Friday morning things got busy early around here. Gail became an

interior decorator, Mr. Hyatt became a talk-show host, and as soon as I walked in the door I became a motion picture photographer. The best part was all the residents became actors on a set, but Mr. Ed Smith was the star of the show. Ricky Pfeil brought all his radio equipment out to the Care Center to broadcast his morning program. Mr. Smith said it was his first time in 101 years. to be on the radio. I hope lots of people got the chance to listen to him, he enjoyed every moment of it, so did we.

Mary and Joe Weatherly, Mr. Smith's nephew, also came out to help him celebrate. Ann Wilson, his daughter, came later and took him home with her to spend the weekend. I might mention it was also her birthday, too, Ann didn't say how old she was!

We want to thank Ricky Pfeil for coming out and making the broadcast possible.

Saturday afternoon I took Ruth Rosenbaum, Willie Anderson, Lera Weehunt, Roberta Adams, and Gertie Cornell to the fund raiser at the park. We really enjoyed the talent show. The weather was just perfect! The Chamber of Commerce charbroiled burgers weren't bad either. We borrowed a few chairs from the Methodist Church and Dan Kenney helped with the transportation, so to speak. Thanks to you and to all you nice people at the park who helped.

Iris Ingram is still in the hospital. Hope she is feeling better. We want to welcome Agnes Gaines to our home.

Mildred Hamilton celebrated her birthday on Sunday, Shirley Wheatly, Cecil Bowers, Lisa and children came and brought lunch for Mildred.

Nick Wiebe is still in the hospital. Irma says he is doing some better.

I want to say "Hello" to Fern Turner, I heard she was asking about us. "Come see us Fern".

I would also like to say our sympathy goes to the Lola Shira family. Lola was a longtime member of the Care Center family.

AT&T ANNOUNCES UPCOMING PRICE CHANGES FOR SOME TEXAS INTRASTATE SERVICES

AT&T announces the following price changes for some of its Texas intrastate services. These changes, which more closely reflect the actual costs incurred by AT&T in providing these services, will become effective on October 1, 1987.

 SDN (Software Defined Network) Schedule B prices will be reduced an overall 7.1%. Schedule C prices will be reduced

4.4% for the initial 30-second rate period of each call. WATS 80 service prices for both the initial period 80-hour usage and additional period usage will increase 5%.

. The monthly prices for AT&T's Private Line Service will increase up to \$25 per channel termination for Analog services and 10% for Digital Data Services.

 A \$25 monthly surcharge will also apply to any private lines which may be used to access the local exchange network, unless certified as exempt by the customer. The \$25 surcharge, which was previously authorized by the Public Utility Commission of Texas, is a flow through of charges assessed by the Local Exchange Companies to AT&T for those Private Line ser-

The combined effect of these price changes is expected to produce approximately \$4.99 million annual revenue, which is approximately .5% of AT&T's annual revenues for all Texas intrastate services.

If you have questions regarding the changes for Private Line service, please call AT&T toll-free at 1-800-345-5092. If you have questions regarding the WATS or SDN price changes, please call our business consultants toll-free at 1-800-222-0400. AT&T's tariffs reflecting these changes will be filed with the Public Utility Commission of Texas on August 31, 1987, with an effective date of October 1, 1987.

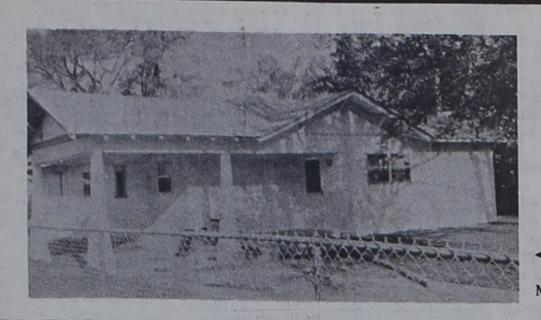

Persons who have questions regarding this tariff filing may also contact the Public Utility Commission of Texas in writing, at 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757, or by calling the Consumer Affairs Division at (512) 458-0223, or (512) 458-0227, or (512) 458-0221 for teletypewriter for the deaf.

sponsoring such a movement.

A couple of weeks ago Ed Riley had a birthday. He, himself, told me he had been in this world for 3 quarters of a century. I know this community is honored to have such an upstanding citizen as Ed Riley.

His children, grandchildren and great grandchildren were here to celebrate the occassion. Those here were: Bob Riley and family from Big Springs, Texas, Nelda Brewer, Sacramento, CA., Mary and Joe Mitchell, Chuck and Trisha, Marla Diggs and girls all from White Deer, Cheryl and Brad Curry and Jayme, Amarillo, and Dan Brewer, Altus, OK. His daughter Ann Henderson, husband James and Tera live here but of course joined the party. Congratulations, Ed.

Jean Pollock of Baltimore, MD. who has been here several weeks with her mother, Jewel Holloman, has return-

Juanita Levitt told me today she had a short visit with her friend Virginia Miller last week. Virginia came over from Allison to shop for groceries so they met in the store.

Bobby and Beverly Guthrie and Bobby Jr. were with us again last weekend. They have been pretty busy with moving and making preparations for going to Florida. Bobby's sister, Melinda and Tim Whorton from Canadian came for lunch on Sunday.

Lydia's daughter-in-law, Rhonda Guthrie, who has been in El Paso for several months, where her husband Joe is located at Ft. Bliss has come to Twitty to be with her family, the Ron Pitcocks, for a while. Joe will be on maneuvers in California for several

THANKS TO EVERYONE

Words can never express the kindness and wonderful help the people in Wheeler have given us during our emergency, the Ambulance Service for being there at the house immediately when called, Dr. Galutia and the nurses so kind and It was so good to have Alma Seitz quick respond at Parkview Hospital getting me back in the ambulance, rushing me to High Plains Baptist Hospital in Amarillo, TX. We were cared for there as we were here. They have a great staff and concerned up The Wheeler Co. High School Trimble & Billy Stephens of Herefor- there also. So many good neighbors offering to help in every way. This is what we call the Family Town and County when in need they really respond, old and young. So many beautiful cards, phone calls and just a wonderful place to be. God Bless
