CWE CHAT WITH EDITOR

By Louis C. Stas

The 4th of July has come and gone. We had beautiful weather for the entire day of activity. It was actually a little cool for the fireworks and the street dancers did not get too hot.

The coolest the bank's temperature read was 64.

The crowd at the park and for the fireworks appeared to be very close to the same number as in the past.

Breakfast at the lodge—sounds great doesn't it—was fantastic. Those men certainly know how to fix pancakes and sausage.

To all those who helped make the day possible, **Thanks!**

Most importantly, **THANKS, BETH and JIM ALVEY!** And, when you see either, say 'Thank you.' Beth is Chamber president and is doing a fantastic job. You can relax now Beth—you might try a game of golf.

I understand the Wheeler County Heritage Day celebration in Mobeetie was a big success. Sorry I could not be there, but it was time for the Hinton High School Reunion. Barbara and I had to go see our respective classmates.

It was bad enough having to go in a five year old vehicle, but having a piece of cardboard in one of the windows was a little too humiliating. We just parked a little farther down the street and arrived a little early.

As you may remember, we had a window problem when we went to leave town when the electricity was off. It is the same problem. By the time the part was available, the window was back up and we had just not gotten it back to have the part put on. You know, 'Out of sight, out of mind'.

When we arrived in Weatherford Friday, Jennifer came out with the phone in hand and I rolled the window down. 'Oops'. So we boarded it up and away we went, on to Hinton the next day.

We returned to Wheeler and immediately took the Silhouette to have the window fixed. Guess what? The new part was faulty, so the window was again put in place. Yes, you guessed it; this time Jennifer rolled the window down.

We did have a card game, Jennifer and I lost.

Croquet, now that was a different story. We have a rough court with tall grass. I won all three games.

The next activities on the calendar are the Old Mobeetie Bluegrass Festival on July 22 and the Briscoe Ex-Student Reunion on July 29.

Happy Birthday, Mother Stas! She will be 91 on July 12.

To The Editor

The Wheeler Times
Wheeler, TX 79096

Whenever there is a community involvement project, there are more unsung heroes than people who get the credit up front. This is surely true of the Wheeler County Veteran's Memorial. The behind-the-scenes people are the ones who, often times make the operation run smoothly.

There are so many that it is probably risky to try to call names. However, there are some who deserve particular notice of appreciation.

Ada Lou Lester and Maurita Stribling did yeoman's service in contacting the Mobeetie Ex-students and residents. Margaret Dorman spent many hours on her hands and knees planting ground cover and other growing things. The commissioners and county employees have taken great pride in their preparation of the grounds. Betty Hennard has been at her usual position fielding phone calls and the list goes on.

But, the real success of this undertaking lies at the feet of Mary Kay Christner. The untold amount of time she has spent in processing each and every name that appears on the monument and the paving bricks has been paramount to this endeavor. It would not have been possible to finish in time for the dedication date if she hadn't been so diligent and unselfish with her time. Now that the rush is over, she has been weeding the flower beds.

These people have gone far and beyond the call of duty and have done so willingly and cheerfully.

We wish to express our sincere appreciation to these ladies whose job description did not include anything like their contributions, and to everyone who was in any way involved.

Sincerely,
The Wheeler County Veteran's Memorial Planning Board

Aint It The Truth

By Ab Gunter

Aint for shure but think it wuz 28 or 29 that I wuz at a new town of Borger there in the Panhandle of Texas. Mother wuz in the real estate business and she wuz there to close some deal on some property. The town wuz brand new. The businesses were in tents, what sidewalks they had were of lathe boards over timbers. It had been rainin and the streets were deep mud and I mean deep.

As we went down the wooden streets I seen a bunch of young ladies movin down the street followed by an officer of law. He had his six shooter strapped to his leg like a cowboy and his trousers were in high topped cowboy boots. Course he had on his cowboy hat and a Ranger badge on his vest, left side of course.

Later in the day I asked Mother why he had arrested these young ladies and she told me they were ladies of the night and were bein run out of town for bein vagerants and undesirable. The Rangers had a lot of them undesirable men in town too. Many of them were gamblers, thugs and so forth. Borger wuz what wuz called a tough oilfield town.

Over the years I have had the privilege of knowin many Texas Rangers and admired them. We had a sheriff from Wheeler County that became a Ranger and promoted to Capt. there in Lubbock and down in Terrell Co. on the Mexican Border the sheriff there wuz admitted to the Rangers and he too wuz a Capt. before he retired. I visited with he and his wife not long before his death and he wanted to give me his revolver and badge, but I declined sayin maybe his grandchildren needed them. It treasured knowin these men and still think of them.

When I first went to the border country some 50 years ago I tried my luck at bein a cowboy and met a retired Ranger that sort of had a limp and he had on a pair of cowboy shoes. They had the shape of boots high heels and all with the pointed toes but didn't have the boot tops. I asked this gent why no boot tops and he showed me. While on the border patrol one night they had got in a fight with some banditos (Mexican outlaws) and one of these outlaws had shot this gent in the left foot. Must of made the Ranger mad cause he killed the bandit, but anyhow the Ranger couldn't wear the new pair of high topped cowboy boots with big red butterflies on the front of the tops. They were called seven row tops, in other words all the stichen wuz duplicated seven times makin the tops quite a work of art.

Funny thing this old retired Ranger gave me them boots which fit me to a tee and I treasured them very much. While I wuz on the Border I had accumulated many beautiful things of western art such as spurs, belt buckles, bits (silver mounted) and all kinds of things that I collect. I decided to go in the service and asked the boys I had known to send all that junk back to my Mother that lived in the Panhandle. I knew she would keep it for me. Recon them boys just forgot or something Mother never got the boots or anything. Don't really matter anyhow but you know what I can still see that old gent sittin there on the courthouse steps and them red butterflies on the stove pipe boots.

Back in the early days many of the Rangers made their own badges or their buddies made them out of a

I always dreamed of becomin a Texas Ranger as they seemed to be brave men and all that I knew had regard for their fellow man, that is if the feller man would let them. I bet you would have enjoyed visitin with one of them and hear all his stories he could tell you.

Long live the Texas Rangers.

Congregational Concerns:

The men's monthly business meeting will be held on Monday night, July 10th. A fellowship meal will be served before this business meeting is held. This meal will be served at 7:00 P.M.

Ernie Bishop, the minister of the Church of Christ in Panhandle, will be the guest speaker at the mid-week service on Wednesday night, July 12th. The title of his sermon will be, "Four Ingredients of Church Growth."

A note of appreciation has been received from the Reynolds family, the Patterson family, and the Finsterwald family. This note is posted on the bulletin board in the lobby.

From The Minister's Desk:

Andy Rooney, a syndicated columnist, recently wrote an editorial that had an appropriate theme for the fourth of July. This editorial was entitled, "Good Things About America" and it said:—
"Columnists make a living pointing out things that are wrong with America. There isn't much money in talking about all the good things because it's dull. What are some of the things that are right with America? Let me count the ways."
"We choose our leaders. We vote for office-holders all the way from minor officials in our small towns to the president of our country. Americans accept the authority of the person the majority elects, whether they voted for that person or not."
"The stories in the newspapers and on television are of murder, rape, theft, and fraud, but by several hundred thousand to one we are honest and law-abiding. We stop for traffic lights, not because we're afraid of being arrested, but because we live by an unwritten covenant. We abide by the law because it's the law."
"School are not as good as they should be, but the school system, for all its shortcomings, is working. Most mothers and fathers want their children to do well in school and encourage them in that direction. Parents who don't are in the minority."
"Millions of men with normal sexual desires are thrown together in all kinds of situations with millions of women and in all but a tiny number of cases—all of which we hear about—rape is unthinkable."
"Our government is not oppressive. It does what we ask it to do. We give up our freedom to do as we please all the time because we

understand it is in the best interest of us all. We agree not to smoke in public places, not to drive more than 55 miles an hour. We agree to having inconvenient caps on potentially dangerous bottles of things because we recognize a little inconvenience to us will save the lives of others."
"Our military people are good and they answer to civilian government leaders who were elected by us. There is no danger that our government is about to be taken over by a South American-style military coup."
"It is not Us against the Government. We are the government. The number of nuts who belong to some kind of quasimilitant, anti-government militia are vastly outnumbered by the men who meet at noon or Wednesday evenings for fellowship at Kiwanis, Rotary, or Knights of Columbus gatherings in every city in America, none of whom would dream of blowing up any part of the country they love."

"When the British colonized much of the world, their interest was money. Our actions in world affairs in the recent past have been motivated not by greed but a desire to do the right thing. We can't police the whole world, but it's nice when we see some great injustice and use our power to try to correct it."
I think that Mr. Rooney is absolutely correct. Oh, I know that America has some serious problems that cannot and should not be ignored. But while it is wrong to ignore the problems of America, I believe in America and am extremely grateful that I am a citizen of this great nation.

Alcoholics Anonymous meets at 8:00 p.m. in the Wheeler Masonic Lodge on Thursday of each week.

What do you know? We are actually going to celebrate a holiday on the real Day! July 4, Tuesday. Memorial Day fell on Tuesday but was observed on Monday. Got to have those long weekends. I guess Christmas and Thanksgiving are the only other holidays that are observed on the actual day.

No rain here since the flood. Been watering. The gophers have finished off my tomatoes. Have had greens and onions.

Iona Miller took in the Griffith reunion at Enid. Stopped by and visited Keith and the boys on the way up. Lona Gail and Mellie stopped by to see Iona on their way to Amarillo.

Saw Harold and Mary Bollen in town. They are just back from a family reunion in Denver with their daughter Mary Ann and family. Heard it was 47 there this morning so they just made home in time.

We visited Clella Myers and Alma Richardson in Sayre last weekend. They were looking for Errol Lee and family out from OKC. Dana Stoll, our former neighbor, stopped by to check on Alma.

Loretta Holbrook was another Allison friend who had her home damaged by the tornado recently. She is a sister of Y.C. Fuchs.

Home with H. E. and Helen Smith for Fathers Day were Debby and Jamie Anderson, Donnie Smith, Erick, Michael Smith, El Reno, Daniel and Tina Smith, and Taylor of Yukon. Saw Helen in town. They had been out to see her mother Alta Nabors at Hensleys Home.

Ray and Doris Smith were over to see Bertha Coffey. Doris had crocheted her a beautiful doily.

Heard a knock on the door the other night. Sort of scared me as we hadn't heard a car. It was our neighbor Iva Thompson. She had a flat on the way home from church and walked here to use the phone. Joe and Faye Mong were soon over to help.

Memorial services were Thursday at the First Baptist Church in Elk for E.N. (Junior) Carlson who died after a long battle with cancer. They lived in this community many years. Burial was in the Mulberry Cemetery.

Several asked about a recent funeral at Buffalo. I understand it was memorial services for Irene Racki. She was a relative of the Bruners.

Judy Tipton is home from a wonderful trip with Jan Woods to Huntington Beach, CA. where they visited Sue Bellmonte. Took a trip out to Catalina Island.

Jan carried the mail two days this week while Elbert and Eva Atkinson attended the state Rural Mail Carriers Convention at OKC. Also there were our retired mail carrier and wife, E.L. and Wilma Fowler. All had a fine time.

Billy and Wanda Martin of Ponca City spent the weekend with her mother Ila Anderson and sister Norma Zellmer. Norma's son Paul is a little better this week.

Editha Hildebrand has spent quite a bit of time recently at Cordell with her sister Blanche Begert. Blanche is now out of the hospital.

Henry and Ruth Pyeatt and boys, Les and Carl hosted a Harrell family reunion over the weekend. Those attending were Buddy Harrell, Stillwater, and daughter Lisa Goots, Ark., Glen and Donna Harrell, Sayre, Fred Harrell, Plainview, Marvin and Carolyn Harrell, Cory, Robbie, and Kimmy, Rosston, OK, Virgie and Del Callen, Vickie and Brandon Callen, Dennis and Dede Venture, Logan and Lindsey, Dustin Callen, all of Midland, TX. Roy and Ruth Clymer and family, Erick, Frank and Nancy Clymer, Wheeler.

We visited with quite a few folks in town, J. B. Clothier, Helen and H. E. Smith, Rhonda Arrington, Mary and Harold Bollen, Mary North. She was getting ready for a reunion.

Lena Luman, Shamrock, was down and took her mother Birdie Whipkey to see her doctor in Sayre. They also took in Walgreens at Elk where Birdie saw several friends. Harold Dean Whipkey had been out over the weekend to see his mother Katie and grandmother.

Joe and Faye Mong, and Inez Coffey

attended the Murray reunion at Mooreland. The elder Murray, now deceased, once was pastor of the north church here. Over 100 present.

Guy and Pauline Waldrop, Minco were out to see Helen and H. E. Smith. Helen and Guy were classmates at Reydon. They all attended funeral services at the Sayre Baptist Church for a cousin Lola McClellan. Burial was at Lone Oak.

Pat Anderson is working on a rig near Canute. Debby and Helen went down Tuesday to see him.

Dusty Elam attended the National FFA leadership Convention, Washington, D. C.

Wilbur and Theresa Nabors spent several days at Waxahachie, Tx. with Donald and Norma Nabors. They are preparing to retire and in the process of building a new home.

See where the Owen Terry family had a reunion at Canyon, Tx. recently with some 75 present. They were our neighbors at Mayfield for many years. Saw several of them two years ago at the Buffalo Cemetery on Decoration.

CARD OF THANKS
We want to say "Thank You" for the people who gave us hugs and your prayers in this time of trouble. For the one who gave money and the money jar, it was greatly appreciated. We appreciate the one's who called to check on us. The kids and grandkids who helped for days to rebuild fences to keep the cattle in. The ladies who prepared meals. The First State Bank of Canadian for their hamburgers and their concern for us "Allison People." May God Bless You All!!

49th Top O' Texas Rodeo Set July 13-15 In Pampa

Plans are complete for the 49th annual Top O' Texas Rodeo to be held in Pampa, July 13, 14 and 15 with performances at 8:00 P. M. nightly. Beutler and Gaylord Rodeo Company will produce this years show again. They have had stock at the National Finals Rodeo in Las Vegas for many years. John Shipley of Steamboat Springs Colorado will be cueing the fast action.

On Thursday, July 13 starting at 5:30 P. M., there will be a free barbecue for Thursday ticket holders. Sponsors for this years barbecue are The Mundy Companies and Albertson's. While eating barbecue, you can watch the popular Celebrity Pick-up Race sponsored by LOL Cattle Company. This fun event combines experienced cowboys and cowgirls with not so experienced riders. Friday night will be Family Night and with each adult ticket purchased, you can receive a free child's ticket. Also, with each senior ticket purchased you will receive a free senior citizen ticket. Bring the entire family for a fun evening. Finally, on Saturday, we will be having a steer roping at 1 P. M. at the rodeo arena sponsored by Frank Johnson. The Pony Express Tournament will be held following the steer roping and the Finals will be held at 7:15 P. M.

Once again, we will have the Wrangler Bullfight each night. Wayne's Western Wear and Tommy Bowers will sponsor this event for your enjoyment. We have some of the top PRCA bullfighting clowns coming to compete including Greg Rumohr, Loren Bennett and Ronny Sparks. Also, we have one of the best barrelmen and PRCA clowns with his specialty act, Jim Bob Fellers.

A special treat at each night's performance will be the Andalusians de Nobleza of Carolyn and Dennis Mortimer of Lawson, Mo. The Andalusian stallions are called the horse of kings. They are selectively bred for kindness while maintaining their athletic abilities. Mark your calendar now to see these spectacular horses perform.

Entries for the PRCA and WPRA members will open July 5 at 10:00 A. M. and will close July 6 at 10:00 A. M. (Mountain time). To enter, they may call 1-800-234-PRCA. LOCAL ENTRIES ARE BEING TAKEN AT THE RODEO OFFICE AT 200 N. BALLARD UNTIL JUNE 30. Anyone living within a 60 mile radius of Pampa may enter as a local contestant in all events except bull riding.

The Top O' Texas Rodeo Parade will be held on Saturday, July 15 at 10:00 A. M. If you would like to enter or need additional information, you may

contact Jane Jacobs at the Rodeo office.

There will be a dance held nightly at the Clyde Carruth Pavilion. "Kracker Jack" will play on Thursday and Friday nights. On Saturday night, "Asleep at the Wheel" will be performing. Tickets are \$7 each for Thursday and Friday night and \$12 each for Saturday night and may be purchased in advance at the rodeo office or at the door.

The Top O' Texas Rodeo is a Dodge Ram Tough Rodeo thanks to Robert Knowles Dodge sponsorship. "Viper II", one of Beutler and Gaylord's bulls, could make some cowboy very wealthy. If Viper II is not ridden prior to the Top O' Texas Rodeo, the prize money for a completed ride will be approximately \$7,000. Make plans now to attend the Top O' Texas Rodeo and watch Viper II in action.

The Kid Pony Show, with events for children through age fifteen, will be held Monday, Tuesday and Wednesday evenings, July 10, 11 and 12 at 7:00 P. M. Entries are currently being taken and will close July 7 at 5:00 P. M. No entries will be allowed after that date so please enter early.

General admission tickets for the rodeo and dance will go on sale Monday, July 3rd at the rodeo office at 200 N. Ballard or they may be purchased at the gate. For more information,

dian Dairy Queen and had a good visit with Joe and Sherry Wagoner. Joe's eyes are doing well.

Marie Gudgel and Mary Margaret Dodd went to see "TEXAS" last Saturday June 24 with the group leaving from Canadian on the bus. They enjoyed it a lot, but got back to Wheeler about 3:00 Sunday morning. We wanted to go, but felt might be too tiring for kids like us.

Dan and Teresa Trimble and Dana went to the horse show at Oklahoma City Saturday and came back Sunday night.

For a nice taste and moist cookie, add one real ripe mashed banana to your oatmeal cookie recipe or try mine: Oatmeal Cookies

1 stick Margerine, 1/2 cup shortening

1/4 cup honey, 1/3 cup sugar
1 cup brown, sugar packed in cup.
1 teaspoon soda, 1/2 teaspoon salt
1 teaspoon cinnamon, 2 eggs
1 mashed ripe banana

1 2/3 cups flour, 3 cups quick oats
Mix all together well except flour and oats. Then add them. Drop by spoonfuls on lightly greased bright cookie sheet. Bake 350 degrees about 8 minutes or lightly brown.

Best wishes to Sara Powledge and Bobby Ford in their wedding June 17, 1995 in Amarillo. May God bless and guide you. Nice to see them at Mobeetie Saturday helping with the Chuck Wagon meal prepared by Dan and Kay Gatlin and Leonard and Teresa Powledge.

Many thanks to a group from Christian Center who came to Gageby Church Sunday night and put on their humorous skit, "The Do-Right Family" and included Terry and Sheila Mick, Teresa and Gary Ware and Joe and Beverly Smith. Others attending were their children: Amanda, Brittaney, and Chris Mick, Sally and Neal Smith and Garrett and Brady Ware. Others singing were Winnie Gilmer, Sarah Hale with Jodie and Terrie Crownover and Tracy Densberger, Lois Meadows with Evelyn and Martha Meek. Jocelyn Meek played a piano solo. Willis played the harmonica. Winnie led several lively choruses with Rosalie Keelin at the piano. Willa Fillingim read some timely poems. Kaleb Meek also visited.

Spending a few days with Aaron and Claudetta Laverty and Caaron are Karen Laverty and Trey, Shaleena and Brenee from Gail, Texas, Cheyenne, Danny, Casey and Shelby Laverty from Decatur and Brittaney Laverty from Amarillo. The kids all sang for us. Danny and Trey are going to Panfork camp with grandpa. Karen and girls will visit a friend at Dumas, also.

The Heritage Day at Mobeetie drew a big crowd from many places. One of the most popular activities was the rides on stage coach, wagons and others drawn by horses and mules. Square dancers put on several shows. Some preparing "cooked on the spot" chuck wagon meals were John and Carolyn Stokes Eddie and Wanda Walker, Dan and Kay Gatlin with Leonard and Teresa Powledge. They all had help from relatives and friends. Aaron and Claudetta Laverty prepared hamburgers, elephant ears, etc. Food was delicious. Many craft booths. Just didn't get around to seeing everything. But it was really worthwhile to see everything. Especially nice to see so many people from many places, all ages, having fun.

Ray and Loretta Hall from Tennessee spent a few days visiting David and Winnie Gilmer. Nice to have them out to church again. David and Ray were army buddies.

"God be with you till we meet again."
