## WHITE DEER DEFEATS MUSTANGS IN DIST. PLAY

By Sonny Bohanan  
Pampa Sports Writer

Early fumbles, combined with some talented running and passing by White Deer quarterback Bart Thomas, took their toll on Wheeler as the Bucks raced on to a 34-6 District 1-A victory over the Mustangs in White Deer Friday night.

Less than 13 minutes into the game, both teams had turned the ball over twice. Whaty they did with those fumble recoveries made all the difference.

The Bucks converted each into Bart Thomas touchdown sweeps. The Mustangs were unable to move the ball on either occasion.

"These guys have got more heart than a dadgum organ bank," White Deer coach Windy Williams said of the Bucks. "Even when we fumbled the ball, we came back and made up for it. That's the sign of a great team."

Thomas was directly involved in every White Deer scoring strike,

### From The Minister's Desk:

John Quincy Adams was the sixth President of the United States, serving from 1825 to 1829. One of the most important accomplishments of his administration was the establishment of the Bureau of Standards. According to history, President Adams reported to Congress that there was no standard measurement or standard weight for the nation. In his report to Congress, president Adams exhibited two one pound weights, saying: "The weight in my right hand came from Massachusetts; the one in my left hand came from Maine. Gentlemen, one of these weights is nearly an ounce heavier than the other one." The result of President Adams' report to Congress was the establishment of the Bureau of Standards, which has continued to maintain absolute weights and measures for the nation.

While we recognize the importance of a standard for weights and measures, do we recognize the importance of a standard for life? Consider these two facts.

1. Life demands a standard. Without a standard of good and bad — right and wrong — goodness and wickedness — life would be a catastrophe.

2. The Bible — the word of God — is the only acceptable standard of life. The Bible declares that it is a completely sufficient standard for faith and practice. It says: "—His divine power has granted to us everything pertaining to life and godliness—" (II Peter 1:3) it also says: "All scripture is inspired by God and profitable for teaching, for reproof, for correction, for training in righteousness; that the man of God may be adequate, equipped

worship service, a fellowship luncheon will be held in the multi-purpose building.

Dub Goad has been hospitalized in St. Anthony's Hospital in Amarillo with some heart problems. But tests have shown that the problems are not real serious. He should be released later this week.

Eunice Edwards is hospitalized in the local hospital. Opal Daughtry was hospitalized in the local hospital over the weekend, but was released last Tuesday morning.

Estelle Burgess and Ardie Martin are not feeling well. Both of them are confined to their homes.

for every good work." (II Timothy 3:16-17)

Life demands a standard and the only true standard for life is the Word of God. It is the only standard upon which people should determine their faith and practice.

Someone has said: "The Bible contains the mind of God, the state of man, the way of salvation, the doom of sinners and the happiness of believers. Its histories are true, its doctrines are holy, its precepts are binding, and its decisions are unchangeable. Read it to be wise, believe it to be safe, and practice it to be holy. It contains light to direct you, food to support you, and comfort to cheer you. It is the traveler's map, the pilgrim's staff, the sailor's compass, the soldier's sword, and the Christian's charter. Here paradise is restored, heaven is opened, and the gates of hell are disclosed. Christ is its subject, our good its design, and the glory of God its end. It should fill the memory, rule the heart, and guide the feet. Read it slowly, frequently, and prayerfully. It is a mine of wealth, a paradise of glory, and a river of pleasure. It is given you in life, will be open at the judgment and will be remembered forever. It involves the highest responsibility, rewards the greatest labor and condemns all who trifle with the holy contents."

The Bureau of Standards in Washington, D.C. maintains absolute weights and measures for each of the measurements that are used by our society. And the Bible—the word of God—is the only absolute standard for life.

Read it slowly.  
Read it frequently.  
Obey it honestly.

Combine flour, baking powder, and salt; cut shortening into flour mixture with a pastry blender until mixture resembles coarse meal. Add milk, stirring just until dry ingredients are moistened. Turn dough out onto a lightly floured surface, and knead lightly 4 or 5 times.

Thomas Daughtry brought in a 1 lb. 9 oz. pear picked from his tree at 803 Canadian St. in Wheeler. The tree is about 12 years old will produce an estimated 12 bushels of fruit this year.

Roll dough to a 12-x 9-inch rectangle. Spread apples evenly over dough; roll up, jellyroll fashion, beginning with long side. Cut into 12 (1-inch) slices; place slices, cut side down, in a well-greased 13-x 9-x 2-inch pan. Pour sugar syrup around slices; bake at 375° for 40 minutes or until golden brown. If desired, serve warm with vanilla ice cream. Yield: 12 servings.

Lee Hardware has in a new shipment of White Mountain Ice Cream Freezers. You can buy a cheaper brand, but you can't buy better.  
Nancy was also showing me the Doctor Douglas Wonder Baker. Cornbread, biscuits, and any number of other good foods can be taken directly from the oven and stay warm during the meal. This can be used in the microwave or regular oven.

I 'pulled another one' last week. I ran the recipe for "Luscious Apple Rolls". I photo copied the recipe from the magazine so I would not make a mistake and then failed to 'paste in' the last paragraph. If your shredded apples haven't turned dark and your kneaded dough is not dried out, here's the recipe:

- LUSCIOUS APPLE ROLLS**  
2 cups sugar  
2 cups water  
1/4 teaspoon ground cinnamon  
1/4 teaspoon ground nutmeg  
2 tablespoons butter or margarine  
2 cups all-purpose flour  
2 teaspoons baking powder  
1 teaspoon salt  
1/2 cup shortening  
1/2 cup milk  
2 1/2 cups shredded cooking apples  
Vanilla ice cream (optional)

Combine first 4 ingredients in a saucepan; stir well. Cook over medium heat, stirring constantly, until sugar dissolves; stir in butter, set aside.

**Care Center Comments**

By Lois

We will soon be getting into the busy Holiday season. Plans will soon be made by many clubs and organizations to make this time of year more enjoyable for all our residents. This means so much to all who live and work at the Care Center.

Our Monday morning Bible Study with Mildred Porter was very enjoyable as usual. We appreciate her so. Mary Mitchell, Elva Wood, and

Megan of Azle, TX., Mr. and Mrs. Troy Ray of Casper, Wyo., Don's sister Sandra of Pampa, Pat Railsback of Amarillo, Roy and Willene Waters, Deb and Bob Kinnaman and children Tressa, Joe Bob, Corey and Kirbie and Shelly Hunt.

LouDean and daughters Sherry and Deb and granddaughters Tressa and Megan visited Billie and LeAndra Stuckey in Canadian Saturday afternoon.

(granddaughter) Amie Hubble came Monday afternoon to serve juice. These ladies have been gone on and off all summer. It was nice to see them again. Thank you to Amie for helping out.

Tuesday morning our first Auxiliary meeting for the coming year was held. There were 8 present, we had a very nice visit and enjoyed cinnamon rolls and coffee. These ladies do so much for the activities program. We want to welcome Erma Riley to our group.

Tuesday afternoon Robert Helsley and the First Baptist Church presented the residents with the October Birthday Party. Beverly Bryant, Naomi Speck and Debra Weatherly baked Angel Food cakes. Robert Helsley made lemonade (lots of lemonade!) and Randy Rives, Beverly Bryant, Glen Arganbright and Robert sang several hymns for us. Michelle Mix also helped serve. Thank you so much for the nice party. We all enjoyed it very much. John Porter 5th-1899, Ruth Rosenbaum, 17th-1904 were our only birthdays for October.

Wednesday morning Resident Council was held with approximately 12 residents in attendance. Many things were discussed and hopefully we can solve some of our problems. I like to see residents care enough to bother to attend.

Our bingo and juice cart volunteers Wednesday were Lola Holcomb and Erma Riley (bingo), Evelyn Meek and Alice Bell Helton (juice cart). Erma and Alice Bell are sort of new to the crew. Hope to see them again. We welcome new faces to our home.

Thank you to all who came to help.

Everyone was glad to see Johnny Reed and his gang. It had been a while since everyone was able to get together. We enjoy all of them so much. Thank you for coming.

Thursday morning the Christian Center ladies came as usual. These ladies are very much appreciated. I had to miss so I'm looking forward to next time.

The mending ladies from the Church of Christ came Thursday afternoon. There was a mountain of work. It took all of them to make a dent in it. Ruby Jones, Essie Finsterwald, Bea Smotherman and Ora Underwood worked for hours. They also delivered several new aprons (for use at mealtime) made by Ardie Martin out of material donated by Fern Rose (a former aide). We certainly appreciate all of the ladies for a job well done.

LaJaune Alexander and Lavelle Stephens were her Thursday afternoon to pop popcorn. Fine job ladies, thanks!

Dee Miller has donated some apples to the residents. Thank you so much.

Friday morning Mary Risner and I took a group of residents to visit the Twin Oaks Nursing Home in Booker. Lera Weehunt, Willie Anderson, Irma Wiebe, Janie Keelin, Callie Cabe and Connie Lambert joined them for lunch, toured the home and spent most of the afternoon visiting. Some of the residents joined them for their Friday afternoon bingo. Punch and cookies were served after bingo. We enjoyed the ride, visit and hope they will come see us soon. We also took them two crafts made in our Activity Dept. as a house warming gift for their new home.

Saturday afternoon Dewey and Lorena Adams' daughter and son-in-

law from Miami, Mr. and Mrs. Robert Riley were here to visit.

The Church of Christ came in the afternoon for worship. Thank you so much.

Mr. and Mrs. Jack Veazey and Elizabeth from Midland and Vivian Mitchell, Edna Pearl Abernathy from Shamrock came to visit Icy Littrell Sunday afternoon.

See ya next week! Lois

**Briscoe PTO October Meeting**

The Briscoe PTO met Thursday night, October 20th, at the Briscoe School. The pledge was led by the 4th grade class. A large number of family and friends enjoyed an interesting program presented by Ms. Evans first grade class and Mrs. Johnson's 2nd grade class. The high school and junior high cheerleaders showed the audience why they won several awards at summer camp by demonstrating several cheers and a skit.

Several ideas of interest were presented at the business meeting. The Briscoe Boosters, the Senior Classes of 1988 and 1989 and the PTO voted to purchase a community sign that will be located north of the baseball field. Community and school activities will be listed on the sign to keep the community informed of weekly events. A cow pattie bingo game is being sponsored by the above to help with the expense. The cost is \$5.00 per square with a \$50.00 prize going to the winner. The event will be held at the school carnival.

Everyone is invited to take part in the carnival, October 29th, beginning at 6:30 at the school. Booths will be open by all classes and there is sure to be something that will interest all that attend. Everyone is invited, so come on out and bring a friend!

The PTO voted to have a Mexican Pile-On supper on Tuesday night, November 22, before the first home high school basketball game. Watch the paper for more details. The next meeting for the Briscoe PTO will be scheduled for November when an open date is found. Make plans to attend all meetings and activities. Let's show our students we support them in all they do!!

# GOOD LUCK IN THE PLAYOFFS!

the Franky Suttons and going fishing in Club Lake.

Joyce Gilbraith said this was their 28th anniversary. She thought that was pretty good for a 29 year old.

Visited with a lot of folks in town. Saw Mr. and Mrs. C.C. Cox, Mr. and Mrs. Lowell Bennett, Wilma Fowler and grandson Tyler, Coy and Geraldine Bruner, Mr. and Mrs. Don Gordon. Winford Odom told me he was just out of the hospital after having foot surgery. Heard Lila Fern and Earl Sears have a new grandbaby (Terri's) but I didn't get its name.

Funeral services were Friday at Wheeler Baptist Church for Grace Barham. She and Bill lived many years here. Farmed and he was superintendent of the schools. Burial was in Wheeler Cemetery. Her children are J.B. Barham and Betty Anderson.

The Erick Kitchen Band, Strings and Things, went to the Elk Nursing Home Tuesday. If I'm not mistaken cotton is late, but looks good.

Katie Whipkey had a family get-together this week. With her were Harold Dean Whipkey of Cleo Springs, OK., Mr. and Mrs. Roy Brown of Ennis, TX., James and Florene Wylies of Perryton, Wilbur and Barbara Tillman of Vinson.

We parked at Bob Maine's. A car of smiling people pulled up beside us. It was those folks we grandma with from Willow. Carl and Inez McDaniel and their grandson Tommy from OKC.

We went up to Wheeler Care Center Wednesday night to help Johnny Reed entertain. Others helping were Rosalee Keelin, Briscoe, Johnny Grayson, Allison, Betty Brothers, Jack Criswell, Sayre, and Rebecca Hogue. Lawrence Aderholt sang a number and Mrs. Bledsoe made a speech of appreciation. Everyone had a fine time.

Johnny Smith of Sayre spent this week with his grandad Melvin McIntyre.

The schoolkids have enjoyed their short vacation. Cathy Oren said her Kenny was out with his grandparents

they are finishing their 12th year of playing. Those going were Rose Abila, Iona Miller, Jack Criswell, Betty

**Ain't It The Truth**  
By Ab Gunter

Mama and I just came in from hauling firewood, we had to go down in a ravine and get in and was hard to get out. Now I ain't bellyaching as the wood we got was hard hickory and had already been cut and split but it was still hard to get out of the gully. Our neighbor had a tree to blow down and was in the fence on his place. I helped him cut it off the fence and got the fence put back and a few days ago he told me he had cut the wood in fire lengths, split it and even would help us carry it out. Mama and I thanked him but thought we could get our little riding mower down through the trees and get the wood out with our little trailer. We ought to get all of it out tomorrow, that is the wood that has been split and then I got to get my wedges down there and split the rest of the wood, boy it's good Hickory and there must be over two cords in that monster.

A few months ago the wind blew the top out of a big Beach tree that was growing on the side of the road about a half mile West of us and it was hollow and very knarled and unusual. I had mentioned to Mama that it would be neat to have it in our Rose Garden, that we ain't got. She agreed and I mentioned it to the neighbor that owned the tree. He said we were welcomed to it and he offered to help me cut it down and even haul it to the house on his big hay fork. Well this past weekend Junior, the neighbor and I brought the big tree trunk up to the house where Mama wanted it and got it all leveled up and looks just like a big ole tree with the top broken out. We thought it looked very nice and just like it had grown where it is. Our neighbor just to the West came in his driveway the next evening and saw it and couldn't believe what he had seen and had his wife call Benita and ask about it. Benita told her that we had planted the seed and put some Texas Fertilizer on it and it just sprouted up. Maybe one of these days these Hoosiers will get used to us Texans either run us out of the country. See you next week, Ab and Benita.

Brothers, Billie and Basil Doss, Troy and Velma Gibson, Jack and Donna Mercer and we three. One act everyone enjoys our three dancers. Jack, Iona, and Rose. They can cut a mean Cotton Eyed Joe, Polka, Little-foot or whatever.

Band schedule for November is 1st Tuesday, Erick Home, 2nd Tuesday,

Town Hall, Sayre, 3rd Tuesday, Elk Home, 4th Tuesday, Hensley Home, Sayre, Time 2:30. 3rd Wednesday

night at 6:30 Joe will help Johnny Reed at Wheeler Care Center.

We shouldn't fault Bush too much for choosing Quayle. After all he could have picked Ollie North or Ronald Reagan.

Bush keeps bearing down on the Liberal. I thought Liberal meant free with the money. You couldn't get any freer with the taxpayer's money than this administration. They have spent more on the credit than all the preceding presidents. If America managed to pay off the national debt, someone else would probably own us. They nearly do now.

Saw in the paper where someone said for a working man to vote GOP was like the chicken voting for Col. Sanders. Gov. Clemens has been jumping up and down about Dukakis and the furlough program. He claimed to be horrified to learn that 5000 felons had been furloughed in Texas during his two years in office—517 of them murderers. At least one committed a felony while out and 14 escaped. I don't know which is worse for men in office to condone wrong acts or actually not to know about them.

We enjoy cousin Bob Phillips, the Texas Reporter every Sunday. Last time he featured John Erickson of Perryton and Hank the Cowdog. We check the Hank tapes from the Bookmobile and have a good laugh. Frankie McWhorter, our fiddling friend from Higgins, TX. plays on part of the tapes.

Bess LeGrand's grandson James, senior quarterback on the Erick team, has been invited to go to Russia next summer and play in the Sooner Stampedes over there. The Okies will be presenting exhibition football for two weeks in the Soviet Union. His parents are Frank and Alyce LeGrand. Other grandparents are Carl and Lois Jarnagin.

Esther Dickey's grandson Gary Mears spent last week with her. Did a lot of little jobs getting ready for winter. He lives at Graham, TX.

David and I visited the new offices of Dr. Jack Morrison. Really nice.

E.L. and Wilma Fowler and Emma Perry took in the balloon festival at Albuquerque. Drove over to Los Alamos where they tested the first atom bomb. Aunt Emma stayed to visit a while with Betty and Kenneth Allen.

Chatted a minute with the Harold Matlocks. They were here for the funeral of her aunt Selma McIntyre.

Mr. and Mrs. Ross Anderson visited Friday afternoon with Bertha Coffey.

Ledbetter caught a pass from Mitchell for the two point conversion and gave the Colts 8 to 0 lead.

Wheeler scored their last touchdown in the fourth quarter with a two yard touchdown plunge by Ledbetter. White Deer did not have a first down until late in the game. They ended with only two first downs. The Bucks scored with one second on the clock.

**Wheeler Junior Varsity Beat White Deer Bucks**

The Wheeler Junior Varsity upped their season mark to 5-0, with their 6-0 win over the White Deer Bucks. The stingy defense once again held their opponent scoreless, which gives them the distinction of being unbeaten and unscored on for the year.

The defense held the Bucks to zero first downs and came up with a crucial blocked punt in the final minute of play to insure the win. Isidro Salas, was credited with the big block with Brandon Childress covering the pigskin for the touchdown. Defensive players were Brandon Chick, Isidro Salas, Arthur Altamarino, Matt Smith, Travis Hughes, Mack Marshall, Brandon Childress, Jason

**White Deer**

From Page 1 including two touchdowns rushing and three more passing. For the season, he has tallied nine times on the ground and eight through the air. "We played a good, experienced football team," Wheeler coach Ronnie Karcher said. "We would have liked to get it together a little better, but we're young and inexperienced. And Thomas is a good quarterback—he killed us."

White Deer's Bryan Waitman topped both the rushing and receiving charts, covering 95 yards on 18 carries while hauling in three tosses for two touchdowns and 69 yards.

Jason Marlar found 75 yards on 11 totes, while Thomas totaled 71 yards on 13 attempts and completed eight of 14 aeriels for 139 yards. The Bucks finished with 422 total yards on the night.

Shane Guest, Wheeler's leading rusher, was limited to 39 yards on 13 carries. Quarterback Jason Wood hit on 6 of 12 passes for 66 yards, including the Mustangs' only score of the night, a 5-yarder to Kyle Sword.

**How To Study Workshop To Be Held**

Wheeler I.S.D. will have a parent training workshop on Tuesday, November 1st at 7:00 p.m. in the Wheeler High School Library. The video-tape "Where There Is A Will There Is An A".

The Bucks managed only three plays on the opening drive before losing a fumble to Wheeler on the White Deer 37. On the Mustangs' first play from scrimmage, Wood dropped back to pass. The ball was jarred loose just as he was releasing it and White Deer took charge on its own 44.

The Bucks second possession began in earnest when Thomas completed a 15-yard pass to T.W. Lowe and then sprinted 13 yards on the following play. Troy Cummins kept the drive

alive with an eight-yard jaunt to the three-yard line on fourth-and-two.

The Bucks were pushed back to the 9 when Michael Kenney dropped Thomas for a six-yard loss. The White Deer quarterback responded on the next play with a sweep around right end and into the end zone. A failed kick left the Bucks with a 6-0 lead midway through the first period.

Wheeler's Travis Hughes dashed for 10 yards following the kickoff, but the Mustangs couldn't convert again and punted away. Four plays later a Wheeler helmet popped the ball out of Thomas' arms and the Mustangs

again recovered on the White Deer 37.

Three incomplete passes forced a Kyle Sword punt that left White Deer deep in a hole at its own one-yard line. The Bucks couldn't dig themselves out and punted to the 42, where Wheeler took over with good field position. But on fourth-and-two, the Mustangs fumbled and White Deer

recovered at the 35.

Jason Marlar busted for 40 yards before being knocked out of bounds by Shane Guest at the 6. In an exact replay of the first touchdown, Thomas rolled right and took it six yards across the goal line. Brady Burns' kick put the Bucks up 13-0 with 7:38 remaining in the half.

Wheeler sustained a steady 10-play, 31 yard drive before losing the ball on downs at the White Deer 34. From there, the Bucks turned the tide of the game for good as they marched 66 yards downfield on the strength of 9 and 18-yard runs by

Marlar and 21 and 8-yard totes by Thomas.

Then from the two-yard line, Thomas rolled right again, but this time he caught everyone by surprise by throwing all the way across the field and hitting Daniel Gillespie, who was wide open in the left corner of the end zone. Burns' kick 19 seconds before intermission left Wheeler trailing 20-0.

"I was surprised that it got out of hand early like it did," Williams said. "But at the same time, I knew we were capable of that."

Wheeler managed only 45 yards and three first downs in the first half. During the same period, White Deer had gained almost 200 yards.

On White Deer's first play in the second half, Jason Marlar broke for seventeen yards and nearly found an open field before Kelly Aderholt brought him down. Thomas slashed for 15 yards and then hit Daniel Gillespie, again wide open in the end zone, on a 33-yard scoring strike. The Bucks led 27-0 with 7:43 remaining in the third quarter.

Wheeler lost a fumble on the first play following the kickoff. Each team managed one first down apiece on the next four possessions.

Midway through the fourth quarter, White Deer mounted its final scoring drive, which lasted 11 plays and covered 64 yards, culminating in a 30-yard pass from Thomas to Bryan Waitman.

In the closing moments of the game, Wheeler went to work to prevent a shutout. Wood scrambled for a 27-yard gain, then completed three consecutive passes, the final one a 4-yard TD toss to Kyle Sword. The run failed, ending the scoring for the night at 34-6 with 1:18 to go.

White Deer improved to 8-0 overall and 4-0 in conference play to remain atop District 1-A. Wheeler stands at 3-4 and 1-2 and fell to third place in the district standings.

The Mustangs meet Booker at Wheeler October 28.
