## CWE CHAT WITH EDITOR

By Louis C. Stas

Rain moved into Wheeler Tuesday afternoon and continued through the night. A total of 0.68 inches was measured at 7 a.m. Wednesday with the showers continuing. Showers over the weekend produced 0.7 inches; this measurement was taken Monday morning. The majority of the weekend rain fell Saturday with a light shower Sunday night.

I found out Monday morning that one of my readers had me pictured all wrong. I went with the ambulance to the scene of an accident; a driver had missed the curve 13 miles east of Wheeler and ended up on the property of Beulah Stuart. While we were waiting for the highway patrol, Mrs Stuart joined the congregation and inquired as to my identity. Her comment was, "I had you pictured as an old man." I didn't ask, but certainly hope she didn't think I had a mustache.

-cwe-

"Mobeetie Meditations" are missing from the paper this week, as Goldie Gordon is in Parkview Hospital undergoing some tests. Here's wishing you a speedy recovery, Goldie.

-cwe-

We also had to play 'catch up' with the "Sweetwater News" this week. We did not receive the letter Mrs. Flowers mailed June 17 until June 24.

-cwe-

Continuing with comments about the correspondents, I hope the length of Vetola's "Briscoe News" just means she is busy with wheat harvest or company and not ill. We should find out next week.

To each of the correspondents, "Keep up the good work."

-cwe-

Returning this week after a long absence is "Ain't It The Truth," by Ab Gunter. Ab used to write columns for us in the early '60's, but got involved after moving to New Mexico and the columns ceased. Ab and Bonita have moved back; they are living at Kelton. Welcome back, Ab.

-cwe-

I am happy to inform you that I managed to drive from Houston to Galveston and back without getting lost.

We made the weekend serve two purposes. I attended a Texas Municipal League meeting in Galveston and Barbara and Jennifer remained in Houston with Cathi, Greg and the 'grandcats'.

It was cloudy and rainy in Galveston. We were told during one of the meetings that 'gale force' winds were blowing outside. I expected to see the trees bending from the force of

the wind; it was just a nice 'panhandle breeze'—they would label our wind, a 'hurricane'.

-cwe-

Wednesday morning 'slipped up' on Mrs. Guthrie; this is the reason there is no "Here and There" this week. She wants everyone to know she is not ill.

To the Editor  
The Wheeler Times

I thank God for the wonderful nurses like yourself and others. I spent 40 days and nights with my wife in Parkview and the nurses were always helping.

My wife couldn't stand smoke. She was coughing and gasping for a clean breath of air when she died! You don't get clean air here in this hospital.

Administrators, doctors, bookkeepers and the others went right on smoking (which you people witnessed). Those people don't have any respect for the sick and dying.

NON-SMOKERS you average about 2 to 3 cigarettes a day into your lungs. This smoking area is out of order. This filth must be eliminated in our hallways.

17000 non-smokers will die this year due to second hand smoke.

Tobacco kills more people than any other drugs.

Another friend died from use of tobacco. There was smoking in his room. Oxygen in use. Why was this permitted?

Ernest Lester

**UNINJURED:** The driver of this Jeep Wagoneer received only scratches as a result of an accident 13 miles east of Wheeler Monday morning. The vehicle was traveling east on 152; the driver lost control and missed a curve. The vehicle continued across the barrow ditch, down the fence and flipped over some shinnery and landed upside down.

## CANADIAN'S ANNUAL 3-DAY CELEBRATION

Through the High School Honors Program, superior students can earn college credit prior to their graduation from high school. Lee Ann will be a senior at Texline High School this fall.

To qualify for the program, a high school student must have completed the sophomore year and rank academically among the top members of the class. Scores on a nationally recognized college entrance examination also are considered.

Lee Ann is the daughter of Mr. and Mrs. Ed Shepler of Briscoe, Texas. She will study Math this summer.

Old timers will gather at City Hall for the annual Old Timers Reunion, with registration beginning at 11 o'clock. Barbeque will be served and prizes will be awarded to the oldest Old Timer and to the Old Timer who has traveled the farthest to attend.

An art show sponsored by the Sagebrush Painters will be exhibited in the W.C.T.U. Building on July 4th and 5th from 10 o'clock until 5 o'clock. The W.C.T.U. Building is located across the street from the Courthouse.

There will be two more rodeo performances, Friday, July 5th at 7:30 p.m., and Saturday, July 6th, also at 7:30. The annual amateur rodeo, which dates from 1888, will feature rough stock competition and traditional events, as well as a wild cow horse race and a special event for businessmen only, a wild cow milking contest. Entries for the rodeo will be taken by phone at 806-323-5761 on June 27th from 8 a.m. until 6 p.m.

Dances are scheduled on the nights of the evening rodeo performances, and will feature the music of Frankie McWhorter and Ridgway at the City Hall Auditorium.

Events on the 4th of July will conclude with a fireworks display sponsored by the Canadian Volunteer Fire Department. The display, which will be held at the City Park on the north edge of town, will begin at dusk.

## BIKE-A-THON RAISES \$1,188 FOR ST. JUDE'S

The St. Jude's Bike-a-thon was held on Saturday, June 15, in Wheeler. A total of \$1,188.50 was raised by the twelve participants.

Sharon Arganbright of Mobeetie was in charge of the annual event to raise money to assist in the treatment of children with leukemia. She has a personal interest in the drive, as her niece, Amanda Betts, is a victim of leukemia and receives treatment from St. Jude's.

The twelve participating consisted of nine children and three adults. They were Rachel Smith, Brandon Simmons, David Hale, John Moffett, Frank Fancher, Tommy Saucedo, Sean Arganbright, Amanda Betts, Jenny Simmons, Beverly Smith and Carol Betts.

A number of prizes were awarded. John Moffett and Rachel Smith won first prize for the Most Money Collected. Billy Fancher and Rachel Smith won first prize for the Most

Mrs. Arganbright extended "thanks" to the many volunteers who helped with the bike-a-thon. They were Al and Dorthy Fancher, Pam and Michelle Fancher, Julie Stepps, Leona

**RECEIVING TREATMENT:** Amanda Betts, shown here in a picture taken two years ago with Danny Thomas, is presently receiving treatment for leukemia. Bike-a-thons like the one held last Saturday in Wheeler help to finance treatment for Amanda and other leukemia victims. Amanda and

her mother, Carol, would like to say "thank you" to everyone who participated, the sponsors and businesses. Amanda has received treatment for the past three years and is still a patient; she participated in the bike-a-thon Saturday.

## MANNA THEATRE SCHEDULES RALLY MONDAY, JULY 1

The Manna Theatre is having a big rally Monday evening, July 1, at 7:30 p.m. Several months ago, Christian Center bought the theatre ending a lawsuit pending against them. Movies began showing in March in the newly acquired facilities. Many of these movies are shown free of charge.

During the past number of weeks, construction has been under way inside the theatre on a stage in front of the screen. This will make it possible now to have Community singings, Gospel concerts, rallies, and other meetings. Invitations have already been extended to the Royalheirs, the Blackwood Brothers, Wanda Jackson, the Weatherfords gospel singing

and others.

Monday evening, the first of these rallies will be held. The John Marshall Family, a very talented family with numerous musical instruments, will be singing. The attorney for Christian Center during the lawsuit, David Gibbs from Cleveland, Ohio, will be preaching. David Gibbs is part of the Christian Law Association which defends churches and pastors across the nation that are having legal problems. This is an evening of celebration, and an evening of patriotic emphasis, and a sort of grand opening of the theatre. People from Amarillo, Pampa, and other Panhandle towns are coming because of their familiarity with the Christian Law Association. Make your plans now to be there too. Everyone is welcome.

There is no charge; all we need is a studio picture (individual, billfold, to 5x7). Please include child's name, age at the time the picture was taken, and parent's name and address. The child's grandparents can be named if the list is not too long.

**FROM LAST WEEK**  
**MRS. JOE FLOWERS**

Hope you all had a happy Father's Day. Mine turned out fine. I was afraid I might have to get up and cook breakfast but Joe came thru in good style. Even had a sliced tomato on my plate.

We are having several big tomatoes a day. That doesn't usually happen till they are down to 19 cents but I see they were still 69 cents last week. Had a cucumber too.

Mr. and Mrs. Leonard Bryan had Saturday company for supper honoring Lorene on her birthday and all the fathers. Present were Mr. and Mrs. Albert Bryan, Mr. and Mrs. Arnel Lee Bryan and Pam, Debra Wells all of Pampa. Tim was gone to National Guard at Ft. Flat.  
Mr. and Mrs. Sam Davis celebrated their 62 wedding anniversary on June 10th. Flake and Mickey Armstrong will celebrate their 50th at the Erick Methodist Church on the 23rd of June.

We went to the dentist Wednesday. Joe visited with Mr. and Mrs. Alan Atha while I suffered. People ought to be paid to go to the dentist not have to pay. Just kidding. They have to make a living.

Anyway Alan works for ch. 12 at Cheyenne. Cindy is the daughter of Johnny and Jolene Grant. Their little girl Dawn is the Grant's only granddaughter. They have 6 grandsons.

Mr. and Mrs. Rhome Nix, Mr. and Mrs. Olan Nabors, and the A. R. Howells spent four days up around Raton and Trinidad touring and fishing. Said it was hot as all get out up there. They were glad to get back to cool Oklahoma.

Read in a magazine how to tour Europe on a million dollars a day. Seems Di and her family and the Reagans have been practicing. Reagans took 700 guards, 226 reporters, and a personal entourage of 12. Plus doctor, chef, bullet proof cars were air lifted over there. The first lady took 19 suitcases. Her clothes were valued at \$250,000. Seems we didn't trust their security and did it all ourselves.

Ruby Nix said they had a cookout and 3 unwelcome snakes came out to join them. My snake got an invitation to come down and play with Mabel Fowlers snakes at Willow. Seems hers

Funeral services were Friday for Sonny Cliff at the Baptist Church in Reydon. Burial in White Rose Cemetery. Sonny was a favorite of ours. Each time we went to the home, he greeted Joe with "Play the Old Strawberry Roan."

A late report says that women make up half the world's population, earn 10% of the income, and do two thirds of the work. I've always sort of thought that.

We went up to Wheeler Friday night where Joe and Bertha helped play at the dedication of the Care Center's new Gazebo. Others on the program were: Johnnie Reed, Becky Hogue, Rosalee Keelin, and Jack Jones. They rolled up the carpets and had a wonderful time. Barbara Welch Williams is the social director.

Sayre had their annual rodeo and Elk the Blue Grass Festival. Seems like the powers that be should get together and schedule these big events for different weekends. Lots of folks would like to take in both.

Sweetwater Homecoming will be

**NOTICE OF INTENT TO IMPLEMENT RATES**  
General Telephone Company of the Southwest in accordance with the Public Utility Regulatory Act and the Rules of the Public Utility Commission of Texas gives notice of its intent to implement new exchange access rates for the provision of shared tenant and tenant resale services.  
These proposed rates are applicable to customers of General Telephone Company of the Southwest, excluding hotel/motel customers, who provide local exchange telephone service of General Telephone Company of the Southwest to their tenants or patrons on a resale or shared use basis. This resale or sharing arrangement is normally provided utilizing a customer-provided PABX or other similar stored control switch capable of common control processing or other features commonly associated with a PABX "Smart" switch.  
These proposed rates are designed to recover costs on a usage basis for local exchange telephone service access and are identical to General Telephone's "Optional Measured Service" rates. The monthly access rate will be \$28.95 per trunk line and the usage rates are as follows:

Over	Up To and Including	Band	Set Up	Full Rate Period Each Minute
0	7 miles	A	\$ .025	\$ .015
7	14 miles	B	.035	.021
14	21 miles	C	.050	.030
21	28 miles	D	.070	.042
28		E	.090	.054

As this is a new service offering, we are unable to determine the number of customers who may be affected. Currently, there are no known prospective customers. Until any customer utilizes this new offering, there will be no effect on the revenues of the telephone company, and in any event, the telephone company does not expect revenues to be affected by more than 2 1/2 percent. These proposed rates, where applicable, will provide tariffed local exchange access to customers who then will provide shared or resale services to tenants.  
These proposed rates have been suspended by the Public Utility Commission of Texas and will become effective as proposed or modified by order of the Commission on a date to be determined by the commission.  
The proposed rate schedule is on file with the Commission for public inspection and is also available at any business office of General Telephone Company of the Southwest. Persons who wish to intervene or otherwise participate in these proceedings should notify the commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumers Affairs Division at (512)458-0223 or (512)458-0227, or (512)458-0221 teletypewriter for the deaf.

grinning and carrying his banner tax reform. "He took my idea, changed one word, and is off and running" said Fritz. Tax reform doesn't mean lower taxes. Time they take off the exemptions it will be a tax raise.

They weren't going to touch Social Security under any circumstances but already they have dropped the cost of living adjustments and are taxing half.

Mr. and Mrs. Howard Dickey spent Father's Day at Shamrock with Don, Elinor, and Janet.

My brother Frank Haag and his wife Ruth were here for the weekend. They had been to Midland to a family reunion. After church we took them up to see the Packsaddle Bridge. The approaches weren't finished, so all we could do was look.

Jim and Modena Downs and Jake and Fae Downs of Las Vegas, Nevada have been here to see Mr. and Mrs. Billy Sutton and other relatives at Erick and Sayre. Their mother is a resident of the Town Hall Estates Home.

Had a catastrophe at our house. Several years ago a twister took the top out of several of our big trees. We planted honeysuckle and trumpet vine around them. They reach as high as twelve feet in the air. Looked out and one bunch was dead. Found out ole Dawg had chased a lizard up the stump. In the melee, he broke my trumpet vine off.

Kent Bryan and Connie McClellan were married Saturday in a beautiful ceremony at the Magnolia Church at Crawford. They will live in the Novel Youngblood house near Sunny Point. Kent will work for Richard McEntire at the store.

Mr. and Mrs. Leonard Bryan were among those attending the Brown reunion at Sayre. Some 60 were there.

Saw one of the papers said the admission price at the Sweetwater Homecoming was \$3.50. It is \$1.50. I hate to use numbers because of the easiness to make mistakes.

I used to use Mr. and Mrs. in my news. One day I said Mrs. John Doe spent the afternoon with Mrs. Jim Black. It came out Mr. John Doe spent the afternoon with Mrs. Black. Had one more mad reader.

We visited Nettie McMullen, Melvin McIntyre, and Zuma Robinson at the Sayre Hospital. Other patients there are Gloria Howell and Elec Atchley.

Yolanda McArthur had surgery Friday after being in a car wreck last Sunday. Her father Mr. Stewart is in ICU very ill. They were returning home from a family reunion at Cobb Lake.

Beckie Gragert was to have surgery on her neck following a recent car wreck in which a vertebra was broken.

We visited Mr. Jeff Copenhavor, Ciella and Carlos Myers at Sayre. Carlos was all of seven on the 19th.

Saw a lot of folks in town, Ray and Doris Smith, Ruric Webster, Mr. and Mrs. Bob Hinchey, Mr. and Mrs. C.A. Woods, Mr. and Mrs. Roy Funderberg.

Mr. and Mrs. J. R. Coffey and Sue of Burkburnett, Dr. and Mrs. Maurice Coffey of Tulsa were here last weekend to see Elec and Beulah Atchley.

Curvin Coffey of Ft. Worth was here tending to business for his folks Mr. and Mrs. Les Coffey.

Gerald and Nada Martin have bought the convenience store Corner Post on the Reydon Y; I read. They are from Plainview and Bully and Crystal's kids.

Ken and Pam Reed and kids have been to California on vacation. Their parents Fred and Fae Thacker are here visiting. Richard Smith and girls were here over the weekend. Richard and Linda have moved to Sanger, Texas where Linda is employed in the post office.

Mr. and Mrs. Charles Charton have a fine new baby boy born at the Community Hospital in Elk. They named him Chance E. She teaches school at Kelton and he is an auctioneer.

Kitchen Band schedule for July is 1st Tuesday at Erick Home, 2nd Monday at Town Hall Estates home in Sayre, 3rd Monday at Hodges Home in Elk, 4th Tuesday at Hensley Home in Sayre. All times-2:30. See you there.

Our new teachers are Wesley Newby, vo-ag, Sandra Wright, social studies, Vicky Rowland and Charleen Yowell, elementary.

The school has bought a 40 acre plot to use for vo-ag, larger play ground, and hopefully a track field. The house will be remodeled for a teacherage.

Loreta Killingsworth out from OKC and went to church with her dad Walter Fourier. He received the award for oldest father. Youngest father was Greg Henson.

Summer officially began last week, but you could have fooled me. I thought it had arrived some time ago.

Mr. and Mrs. Harold Bollen, and Sophia Spencer were out Saturday night for supper and to visit the Arkansas folks.

Farrell and Mary Chenault of Canute had a Father's Day supper for her dad, Ray Smith and wife Doris. Also there was Shelly Jordan and baby.

Opal Brass of Buffalo, NY, and little Katy have been here visiting the Andy Farmers.

# Out on the JOB WATCH UP FOR POWER LINES

Out on the job, power lines bring needed electricity to the site. But they can be dangerous... if you don't watch up! You need to be especially careful when you are handling re-bar, pipes, scaffolding, or tools that are long enough to contact overhead lines. Contact with power lines is also a potential danger to operators of front-end loaders, dump trucks and any other equipment of unusual height.

Keep an eye up for power lines. Watch up, for safety's sake.

**Briscoe News**  
By Velola Parker

I will put this in the Wheeler paper. Garry Parker gets the paper. I may forget to tell him. David Zybach said tell him (Garry) Don Johnson said for Garry to come to our school home coming, July 27th, he would hug Garry neck. Now I think Don will hug all his pupils neck. I know if they will come.

Colie says we got a small shower Monday night. I did not hear it, but saw water on things this morn.

Thursday morning nice and cool and windy. Cora Helton has been sick in Pampa hospital, she may be back in rest home now, but she was pretty sick, all of her children came to see her. We wish for her a speedy recovery.

Doc Wilhelm visited us Fri. morning. Brought us some turnips. Mable brought us some squash the other

day. Claude and Mable and her daughter Mary Ann visited us Wednesday. Mary Ann is from Calif. Talked to Lou Dean. Friday, Bud Waters is still in intensive care in St. Anthony's in Amarillo. He topped a hill there were cattle out on the highway, he hit and killed 2, but ones he had 5 or 6 in his truck did not get killed. We hope he will be ok soon, and come out of this all ok. It was 30 min. before anyone come along and 2 hours before they got Bud out of the truck. Thanks to Dorothy Walker for sending her news in. Sorry I will not be here Monday to gather news. Friday night we got sprinkles. But clouds, clouds and wind galore.

**PUTTING TOGETHER A WINNING WARDROBE**

If there has been a change in your lifestyle lately, you've probably come to realize your wardrobe no longer meets your needs. A new job, new activities, retirement, or simply an image you want to achieve can make your wardrobe look like a "closet full of nothings" to wear.

With a little resourcefulness, you can economically coordinate a ward-

robe that will help achieve the "look" you want. Although it may be hard to pinpoint the type of clothing most needed, one way to start is to list all the activities you recently participated in during a typical 2-4 week period or longer, and what you wore.

You will also want to consider the special activities on your calendar throughout the year. The list can help determine the type of garments worn most often and where some changes are needed.

Any general inventory begins by assessing your present wardrobe. You may begin by sorting the clothing into four categories: discards; repair or recycle; wearable as is; or items to build on.

Once you have a complete picture of your needs and of the wearable clothing in your present belongings, you can begin wardrobe planning.

Decide first on what you can afford to spend on new clothing. Also consider your personal preferences in colors, lines, textures and styles. Adding to your present wardrobe requires a plan. And a good way to begin is to build around a few garments. The life expectancy of a garment can help you determine how much you want to invest. You may want to buy the best you can afford in such basic garments as coats and suits which can be worn through several seasons. However, you may not want to invest much money in "fun" garments that may be the latest fad this season, but gone the next.

Classics are always good investments, because they do not vary with seasonal fashion changes. For example, shirtwaist dresses and blazer jackets are popular through many fashion seasons. A good plan also builds around a few key becoming colors with which you're comfortable. Key colors do not have to be dark, but can be in any color range you like.

Also select a few good accessories, such as shoes, purses, scarves, belts, and jewelry in your key color ranges. This will allow you to mix and match basic garments with accessories to form many different outfits.

Educational programs of the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion, or national origin.

The floors of the outer room of Nijo Castle, in Japan, are popular through many fashion seasons. A good plan also builds around a few key becoming colors with which you're comfortable. Key colors do not have to be dark, but can be in any color range you like.

**WORLD WAR III**

World War 3 the most dangerous time of any time in the history of the world is getting dangerously close, the hostage crisis in Lebanon and Americans being killed in different nations of the world should be proof enough that a World War is about to begin, we in our area cannot save the rest of America or the World, our responsibility is to look out for ourselves and the area we live in, a few sacks of beans and some ammunition stored away might save some lives and property. We will not have our government to lean on during World War 3, Daniel Chapter 7 and Revelation Chapter 13 verses 7 and 8 is telling us that America and some other nations where most of the Christian people are will be given into the hands of our enemies for a period of 3 1/2 years until the second coming of Christ, better wake up preachers, read Ezekiel Chapter 34, Now is the time to be shouting a warning.
