Legion To Sponsor Memorial Services

A Memorial Service will be held at the Wheeler Cemetery Friday, May 30, at 10:00 A. M. The service is sponsored by the American Legion and the Legion Auxiliary.

The Legion will provide the color guard and firing squad; and taps will be sounded. The Auxiliary will then decorate the graves of the war dead with flags, crosses and flowers.

Anyone having flowers they wish to donate are asked to contact Paralee Mitchell or Helen Sabee. Members of the auxiliary would like to get all flowers picked up on Thursday afternoon so they can get the bouquets made and the flowers ready for use Friday morning at the cemetery.

More Than \$50.00 In Free Prizes

The Wheeler Times along with ten other Wheeler merchants is sponsoring a "FATHER OF THE YEAR" contest in Wheeler this year. The contest will climax June 19, the week after Father's Day when the winner of the contest will be announced.

On page 2 of this issue of the Times an entry blank can be found. Contestants must get in 25 words or less why their father should be "The Father Of The Year". Entries will be judged on the REASONS given, not on punctuation, spelling or sentence structure. Because of this ruling a 4-year-old has as good a chance of winning for his dad as does a 16-year-old.

Ballot boxes have been placed in each of the following firms: J. Lee Department Store, A-B Farm Supply, Puckett's Food Store, Clay Food Store, Wheeler County Produce Association, Nash Appliance and Supply Co., McIlhenny Dry Good, Wheeler Lumber Co., City Drug and Daughtry's Ben Franklin Store.

Entries must be placed in the ballot boxes not later than June 14.

The lucky father who wins will receive more than \$50.00 in merchandise prizes from the sponsoring firms.

Rules for the contest are as follows:

1. Any father in Wheeler County is eligible for competition, including those absent from home on duty with the armed forces.
2. Any child, relative for friend may submit nominations. There is no limit in the number of nominations that may be submitted for any dad.
3. On your ballot give your reasons in 25 words or less why the dad you nominated should be the "Father of the Year".
4. Selection of the winning father will be made by the judges on the basis of the reasons given on the nominating ballot. The decision of the judges will be final.
5. Ballots must be placed in the ballot boxes located at the sponsoring firms listed below. Entries must be submitted not later than June 14, 1958.
6. Employees of this newspaper and participating firms are not eligible for the competition.

Topper Participates In Military Demonstrations

WILDFLECKEN, GERMANY—Pvt. Jon B. Topper, 19, son of Mr. and Mrs. George W. Topper, Wheeler Texas, recently participated in a joint German-American military demonstration in Wildflecken, Germany.

Topper, an automatic rifleman in the 50th Infantry's Company D, entered the Army in July 1957 and completed basic training at Fort Carson, Colo. He arrived overseas last December.

Topper is a 1957 graduate of Wheeler High School.

WEDDING INVITATION

Juanell Wegner and Harold Malford wish to invite the public, all their friends and relatives, to their wedding at 7:30 o'clock, Thursday evening, June 5, in the Wheeler Methodist Church.

DOLLAR DAY IS NEXT WEEK

Wheeler's monthly trade days, featuring "Dollar Day" bargains are set for next week, Friday and Saturday, June 6 and 7.

Shoppers and homemakers in the big Panhandle area will find money saving bargains listed in the Times next week. Some articles and services will be priced at super-dollar bargains and other merchandise will be advertised at real, old-time shopping bargains.

Wheeler merchants and service firms will go together to offer town-wide savings on practically everything used for the home, farm or family table.

LOCAL ACTIVITY IN FARM HOUSING IS INCREASING

More farm construction - with better homes for farm families, better shelter for livestock and improved storage facilities for machinery and grain. That's the prospect in coming years, says John L. Manning, County Supervisor for the Farmers Home Administration.

Recently, as an anti-recession measure, his agency expanded its farm housing loan program to the fullest extent possible under existing laws set up by Congress. Mr. Manning reports that he already has received numerous inquiries from interested people in the area. To be eligible now, an applicant must own a farm that is in agricultural production and must plan to produce at least \$400.00 worth of commodities for sale and home use, based on 1944 prices. Many part-time farmers who previously were ineligible can qualify for loans under the expanded program.

Mr. Clifford Walker, Chairman

of the Wheeler County FHA Committee, said that some applications have already been approved by his committee and are being processed for loans. The construction work can start after the loan is closed. The loan bears 4 percent interest on the unpaid balance and may be repaid over a period up to 33 years.

Mr. Manning said that one reason for renewed interest in farm construction is that many of the farm homes and service buildings in the community were built about the same period, 20 to 30 years ago, and because of weather and age now need general repair. In some cases, farm owners need to replace them entirely with modern structures designed to meet present day needs.

In addition to financing major construction, the loan funds can hold a farm owner repair and upgrade buildings. For example, he

may wish to add a bathroom including a waste disposal system, modernize the kitchen, add an extra bedroom, improve the heating, insulation and electric wiring, put a basement under the house, and cement floors in service buildings.

Mr. Manning reports that the agency has \$400 million available nationally, which can be used over the next three years for farm housing loans. He said there is no specified limitation on the amount which can be loaned in any one state or community. Mr. Manning estimated that if present farm housing loan activity continues as it has in the past two months, that more than \$60,000.00 will be channeled into this county by the end of calendar year 1958. Practically all of the money will be spent locally to purchase supplies at lumber yards and business places, and to hire skilled labor.

Swimming Pool Plans Take Shape

KIDS' BASEBALL PROGRAM TO GET UNDERWAY

Plans for a nine weeks program for kids' softball and baseball are shaping up according to Carroll Killingsworth, chairman of the Boys' and Girls' Committee sponsored by the Kiwanis Club of Wheeler.

The plan is to have three girls' teams, three peewee teams, and three little league teams. Boys and girls have already worked out four nights this past week but not as many came as was expected. The plan will go into operation on June 2, and continue through August 1.

Girls in grades 4 through 8 will play softball. Boys in grades 4 through 8 will play baseball. Those in the Peewee League will include grades 1 through 4. Those in the Little League will include grades 5 through 8.

Twenty coaches will be needed to carry out the program. Not all have been named. Those reporting for service for girls' teams are Dick DeArment and James Verden, Earl Brown and Ida Mae Goad, and Earl Barnes has also reported but needs an assistant. Coaches reporting for the peewees are: N. D. Ware, Jr., Bob McNeil. (Continued on Page 5 No. 3)

ONE INJURED IN THREE CAR COLLISION

One man was hospitalized following a three car crack-up 3 miles West of Wheeler Friday evening at 8:30.

County Sheriff Bus Dorran reported that Arthur W. Spence, 46 of Oklahoma City, driving a 1958 Ford, crashed into the rear of a 1937 pickup driven by 13 year-old Donnie Franks of Shamrock. Before the automobiles could be removed from the highway Billy Mundy, 19 of Mobeetie crashed into the two vehicles. Both cars were a total loss.

Mundy was taken to Highland General Hospital in Pampa for treatment.

Charges were filed against Donnie Franks for "Driving Without A License" and against Arthur Spence for "Failure to Control Speed To Avoid A Collision".

Borden To Graduate From Christian College

BARTLESVILLE, OKLA., — Eli M. Borden, Wheeler, Texas, will be one of the students to graduate from Central Christian College at the annual commencement May 30. Borden will receive the Associate In Arts Degree at the completion of the two-year program.

L. R. Wilson, the first president of Central Christian College, will deliver the commencement address at 7:00 p.m. on the college campus. Baccalaureate will be held on May 25 at 3 p.m., at which time, Paul Johnston of Oklahoma City will be the speaker.

Central Christian College will open its next semester of school work in September on its new Oklahoma City campus now being constructed.

Wheeler Firemen Extinguish Blaze

The Wheeler Volunteer Fire Department was called Tuesday at 1:30 to the McCormick Milk Barn, located just east of the Wheeler Hotel, to extinguish a gasoline fire.

The fire was quickly smothered and no damage was reported to the building. R. J. Holt, Fire-chief of the Wheeler Department, said the fire apparently started from a cutting torch which was being used by one of the workmen in the building.

RODGERS TO GRADUATE

The school of arts and sciences at Texas Tech has announced 340 are candidates for degrees. Commencement exercises will be held June 2 at which time more than 800 will be graduated. Robert Lee Rodgers Jr. of Wheeler will be among the gradu-

Residents Asked To Contribute

Prospects for having a swimming pool in Wheeler during 1958 are shaping up according to Mayor Thomas Daughtry.

"Numerous area residents have expressed their desire to have a pool and some have agreed to make donations toward the \$10,000 which must be raised", Daughtry said.

Daughtry indicated that a recent report from Hassie and Green, consulting engineers, showed that a pool 75 by 50 ft. ranging in depth from 3 to 10 feet can be built for \$30,000, this includes the bath houses and filtering plant. The proposed site for the pool will be just north of the softball field in Wheeler.

The city can finance \$20,000 and can repay the money within the next ten years without raising the taxes. This is possible, due to the fact that other city obligations will pay out soon, and the surplus money can be used to pay for the pool. Daughtry was quick to point out that the building of a pool would in no way hinder the water and sewer project. In fact, "We can save from one to two thousand dollars if we build both the water and sewer system and swimming pool at the same time", he said.

The remaining \$10,000 must be raised through donations and other city projects. Those interested in making donations should contact Mayor Daughtry, R. J. Holt, Jr., or James Verden.

A meeting will be called of all area civic organizations in an effort to raise money for the project.

Come in and be "Whisked"

Does the interior of your car sometimes look like a mess? Combined with a rat's nest — with just a little touch of children's playground? Most cars get that way at one time or another... especially where there are kids and pets. If so, come in and be "whisked."

Whiskeromizing your car's interior so it is neat and span is just one of the "extras" you can expect when you drive in to a Phillips 66 Station.

Another service your Phillips 66 Dealer will gladly perform is to clean your windows all the way around!

Brotherton Honored With Bridal Shower

Mrs. C. B. Brotherton, the former Maurine Herd, was honored recently with a miscellaneous bridal shower in the Briscoe Homemaking Cottage. Approximately 60 guests called or sent gifts during the afternoon.

The bride's color scheme of blue and white was carried out in the flower arrangements and the serving table. The table was laid with silver and crystal appointments and centered with a miniature tride flanked by blue candles.

Doris Finsterwald presided at the punch service and Imogene Zybach served the cake. Guests were registered by Rosemary Vise.

Mrs. Brotherton, her mother, Mrs. E. H. Herd and Mrs. Claudy Brotherton were presented corsages of miniature bells on white net tied with blue ribbon.

Hostess for the occasion were Lucille Barker, Lorene Vise, Rosemary Vise, Katie Finsterwald, Vea Fillingim, Lois Meadows, Frances Hefley, Evelyn Meek, Pauline Hefley, Martha Meek, Nita Standlee, and Imogene Zybach.

LAST RITES HELD FOR IRENE BURKS

Irene Francis Poe was born August 28, 1884 in San Saba County Texas, she departed this life at 8:15 a. m. May 24, 1958 in the Shamrock General Hospital, Shamrock, Texas.

She was united in marriage to Simon Burns, Aug. 28, 1907 at Maytown, Texas to this union was born three children, one son Jesse of Richmond, California, and two daughters, Mrs. Jack Wilson of Stinnett and Mrs. Lynn Myers of Borger. Mr. and Mrs. Burns and baby son came to Mobeetie in 1910, they lived just west of what is now New Mobeetie and have lived in the community since that time.

Irene as her friends knew her was very talented in oil painting, having painted pictures of the ranch where she and Mr. Burns made their home for several years.

She was a great lover of Nature and most of her pictures were of familiar landscapes. She taught art in her home as long as her health would permit.

Funeral services were conducted from the Church of Christ, with Rev. Elmer McLaughlin officiating. Pall bearers were: George B. Dunn, Thurman Scott, Otis Beck, Winn Quarrels, Pete Sims and John Sims.

Survivors are Simon, the husband, son, Jesse and two daughters Mrs. Jack Wilson and Mrs. Lynn Myers, other survivors are: seven grandchildren, seven great-grandchildren, one brother Allen Poe of Artesia, NM, five sisters, Mrs. John Rihle of Mobeetie, Mrs. Marie Hines of Dallas, Mrs. Josie Rushley of Chickasha, Okla., Miss Dora Poe of Wichita Falls and Mrs. Mable La Neir. Burial was in the Mobeetie cemetery Tuesday with Dunnkel-Carmichael funeral directors of Pampa in charge.

Number Three
Bus Dorman and Thurman Rives, Coaches reporting for the Little League are: Don Earney, Joe Rogers, Roy Ford, Richard Gaines, and Glen Sanders.

Sponsors from the Kiwanis Club and members of the Boys and Girls' Committee are: Lewis Lancaster, Bryan Swaim, and the chairman, Carroll Killingsworth.

The boys in the Peewee division will meet Thursday night at 7:00 p. m. in the Wheeler ball park. The girls will meet the same night at 8:00 p. m. The Little League boys will meet the following night at 7:00 p. m. Remember, if you plan to play on one of the teams you must attend either the Thursday or Friday night workout. Team members will be chosen at these workouts.

Those who are unable to attend these workouts, but wish to play should contact Carroll Killingsworth.

Number Four
11 grandchildren and 3 great grandchildren also survive. Two sons and three brothers preceded him in death. Serving as pall bearers were: Spud Moore, Otis Reid, Gene Shaffer, Edd Riley, Charlie Clemens and Neal Raymond.

Named as honorary pall bearers were Floyd Carver, Lee Lackey, J. R. Stansell, John Scott, Elmer Simpson, Glen King, J. C. Moore Sr., Joe Hefley, Walter Anglin, A. B. Crump and L. W. Newkirk.

Burial was in the Wheeler Cemetery under the direction of Kirk Funeral Home.

WHEELER HIGH AWARD WINNERS

Scholarships were won by Lou Borden, and Carl H. Freeman, valedictorian and salutatorian of the graduating class.

Dale Bowerman received a plaque for Citizenship. This was given for his twelve years of perfect attendance.

Larry Hunter, president of the graduating class, received the annual P. T. A. scholarship worth about \$150, given to the student who plans to become a teacher.

Jim Porter, son of Madge Porter, has been offered two different scholarships on which he can play football. It is believed that Jim will take the one offered by Texas Tech. The scholarship is good for four years. Allan Arganbright and James Cox have also been offered similar scholarships.

Dean Sims, son of Mr. and Mrs. Lyndon Sims, was presented with a \$25 Government bond. This is the Meek Award, one of the highest offered. It is for scholarship and all-around citizenship.

Funeral Services Are Held For Matthews

Robert Estes Matthews, a retired farmer, died suddenly at his home in McLean at 5:15 p. m. Saturday, May 24, 1958.

Mr. Matthews was born May 23, 1880, in Johnson County and moved to McLean from Perryton in 1948. He also lived in Mobeetie for a good many years. He was married to Winnifred Vanfleet on October 2, 1912 at Vista, Mo.

Funeral services were conducted at 2:30 p. m. Monday at the First Baptist Church in McLean with the Rev. Jesse Leonard, pastor officiating.

Interment was in the Memorial Gardens cemetery in Pampa under the direction of Richerson-Lamb Funeral Home of McLean.

Survivors include his wife of the home, Winnifred, a daughter Mrs. Leon Brown of Pampa, three sons, R. E. Matthews Jr. and Clifford E. Matthews both of Dalhart, Ellis Matthews of Perryton; six sisters, Mrs. Bill Lowry of Melrose, NM, Mrs. R. E. Flowers of Miami, Mrs. Bill Lee and Mrs. W. E. Thornton of Pampa, and Mrs. Nep True and Mrs. Charles True of McLean. He was the uncle of Mrs. Ebb Patton of Mobeetie.

Max Wiley Identified As Times Who-zit

Rena Sivage was the first to correctly identify Max Wiley as Who-zit last week. Lewis Lancaster, Mrs. Jim Risner, Larry Garrison and Butch Farmer followed close behind with correct guesses.

Some subscribers thought the little fellow was Loyd Lee, Bud Vanpool, Harry Wofford, R. J. Holt, Thurman Rives and Pete Burton.

Max was born in the Nubbin Ridge Community but moved to Wheeler in time to begin his schooling. He graduated from Wheeler highschool in 1931. And attended West Texas Teachers College and the University of Texas.

Following college Max entered the Air Force in 1942. He was married Oct. 23, 1940 to Ruth Dill. They have 3 children, Betsy, 11; Tommy, 9 and Nancy 6. They are all members of the Wheeler Methodist Church.

Max is a member of the Wheeler Masonic Lodge, American Legion, Kiwanis and Chamber of Commerce. And has been associated with the Wheeler Gas Company since 1936.

Along with the gas business Max has farming and ranching interests and is a tireless community worker.

Dear Sir:

The Who-zit picture in the May 15 issue of the Wheeler Times is one of my school mates, Adrian Risner. We were in the third through the seventh grade together.

My maiden name was Tommy Riley, I am now Mrs. Edwin Jones. I like the way you arrange and type up the Wheeler paper. We all always enjoy the paper. Our friends enjoy it too.

This letter will reach you late, as I got the May 15 issue only yesterday, May 19.

Your Chat With The Editor column is the most enjoyable part of the paper. Keep up the good work, Mrs. Edwin Jones

By Rev. P. E. Yarborough

Text: In the beginning God . . . Genesis 1:1.

If we could just remember that in every fundamental respect God is first! There was never a time when God was not. The material universe with all its forms and fashions is His handiwork. Not only is God at the beginning of every significant event. He is the beginning. It is He who brings great things to pass. Man may some time thwart and delay God ordained events and movements. He cannot prevent them. He cannot defeat them.

All of this means that God is the Sovereign ruler and determiner of all that He has made. "The moving finger writes, and having written moves on. Not all your eloquence can call it back nor all your wit blot out one single line of it."

This being true it naturally follows that to ignore God or to oppose God inevitably brings frustration and despair and utter defeat in the end.

What has been said about God being the Sovereign in His universe can be for every one the source of confidence and comfort. For, you see, God is our Father. He is understanding. He is compassionate. He is concerned about the least of His creatures whom He has created in His own image. And He is infatuate in His ability to supply our every need according to His riches in Glory through Jesus Christ.

Of course, a faith that says amen to all this is not easy to acquire and maintain. Things that transform us, that sustain us, that sanctifies us, are never easy. But they are a bargain at any price. They are worth all that they cost and a great deal more. Their effects are deeply satisfying, and they are eternal.

God can be for you, and He wants to be, the beginning of every day, the motivation of every act, the director of every step you take. God is not to be made an addendum to life. God is life.

WHEELER COUNTY SOIL CONSERVATION NEWS

A watershed planning party of the Soil Conservation Service has completed more than one-half of the engineering survey of the Upper Washita Flood Prevention Program. This survey started last November and should be completed this September. Gageby Creek, in the north part of the Wheeler Co. Soil Conservation District, is part of this project.

A report from the planning party states that all of Gageby Creek has been surveyed and approximately six tentative structures have been proposed within the Wheeler SCD. During the first part of 1959, the complete plan of the Upper Washita Watershed, will be submitted to the Board of Supervisors for approval. This flood prevention program can protect many thousands of acres in this area.

Proper land treatment above the structures is very important to decrease sedimentation in the lakes. By applying a complete soil and water conservation plan on the land above the structures, erosion can be controlled while allowing a minimum of silt.

The watershed program will serve the purpose of controlling the flooding of farm and ranch bottomlands and the washing out of roads and bridges in this area and further down stream. This will be accomplished by letting the excess water out slow enough to keep the flow within the stream banks.

See your Soil Conservation District Supervisor or personnel of the Soil Conservation Service for watershed and soil and water conservation information.

Mr. and Mrs. Walter Dunn and family visited with Mr. and Mrs. T. V. Snider at Butler over the week end.

Mr. and Mrs. Bob Seeds had dinner in Shamrock with Mr. and Mrs. Bill Walker Sunday.

Charley Thomas of Pampa visited in Wheeler Sunday evening.

"I bought my first ELECTRIC RANGE in 1928—out of a mail order catalogue!"

says Mrs. E. B. McMahan
BOISE CITY, OKLAHOMA

★ Mrs. McMahan insisted on clean cooking 30 years ago when electric ranges were something of a novelty. Her first electric range was only 27 inches wide, "But," says Mrs. McMahan, "It was clean — and that's what I wanted most."

Today Mrs. McMahan has a modern double-oven electric range with automatic control on both ovens. She has push-buttons, too, and bakes pie, 5 at a time, to put in her electric home freezer. This grand lady, who has kept pace with the advances in electric cooking, says of her electric range, "Nothing goes wrong and the porcelain finish is so easy to keep clean." In addition to her range, Mrs. McMahan has every modern convenience in her kitchen and laundry — all completely electric.

Rev. Frank Ross, pastor of the First Baptist Church of Wheeler brings the message of the week in the eighth of a series of commentaries by ministers of the area, and presented on this page through the cooperation of the firms and individuals listed below.

THE BIBLE: WHAT IT IS AND WHAT IT IS NOT
"The entrance of thy words giveth light; it giveth understanding unto the simple". Psalm 119:130.

There is not another book like the Bible. It stands out above all other books. It is the Book of books.

WHAT THE BIBLE IS NOT

It is not a text book on science. It was not given to teach science in the sense that we generally think of that word. Yet it agrees with every known fact of science.

The Bible was not given to teach history. While there is a great deal of history given in the Bible and its statements are true; that was not the object for which it was written.

The Bible is not a work of literature; yet the Bible itself is a masterpiece of literature. The great masters in the literary field have practically all acknowledged their indebtedness to the Bible.

WHAT THE BIBLE IS

It is the revelation from God to man. "Holy men of God spake as they were moved by the Holy Ghost." 2 Peter 1:21, 2 Tim. 3:15-17.

The Bible reveals God's character, his purpose and will concerning man. We may learn of God's existence and power, by observing nature. According to Romans 1:20, Psalm 19. But these created things do not reveal his character.

The Bible tells us of God's love. His longsuffering to usward and His mercy. "Not willing that any should perish, but that all should come to repentance." 2 Peter 3:9, John 3:16. It tells how God made man in His own image. And how man sinned and God provided the way for his salvation. Gen. chapter 1-3, John 3:16. It is the only reliable source of information for the future. It tells us how Jesus is coming again to take all Christians to heaven forever. John 14:1-6. And will cast all unbelievers into hell forever. Rev. 14:11, Rev. 20:10-15, Rev. 21:8.

The Bible was written that we might know of our sins. Rom. 3:10-23. That we might know God and of His salvation through Jesus Christ. It is a wonderful Book. Are you poor? Much of the Bible was written for your benefit. Are you rich? God speaks to you many times. If you are wise or lacking in wisdom, there is instruction in this Book for you. If you are in distress, there is great consolation for you. Matt. 11:28-30.

Therefore read your Bible daily and think constantly upon it. Regardless of your status in life, it will bring great joy and blessings to you.

We wish to extend sympathy to the Noel DeWhitt family on the loss of their nephew McClellan Chadd Barker of Lela. The child, age 4, sucked gasoline into his lungs Monday afternoon, May 19

There are certainly many different opinions on the subject. One person will tell you he has practically made the best wheat crop of his life and hopes it doesn't rain a drop before harvest, the next will say his small grain is showing signs of drying and will need moisture to complete its proper maturity, and another with cotton or other row crops will say he would like some rain to get it up and going. Also there are others interested in pasture and feed who will have opinions on the subject of moisture needs.

Probably it's a good thing we can't decide the rainfall question by vote or by argument for there would certainly be some heated differences and many unhappy people. We'd say, however, at the present time it would probably be agreeable to a big majority of people to have a few nice, soaking showers without any of those forms of violence such as winds, floods, hail and the like. We do have a beautiful and productive country to see at this time, and we hope nature will assist in keeping it that way.

Old Mobeetie was the principal trading point in the eastern part of the panhandle for many years after it founding June, 1865.

Near Mobeetie is the site of Ft. Elliott, established June 5, 1875. It was one of the last posts established in Texas as protection against the Indians and was abandoned in 1889 and buildings were sold at public auction in 1900. The site was marked in 1936.

Mrs. Ralph Wilson and daughter Debbie of Amarillo were over night guests Monday in the home of her parents, Mr. and Mrs. R. J. Holt. Mary returned to Amarillo with her sister for a visit.

Mr. and Mrs. C. W. Crafton visited Saturday in Borger with their son, Mr. and Mrs. Buel Crafton and new baby.

Robert E. Mason of Pampa visited in the home of Mrs. W. E. Mason over the week end.

MOWER SICKLES, PLOW POINTS AND SWEEPS

Field Seed

We still have most all of the popular field and garden seed, some are hard to get in large quantities. We have plenty of enoculant sprays to protect your plants and fertilizer to make them grow. Weed spray to kill the weeds in your sorghum crop. Crop spray to kill the insects. Yes, we have the Hanson Swath-O-Matic tractor spray to spray your crops and pastures. See us before you buy.

Purina Feed

Don't forget that Purina feed gives you more dollar for dollar profit on your livestock and poultry than any other feed. Check with us on all kinds of bulk feed, shorts, bran, soy bean meal, cotton seed meal, tankage, crimped oats, barley chops, alfalfa meal and the new product, dehydrated feeding cane molasses, easy to use. We have three complete club calf feeds, Purina Omolene, Crown Beauty Martin Lane and Oprema Gooch.
