Rev. C. M. Abercrombie, pastor of the Briscoe Baptist Church, brings the message of the week in the fourth of a series of commentaries by ministers of the area, and presented on this page through the cooperation of the firms and individuals listed

THE MESSAGE OF THE EMPTY TOMB

As we come to the season we call Easter, our thoughts go back across the centuries, and we visit a garden in which is a new tomb. This tomb had sheltered the body of one named Jesus. He had lived a unique life. Gathering about Him a small group of followers He had taught them that He was God's Son, come to redeem a lost world. In doing this He must die, and be buried, but He would rise from the death.

His followers had watched as He died on the cross. They saw His limp body taken down and placed in the Sepulchre. This bewildered and confused them. Their faith was in an eclipse. However, drawn by love and devotion to Him, the women visited His tomb early in the morning the first day of the week. As they approached they saw that the stone was rolled away from the door, and looking in they found the tomb empty. An Angel sitting by and knowing their fear spoke to them these significant word. "He is not here; for He is risen, as He said. Come, see the place where the Lord lay." (Matt. 28:6.)

This empty Sepulchre is a fundamental doctrine of Christianity, an absolute essential as a foundation of Christian faith. The fact that the body of Jesus was not there means this one thing; His Resurrection. Actually Jesus had staked everything on this. During His ministry He repeatedly asserted that this would be the only sign given. If He did not rise He had failed. Without resurrection, death would be complete defeat, and repudiation. Jesus died to make possible the redemption of the world, "and was raised again for our justification." Death and resurrection are a perfected plan of salvation. The empty tomb assures the world that Jesus was all He claimed to be.

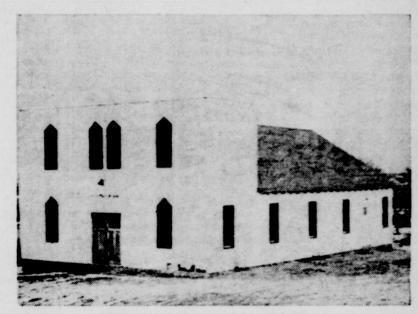

a future life. Men of all ages have asked the question voiced by Job 14:14. "If a man die shall he live again?" Jesus gives the answer in John 5:28-29. 'For the hour is coming in which all that are in the graves shall hear His voice, and shall come forth; they that have done good unto the resurrection of life; and they that have done evil, unto the resurrection of damnation." Again He said to Martha, John 11.25, "I am the resurrection and the life."

The resurrection of Jesus assures the ultimate triumph of the Christian. Jesus said in John 14:19 "Because I live, ye shall live also." In Romans 6:25 Paul says "For if we have been planted together in the likeness of His death, we shall be also in the likeness of His resurrection." The victory of Jesus is the victory of all those who believe in Him. The deep longing of the heart of every Christian is complete freedom from all evil, and a life of perfection. Jesus gives assurance that we will realize this hope when He spoke to His followers these words, John 14:2-3. "I go to prepare a place for you, and if I go and prepare a place for you, I will come again and receive you unto myself; that where I am, there ye may be also." The earthly life of Jesus closed in triumph. He was dead, but is alive forevermore. "But thanks be to God, which giveth us the victory through our Lord Jesus Christ." 1 Cor. 15:57.

Chapel to be Built Atop Dallas Skyscraper

A sanctuary high above the city for individual prayer and meditation will be included in the public service facilities of the new Southland Center main tower, new under construction in Dallas. "The Chapel in the Sky," as it will be called, will be approximately 500 feet above the ground on the 39th floor of the 42-story skyscraper, tallest building west of the Mississippi River.

to the best of our information, this place of worship is the highest-located within a building in America," said Ben H. Carpenter, executive vice president of Southland Life Insurance Company. The company owns Southland Center which also includes the new 28-story Sheraton-Dallas luxury hotel.
Dan C. Williams, Southland Life's president and well known

Southwestern religious leader, conceived the idea for a place of prayer in the building plans.
"The Chapel will, of course, be entirely non-denominational and available for anyone seeking a moment of peace in a busy day," said Mr. Williams. The Chapel will have stained leaded glass windows and a vaulted, timbered ceiling, large enough to accommodate 35 persons and complete with altar. It is planned for use principally

by individuals rather than groups or meetings. It can be reached either by express elevator from the ground floor level or by escalator from the 41st floor which is the public observa-

OYSTER CREAM RICE CASSEROLE

Oysters combine with cooked rice in a delicate lemon cream sauce to make a casserole topped with Parmesan cheese and buttered crumbs. A dish designed for those who really love oysters seasoned just right! Complete the menu with buttered green beans, citrus fruit salad, bran muffins and applesauce cake.

1 pint (2 cups) oysters

1/2 cup milk (about)

margarine 1 teaspoon salt tablespoon flour

14 teaspoon paprika tablespoon grated onion tablespoon lemon juice

2 cups cooked rice ¼ cup buttered cereal crumbs 4 cup grated Parmesan cheese one cup liquid.

Oyster Cream Rice Casserole | Melt butter in saucepan; stir in flour, salt, and paprika. Add milk and oyster liquid all at once, stiruntil thickened, stirring occasionally.

Fold in onions, lemon juice, rice, and drained oysters. Pour into a greased 1-quart casserole. Combine buttered crumbs and

cheese. Sprinkle over casserole. Bake in moderate oven (375 de-Drain oysters, reserving liquid. grees) about 20 minutes, or until Add enough of the milk to make thoroughly heated and crumbs are browned. Yields six servings.

Ford Is First To Pick Beene As Mr. Who-Zit

Ocie Ford was the first to correctly identify D. O. Beene as Who-Zit last week, however, it took two guesses for Ford to identify him. His first guess was C. B. Kirk.

Others to correctly identify the picture were: Harold Kenady, Mr. Rugherford, Mrs. Jim Risner, Mrs. E. D. Davis, Mrs. John Geyer, L. D. Beasley, Craig Grider, Larry Garrison and Clyde Johnson.

Beene was born in Cook County, Texas on May 31, 1887. His career and life has to en a colorful one. He taught school for 6 years from 1912 to 1917. And in 1916 he took his bar examination and was admitted to the bar in Texarkana. He first practiced law in Seymore. Texas in 1916 and later moved to Wichita Falls where he remained until 1927 at which time

he moved to Wheeler. Mr. Beene was married to Allie Wheeler on April 25, 1909. They have 3 children; Pat Beene, a lawyer in Snyder, Texas; Lucille Scott tax assessor and collector for the River Road School District near Amarillo; and Bessie Penick, a bookkeeper in Miami, Florida.

Mr. Beene has his 25 year Masonic pen, and is county chairman of the Republican Party.

He said he was looking for "greener nastures" when he came to Wheeler and "I have found Personals them here in Wheeler", he said.

ROGUE

The Wheeler TV System will maintain an office in the lobby of the Rogue Theatre. This office will be open from the 1st to 5th of each month, and also on Friday of each week. Hours will be from 10c00 to 12:00 A. M. and from 2:00 to 4:00 P. M. on said days, according to The Guthries. The owners of the System feel that this will afford the public ample time to come by and pay their monthly rental, or to attend to any other business that might become necessary. And for the convenience of its patrons, the management may be contacted by phoning the Guthrie residence at any time desired.

Mr. Guthrie states that they have set a date for raising the channel 5 antenna a number of times, and each time the weather has been inclement, causing a postponement. However, it is hoped that Spring will be here soon, and that & will be warm enough to get the antennas installed. And the arrival of good weather, Guthrie states that in the near future they expect to add channel 10, Amazillo, to the syste This will be followed by the eventual erection of Channel & Wichita Falls. So that when the system is completed there will be five channels from which to select your enter

Crankcase Crisis

It seems this nice old lady drove into a Phillips # Station to fill up with Flite-Fuel. When the attender checked the dipstick, he found she had only about quart of oil left in her car. When he pointed this ou she replied: "Fine . . . as soon as I use that up, I'llpa in some more!"

Of course the Phillips Dealer explained that she needed five quarts of oil for adequate lubrication!

Now that spring is here, it's time to think about the oil in your crankcase. If you are still using "winter grade" oil, it's time to change it. But why use to, when one will do? Better switch to Phillips 66 Trop Artic* which gives you the effects of 10w, 20 and 30 grade oils. Compared to old-fashioned oils Trop-Aric Motor Oil can actually double engine life. Drive in A trademat today for your spring change-over.

5 big reasons why you won't want to miss . . .

CHEVY'S APRIL SALES SPECTACULAR!

SPECTACULAR STYLE - Proved by leading fashion designers!

The smartest look on the road! That's Chevrolet in all 17 glamorous models. And proved, too. For Chevrolet's sculptured elegance and gracefully sweeping lines captured the imagination of world-famous designers, inspiring a fabulous collection of women's fashions.

SPECTACULAR PERFORMANCE -Proved on a round-trip run over the

From coast to coast across South America, up over the Andes from Buenos Aires to Valparaiso, and back again in just 41 hours and 14 minutes! Chevy went all the way with the hood sealed shut, without a drop of water or oil addedexperiencing every extreme driving situation you can think of for 1,900 straight miles. Chevrolet proved its sure-footed roadability and boundless V8 energy, with the Automobile Club of Argentina certifying the results.

SPECTACULAR VALUE-YOU Chevrolet dealer's ready to prove ill

He'll show you that Chevy's the only completely new car in its field, today's biggest dollar buy. Yet prices begin right at the bottom of the ladds.

Mr. and Mrs. Walter Dunn attended the grand opening of a new Cicero Smith Lumber Yard at Lubbock last week.

By Chairman Public Relations P. E. Yarborough

People usually join the Chamber of Commerce because of their interest in their community. But the things we unselfishly give ourselves to give back to us a thousand fold in many ways. The programs provide us valid information on important matters. Our Mr. and Mrs. Cleo Gaines, Mr. minds become cluttered with kins and Rhonda visited in Borger pear on Chamber of Commerce in their fields. Let me site two examples. Not long since Judge Parker of Pampa, who has worked out a fine technique for dealing with the youth delinquent problem brought us a program on this situation that is sure to result in better relations between community leaders and the young people of our community. And besides it is great satisfaction to Borger: Miss Jean Durham and know the results of the skillful

At the meeting of the Chamber of Commerce Tuesday evening, March 18th, an official of The Mr. and Mrs. Geo. Henderson General Telephone Company of and Mr. and Mrs. Aaron Williams the Southwest brought us an invisited Sunday with Mr. and Mrs. teresting, inspiring, educational J. W. Durham. Mr. Durham cele- program on the research of his brated his 71st birthday Monday and allied industries looking to better service than we have yet dreamed of from the telephone. Mr. and Mrs. Gilbert Thomas This was one of the most conand family from Amarillo visited structive programs I have heard over the week end with her par- in a long time. Those who missed

It is not necessary to go traips-R. D. Mason was a business call- ing off to some distant place in er in Amarillo Saturday afternoon. order to become informed on what is going on in the wide, wide Visitors in the E. H. Herd home world. In the course of a year you Thursday night were Mr. and Mrs. will get a great deal of it by atorganizations of the community. Industry is glad to bring the results of their research and investigation to us in an interesting manner. They are doing it all the time. We can ill afford to miss these things.

> You are invited to inquire about the plans and purposes of The Wheeler Chamber of Commerce. In serving our community we serve ourselves in many worthwhile ways.

Hospital Notes

Mrs. Normal Dyer, Wheeler, was admitted 3-26-58. Ben Helton, Wheeler, was admitted 3-27-58.

WHEELER

- The Rev. Alfred Juliano, Roman Catholic priest "WORLD'S SAFEST AUTOMOBILE" and student of fine arts at Yale University, sits at the wheel of his "Aurora," a car he designed himself. Father Juliano calls it the "world's safest automobile." It features a front-end air scoop instead of a grill, a laminated glass body and floor and a tinted transparent roof. The dream car created a great stir in New York, after taking almost 10 hours to make the run from Branford, Conn., normally a two-hour trip. A clogged fuel line contributed to 15 breakdowns on

Self-Employed Must Have Tax Return to File For Social Security

Self-employed people who are planning to tile claun for social 1, for the regular meeting. Ruby 1 in the study hall of the Kelton security benefits should bring copies of their 1957 tax return. The demonstration was on crafts filed, according to John R. Sand- date. erson, District Manager of the A 42 party was planned for the Amarillo Office of the Social Se- husbands on Tuesday evening. curity Administration. The orig- April 8 at 8:00. ternal Revenue.

ment age, 62 for women and 65 and hostess, Ruby Zybach. for men, will retire or limit their activities this year and apply for their social security benefits. He the demonstration. emphasized that the self-employed applicant's claim will be processed much sooner if he presents a copy of his income tax return, along with evidence that it has been March 30 filed with the Director of Internal Revenue.

Most people self-employed in a trade or business were covered by social security beginning with 1951 March 31 provided the annual net earnings are \$400 or more. Net earnings from self-employment as an architect, professional engineer, ac- April 1 count or funeral director, are covared by the Law for taxable years April 2 ending after 1954. If you are a self-employed lawyer, dentist, osteopath, veterinarian, chiropractor, April 3 naturopath, or optometrist, your earnings for taxable years ending after 1955 will count toward social security benefits. The selfamployed farmer is covered by the Law for taxable years ending after 1954, if his net earnings from self-employment are \$400 or more in a year.

If you desire more information relating to old-age, survivors and disability insurance, you should contact your social security district office in Amarillo.
