

'Jackpot Bingo' To Be Played Sat.

"Jackpot Bingo" has been to Wheeler and will be returning for three more 3-hour periods of entertainment. "Jackpot Bingo" will be played Saturday, August 2, 2003, at the Wheeler Volunteer Fire Station. Plan to be in attendance from 7-10 P.M. Arrive early and have a bite to eat or a cool drink before the games begin. The concession will open at 6:30 P.M.; hamburgers, drinks, potato chips, popcorn, brownies and Rice

Crispy treats are available.

A good crowd was in attendance at the first evening of "Jackpot Bingo" on Saturday, June 28. Ten people took home more money than they brought; each of the two blackout games were worth \$150 and the other eight games were worth \$25 each.

The second "Jackpot Bingo" games were Friday, July 4, 2003, from 5-8 P.M. Once again, a good crowd was in attendance and blackout games were worth \$100 and 125. Winning bingo cards were worth \$25 each.

Dates for the games is presently planned for six nights, June 28, July 4, August 2 and 30, Sept. 13 and 27. Proceeds from the activity will go into the Wheeler Centennial Celebration fund.

The Wheeler Volunteer Fire

Department is located in the 200 Block of East Sixth in Wheeler, near the water tower. Doors will open at 6:30 and play will begin at 7:00. Play lasts for not more than three hours.

The size of the jackpots will be determined by the number of people playing each night. When the games begin, the jackpots will be announced.

This project is the second in an effort to raise money for the centennial celebration and needs of volunteer help will be needed for the operation of the "Jackpot Bingo", in addition to lots of people to play.

It's lots of fun for young and old. Come on out and let's play BINGO.

The first of the centennial projects is the aluminum can collection presently underway on the Thriftway parking lot. Save your cans and take them to the trailer; help us raise money for our 100th anniversary celebration.

And, you could go home a winner. The pots have been \$25 for regular bingo games and as much as \$125 for blackout games.

The first day of school is just around the corner. Are you ready?

—cwe—

We had the school calendars in last week's paper. The one headed 'Cornerstone Christian Academy' was for West Texas Christian School. The schools try to follow the same calendars and Erron Mercer forgot to change the name when he printed it out.

There was an excellent turnout for the Old Mobeetie Music Festival over the weekend.

—cwe—

Yes, I was there at three different times; only in the evenings, after it was cooler.

—cwe—

We enjoyed J. W. Lane's performance at the Mobeetie festival. He and some of his family, made up a band.

He had just returned from where he had performed in front of an audience of —

I told you we expected the OKC bluegrassers on Thursday. They arrived on Thursday, about 2:00 a.m. and then went out to set up the tent for Star Canyon.

We had Star Canyon, the Duffins, the Arnolds and Lauren Cleveland for dinner—sometimes called lunch—Saturday.

—cwe—

I made ice cream on Thursday and again on Saturday; Gene brought some pecans and he likes butter pecan ice cream.

—cwe—

Joyce Martin brought some delicious cream cheese pound cake in for me to try. So, in return, I took her some blueberry cheese cake ice cream and lemon ice cream for her to sample.

The other flavor for the week-end was pralines & cream.

Action On Courthouse Restoration Tabled; Meeting Date Undetermined

The Wheeler County Commissioners' Court met in regular session on Monday, July 28, 2003. The meeting was in the Courthouse Annex at 401 S. Main Street in Wheeler, Texas.

Fourteen items were on the agenda.

The commissioners approved the hourly payroll time sheets for payment, paid the bills and no action was taken on 'Consideration of the Budget'.

The burn ban will remain in effect.

At the July 14, 2003, meeting, the commissioners voted to amend the vote to reduce the number of voting boxes in the county in an effort to save money. The court had voted to have only 5 voting places in the county for the September 13 Constitutional Amendment election. The vote of the July 14 court was rescinded and the regular 10 voting places will be open. Everyone will vote in their regular voting precincts.

County Tax Assessor Scott Porter presented the Delinquent Tax Roll for certification.

The commissioners' court also accepted the Tax Assessor's report.

Item #8 on the agenda was for consideration of changing contribution rate for Texas County and District Retirement System. The rate will remain the same.

Sheriff Jimmy Adams and Melanie Carter, District Attorney's Office, met with the court for the purpose of asking the county to join the Victim's Information and Notification Everyday (VINE) program. The program notifies victims of crimes of the status of criminals. The program would be funded by the state with no cost to the county. The court gave their approval of the program.

takes bravery to go out and face the mean, drugged, drunk or deranged citizens. May God ride with you. Remember to pray for our law officers, not condemn them.

Best wishes to Jackie Dukes and Ashley Lane in their marriage Saturday, July 26, at Allison Baptist Church. Very large crowd of relatives and friends there to wish them well. A handsome couple.

Going to Hill Top Cafe at Reydon Saturday night for supper were Edna May, Virginia Puryear, Lou Dean Douthit and Irene Keys. They came back to their's and played 42.

Sincere sympathy to family and friends of Tommy (Major) Thomas Benton Delsashaw, 66, in his death. He lived in the Briscoe area near us for a while and attended Briscoe School with sisters, Alma Lee and Carol Jean. His parents are Evelyn and Tom Delashaw, deceased.

Glad to know that Estello Hodges is home and glad to be there. She had medication to drain fluid from around her heart and that really helped. She is walking some with a walker. Granddaughters, Cari and Misty and Bailey from Durant stayed from Thursday till Tuesday with her to help out. Different family members will be staying and helping some and some home health and therapy people coming.

Good to see Mark Helton at Soto's with grandmother, Martha Helton, and aunt, Sharon Zamora. Mark will be making his home with Martha and Tooter and going to college at Sayre. Matt has gone to the National Guard. Best wishes to all. Twin Matt graduated Wheeler in May.

Good to have Bro. Bob Meller come by and visit awhile Wednesday afternoon. He is working lots of jobs, and trying to get their house south of Gageby church ready to move into. He preached at Lefors recently and other places. His wife, Jerry and Michael, Tisha and Andi always go with him. Jerry is working hard too. Bob hopes to shingle their house soon.

Congratulations on your 50th wedding anniversary, Bob and Lavada Helton, at Marble Falls. God Bless you! Seems such a short time ago, Bobby was in my room at Briscoe.

Best wishes to Kyle Zybach and

Wheeler I.S.D. Pre-K, Kindergarten Registration Packets Are Available

Any child who will be 5 years old on or before Sept. 1, of this year is eligible to attend Kindergarten. Any child who will be 4 years old on or before Sept. 1 of this year may attend Pre Kindergarten at Wheeler ISD.

The State of Texas requires these things for a child to be registered in public school:

1. Copy of Child's official state birth certificate.
2. Copy of Child's immunization record.

Wheeler ISD requires a copy of the child's social security card for record keeping purposes.

Registration packets for children who will be attending the Wheeler ISD Pre K or Kindergarten during this school year are available and may be picked up in the hall outside the superintendent's office on business days starting July 28, 2003.

This packet contains information necessary for enrollment and all the required forms. The esti-

mated length of time needed to finish the forms is from 15 to 30 minutes; some of the information required (for example...the date of the last dental exam or the phone number of your preferred hospital) is generally kept with other personal records at home or may even require a call to your family doctor.

Because of these factors, coupled with the usual, unavoidable registration "Traffic Jam" of waiting in line to complete the enrollment process, school personnel believed some parents might prefer the option of completing these documents in the quiet and privacy of their own homes. Parents who prefer to wait until registration day are welcome to get the packet then and fill it out in the cafeteria.

Pre-Kindergarten & Kindergarten registration will be in the Wheeler School Cafeteria on Friday, August 15 from 9:00 A.M. until 11:00 A.M.

OLD JAIL MUSEUM NEWS

The group put in lots of volunteer hours during the festival. We want to thank the First State Bank for taking care of the gate. We sure needed you.

Bill Finsterwald and Jimmy Hill got broke in on parking trailers on Thursday, Friday and Saturday.

Bill Elliott parked them before then and help with showing them where and what size trailers would go where. Bill Elliott filled in for the MC who got ill and couldn't come. He did a great job for his first and last time. (So he says).

Thanks to George Kilcrease who took care of the restrooms.

Thanks to Jeanette Spencer for filling in at the museum two days. Jimmy Spencer helped with the outside jobs.

Thanks to Frank Cleveland the soundman. He was ill but told the doctors that he wouldn't lift any-

thing heavier than a microphone. He laughed and told me he told the Doctors he was more afraid of Melba Corcoran than he was of them and was coming. He had to

go back for more tests. Remember him in your prayers. He is great with the sound. His daughter came to help him this year. Thanks to all the businesses

that donated door prizes.

Thanks to J. W. Lane for filling in twice for Texas Crossroads. Texas Crossroads were scheduled for three shows but due to a wedding being changed to an earlier date that involved one of the members. Then one of the members was sent to Kansas to work by his company so they were unable to come.

Of all of the survey sheets we have back so far. We will start planning for the next year's schedule of bands. We had our best year as far as campers and attendance. Thanks to all.

Following the festival the board had a meeting about the roof grant on the jailhouse and on the exhibit to go in the U Drop Inn travels center in Shamrock. Those attending were Joe VanZandt, Jimmy Hill, Jay Godwin, Dale Corcoran, Bernice Hefley, Bill Finsterwald, Maurita Stribling, Dutch Elliott and Melba Corcoran. Visitors Tonya Finsterwald, Seth Davidson, Brandon Finsterwald and Tria Godwin. Seth Davidson and Tonya Finsterwald will be working on the exhibit.

I am actually going to be missing part of this meeting because I will be out of town (and out of state and out of country) for a little while. But I will be getting back in time to hear the last lesson, maybe even the last two lessons. Eli was with us last year and did a fantastic job. But more than just listening to an accomplished speaker preach wonderful things from God's word, Eli and his wife Willisie are wonderful people that you will want to visit with. Come be a part of this series on Revelation. You won't regret it.

Sunday night was a fellowship supper at the church. Lots of good food. The Steens sang, "I'm Sorry I Never Knew You" & "Go And Serve The One You Served Before."

Nice to see Richard Lavery from Perryton at Maxey's Thursday. He and another man took two boys to junior boys camp at Panfork and stopped to eat on their way home. It was not my night for playing cards. Rhonda and Bob could do no wrong; they could draw just what they needed. Leroy and I, on the other hand, could not draw anything. Therefore, we were "skunked". As Rhonda and Leroy were leaving, she called me outside; the air was filled with the "fresh" fragrance of skunk.

Isaiah 61: 10 & 11: I will greatly rejoice in the Lord, my soul shall be joyful in my God; for He hath clothed me with the garments of salvation, He hath covered me with the robe of righteousness, as a bridegroom decketh himself with ornaments, and as a bride adorneth herself with her jewels. For as the earth bringeth forth her bud, and as the garden causeth the things that are sown in it to spring forth; so the Lord God will cause righteousness and praise to spring forth before all the nations.

This Monday morning here in Allison it was pretty nice and cool, but got up to 101 degrees by afternoon, the clouds that covered the sun were sure a blessing later in the evening. They are saying it could rain tomorrow, how many times have the weathermen told us that lately.

Harold and Elena Walker's last week visitors were Joy Walker and Matt and Nell Matthews from Lubbock. Colin Richardson attended the vacation Bible school here in Allison last week.

Roma and Billy Brown were in Amarillo last Wednesday and attended the afternoon and Wednesday night camp meeting services at the Texico United Pentecostal Camp grounds, and they spent Wednesday night with Warren and Charlene Brown in Amarillo.

Pete Gilmer got word that his mother-in-law, Mabel Parker, broke her hip last Sunday. She had surgery also on her hip Sunday at Victoria, Texas. Said she was doing well after the surgery. Sorry this happened to Mabel. She is either 92 or 93.

We received word early Monday morning that Charlotte Helms passed away at 11 p.m. Sunday night at a hospital in Victoria. The

Take time to pray—it is the greatest power on earth!

Sunday. The days were very warm as one day it was 108. The water was even warm and hot in some places. Antonio and Amanda Salas, Jayton, Garrett, and Jarrett, Dustin and Justin Lee, Ricky and Joe Salas had been at the lake for over a week. Jayton learned how to water-ski. She was just letting across the lake. Garrett and Jarrett enjoyed riding in the tub. They all like Pa's Jet Ski, and they just want to ride all the time, never stop. Jackie Don, Kellie, Peyton and Shelton came down on Friday and Saturday. Also Kellie's niece, Racole, from AZ joined the group.

Dale Corcoran went to the doctors on Thursday. He only had 4 appointments that day.

Carl Pierce of Chayenne visited his sister Lorene Rector on Thursday.

Melba Corcoran attended the diabetic lunch at the family clinic in Pampa. It was her first one to attend. Dr. Kim gave the program. She learned lots of new things.

Arthur Don Burke had to go back to the doctor on Thursday. They changed his medicine. Remember him in your prayers.

Mt. View Quilting Club met Thursday at the Totty Schoolhouse with Sidney Lynch as hostess. Those attending were Jane Seitz, Audrey Seitz, Betty Rogers, Bobbie Ehmann, and Augusta Brown.

Joe and Melba Darnell, Kent and Debbie McLaughlin, Nathan and Kory, Wade and Gayla Hathaway, Jason, Andrea, and Brandon left for vacation in Colorado. Nathan suffered a broken heel in an accident before they left.

Congratulations to Sherry Clark on her new business that opened Friday in the same building as the Cowboy Oasis. It is Hidetown Trading Post. We wish you a very successful business.

This was a very busy weekend with the festival. Everything went well. More campers than usual. Everyone is tired and glad it is over. Lots of good music.

Dale Corcoran was a little hard to get along with since he went from Thursday morning till Saturday night without going to bed. He may have caught a few minutes of sleep while night watching two nights.

Three of the Hathaway children met at the museum during the festival. They were Joe of Pampa, Glenn of El Reno and Faye of Vernon. Faye also had her grandson with her. It was nice to see all of them.

I just received word that the Plains Trail received the grant and will get funding for three years to promote the 52 countries of the Texas Panhandle by Texas Historical Commission. Lots of work went into this project. I attended lots of the meetings, but Bobbie Hill served on the committee to get items ready for the application. There were 4 more trails that had not got funding with only 1 or 2 to receive it. We were one of the lucky ones.

Country (from Page 2)

Monday we ate lunch at Pizza Hut in Canadian with Rita and I shopped some at Alcoa. Visited a little with Jimmy Nelson at the Pizza Hut. He is still carrying mail.

Good to see Bob Kinnaman at Alcoa. He is pumping lots of wells in the Gageby area and camping some there.

Some spending a few day with Rita and David Pearson were Rita's brother, Allen, and wife, Debbie, and daughter, Patty, from West Virginia, and Joe Lackey from Amarillo.

Dr. Bob and Glenda Galutia and daughter, Nikki, and husband, Todd, and Dr. Bob's mother and brother flew to the Grand Cayman Islands for a vacation. Beautiful place with many things to do. Glad you had a nice vacation, but glad you are back.

Willis and I are very proud of the beautiful new roof. Tony Clawson is putting on our house. He is putting Guardian shingles, metal backed shingles. Should last a long, long time. Just putting them on top of the old shingles for more support. Tony's wife was helping some.

Thanks Margaret Kuntz for putting new snaps on Willis' shirt. A nearly new shirt but two front snaps came loose. Proud to have it fixed. She likes to sew. She also works nights at Parkview Hospital. She said if she didn't have something in her house, I didn't need it. Trouble with me, I can't find things at my house.

Nice to see several of the Kuntz family at Soto's. Also Billy and Rhonda McWhorter and Tanner and Tyler. And Fat and Wanda Childress eating with Darville Atherton Thursday night.

Tuesday, so nice to have Sue Chandler come by and visit awhile and help get my sewing machine going. Need to hem some pants. We all ate supper at Maxeys. Good to see Edith and Gary Ward from Canadian. She is in the A.S.C. office at Canadian.

Later Rita Pearson came by for a visit. Think she had some Farm Bureau business and she and Gena Seitz had gone to Mels Diner. Always good to see her.

Thursday, I did get to see the beautiful lady from India and her handsome husband at Soto's. Sweet people, but I still didn't quite understand why they were in the U.S.A. Sounds like they were saying something about contest. Hope they are having a good time and enjoying being here.

Nice to visit with Myrtle Stages and granddaughter, Sunni Jo, at Hastys Saturday. Shantell Meek and Tommy were coming to grandma's house Saturday night. Tommy would go with grandma to Stillwater Sunday to visit and spend the night before going on to Rogers, Ark. Monday to a Stages Reunion. Shantell was going with John and Connie Stages and Kandi and Sunni to Rogers, Ark., to the reunion.

Also at Hastys a pickup came by the to-go window with an interesting dog in it. A man in the next booth was very interested in it. Said it was a German Shepherd short haired pointer, the only dog worth having. He had 5 of them at his home in Colorado, but of course they were prettier, he said.

Also nice to see Mildred Gierhart there. And May B. Shields with son, Charles, and wife, Dorothy Shields, and grandsons, Todd and Eli.

Nice to see Eddie and Helen George at Cowboy Oasis Tuesday and visit some with them. Also good to see Tim and Sallie Adcock with Juanel Eberting from Albuquerque, Dianna Graves from Amarillo and Willa Mae (Wright) Heath from Tijeras, NM at Cowboy Oasis. They had all been to the Shelton family reunion at Foss Lake over the weekend. The other ladies planned to stay with Sallie and Tim for the weekend music festival at Old Mobeetie. Granddaughter, Jayton Childress, learned to ski, but Sallie felt too old for that. Tim thought he had a little too much skiing. Also good to see Jerry and Jill Lister and David there.

Also good to see Mearlene and Bill Scott there. They recently celebrated their 50th wedding anniversary. Mearlene is a sister to Sue Harrison. Lots of people there. Congratulations to Mearlene and Bill on 50 years!

C. B. Brotherton and Doris Finsterwald went to Yukon Saturday to visit Gary and Kathy Brotherton and Ryan, JaNae and Adam and help celebrate JaNae's 9th birthday. They ate lunch at the Pizza Hut and had a swimming party at Kingfisher for JaNae and friends. C. B. and Doris spent Saturday night with Gary's family and went to church at Mustang with them Sunday and had lunch together. C. B. and Doris got home Sunday night.

Nice to visit with several at Dr. Galutia's office Monday. Nadine Williamson, (Joetta Sword's mom) and Nita Gay Simons (retired nurse) from Elk City. Also Brenda Mays (Irene Dixon's daughter), Cindy Hartsfield had Hayden and Glory in for physicals for Fort Elliott School sports. Soon be playing football and volleyball. Good to hear that Irene is doing pretty well.

So good to visit with good friend, Sybil (Nelson) Alexander, of Lefors at Wal-Mart Wednesday. She was getting things for the Fite family (Sybil's mom's) Reunion at Elk

City. Their family were all to wear red T-Shirts.

Also at Kentucky Fried Chicken good to see Doris Parnell, good friend of Marie Baker of Wheeler and saw Evelyn Huff of Miami.

Nice to have Martha Meek and Mack and Patty Ann Shields eat supper at Soto's with us Wednesday night before church. Mack and Patty had left their car to be worked on in Wheeler and were taking it home. But first to the Church of Christ Revival at Allison.

Nice to see Lynna Koelzer and Hunter Logan, two weeks with Rose Parker and son at Soto's. Also Darville Atherton, John Helton and Charley at Soto's.

Willis and I enjoyed the pretty drive to Canadian Friday and eating at the Pizza Hut (Willis' favorite place). Nice to have Rita Pearson join us. Good to see Shannon Gilmer (Mrs. David) with Adley there. Adley is now 3 with reddish curly hair and a very friendly smile. Also there were Monty Hand with Justen Bryant and Junior Newman. They are hauling hay. Also good, to see Eldon and Melvin Walsler.

Lots of good music at Mobeetie Festival Friday night with good food and fellowship. Many guys have worked to make the new restrooms really nice. (sure beats the port-potties). Thanks to all who have worked to make it special. And always amazing how cool it is under the shade trees and shelter, even on a hot day. Always good to see old friends there. Thanks, Mobeetie for making a nice place for us all to come to.

Irene Rogers' family got back Friday from a week at Red River and included Frankie and Kathy Rogers and daughter Haley and sons Caidren and Steven from Round Rock, James and Jeanette Umsted and Landry and Brendan and Bob and Linda Hink. Irene had supper fixed for them. Frankie's family spent Friday night with Irene and on home on Saturday.

Irene enjoyed a good visit from a nephew, Vinson Shaw, from Pampa.

Friends of Lillian Chesher will be glad to know that she is doing really well after back surgery. She has had so much pain and sickness.

Glad to hear that Estelle Hodges got to come home from Pampa Hospital after a month or more there. Keep praying for this dear lady.

"God be with you till we meet again."
