"Wheeler, town of friendship and pride."

By Louis C. Stas

Summer draws to a close with enrolment for the 1987-88 school year getting underway Friday or Tuesday. The Mustangs scrimmage last Friday and will scrimmage at Wheeler on Friday evening; the first game will be Friday, September 4 at Highland Park.

Christian Center recently held enrolment and they will start school Monday. They are to have 38 students this year.

HAPPY ANNIVERSARY! KPDR-FM will celebrate its first year of broadcasting on Monday, September

I received a phone call Thursday morning from Mrs. Hamilton of Mobeetie. It seems there were two extra lines on the 'copy' under the building for sale at Mobeetie. The two lines were to go elsewhere in the paper. Please accept my apologies, Mrs. Hamilton.

The college students are leaving. Drew left Aug. 17 and the Thomases are doing quite well; he is at Weatherford, Okla. Stacy left for Canyon Aug 21; it was necessary for Jimmy and Marie to accompany her, as the car wouldn't hold all her stuff.

My spelling error on the headline of the paper last week caused several comments. I didn't get any credit for having spelled watermelon correctly in the story; the headline was what mattered. I received the upper portion of the front page with the error marked in red and also a clipping from Saturday's Amarillo paper varifying the spelling of the word melon; Francis Hefley took this means of

Have you noticed how them Congressmen will treat them witnesses on that Contra panel. First off they will say good morning Mr. Jones glad to have you here and then they will light in on him like a Banty Rooster will on a June Bug and when one of them will get tired another will jump right in and waller him for a while and then another and another. They have asked Mr. Poindexter why he didn't resign from his position and then why Mr. Shultz didn't resign and on and on and I can't see why they should have resigned, you never see one of them Congressmen resign when they make a mistake. The families of the Clyde Worely's gathered at Kelton School June 27, 1987 for their reunion. Everyone began to gather at 10 a.m.

The fun included playing basketball; and the kids sure enjoyed the playground equipment. The Kelton School was a great place for the reunion as most of the Worely children graduated from Kelton.

Those present were: Audrey and Arthur Gould and sons Craig and Michael of Desoto, Texas; Leona Morrison of Sherman, Texas, her granddaughter Cynthia with husband Doug Bree and baby daughter Melody all of Irving, Texas; Helen Nokes of Pampa with her daughter and family Terri and David Broaddus, LaTomie, Shawna, and Aaron of Pampa; Billie and John Holcombe of Brownfield, Texas; Barbara Helton of Pampa with son Bill; John and Sheila Helton and children Marlana, Charlie and Calvin. They were moving to Elk City, Okla. that day. Boyd and Kerri Helton with children Zachery and Jessica of Amarillo, Texas; Clem and Becky Helton and children Johnathan and George of Canadian, Texas. Albert and Venus Helton with daughter

Nichole of Canadian. Ebb and Patsy Smith of Wheeler, Dale and Kathy Smith with sons Jeremy, and Sidney of Wheeler. Joe and Beverly Smith with children Sally and Neal. Daughter Rachel had to miss out on the fun. She was playing ball that day and couldn't get out of it.

Walter and Jenny Simmons with children Shannon and Brandon of Wheeler.

There were 49 family members present. We hope to see more next year. There were family members who hadn't seen each other in 10 or 12 years.

Tobeetie editations By Goldie Gordon

A blessed thing it is for any man or woman to have a friend, one human soul whom he can trust utterly, who knows the best and the worst of us and who loves us in spite of our faults, who will speak the honest truth to us, while the world flatters us to our face and laughs behind our backs. Again who will comfort and encourage us in our days of difficulty and sorrow, when the world leaves us alone to fight our battles as we can.

This is the kind of friend I have found in all of you in Mobeetie. You write the Wheeler Times each week with your support of me and I want to say Thanks and I love all of you.

Mr. and Mrs. Bud Boyle of Pampa visited Friday in the home of Jess and Gazelle Patterson.

Ernest and I had a very good Sunday when friends came to visit. Those who visited were Flora Maye, Joe and Shara Kelley, Don, Mary, Beth and Shonda Schoon from Amarillo, Ariza and Anna Belle Corcoran.

Amy Stuart from Amarillo spent several days last week with her grandparents Calvin and Leola Stuart. Leola's brother Dale Richardson from water. Erick, OK. visited on Sunday.

Nicole and Kara Jones from Borger just returned from a 4 day visit to spent their summer vacation with their grandparents Charlotte and Walter Coward. Their mom Diana, Borger came down over the weekend and picked the girls up for school.

Visiting over the weekend in the home of Win and Claudia Quarles were Mrs. Burtie Gallegy from White Deer, Mr. and Mrs. Bud Howard from Pampa, Mr. and Mrs. George Quarles from Skellytown, Wayne, Paula, and Rusty Shahan, Arnett, Kay, Tiny, and Linda Simpson from Amarillo, Donna Crawford, Roy Pat and Sonda Rucker, Pampa, Don, Mary Margaret, and Kelley Quarles, Mobeetie.

I was sorry to hear about 2 weeks ago when we had a high wind Pete Seitz lost his big hay barn and sprinkler system on the old Harris

Calvin and Leola Stuart visited Saturday with Leola's mother Mrs. T.A. Richardson and in Erick with Dean and Iva Richardson.

Visiting last week with Ransom and Eunice Carter were Laura Eubanks from Wheeler, on Saturday Pierce and Nettie Walker, Carl and Peggy and Bernice Helfey.

Wade and Doyle Greenhouse from Dumas ate dinner last Friday with Orville Greenhouse.

Charlotte and Walter Cowards daughter-in-law Margaret Coward from Topeka, Kansas has been visiting them, Sandra Coward and her father Edd Campbell of Shamrock.

Wishing Chris Leatherman a Happy Birthday on August 22nd. Chris celebrated his 7th birthday in Pampa at McDonald's with a Happy birthday cake and ice cream. Those helping celebrate were: Candy and Michael Hilburn, Jarod Thompson and little sister Brandy, Jamee, James and Lynn Lock from Lefors, Butch and Glenda Leatherman, Allen and Shana Leatherman, Penny Hilburn and Wilber Beck.

Drew Godwin from Canadian visited Saturday with Jess and Gazelle

> To the Editor The Wheeler Times

Dear Editor:

Find enclosed a check for \$11.50 for renewal of The Wheeler Times.

We enjoy the paper so much as we know quite a few people who are still living there.

Read with interest the 65th wedding anniversary of the Clarence Dyson's. Know them well.

We will be celebrating our 62nd anniversary the 6th of next month.

Mr Editor, always read your column-"Chat With the Editor". Just know you are some "guy". Would love to visit Wheeler again, and Mobeetie. We don't travel as used to and also age catching up.

Keep the "good news" coming. Good Luck-Good Health.

Saturday, 22nd, a rather warm and a very busy week.

Our cousin, Gladys McDaniel, from Wichita Falls came up with JoAnn Hardage, Sue Helms mother. JoAnn stayed with Sue's family while Sue took Matt to have his tonsils out in Amarillo. He made it all ok. The last word we had. They went home to Wichita Falls Thursday night.

Gladys spent Tuesday night with us. She spent Wednesday night with Hoyle and Family. Gladys is our oldest girl cousin; she is 84. We have a man cousin, 93 years old; he is our oldest.

Scotty Parker came Monday night, spent 2 days and 2 nights; he has two days off each week from his job.

A TRIBUTE TO MRS. M. McILHANY 'Just Remembering'

By Dean Lane Dear Mrs. McIlhany:

John Keats (1795-1821) (British Poet), Penned these words, with far more persuasive power than I-"A proverb is no proverb till your life has illustrated it." You made this truism beyond believable by example. Adding substance: Ralph Waldo Emerson (1803-82) U.S. writer and philosopher, "Opinions are fallible, but not examples."

#1. By the giving of your daily devotion to honor God, a rule set for you from the early Genesis of life until the very end.

#2. Next to God, our source of hope, the best part of your life was found in the Blessings of your two children: Judge Grainger McIlhany, our forceful, but, with absolute honesty and fairness for all, plus a life-long devotion to his lovely, Dorothy. Your daughter: Dr. Mary Lou McIlhany, intellect to equal baby brother, Grainger, consistently showing her warm caring ways, endowed with your gracious ever-ready smile and elegant manners. Note to sister, Alma Grainger, I know too well, what it means to face life without the love and support of last living member of the proud maiden name you bear. You are never alone because God is with you!

For three "Just about" perfect grandchildren with apology to Bill and Anne for lack of detailing thoughts of them as I will of Tom. I feel qualified to discuss him because we worked together at "Nanna's" store for several months in 1976. It took me a ding, not spoken, as such, careful scrutiny, I observed him from outward appearance, for a closer "Look-see", trying to determine why this somber young person seemed to shoulder so much weighty responsibility, mostly wearing a frown or was he using his handsome good-looks as a means of escape to show me, that he was a private person, and had no need of my friendly advice?

The masquerade was over on Christmas of 1985, as he, on bended knee, on floor of our mobile home while holding my hands, very masterly addressed the Lord, imploring Him to heal my sick husband, Bob and me in guiding our paths to seek a better center for our lives-looking to Him for help.

At this point, Tom became visible to me. The old mask was off and I was looking at a happy, complete, grown-up young man, because he had married his destiny, "Lady Love" Shannon, both enjoying a beautiful baby girl, another precious generation sanctified by the hand of God, who created the soul, but make sure the pulse beat traced to the love shared between Mr. and Mrs. Mortimer McIlhany.

Again, love prevailed, and made the difference, in this once too serious young man, molding him into a powerful missionary of that same God. Mrs. McIlhany you never demonstrated any show of favoritism when it came to your children, grandchildren or great grandchildren,

#3. By the satisfaction of being a successful businesswoman, always in control of the proud name of McIlhany's Dry Goods, facing from time to time periodic set-backs, but since you were the dauntless achiever, tempered with providential care, as you realized dreams come true and lived to enjoy the fruits of your labor.

#4. By your talent for making and keeping your loyal friends, too numerous to mention suffice it to say, they, are and were matchless in their love for you.

I recall the weekend we spent together at your home many moons ago. Shortly after we had closed our concert, I, at the piano, you, with your clear sweet-toned singing voice, really enjoyed the old hymns. Then, as I was busy giving you an Elizabeth Arden facial, nothing but the best for you! While waiting for maasque to dry, looking at me with great intensity, you stated "Dean, why isn't there a generation gap between you and me?" with a quiet "Hush Honey, let the masque work." Some twenty minutes later, completing with skin toner, followed by application of visible difference, (Best wrinkle cream made) I held your radiant happy face, as if I had glimpsed the other side of eternity, I softly, whispered, "For those who truly love, there is no generation gap." You smiled. A special interjection: when Mrs. McIlhany died she was 98 years of age, I am 61 years "old", 37 years

Vea and Leon Fillingim, Willa and difference. My best friend, Tamara Lynn is 24, I am still 61, 37 years here, here! She tells me "Dean, you are one word to me: Timeless, for this I love you so." Replying with "Yes my pretty, panegyric, good word, child, and I love you too."

Amanda, Dick and Ruth Irvine and

Pardon my intrigue with numbers, some quixotic cause me to cry.

One subject we never discussed was longevity. Statement can be substantiated by your faithful employee, and devoted friend, Audra Bean, while working together at McIlhany's for some seven years, I could see the same kind of great strength and strong constitution in her that you showed throughout your life. Second least favorite word was "ugly" circumstance. Longevity as circumstance seemed to place us in a well-compartmented structure, since we disliked the idea of being "fenced-in", our escape was to laugh, talk, and how I loved to hear you sing!

Spanning a friendship of some 33 years, my first memory of you happened in fall of 1954, when you sold a Queen Elizabeth bedspread to my late mother-in-law, Annette Nicholson, for this new bride. I was not prepared to meet such a pleasing, cheerful, definitely, no ordinary lady. Remembering your beautiful, almost dresden-like features, and clear blue eyes, as you said "See you in church Sunday", helps me as I retrace each in-road of the "Happy Times".

Another view of the other Mrs. McIlhany (quote) "When I graduated from college, feeling I deserved a reward, I went to the best department store I could find and paid \$16.50 for a hat." (unquote) She could see my few weeks to evaluate this eyes "Puff-out", with my mouth multifaceted young man with deman-open, as I stood riveted to the spot, in awe, I said "You didn't!" We both

I keep on living as a "shut-in" with severe disabilities. But make myself clean my antique bird bath and feed my some 400 birds daily. TREATMENT FOR STIFF NECK

Dining Room available

If you're suffering from a stiff neck, don't wait for it to take care of itself when treatment is available to correct it.

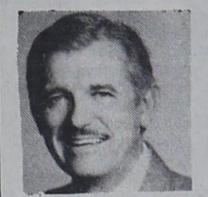

Of all the bones in the spinal column, none are more easily injured or more vulnerable than the seven vertebrae in the neck. None aremoved more often. We are constantly turning our heads to look at people and things.

Neck stiffness can have many causes, from sudden and violent accidents to such simple activities as painting a ceiling or just sitting reading a book for a long time. But there's nothing simple about the

A careful examination will reveal the source of the pain and how best to treat it. Any misaligned vertebrae in the spinal column should be properly adjusted so there will be no abnormal pressure on your nervous system. Treatment may also include exercises for the cervical muscles such as gently rotating your head in all directions. This can help restore muscle strength and tone.

By Laura Guthrie

School time is here again! It was only day before yesterday that I wrote all those 1987 Senior stories for the Times. So I have this story to start the year right: The professor of English was trying to impress his class with the importance of a large vocabulary. "I assure you" he said, "if you repeat a word 10 or 25 times, it will be yours forever."

In the back of the room a girl took a deep breat, closed her eyes and whispered, "Harry, Harry, Harry

But seriously to students: Ambition without determination has no destination.

Esther Caswell called to tell me that she and her daughter, Betty Muse of Clarendon, went to Muleshoe, Texas on the week end to attend the 50th Wedding Anniversary celebration of Bill and Marie Darnell. The fete was lovely and was held in the Fellowship Hall of the Church of Christ. Their four children sponsored the affair. The Darnell's are former Wheeler citizens and neighbors of the Caswells.

There was also another wedding anniversary celebrated on the week end. Ed and Patricia Forrester quietly observed the 32nd year of their marriage. There was dinner out of town and a bouquet of red roses. That is enough to make a lovely party.

Mrs. Porter, Barbara Stas' mother from Hinton, Oklahoma, joined the Stas family here and attended the funeral of a relative last Saturday, in Hereford. She visited here until Wednesday, then returned home as the Stases made a trip to Sherman to visit there son Ronal and family.

Robert and Debbie Morgan were out of regular attendance at the Baptist Church last Sunday, because they were on vacation. (I'll bet another church was honored by their presence.)

Pete and Gay Burton and Elva Wood have recently had a weeks vacation in Branson, Missouri.

Elva Wood has had a round of visiting. She spent some time in Lubbock with her son James Hubble and family. She then was with the Earl Wallaces, in Amarillo for a few days. Her daughter, Elizabeth Atchley of Lefors picked her up in Amarillo and brougth her home. A short time later she met Elizabeth and husband Lanny in Pampa and attended the Air Show. She spent the night with the Atchley's in Lefors.

Mr. and Mrs. Earl Wallace of Amarillo and Mr. and Mrs. Wayne Roper of LaGrange, Texas spent last week end with Elva Wood. The two couples attended the Vise Reunion at Briscoe on Saturday.

Last Sunday the Earl Wallaces, the

FIREMAN: LITTLE Chance Weatherly celebrated his third birthday Tuesday, August 18, with a party. The highlight of the party was the arrival of the firetruck, driven by Brent Lee. Chance is shown here with his dad, Scott. Amy, Chance's mother, entertained 16 youngsters

and a few parents at the affair.

year Sept. 1st, dismissing at 3:30 instead of 4:00. The school board has proposed the budget of \$575,000 for 1987. This is

the same budget that the Mobeetie

School had last year. The school still owes a debt service of \$53,408.00 for building the Gym and cafeteria. It will take 3 more years to pay out. The proposed tax rate is 16 cents per \$100 to pay for this debt service. The general operation of the school is 1.28 per \$100.00 making a

tax rate of \$1.44. The district has gone from assessed value of 79 million in 1985 to 53 million in 1986. This year it has dropped to 33 million.

Budget hearing will be Monday night 8:30 p.m., school cafeteria Supt. David Malone will explain the proposed budget and what affects this loss will have now on the school and in the

If the school can have 90 in attendance this year they could qualify for a additional state funding.

sons have recently had a two week vacation in St. Louis, MO. They visited with Dickie's grandparents, Mr. and Mrs. Alvin Cross.

Glen Forrester of Decatur, Texas visited with his parents Mr. and Mrs. O.L. Forrester last week. He came to wish his mother a Happy Birthday.

Also visiting the O.L. Forresters last week were her sister, Mr. and Mrs. George Selvidge of Stinnett, and her brother Otis Duvall and wife of Duncan, Oklahoma.

Gary and Rhonda Forrester, Summer and Nick of Tulsa visited with his parents, Ed and Patricia Forrester, on the week end.

Grandchildren, Melinda and Tim, of Canadian spent Saturday night and Sunday with us. They brought Doober Dawg with them this time. This is his home away from home.

Ruth Taylor, my neighbor, visited with me a few minutes this week. She brought along a lot of goodies, like tomatoes, cukes, and peppers. How could we get along without good friends? I cherish them.

Briscoe TEHA Club Hosted Family Night
