's activities.

Half time of the ball game will be for the crowning of the football Sweetheart.

Hornets Bob Cats 50-0

The Mobeetie Hornets travelled to Tyrone, Okla. Saturday night, October 26 where they won by a score of 50-0.

It was the Hornets' game all the way. Ferrall Baird led off with two TDs in the first quarter. La Wayne Hogan threw a pass to Archie Scribner for an extra point. Paul Hathaway stormed over for a TD with La Wayne Hogan connecting with Ferrall Baird for another extra point.

Ferrall Baird started things going in the second quarter with a TD. Archie Scribner caught a long pass from La Wayne Hogan for the second touchdown. Dan Hathaway caught the pass from La Wayne Hogan for the extra point. The Hornets received a safety counting 2 points in the second quarter.

La Wayne Hogan came through with a touchdown in the third

quarter, the extra was made with Tommy Corcoran catching a pass from Hogan. Ferrall Baird came through with the last TD of the game, with Hogan kicking the extra point.

The game was called about the middle of the third quarter with this ruling; Anytime a team gets 45 points ahead, the game is called.

The Hornets were penalized around 200 yards while the Bobcats didn't receive a penalty of any kind.

The team travels to Channing next Friday for the only afternoon game of the season.

There was around ten cars of fans from here who went to Tyrone. Hope everyone goes to Channing.

P-TA Meeting

The Mobeetie P-TA met Monday night, October 21, with Mrs. Jess Patterson, president, in charge.

Monroe Rogers and several of the high school girls entertained the group with two songs. Henry Johnston played several musical numbers.

Mrs. Patterson and Mrs. Agnes Morgan gave two very informative talks.

At the November meeting, the first, second, and third grades will give a part of the program.

Everyone is urged to attend.

SCHOOL CAFETERIA MENU

Wheeler Schools

November 4 to November 8

MONDAY

Hamburger and spaghetti, green beans, carrot sticks, bread butter, milk, peanut butter cookies, and peaches.

TUESDAY

Pinto beans and ham, mixed greens, sweet relish, corn bread, butter, milk, chocolate cake.

WEDNESDAY

Barbecued wieners, creamed potatoes, buttered peas, bread, butter, milk, banana pudding.

THURSDAY

Irish stew, cheese and crackers, peanut butter and jelly sandwiches, milk, candy bars.

FRIDAY

Tuna fish salad, potato chips, spiced beets, lettuce wedges, hot rolls, butter, milk, spiced apples.

SCHOOL CAFETERIA PRICES UPPED AT McLEAN

Because of a decrease in the commodities allocated to the public schools by the State department of Public Welfare in connection with the U. S. Dept. of Agriculture, Supt. Freeman Melton of the McLean schools, last week announced an increase in price of school cafeteria meals.

VANPOOL - BURTON WILL SHOW NEW FORDS NOV. 7

SWEEPING STYLING CHANGES ARE APPARENT IN THE 1958 FORD CAR LINE. The Fairlane 500 Town Victoria (right) and Fairlane Club Victoria (left) share with all new Fords such dramatic styling changes as new safety dual headlights, corrosion-proof anodized aluminum grille, power flow hood, slip stream roof, sculptured inverted V trunk lid and twin safety taillights. Engineering and design advances include new engines, new Cruise-O-Matic transmission and optional Ford-Aire suspension. The new Ford car line will be on display at Ford dealerships on November 7.

Effective Friday, Nov. 1, meals will be charged for as follows: First through 5th grades, 30c; sixth through 12th grades, 35c; extra milk 8c a bottle.

THE WHEELER TIMES classifieds offer more for less money, to both buyer and seller, than any

Public Quail Hunt

Drawings for the public quail hunt in the Panhandle will be held in Austin Nov. 14, instead of Oct. 14, as erroneously reported in the first announcement. The hunt dates are Dec. 1, Dec. 15, Dec. 29, and Jan. 12.

Ten pairs of shooters will be

selected for each day's shoot. Applications for the shoot should be made at once to the Game & Fish Commission in Austin. Successful applicants will be notified immediately after the Nov. 14 drawing. The hunts will be staged on the Gene Howe Wildlife Management area near Canadian.

TB Has Been Cornered! Can Be Conquered!

Everyone hails the progress that has been made against Tuberculosis, one of mankind's most stubborn foes. Since the first Christmas Seal was sold there has been a dramatic decline in the number of deaths caused by TB. Seven million American lives were saved.

TB Is Down But Not OUT!

Although progress has been made, we dare not assume that TB is licked. There was only a 3% decline in the number of new cases reported in 1954 from the year before. One new case is found every 5 minutes. As yet, there is no miracle drug which can permanently cure a case of TB and there is no satisfactory vaccine to prevent TB. Tuberculosis is still a major health problem.

NATIONAL EDITORIAL ASSOCIATION
REGULAR MEMBER

LETTER TO THE EDITOR

Wheeler Times
Wheeler, Texas
Attention Mrs. Hopkins.

The House today, October 25, passed the first bill that was included within the Governor's call for the special session. It is House Bill No. 5, which creates a committee to investigate law enforcement and crime prevention within the state and make recommendations to the next legislature as to ways to decrease crime in our state.

Representative R. H. Cory, of Victoria, author of this bill, cited the following statistics indicating the need for a crime study in Texas:

Major crimes in Texas have increased this year 9.5 per cent, while the national average has increased 7.2 per cent; the rate of murder in Texas has increased from 4.8 per cent per 100,000 population in 1956 to 5.1 per cent per 100,000 population thus far in 1957; last year in Houston, there were 109 murders, while in Milwaukee, a city of approximately the same size, there were 13 murders (the cited other figures which show that Houston has one of the

highest murder rates in the U. S.); prison population has increased 80 per cent since 1947; and 46 percent of the major crimes committed in Texas are by people 17 years of age and under.

I think this last figure as to juvenile crime is the most alarming figure quoted in the entire presentation.

House Bill No. 5 calls for a nine-man committee to be appointed by the Governor, Lieutenant Governor and the Speaker of the House, who will study the crime factors in Texas and will make a final report on January 1, 1959. This committee will not study individual law violations, but will make a broad study to try to find ways of reducing our high crime rate.

This bill was first studied by the House committee (on Criminal Jurisprudence, of which I am a member, and after several amendments were adopted, it was reported favorably to the House. It will now go to the Senate for further consideration.

At the present time, it appears that the committee study of the water program is about completed, and I believe that they will report a water conservation bill in the early part of next week.

Kindest personal regards.
Sincerely yours,
Grainger McIlhany

DEADLINE FOR OVERSEAS CHRISTMAS MAIL NOV. 30

The period Nov. 1 to Nov. 30 has been designated for mailing of Christmas parcels to members of our Armed Forces overseas.

By surface mails 70 pounds is the maximum weight except that a limit not to exceed 50 pounds applies to certain overseas destinations addressed through New York, 100 inches in length and girth combined is the maximum size.

Time of mailing parcels by air mail is Dec. 1 to Dec. 10. Two pounds is the maximum weight, 30 inches combined length and girth. Boxes for overseas transmission must necessarily be of strong construction because of the distance and handling and storage they must undergo. The boxes can be of wood, metal, solid fiberboard or strong double-faced corrugated fiberboard.

Packages should also be securely wrapped in heavy paper and tied with strong cord.

Boxes should contain sufficient cushioning material so contents will be tightly packed to prevent loosening or rattling of articles within the package.

Customs declarations completed by the sender is required on all packages addressed through certain APOs and NPOs.

In addition to the usual articles

STUDY TIME—DO'S AND DON'TS

The Perfect Picture of Study Two Things Wrong Here

IN YOUR first days back to school, before you learn anything else, learn how to study. These words of wisdom are not only approved by educators, but they will be recognized immediately by all students as having the ring of good, common sense.

There are right and wrong ways to study, as Jeannie Beacham, Hollywood starlet, Chicago beauty queen and recent high school graduate, demonstrates in the pictures.

The picture at the desk shows the proper way to study. The room should be well ventilated and there should be as few distractions as possible. The phonograph Jeannie has beside her is played only when she takes a break between study subjects. If the phonograph would be otherwise distracting, it should be removed.

The student's position should not be too comfortable, but it should not be strained. But the lighting is very important according to the Murine Company research service and should not shine directly into the eye or be seen from the corner of the eye. Neither should there be a glare on the page you are reading.

In the picture with the sofa

Jeannie is violating two common-sense rules for studying. The light is very poor—in fact the book is in a shadow—and she is too comfortably ensconced in an easy chair.

Good study demands concentration and it is up to the student to discipline himself. Get the right amount of sleep, don't overeat, consider study as an adventure in learning. It also helps if the student uses the same desk or table in the same place in his home night after night as it will be easy to get set for studying and it will be easier to keep the mind from wandering.

Remember that good study is related closely to doing away with all distractions, and to making study a pleasant habit.

BRISCOE NEWS

normally prohibited in the mails, matches and lighter fluid may not be mailed overseas. Cigarettes, other tobacco products and coffee are prohibited also.

Domestic rates of postage are applicable and must be fully prepaid. Airmail weighing not to exceed 8 ounces is chargeable at the rate of 6 cents per ounce, and those articles weighing over 8 ounces are chargeable at the rate of 80 cents per pound.

Addresses must be legible and complete and should be in type-writing or ink.

Christmas cards for the Armed Forces overseas should be mailed within the periods designated for parcels if they are to have reasonable expectation of delivery prior to Christmas.

Saturday is the most dangerous day of the week for motorists, according to the National Safety Council. Safest day? Tuesday.

the ages of 11 years and 1 week. There are two sets of twins.

Supt. Dalton Vaughn of Briscoe school has been quite ill with the flu. He is reported as some better.

The Briscoe school was closed two days last week because of the high percentage of absentees due to flu among the students.

NOVEMBER BB SCHEDULE

The Briscoe boys and girls basketball games scheduled for November are: Nov. 5 they will play Samnorwood here; Nov. 8 they will play the Morse teams here. The remaining four games scheduled are away from Briscoe, they are: Reydon, Okla., Nov. 12; Samnorwood, Nov. 15; Higgins, Nov. 22 and Crawford Nov. 26.

Some people prefer to be counted out when the time comes to give an accounting.
