Anyone for a picnic? A large crowd was in attendance at the first All-Sports Picnic Monday evening. It was very enjoyable; the M.K. Brown Scout Camp is a beautiful place. The speaker was entertaining and the chilly weather encouraged those making the presentations to keep the speeches short. Congratulations to those receiving recognition at the event.

I noticed the temperature as I passed the bank upon my return to town—53 degrees; remember though, we were on the creek bank, close to the lake with the wind blowing.

Mr. Barbecue did it again! Steve Walker catered the meal at the Sports picnic—it was delicious. If anyone went home hungry, it was their own fault.

CORRECTION: We ran a dislav classified advertisement for Roy's Water Well Service in Feb. and March. It was learned of an error in the Phone number this week—the correct number is 405/655-4438. Roy Hartley of Reydon, Okla., offers Complete Sales, Service and Repairs for windmills and Electric Pumps.

Some of the pictures from the Sports Picnic and others are being held until next week. Our thanks to the coaching staff and Ann Coates for their cooperation in obtaining the information for the cutlines.

Thanks also to the area schools and their staffs for cooperation in returning the

Sweetwater News

By Mrs. Joe Flowers

Was such a nice day, we got out and walked around the section. Time we get to where we can walk around it, we walked 4 and a half miles in all. Might lose a little of this middle age spread, if we'd do it every day for a while.

All kinds of birds. Even saw a buzzard. Have white crown and Harris sparrows yet. The scissortails are back. There are turkey tracks around.

I used to really hate turkeys. When I was about 5 and on, mama would turn the turkeys out and I had to play along and follow—mark the nests as I found them. Mama would come along with a spoon, carefully remove the turkey egg and put in a chicken nest egg. Each day she'd take out the eggs so the old turkey wouldn't start to set. When a lot of eggs accumulated, she'd set them all at once.

When they finally hatched, my job was to herd them out to catch grasshoppers. Had to watch for the coyotes and such. Bring them in, in case of a sudden rain. Turkey poulters are so dumb, they truly don't know enough to come in out of a rain. If they got chilled down, I'd have to gather them up and bring them in for mama to warm in the oven. Oh, they were worrisome. Remember the Kelly Cars that used to come and buy the poultry?

Our neighbor kids—Tammy Tipton and Eric Lohberger went to the Roger Mills Show recently. Tammy won first and second on her senior Holstein heifer calves, junior 2 year old cow, and senior 2 year old cow, plus several ribbons on her yearling Holstein heifers. She had reserve champion cow and won the senior showmanship award.

Eric Lohberger had first 4 year old cow, first and second, aged cow; and first, dry cow, all Holsteins. Also had Senior Champion Cow.

Blanche Kuykendall, and Gertrude Garrett spent several days in San Antonio visiting Gene and Wanda. Said it was even dryer there than here.

Mr. and Mrs. Julian Wallace were out Tuesday to see Hortense Madden. They were just back from Broken Arrow where they kept Myrna's kids a few days.

Mildred Allen, Junior, and Jerry Carlson went to Enid last weekend. They visited Mr. and Mrs. Dennis Hays and their sister Myrtle Taylor who is in the nursing home there.

Bob Alexander is a patient at Sayre hospital. Ida Smith Carr is at home from the Community hospital. Sammy LeGrand had surgery on his arm at Amarillo and is home.

Viola Stewart was checking out at Walmart Saturday. Her grandchildren, Ryan and Debby Hockaday, our neighbors, have got their house painted nicely.

The Kitchen Band went to Hensley's last Tuesday. Never know who has the best time, the band or the residents. Visited a little while with Les and Ruby Coffey. Les is having a birthday the 13th. Other friends celebrating that day are Willie Johnson and Guy Jones.

Kitchen Band will be at Mangum at the Senior Citizen festival May 11 at 10 a.m. At Hodges Open House the 13th at 3 p.m., Town Hall the 21st, and Erick Home, the 29th.

The Salem Cemetery Board met Friday with Birdie Whipkey. They were pleased to learn there was \$2300 in the fund. Present were Betty Blevins, Ruby Sutton, Esther Dickey, and Mary Bollen.

Birdie celebrated a birthday the 29th. Mr. and Mrs. Weltha Hefflin, Mr. and Mrs. Oscar B. Luman, Katie Whipkey, Joy and Troy Sites took her out to Cal's for a dinner.

Also there for a birthday dinner were the Al Hildebrand family, and Dovie Wilson and son Sherman from OKC.

Quite often we see ourselves in the funnies. For instance, there were the gardeners (Ha-

gar and wife) and forty eleven rabbits lined up watching. Joe and me. We looked out and there were 4 bunnies playing leap frog over his electric fence.

Then there was the old lady crying because her husband never bragged on her cooking. He finally came up with "The gravy was tender". Joe never

did that well. He always said he could drink or slice my gravy.

We gathered up and took a short vacation. Went to the Wheels-o-rama and Arts and Crafts Show at Clinton. There were scads of folks there. Even saw some we knew. The Maloney and Kelly families. Had enough Cotton Patch dolls to populate the country.

School is about out. Graduation will be the 18th. Angie King and Juana Sharp are the honor students. Class parents

are Mr. and Mrs. Dale Hagerman, while sponsor is Don Grace. Other members are Teddy Gribble, Jimmy Hagerman, James Welch, Kent Bryan, and Tony Yancey. Speaker will be Don Folks who will serve as state superintendent of schools, July 1st.

Baccalaureate will be Sunday night the 13th. Speaker will be Ross Anderson, pastor of the Baptist Church.

The eighth grade class has 8 members. Cassie Smith is valedictorian, and Robert Thompson, salutatorian. Others are Mary Blackburn, Yvonne Corley, Sean Gipson, James Reed, Janet Sanve, Stephen Sutton, and Robert Thompson.

Saw where someone was spraying their weeds with DDT. Really think it was 2 4 d as DDT has been banned for years. It was really a modern day miracle but they said it killed the wildlife. It sure slew the flies.

We are ready for the grasshoppers. Bought a \$15 bottle of grasshopper spore. Supposed to help them commit hari kari.

If the Russians really managed to move the jet stream to cause us grief, they got the job done. We have had all kinds of weather except wet.

We do most of our fishing at Long John's. Was just fixing to turn in, when I saw a school bus with a boat on top. "Oh, I guess they are going fishing" I said. Guess they were. They turned in at Long John's too.

Saw a lot of folks while

Managing Finances in the Two Earner Family

One of the biggest changes in any family takes place when it goes from having a single wage-earner to being a "two-pay-check" family.

In addition to the stresses of arranging for child care, shopping and household chores,

shopping. Betty and Clarence Blevins, Anna Lee Hix. They were just home from a visit in Eastern Oklahoma.

Also Virgie Webster and Mary Nell Nichols, Grace Roberts, and Lavelle Webster. Joe visited with Jessie Jane Reeves and her friend from Elk.

Irene Reed was out Tuesday to help Birdie Whipkey with her quilt.

Saw a most beautiful afghan in Anthony's and found that Julia Young had made it. She's always up to something.

Truman Alexander took one of his race horses down to the Apache track last Wednesday.

Here & There

Howard K. Smith, one of our great commentators, once said, "The most important thing Americans can do is vote. The second most important is to educate the young".

I endorse that statement. When we vote we could be promoting education. We turned out well at the polls last Saturday. There will be the second primary soon and the big election in the fall. We should prime ourselves for both. How we vote is important.

How about a world wide movement for the recognition of the dandelion? These many years it has been looked upon with scorn and disdain. If suddenly the poor dandelion became something of real value, it would probably start disappearing. If there was a bounty of one cent apiece, how much would your yard be worth? Whoops! Bob!

Senior Citizens met Monday night. We had a good time that a lot of you should have shared. Brother Ralph Hovey (pronounced huv'i, as in covy) was with us. I know he was bone tired from his effort in putting over the celebration of the Mobeetie Baptist Church, but he came through wonderfully. His wife, Mary, was with him. We would like for them to come again.

Dorothy and Adrian Risner went to Matador on the weekend. They visited Dorothy's sister, but I'd say the tornado ruins lured them. Matador is Dorothy's home town. It is also the home town of my late husband. That was my first home after marriage. There our son was born. Our first home came through the storm but another on the same block was demolished.

Gary Miller is in Oklahoma City this week for back surgery. Bennie Mae and Gordon Whitener are at the Miller home looking after the grand daughters.

I hear that Ben Griffin is back in an Amarillo hospital.

Mr. and Mrs. J.R. Burke of Dallas are visiting with their uncle, Will and Grace Burke.

Novella Vanpool has returned from a visit with her daughter Judy and family in Levelland. There it's "dry and dusty", she reports. She also visited other relatives including her brother Gordon and Bennie Mae Whitener.

Mr. and Mrs. Joe Isham of Stinnett were guests the first of the week with Lawrence and Virginia Landcaster. They attended Senior Citizens dinner Monday night.

Brad Crouch of Abilene visited his grandmother Grace Porter this weekend.

Louis, Barbara, and Jennifer Stas spent the week end in Oklahoma City where Barbara attended the bridal shower for the fiance' of Louis' nephew.

Jon and Judy Wolcott and boys spent much of the week-end in Pampa visiting with friends from church. Sunday afternoon, they had a picnic at one of the parks there.

Have you had a close-up of the gorgeous iris that are now in bloom? I'm sure that there are a lot of them in town, but Hestell Killingsworth's and the Claudy Brotherton's and Mrs. Kirk's are samples. Also the bluebonnets came through our frigid winter better than I expected.

situation.

According to family resource management specialists with the Texas Agricultural Extension Service, more than one-half of all husband-wife two earner families have incomes averaging 30 to 40

percent higher than families with only one wage earner.

Not only do two-earner families have more income, but they also have more expenses. They spend about one-third more on transportation and 100 percent more on education than one-earner families. They must buy goods and services which might be produced at home if both spouses were not employed.

So it may take special planning for two-earner families to manage their income effectively.

Two-income families manage their funds in many different ways. Some have each partner responsible for certain bills or payments. One does the car payment and the other the mortgage, for example. Problems can occur if one spouse runs short and has to "borrow" from the other.

But other important issues can come up using this method: Should each partner have money that is not accountable to the other? Should the spouse who makes the greater income have veto or tie-breaker power in money decisions?

Managing funds separately also may complicate record-keeping. If two separate checking accounts are being used, the family is paying charges for each. Or, if new interest checking or NOW accounts are used, the family is not earning as much interest as if the funds were pooled.

Many families manage by living on one income and saving the second income for a special purpose such as a down payment on a house, college education for the children or a retirement fund.

Other families pool both incomes and pay all bills from it. Regardless of the method used to handle the bills, two-earner families also need to know about the laws that can help or hinder their financial situation.

The Equal Credit Opportunity Act, for example, guarantees some important credit rights. Under the act, women must be considered for credit by the same standards used for men. New joint credit accounts must be opened in both names, such as Sam and Sue Smith, rather than Mr. and Mrs. Sam Smith. It is also illegal to question an applicant for credit about birth control practices or childbearing plans.

Since two-earner families can often qualify for more credit than families with one income, there is also the risk of

Well, it's Happy Birthday Time again for some very nice folks in Mobeetie. Happy Birthday to Alesha Moffett, Debbie Darnell, Verna Corcoran, Audrey Seitz, Robert

Hogan, Jr.; Sue Seitz, Jack Finsterwald, and Clarice Hathaway.

A very special Happy Birthday to a lady I love very much, Ruth Hathaway, my Sunday School teacher and friend.

Marcella, Brian and Jana Hogan from Pampa visited with Jess and Gazelle Patterson over the weekend and attended the Baptist church Sunday.

F.F.A. Convention

Mobeetie attended the area I F.F.A. Convention in Lubbock, Texas, on May 14th and 15th. Teacher James Moffett took the following to the meeting: Dennis Stuart, Russell Laverty, Shelia and Diane Moffett. The Mobeetie chapter won the award of Mobeetie Superior Chapter.

The Mobeetie school kids have been enjoying their last few days of school. On their field day, the kindergarten through 6th grades, went to Shamrock and met the firemen who took them for a tour of the firehouse. They were allowed to examine the ambulance and meet some policemen. They ate lunch in the National Guard and then ended the day with a visit to the Wilhelm Bee Farm at Erick, Okla.

Field Day for Mobeetie High School was a trip to Walter Merrick Horse Ranch in Oklahoma, where they saw the race horses who are raised on this farm. One horse they remembered was "Easy Jet" who was worth \$30 million. They ate their sack lunches at the Elk City Park and played tennis and softball.

Fort Elliot Study Club

The Fort Elliot Study Club met on May 3rd with Edith Sims in Wheeler. Vice-Pres. Margaret Trout called the meeting to order and the club collect was given in unison.

Margaret Trout presented a very interesting program on "How Can Good Mother's (Parents) be bad for their children?"

Election of officers followed: Elnita Atkins moved that the state of officers be re-elected by acclamation. Motion seconded and carried. Leona House, President; Margaret Trout, Vice President; Marie Gudgel, Secretary-Treasurer; Elnita Atkins, Parliamentarian.

Congratulations to the Mobeetie Tri-State Rodeo Team. They are out of town nearly every weekend participating in rodeos. The team members are: Keith Williams, Dean Randolph, Waylon Howard, Kent McLaughlin, Ronnie Vandever, Eddie Douglas and Don Webb as the sponsor. Their next rodeo will be at the Adrian Rodeo to be held at Vega Arena May 12th and 13th.

Mt. View Quilting Club

The Mt. View Quilting Club met on May 3rd with eleven members present. The ladies discussed their plans for improving the Totty schoolhouse by repairing the windows.

Lou Dick and Estelle Hodges were hostesses and served delicious refreshments to Bulah Grimes, Audrey Seitz, Jane Seitz, Orville Greenhouse, Leatha Corcoran, Eva Webb, Sue Letrick, Lottie Reynolds, and Eula Johnson.

It sure was good to see so many wonderful people at the Baptist Church Sunday. I saw Ann Trimble, Willie Ruth Hathaway, Edith Flanagan, and La Rue Pierce. So many of the older people came to hug my neck because they said I feel like I know you as I take the Wheeler Times. This pat on the back felt real good. Mary Brewer came from Ama-

rillo and looked so young. Wish I knew her secret.

Sure hope this will find Lorene Recter much better. We sure missed her in church Sunday. Leta May and Barney Tatlin visited her on Friday evening.

The Brewer and Grimes family almost filled a pew at the Baptist Church on Sunday. There were Doyle and Bulah

Grimes, Mary Brewer, Audrey and Earl Alexander from Amarillo and Marion and Ethel Grimes.

Word has been received of the death of Ima Jean Bailey Gore who died Thursday in Amarillo. She had lived in Mobeetie and many will remember going to school with her.

Doyle and Bulah Grimes, Clarice Hathaway, and Mary and Foy Farmer attended graveside rites in Mobeetie Cemetery on Monday.

Eula Johnson, Mollie Selby and Alene Corse gathered in the home of Eunice Carter for a quilting party. Little Tiffany Hall from Reydon spent Wednesday afternoon with her great grandparents, Ransom and Eunice.

Flora May Kelly and Jeff spent the weekend in Tucson, Arizona visiting friends and relatives.

On Sunday, Ransom and Eunice Carter visited with their son Carl and Peggy in Clarendon, and with Wayne, Kathy, Chris and Charley Carter from McLean.

Pauline Barnes and Verna Corcoran visited in Pampa with Francis Groves.

Sure was glad to hear Geraldine Britten's father was doing well. She had been in

Kansas to be with him while he was ill.

Dates To Remember

The Free Mobeetie Blood Pressure Clinic will be held on May 11th from 2:00 p.m. until 5:00 p.m. in the fellowship hall of the Baptist church.

Now that the weather is so lovely we are hoping for a good attendance. Louise Hogan and Gazelle Patterson welcome all to attend this very important service you owe yourself.

The X.Y.Z. Club will meet

Changes in the tax laws have also reduced the so-called "marriage penalty" on two-earner families. This can increase family income by decreasing the tax on the second income, even for families that do not itemize deductions.

Increased income from a second wage-earner may also mean that families need to investigate savings plans, investments or tax shelters that can help them achieve long-term financial goals.

Financial planning is important for any family—even when there are two paychecks.

Gageby News

Our sincere sympathy to the family of Helen Helton. The whole community is saddened by the death of this lovely lady. Helen was a real Christian who let the love of Christ shine through her to all she came in contact with. We are thankful to have known her and her family. There was a very large crowd with many standing at her funeral.

Correction: Bill Hefley lives on 277 West of the Kansas-Nebraska plant.

Briscoe High School Baccalaureate will be next Sunday, May 13th at 7:00 p.m. in the Briscoe Cafetorium. Speaker will be Andy Eubanks, Speech Therapist, and Church of Christ Preacher. Graduation will be Thursday night, May 17th at 7:00. Sandra Meek will be the speaker.

We enjoyed having Wayne and Joline Jones and Diane Sieker bring a group of Junior high and high school youth for a puppet show with singing and skits to Gageby Sunday night. It was called, "God's Handy Workers". They were from the First Baptist Church in Canadian and included Jamie Bishop, Joel Boyer, Shelley Jones, Krista Lovelace, Chad Robbins, Lee Ann Harmon, Bryan Harmon, Donna Pralle, Chris Sieker, and Bobby Russell.

Other special guests Sunday night were a group from the Abraham home that included Ruth Gerard, Rena Sivage, Katherine Kent, Shirley Flowers, Earl Burris and Willie Mier. Ruby Cole came with them. Really enjoyed all of them. Mrs. Gerard played the piano for two congregational songs and did real well.

We had lots of good congregational singing Sunday night with solos by Tonya Gilmer, Winnie Gilmer and Ray Forbes; trios by Lois Meadows and Evelyn and Martha Meek; and by Pat Hudson and Evelyn and Martha. Then we had a youth choir directed by Joe Woodward. All of it sounded real good. Phyllis Hefley will be in charge of singing the first Sunday night in June.

Bea Ogle, Esther Brown, and Verna Fillingim fixed hair at the Wheeler Care Center Friday.

Congratulations to Keith Meek on winning the area F.F.A. Talent Contest. He will compete at the state contest in Lubbock. We wish you well, Keith! We know you can do it!

The new high school choir leaders for next year will be Tina Watson, Kristi Hefley, Christy Zybach, Leslie Meadows, Kim Russell, and Julie Gilmer.

Rita Pearson spent Friday with her parents Mr. and Mrs.

Lee Lackey in Shamrock.

Some playing on a newly organized men's softball team are Cecil Reynolds, James Ogle, Jacky Brewster, Randy McCurley, Dean Tipps, Larry Nelson, Wayne Childress, Dave Pearson, Mike Castle, Keith Meek, Rodney Hudson, Mike Lehman, and Norman Morgan.

Hope they win lots of games!

Butch and Jada Murry and Karla and Shelly went to Greenbelt Lake Saturday.

Our sympathy to the family of Kenneth Wheeler, 59, who used to live right west of us in the late 40's. His funeral was Thursday in Canadian. Good to see his family and relatives. He had been in the hospital seven months with heart trouble.

There were 125 students, teachers, parents and guests to the Briscoe Awards Banquet Saturday night. The meal was catered by Steve Walker and everything sounded so nice. Rhonda Ferguson worked hard on the planning, decorations and all, and will make a write-up for the paper.

Mary Hudson left Friday to go visit LeRoy and Laverne Hudson at Arlington til after Mother's Day. Hope she stays well and has a nice trip.

Briscoe News

By Vetola Parker

Tuesday morning, May 1st, cloudy and looks like rain. Doc Wilhelm told Colie he had 32 degrees Monday morning. Now it feels like that in our house this morning. Claude and Mable had frost Monday morning. She thinks it got her potatoes; her strawberries were just white with frost but it won't hurt them.

Talked to Marylu Markham yesterday. She was better. She thought she might get to come home today (Tuesday). Bob went back in the hospital Sunday afternoon. He was real sick. They sat up with him, had him under oxygen. His blood pressure was too low. But he was better yesterday afternoon. We wish for him a speedy recovery.

Colie and Doc killed Monday trying to get an old mower home that Colie bought at the sale Saturday.

Since the fire ant entered this country 40 years ago, on a ship from Brazil, anchored at Mobile, Alabama, it has infected 9 Southern States at a rate of 20 miles a year. They could hitch hike on hay, the sting is painful and to highly allergic people can be life threatening.

Wednesday, May 2nd, cloudy and foggy. A big dew this morning.

Colie has gone to a sale west of White Deer with Doc Wilhelm.

When they got to Doc's around 5 p.m. Wednesday, it began to hail and rain. We had clouds galore till way in the night. Hoyle Helton said they got close to 1 inch of rain and ground was covered with hail around 5 p.m. We got very little rain and hail all evening and night. But the air is full of tornadoes. Everyone needed to be in a cellar. I just lay and expected one to hit any minute.

George and Avis Parker got over 1 1/2 inches of rain Wednesday night. The fire whistle blew. They all went to the cellar last night. Mable and Claude went to bed and went to sleep. T.V. said that a tornado went down 5 miles

BRISCOE MENU
Week of May 14 to 18
MONDAY: Barbecue on bun, tater tots, ranch style beans, strawberry cake, choice of milk.
TUESDAY: Goulash, vegetable sticks, potatoes, cookies and fruit, cornbread, choice of milk.
WEDNESDAY: Tacos, grated cheese, salad, refried beans, fried pie, choice of milk.
THURSDAY: Submarine sandwich, peanut butter cake, choice of milk.
FRIDAY: School's Out!

north of Allison and one down north of Cheyenne. Now, that was getting pretty close. Also there was one southeast of Miami.

One out of every 400 people is deaf.

Friday morning. Word just

came to me that Helen Helton passed away last night in Tulsa in Oral Roberts hospital. She and some women went down there to a convention seems like. She had a heart attack last Sunday night. Now, Briscoe community was shocked and made very sad at the word of her death. She was 64, I think. Our sympathy goes out to all her children and grandchildren and friends and relatives.

Today is Bob Markham's 70th birthday. Don't think he will care for me to tell how young he is. After we get up there, we are kinda proud of our age. So Happy Birthday to Bob. He is still in Wheeler hospital. We hope he is soon able to be home. What he regrets most is that he won't be able to vote tomorrow Avis said.

T.V. said, there are 1 million Spanish Americans in Texas to vote this year. Hope they all vote, for a good man that knows how to run the United States well.

Friday, an ideal Spring day, so quiet, sunny and warm (looking outside). Colie went to Canadian on business this morning. So real quiet in this house.

I told Colie I wish he would check our antenna; we could not get anything. I thought the

wind had blown our antenna wrong. He came in with a handful of lead wire in pieces 2 or 3 feet long, and in between, about every 8 or 10 inches, the copper wire was sticking out 1/4 to 1/2 inch through the rubber or plastic. The lead wire was connected to our t.v. Our t.v. is not burnt out. I could remember the other

night a bolt of thunder and lightening burst about our house. I screamed like it had hit me, so guess that was when our lead wire blew to pieces.

Saturday the 5th. Word just came to me that Helen's funeral will be Sunday afternoon at 3 at the Christian Center in Wheeler.

Our visitors over the week-

end were Weldon and Diana Parker and Marianda from Perryton.

Marianda came running in after she got here a little while, said, "Daddy, how does a snake sound?". The dog was barking at something. So Weldon went out no far from the house close to our lilacs. He blew the head off of an old

scary ground rattler, lots of rattles. But they said a baby-like snake. Colie and Weldon started up the road by Mr mailbox. There was another rattler. Weldon enjoys killing rattlesnakes, since that one bit him. Now all our guineas are gone but one. I think they kill and scare snakes away with all their noise. They just froze and fell out of our trees.

Essie Finsterwald fell while at Lubbock at her grand daughter's graduation. She thought it was only a sprain at first in her foot. The doctor in Pampa x-rayed and said she had a break above her toes, so he put her foot in a wooden shoe outfit that would not bend. She still is hopping around she said. We hope she is o.k. soon. She hobbled to club Tuesday.

Mona, her daughter, Nelda (Fulks) and some Amarillo girl came down for Helen's funeral.

Bob and Gena Zybach attended her aunt Gordie Reid's funeral in Wheeler Tuesday.

Bob and Gena attended to business and shopped in Cheyenne and Elk City on Thursday.

Bob attended S.C.S. meeting in Canadian Wednesday.

Clarence and Irene Zybach and Stephanie attended Helen's funeral.

Bettie Zybach, Pauline and Trudy visited Clarence and Irene after the funeral Sunday afternoon.

Talked to Claude Parker this Monday morning. Cliff Ogle was with him, Mable and Dorothy was over visiting Bea Ogle.

Visitors at Travis and Rosalee Keelin's Sunday were Calvin and Janie Keelin, their son Ray Keelin, and his girl friend Jean, Wesley Keelin and Ethel Gillinwater.

Wednesday night Travis and Rosalee ate supper with Joey Keelin and family. Thursday night they ate supper with Jerry Keelin and family.

Monday morning, little cool and windy.

Lou Trimble said they had the sports award Saturday night at Briscoe. They had it all decorated real pretty. Steve and Nina Walker catered the meal. It was 5th grade through high school. She did not have the names of the award winners.

Don and Lou's visitors last Sunday were B.F. and Marge Meadows, Leonard Jr., and Teresa Powledge and children.

Mrs. Dick (Dorothy) Powell ate dinner with Mattie Jackson and attended Helen's funeral. Rex and Lucille Helton visited Mattie after the funeral.

Founder's Day Observed

The Alpha Mu Alpha chapter of Beta Sigma Phi observed Founder's Day, April 30, at the home of Kenneth Douthit. A covered dish meal was enjoyed by all before the mysterious award ceremony and charm presentations. The Woman of the Year award went to Kim Goad. Kim served as Ways and Means chairperson and has devoted a lot of time and hard work to her job and to the sorority for the past year.

Members and husbands joining in on the annual celebration were: Melonia Simmons, Kay and Scott Luttrell, Debbie and Bob Kinnaman, Margaret and Danny Dormo, Kim and Fred Goad, Vicki and Dan Kenny, Sheryl and Larry Rives, Teresa and Marty Rose, Deedy and Royce Zybach, Dianna and Skeet Johnson, Carol and Larry Porton, Donna and Johnny Velasquez, and Belinda and James Masters.

There are 12,500 chapters of Beta Sigma Phi with 250,000 members throughout the world. The organization was started on April 30, 1931 by Walter W. Ross in Abilene, Kansas. The 1983 theme has been "Keep the Dream Big".

MRS. GORDON SCOTT DAVIS

RARDEN-DAVIS VOWS ARE EXCHANGED

Terri Belinda Rarden, daughter of Mr. and Mrs. David Rarden of Wheeler and Gordon Scott Davis, son of Mr. and Mrs. Jerry Davis of Lake Tanglewood in Canyon, were united in a double ring ceremony, April 14th at 7:30 P.M. Rev. Ernest McGaughey presided at the candlelight ceremony at the United Methodist Church. The bride was given in marriage by her father with the "Her mother and I" avowal.

Guests were registered by Missy and Mindy Davis of Amarillo, twin sisters of the groom.

Terri's wedding gown was of chiffon and chantilly lace with a Queen Anne neckline. The dress skirt had a chiffon overlay of layers of deep ruffles in front coming around to the waist in back to create an apron effect, and long sleeves with ruffles around the waist and hem of the skirt. Her hat was a wide-brimmed picture hat with billows of net gathered at the back, and her train which fell to the waist. The bride's bouquet was of burgundy roses surrounded by baby's breath.

Tanya Waldo (sister of the bride) attended Terri as matron of honor. Bridesmaids were Melissa Hill of Wheeler, Beth Wills of Robey, Texas, and Diane Ritchie of Hobbs, New Mexico. They wore identical dresses of burgundy chiffon which were off the shoulder with rows of ruffles around the bodice and chiffon overlay on the skirt that matched the bride's. Each wore picture hats of burgundy to match their dresses. They carried bouquets of burgundy and white flowers surrounded by baby's breath.

Flower girls were Kimberly Ries of Shamrock, Texas, and Jamie Nightingale of Amarillo, Texas. They wore white miniature bridal dresses of chantilly lace with puffed sleeves and hoop skirts with tiers of chantilly lace on the long skirts, and white satin tie belts. They carried baskets of white and burgundy flowers.

Kent Davis, brother of the groom, attended as Scott's best man. Groomsmen were Howard Hall, Mike Bailey and Russ Reese. Ushers were Kenneth Patton, Barry Watson and Fred Lewis, who all wore tuxedos in steel gray. The groom wore a white cutaway tux and all wore a single red rose in their lapels.

Ring bearers were Michael Sorenson, nephew of the groom, of Amarillo, and Kris Rarden, brother of the bride of Wheeler, Texas. They wore steel gray tuxes identical to that of the groomsmen.

The altar had an arch candelabra with spirals and heart candelabras on each side with baskets of burgundy and white flowers at the altar and burgundy flowers and greenery worked into the candelabras. The aisle was decorated with candelabra with white taper candles at each row of pews and burgundy satin bows. All candles were lit before the guests were seated.

Scott Wright, sang "The

Wedding Song" and "Truly". Sylvia Lee accompanied him and provided traditional wedding music.

The reception was in the atrium of the church. The bride's table was decorated in white with accents of burgundy and white flowers in a silver candelabra. The three-tiered wedding cake was served by Tracy Weaver of Wheeler, Texas, and Chandra and Tara Denton of Perryton, Texas.

The groom's table was attended by Valerie Garret and Teresa Nightingale of Amarillo. Guests were served coffee and chocolate cake.

To thank each person individually who has helped me during my illness by their prayers, encouragement, flowers, cards, hospital care, flying me to Dallas and taking care of my business and livestock. I am thankful that I have had the opportunity to live in and raise my family in a community like Wheeler and the surrounding area. God Bless each of you.

Tom Christner

I extend my thanks to you, the voters of Precinct 1 and ask your continued support in the June 2 run-off primary.

Museum Needs Caretaker

The Old Mobeetie Association has been looking for a caretaker for the museum now for a year and a half. This would be an ideal job for a retired person or couple, although they don't pay a salary, they will furnish the house and pay the utilities. It certainly is a lovely place to live and I'm sure the right couple would be very happy. The association is shopping for a new two bedroom trailer to replace the one there now. The caretaker would be responsible for being at the museum each day it is open, taking care of the grounds and keeping the museum clean. There is also a record kept of all visitors. The museum hours are 9-5 on weekdays and 1-5 on Sundays. Sally Harris has been trying to keep the museum open on weekends, but the job has become too much for her. It is hoped a caretaker can be found before June 1st.

As there are no barbers in Mobeetie, a barber is especially needed. The museum has a fully equipped antique barber shop with mirrors and barber chair dating back to the turn of the century.

Several exhibits have been added during the winter. A sheriff's office has been added upstairs, and a very interesting display of "Hide Town", a trapper's settlement that predates Mobeetie's founding. A diorama of Old Fort Elliot has also been added. Lots of people are traveling on highway 152, or 60, thru the summer and last year, 3000 found their way to the museum.

Anyone interested may contact Sallie Harris, phone number 826-3289.

is proud of the new Seniors! It is a traditional pride of a nation in the accomplishment of its youth.

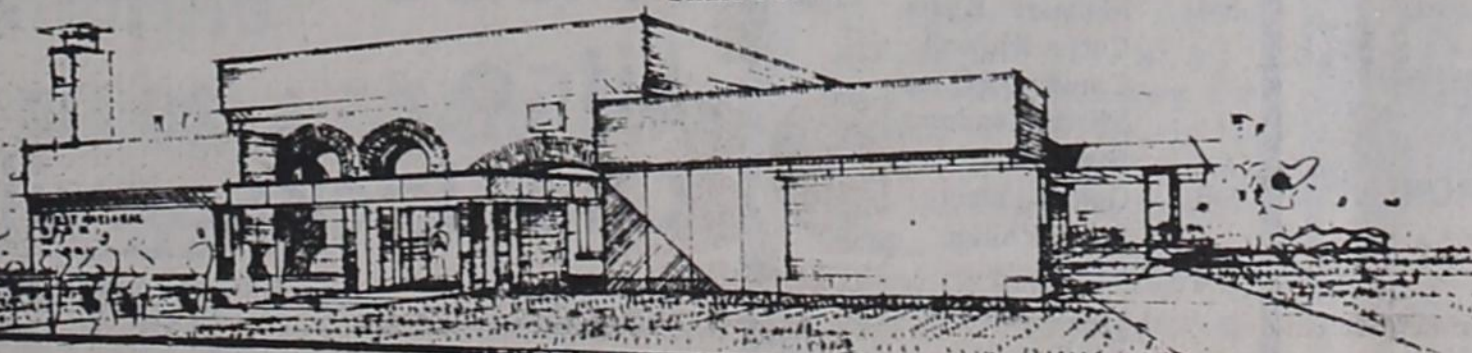

We are especially proud of the young men and women who make up this class of graduates in our community. The reason is more than tradition... it is because in our memory we have never observed a finer group of young people who worked harder, or more confidently than these Seniors.

We wish the very best of everything to all of them.

Mobeetle Baptists

Celebrates 90th Anniversary

Sunday at the First Baptist Church proved that the old saying, "It was good to be in the house of the Lord" was very true. Love, a very important word in the Bible, was the theme of the day as young and old friends from near and far came 200 strong to pack the church. It didn't matter that we could hardly hear for the people in the foyer who were coming in meeting each other after a long absence. It was a blessing to see people with this kind of love in their hearts.

I especially enjoyed Marcela Hogan's special song, "I Will Pilot Thee", as I had always wanted to hear her sing.

Honor was given to the 90th Anniversary committee consisting of the following ladies: Orville Greenhouse, Helen May, Carol McCurley, Kimberly Johnston, Betty Howard, Elaine Langley, Jane Seitz, Gazelle Patterson, Louise Hogan, Estelle Hodges.

Louise Hogan was presented a special gift for her hard work as Chairwoman of this committee and the following dinner.

Awards of "The History of The Church" were presented to: Sallie Harris, for time and work she spent getting the marker for the church; Elwin Dysant, for all the addresses he gave for invitations; Charles Mixon, for being a former deacon; Wendell Morgan, for his presentation of the plaque

proclaiming The First Baptist Church, the Oldest Church in the Panhandle; R. St. John, as the oldest deacon; and Gazelle Patterson for having been a member of the church since 1919 and has played the piano for 60 years.

Eva Wood from Wheeler presented the church with a lovely tiered anniversary cake

with a lighted church on the top.

Everyone enjoyed a very delicious dinner in fellowship hall. Then the order of the day was fellowship with everyone getting acquainted and catching up on their old friends' news.

At 1:30 p.m., Judge Wendell Morgan presented the history of the First Baptist Church of Mobeetle.

Charles Mixon gave a short speech and sang a special

What's Happening at W.H.S.?

song, "I Came to the Garden Alone".

Rev. Ralph Hovey unveiled the marker in front of the church.

Benediction was given by Randy McCurley. Pictures taken at the event will be run as soon as possible.

The 1983-84 school year is nearly over, thank goodness, and preparation for the 1984-85 school year has already begun.

A couple of weeks ago, elections for the following years student council were held. Running unopposed were Darren Grimes-Student Council President; Jay Kinnard, Secretary-Treasurer; Lyndol Loyd, Chaplain; and Shawna Hampton, Song leader. In other races, incumbent Russell Bradstreet ran against Randy Horton and Russell won the race for student council vice-President. Incumbent Student Council Pianist Lori Lee, was opposed by Melanie Williams who won the contest.

The race for flag bearers was between three different pairs: Joel Dodd and Draton Childress, Becky Crockett and Renee Hogue, and Sonya Hill and Lydia Ivey. Draton and Joe were elected. It turned out that the whole student council for next year will be seniors except for class representatives which have not been decided as of yet.

This year's eighth grade freshman, sophomore, and junior classes have already pre-enrolled for classes next year at W.H.S. Some new courses that have not been offered in the past are being offered to W.H.S. students next year. The subjects are Computer Science, Free Enterprise, Theatre Arts, and Speech. It also looks as if the homeroom period will be dropped and a seventh class hour will be added and the day lengthened, but this is not for sure.

The band banquet was held last week and it's theme was "Love and Peace". The big award winner for the night was senior band member Andrea McGaughey. Andrea received the John Phillip Sousa Award and was also the recipient of a \$200 scholarship from the band boosters. Vincent Mendiola was the recipient of the Louis Armstrong Jazz Award. Commended for concert work were Shonda Miller, Angie Bailey, Lyla Ivey, Bobby Sword, and Bryan Shelton. Marching awards went to Edwin Ellison, Angela Presley, Stephen Meadows, Dawn Boedeker, Jay Kinnard, Shawna Hampton, Toni Bentley and Stacy Adams. Mrs. Vida Brown was also recognized for her many years of service to the band boosters.

The boys regional track meet was held last Friday and Saturday and the Wheeler

track team sent 13 participants.

Larry Trevino placed fourth in the 400 meter dash. Jimmy Braunstein qualified for state by placing second in the high jump. Steven Snapp placed fourth in the pole vault competition. Wayne Benefield was a double winner as he took fifth place in the 100 meter and 200 meter dashes.

A couple of important dates to remember are eighth grade graduation, May 17th, and high school graduation, May 18th. Please try to attend these important events.

Now, maybe you have some kind of idea about what's happening at W.H.S.!

REPUBLICAN Precinct Conventions Held

Following the elections last Saturday, Republican precinct conventions were held in Precincts #1, #2, #3, #7, #8, and #9 at which delegates and alternates to the County Republican Convention were selected. At Precinct #1, Kay Batton and W.F. Howard, Jr. were selected as delegates. Precinct #2 delegates are Ricky Pfeil and Lola Thomason with Diana Pfeil selected as an alternate. The delegates from Precinct #3 are B. A. Hyatt and Michael Griffin. Tim Elliott is a delegate from that precinct. Delegates from Precinct #7 are Mike Bryant and Beverly Bryant with the alternate being Jean Pitcock. In Precinct #8, Jim Fling and John Hrcnciar, Jr. were chosen to be delegates and Marsha Fling was the choice for alternate. Precinct #9's delegates are Rodney Barker and John Jones with the alternate being James Parker.

Resolutions which are designed to reflect the philosophy of the party and adopted at the Precinct Convention in Precincts #2 and #3 to be carried to the County Convention and then to the State Convention if accepted at the County level were proposed and accepted Saturday. The resolutions which make it to the last convention level and are still accepted become a part of the party platform. There were nine resolutions adopted at these 2 precincts. They were all given titles that will help describe what they deal with. Those titles are as follows: "Support Central America" Resolution, "The Grace Commission" Resolution, "Tax Reform" Resolution, "ERA" Resolution, "High Frontier" Resolution, "Peace Through Strength", and "Internal Revenue Service" Resolution. The County Republican Convention will be held May 19 in Shamrock.

Beginning April 21, 1984 I will be back at the dental office of Dr. Roy F. Braswell.

CARE CENTER COMMENTS

By Laura Guthrie
Some of the residents have improved so much they are going home. Rubie Christner and Winnie Leggett are leaving this week.

Nell Adams and Ethel Herd are out of the hospital and back to the Center.

Today Lelan Luttrell was almost her cheerful self again. She has been relieved of the cast on her leg—after five months. Bless her. I know she is happy about that.

Mildred Hamilton was in Amarillo today to see a doctor this week Wanda Vineyard and Clea Riley of Shamrock, visited with their parents, Willie and Curle Anderson.

New residents are Thelma Gierhart and Beatrice Clay of Shamrock and Faye Jackson.

Pat McWhorter was visiting residents today (Tues.) She came to take Icy Littrell to Amarillo for a check of her eyes, but unforeseen problems kept them here today. They will go tomorrow.

Friday Icy went to a "getting out" tea at Sally Ledbetter's, who is her niece. When I asked what a getting out tea is, she said, "Oh, just to get me out awhile". Well, that is a clever and novel idea.

Cherry, the office girl, was in Amarillo today. You remember she got married a few weeks ago. Today she was shopping for furniture. That's the way it goes—one thing calls for another.

Mr. Hyatt was over seeing the paving of the ambulance drive today—right up to the entrance door. I'm sure that will be a help. Bill Atherton and his helpers were doing the work.

Last Tuesday, Johnny Reed and his troop of musicians entertained the nursing home guests.

Next Sunday there will be a Mother's Day Tea. There will be a gift for the oldest mother, youngest mother and the one with the most children. Isn't it great that they can get into such a contest.

Next week, May 13 through 19, will be National Nursing Home Week. The staff is encouraging visiting during that time.
