FARM BUREAU TO SPONSOR QUEEN CONTEST

Announcement was made this week by George Richardson, local Farm Bureau representative, that the Wheeler County Farm Bureau will hold its annual Queen Contest Friday night, August 29. The contest will be held at 8:00 p.m. in the Wheeler grade school auditorium.

In this contest the girls are to be judged on grace, poise, charm, vivaciousness and all other qualities that go to make up winsome, Texas future homemakers. There are 3 main points on which they will be judged: namely (1) appearance (2) poise, (3) personality. This contest is to give our beautiful farm and ranch girls recognition.

To be eligible a contestant must be single, between the ages of 16 and 22 and either the sister or daughter of a Farm Bureau member actively engaged in agriculture.

County winners of the Queen contest will go to district contests and then on to state and national.

Queen sponsors for each community will be announced next week in the Times by Mr. Richardson.

In conjunction with this contest there will be a talent contest. Contestants must be children, brother or sister of Farm Bureau members and between the ages of 18 and 28.

Young people are urged to enter either of these contests as their purpose is to give recognition to the farm and ranch young people.

National Farm Loan Associations To Hold Annual Meeting

Members of the National Farm Loan Associations of Wellington and Wheeler County will meet at the Texas Theatre in Shamrock on Wednesday, September 10th for their annual stockholders' meeting, according to an announcement by Rayburn L. Smith, who is employed as their Secretary-Treasurer.

Of special interest to the membership will be reports by the presidents on the operation of the two associations during the past year. Also the financial condition and loan activity in Wheeler and Collingsworth Counties will be discussed by Mr. Smith.

The main business will be the election of directors. Election will be conducted separately. The Boards of Directors for each of the two associations are composed of five men. These men must be stockholders and must live within the chartered territory of their respective associations.

Following the business session, members and guests will be entertained by a movie, through the courtesy of Mayor Seibert Worley, owner of the Theatre. Other entertainment will include drawings for prizes by N. F. L. A. members.

The officers and directors especially invite all members to come and bring their friends for some good fellowship while they participate in the management of their co-operative agricultural credit organization.

Missionary Baptist To Begin Revival

The Wheeler Missionary Baptist Church announced this week they will begin a revival August 24, with Earl Van Camp, conducting the services.

The Revival will continue through August 31, with services in the Primitive Baptist Church building.

Song services begin each night at 7:45 and everyone is cordially invited to come and enjoy the meetings.

Nash Announces Plans To Attend Premiere In Nassau

Harold Nash of the Nash Appliance and Supply Company, local dealer for J. I. Case Farm Tractors and Machinery, today revealed that he is planning to attend the 1959 Nassau World Premiere and Annual Case Dealers' Conference, to be held next November and December at Nassau in the Bahamas Islands.

Mr. Nash, who recently returned from a special Case Branch meeting for dealers in this area, said that Case is awarding a five-day expense-paid business-vacation trip to the island capital, to all dealers who meet or exceed their sales goals this year. Highlight of the Nassau conference will be special emphasis on 1959 marketing plans and new ways in which Case dealers can be of better service to their customers.

Dealers will be flown to Nassau in chartered commercial airliners, in what Case officials predict will be the largest overseas civilian airlift from the standpoint of passenger miles covered. Case sales for the first 9 months of the Company's fiscal year showed one of the highest rates of increase in company history. As a matter of fact, according to a company spokesman, J. I. Case sales percentage increase is more than double that of any of its major competitors.

In commenting on the coming Nassau World Premiere, Mr. Nash said, "Naturally we intend to do everything in our power to qualify for the free Nassau trip. This means that during the next three months we are going to be giving higher trade-in allowances and a better deal than ever on all models of Case agricultural tractors and equipment. Consequently, farmers in this area will have a chance to pick up some real bargains in farm tractors and equipment during our special 'operation Nassau'."

FIREMEN ELECT OFFICERS HERE

The Wheeler Volunteer Fire Department held its annual election of officers last Thursday evening. Bob McNeil was elected chief; Joe Rogers was elected assistant chief; Adrian Risner, Secretary-treasurer; R. J. Holt Jr., Captain No. 1; and Earl Barnes, Captain No. 2.

R. J. Holt Jr., retiring chief of the department, expressed his appreciation to the members for their "excellent cooperation" during his 2-year tenure as chief.

Holt has done a magnificent job as chief. Under his leadership the department has acquired new equipment. Both of the firetrucks are radio controlled. The present tornado alert system was set up under his direction. And the ground observer corps was organized. The community storm cellar was also built during his tenure.

Bob McNeil, newly elected chief, has been a member of the department for nine years. The last two years he served as assistant chief and prior to that he was hose captain.

McNeil has attended fire school 2 years at Texas A & M, and from all indication will become another outstanding chief for the department.

FOUR INJURED IN AUTO MISHAP

Mr. and Mrs. M. H. (Doc) Liles, and Mr. and Mrs. George Burrell, all of whom live near Twitty, Texas, were involved in a traffic accident near Mobeetie on Wednesday night of last week while enroute home from the Pampa rodeo. All were taken to the Shamrock Hospital. The Liles were released and went home, but the Burrells are still in the hospital. Both are in fair condition and are expected to recover soon. The four were riding in the Liles' car.

Mrs. Osie Wilson of Wheeler, alone in her car, was also involved. Mrs. Wilson's injuries were superficial. The collision occurred at an intersecting country lane, half-a-mile east of the Mobeetie Highway Cafe. Deputy Sheriffs, John Topper and Carl Carter had set up a temporary road-block at the intersection. The Liles' car hit the rear-end of the Wilson car when Mrs. Wilson slowed down for the road-block.

Enrollment At Allison To Begin August 25

Enrollment will begin August 25 at Allison according to D. L. Malin, Superintendent of Schools. Following the enrollment the students will attend short classes and check out their books he said.

Classes will dismiss at 2:30 and the buses will run in the morning and afternoon. The lunchroom will not open until Tuesday, August 26.

A special meeting of the senior students and their parents will be held August 23 at the high school auditorium. The seniors are urged to attend this meeting, especially those planning to attend college.

Dennis Wilks Is New Agriculture Teacher

Superintendent Earl Brown said today that Dennis Wilks, from Floydada, Texas, will teach vocational agricultural in Wheeler this year.

Wilks will replace Charles Grimshaw, who resigned last week to accept a teaching position in New Mexico.

FARMERS HOME ADMINISTRATION TO SET UP REGULAR OFFICE IN CANADIAN AND MIAMI

Mr. John L. Manning, county supervisor for Farmers Home Administration in Wheeler, Hemphill and Roberts counties announced this week that they will set up a regular office period in the County Commissioners Courtroom in Canadian and Miami. Office period for Hemphill County will be each first and third Thursday and in Roberts County each first and third Friday from 9:30 to 12:00 a.m. This time is set up for interviews and to take applications for loans to farmers in Hemphill and Roberts counties.

Regular office period for Wheeler County will be each Monday morning, 8:00 to 12:00. Farm families in Wheeler, Roberts and Hemphill counties who are using credit obtained through the Farmers Home Administration are making efficient use of the funds and are maintaining a good repayment record, according to a report from the agency's county supervisor, Mr. Manning.

Many farmers are using the loan funds to obtain higher grade livestock including dairy animals, to improve their pastures, to buy proper types and amounts of fertilizer, fuel, seed and feed and to

finance similar steps toward better farming.

The Farmers Home Administration provides loans to farm better, buy or improve farms, build or repair farm buildings and houses, improve soil and water conservation practices, meet emergency needs or take care of certain refinancing problems, Mr. Manning said.

Farmers Home Administration credit is supplied on the basis of supplementing credit from other sources, he explained. The loans are available only when other

lenders are not in position to supply the credit the farmers need to get the greatest possible returns from their land and family labor resources.

The average time taken by farmers in the counties to repay their loans for farm operating purposes, and to reach the point where they can obtain credit they need from conventional lenders, is approximately 5 years.

Before a loan is closed, the agency and the applicant plan ahead to make sure that every loan will be repayable from planned

income.

In addition to credit, farmers with Farmers Home Administration loans receive necessary aid with farm and home management problems and in keeping records that help them to keep their farm business on a sound financial basis.

For information about the different types of Farmers Home Administration loans see Mr. Manning during any of his office periods or call at the office in Wheeler or any time Monday thru Friday, 9:00 to 5:00.

Dorman Looking For Men Over 30 For Team

The Little League All Stars, bubbling with enthusiasm, will take on the Old Timers in a five inning baseball game in the City Park Thursday night at 8:00. The Old Timers, eager to show the kids how it was done when "I was a boy", are expected to give their all in trying to stop the cream of the crop of youngsters who have played in the park for nine weeks this summer.

The Little Marshalls, pennant winning team of the Little League, placed nine men on the roster of the All Stars, while the Giants had six, and the Rangers placed four. The nineteen men of the All Star Club will be coached by Don Earney, while the Old Timers will be pushed by Bus Dorman.

Boys to play with the All Stars are: Mendall Hunter, Monroe Page, Leon Watson, Ronnie Gaines, Jim Jolly, Johnny Ruff, Jerry Hefley, Dunk Porter, Speck Waters, Donnie Miller, Bill Green, Kent Sims, Duane Barber, Nell Rogers, Don Burks, Randy Callahan, Larry Levitt, Kenneth McCasland, and Ray Owen.

Coach Bus Dorman seems to be having trouble finding enough old-timers (30 years and over) to don the traditional ball cap and cleats and match their skill against the youth of the community.

Dorman offered a final plea Wednesday evening to all the old ball players to come to the Kiwanis ball park Thursday evening at 8:00 p.m.

Below is the batting averages for the top twenty batters in the Little League. These averages are based on twenty or more times at bat.

Surprised Lady...

A housewife-motorist recently paid her first visit to a Phillips 66 Station, and reported as follows . . .
"All I expected from my Phillips 66 Dealer was ten gallons of gasoline and maybe the windshield wiped. But the first thing I knew they had cleaned the windows all around . . .
"Was I surprised when the attendant suggested he check the tires, including the spare! Then the battery and radiator. I figured he must have me mixed up with someone important. Wife of the mayor, maybe?
"You could have knocked me over with a feather when he started brushing out inside the car. 'You do this for everybody?' I asked.
That's what he said . . . everybody!
"About the gasoline . . . I got that, too. And that Phillips 66 Flite-Fuel makes my car run swell!"

Complete Meals

from "extra" food made possible with my food freezer!"

says Mrs. Marvin Shurbet, PETERSBURG, TEXAS

What housewife can always measure exactly how much of each food her family will eat? Even the most exacting woman will occasionally have vegetables, meats and desserts "leftover." It's a shame to throw good food away and no one really likes to do that. Well, Mrs. Shurbet has solved that problem. Here's what she says, "When I cook more than my family eats at a meal, I put remaining servings on foil, divided plates, seal in SARAN WRAP, and store in my food freezer. If additional portions are needed to make complete dinners, I simply add them from various meals."

Elk City Negro Arrested For Possession Of Alcoholic Beverages

Jimmy Joe Evans, Elk City Negro, was arrested and fined Wednesday evening for "Possession of Alcoholic Beverage in a Dry Area". Deputy Sheriff Carl Carter arrested Evans on highway 152 near Mobeetie. Twenty-four fifths of wine was taken from the negro's pickup and turned over to the liquor control board, Carter said.

Mrs. Gordon Whitener Attends Workshop For Home-Ec Teachers

Mrs. Gordon Whitener, Home-making teacher of Wheeler High School has just returned from the State In-Service Education Workshop for Home-making Teachers, which was held in Dallas, at the Adolphus Hotel August 4-9. Mrs. Whitener came back inspired and ready for another year's work.

The general theme of the Workshop was: "Home-making Education for Today's Living." This theme was carried out by several speakers. Dr. Robert Fleming, Head of Childhood and Elementary Education at New York University raised the question: "What are the things that we are teaching today that are of lasting importance to a child?" Home-making is obviously one of the important things. Dr. Fleming went on to point out that 52% of all high school girls marry within one year after graduating.

Dr. Duffield Smith, Director of the Better Business Bureau of Dallas spoke on "Consumer Problems in Today's Living." Gist: Teach the child how to avoid being swindled.

Robert H. Rucker from Texas Tech spoke on the "Beautification of the Home Through Landscaping." A lighter touch was added by Miss Carol Lane, representative of the Shell Oil Company, who told the group with humor and pantomime, "How to Pack a Suitcase for a Trip."

With the new dedication of the sciences which make for better weapons of war (chemistry and math), the utilitarian science of home-making may be put aside by school administrators as a "frill." This would be the worse thing that could happen to us, according to the leaders of the Workshop. The home is the basis of our society, of our way of life and finally of our government, both state and national.

At the same time the Home Ec. teacher were in convention, the Vocational Agriculture teachers were meeting across the street at the Baker Hotel. The combined attendance was about 3000.

The Realm Of The Rainbow

Dedicated To Young Womanhood
By Mrs. Inis Walker

Though it is unusual, if you had been watching, you would have seen thirteen bright (?) little Rainbows at 5 o'clock in the morning of August 4th near the W. E. Bowen home in Wheeler. Soon they and their sponsors for the trip were on their way to a mountain cabin at Ute Park, New Mexico to have a wonderful experience of living, working and playing together. Incidentally there was also much singing and giggling. We arrived at the cabin about 3 p.m. and set about some local exploration and the arranging of sleeping space for the twenty-two persons on the trip. Thanks to the Bennets, who gave us sleeping privileges in their cabin, we were soon made comfortable.

All were up early on Tuesday morning, awakened by the odor of wood smoke and bacon in the pan. After a good breakfast, the K. P. crew did a fast clean-up and we were on our way to Eagle Nest and through the Red River Pass, arriving in the Valley for lunch. After a tour of the curio shops and our fill of the breath taking scenery, we were ready for the delicious supper and popcorn and candy afterwards. Bedtime but not sleep, every bed was a beauty parlor and curls went up on every head for on Wednesday we were to visit Philmont Scout Ranch.

At the Ranch we were assigned guides who very courteously showed us through the palatial home of Mr. and Mrs. Wade Phillips, who donated the ranch to scouting by school administrators as a "frill." This would be the worse thing that could happen to us, according to the leaders of the Workshop. The home is the basis of our society, of our way of life and finally of our government, both state and national.

On Thursday after lunch we went to Taos, where we visited not only the shops but the Kit Carson Museum, the Indian Pueblos, the old Mission Church at Rancho De Taos which was established in the 1600's. We stayed in Taos for the Indian dances that night, then back through the mountains and oases to our cabin, tired but exclaiming that this was the best day yet.

On Friday, Norma Lee said it was time for everyone to try to find all that belonged to them. By the time that was accomplished we decided it would be a good time to load it and start for Wheeler. Mr. and Mrs. Holdeman came by in time for our farewell party presented by the girls and dedicated to Mr. and Mrs. Bowen. An appropriate guest book was given to the Bowens.

We are indebted to the Thurman Rives and the Bowens for taking us in their cars and to the Al Thomas' for the loan of their pickup, and to many others who gave help in various ways.

Those who went on the trip were: Barbara Kidwell, Elaine McCasland, Phyllis Callan, Shari Lee, Peggie Pride, Sandra Jones, Patricia Black, Audie Jo Holdeman, Ann Johnson, Betty Caswell, Connie Farmer, Vickie Mack and Janice Wegner, Mr. and Mrs. Bowen and Bill Pierce, Mr. and Mrs. Thurman Rives, Ronald and Donald, Mrs. Norma Lee Black and Mrs. Inis Walker.

WHEELER COUNTY SOIL CONSERVATION NEWS

This is not the time of year to plant winter cover crop, but now cover cropping can be given consideration.

Cover crops on cropland through the winter will protect the soil from blowing and will also provide winter pasture. Cotton following rye on the R. E. Gipson farm, near Texola, has increased yields. Cotton on the Ben Tedder farm, near Heald, is following rye that was mulched in April.

Winter legumes such as vetch can be grown in combination with rye on the sandy soils. Austrian winter peas, adapted to the mixed and heavy soils, will add nitrogen. A ton of legumes (dry weight) to the acre will add the equivalent in nitrogen of four sacks of 16-20-0. A ton of cotton burrs per acre will add the equivalent of nitrogen in four sacks of 5-10-5 commercial fertilizer.

For assistance in planning your conservation cropping system see personnel of the Soil Conservation Service.

Wedding Plans Of Nancy Lee Revealed

Mr. and Mrs. Lloyd Lee have announced the engagement and approaching marriage of their daughter, Miss Nancy Ruth Lee, to Cecil Glen Pierce, son of Mr. and Mrs. Marvin Pierce.

The couple will be married Sunday August 17, in the First Methodist Church in Wheeler with Rev. Carlton Thomson officiating.

METHODIST CHURCH TO BEGIN AT 7:00 P.M. SUNDAY

The Sunday evening service on August 17 will begin at 7:00 p.m. at the Methodist Church, according to pastor Carlton Thomson. MYF will meet at 8:00 p.m. following the evening service. This schedule will prevail from now until September 14.

The change is necessary because the pastor is conducting a revival at Gageby this week and will begin one at Dozier the last of this month.

Mrs. M. E. Harville had as guests over the week end her daughter, Mrs. Jessie Bryant of Clovis, N. M., Leoard and Jewell Darryberry of Fort Townsend, Oklahoma and her niece, Miss Granada Terryberry from Dallas, Tex.

Dr. Price and family came through Wheeler Monday on their way home from vacation. They went through the old jail. The Dr. pointed out the place where the trap door had been under the hanging noose, and told of some arrangements of the cells. His dad, Riley Price, came to Wheeler county in 1910 and was elected Sheriff in the early 20's. Dr. Price said his younger brother was born in a lower room of the jail. The Dr. is now practicing medicine in Washington, D. C.

Ann Johnson, Betty Caswell, Connie Farmer, Vickie Mack and Janice Wegner, Mr. and Mrs. Bowen and Bill Pierce, Mr. and Mrs. Thurman Rives, Ronald and Donald, Mrs. Norma Lee Black and Mrs. Inis Walker.

PITCOCK-MUNDY VOWS ARE READ IN MOBEETIE METHODIST CHURCH

Mrs. Ann Pitcock announces the recent marriage of her daughter, Jan, to Bill Mundy, nephew of Mr. and Mrs. Dick Wright of Mobeetie. The vows of the single-ring service were read by Rev. Bruce Matthews, in the First Methodist Church of Mobeetie. The pianist for the occasion was Mrs. Mrs. Austin Caldwell of Mobeetie.

Barbara Kidwell and Ann Johnson, friends of the bride, were

brides maids, and Jay Godwin served the groom as best man.

The bride was attired in a royal blue sheath dress. She chose white accessories and carried a bouquet of pink carnations tied with blue satin streamers.

Mother of the bride chose a pink lace dress with white accessories.

Mrs. Mundy attended school at Wheeler and her husband is a graduate of the class of 1957 at Mobeetie.

After a short wedding trip the couple is at home in Wheeler, 204 First Street.

Garrison Identified As Times Who-Zit

Butch Farmer was the first caller to correctly identify Jack Garrison as last week's Who-zit. Mrs. Jim Risner and Sherry McNeil followed with correct guesses.

Other guesses on the picture were Cecil Richerson, Albert Chapman, Roe Green and O. Nations.

Harry Garrison Jr. was born December 1, 1914 in Manning, Texas. He and his family moved to Wheeler in 1927. Jack attended school in Wheeler and graduated with the class of '33. He and his father went into business July 5, 1930 and has been in his present location since August 1934. He married Clare O'Gorman, Shamrock, August 21, 1942 and they have 5 children, Kathleen, Harry, Larry, Patricia and Pamela.

He served in the armed forces for three years. In the winter of 1949 he organized the volunteer fire department and was chief for four years. He is a past-master of the Masonic Lodge and a post-commander of the West-Passons American Legion Post.

LIKE TO GAMBLE?

Games of chance may be fun if the stakes are not too high. But when you risk the security of yourself and family by buying less than the best property insurance, then gambling is no fun. Your peace of mind can never be complete as long as your home is covered by next best insurance, and if you should suffer a loss the results could well disaster.

So take the gamble out of your insurance program by letting your local capital stock agent sell you "risk-proof" capital stock insurance. He knows his business and represents safe, reliable cover.

Did You Know

DID YOU KNOW that in the first six months of this year hundred upon hundred of farmers all over the country have traded in their "conventional drive" tractors for one or more of our revolutionary Case-o-matic Drive models?

DID YOU KNOW that because of farmers' widespread acceptance of Case-o-matic Drive, J. I. Case Company sales have increased more this year than those of any other farm equipment manufacturer? (First six months sales are way up - more than 50% over 1957!)

DID YOU KNOW that Case-o-matic Drive new-look tractor styling is way out in front and is being copied more and more?

DID YOU KNOW that with the special low introductory price now in effect you can buy a Case-o-matic Drive tractor for less than at anytime in the foreseeable future?

DID YOU KNOW that a 1960 Case-o-matic Drive tractor actually costs less than most so-called current model "conventional drive" tractors of similar plow-pulling capacity?

DID YOU KNOW that Case-o-matic Drive senses the load, double pull-power automatically without shifting or stalling... this greater operational efficiency gives more work output every minute, every hour, every day.

DID YOU KNOW that Case-o-matic Drive permits you to stop and start without changing gears or using the clutch - - just like your 1959-1960 automobile.

DID YOU KNOW that tests under actual field conditions show that a Case-o-matic Drive tractor will use less fuel per acre of plowing than most other tractors you can buy? Farmers are proving this every day all over the country on their farms.

DID YOU KNOW that Case-o-matic Drive enables most farmers to add another plow bottom, thereby reducing their plowing time by as much as 25% to 33%.

DID YOU KNOW that only Case-o-matic Drive gives you all 3: Torque converter drive for heavy loads; direct drive for lighter loads; and independent PTO with engine power priority for more efficient baling, chopping, combining.

DID YOU KNOW that Case-o-matic Drive brings new efficiency to machinery whether new or old? New efficiency in plowing, disking, planting, cultivating, harvesting... a very real increase in operational efficiency to all farm machinery.

DID YOU KNOW that Case-o-matic Drive absorbs shock loads, prolongs life of both tractor and implement? That is why all Case-o-matic Drive torque converter units carry a double warranty, twice the warranty period on conventional tractor transmissions.

DID YOU KNOW that the clutch in Case-o-matic Drive tractors is hydraulically actuated, requires no adjusting? There is no burning, no occasion for excessive wear and tear?

DID YOU KNOW that Case-o-matic Drive reduces tire slippage to a measurable minimum, improves traction, adds mile-upon-mile to tire life? Power is applied smoothly... you start out evenly and surely in the field or on the highway.

DID YOU KNOW that Case-o-matic Drive can start heavy loads smoothly in road gear by merely pressing the accelerator... that you can come to a stop, and start out again without clutching or shifting, even on grades?

DID YOU KNOW that Case-o-matic Drive is easier and safer to operate than conventional tractors... keeps you fresher at the end of the day because you drive the tractor and control your implements with less effort.

We are willing to stake our reputation on the fact that the statements and the features listed above can be proved or demonstrated to the satisfaction of any prospective customer.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

HJR #17—Number Six on the Ballot.
PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.
HOUSE JOINT RESOLUTION NO. 17 proposing an amendment to Article XVI of the Constitution of the State of Texas, by adding thereto a new section to be known as Section 16, to provide that the Legislature shall have authority to provide a system of retirement and disability pensions to certain retiring Texas Rangers and their widows, stating the maximum of such pensions, and providing a fund from which such pensions may be paid.
SECTION 16. The Legislature shall have authority to provide for a system of retirement and disability pensions for retiring Texas Rangers who have not been eligible at any time for membership in the Employees Retirement System of Texas as that retirement system was established by Chapter 552, Acts of the Fifty-fifth Legislature, Regular Session, 1947, and who have had as much as two (2) years service as Texas Rangers, and to their widows; providing that no pension shall exceed Eighty Dollars (\$80) per month to any such Texas Ranger or his widow, provided that such widow was married prior to January 1, 1947, to a Texas Ranger qualifying for such pension.
These pensions may be paid only from the special fund created by Section 17, Article VII for a payment of pensions for services in the Confederate army and navy, frontier organizations, and the militia of the State of Texas, and for widows of such soldiers serving in any armys, navies, organizations or militias.
Section 2. The foregoing constitutional amendment shall be submitted to the vote of the qualified electors of this State at an election to be held throughout the State on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:
"FOR the constitutional amendment providing for pension to retired Texas Rangers who are ineligible to participate in the Employees Retirement System of Texas, and their widows."
"AGAINST the Constitutional Amendment providing for pension to retired Texas Rangers who are ineligible to participate in the Employees Retirement System of Texas, and their widows."
Section 3. The Governor shall issue the necessary proclamation for an election and have the same published as required by the Constitution and laws of this State.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

SJR #4—Number Seven on the Ballot.
PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.
SENATE JOINT RESOLUTION NO. 4 proposing an amendment to Section 46 of Article XVI of the Constitution of the State of Texas, providing that the Legislature be authorized to appropriate money and establish procedure necessary to expend such money for the purpose of developing information about the historical, natural, agricultural, industrial, educational, recreational and living resources of Texas, and for the purpose of informing persons and corporations of other states through advertising in periodicals having national circulation about the advantages and economic resources offered by the State of Texas; providing that neither the name nor the picture of any living state official shall ever be used in any advertisement, and providing that the Legislature may require that any sum of money appropriated hereunder shall be matched by an equal sum paid into the State Treasury from private sources before any said money may be expended.
Section 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified voters of this State at an election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:
"FOR the Amendment to the Constitution authorizing the Legislature to make appropriations and establish procedure for advertising the historical, natural, agricultural, industrial, educational, recreational and other resources of Texas."
"AGAINST the Amendment to the Constitution authorizing the Legislature to make appropriations and establish procedure for advertising the historical, natural, agricultural, industrial, educational, recreational and other resources of Texas."
Section 3. The Governor of Texas shall issue the necessary proclamation for an election and have the same published as required by the Constitution and laws of this State.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

SJR #3—Number Nine on the Ballot.
PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.
SENATE JOINT RESOLUTION NO. 3 proposing an amendment to Article IX of the Constitution of the State of Texas, by adding thereto a new section to be known as Section 9, to provide that the Legislature may authorize the creation of a Hospital District for the City of Amarillo, Texas; authorizing the County of Potter to render financial aid to and participate in the operation of such Hospital District; authorizing the Commissioners Court of said county to assess and levy taxes on property outside the incorporated limits of the City of Amarillo, Texas, and authorizing the County of Potter to render financial aid to and participate in the operation of such Hospital District; and further providing that any enabling Act shall not be invalid because of its anticipatory character.
SECTION 9. The Legislature may by law authorize the creation of two hospital districts, one to be coextensive with the incorporated limits of the City of Amarillo, Texas; and the other to be coextensive with the County of Potter, Texas; and further providing that any enabling Act shall not be invalid because of its anticipatory character.
Section 1. That Article IX of the Constitution of the State of Texas be amended so that the same shall read as follows:
"Section 9. (a) The Legislature may by law authorize the creation of two hospital districts, one to be coextensive with the incorporated limits of the City of Amarillo, Texas; and the other to be coextensive with the County of Potter, Texas; and further providing that any enabling Act shall not be invalid because of its anticipatory character.
"(b) The Legislature may by law permit the County of Potter (in which the City of Amarillo is partially located) to render financial aid to and participate in the operation of such Hospital District; and further providing that any enabling Act shall not be invalid because of its anticipatory character.

Number Two

At the regular meeting of the city council last Thursday evening the group decided in the near future to start paying social security on the regular city employees.

"MONEY"

"Workers earn it, Spend thrifly burn it, Bankers lend it, Women spend it, Forgers fake it, Taxes take it, Dying leaves it, Heirs receive it, Thrifty saves it, Misers crave it, Robbers seize it, Rich increase it, Gamblers lose it, And I sure could use it." (Is your subscription due?)

Why do men have middle names? How otherwise can their parents make both grandfathers happy.

AND here's a parting thought: He that brings sunshine into the lives of others cannot keep it from himself.

Hibler Named Times Who-Zit

Mr. A. E. Brown was to correctly identify Archie as the who-zit in the sue of the Times.
