CWE CHAT WITH EDITOR

By Louis C. Stas

Today, Thursday, is the first day of school for the area youngsters. As usual, it's "where has the summer gone".

-cwe-

The JV team plays Clarendon here tonight at Nicholson Field at 7:30 and the Mustangs travel to Clarendon for the season opener. **GOOD LUCK** to both teams. We are ready for another successful season and we are sure you can do it.

-cwe-

This cooler weather certainly sets the stage for football. Coach Morgan commented: "We've had two good workouts these past two days with the cooler weather."

-cwe-

I go through this each year and have yet to get an answer. What does the first northerner of the year have to do with when the first frost will be. Mark August 27 as the first northerner. I have marked that date and Sept. 26-30 days after the cool front.

-cwe-

Ricky Pfeil, dropped in Tuesday evening and reported a 30 degree drop in temperature from the high on Friday to the high on Saturday. And the high for Saturday was recorded at 12:01 a.m.

-cwe-

The moisture that accompanied the cool front was also nice. The official measurement for the city was 0.48. I do not know how even the amounts were, but we traveled in intermittent showers through central Oklahoma Sunday.

-cwe-

I need to make two corrections in names. Forrest Lee Lovell's first name was spelled the way I had been pronouncing it. It's not Forrace.

And, Lou Trimble was still married at last report and has not gone by the name Lou Meadows for many, many years. There is no explanation for some of the things I do.

-cwe-

One other correction. The spelling and wording were right in the ad for "The New Image Salon", but it read wrong due to positioning of the words. The \$18.00 haircut and style included a deep cleansing treatment and conditioner.

-cwe-

The smell of canteloupe greeted me as I stepped out the front door Sunday evening to pick up the papers. Some generous person had left three nice melons on the front door. **Thanks.**

-cwe-

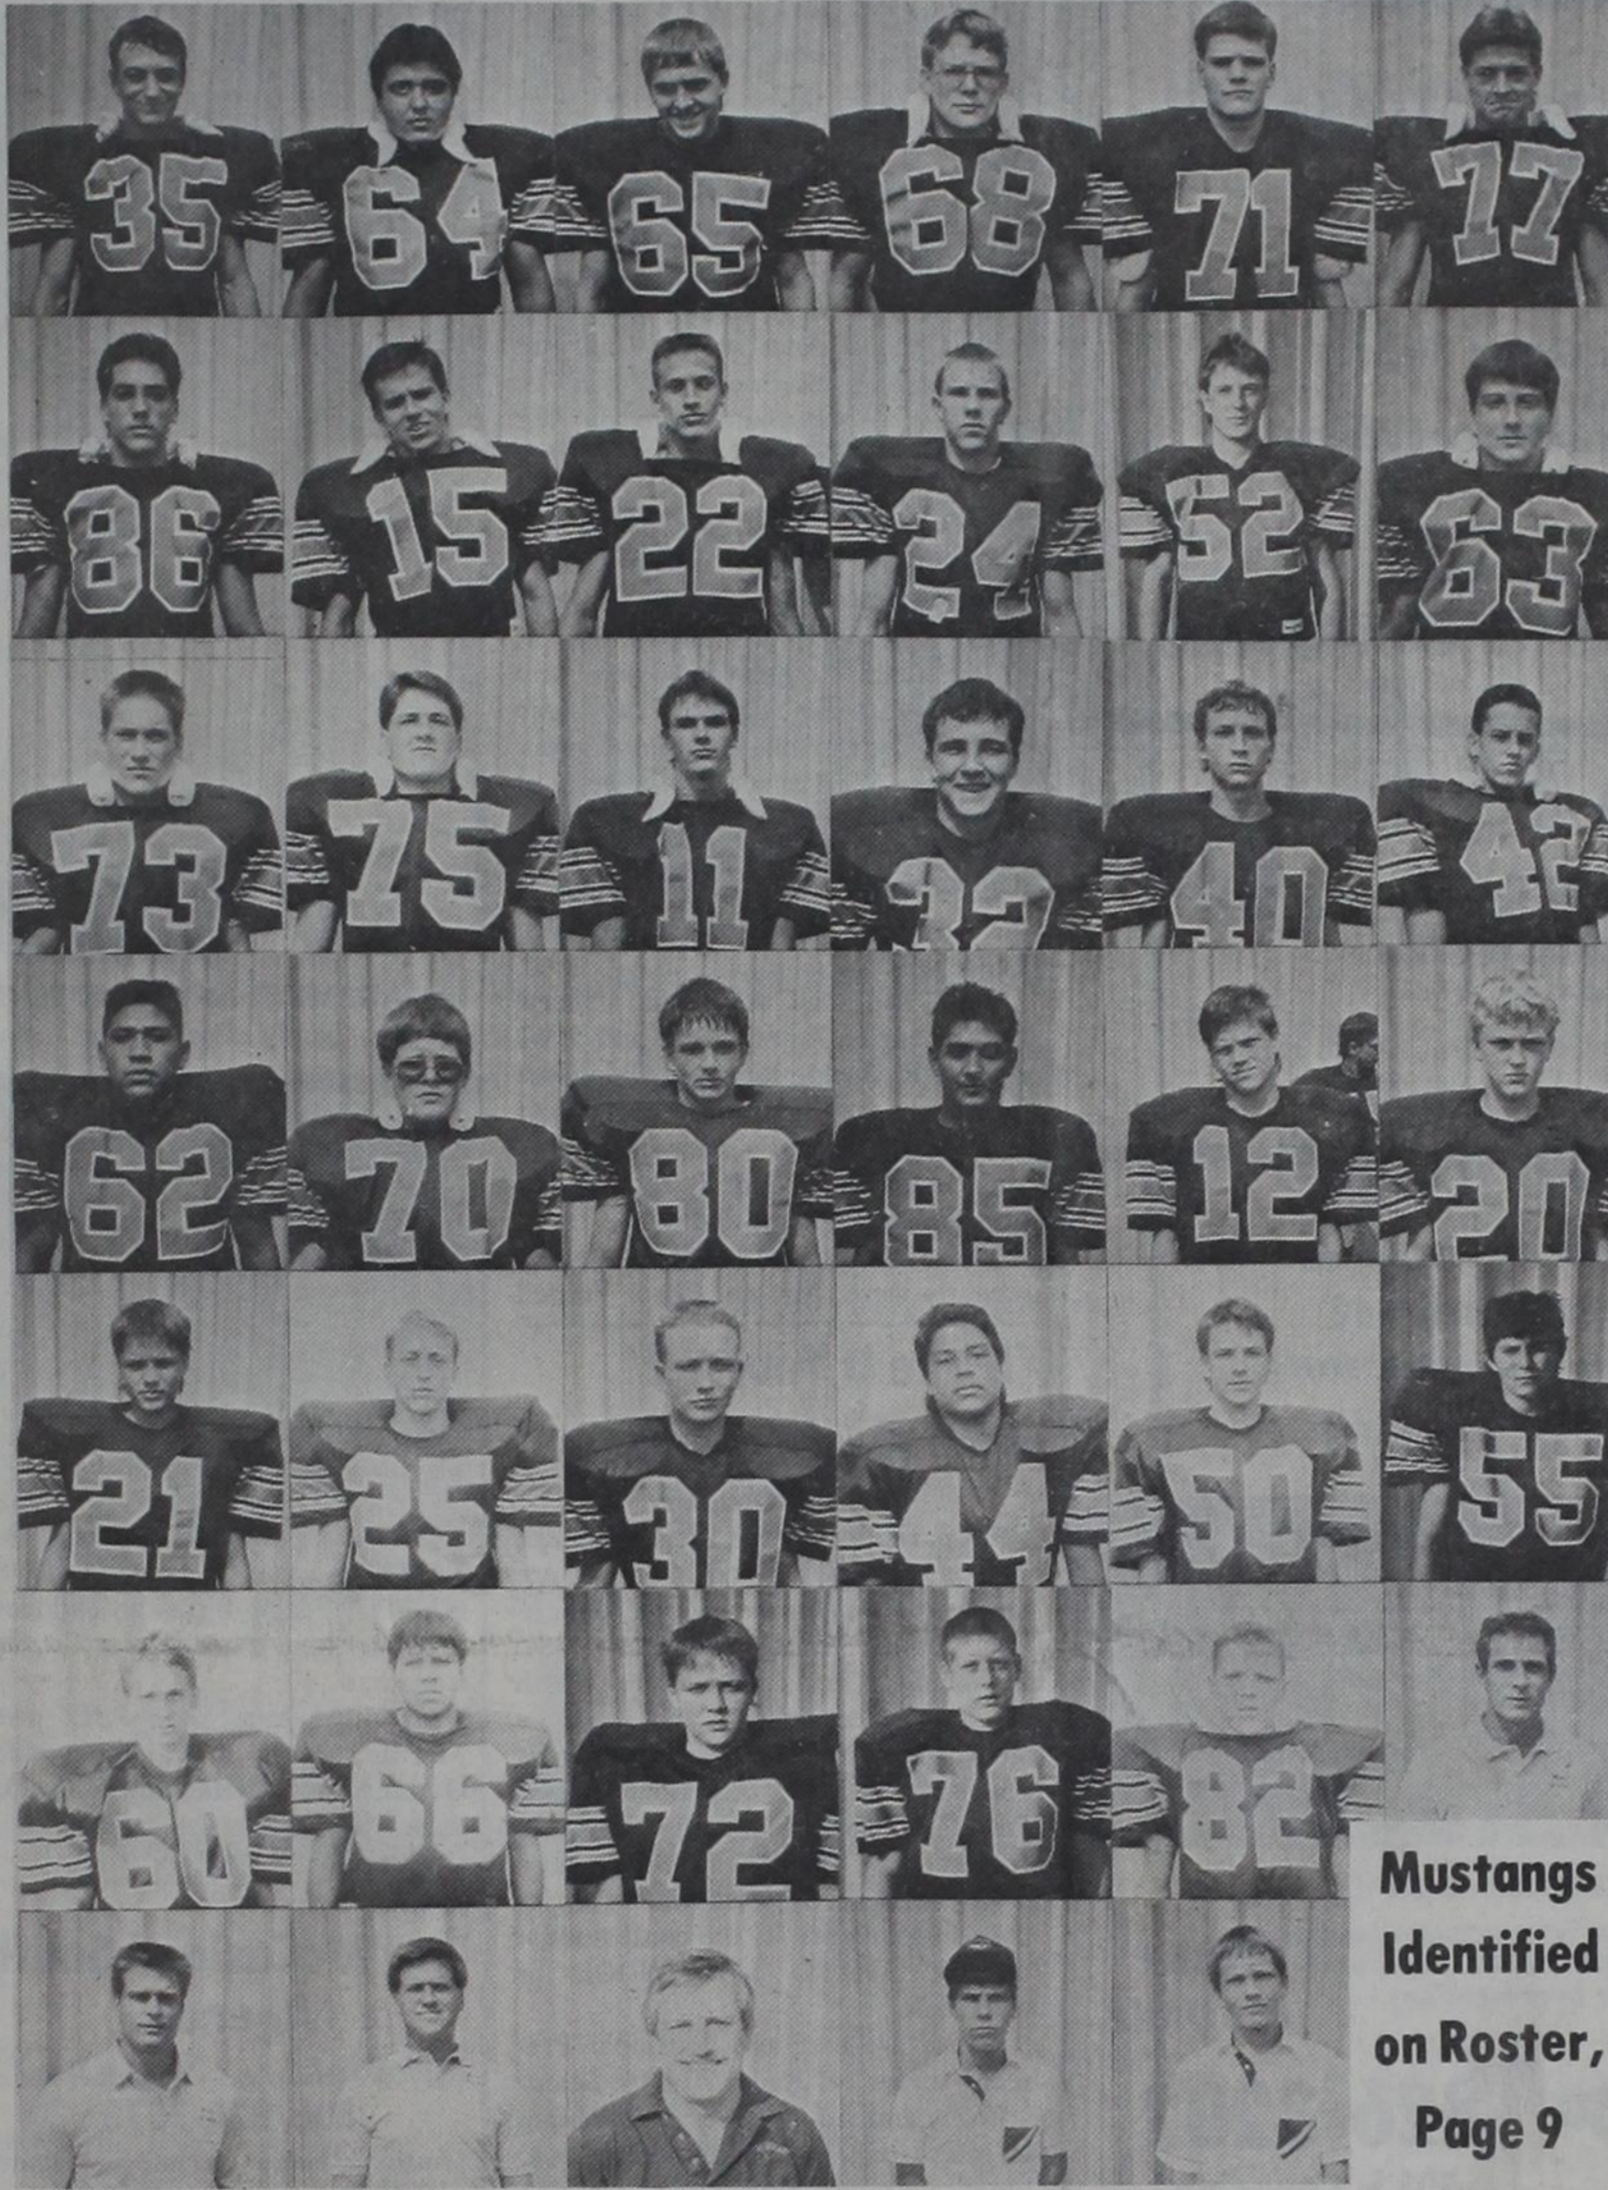

Happy Fiftieth Anniversary! to Grady and Mary Margaret Dodd. I have been typing news about this couple all my 28 years with the "Times". They neither one look old enough for a 50th anniversary.

MUSTANG TRAVEL TO CLARENDON 1988 GRIDIRON OPENER

Mustangs Identified on Roster, Page 9

The defending state champions in Class A football, the Wheeler Mustangs, take to the field Friday night in Clarendon for their first test on the gridiron of yet another football season.

Fans will probably need a program for a game or two as gone are six starters from the championship team and the Mustangs will be guided in 1988 by a new head coach.

Ronnie Karcher takes over the reins of the Mustangs fortunes after being an assistant to departed head coaches Joe Allen and Preston Smith. Karcher is no stranger to Mustang football nor to this year's group of Mustangs as he has seen them mature since grade school.

Clarendon will be the first of four Class AA opponents that the Mustangs will face in non district competition with Shamrock, Memphis and Quanah to be faced in succession prior to the opening district game with Claude.

Not only do Karcher's young charges, 22 freshmen and sophomores are on the roster, meet four tough non district opponents but two new schools are in District 1-1A. The

White Deer Bucks and the Gruver Greyhounds dropped to 1-A football and both return veteran ball clubs. In fact, the Bucks have been touted as possible state championship material and are generally favored to take the 1-1A crown away from the Mustangs but don't forget that the Mustangs were picked third in the district last year in pre-season polls.

Clarendon's fortunes have been on

Lions Scheduled

Annual Broom Sale

The Wheeler Lions Club will conduct an all-out drive on September 9, 1988 to sell quality Blind Made Merchandise to residents and local businesses. All of these items are manufactured by blind and visually-impaired workers in the Lighthouses for the Blind. In addition the Lions Club's earnings from this sale will be used for local sight conservation projects.

The entire membership of the Lions Club has been organized to supply friends and neighbors with these quality items. The Broom and Mop sale will be located at Southwest corner of the Courthouse where citizens may purchase directly from the Caravan truck, or contact Charles F. Kuntz at 826-5516 to have your order delivered.

Sales of Blind Made Merchandise in previous years have been very successful and Lion Lonnie Kenney expressed his confidence in reaching a new all-time goal this year. "Every home and business can use some of these cleaning aids, and every item purchased helps to provide dignity and the security of regular employment for our Blind citizens." Thank you for your support.

Notice To Voters

It is almost Election time again, and it is time to check on your Voter Registration Card. If you do not have your current card on hand, then you need to call 826-3131, or come by the Wheeler County Tax Office in the Wheeler County Courthouse and ask for your registration. We have a number of "Returned Cards" that the post office has returned to us for various reasons. We do not know where the owners of these cards are located.

If you do not have a current card, then you could have been taken off of the Voter Registration List. If you have been taken off of the list, you need to be registered at least 30 days before the November 8th, 1988 election.

Please let us hear from you now, instead of waiting and not being able to vote in November.

HELPING YOUR CHILD GET READY TO BEGIN SCHOOL

Many parents are anxious for their child to know the letters, numbers, shapes and colors before starting kindergarten in the fall. However, academic-type activities and drill may not be the best thing you can do to ready your child for school.

The results of child development research tell us that fantasy play activities are more effective in the development of language, social skills and thinking skills—all of which are essential for success in school.

Fantasy play is what children commonly call "pretending." through fantasy play children learn more abstract thinking and problem-solving skills. They can also test their ideas in a safe situation.

Here are some suggestions for ways to encourage fantasy play in your children.

* Let children have a place for a pretend house, doctor's office, grocery store or museum. They will try out different roles as they play "house", or any variation of this common childhood game.

* Keep a box of old clothes, purses, shoes and other items for dress-up. That also encourages children to try different roles and create stories to go with their costumes.

* Encourage children to use dramatic play to act out their favorite fairy tales and stories.

* Provide low-realism toys and objects that require children to use their imaginations. A big box, for example, can be a house, a rocket ship or a bear's cave, depending on the imagination of the child playing it.

White-Chase Vows Are Exchanged July 23

Wedding vows between Monique Diane White and Michael Gene Chase were exchanged in a double ring candlelight ceremony which took place on July 23 in The World of Pentecost in Austin.

The Rev. Kenneth Phillips officiated for the service in a setting of hundreds of candles in the altar area and on the pews.

Dale Wilson was organist and accompanied his wife, Carol, as she sang "We've Only Just Begun." Mart Conroy was pianist and accompanied Tracy Shirk as he sang "The Lord's Prayer," and the bride when she sang

"One hand, One Heart," after the vow exchange. Margie Muniz played the flute solo "Always and Forever," earlier in the ceremony. Wanda Phillips played her own accompaniment for her solo "Whither Thou Goest," at the close of the ceremony.

The bride is the daughter of Dr. and Mrs. James White of Richmond and parents of the groom are Patricia Chase-Haney of Austin and the late Garry Gene Chase.

Escorted down the aisle and given in marriage by her father, the bride wore a gown of candlelight satin and Alencon lace fashioned with a high wedding band collar above a shadow yoke on the sweetheart bodice. The elongated bodice was heavily appliqued with pearl-encrusted lace and the elbow length puffed sleeves were also traced with lace. A border of lace finished the skirt which extended into a peacock chapel length train, accented with cutwork appliques. A headpiece of silk flowers and pearl sprays held in place her veil of silk illusion accented with puffs at the crest, a creation of Cece Bennett. She carried a bouquet of red pink and cream roses accented with ivy and lilies.

Attending the bride as maid of honor was Cindy Tait and bridesmaids were Kathy White, Catherine Taylor, Monica Ries and Cindy Chase, sister of the groom. They wore gowns of candlelight tone lace in tea length fashioned styled with portrait necklines, elbow length pouff sleeves and dropped waistslines. They carried miniatures of the bridal bouquet.

Flower girl was Melissa Venezio and Kenneth Jones was the ring bearer.

Serving the groom as best man were Michael Calvert and groomsman were Rusty White, brother of the bride, Marc Chase and Chris Chase, brothers of the groom, and Steve Kenard. Usher duties were performed by Curtis Montgomery, Mike Weaver, Thomas Jackson and Dickie Nodler.

For her daughter's wedding, Mrs. White wore a tea-length gown of mauve georgette trimmed with ivory and mauve satin. The groom's mother chose a rose-tone two piece tunic and skirt ensemble. Their corsages were bridal pink and white roses.

The reception honoring the couple was held in church fellowship hall. In the house party were Chris Franklin, who had charge of the bridal book and Dulce Pardo, Victoria Bratcher and Brenna Baumann-Gonzalez, who assisted at the bride's table.

The wedding cake was a three-tiered white heart-shaped confection surrounded by heart-shaped satelites in candlelight tone. Fresh bridal pink and cream roses crowned the layers. The groom's cake was chocolate frosted with dark chocolate.

A buffet brie en crute, finger sandwiches, vegetables with dips, and assorted fruits were served with punch and coffee.

Following a wedding trip to Hawaii, the Chases are making their home in Austin.

Mrs. Chase is a graduate of Lamar High School and Houston Baptist University. She is employed with Ogilvy and Mather Advertising in Houston. Her husband is a graduate of Southwest Texas State University. He owns Chase Brothers Carpet of Austin. Monique is the granddaughter of Ed and Jennie Walker of Allison, Texas.

 I don't suppose our traveling Sunday surprises you. But traveling 'through' Oklahoma might. We took the grandkids back to Sherman after a 3-week visit. It was also time for our annual visit to Six Flags.

Neither Ronal Wayne or Juanita were able to make the journey to Six Flags, so Jennifer, Ronal Jr., Liz Lovell and I took in the park. Ronal Wayne assured me he could get me there and back with out any problems. I wrote down the instructions for both directions and away we went. No problem, just one error. The second notation was "make a right turn on Hwy 121 to Lewisville or I-35". I first came to FM 121, which took us to I-35 by way of Dennison.

The return trip involved road construction from Six Flags to Dallas—down to 1-lane traffic and 0 mph. The schedule called for a jog over to Love Field to meet Cathi's plane. After Cathi was aboard, we got

Notice of Effective Tax Rate (for use by taxing units that do NOT levy the additional 1/2-cent sales tax)

CORRECTED
 19 88 Property Tax Rates in MOBEETIE I S D

This notice concerns 19 88 property tax rates for MOBEETIE I S D. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. Compare it to the tax rate the taxing unit proposes for this year. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:	\$	419,707.82	
+ Last year's operating taxes	\$	52,463.47	
+ Last year's debt taxes	\$	472,171.29	
= Last year's total taxes	\$	32,789,673.00	
= Last year's tax base	\$	1,440,000	/ \$100
<hr/>			
This year's effective tax rate:	\$	471,049.60	
(after subtracting taxes on lost property and taxes to correct appraisal roll errors)	\$	32,516,776.00	
+ This year's adjusted tax base	\$	1,448,64	/ \$100
= This year's effective tax rate	\$	1.03	
= Maximum rate unless unit publishes notices and holds hearings	\$	1.49209	/ \$100
<hr/>			
This year's rollback tax rate:	\$	418,710.75	
(after subtracting taxes on lost property and taxes to correct appraisal roll errors and adding taxes lost in court suits)	\$	32,516,776.00	
+ This year's adjusted tax base	\$	1,28768	/ \$100
= This year's effective operating rate	\$	1.39069	/ \$100
+ This year's debt rate	\$	1.7369	/ \$100
= This year's rollback rate	\$	1.56438	/ \$100

SCHEDULE A: Unencumbered Fund Balances

The following balances will probably be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	Balance
UNENCUMBERED FUNDS	-0-

SCHEDULE B: 19 88 Debts Service

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

Description of Debt	Principal or Contract Payment to be Paid	Interest to be Paid	Other Amounts to be Paid	Total Payment
UNLIMITED TAX	50,000.00	2481.25	60.00	
SCHOOL BUILDING BOND	-0-	1306.25	60.00	53,907.50
Total required for 19 88 debt service				53,907.50
- Amount (if any) paid from funds listed in Schedule A				-0-
- Excess collections last year				-0-
= Total to be paid from taxes in 19 88				53,907.50
+ Amount added in anticipation that the unit will collect only % of its taxes in 19 88				3,083.19
= Total Debt Service Levy				56,990.69

SCHEDULE C: Expected Revenue from Additional Sales Tax
 (For counties and cities with additional 1/2 cent sales tax)

In calculating its effective and rollback tax rates, the unit estimated that it will receive \$ N/A in additional sales and use tax revenues.

This notice contains a summary of actual effective and rollback tax rate calculations. You can inspect a copy of the full calculations at WHEELER COUNTY APPRAISAL DISTRICT.

Mrs. Joe Flowers

There's a feeling of autumn in the air now that two northers have whipped thru. The frost flowers are about done and the Queen Anne's Lace is strutting its stuff. The birds are considering packing their bags for the trip south.

Louise and Junior Perry, Debra Hill and children, Kim Boswell, and kids, Keith and Anna Dunlap and friend Michael of Sayre went to the Parker reunion at Moriarty, New Mexico. Junior and Louise went on to Socorro to visit old friends while the rest of the group came back home. At Datil, N.M. they met her sister Elsie and Frank Duggins. Stayed there and at Pie Town several days in their camper.

The Perrys went on to Quemodo to their high school reunion. There they met his sister Neva and Leland Bartlett. From there they went to Teserve and on to Glenwood where they walked the Catwalk. They went on to Ruidoso and stayed several days with the Bartletts.

Linda Kahoa and Erin took Becky Settlemyer back to her home at Maplewood, Mo. On Saturday they all attended the Mills family reunion at the James River front home of an uncle and aunt, Howard and Madge Arthur of Nixa, MO. Linda and Erin returned the next Tuesday.

Rachel Richardson, Billie Stewart, Mr. and Mrs. Richard Snodgrass all of California and Rebecca Besser of WA visited their aunt Birdie Whipkey while they were here for the Miller reunion held at Leona and Woody's. Rebecca got the prize for coming the longest distance.

We nearly forgot to vote but remembered in the nick of time. Voted 54 at Dempsey. They had a whole slew for Corporation Commissioner. We hardly knew which to pick. Joe's mother was a Morgan so I said let's vote for cousin? Charley Morgan. To our great surprise he came out ahead. He must of had a lot of cousins scattered around.

While they are so stirred up about Quayle and his derelictions, I'd like to know how he got into that big college without passing grades. Bush didn't show many signs of greatness when he selected Quayle on the strength of

Ain't It The Truth

By Ab Gunter

Been watchin a little bit of the Republican Convention in New Orleans and they act just like the Democrats in Atlanta. Got more promises than an Insurance Peddler and yet one of em will be our next President and Vice President. Of course this method of getting a President ain't new but the T.V. and News Media ain't helping much. Now them Jokers are the culprits in about most anything they get their Little Grimey Noses in. If a couple of dozen of them birds would come to town and start their investigations they could destroy the whole community and have everybody in Jail but Uncle Pete Mayfield and Mr. Smith that has been around over a hundred years. I think these two gents would find a single tree and start whailing some knobs and run them dudes and dudettes off. I have never seen any breed of folks that are so arrogant, rude and pushy in my life. I wish we could catch a dozen or two of them er ah, I think Sheriff Dorman called em Cunnythumbs, and have every one of em strip down to their skivies and fess up to their Un Deeds. You would be surprised at what they have done that they don't want their wives or husbands to know what they have done most certainly they wouldn't want their preachers to know. Those folks will swarm a victim like a bunch of Hunting Dogs will gather around a Coyote.

I hated to see the National Guard being jumped on just to cut and swing at Mr. Quail. I don't know anything about the feller cept he's a Republican. The Media says he got in the National Guard to keep from going to Vietnam er someplace. During the War with the Japs I was sure proud to see all them boys from the National Guard. I fought rite along side of a bunch of the boys and proud to have them over there. I have been around a lot of National Guard Post and glad we have them, not just for War but those boys go to Floods, Storms, and Disturbances all over the country and we should be very proud and tell them we are. I hear some say "Ole So and So Got To Stay At Home" Now wouldn't that be something for every body to be Overseas and not leave anyone at home to keep food, clothing and all the other things needed to fight one of them Wars. Really life has to go on come whatever and for News Hungry Reporters to start giving the National Guard such a fit just shows me what kind of folks we got reporting news. You would think all of them worked for the National Enquirer wouldn't you??? Bet Uncle Wesley Lizard and Frank X Tolbert wouldn't put up with that malarkey.

Love to all Ab and Benita. I think Benita is out gathering peas to can.

what a secretary told him. Never talked to him, himself, he said.

I wish they'd get down to the nitty gritty and talk about what they aim to do about the trade deficit, the national debt, Aids, drugs, crime and non-punishment, foreign policy and Iran Gate.

All the time Reagan was cutting taxes ? and adding those revenue enhancers till it equaled out, he was spending money like it was going out of style. Don't say it was congress. The buck stops at the president's desk and it's his business to tend to things.

Saw the Clyde Dodds. Their kids Billy and Clydene Eswick have been here visiting from Childress.

Debra Hill and Kim Bosell are enrolled at SWOSU. Anna Perry is going to Sayre Junior College.

Lavelle and Alberry Webster celebrated their golden wedding anniversary with a family dinner Sunday at the Quartz Mountain Lodge. Lavelle said she looked out at 6 o'clock to see if Todd was there and lo and behold there was a limousine parked out front. The chauffeur clad in a black uniform with a gold cummerbund was coming up the drive. Todd and Joyce had arranged for the limousine to come from Amarillo as a surprise. Needless to say, it was a wonderful occasion.

There have been many 59th and even 60th anniversaries this year. The way the divorce rate equals the marriages now, the young generation may be married fifty years but it is sort of doubtful if it is to the same person.

The Atchley clan had a reunion last weekend. Present were Jerry and Gloria Atchley of Farwell, Mr. and Mrs. Danny Speers of Bridgeport, Mr. and Mrs. Roger Atchley, Clay and Chad, of Moore, Dorman, Gayla, and Elizabeth Dorman of Edmond, Rena Walker of Atoka, Oleta Iverson, and Veda Miller, Amarillo, Larry Atchley of Grapevine, Mr. and Mrs. Lee Brewer and Dustin, Betty Winn, Johnny Wilhelm, Tommy Berry, Trey Brown all of Elk City, Elec and Beaulah Atchley, Mr. and Mrs. Melvin Jarnagin, Mr. and Mrs. J.C. Fuchs and Crystal, James, Sue, Misty and Tammy Keathley from here. And Mr. and Mrs. Kenny Newell and kiddos.

Leonard and Lois Bryan visited Arnold Rice at the OKC hospital Wednesday. He is quite better.

Patricia Sargent of Apache Junction, AZ. visited the Albert Bryans and Terry Davis last week. She and Terry went to Pampa to visit Tonya Davis over the weekend. Also there were Kent, Connie and the baby.

The Kitchen Band went to Hensleys Home with a good crowd out. They took a holiday over fifth Tuesday. Will be at Erick home 1st Tuesday in Sept. At Town Hall, 2nd Tuesday, Elk City Home 3rd Tuesday, and Hensleys 4th Tuesday. Time 2:30. The Dosses were unable to be there as her aunt Jay Lewis of Texola is very ill in an OKC hospital. Jack Mercer is in Veterans Hospital at OKC. Troy Gibson was also absent due to illness.

Congregational Concerns
Sympathy must be expressed to Vergia Reagan and her family upon the recent death of her brother. The funeral was held last Friday in Clyde, Texas.

From The Minister's Desk:
A paradoxical character in the American Revolutionary War was Benedict Arnold. At the beginning of the war, Arnold was a general who served with impressive distinction in the army of the Patriots. But he eventually became a traitor and served in the British army until the war ended.

Many historians have tried to explain why General Arnold, an officer of outstanding military character, would "turn traitor". Some have suggested that it was because he thought that General George Washington received more praise from the Continental Congress than he did.

For example, it is reported that he once complained to another officer: "My troops are better trained, better dressed, and better fighters. My troops and I can even march better than Washington and his troops." "But," the other officer replied: "General Washington and his troops can march without a drummer."

To serve with little or no recognition, is more than a characteristic of a good soldier. It is a characteristic of the disciples of Jesus. In the Sermon on the Mount, Jesus described His disciples as "...the light of the world." (Matthew 5:14).

As "...the light of the world..." the disciples of Jesus will attract attention. But they should always direct this attention towards God

In old England, the word "child" referred only to a girl.

and not themselves. When Jesus described His disciples as "...the light of the world..." He also said: "Let your light shine before men in such a way that they may see your good works and glorify your Father who is in heaven." (Matthew 5:16)

Notice that Jesus stated that the purpose of His disciples' --good works-- was to glorify God, not the disciples who do them.

Thoughtout His ministry, Jesus sternly condemned the use of discipleship for personal glory. For example, Jesus taught: "Beware of practicing your righteousness before men to be noticed by them..." (Matthew 6:1). With this admonition, Jesus did not prohibit His disciples from practicing their righteousness --"before men--" But he did prohibit His disciples from practicing their righteousness --"before men to be noticed by them--"

Disciples of Jesus are "...the light of the world...". What stars are to the darkened sky, disciples of Jesus are to a world that is darkened by sin. Their righteous lives should shine brightly and distinctly --"before men--". But they should resist any temptation to glorify themselves and not God.

As the "...light of the world...", the disciples of Jesus should march without a drummer.

WOMEN'S FALL FASHIONS - SIMPLE LINES, NEUTRAL COLORS

Stately classicism in women's clothes is big news this fall, but with a twist: Pants are back. Not since the seventies have designers been featuring pants as they have this season, dressed up as part of a suit or dressed down for casual wear.

What distinguishes the new pants from those of the past, explains The Soap and Detergent Association is that women now have a certain freedom of choice. Just as skirts can now be worn long or short, pants can be worn tight or full-cut. They may be full-length or cropped short. Whatever the style, they are usually high-topped at the waist to lend a slim sophisticated look.

So what makes this fall's clothes classic? The answer is threefold -- neutral colors, luxurious fabrics and simple lines. The neutral colors that are especially popular are grey, navy, black and warm tones of beige, brown and taupe. Neutral colors in suits, dresses and pants are brightened with jewels, brights or porcelain tints.

Porcelain tints are bright colors that have been softened to the point of becoming almost dull. The leading shades are salmon, orchid and periwinkle. They are combined with neutrals or darks for understated appeal. This fall's darks are not somber, but deep and jeweled. They include rust, wine, plum, teal, cognac, forest green and blue purple.

Fabrics tend to be natural, with cotton and fleece as leaders. Many designers are blending spandex with other fibers, not for stretch in a tight fit, but rather so clothes fall easily and move with the body. So read labels to determine how to care for them.

This year's cottons are soft and drape easily. Cashmere and wool/cotton crepes are popular, as are marled and hair-effect yarns. Cable stitching and argyle patterns add interest to knitwear. Plaids, both big and small, make up the major patterns of the season, with houndstooth a close second. Stripes and polka dots are popular, as well.

Suits and sweater sets are important. Jackets may be cropped or long and figure-shaping. The cropped versions are often worn to offset high-waisted pants. Perhaps boleros do the job best. Short, waist-hugging plaid jackets are seen with long pleated skirts or tailored pants. Boxy blazers set off snug pants.

Slim mid-calf skirts are often coupled with classic cardigans or tight sweaters. Scooped necks give the long lean look an added dimension. So do off-the-shoulder cuts, which are popular for long jackets. Turtlenecks extend the lean look as far as it will go.

Short is still alive, but skirts this fall are slim and flattering. The favorite length for short skirts is just grazing the knee, although some designers prefer variations that are a few inches longer. The favored length is mid-calf.

Short-short minis are pretty much out. The fashion is to be elegant, not shocking. Short skirts are worn with almost any kind of top -- tight sweaters, short boxy or long shapely jackets.

Although the slim, Greek-column look is in, some designers still advocate more elaborate lines. The peplum is not dead, for example. The

overall look is still body-conscious. Clothes are designed to show off the female form, yet some designers claim to have been inspired by 18th century menswear or by traditional Amish garb. And although this season's slim look is reminiscent of the thirties and fifties, one designer reports her clothes are "sixties in feeling."

Grady Dodds Will Celebrate 50th Anniv

On September 10, 1938, Mary Margaret McCarroll became the bride of C.G. (Grady) Dodd. Mary Margaret is the daughter of John and Mattie McCarroll is Briscoe and Grady is the son of Joe and Florence Dodd of Gageby.

After graduation from Briscoe High School, Grady attended Texas Technological College in Lubbock, and Mary Margaret attended Texas Women's University in Denton.

The couple exchanged vows at 6:30 in the evening in the parlor of the Reverend Gordon Bayless, the minister of the Baptist Church in Pampa. The vows were symbolized by a wedding band still worn by Mary Margaret and witnessed by Mrs. Bayless. In sockfeet, Reverend Bayless conducted the solemn ceremony.

Following a weekend trip to Amarillo, the newlyweds made their home in a small two-room house in the Gageby community where Grady worked for Joe Hefley. A special asset of this home was a beautiful plum thicket.

In 1939, the couple moved to Mobeetie to start a farm and to await the arrival of their son, C.G. Dodd, Jr. Being the first grandchild, he was the pride and joy of the McCarroll and Dodd grandparents.

They soon returned to the Gageby community. After a short stay in Gageby, the young family moved in 1941 to Amarillo where Grady worked for the Amarillo Paper Company and the Santa Fe Railroad Company. The couple welcomed the birth of their daughter, Jacquelyn, in 1943.

In 1947, the family returned to the Briscoe community to live on the McCarroll homestead which had been purchased by Mary Margaret's father in 1919. In 1949, the third child, Diane, was born.

The Dodd-McCarroll families have been prominent in North Wheeler County for many years. After farming and ranching for forty years on the McCarroll homestead, Grady Dodd and his bride, Mary retired to their current home in Wheeler.

This Saturday, September 3, 1988, the children and grandchildren of Grady and Mary Margaret Dodd will celebrate the 50th anniversary of this union with a reception for family and friends in the Fellowship Hall of the First United Methodist Church in Wheeler from 3:00 to 5:00 p.m.

Whoever the couple are their children C.G. and Rosemary Dodd, Wheeler; Jackie and John D. Foreman, Lubbock; Diane and Jack Cody, Graham, Texas. Also joining in this special event are their grandchildren Sheree and Gary Nieder, Dayton, Ohio; Laurie Foreman, College Station, Texas; Lisa and Paul Bentley, and Joel Dodd, Lubbock, Texas.

Special greetings are extended from Mary's brothers John McCarroll, Jr. of Arlington, Texas, and Fred McCarroll of Portugal; Grady's brother Earl Dodd of Las Vegas, Nevada, nieces, nephews, and other close relatives.

PROPER ATTIRE A NECESSITY

ROAD RASH ONLY SKIN DEEP?

The following article was taken from cycle magazine and written by Peter Halesworth. It explains how important it is for motor cyclist riders to wear proper clothing as well as helmets.

"For many riders, road rash is merely a badge of good luck-proof of a fortunate escape from greater injury. Skin heals as if by magic, and once a rider gets beyond the scab stage, all is forgotten.

Because it usually takes care of itself, skin is easy to ignore; most people don't even know what the body's largest organ does beyond its role as a package wrapper for their insides. Among other functions, skin cells monitor body temperature, break down hostile carcinogens, and execute trespassing bacteria.

No matter how versatile it is, your hide cannot protect itself from a slide down the road. Without an effective covering, the skin is vulnerable to three degrees of burns and you run the risk of bone grinding, substantial blood loss and trauma complications. Severely abraded skin also leaves an inroad for bacteria. Harry Hurt-of the University of Southern California's Traffic Safety Center, and America's eye on motorcycle safety-recalls a tragic and extreme case:

"A guy wearing only his bathing suit jumped on his 350 and headed for a swim at his girlfriend's house just down the street. He dumped it at only 37 mph, fell on his right hip, and then rolled onto his left shoulder, forehead and left scalp. He suffered one large abrasion 20 inches long and eight inches wide. Twenty-eight percent of his integument (skin and scalp) suffered from bleeding abrasion.

They brought him to the emergency

room, and then later put him in intensive care. He died a week later of staphylococcus and sepsis infection.

This is the extreme, but it was a fall at only 37 mph. Without body covering you expose yourself to spectacular danger with a capital 'D'."

In Australia in 1982, The Royal Brisbane Hospital Burn Unit completed a thirteen-and-a-half-year study of motorcycle burn injuries under the direction of researchers Dr. Stuart P. Pegg and Dr. T.D. Mayze. Here is a sample of their findings:

-In the Major-burn unit, injuries associated with road friction comprised 29 percent of the sample (45 percent had hot-metal burns);

-The median inpatient stay for all burn victims was eight days, with a range from one to 186 days. The size of the friction burns presented a particular challenge for speedy rehabilitation;

-Forty-six percent of the friction burn patients had injuries to both upper and lower limbs, and a further 27 percent had injuries to either upper or lower limbs. The most severely abraded riders were wearing minimal clothing-usually shorts, light footwear and a cotton T-shirt-at the time of injury;

-Most common were second-degree (friction) burns, with deep partial loss of the top layer of skin (the epidermis) and the creation of "tattoos"-dirt and rock ground deep into the skin;

-Analysis of data from accident sites led the researchers to conclude that "suitable clothing would have prevented most of the injuries."

For these people, road rash was not a badge of good luck at all."

The moral is, if you ride cover up well from head to toe.

the downside the past few years but the Bronchos are considered a dark-horse in District 1-2A this campaign. Second year head coach, Hulon Kirkland has scraped the wishbone on offense and the Bronchos will run from the Veer and will use a basic five man front on defense after running the split-4 last season. The Bronchos fashioned a 3-7 record in '87.

Only quarterback Shawn Bradstreet returns in the Mustangs backfield in the starting position that he held down last year. Shane Guest has moved into the tailback slot and Kyle Sword will be the starter at the split back position. Michael Kenney and Ronnie Hungate are in a battle for the fullback position.

Line play will be led by down linemen Chad Bentley and Sam Zepeda who will move to linebacker on defense.

Because of their winning tradition, all of the Mustangs opponents will be gunning for the Black and Gold in hopes of putting a blemish on the Mustangs record. Winning tradition works both ways as the Mustangs will

be fighting to add to their victory column.

"We are real young and depth will be a big problem for us this year but our young men will get with it and they know what it takes to win", Coach Karcher said this week. The Mustangs will use only a 15-16 man varsity as most of the freshmen and sophomores will make up the JV squad which will play Clarendon on Nicholson Field Thursday night at 6 p.m.

Friday's kickoff in Clarendon is slated for 8 o'clock and a large following of Mustang fans will be expected to see their team in action.

PeeWee Football

A meeting has been called for Fourth, Fifth and Sixth Grade boys to play Pee Wee Football. The parents are urged to attend the sign-up meeting on Tuesday, September 6. The meeting will be at 7:00 in the First United Methodist Church Fellowship Hall.

The sign-up will follow a discussion of the upcoming Pee Wee Football season.

sent him a few leftovers.

Last Thursday a group of people boarded a baptist Church bus, with Pastor Robert Helsley as the driver and made a trip to see "Texas" in the amphitheatre in Palo Duro Canyon. Those making the trip were Bro. Helsley's wife Pat, their friends Edward and Lenora Powell from Anna, Texas, Lavelle Stephens, Hestell Killingsworth, Jewell Holloman, Fannie Mae Bradstreet, Erma and Ed Riley, Randy and Tammy Rives, Ed and Gladys Pannell, Jack and Carla Sparlin, Lola Holcomb, Clara Holcomb, Willie Mae Hamilton, Opal Hutchinson, Jesse and Curtis Moore. This event was planned for the Golden Agers but they are always glad for younger ones to go along.

Last week Mr. Elbert Killingsworth of Sayre, Okla. passed away. He was the oldest of the Killingsworth family. Those of this community to attend the funeral was a brother Mr. and Mrs. E.J. Killingsworth and son Jerry, a sister-in-law Mrs. Hestell Killingsworth and a niece Jo Ann Simmons.

Last Wednesday Melinda Whorton spent the day in Canadian with a friend Dana Devers. They drove to Perryton in the afternoon.

Here & There

By Laura Guthrie

Isn't every thing just rounding out beautifully and in harmony. Cool weather with a bit of rain, school beginning, the first football game of the season, a Holiday and picking a bunch of apples. Isn't it all great? Something for everybody.

And I guess it makes people feel like having parties. I know of a couple.

Mrs. O.L. Forrester celebrated a birthday last Friday. She isn't real spry since she has been out of surgery for a short time. Ed and Patricia Forrester cooked her a birthday dinner. The other guests were Esther's husband, O.L., a son Glen from Decatur, and a sister Mrs. George Selvedge and husband from Stinnett.

On Saturday night Tim and Melinda Whorton had a Birthday Dinner party for her friend Dana Devers from Canadian. Other guests were Dana's small son Ryan, her parents Mr. and Mrs. Curtis Warren from Canadian, Lydia Guthrie and myself. Dana's husband Roy could not come but we

Sweetwater Creek Bird Dog Club National Shoot-to-Retrieve Field Trial

The Sweetwater Bird Dog Club held its first National Shoot-to-Retrieve Field Trial of the 1988 Fall season on August 20th and 21st. The trial was held on Greg Smith's place just North of Wheeler. The trial was completely full with 64 dogs coming from as far as Texarkana and all points in between to run in this two day event.

Emerging as the overall winner, and taking home the trophy buckle, was Brute's Texas Addition, a pointer female owned and handled by Frank George of Amarillo. "Dixie", as Frank calls his dog, finished 3rd on Saturday and 5th on Sunday.

Saturday morning greeted the triers with absolutely no wind and warm humid conditions. It wasn't until the 14th brace that 1st place honors were nailed down. Stylish Little Joe, a pointer male owned by Vernon Baggerman of Pampa and handled by Larry Kerr of Amarillo (KVII-TV hotline editor), had 4 finds, 4 retrieves, and a back for a total score of 721.5 points. In the next brace came the 2nd and 3rd place finishes for the day. Feddler's Texas Smoke, a pointer male owned and handled by Don Reynolds of Amarillo, had 3 finds, 2 retrieves and a back for a score of 689 points, and Brute's Texas Addition had 3 finds and 3 retrieves, for a 646 point production.

On Sunday, conditions were somewhat improved with the addition of a nice Southerly breeze. The early braces proved hard to beat with Warrior's Gidget, a pointer female owned and handled by Don Seely of Weatherford, Texas running in the second brace racking up a score of 746 points with 3 finds, 3 retrieves, and a back. In the third brace came High Plains Tex, owned and handled by Mark Swaim of Amarillo. The pointer male had 3 finds, 3 retrieves, and a score of 709 points. These scores held up all day and it wasn't until the 15th brace that Sugar Daddy Sue tallied an impressive 785 points on 5 finds and 3 retrieves to take first place honors.

Trial chairmen Greg Smith and Bill Morrison would like to offer special thanks to the Wheeler Vet Clinic, Wheeler Lumber Co., Lee Hardware, Danny Mitchell, Wesley Buice, Wheeler Co-op, Velasquez Ben Franklin, Maxey's Steakhouse and to the many local spectators that made this event such a huge success.
