

YOUNG HOMEMAKERS TO AID JERRY LEWIS TELETHON

Wheeler will again be one of over 30 cities taking part in the Panhandle segment of the Jerry Lewis Labor Day Telethon with a Special Pledge Center located at Rives Insurance Office. Pam Hibler is serving as coordinator for the pledge center which will be open throughout the Telethon from

8:00 P.M. Sunday, September 2nd until 6:30 P.M. Monday, September 3rd, Labor Day Weekend. A special phone number, 826-3573 has been assigned for use by the people of Wheeler, Kelton, Mobeetie, Allison and Briscoe to phone in their pledges. Originating from Las Vegas, the

2½ hour TV marathon is held to benefit the medical services and research programs of the Muscular Dystrophy Association (MDA). Telephone pledges and donations made through the Wheeler Pledge Center, to be manned around the clock by Wheeler Young Homemakers, will be

credited to the citizens throughout the Telethon.

The Panhandle show will again be broadcast by KFDD-TV 10 in Amarillo and will feature Mark Robertson-Baker as host and Bob Arnold and Patricia Logan (KFDD news personalities) as co-hosts. They will interview patients from pledge center towns, and will recognize various fundraisers throughout the Panhandle, in addition to first-hand reports of pledge center activities.

This year, for the first time "The" Telethon will be aired live from the newly remodeled Western Plaza Mall. The new location should generate a lot of excitement, as well as increased dollars for the fight against muscular dystrophy. A variety of special events will take place in the mall in conjunction with the marathon show, including various radio station promotions, clowns and a carnival.

Children wishing to collect door to door for "Jerry's Kids" are asked to come by the pledge center location no later than noon on Labor Day to pick up an official badge, and canister. Other activities planned for the Wheeler area include: Fun day sponsored by Wheeler Volunteer Fire Department. Date and place to be announced.

Wheeler Fire Dept. To Sponsor Fun Day

The Wheeler Fire Dept. is sponsoring a Fun Day Sat. September 1 from 11:00-6:00 on Texas St. (down by old bank Building).

EMERGENCY CARE COURSES TO BE OFFERED IN SEPT.

The Wheeler Volunteer Ambulance and the County of Wheeler will again be offering Emergency Medical Technician or Emergency Care Attendance training. Classes are scheduled to begin the first part of September. The class to be offered will be decided by the response of the public.

The Emergency Medical Technician or EMT course requires 120 hours to complete. Included in the training is 16 hours of actual time spent in the Emergency room at Northwest Texas Hospital in Amarillo. The student learns to handle medical emergencies such as heart attack, heat stroke or exhaustion, critical burns, broken bones, etc. With this training the

individual will be better able to handle an emergency should the need arise with family, friends or in public. Or this training may be used in volunteer service with the ambulance services.

The Emergency Care Attendant course or ECA covers the same material with 40 hours of classroom and no emergency room training required with the completion. An individual completing the course will also be qualified to work on the volunteer ambulance services; however the time spent in the emergency leaves the student better able to cope with the situations which may be faced in the field with the ambulance.

At the end of the classroom and/or emergency room training, the state gives the final exam which involves a 100 or 50 question test in addition to testing of skills in bandaging and splinting. The EMT test is 100 written questions and the ECA has 50 questions.

Either of the courses are excellent training for the individual, whether or not they choose to work with an ambulance service. One never knows when a member of your family or friend may be stricken with a heart attack or involved in an accident. Your training may result in the saving of a life or the prevention of further injury.

The course would be taught at the ambulance barn in Wheeler by Dwight Tipps, paramedic.

Individuals interested in taking the course may contact the following members of the Wheeler County Volunteer Ambulance Service:

Dwight Tipps - 375-2208 in Briscoe; Panna Jones -- 845-3123 in Mobeetie. Anyone interested in taking the course is welcome; there may be a small fee for the course.

CWE CHAT WITH EDITOR

By Louis C. Stas

Still no baby, as of Wednesday morning. Grandma has been checking by phone more than once a week.

Saturday should be quite active in Wheeler. The Wheeler Volunteer Fire Department has scheduled Fun Day to help Muscular Dystrophy, a number of the businesses will be holding a Sidewalk Sale and an Auction is scheduled. With the Water Polo and Dunking Board, it should be a wet and wild day.

Be sure to check the list of individuals who will be setting on the dunking board; this should add quite a bit of cash to the kitty.

We still need a few more individuals willing to take the ECA or EMT classes before they can be offered. Twelve students are needed before we can start classes. Either of these classes are good for John Q. Public.

Do you know what to do if a member of your family has a heart attack or stops breathing for some other reason? After 4-6 minutes without oxygen, the brain cells start dying.

Take the course and be able to respond if tragedy strikes, involving family or friends.

Call Dwight Tipps, 375-2208; Panna Jones, 845-1731 or 845-2030; or Louis Stas, 826-3123.

Sweetwater News

Mrs. Joe Flowers

Still hot as all get out. Labor Day is hovering around the corner. The frost flowers and Queen Anne's Lace brighten the by ways. Too bad we can't bottle some of this sunshine against the day we are having to buy propane- five gallons a day.

We took in Open House at the school this afternoon. Thought we'd see what we bought with our tax money. Sure is nice. Too bad the oil bubble burst so soon. We need more kids.

The young folk are coming back to some extent. The Clarence Ray Coffey's have moved back recently. I was told we have forty some high schoolers and seventeen kindergarten children.

Mr. and Mrs. Oscar B Luman took Birdie Whipkey to Amarillo Monday to see her eye doctor.

Be sure and go vote Tuesday. You might be surprised how much your

vote counts. One time our commissioner was elected by two votes. Might have been ours. They always said the Sweetwater gym and such of long years ago won by one vote and that was cast by a man who didn't have a window or a pot. Supposedly they'd counted all the votes. It was a tie. Then this man came in and voted at the last minute. Gossip.

We sure have had a lot of sick folks this week. Howard Lohberger has been in the Wheeler hospital. Justin in the Elk City. Sonny Cliff is at Sayre.

Elsie Blevins broke her hip and is in surgery at Amarillo and still is in ICU. Junior Carlson is home from surgery at OKC. Elmer Griffin had surgery at Amarillo and still is in ICU.

Care Center Comments

As usual it has been another good week at the Care Center.
The Methodist women brought us alot of black eyed peas. They were shelled, and all we had to do was wash them. We would like to thank them for the time, and also let them know how much we enjoyed the peas.
Mrs. Hyatt and Aliene took Rose Smith, a resident, to Amarillo Thurs. Rose had to have a tooth removed. Mrs. Hyatt also did some shopping for Rose while we were there.
Johnnie and Jewel Reed came out to visit Thursday. They visited with some of their friends. Johnnie also wanted to know when he could come and play for the residents. So we have that to look forward to.
The family of Ollie Jaco brought out some lap robes for the residents. They sure are appreciated.
Last Tuesday in arts and crafts some of the residents were very busy. Lola Lantz, Golda Melthany, Willie

Anderson, and Ida Farmer. Everyone of them worked on different projects.
We have a new resident at the Care Center. Jennie Slaten entered last Thursday. We are glad to have her as a resident.
Mary Bledsoe had a birthday Sat. Her family came to pick her up and took her out for a party.

PUBLIC NOTICE
AT&T Communications of the Southwest, Inc., has filed with the Public Utility Commission of Texas (PUC) a proposal to reduce intrastate, interLATA long distance revenues to offset proposed increases in specialized service rates for private line, WATS, 800, OCC facilities and directory assistance services. The proposed tariff restructure will not result in any increases in the overall revenues of the Company. The proposed effective date for the tariffs is September 20, 1984. All customers and classes of customers will be affected by this filing.
The restructure in the basic long distance service (MTS) results in an overall decrease in the revenues received by the Company from such service of approximately \$100 million. While this proposed restructure results in an overall decrease in revenue, certain MTS rates are proposed to be increased to more nearly recover the access charges approved by the PUC for such service.
AT&T Communications has also filed restructured tariffs designed to more closely recover access costs for private line, DATAPHONE* Digital Service (DDS), OCC facilities, WATS, 800 and directory assistance services. These restructured tariffs result in an approximate overall revenue increase of approximately \$100 million from increases in its WATS, 800, DDS, OCC facilities and private line rates, and institution of a charge for directory assistance.
The result of these proposed tariff changes and the restructure of our service offerings is to more nearly recover access costs from those services for which such access costs are incurred.
This proposed restructure results in no increase in overall revenue to AT&T Communications and is not a major rate change as that term is defined in Section 43(b) of the Public Utility Regulatory Act.
A complete copy of all tariffs and rate schedules is on file with the Texas Public Utility Commission at Austin, Texas. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene or participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information also may be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf.

Briscoe News
 By Vetola Parker

Thursday 23rd we got a very nice shower, Tuesday afternoon late our gage blew over, so I'd say close to 1/2 inch, Gena Zybach said they got 1/2 inch, sure was appreciated.

Received a letter from my sister Una, she got home Sunday night, well Tuesday night up there at their house from 7 pm to 7:30 pm they got 7/10 of an inch of rain, they had 100 miles per hour wind, blew their redwood fence down across the back yard, all clothes lines, telephone line, cut TV wire, blew and broke trees and tree limbs, worst they had in their 23 years at this place.

Friday 24, Colis' birthday don't think he is going to get much of a birthday party around here today, he is 72, getting up there he caught me so I will let him boss 3 months again.

Talked to Mable this Sat. morn Claude had rather nice night last night he slept, woke, ate a egg drank some milk for breakfast, went back to sleep, at 9 this morning he was asleep they had got his kidneys to acting again.

Leroy Parker called last night Fri night, they got a flash flood at 7 pm, water galore, he did not have a gage up, now that water sounds good to me helps to cool us off down here.

Linda Carol Bates has been sick, down in her back, could not stay with her Dad, much. We wish for her a speedy recovery.

Leroy received 2 inches in 30 minutes I found out, Colie and I went to Pampa Sat., met Weldon and family and Florene, we all went to Amarillo. Colie and Weldon set up with Claude, I stayed with Leroy and Janice, Diana and rest went to Dana's sisters Patricia, Diana bowled in Pampa Sunday at 12:30 noon. Leroy brought Colie, Weldon and I to Pampa Sunday afternoon, we visited Gene and Zetha a while, others there were Terry and Freddie Daughtry, Gena and Terra Jo, Diana, Florene, Maranda and Michelle, Zetha had a garage sale Sat. I think it was a 3 family garage sale, Zetha, Donna and Freddie, Zetha is having her Basement reburied or worked on, worked over may be right word.

Last night weather report said Randel and Potter Co. was under Tornado warning a tornado was sited 4 miles north west of Canyon going north east at 18 miles a hour everyone be on the alert now I would say it was going over Amarillo at that minute the one that went down on Washington it was only 1/2 mile from my sisters place, when they got so tore up, since that Tues. night they got hail that finished up their garden.

Others at Leroy's Sat. night were Ted and Scotty, Gary and Randy, they tore out for Dumas as it started to rain, they were right in it all, hope they got home OK.

Claude rested pretty good Sat. night, the Doctor decided, Claude needed more surgery. So he has surgery at 10 a.m. tomorrow Monday, we are hoping all goes well and he is soon doing OK.

Virginia Miller gave Bill Miller a

birthday Party at her house Sun. afternoon for her 91st birthday, today Monday is her birthday, Alene Hall went, she said there was a nice crowd there so Happy Birthday to Bill, hope she has many more.

Bob and Gena Zybach went to Canadian Sat. ate Pizza and went to

Steve's ball game. Christy Zybach is sick, we wish for her a speedy recovery. Friday Addie Swift went to Wheeler back by Allison picked up Stacy, then she went to Mobeetie on errands. She visited her sister Beula Stewart Sunday, this side of Sweetwater.

Charlene Rainy took George and Avis and Colie Parker to Amarillo Monday morning. Rosalee Keelin sister Sylvia Brown had back surgery Friday at High Plains Baptist Hospital.

They had 6 convicts escape out of Granite reformatory last night, so people down that way are on pins and needles.

Sorry I didn't get together much news this Monday morn, May get on ball later not so much sickness around.

Billie and LeAndra Strucky of Canadian visited with Lou Dean and K.D. Douthit and Deb Kinnaman and children last Sat. Lou Dean visited her mother Mrs. Lelan Luttrell, at the Wheeler Care Center last Sunday. Some recent visitors in the K.D. Douthit home were Mr. and Mrs. L.V. Hogue of Signal Mountain, Tenn. and Mrs. Dora Hogue of Conway, Ark. L.V. and K.D. are cousins. K.D. attended the funeral service of a cousin at Friona recently.

Allison School Tax Rate Hearing

A public hearing was held on August 20th by the Allison School Trustees to discuss a tax rate for fiscal year 1984-85.

The Board took action during the meeting through an unanimous approval of a resolution and ordinance calling for an ad valorem tax rate of \$0.2125 per \$100 valuation. Superintendent John Sollis explained "the increase in the tax rate was due to the loss of state funds except per capita money and the change in the educational makeup of the public school as outlined through House Bill 72 and House Bill 246." The tax rate during fiscal year 1983-84 was 0.175.

The ordinance setting the tax rate outlines the ad valorem tax discount schedule. Tax Collector, Louise Coulter says, "the School Board did not change the discount schedule, so every tax payer has a chance to decrease their own tax burden by following the discount schedule." The schedule is as follows: (1) 3% discount for taxes paid by October 31, 1984, (2) 2% discount for taxes paid by November 30, 1984, and (3) 1% discount for taxes paid by December 31, 1984. Sollis says that "the new tax rate should bring in the district --- if AISD has a 99% collection rate and a 2 1/2 discount factor --- net taxes of \$598,374.00.

 You read about the legless man who was walking across the US for some cause. We saw him on the highway this week. He just had stumps but was really making time. People who can walk should be so thankful.
 I'm still fretted about our voting place. They moved it off to Dempsey some years ago to save money was the claim. I don't know who's money. Sure wasn't ours. If we'd move the house to the far side of the place we could vote by absentee ballot. It's just nine miles this way. Takes ten.

 For all you game show lovers who woke up Monday morning to find all My Children had replaced Tic Tac Dough and Joker's Wild on Channel 7 at Amarillo. Write them a letter and tell them we had enough soopies and put back our nice simple minded games.
 Liquor by the drink is coming up again. They don't give up. Reminds me of one time when Joe Dale was a senior. The girls wanted to go one

place on the trip and the boys another. They'd vote and the boys would win. Come one day most of the boys were at a stock show. The girls carried the election. And they never voted again!
 I'm so naive, I think they shouldn't sell beer in grocery stores. Sort of gets a person when they see people pushing two carts- one loaded with pop and beer and the other food. They pay for the drinks and get the food with stamps. Happens pretty regular.
 B.V. Brady and Becky Langley were married last Saturday at Amarillo by Cecil Burch.
 Bertha Coffey, Dr. and Mrs. Maurice Coffey, J.R. and Sue Coffey visited the Elec Atchleys during the weekend.

 These late August days must be what is called "dog days". The weather is just too hot for even a dog to be comfortable. But don't let weather fool you. It won't be any time at all until we will grab for a sweater before going outside.
 Now is the time that a lot of people are taking trips. Just a few days ago Jack and Doris got home from a much needed and pleasant vacation. Traveling by car they made a leisurely trip to see their son Jerry and his wife Kathy who live in Maryland. At Memphis Tennessee they had a stop to see points of interest. In Kentucky they visited the Mammoth Cave in a National Park and also Finsterwald relatives. In Boonville, Mississippi, they were in the vicinity of grandmother Cook's home town. Here they took time to do some research on the Family Tree.

What's Happening at W.H.S.?
 By Lyndol Loyd
 Well, to tell the truth there is not enough time for anything extra curricular to happen at WHS with only three minutes between classes, there is hardly enough time to say hi and bye to other students in the hall. Then there is only 29 minutes for lunch break which is not very long. Some of the new ideas and reforms are really good but then again some of them are not. Rushing a student from place to place can sure cause a great deal of stress.
 By the way, coach Carter presented a lecture about stress and pressure to Mrs. Woollards, sixth hour Independent Living Class last Thursday. It helped to teach how a person can get rid of stress and how to cope with it. It was very informative for all concerned.
 This Friday night, hopefully the football scrimmage will go on as planned. The Mustangs are scheduled to travel to Clarendon for Wheeler's first and only scrimmage before the regular season begins, for the squad. Best of Luck!
