TWISTER DESTROYS MOBEETIE BANK

HIGH WINDS DAMAGE PROPERTY, TREES IN WHEELER CITY LIMITS

Rains up to 7" in the Mobeetie area were reported. Joe Rogers, local weather reporter gave 2.75" of rain for the week.

FIRST STATE BANK OF MOBEETIE: This is how the Mobeetie Bank Building looked Tuesday morning after it was hit at 9:25 p.m. by a twister which also inflicted heavy damage on several other buildings in New Mobeetie. It appeared the east wall collapsed and the roof dropped in. The bank's records and money were safely locked underneath the rubble. The two "walk-in" vaults are located at the back of the bank.

THE LEE BUILDING: Loyd Lee used this building to store farm equipment in. Underneath the debris are two trucks, a row-binder, a broadcast binder and an insilage cutter. After some digging Tuesday, the Lees were able to remove the truck closest to the rear of the building, but the remainder of the equipment remains in the building.

POST OFFICE: The Mobeetie post office, located 1/2 block east of the Bank, received only minor damage in Monday night's storm. Water stood an inch deep over the entire floor of the post office. None of the mail was lost in the storm.

LIFESAVING

Lifesaving classes to begin at 6:00 p.m. July 10th. Weather permitting, was announced by Mrs. Roberta Adams. Juniors must be 12 years of age and seniors must be

16 or older. There will be 20 hours of water work over a ten day period. She also announced that there would be another beginners swimming class to begin, July 10th at 5 P.M.

Ladies Swimming

Ladies swimming period has been changed to Monday, Wednesday and Friday mornings from 10 A.M. until 12:00. All ladies are invited to come and enjoy the swimming and sunbathing. Life guards will be on duty.

Citizens of the Mobeetie and Wheeler areas will be a long time recovering from the storms which struck Monday evening at 9:30 and 11:30. Two buildings were completely destroyed in Mobeetie and several others suffered heavy damage in the tornado which struck there at 9:25. Crops west of Mobeetie were completely destroyed with the hail which accompanied the wind and rain.

Wheeler was hit with two storms Monday. The first hit about 9:45 and several tree tops were broken. The second storm took a car-pot and turned a trailerhouse on its side at the west edge of town.

Other damage in Wheeler was suffered by the Baptist Church and H&H Milling. A section of glass brick was taken out of the front of the Baptist Church. A portion of the roof off the north end of H&H Milling Co and a lot of feed stored in that part of the building was soaked.

The buildings were hardest hit in Mobeetie. The First State Bank and the Lee building were destroyed in the storm. It appeared the walls were knocked out and the roof dropped on both buildings.

County sheriff Bus Dorman was called to guard the bank. Dorman was called to the scene shortly after the storm took the bank and the Highway Patrol and FBI followed shortly. Road blocks were set up on all three entrances to town in an effort to cut down sightseers. It was necessary to stand guard over the bank vaults both Monday and Tuesday nights, as the vault was set to open at 9:00 A.M. Wednesday, due to the July 4th holiday.

Work to clean up the debris blocking admittance to the bank vaults and safe was begun early Tuesday. The brick and timber were cleaned up on the east side of the 37 year old bank building and a crane was brought

WHEELER DAMAGE: Mr. and Mrs. Bennie Ritchie returned home Tuesday, July 4 to find their trailer home overturned and much of its contents soaked. The trailer is located in the west part of Wheeler. The carport at the H. B. Guynes home was blown over their home and piled on the cellar where they had taken shelter from the storm which tipped their neighbor's trailer over. The pile of aluminum can be seen behind the tree. A vacant house two miles north and 1/2 east of Wheeler was unroofed sometime Monday night. The roof of the house is at the left (east side of the house) of the picture and is leaned on the windmill which was bent over by the storm. The front porch was ripped from the house and layed south of the main roof. Tree damage was heavy all over the city limits. Shown in the bottom picture is what is left of three trees at the home of Mrs. A. E. Connell corner of sixth and Commanche.

Mrs. Zearl Devoll

GUYNES-DEVOLL NUPTIAL VOWS ARE EXCHANGED

Double ring wedding vows were pledged Monday evening by Miss Sheila Guynes, daughter of Mr. and Mrs. H. B. Guynes, Wheeler and Zearl Devoll of Pampa, son of Mr. and Mrs. E. O. Devoll of Pampa.

Rev. Wilbur Gaede pronounced the vows at 7:00 in the First Methodist Church. Mrs. Lyndon Sims, organist, presented a program of nuptial selections and accompanied Mrs. R. J. Holt, Jr. and Mrs. David Britt, as they sang "The Twelfth of Never," "Because" and "The Lord's Prayer."

Candle lighters were Melody Parker and Dalton Stewart, nephew of the bride. Vows were exchanged before an altar decorated with a background of floor candelabra entwined with

jade leaves, baskets of white glads and pampas with the prayer bench completing the setting. Rows were marked with white satin bows.

H. B. Guynes gave his daughter in marriage with the Her Mother and I vowal.

The bride was attired in a formal gown of white silk organza over bridal taffeta, featuring a bodice of alecon lace embellished with seed pearls styled with elbow length sleeves and a scalloped neckline. Marfis of the chosen lace extended down the center front of the A-line skirt. A detachable train trimmed with bands of alecon lace fell gracefully from self-bows at the shoulders. The finger tip veil of silk illusion was secured by an organza rose encrusted with seed pearls.

She carried a white orchid atop a white Bible and showered with white satin ribbon streamers tied in love knots, with lily of the valley.

Attired in gowns of mint green whipped cream with empire styling, bridal attendants were Mrs. Patty Abston of El Paso, Matron of honor, and Miss Marilyn Nash and Miss Tonia Stewart, niece of the bride and Miss Linda Beatty, cousin of the bride, all of Wheeler.

The bridesmaids white lace trim and softly gathered trains accented the gowns. Each carried a single white rose and wore a white rose on their short veils.

Ray Devoll of Pampa, brother of the groom attended him as best man. Dan Stewart, brother in law of the bride, Joe Miller of Pampa and David Jamison, cousins of the bride acted as groomsmen.

Ushers were Larry Hampton and Johnny Hutchison, cousins of the bride.

Myranda Pierce and Julie Richerson served as flower girls.

For her daughter's wedding, Mrs. Guynes chose a beige lace dress with matching accessories, a white and gold corsage completed her costume.

Mrs. Devoll selected a pale pink suit with white accessories and a white and silver corsage.

Guests were greeted in the Fellowship Hall for the reception following the ceremony. The brides table, covered with a white net cloth over mint green was centered with a rice tree with mint green carnations and four decorated candles.

The three tiered wedding cake on pedestals, topped with a miniature bridal couple was served by Kay White of Pampa. Mrs. Jyeton Richerson, cousin of the bride, presided at the punch bowl while Miss Connie Devoll, sister of the bridegroom attended the guest register. Other members of the house party included Miss Linda Sue Moore and Dian Weatherly, reception hostesses.

John Moore provided the beautiful organ music for the reception.

Prior to departing on a short wedding trip to Quartz Lodge in Oklahoma, the new Mrs. Devoll donned a two piece dress of white and navy silk linen and matching accessories and the orchid lifted from her bridal bouquet completed her traveling ensemble.

Mr. and Mrs. Michael Stutzman

UZZLE-STUTZMAN VOWS EXCHANGED AT FOLLETT

The wedding of Miss Judith Anne Uzzle and Michael Dane Stutzman was solemnized Saturday evening in the First Baptist Church of Follett. The Rev. Charles J. Uzzle, father of the bride officiated for the double ring ceremony.

The bride is the daughter of Rev. and Mrs. Charles Uzzle of Follett, Texas. The bridegroom is the son of Mr. and Mrs. Garland Stutzman of Amarillo.

Vows were repeated before two tree candelabras entwined with greenery flanked by two baskets of white gladiolus. The couple knelt on a white prie dieu for the wedding prayer.

Mrs. Arthur Becker played traditional wedding music, at the organ and accompanied Mrs. Pat Bradley who sang "Oh Promise Me." Mrs. James Sinclair accompanied at the piano, Mr. James Sinclair

semble.

Mrs. Devoll, a graduate of Wheeler high school, is now attending L.V.N. Nurses School in Pampa, where the couple will make their home at 325 Canadian St.

Out of town wedding guests included Mr. and Mrs. John White and Kay of Pampa, Mr. J.A. White of Plainview, Mrs. Loyd Boltin and Mrs. Dick Beauchamp of Amarillo, Mrs. Ben Hitchcock and daughters of Tulsa, Mrs. Clyde Guynes, Mr. Mickey Guynes and Miss Gloria Tubbs of Borger, Mrs. Bonnie Gardner and Kristen, Mrs. Dale Ladd and Regina, Mr. and Mrs. Nathan Miller, Mr. and Mrs. Joe Miller, Penny and Clint all of Pampa.

Others were Mr. Gene Davidson of Elk City, Mary Ann and Deborah Hardy of Pampa, Mrs. James C. Kuhn, Jr., of Wichita Falls, Mrs. Jack Garrison and Pam, Miss Becky Stafford and Tony Terry, Miss Phyllis Parrish Mrs. Louise Vermillion of Shamrock, Scott and Glenece Oglesby of Texas City, Mr. and Mrs. Ray Devoll of Pampa and Mrs. Sam Abston of El Paso.

Pre-Nuptial Courtesies
Pre-nuptial courtesies ended the bride included a miscellaneous shower given at Pampa in the hospitality room of Citizens Bank and Trust by Mrs. Grant Anderson and Mrs. Dale Ladd, Mr. and Mrs. Dan Stewart, sister and brother in law of the bride, honored the wedding party at a rehearsal dinner the evening preceding the exchange of vows. This was held in their home in Wheeler.

ACROSS THE FENCE

By Max Hatter, WCAG

And the rains came. After an unseasonal dry period, that cut county wheat yields as much as 30 to 50% milo and cotton prospects brightened considerably. Twitty got more rain than they needed at one time, recording two and a half inches last Wednesday morning. Water was knee deep in the fields and creeks were running bank full.

Moisture may have been too late for cotton and milo in some parts of the county. R. L. Zybach of Briscoe reported that many up there lost cotton and milo because of the dry burning wind of last week.

WARMINSKI'S Favorite Recipe

By Vivian C. Warminski
Two years ago, a frightened girl came to Wheeler County to venture out on her first career job. This girl couldn't say frightened very long, since it seemed like thousands of people came to meet her on the very first day. She wasn't a stranger anymore, but a person that belonged in Wheeler County.

I want to leave everyone with my favorite recipe, Polish Punski (Sweet Rolls).
1 cup water, 1 cup milk, 1 yeast cake or 1 pkg. yeast, 1 cup sugar, 1/2 tsp. salt, 2 eggs, beaten, 1 tsp. nutmeg, 1 tsp. vanilla, 2 T. melted butter, Flour to make soft dough.

Combine ingredients, add enough flour to make soft dough, let rise until double in bulk. Punch dough down, roll out on floured board, 1/4 inch thick, cut in pieces 4 inches square.

Put 2 tsp. of cooked mashed prunes which have been sweetened with a little cinnamon added. Lap over the pieces and seal. Let rise until double in bulk and fry in hot deep fat until golden brown. Put powdered sugar in paper bag. Shake the punshis in bag to cover with the sugar. These are better when fresh.

HAPPINESS is knowing people from Wheeler County.

es zoomed seven dollars a hundred in five weeks. The price rise beat anything hog market specialists had seen in twenty years. Some looked for two bit summer top prices.

HAY QUALITY: Settle the "my hay is better than yours" argument by having it tested. We can help you test the crude protein and net energy by sending a sample to Texas A&M University's Forage Testing Laboratory. "Don't guess, Forage Test."

PRUSSIC ACID POISONING: We've got a lot of sudan sorghum hybrids planted this year. Prussic acid or cyanide poisoning is always a threat.

We suggest you watch your cattle closely. E. B. Range, Veterinarian at Shamrock advises farmers and ranchers to pick a low quality, not so valuable calf, to turn in to a field prior to mowing. He says to make sure that the cow or calf grazes all areas of the field. If the calf does all right, he says the farmer can more readily risk the rest of his herd. If a cow develops cyanide poisoning, she needs an injection into the vein with a material like sodium nitrate or sodium the sulfate administered by a veterinarian that will keep the cow alive.

Mesquite Control: This month is a good month to spray mesquites with 2.45 T. C.M. Abrecrombie near Briscoe was by a few days ago to get information on Mesquite Control.

STORM

equipment can be salvaged with the loss expected to run around \$10,000. When asked for a rough estimate of damage to the town, he stated it would be over \$100,000.

Thelma Harrison spent the July 4th holiday cleaning up her beauty shop. Even though the building was badly damaged, most of the equipment can still be used. Mrs. Harrison had operated the beauty shop for 12 years.

The Lee Building was filled with farm equipment. Across the street from the Bank was a building used for the storage of farm machinery. The structure housed two large trucks, a row binder, a broadcast binder, and an insilage cutter. Loyd Lee, owner of the building, stated they were able to remove one of the trucks, but the rest of the equipment remains buried under the roof and bricks.

The farmers in the Mobeetie area were hard hit by the storm. To name all the damage to the farms in the area would be next to impossible. A hail storm west of Mobeetie stripped the trees of their leaves and bark and left fields of feed smooth as pavement while cotton looked like match sticks. Irrigation equipment was bent and twisted and wind-mill towers were bent over.

When asked for an estimate of damage to the Lee building in Mobeetie, Loyd Lee stated his heaviest loss would be at the ranch, a mile and a half west of Mobeetie. The hail destroyed 60 acres of irrigated alfalfa and 20 acres of hay grazer which was ready to be cut within the next week. The north windows on the houses at the ranch were broken out and the insides of the houses and furnishings were soaked. Of the stripped trees and crops, Lee stated, "It looks like the dead of winter. I have never seen anything like it in my life."

Between Wheeler and Mobeetie damage was reported at H&H Feed Pens. Richard Hefley, co-owner said the scale house was turned over, three feeders were torn up and some of the corals were damaged. Total cost is expected to be around \$2,000.

M&M Gin received heavy damage to the office, gin and trailers. The bur lines and dust collectors were torn up. The trailers parked around the area were turned over and some of them were demolished. The glass in front of the scales was broken out.

The screen of the Drive-In Theatre was blown down. The theatre operated through 1965, having served the Wheeler movie goers for 13 years. This is the first time the screen has been completely blown down, some damage was done to the screen in 1955.

Madge Porter of the Glen Porter Ranch reported a "cake barn" destroyed southwest of Wheeler.

FHA MAKES FIRST RECREATION LOAN IN COUNTY

Mr. and Mrs. Norbert Schlegel, Shamrock are the recipients of a Recreation and Farm Ownership combination loan made by Farmers Home Administration. This is the first of this type loan made in Wheeler County.

The Schlegels had been FHA Operating Loan borrowers since January of 1963. They made application for a farm ownership loan in 1965 to purchase 320 acres of land 3 miles west of Shamrock on Interstate 40 and started making plans for developing the land and improvements. Normally 320 acres of land in Wheeler County is not a large enough unit to make a living and pay debts. Norbert, an observing and progressive young farmer, noticed the ever increasing number of people traveling in camper trailers and pickup campers on Interstate 40. He and his wife decided they could provide motel facilities for these people and create a promising new income from the Schlegel farm. This would be a good way to supplement their regular farm income.

The plans were carefully made with the help of a great many people including John L. Manning, FHA County Supervisor for Wheeler County. The loan was approved and closed October 19, 1966. Construction began immediately of the large 40'x100' building that would be their combination residence, office, grocery store and tourist shower and restroom facilities for the new business.

A swimming pool was built and 25 locations for camper trailers were established. These spaces provide electricity, water, sewer, shade barbecue pits and tables for each location.

The investment for the improvements, living quarters and recreation facilities was about \$39,000.

The business officially opened May 10th. For a few days business was slow and everyone began to worry just a little, but about June 10th it began to get better and they already have begun plans for increasing the number of locations for campers.

The new business was named Holiday Park West 40 camp area. They are a member of the nationwide Holiday Campers Chain which will give them national advertising.

The Schlegels are a busy family. Each of the four children have their certain responsibilities and chores to do each day. Mrs. Schlegel will have most of the responsibility of managing the business because Norbert also farms 920 acres of land besides helping with this enterprise. Norbert is an active member of the Farmers Union and has recently been appointed the county insurance representative for that organization.

"This is one industrious young Wheeler County farm family that with the help of Farmers Home Administration should succeed," said Mr. Manning.

WEST 40 CAMP AREA: Shown above in order that they appear are: The over-all area; Mr. and Mrs. Norbert Schlegel, owners, in the grocery area; the Schlegels in their living area; the laundry section and the showering area.
