BIRTHDAY PARTY: The children of Willa Fillingim request your attendance to help celebrate her 85th birthday on May 31, 2003, at the First Baptist Church in Wheeler, Texas from 2 to 4 P.M. We ask that you not bring gifts but would love to have a written memory or to hear a "memory" of their Mother. This lady is a unique lady. She loves people, especially children, and animals. Through the years she has taken in lots of animals and taken care of lots of children. Many children call her Grandmother that are not blood related. At this moment she has several orphan raccoons, an antelope, a squirrel, and lots of fowl. She has lived a Christian life and is a very giving person, so as a tribute to her come and wish her a Happy Birthday.

Wheeler Church of Christ

Most of our teachers are in place for our Vacation Bible School, Saturday, June 7, 2003. The teachers are preparing their lessons, getting ready for different activities and games that go along with their Bible story lessons. And they've got some very good sources for these Bible stories: Matthew 5-7, or Jesus' Sermon on the Mount. Even though the Sermon on the Mount's original audience was probably mostly adults, with their children in tow with them this is also a source that translates to children well. Illustrative stories taken from every day life. Lessons developed from the rich history of the people in that part of the world as well as stories taken directly out of the Old Testament. Stories that are just as powerful and effective for adults, and children, that live 2,000 years later.
Perhaps you remember most from this Sermon on the Mount

a prayer that Jesus taught that is still frequently uttered. Known as the Lord's Prayer, here is how it appears in the New International Version: "Our Father in heaven, hallowed be your name, your kingdom come, your will be done on earth as it is in heaven. Give us today our daily bread. Forgive us our debts, as we also have forgiven our debtors. And lead us not into temptation, but deliver us from the evil one, for yours is the kingdom and the power and the glory forever." Even though our prayers today might not always be identical to this one proclaimed so long ago, virtually anything we say in prayer is built upon these original words of Jesus.
Encourage your children to be at the Vacation Bible School that the Church of Christ in Wheeler will do on June 7th. They will learn this prayer ... and so much more.

NRCS Announces Financial Assistance

The USDA Natural Resources Conservatoin Service (NRCS) announced today that financial assistance will be available in Texas to conserve natural resources and address environmental concerns on private lands. These funds are part of conservation provisions contained in the 2002 Farm Bill and authorized by the Environmental Quality Incentives Program (EQIP). Eligible farmers and ranchers may apply for these funds as cost-share assistance.

In making the announcement Dr. Larry D. Butler, State Conservationist for NRCS in Texas, said, "Each county will be provided a base allocation. Local Work Groups (LWGs) have established resource concerns, eligible conservation treatment practices, and developed the ranking criteria and screening process. This is government at its best where local landowners and operators establish local conservation priorities at the grassroots level."

In Texas, NRCS works with 216 local Soil and Water Conservation Districts (SWCDs) to address local natural resource issues. Paul Macina, Chairman of the Wheeler County SWCD, said he was pleased with the input they have received in developing the local conservation needs criteria for Wheeler County. "This is an excellent opportunity for local people to provide substantial information in order to administer EQIP for our SWCD."

Applications for the 2003 EQIP program in Texas will be accepted through June 13, 2003. For more information about the 2003 EQIP program, contact the local SWCD district office or NRCS field office at 806-826-3565 ext. 3 or come by the office at 112 West Oklahoma Street, Wheeler, Texas.

Kelton Students Are Taught About Eating

Kelton 2nd grade - 6th grade learns about eating healthy using the USDA food guide pyramid. The

youth learned that portion size counts. A 1 oz. serving of cheese is the size of a thumb, 1 serving of a bagel is the size of a yo-yo, medium baked potato is the same size as a bar of soap, a 3 oz. serving of meat is the same size as a deck of cards, 1/2 cup serving size of vegetables is the same size as a lightbulb, and 1/2 cup serving size of milk or yogurt is the same size as a baseball. Not many people eat a piece of meat that is the size of a deck of cards. The food guide pyramid suggest 2-3 servings of meat a day, 6-11 servings of Bread, Cereal, Rice and Pasta Group, 3-5 servings of the vegetable group, 2-4 servings of fruit, 2-3 servings of milk, yogurt, and cheese group, and fats, oils and sweets use sparingly. The youth learned that eating breakfast is important.

Sincere sympathy to family and friends of Carla Meyer Dittberner, 45, in her death, from cancer. Many years ago Carla played the piano and her dad, Carl Myer led the singing for a Gageby Church Revival. She was married to Terry Dittberner, a cousin to Bob Ratliff. Fine people.

Dr. Bob and Glenda Galutia went to Tulsa over the weekend to graduation exercises for Yancy and wife Chelsea from the Medical School at Tulsa. They also will be doing three years of residency at

Mary K. Christner expects to be able to go to Austin this week for therapy on her many injuries. Her son is there. Keep praying for this dear lady. She has been in traction for broken pelvis. Hopes to be able to walk some soon. Has a leg and arm in casts. Hope to have the trach tube hole closed before long. God bless you!

Leonard and Bertha Hollis left Mobeetie Thursday to go back home to Bolivar, Missouri. They spent one night on the way when they got tired. Glad they made it o.k. God bless you everyone! Sorry to see these sweet people go.

Willis had cataract surgery at Amarillo Monday May 19. Dr. John Murrell did the surgery to remove the cataract and implant a permanent contact lense in the eye. No pain. Was interesting to view the surgery, from a screen. Think Dr. Murrell teaches others as part of the Panhandle Eye Group and Texas Tech Research. Thank you, Dr. Murrell, for a good job. We were going to Dr. Baker in Pampa for a check-up Tuesday so wouldn't have to drive to Amarillo. Nice to have Danny drive us up there and Lindsey and Blain meet us there. We enjoyed visiting and eating lunch at Furrs together. Thankful all went well.

Nice to see Kaleb and Marti Meek from Florida out to Baccalaureate at Briscoe Sunday night for Jocelyn Meek, who graduates. Many other relatives and friends there.

Friday Ed and Laurel Hershman and Willa Fillingim went to Highland Park School to the Talent Show that granddaughters Micaela and Shelby were in. There was a mix up about the microphones, but they did enjoy seeing the girls. Glenda Sell met them there and brought a possum for Willa.

Willa's eye is doing pretty well now, but needs to wear shades. Monday Willa and Laurel were going to Elk City for a check up. Willa also hoped to get some baby chickens, rabbits and shop at Wal-Mart.

Willa had been fishing for a chicken snake that had been eating eggs and baby chicks. She puts a fish hook in an egg. Then, when the snake tries to swallow the egg, he gets the hook, too. She did see the snake crawling and grabbed him by the tail and put him in a barrel with a board and rock on top. Now what?

Bonnie Adams Harmon from Alice, Texas plans to come to the Wheeler School Reunion June 14. She is still able to live alone at Alice. Bonnie grew up in Wheeler, graduated Wheeler School and she and husband Charles came back and taught at Wheeler.

Charles is now deceased. Bonnie is a sister to Jimmy Adams and Bobbie Hill's dad, Carroll Adams, now deceased. We enjoyed living

near the Adams family in Wheeler for a short time 1930.

"Lord, grant us strength to overcome Life's greatest trials that we may meet; and grant it also when we face Those little trails that would defeat."

Glad to hear that flu shots will be available from Parkview Home Health at the Hospital Waiting Room in mid October. Flu shots have been hard to find the past two years. They seem to help us.

Willis and I enjoyed a delicious lunch and a good visit with old friends Charlie and Edie Phillis at White Deer Saturday. Also got to visit with their daughter Stacey Haiduk and granddaughter Kaycee - real cuties. They live next door to Charlie and Edie. Stacey's husband works for K & K in White Deer, his family's business. Mike helps Edie's brother at Mannford, Oklahoma. Stacey is an EMT and enjoys going on ambulance runs. She is studying and working to be a paramedic. Edie has had a rough last two years with gallbladder surgery, blood clot, stroke and heart surgery to repair a large hole in her heart. She is doing much better now. Pray for Edie. They lived at KN for several years. Charlie is still working with compressors and has thick black hair at 60 something. Fine people. Stacey was on the White Deer Ambulance that met the Wheeler Ambulance and took W. L. Jolly on to Amarillo after his wreck.

Tuesday Willis got a good check-up report from Dr. Thomas Baker at Pampa. The test of his bad right eye before scar tissue was removed was like 20/400, legally blind. After scar tissue removed, it showed 20/80. Not real good, but vastly improved. We are thankful. We enjoyed the drive and seeing all the beautiful green trees. Willis expects to have a cataact removed from his other eye at Amarillo May 19. Went good.

Saturday Bevard and Diane Dukes went to Amarillo and had more garage sale with their family. Daphne Zybach and Alexis and Shyanna also took things and helped. Sure they got lots of visiting in also. They also got to see Andrea and Tracy Aldridge and Tanner and Tysen, Deidre and John Paul Harris and Logan and Carissa and Britt McCarter. They got rid of everything they took. Lunch was Lasagne from Sams. About 10 family garage sale.

We still need to pray for troops overseas and our country. War is an ugly thing. Always has been. But the protestors don't realize Iraq, or Saddam, declared war on us when they hijacked the planes and destroyed the towers and killed thousand of people on Sept. 11, 2001 and warned of many evil things they planned to destroy us with. There is no easy solution. Keep praying for our president and country. We must all stick together. Criticism doesn't help. Prayer does.

Big crowd out to Mobeetie Cowboy Oasis Friday night. Good singing from Larry Ford and Larry Nance from Leedey, Oklahoma with guitars, mandolin and bass. Aided by Jerry and Jill Lister and Bob Stiles. Sounded really good. Even had a couple from Canada there. Food is always good. Nice to see Ronnie and Deanna Vandever and Raysha and Ryan

from Freedom, Oklahoma there with Ronnie's mom, Laura Vandever.

There was a nice group to the Golden Agers delicious pot luck lunch Thursday. Betty Howard read some interesting and humorous material. Some others there were Ed and Erma Riley, Frances Hefley, Adrian Risner, Leona Coates, Ned Burrell, Diane Sparks, Ella Mae Wood, Marie Baker, Hannah Faye Chapman, Willis and Verna Fillingim and Martha Meek. Thanks to those who helped in the kitchen. We meet the third Thursday of each month at noon and visitors always welcome. Betty always plans something special for us.

Enjoying supper together at Maxeys Saturday night were Jimmy and Tammy Maddox and Amber and Jennifer, Georgia and Dean Tipps and Terry Tipps. Also at Maxeys were Richard and Dixie Gaines and grandson Cody Gaines from Monahans, who comes up to help grandpa farm in the summers. Also there were Kevin and Pam Ratliff with Kevin and Jona Meek, Bonnie and Richard Meadows with David and Phyllis Hefley.

Friday Willis and I enjoyed lunch at Canadian Pizza Hut with Rita Pearson. Wheeler Fire Department asked help from Briscoe Fire Department because of so much damage. David and Rita Pearson helped what they could Thursday night. A scary night.

Nice to see Genevieve Webb and her "baby", Ron Webb at Pizza Hut and George and Jane Arrington and Joline and Dan Urschel.

Nice to visit with my sister, Pauline Hefley and care giver, Deborah Ford, a while Saturday. Polly's daughter, Earline, from California came and spent Mother's Day weekend from Friday to Tuesday with Pauline for a good visit. Think they went lots of places.

Sincere sympathy to family and friends of W. L. Jolly, 80, in his death. He was injured in a wreck in Wheeler and taken to Amarillo. White Deer ambulance met them and took him on in to Amarillo.

So sorry to hear that C. B. Brotherton had lightning to strike his house Thursday night. Inside is charred, much of it. State Farm was taking some of the furniture, etc. to Amarillo to be cleaned. Gary and Doris Finsterwald were there to pack up some that could be saved. Gary and C. B. spent Friday night with Doris. If C. B. had not been in the cellar, a rare thing for him, he probably would have been killed. Glad Maurine wasn't there for the trauma. Pray for C. B. Don't know just what he will do. Bob and Mary Nell Finsterwald and others helped some. State Farm Insurance was to clean the house all out. C. B. said he might stay at Honey Inn while house is being rebuilt inside. Looks o.k. outside.

"God be with you till we meet again."

CISD Board of Trustees at the time the consolidation of the District becomes effective on July 1,

2003. Motion carried; vote for: unanimous.

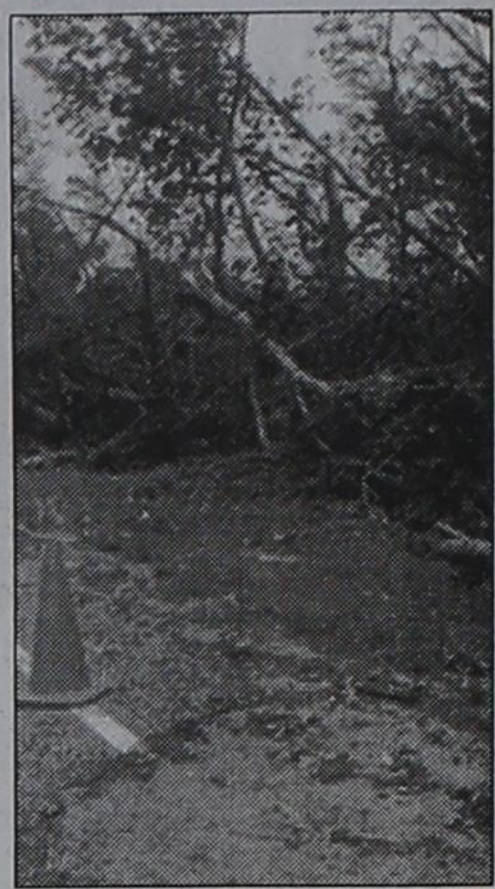

Item #18: Motion by Richie, seconded by Cletus to adjourn at 9:58 P.M. on May 8, 2003. Motion carried; vote for: unanimous.
