## WHEELER'S 75th BIRTHDAY

### BIRTHDAY PARTY PLANS UNDERWAY Second Meeting Called

Wheeler's 75th Birthday will be observed. The decision to have the birthday party was made Thursday evening, April 17, at the Hospitality Room of the First National Bank in Wheeler. A tentative date of Saturday, August 23, has been set.

Harrison and Berniece Hall were elected to serve as co-chairmen of the project; both are lifelong residents of Wheeler County and are greatly interested in the project.

A second meeting has been called for Thursday evening (tonight) in the school cafeteria; the meeting will be called to order at 7:30.

The full cooperation of the businesses, organizations and individuals will be needed for an undertaking of this size.

A number of ideas for the celebration were discussed at the meeting. A free Barbecue and "dinner on the ground" will be

the main activity for the day. Contacts are being made to see if a carnival will be available. Wheeler's fiddle players need to be practicing a little harder, because a fiddler's contest was also discussed. The list of activities for the day is not complete and will be discussed further at the meeting tonight.

Wheeler has grown a lot in the past 75 years and the growth continues. From a few stakes in the center of the 26-year-old Wheeler County to a booming town of over 1500.

Let's see how many of the past and present Wheeler residents we can bring back to Wheeler for this celebration. As soon as a definite date has been set and announced, make your plans and arrangements to attend and let the "Times" know you plan to attend.

**REMEMBER:** Tonight, Wheeler School Cafeteria, 7:30.

**The Women of Eden** by Marilyn Harris G.P. Putnam's Sons Publication. 515 pp.

Sweeping from England's Devon coast to London, Cambridge, and finally America, this new volume in the Eden family saga is surely the best yet.

John Murrey Eden is the dominating force in the lives of the five Eden women. Lady Mary Eden, John's cousin, is the recipient of his greatest beneficence and the object of his deepest rage. Young and headstrong, Mary is stifled and eventually almost killed by John's zealous protection. When she falls in love with Burke Stanhope, a man John despises, battle lines are clearly drawn. Mary must decide if her love for Burke is stronger than her loyalty to the man who has single-handedly

Meeting in White Deer last Tuesday. The day was filled with entertainment, lecturers and good eating served by Carson County Ladies. The 4-H group led the flag salutes. Anyone interested in going to the "Refueling at Middle Age Seminar (Positive Living, Continuing Education and other topics). This

rescued her family from financial ruin.

Elizabeth Eden, the closest to a mother John has ever known and his staunchest supporter, lives with Mary in her fashionable London home. As she watches John destroy the family she loves, even she is forced to choose a life independence of him.

Lady Lila Harrington Eden is John's charmingly free-spirited wife, whose suffering at John's behest is perhaps the most devastating of all.

Dowager Countess Harriet Eden, Mary's mother and John's aunt, lives in a selfinflicted world of darkness as penance for a sin so heinous that only she and John know of its nature.

And finally, Dhari, John's mistress, whose deep affection for John is replaced by an even stronger love for his solicitor, with catastrophic results.

From Mary's homosexual brother, whose love dies unexpectedly, to the editor of the London Times, whose illustrious career is placed in jeopardy, John Murrey Eden makes his indelible mark on the book's characters.

The Eden women's raging conflicts with John and their abiding love for one another provide the framework for this superbly written historical novel.

In **This Other Eden, The Prince of Eden, and the Eden Passion**, the reader is so caught up in the family's dramatic events that the books ending comes all too soon.

"How much insurance is enough?"

Should a farmer risk the loss of his crop to hail, when insurance costs less than 1% of value? Crop-Hail and Multi-Peril Crop insurance are offered by the Rives Insurance Agency as income protection for farmers.

# LINES from LINDA

Linda Daughtry—CEA (Home Economics)

**Gold! Buyers, Sellers Beware**  
Only Karot gold jewelry is real gold—no matter how bright the glitter, so know what you are

doing before buying or selling gold jewelry. Understanding certain words and other points about gold is a must.

**WHAT IS A KAROT?**—Karot refers to the percentage of gold in an item.

Always look for the karot stamp. An item marked 24K (24 karots), or 999, is 100 percent pure gold. Each karot represents 1/24 part of pure gold. The finest gold jewelry is usually 18K (eighteen parts pure gold and six parts of another metal), since 24K generally is

considered too soft to use for jewelry.

Most domestically produced gold jewelry is 14K (14 parts gold and ten parts of another metal—or about 58.5 percent pure gold.)

No American-made gold jewelry may be stamped with percentages other than karots according to a Federal Trade Commission regulation.

**What Is Meant By '585' or '750'?**—This appears on some European jewelry.

This marking states gold karotage in percentages of 1,000.

So, 750 equals 18K (75 percent pure gold), and 585 equals 14K (58 percent pure gold).

**IS COLOR IMPORTANT?**—Color of gold depends on the other metals alloyed with it.

Gold alloyed with copper has a reddish cast.

Gold alloyed with nickel or palladium produces the "white gold" used in setting diamonds.

**Gold! Buyers HOW DO I KNOW WHAT'S WHAT?**—Understand certain words, so you don't pay "karot gold" prices for gold-plated jewelry.

—Gold filled  
Gold filled jewelry has a layer — or layers — or gold mechanically bonded to a base metal, such as copper.

The gold layer must have a fineness of at least 10K and must

be at least 1/20 the total weight.

The jewelry should be marked "gold Filled" or "G.F." and state the karatage of the gold layer—14 G.F., for example.

—Rolled Gold Plate

Rolled gold plate is often used in high-quality costume jewelry.

This type is made like gold-filled, but the gold layer is less than 1/20 the total weight. Markings should indicate the ratio of gold

to the metals used—"1/40 12K Rolled Gold Plate."

—Heavy Gold Electroplate

At least 100 millionths of an inch of gold is electrolytically electroplated to a metal base.

—Gold electroplate

At least 7 millionths of an inch of gold is electrolytically electroplated to a metal base.

—Gold Washed or Gold Flashed

Less than 7 millionths of an inch of gold is electrolytically electroplated to a metal base.

The Group then went to the table which was beautifully decorated in accordance with St. Patrick's Day. Some pictures were made of the group and the table, then each one helped themselves to the delicious food, served Buffet Style.

Those attending were Roberta Adams, Alta Jean Davis, Opal Davidson, Violet Knight, Betty Kreyling, Sylvia Reams, Elva Wood and the Hostess. The meeting closed by reading the Club Collect, and drawing for the door prize.

## TORNADOES (Part 2)

The World Book Encyclopedia says that a tornado is a violent wind which has three destructive effects. The word of God says the thief comes to steal, to kill and to destroy. God is not a thief. The thief is satan. God said in Isaiah 54 that He created the waster that destroys, but that no weapon that is formed against those established in righteousness shall prosper. In other words, satan cannot destroy by any means those established in righteousness.

The encyclopedia says a storm cellar is your best protection against tornadoes, but that is not correct. That is the second best. The best protection is "being established in righteousness." Proverbs 18:10 says, "The name of the Lord is a strong tower; the righteous runneth into it and is safe."

God created the destroyer — not as a destroyer, but satan became the destroyer. The created is certainly not more powerful than the Creator. If we trust in God with all our heart and become established in righteousness, the destroyer will never destroy us. Read Job 1:6-12, 18-19 to see that it was satan that brought a great wind (possibly a tornado) and destroyed Job's sons. Psalm 91 explains the extent of our protection. Read particularly verses 3-11.

# PARKS-McILHANY NUPHTIAL VOWS EXCHANGED

Shannon Parks and Tom McIlhany exchanged wedding vows in St. James United Methodist Church in Abilene at 8:00 p.m. on Saturday, April 12, 1980. The Reverend Charles Dunnam and the Reverend Max Jones of Fort Worth officiated.

Given in marriage by her father with the "Her mother and I" avowal, the bride wore a full length dress of white chiffon, with a high neckline and bodice of re-embroidered Alencon lace edged with seed pearls. The full princess skirt ended in a chapel length train. Her fingertip veil of illusion fell from a bandeau of matching lace. She carried a white Bible, a gift from her

grandparents, covered with a bouquet of white orchids, surrounded by sweetheart roses. Maid of honor for the ceremony was Anne McIlhany of Austin, sister of the groom. Bridesmaids were Sydney Anne Senter and Leslie Houghton, both of Abilene. The bridal attendants all wore identical long gowns of peach quiana, fashioned with softly draped bodice and knife pleated skirt. Each carried a white Bible, a gift from the bride, accented with a bouquet of a white cymbidium orchid surrounded by sweetheart roses.

Grainger McIlhany served as his son's best man, and groomsmen included Bill McIlhany of Abilene, brother of the groom, and Randy Davis of Clyde, Texas. Dan Houghton of Abilene was usher. The bridegroom wore the traditional black tuxedo, as did all the other men in the wedding party.

Wedding music including "The Wedding Song", "You Needed Me", and "The Lord's Prayer", was sung by Lelita Wofford of Abilene, accompanied by Larry Lifeste of Abilene at the organ.

The altar was centered with a large candelabra banked with greenery, and flanked by smaller candelabras and bouquets of peach carnations and white phlox, repeating the bride's chosen colors of peach and white.

The bride's mother wore an original full length dress of peach knit, in a shirtwaist style with A-line skirt. The mother of the groom wore a full length dress of mauve crepe, with pleated skirt and matching lace jacket. Each wore a white orchid corsage.

Following the ceremony a reception given by the bride's parents and Col. and Mrs. Richard B. Houghton was held at the Distinguished Visitors Lounge at Dyess Air Force Base. Those

serving at the reception included Misses Kelly Alvis, Paula Criswell and Beth Manning, all of Abilene.

Following the reception, the bride and groom left on a wedding trip to Corpus Christi, and south Texas.

On the evening preceding the ceremony, the bridegroom's parents hosted the rehearsal dinner at the Royal Inn of Abilene.

The bride graduated from Manzano High School in Albuquerque, New Mexico. She attended East Texas State University where she was a member of Alpha Delta Pi Sorority and was active in Campus Crusade for Christ. She is a graduate of McMurry College where she was affiliated with Christian outreach.

The bridegroom graduated from Wheeler High School and attended West Texas State University. He is a graduate of McMurry College where he was a member of Kiva Social Club, and was on the Dean's List.

## Young Homem'ers Hold Meeting

The Wheeler Chapter of Young Homemakers of Texas met Monday April 21, at 7:30. The program was presented by Lee and Brenda Cornelison from "A Cut Above" beauty salon in Pampa. They showed slides of the spring trends in hair styles and fashion. Afterwards they answered questions on hair care and makeup. The Cornelisons are a husband-and-wife team who have been in the hair-care business for 15 years.

The club's project for May/June is a total uplift for the city park. Plans include a complete paint job, as well as repairing play equipment and picnic tables. Two representatives from the club attended the City Council meeting to gain approval on the improvements.

The summer project will be a Story Hour at the Wheeler Public Library for children ages 4-10. This will be once a week during June and July. Watch for details!

The Bake Sale, April 5, was a great success. Thanks to Johnny and Donna Velasquez and to all those who purchased cakes, pies, and cookies! The proceeds will be used on the park project.

Those present at the meeting were Mrs. Ruth Wiley, advisor, Wendy Cole, Debra Glazner, Cathy Harrison, Deleise Johnson, Lois Puryear, Debbie Simmons, and Dolores Simmons.

### CARD OF THANKS

We want to express our thanks and deep appreciation again and again to every one who gave in our fire shower and continue to give. Some names failed to get on the list so if you didn't get a personal note this is especially for you.

A special "thank you" to each one who helped with the set of china from Thriftway. Everyone has been so wonderful and God will bless you I know.
