**JOINT INSTALLATION:** The Wheeler and Shamrock Kiwanis Clubs held a joint installation banquet Monday evening in the Fellowship Hall of the Methodist Church. Charles Wagner and Franklin Knoll were installed to serve Wheeler and Shamrock Clubs respectively as president. U. G. Berry of Amarillo, Lieutenant-Governor of Division VI Texas-Oklahoma District served as installing officer.

Installed to serve the Wheeler Club were Tommie Tennard, vice-president; Lewis Wright, secretary and Adrain Risner, treasurer. Officers for the Shamrock Club are Bobby Terry, vice-president; Rev. Keith Kubitz, secretary and Larry Cook, treasurer. Gus Dorman, David Britt, Lewis Wright, Lyndon Loyd, Jim Wright and Lowell Lasley were installed to the Wheeler Board of Directors.

Pictured above are the in-coming and out-going presidents of the Wheeler and Shamrock Clubs. Left to right are: Franklin Knoll, Charles Wagner, U. G. Berry, and Don Veerner and Kent Sims, immediate past presidents of Shamrock and Wheeler respectively.

## MUSTANGS TUMBLE TO CANADIAN BY 29-6

By David Britt

The Canadian Wildcats got their first win of the season last Friday night by a 29-6 score over a listless Wheeler Mustang team in an error plagued game that spoiled the Mustangs home opener and dropped them to a 1-1 record.

It appeared that neither ball club could do anything right in the first half as turnover after turnover marred the initial two quarters but it was the visiting Wildcats that finally took advantage of their breaks and had a 14-0 margin at halftime.

If it is a mighty big word and hindsight is much better than foresight but if the Mustangs could have taken advantage of their first break and stuck a TD in for the lead, it might have been a different story.

But, the Mustangs couldn't do it and from that point on, the Wildcats earned the fight to the favored Mustangs. Putting it simply, it appeared that Canadian wanted this win more than Wheeler.

Wheeler took the opening kickoff, and with the aid of a 15 yard penalty, moved smartly to the Wildcat 39 where the drive stalled and Jim Verden

booted the ball out of bounds at the Canadian 17.

Don Brown, who was one of the Mustangs shinning lights throughout the game, recovered Robert Wilson's bobble at the Canadian 16 on second down after the punt and Wheeler was in business.

Three plays picked up 5 to the 11 and the Mustangs elected to go for the first with Brown on a keeper but the Mustang quarterback was hit behind the line and it mattered little that he lost the handle on the ball and the Wildcats recovered as Canadian would have taken over on downs.

From that point on, it slowly went downhill for the Mustangs even though at times it seems as Wheeler might make a comeback.

Marty Carr stunned the Mustangs on the first play following the aborted Mustang opportunity when he broke loose on what appeared to be an 88 yard touchdown run but it was nullified by a clip at the Wheeler 29 and the Wildcats were at the Mustangs 44.

The next seven minutes saw 6 turnovers before Canadian got its first touchdown at 0:58 as Carr swept the Mustangs left flank from 11 yards out on a quick pitch.

Wheeler stopped the Wildcats with a fumble recovery at the 11 at first but turned it right over to them again as Dan Helton fumbled and lost it.

Forcing Canadian back to the 16, the Mustangs appeared to have stopped the visitors once again as a field goal try on fourth down was no good.

In their eagerness to block the three point attempt, the Mustangs roughed the kicker and Canadian had new life on the Wheeler 7.

Two plays later, Canadian fumbled for the second time and Verden recovered at the 1 but it just took Wheeler three plays to give the Wildcats another chance when Dell Ford was jarred loose from the ball at the 11.

Carr got his TD on first down and Scott Hand booted the extra point.

Wheeler lost their fourth fumble of the game just two plays after Carr's touchdown as Mike Izard got separated from the pigskin by the interior of the Wildcat defense and

Joe Anderson recovered at the 21.

It only took Canada three plays to cover the 21 yards and Russ Hubbard got the six pointer on the second play of the second quarter with a nine yard burst up the middle. Hand made it 14 and the Wildcats were in the drivers seat.

Wheeler got to the Wildcat 43 with a 15 yard pass completion from Brown to Robert Wills but that was as far as the Mustangs could penetrate Wildcat country the rest of the quarter.

Just as in the first half, Canadian presented the Mustangs with a break at the beginning of the second half, but again Wheeler couldn't cash in.

A bad snap on a punt put the Mustangs on the Wildcat 42 and that 14 point lead didn't seem insurmountable but a pass completion of 11 yards from Brown to Von Chapman went for naught as Canadian held and took over on their 22.

Trying not to be outdone in the error department, Canadian blew two golden opportunities to pad their margin in the third quarter 2nd early in the fourth.

A tipped pass just off Will's fingertips was intercepted by Kevin Wilson at the Canadian 20 and Wildon returned to the Wheeler 15 but Hubbard fumbled at the 8 and Ricky Markham recovered for the Mustangs.

Wheeler had to punt and a short 18 yarder off Verden's toe only got out to the Mustang 35.

Wheeler held and forced an unsuccessful field goal try and took over on the 20 but Izard coughed up the ball on first down and

### MUSTANG NEWSLETTER

Only one day left to get ready to beat the Groom Tigers. Groom has a very good football team this year. They have won three games this year, and are presently undefeated. We really appreciated the support we got from our fans. We hope that you will continue to support the Mustangs this week and throughout the rest of the season.

The local chapter of the Fellowship of Christian Athletes has done an outstanding job of painting the bleachers at Nicholson Field. Members participating in this project were David Wright, Myron Jolly, Ronal Stas, George Elliott, Sammy Schaffer, Marvin Grimes, Miles Farnsworth, Randy Weaver, Jim Verden, Bill McIlhenny, and Tommy Weaver.

The Colts and the Mustang junior varsity will play Silverton at Silverton, September 25, starting with the colts game at 6:00 and the J. V. starting at approximately 7:30.

The outstanding offensive and defensive backs and linemen this week are: offensive lineman, Robert Wills; offensive back, Don Brown; defensive lineman, Ricky Markham; defensive back, Don Brown.

Remember, only 1 day left to beat Groom. Come out and support the Mustangs.

### A Report On The Mustang Band To

The Wheeler Mustang Band has undergone big changes this year in their band program in order to represent Wheeler with bigger and better performances.

The 1974-75 Wheeler High School Band had 76 members, which is a large band for the school size of Wheeler. So it was decided to form a Jr. high band with the 6th and 7th grade band members and make a more mature high school band. With the five graduating seniors of 75 and the ten band members of the high school moving to other cities, the Wheeler high school band is smaller than what I had expected. But this has not hurt the performance of the Mustang Marching Band. I think by 1976-77 school year you will see this band back in the high 60's in membership.

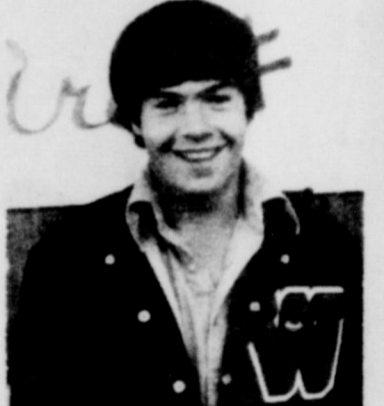

We have a good band to start a Jr. high band program and I feel very much like this is the year to divide and make our program the best possible for Wheeler Schools.

So for this reason I feel that the high school band members, which was 32 in 1972 and 76 in 1975 needs a rewarding band trip. The trip to Lubbock will be a rewarding experience as well as an educational experience.

The Texas Tech and Texas A & M Bands are the best bands in this area as well as being two different styles of marching bands. And for this reason the Wheeler Band Boosters has voted to use the money that was made by the boosters last year to charter two buses and provide this trip for the Wheeler Mustang Band. None of the money which is promised to the

### To The Mustangs

I won't waste much time talking about last week's game or to offer consolation because I know it wouldn't help.

Mustangs, when you go out on the field tomorrow night, don't think about last week's game, it ended when the seconds ran out on the clock, don't think about last year because it doesn't matter. Don't let the past scare you, it's gone and it can't hurt you. All that counts is the present and the future. Hopefully you will learn from your mistakes and be a better team for it.

I think that it is not nearly as hard to lose as it is to come back after a loss and to regain confidence in yourself. It can be done though, and remember we love you and we're behind you all the way!

The support from the fans last week was absolutely tremendous! We are certainly lucky to have such a concerned community. I would like to thank every one who came to the ballgame last Friday, and also remind you to come out tomorrow night and help the Mustangs beat the Groom Tigers!

WHS PEP CLUB

band students for the march-a-thon will be used for this trip.

I want to thank this community and the students and parents for this growth of the Wheeler Band department.

Mr. Larry Tracy

## POWERFUL GROOM TIGERS ARE FRIDAY FOE FOR THE MUSTANGS

From the frying pan into the fire is just about what the Mustangs face this week as the always strong Groom Tigers visit Nicholson Field and put the test to the Mustangs who will be trying to bounce back from that 29-6 loss to Canadian.

It has been back to the drawing board and a regrouping for the Mustangs this week and a much tougher foe for this task would be hard to find.

No one feels any worse about last week's defeat than the young men that participated in it but that is history and the Mustangs attention is now centered on the Tigers from Groom.

It seems as if playing

Wheeler brings out the best in Groom as Mustangs from the past can attest to and the Tigers certainly have the ability to go along with that desire.

As so many times in the past, the Tigers are led this year on offense by a young man by the name of Britten and the 172 lb. junior tailback has been the workhorse of the Groom offense.

Groom runs their offense out of variations of the T formation and will use the 5-2 first on defense.

Failing to get to the playoffs last year after a season closing loss to Lefors, the Tigers are odds on favorites to earn a berth this year and have been picked as the No. 3 team in Class B in the Panhandle and West Texas area.

The Mustangs were banged up in the loss to Canadian and whether or not all will be in top shape for the Groom battle is uncertain.

The Mustangs certainly shouldn't have any trouble in getting up for the Tigers and it should be quite a battle Friday night as both clubs will be out to prove

something. . . The Tigers that they can continue their domination of Class A teams and the Mustangs that they can snap back and not let that loss get them down.

"We know now some of the things that we can't do real well that we thought we could so we are just going to have to work harder all the way around," Coach Robinson said this week.

"That loss to Canadian really hurt our kids but they will bounce back and I think you will see a determined bunch of Mustangs on the field this Friday."

The coach went on to add, "I had some bright spots last Friday night but our overall play was poor, as was Canadian's, but we need to forget that game because Groom could be even tougher than Canadian."

After Friday night, the Mustangs will be in district play with Claude the first district foe. Kickoff for the Groom game is slated for 8 PM.

### Resolution:

**RESOLUTION NO. 1**  
WHEREAS, the voters of this county have given their authority to reject or have a Revision of the constitution of Texas, and WHEREAS, this will be submitted to the voters on separate propositions of which have been tested, and

WHEREAS, the present constitution has served this State almost a 100 years being upheld and being upheld as sound.

WHEREAS, the proposed revision would remove from the hands of the people much of their authority in the hands of the Legislature, and

WHEREAS, the proposed revision of the Constitution eventually cost the State billions of dollars in excess of the present expenditures

and also urge all voters of this State to vote NO on the separate propositions and also urge the Honorable Governor Dolph to take this position and help preserve the local government,

that a copy of this resolution be sent to the newspaper of Wheeler County.

PASSED AND ADOPTED on the 18th day of September, 1975.

### Mobeetie Holds City Election

Citizens of Mobeetie voted 59 to 9 in favor of continuing the City Services as it is at present time. The water system was recently purchased by the city of Mobeetie from A. C. Caldwell and the vote in favor of the city will improve the system as funds become available through other means. The nine voters were in favor of purchasing a loan from FIA for \$100,000 to upgrade the water system. Mobeetie also voted in favor of the city's first City Sales tax with more than a two one margin in favor of one cent city sales tax.

## TEXAS TALK

By George Richardson

Full impact of the farmer's ability to continually improve production is not realized by most of us. Demonstrating this point is a comparison of the total acreage planted now to that planted in the past. It's true the 218 million acres now being farmed in the United States is a lot of land... most people assume it's more than ever before. Fact is, it's considerably less than many years since 1900 and far below the record 359 million acres planted in 1929. Washington experts who keep the records say on the average two and one half million acres of cropland are deleted every year, some to urban development, but most to grassland or forestry. Offsetting this loss is the breaking of half that much new land, one and a quarter million acres. A net loss of over a million acres every year... research continues... methods change... production sets new records. Again and again.

Ann Eyer, Sherry Elliott, Evelyn, Della, Darla, Paul and Daniel Elliott, Frankie and Jr. Miller all of Wheeler, Mr. and Mrs. Charles Elliott of Pampa. The Normal Eyers were dinner guests, Frank George is feeling fair, Mrs. George reports. He is to report back to Cheyenne to the doctor in two weeks.

Leon Lane accompanied Nadene to Cheyenne as she went to work to visit his mother, who is due for surgery on Thursday. Tina and Leon Dean were visiting with their Grandma George while their folks were gone.

Sunday dinner guests in the Allen Reynolds home were Gary, Vickie, and Greg Boydston, and Sue Boydston and Bill Reynolds of Amarillo.

In the evening Gary, Linda, Kim, and Kevin Hall, Vickie, Gary, and Greg Boydston went to Shamrock to visit Vickie and Linda's grandfather, Mr. J. A. Reynolds. He is not feeling well at news time. By the time you read this we hope he will be feeling like himself again.

Hiram, Drenda and Brett has as their guest Friday night Drenda's mother, Mrs. Loretta West of Erick, Okla. Mrs. Clara Hill of Erick came on Saturday to pick up Mrs. West and return to Erick.

Friday morning found Carolyn Boydston and Cletus Greene on their way to Oklahoma City on business.

This past week the United Penecostal Church has been in revival with Reverend Wendell Elms as evangelist. His wife and son accompanied him to Allison. We hope they enjoyed their stay and met our townspeople.

Carl Giddens returned from Arkansas the first part of the week and left for Colorado on Friday to visit his daughter and family, Patsy, Don, Sheryl, Annette and Charlotte Stinnett in Buena Vista.

Loyd, Sandra, Kelly and Michael Hammond attended the Oklahoma State Fair and Ice Capades in Okla. City. They visited with Sandra's sister and brother-in-law, Ann and J. E. Merritt.

William and Tammy Cornell were dinner guests Sunday in the Bill Donaldson home.

The community was sad-

dened once again at the passing of friend and former neighbor, Ting Aderholt. He passed away after becoming sick on Sunday.

Our sympathy to Rita Grayson and the rest of his family. His passing will leave a void in the lives of those who knew him.

The Tommy Hayes family were in for the funeral of

Ting and visited the Clyde Dukes.

Our community welcomes the Joe Brown family. They have been here for awhile but I am just now getting it mentioned. We welcome them. The family includes four children, three of whom are now members of our classrooms. We are proud to have them join us.

Shot and Texas Childress were in with their sons over the weekend visiting with Rex and Virginia Miller. I'm almost positive they saw the Jake Childresses but don't have confirmation on that part. Tom Childress had a streak of bad luck last week. While playing he wound up with a broken collarbone. He's doing fine except sore from the brace he is in. Won't be long before you are back in good

shape again, Tom. Good Luck.

Our school is gradually nearing completeness. We only lack the cafeteria and gymnasium. The hall connecting the new building to the science building was open to passage this week. With the weather turning cooler and damp it will be nice not to have

to get out. The grounds are shaping up. Seeds and fertilizer have been applied. Won't be long before the dream of a beautiful new school will be completed. Everyone is anxious for it to be all completed and open. I'm sure we are all impatient with our anxiety for it to be finished. After the tragedy of losing all the school we only can count the days until it is complete.

Saw a few of the college kids home for the weekend I hope I didn't miss anyone but if I do please excuse me. I saw Donna Miller and Jim Miller in from Weatherford. Winston Rainey from Canyon.

Bob and Marylu Markham made a fast trip to Midland when they got word of David

Kinsey, Marylu's brother, had a heart attack and was in very bad condition. He has been a visitor with Bob and Marylu when he was younger. The last word received Sunday was improvement, hope this will be the report from now on.

places. I understand the rain didn't make the farmers a bit unhappy. They all sounds the farmers have a chance to make good crops all the way around this year. It's a time for a good year.

The FHA chapter held their annual hayride Friday night. A good time was had by all reports. The sponsors were Sharon Donald, teacher and Gene Rainey. Alton Berger helped out by chauffeuring the tractor for the group. It was at Lake June Clubhouse. George and Avis Park had Bob and Marylu Markham as dinner guests on Sunday. Then Monday Debbie, Bryan, and George had dinner with Bob and Marylu. It's nice to have him close by to visit.

## PUBLIC NOTICE

### SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS (S.J.R. NO. 11)

#### SPECIAL ELECTION NOVEMBER 4, 1975

### PROPOSITION NO. 1 ON THE BALLOT

Revising the separation of powers, legislative and executive provisions of the Texas Constitution. Article II, Separation of Powers, is amended to:

Provide that the powers of government of the State of Texas are divided among three distinct branches: legislative, executive, and judicial. Except as otherwise authorized by the constitution, members of one branch may not exercise any power properly attached to either of the others.

Article III, The Legislature, is amended to:

Continue the present structure of the legislature consisting of a senate with 31 members and a house of representatives with 150 members. The present organization and procedure of the legislature are continued except that the provision allowing closed executive sessions of the senate is omitted. Provisions on the conflict of interest of members of the legislature are continued, as is the governor's power to veto bills or line items in appropriation bills. The article provides for single-member senatorial, representative, and congressional districts. A compensation commission is created to recommend the compensation and allowances to be received by members of the legislature. The legislative compensation, set by law, may not exceed this recommendation and does not take effect until after an intervening general election. The article provides for annual sessions of 140 days in odd-numbered years and 90 days in even-numbered years, and a veto session of 15 days upon request of three-fifths of the membership of each house. The legislature may meet in organizational sessions prior to the convening of the legislature in regular sessions.

Article IV, The Executive, is amended to:

Continue the present status of the governor and all other statewide officers, and include the commissioner of agriculture as an executive department officer. The governor is limited to two consecutive terms. The governor is authorized to designate chairmen of state boards, and to remove gubernatorial appointees to state agencies for cause unless the removal is vetoed by the senate. The article mandates the legislature to provide a new governor-elect an appropriation so the governor-elect may organize an office prior to inauguration, and permits the legislature to grant powers of fiscal control to the governor. All governmental agencies, with several exceptions, have a life of not more than ten years unless extended by the legislature, and, at the regular session held in odd-numbered years, the governor shall submit to the legislature a report on the organization and

efficiency of the executive branch.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the SEPARATION OF POWERS, LEGISLATIVE, AND EXECUTIVE PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective January 1, 1976, except Article III, Section 5, which becomes effective January 1, 1981.

### PROPOSITION NO. 2 ON THE BALLOT

Revising the judiciary provisions of the Texas Constitution. Article V, The Judiciary is amended to:

Establish a unified judicial system consisting of the supreme court, court of appeals, district courts, and circuit courts. Existing county courts and county judges are continued until otherwise provided by law. All judges (except municipal judges), district attorneys and district clerks must be elected by the people. The supreme court and the court of criminal appeals are merged into a single court of last resort, and this supreme court is authorized to provide for efficient administration of the judicial system and to balance case loads. Individual rights for a trial by jury and appeal by the accused are continued. The state is granted the right to appeal in criminal cases in limited circumstances, and the legislature is permitted to establish methods of appeal to the courts from decisions of state agencies.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the JUDICIARY PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective September 1, 1976.

### PROPOSITION NO. 3 ON THE BALLOT

Revising the voting and election provisions of the Texas Constitution. Article VI, Voter Qualifications and Elections, is amended to:

Provide for registration and qualifications for voting including voter residency requirements to be established by law. A citizen of the United States who is at least 18 years of age and who meets the registration and residence requirements provided by law is a qualified voter unless the person has been convicted of a felony and for that felony is incarcerated, on parole, or on probation, or unless the person is mentally incompetent as determined by a court. Voting by the people in all elections must be by secret ballot, and the legislature shall provide by law for residence, registration, and absentee voting

requirements, for the administration of elections, and for the protection of the electoral process. The general election for state and county officers is to be held in even-numbered years on a date prescribed by law.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the VOTING AND ELECTION PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective September 1, 1976.

### PROPOSITION NO. 4 ON THE BALLOT

Revising the education provisions of the Texas Constitution. Article VII, Education, is amended to:

Provide that the Permanent and Available School Funds and the county public school funds are continued for the support of the free public schools. The State Board of Education is retained and the Permanent and Available University Funds are continued for the benefit of The University of Texas and Texas A&M Systems. A new Higher Education Fund for Texas is established for the benefit of colleges and universities outside The University of Texas and Texas A&M Systems. The state ad valorem tax of ten cents on \$100 valuation is continued as the source of revenue for the Fund. The ten cent higher education tax may be changed by law within the ten cent maximum. The legislature may allocate by law a portion of the Higher Education Fund to certain state vocational and technical institutes. The article provides that the public education system must furnish each individual an equal educational opportunity, but a school district may provide local enrichment of educational programs exceeding the level provided by the state consistent with general law. Authority to issue Permanent University Bonds is continued but the bonds may not exceed 30% of the Permanent University Fund.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the EDUCATION PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective September 1, 1976, except Article VII, Section 9, which becomes effective January 1, 1979.

### PROPOSITION NO. 5 ON THE BALLOT

Revising the finance provisions of the Texas Constitution. Article VIII, Finance, is amended to:

Provide that state taxes may be levied and collected only by general law and to prohibit any real ad valorem tax on state property or tangible personal property except the ten cent tax provided for in Article VII and a

tax of two cents on the \$100 assessed valuation to provide funds for the State Building Fund. Provides that all real property and tangible personal property must be taxed equally and uniformly in proportion to market value. Existing exemptions from ad valorem taxation are continued. The present deduction of motor fuel taxes for highway purposes and the Available School Fund is retained. The "pay-as-you-go" principle for the operation of state government is retained. The legislature shall establish separate formulas for appraising land to promote the preservation of open-space land devoted to farm or ranch purposes and may establish separate formulas for appraising land devoted to timber production. The \$3000 exemption from state ad valorem taxation for residential homesteads is continued and the legislature by law may increase this amount. A separate \$3000 exemption from ad valorem taxation by political subdivisions is provided for the residential homestead of persons at least 65 years of age and the political subdivision may increase this amount. The legislature by law may exempt from ad valorem taxation certain property owned by veterans' organizations, non-profit water corporations, and persons in need because of age or disability, and economic circumstance. The legislature may also exempt property to preserve historical, cultural or natural history resources. Taxpayers are provided a new method of correcting inequitable tax assessments by paying ad valorem taxes under protest and suing for a refund in a district court. State debt may be authorized by law only if approved by a two-thirds vote of each house of the legislature and submitted to and approved by a majority of the qualified voters of the state voting on the question. Public funds and public credit may be used only for public purposes and no public funds or public credit may be used to influence the election of a public officer. The article prohibits a retail sales tax on agricultural machinery or parts, fertilizer, feeds or seeds, prescription drugs or medicine, or food, except food sold by restaurants for immediate consumption. An assessment voted by marine food or agricultural producers on their product sales is not a tax if provision is made for the individual producer to receive a refund of the assessment when the producer does not desire to be assessed.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the LOCAL GOVERNMENT PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective on September 1, 1976.

### PROPOSITION NO. 7 ON THE BALLOT

Revising the general provisions of the Texas Constitution. Article X, General Provisions, is amended to:

Provide the basic requirements relating to public officeholders such as the official oath and residency requirements. The provision defining the separate and community property of spouses is retained, and the protection of a homestead from forced sale is continued. The legislature is required to protect certain personal property from forced sale. Current wages for personal service are not subject to garnishment. A private corporation may not be chartered except under general law, and no bank may engage in business at more than one place in this state. The legislature must provide for the regulation of bank holding companies. The present system of local-option elections for the prohibition or sale of alcoholic beverages is continued. The legislature is required to prohibit lotteries and gift enterprises but may permit certain bingo games and raffles. The presently existing provisions for retirement benefits of teachers and other public employees are modified to allow the state to con-

tribute more than 10% of the environment of the State of Texas is to be protected to implement and enforce this policy. No state funds may be used to remove surface water from the river basin of origin if the surface water is necessary to supply the reasonably foreseeable water requirements of the basin for the ensuing 50 years, unless the removal of water is sufficiently replaced to the point of removal from outside the state or is on a temporary, interim basis. The seaward beaches of the Gulf of Mexico and coastal submerged lands belonging to the state are held by the state in perpetuity for the people, and subject to reasonable limitations prescribed by law, the public has the free and unrestricted right of use and benefit of the beaches. The provision is continued that, except as otherwise provided by law, a rate of interest in excess of ten percent a year is usurious, and that if a contract does not specify a rate of interest, the rate under the contract may not exceed six percent a year. Discrimination against handicapped persons is prohibited, and a goal of the state is established to provide every resident access to adequate, comprehensive health care.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the GENERAL PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective September 1, 1976.

### PROPOSITION NO. 8 ON THE BALLOT

Revising the local government provisions of the Texas Constitution. Article IX, Local Government, is amended to:

Provide that the counties of the state are those that exist on the date of adoption of the local government article and that county boundaries may be changed if approved by a majority of the qualified voters in each affected county who vote on the question. Counties may be merged or county seats relocated if approved by two-thirds of the qualified voters in each affected county who vote on the question. The present elected constitutional county offices are retained and four year terms of office are provided. The voters of a county may create additional offices, eliminate offices, or combine the duties and functions of offices. The voters may also grant ordinance making power to the governing body of the county. Cities and towns having more than 1,500 inhabitants may become home-rule cities. Tax limitations are established for operating purposes for cities and counties and the legislature is required to fix debt limits for cities, towns, counties, and school and community junior college districts.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the LOCAL GOVERNMENT PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective on September 1, 1976.

### PROPOSITION NO. 8 ON THE BALLOT

Revising the mode of amending provisions of the Texas Constitution. The proposed article will be the last article of the constitution. If only Proposition No. 8 is adopted, the article will replace Article XVII of the present constitution. If other propositions are adopted, the article will be appropriately renumbered to remain the last article of the constitution. If all propositions are adopted, the article will be Article XI, Article XVII, Mode of Amending the Constitution of the State, is amended to:

Establish a procedure for constitutional amendments requiring a two-thirds vote of each house of the legislature and majority approval by the voters. The calling of a limited or unlimited constitutional convention with voter approval is provided. The question of whether to call a constitutional convention must be submitted to the people every 30 years.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the MODE OF AMENDING PROVISIONS OF THE TEXAS CONSTITUTION."

If adopted by the voters, will become effective September 1, 1976.

# Briscoe News

**By Vetola Parker**  
Briscoe community was saddened by the death of Ting Aderholt. We wish for her a speedy recovery.

Visitors in the Elgia Welch home over the weekend were Mr. and Mrs. Albert Mix of Okla., Mr. and Mrs. Buck Welch of Sayre, Okla.

The Welches received 8 1/2 inches of rain, it was needed and appreciated.

Last Sunday at the Elbert Zybach Ardell George of Canadian, Mr. and Mrs. Underwood of Mobeetie.

Saturday Elbert and Ruby Zybach shopped in Pampa and visited the Everett Goods.

Evalyn Meek and Dorene Barker visited Sophia Helton last week.

Dick Irvine family ate dinner Sunday with the Grant Meek's family.

Vetola Parker visited Alene Hall Sunday afternoon.

Claud Parker visited the

Colie Parkers Monday morning.

Saturday supper guest at the Dick Irvin's home were Leon and Vea Fillingim, Don and Kay Gatlin, Ricky and Larry, Dan and Rita Fillingim and Dallas, they celebrated Ruth Irvine's birthday.

Friday night Martha and Phoeby Meek, Tammie Tipps, Diana Sumpter went to the football game in Wheeler.

Jack and Evalyn Meek ate dinner with the Willis Fillingims Sunday and visited in Wheeler Sunday afternoon with Gaddy Vise and Mrs. E. E. Meek.

Some from Briscoe that attended the barbecue at Girls Town were David and Phillis Hefley, Bill and Karen Hefley, they dedicated a building in honor of Marvin Hefley.

**LIBRARY NEWS**  
Quite a few people are supplying paper back books to the Wheeler Public Library. Ted Phipps brought on about the Magnetic Triangle that we will all want to read.

Other donations were from Mrs. Carolyn Ryles, Mr. Frank Hyatt, and Russell Phipps.

Because there was so much sickness around Wheeler, your Librarian thought you would enjoy reading about Health Foods, Come in and see: "Natur's Healing Grasses" "Rejuvenation Secrets from Around the World" "Primitive Remedies" by John Wesley (this is the great Methodist preacher) and last for you gardeners "More Food From Your Garden" Hope you like these.

**Card of Thanks**  
We would like to express our thanks to our friends for the cards, flowers, memorials and many words of sympathy following the death of our husband and father.

The families of Mrs. Robert H. Akin, Mrs. N. D. Ware and Mrs. Bob Roark

**Card of Thanks**  
I wish to thank Dr. Barbour and the wonderful nurses for their loving care the many months I was in the hospital. Also thank the many friends for their visits, cards, flowers, letters, food, prayers and other things they did for me. A special thanks to the Methodist and Baptist preachers for their visits and prayers, it made my stay more pleasant.

**Wheeler County Historical Meet**

The Wheeler County Historical Survey Commission will meet again Oct. 2, 1975 at the Adobe Walls Scout Camp, 7:30 p.m. At this time we will set up the booths and other facilities for the Folk Fair.  
 At last meeting we were happy to have Mrs. Harold Williams from Shamrock bringing greetings from Shamrock Chamber of Commerce.  
 The meeting consisted of much more planning for the fair.  
 Come be with us next time.

**Mrs. Galmor Is Club Hostess**

Mrs. Bessie Galmor was hostess to the Fort Elliott Study Club Tuesday, Sept. 16, at 2:30 p.m. with six club members present. Mrs. Galmor led the group in the club collect and Mrs. Lottie Eva Denson presented the days devotional which was on Patriotism "This is My America." Mrs. Wilber Beck gave the program which was in two parts - Early American Hymns and a run-down of the Flag of the United States of America. The program closed with the club repeating in unison the Pledge to the Flag. Those enjoying the fellowship, program and delicious refreshments were: Mrs. Margaret Trout, Mrs. Leona House, Mrs. Eul Johnson, Mrs. Denson, Mrs. Beck and the hostess, Mrs. Galmor.  
 Mrs. Johnson will be hostess and Mrs. Berniece Hefley will be program leader on Oct. 7, when the program will be "Commemorative Coins and Bi-Centennial Events of Local Interest."

**Asthma Seminar In Amarillo**

Mrs. Georgia Porter, LVN of Shamrock today reminded residents of Wheeler County of an area-wide asthma seminar, sponsored by American Lung Association of Texas, to be held Saturday, October 4, at the Quality Inn, I-40 East, in Amarillo.  
 "The morning program from 8:30 till noon is strictly for health professionals," Mrs. Porter said. "Afternoon program from 1:00 till 4 p.m. will be oriented toward parents of asthmatic children and adult asthma patients."  
 There will be no charge for the afternoon session. Morning registration will be \$5.00. Four and one-half nursing education points have been approved for both RN's and LVN's. Morning session will include physiology, immunology, biochemistry and stress management of asthma, whereas the afternoon session will be oriented toward the parents of asthmatic children and coping with the disease from the patient's point of view.  
 All interested persons in the Panhandle area are invited to attend, including teen-age asthma sufferers.

**History Available**

Roberts County is celebrating this bi-centennial year with the publication of the book, "A History of Miami and Roberts Co." This volume of six hundred pages of family history is bound in simulated buffalo hide with beautiful water colors done by Harry Kelly of scenes around Miami. It has over three hundred old pictures, an 1884 census of the county, many maps and over two hundred family names with their submitted histories. Printed on slick paper such as a college annual is printed, it is going to be a collector's item for the area. The book is expected in six weeks to two months and pre-publication sales are now being conducted. The book is available it will sell for \$25 each. If you wish to order now, address your check to Roberts County History Book in care of Mrs. Jim Bean, First State Bank, Miami, Texas 79059.

**4-H Members In Tri-State Fair**

Eight Wheeler County 4-H members exhibited five steers, six heifers and one barrow in the Tri-State Fair at Amarillo, September 15-20.  
 In the open Hereford show, Shannon Batton had the Reserve Senior Champion Female, a spring yearling heifer. Jamie Batton had the 4th place summer yearling heifer. Kathleen had the 11th place light weight barrow. Donna Quarles showed the 12th place light weight crossbred steer in the slaughter steer division.  
 Other steer exhibitors included Jana Corse, Cindy Harrison, Leslie Harrison and Shonda Quarles.  
 In the junior Angus Show, Kathleen Selby had the 8th place junior yearling and Dewayne Selby had the 12th place summer yearling heifer. Dewayne had a 4th place light weight barrow. Kathleen had the 11th place light weight barrow. Donna Quarles showed the 12th place light weight crossbred steer in the slaughter steer division.  
 Other steer exhibitors included Jana Corse, Cindy Harrison, Leslie Harrison and Shonda Quarles.

**Here & There**

**By Laura Guthrie**  
 Seems as though I missed a dunkin' good time on Saturday. I was quite involved in home work that day and the Band's Fun Day slipped my mind. (As things so often do.) But from all reports there was really fun. Did you, as a band booster and a citizen compete in the dunking? Hope I don't miss it next time.  
 We lament the passing of our good friend and benefactor in days past, Dr. Robert Akin of Okla. City. Wheeler friends who attended his funeral in the City on Friday are Berniece and Harrison Hall, Sharon and Jim Wright, Paula and David Britt, Mrs. S. W. Roark, Gene and Norma Keelin, also Mrs. Betty McNeil and son Danny of Muleshoe. Dr. Akin was the father of Mrs. N. D. Ware and Mrs. Bob Roark of Wheeler.  
 Grace Porter has just returned from a visit with her daughter, Frances Crouch and family in Houston.  
 Shelby and Grace Pettit and Ida Farmer spent the weekend with Shelby's sister, Gladys Reeves in Duncan, Oklahoma.

Mrs. Florence George, accompanied by a step-daughter, Mrs. Bob Curlee of Canyon have had a very pleasant trip to Belle Fourche, S. Dakota. There they visited another step-daughter, Mrs. Weldon Kirkpatrick. They toured Wyoming and other places of interest in that vicinity. They found it quite cold in Wyoming.  
 Anna Green spent the weekend in Canada with her son Harold and family.

**Allison U.M.W. Harvest Dinner**

Allison United Methodist Women have scheduled their Harvest dinner Saturday, Nov. 1, 1975. Serving time 6:00 p.m. to 9:00 p.m. This will take place in the fellowship hall in the United Methodist Church in Allison. Tickets will be sold by the members and will also be available at the door. Make plans now to attend.

TIME TO RUN, a film that is a mixture of problems and solutions, will be shown at First Baptist Church at Allison, Texas on Sunday, Sept. 28, 1975. The feature, filmed in Eastmancolor by World Wide Pictures, will be shown once beginning at 6:00 p.m.  
 Filmed on location in the Southern California area, TIME TO RUN stars Ed Nelson, Randall Carver, Barbara Sigel, Joan Winmill and Gordon Riggsby. Nelson plays Warren Cole, a hard driving success-oriented industrial and scientific engineer who, because of over-involvement with his work, has failed to communicate with his wife Fran, played by Joan Winmill, or their son Jeff, played by screen newcomer Randall Carver.  
 TIME TO RUN allows the viewer to become involved on any one or more of the three different levels. Viewed purely as entertainment, it's the suspenseful story of Jeff's attempts at sabotage in the nuclear generating plant conceived designed and managed by his father. Jeff strongly feels that the plant is a threat to the environment, and he puts his feelings in action.  
 Viewed on an emotional level, TIME TO RUN is the deeply moving drama of the conflicts that are tearing a family apart - conflicts that develop between husband and wife, and between father and son. In an attempt to find freedom from the evergrowing hostilities, Jeff takes to the road, hoping to discover some meaning in his confused life.  
 Approached from a religious perspective, TIME TO RUN is also a story of friction between Jeff and his girlfriend, Michelle, played by Barbara Sigel, who is a familiar face to television viewers. Michelle has discovered a spiritual dimension in her life, and this aspect is very confusing to Jeff, who has little time for "a God who would allow war, hatred, and suffering on earth." But his life is shattered by an avalanche of personal problems, and he finds himself at a Jesus people gathering with Michelle, where he glimpses the possibility of a new life-style based on love and understanding.  
 TIME TO RUN is a film that can help strengthen love relationships between people. It's a film that was made for families to attend - together.

 Special projects throughout the state also are conducted by these district staffs, such as the survey now being completed on the previously unstudied springs of the Big Bend area and intensive studies of lakes and rivers.  
 Each district has distinctive characteristics making it beautiful in its own way and unlike any other part of the state. Forests, coastlines, mountains, deserts and plains all are the settings for field personnel who do the "leg work" necessary to keep in their districts such as floods or other disasters which damage sewage facilities.

**THEY'RE EVERYWHERE! THEY'RE EVERYWHERE!**  
 Just as the finger bone is connected to the hand bone, the 12 district offices of Field Operations are the moving parts of the Texas Water Quality Board which make it function outside the central headquarters in Austin.  
 Sweating heat in August doesn't stop them; the rainy season in East Texas doesn't stop them; nor do the blizzards of the Panhandle stop the biologists, chemists, engineers and technicians who attend to water quality problems in their districts.  
 District offices are located in Amarillo, Lubbock, Waco, Duncannon, Kilgore, Orange, Deer Park, San Antonio, San Angelo, Pecos, Weslaco, and Corpus Christi. Staff people in these locations monitor streams, rivers and lakes quarterly, also municipal sewage treatment plants, industries and other wastewater dischargers in the counties which comprise their districts.  
 Water samples gathered from rivers, streams, lakes and coastal areas by district personnel provide a continuous record of the condition of the state's waters.  
 In addition to regular duties, field personnel investigate complaints from citizens and also serve as trouble shooters for special problems in their districts such as floods or other disasters

**DENTAL facts & fancies**

**GEORGE WASHINGTON -- THE FATHER OF OUR COUNTRY HAD TO WEAR FALSE TEETH MADE OF WOOD!**

ONE STORY GOES THAT THE REASON FOR HIS THIN-LIPPED EXPRESSION IN THE FAMOUS GILBERT STUART PORTRAIT WAS THAT HIS DENTURES NEVER FIT VERY WELL!

GEORGE WASHINGTON WOULD HAVE BEEN ASTONISHED BY HOW MUCH AMERICANS PAID FOR DENTISTS SERVICES IN 1974-- OVER 6 BILLION DOLLARS!

TO DEFRAY THE HIGH COST OF DENTAL SERVICES, MANY COMPANIES HAVE ADDED DENTAL INSURANCE TO THEIR EMPLOYEE BENEFITS. ONE LEADING DENTAL INSURER, CONNECTICUT GENERAL LIFE INSURANCE COMPANY, REPORTS THAT COMPANIES PROVIDING DENTAL INSURANCE RANGE FROM BIG AUTO-MAKERS AND STEEL COMPANIES TO SMALL SHOPS WITH AS FEW AS 10 EMPLOYEES.
