When wildland fires occur, please **DO NOT** "Drive over" to see what is happening. Extra vehicle traffic hinders your Fire Departments and impedes the control of the fire. Visibility is limited in most cases, and vehicle accidents can occur. Please give us room to control the fire. If you have livestock and property in the area, please let us know and we will assist you in protecting them.

Aubrey's grandparents are Todd and Lori Lee Mayfield of Richland Hills, Thomas "Drew" Bergen of Amarillo and Doug and Sherry Steward. Step-grandmother is Juanita West of Amarillo. Great-grandparents are Ronald and Phyllis Jackson of Grapevine, Ervin and Marilyn Bergen, Joe and Sharon DeVries and Jimmie and Marie Toler, all of Amarillo. Along with Robert and Susan Mayfield of Mobeetie.

Little Miss Aubrey is very fortunate to have two great-great-grandmothers anxious to spoil and cuddle and love this special gift. Great-great-grandmother, Alice Little, of Borger and Carolyn Orthman of Mobeetie.

Aubrey is an extra special gift. She is the first great-grandchild for Robert and Susan Mayfield. Aubrey is exactly 64 years and 14 hours younger than Pa-Pa. Thanks, Rachel and Dustan for Pa-Pa Mayfield's and G.G.'s treasured and beautiful gift.

Way to go Lady Cougars!!! They are having a terrific year!! ON TO STATE!

More later in the column. It's just that we are so proud of "our girls" and their accomplishments. It's the talk of the town and half of Wheeler County. We are proud of you.

The boys did such a great job on the football field again this year and then transitioned right into basketball season without missing a beat. Way to go.

So sorry to hear that Brenda and Earnest Lancaster's wonderful ski vacation in Red River with a group of friends ended on a sour note with Brenda breaking her leg. They were having such a great time.

They brought her back to Amarillo for orthopedic surgery and placing a rod in her lower leg. She was hoping to go home on Wednesday.

Tuesday Mom and I had gone to Dumas on business. We had lunch with my sister-in-law, Karen Sorensen, and my niece, Sherry Barr, at a neat little place, The Alley Cafe. (That's exactly where it's at, too.) Just a little Leerie of the choice of places to eat. But really a cute place. A soup and salad place. But mostly homemade or bakery made breads, homemade soups and homemade pies and cakes. Very tasty. Uniquely decorated, but it all works together. Great hostesses but no waitresses so serve yourself sideboards. An older electric round top refrigerator repainted bright red. You can't miss it. It was fun!

On the way home we met the Baptist Church bus and Bro. Patterson and Paul Hathaway fueling up in Pampa. Only to find out they were chauffeuring the "fun bunch" to Borger to cheer on the Lady Cougars. Those going were Arica and Aaron Lancaster and granddaughters Stormi and Larami

Chamber (from Page 1)

Lewis, Oils and watercolors were by Sybil Clark, Bobby Hill, Robert Jones, Ann Fagan-Cook, Betty Rives, Jodie Hughes, Keri Marion, Claudia Marion and Liz Shipp. Young artist displaying work were Emilio Gallardo, Katie Jones, Blake Baker, Josh Hardcastle, Nick Hardcastle, Kaylee Marion and Dawson Clark. Table decorations were provided by students from Wheeler Elementary grades 1-6; Gayle Lewallen coordinated the students' art work.

The programs prepared and printed by Christie Jones listed 68 chamber of commerce members for 2004.

If you were not in attendance at the banquet, you missed a very enjoyable evening.

THANKS

Thanks so very very much to all the Fire Departments who helped fight the fire. We truly appreciate all the efforts you put forth.

Thanks to everyone who offered their feed trucks, the phone calls, and words of concern.

We never know what caring communities we live in until something like this happens.

May God Bless You.

Lancaster, Hugh and Mae Bailey and Francis and Toney Dickey. Thanks for the invite, Arica, but Bob was waiting for supper back in Mobeetie. (We had to miss a good game with Texline.)

Ft. Elliott beat Texline 72-24.

Please keep Tim and Sallie Adcock in your prayers. Sallie will have a heart cauterizations on Wednesday as she did have a heart attack. They need to assess the damage and decide the plan for action. Have at least two options so far. You're in our prayers.

Jackie Don and Kellie May are helping Joe Shelton feed his cattle and do other chores and odd jobs, while he is recuperating from his set back.

So glad Joe is home and doing better. Has a lot of blood building to go through.

Know it's hard to cool your heels and take orders from these "young punks". But try and mind, Joe. Take care! Our prayers are with you.

"sit down and watch" the game.

We are so proud of you girls You worked so hard and so well together all year. You put everything you know to work against Hedley: Beating Hedley 64-58 is quite an accomplishment. They were rated number one in the state, but you never gave them an inch from the start. Good game.

For the first year together as a team, ya'll are Awesome!!

Maybe you should stay together after graduation and start a business teaching politicians and people that run countries, the secret of making consolidation work.

(Looks like maybe turn it all over to the kids and adults watch. Ha! Ha!)

Way to go Cougars! Monday nite the boys played a hard fought breath-taking game against Hartley. But pulled it off. Beat Hartley 57-56. Congratulations Guys! Keep up the good work.

What a game! Upward and onward.

Good to talk to Don Burke. Glad he is finally feeling better. That pneumonia stuff has really had a hold on him. Had a bit of a set back, but seems much stronger now.

Don got to take in the Hartley game Monday nite. Really enjoyed watching the Ft. Elliott boys play ball. Said the game was a real "barn burner".

Have a great week.

Wheeler Church of Christ

James 1:27 points out what true religion is all about. It is not just saying you are religious as much as it is putting your faith into action. One of those ways that is mentioned in this verse is by looking out for orphans (a few other details are given in that passage, too). We have a Christian responsibility to pay attention to and help those children who are in bad situations. My wife and I used to substitute house-sit at a Children's Home, which gave us the opportunity to see the files on some of these children so we would know what specific situations we would be facing. Some of these kids stories were heart-breaking. Unbelievable abuse and neglect, children who have not been able to live like a child until they came to the sanctuary of hope that was the Children's home. It was only there that they saw healthy situations, loving parents, a community that would actually try to help them succeed and achieve great things.

The Church of Christ in

Wheeler helps support four different Children's homes (High Plains Children's Home in Amarillo, Westview Boys Home in Hollis, Oklahoma, the Lubbock Children's Home, and Tipton Children's Home in Tipton, Oklahoma). During this calendar year we will listen to representatives from all of these locations, and maybe several others, tell us about what they do and how we can continue to be of assistance to them. This last Sunday we had Burl Butler from Westview with us, and in a few weeks we will have Craig Howard from High Plains with us.

There are certainly things that each of us can do individually to help children in less-than-perfect circumstances, but we as a congregation are definitely trying to be involved in several ways. We are involved financially plus we are collecting items for these homes. We have started collecting Kleenex boxes for the Lubbock Children's Home.

Some playing for the Lady Cougars were Seniors—Holly McCurley and Katie Donaldson; Juniors—Tamara Hefley and Andrea Hathaway; Sophomores—Sarah Zybach, Alicia Reis and Shealee Coulter and others. Hedley won State last year and played veterans from that tournament. Fort Elliott would play Spur at Childress Tuesday night February 24 at 6:30.

Wesley Steen had a pacemaker put in Friday at Amarillo. His daughter, Joline Jones, who is a nurse, brought him home Saturday night. Wesley is doing better. Pray for him. Joline spent Saturday night with them. Other Sunday dinner guests were Helen's brother, Olin, and Ruby Joselin from Enid,

Wayne Jones, George Crawford and David Jones.

Fort Elliott Lady Cougars were playing Spur Tuesday night February 24 at Childress at 6:30. Fort Elliott boys were playing Hartley at Amarillo Tascosa Monday night February 23 for Bi-District. Girls were in the Semi-finals. Good luck to all. Boys won.

I enjoyed eating lunch Monday at Maxeys with Sue Gaines and her mom, Jo Ann Morgenstern, from Miami. We also went out to see the pretty house Darrell and Sue and family have moved into. Such a good visit. Their kids are Darren, Aaron and Gracie.

Sincere sympathy to family and friends of W. D. Mitchell, 88, in his death. Funeral was at 2:30 p.m. Tuesday at Wheeler United Methodist Church. W. D. was our dairy inspector.

Sincere sympathy to family and friends of Ocie Ford in his death. He ran a grocery store here many years ago in Wheeler.

Charles and Lajo Crowover visited Willa Fillingim Sunday.

Ethel Grimes has not been thinking kind thoughts of the Raccoon that has been troubling her. She caught him in a trap, but he busted out. So she had to redo the trap. Good luck! Coons are bad to catch and kill chickens and cats.

Sunday, Elva Wood and son, James, took a little drive to the Campus of West Texas A&M. So many changes since Elva graduated there in 1941. So many more buildings. They visited with Carroll Killingsworth there. Elva taught many years.

Fort Elliott H.S. girls defeated Textline 72 to 24 Tuesday night February 17 at Borger for Bi-district. Friday night February 20, they played Hedley for Area at Tascosa and won 64 to 58 over the #1 ranked Hedley Owls.

Best wishes to Lori Morrison and Greg Sprock, as they plan to marry April 24 at the Church of Christ in The Colonies. Lori is a registered nurse in Springfield Mo. Lori is the daughter of Nancy Morrison and the late Bill Morrison.

There was a fire on Eddie Pannell's place Wednesday afternoon. Dean Tipps had 45 bales of hay there. He backed up to get a bale in his new pickup. He got stuck. When he got out to see about it, there were flames all under the pickup. The pickup and hay burned, but thankful Dean wasn't hurt. The fire burned away from the Pannell house, but burned a pretty large area. So thankful no one hurt or houses burned. The fire went northeast of Briscoe. Dean got a new pickup.

Thursday, fueled by the awful high wind, the Briscoe area fire reignited and came back more vicious than before. Several Fire departments were there to battle the blazes. The fire came right up to Eric Zybach's house and Jodie Walker's house. Thankful no one was hurt or houses burned. Many thanks to our hard working, helpful firemen.

David Pearson, Briscoe fire chief, and Jimmy Nelson were doing maintenance on the fire trucks Friday, so they would be ready to go out again when needed. David and Jimmy and Rita Pearson and Kay Gatlin and Larry Gatlin were enjoying lunch together at Canadian Pizza Hut Friday. Larry is staying very busy with his computer business. Glad it is working out for him. His wife and baby are frequenters in the office, too.

Ray and Glenda Hudson went to Borger Tuesday night to see Fort Elliott girls play Textline and win. Friday night they went to Amarillo to see the girls play #1 Hedley and win! Yeal!

Saturday, Glenda Hudson went to Childress to help with the Wellness Clinic at Wal-Mart. She checked blood pressures and cholestrol. Sunday they visited Ray's mom, Lois Hudson. They spent Sunday night with Ray's sister, Sharon and Harold Bertran. Ray had doctor appointments on Monday.

Doris Finsterwald, Bob and Mary Nell Finsterwald, Bill and Tonya Finsterwald and Brandon went to Amarillo to the ball games Friday night. Quite a game!

C. B. Brotherton and Doris Finsterwald visited Willis at the Care Center one day. Thanks!

Nice to have a good visit from Kathy and Evelyn Meek Monday. They also visited Willis at the Care Center and went by Martha Meeks.

Taylor Sparks was in a Free Throw Contest at Amarillo Sun-

day. Buddy Sparks took her and Haley to their Sunday School Class at Amarillo before the contest. Some other Wheeler kids went, too.

Wes and Cindy Bradstreet and David Bradstreet went to Hinton, Oklahoma Sunday to help a brother, Mike, and Jan Bradstreet move back to Wheeler to the Rodney Weatherly house. Welcome back.

Georgia Tipps was going to Amarillo Wednesday to see about a knee replacement. Pray for her. Dean Tipps was able to get a new pickup to replace the burned one and is back in business already. Yeal Thanks Wares! Hope the knees go great, Georgia. Mine have been wonderful.

Nice to have a visit from Rita Pearson Wednesday afternoon. She also brought some pizza for my supper. Always good to visit. She would have done jobs, but visit was better. Rita was going on to a sorority meeting. Thanks for coming!

"With God every day is a day to hope for the very best—to believe our prayers are being heard, to believe good news is on its way, and that anything can happen between yesterday and tomorrow."

I took a plastic grocery sack for my mail. I kept dropping everything one day. Thanks, Virgil Simmons, for "playing pickup" and others for helping. "God bless you." David and Phyllis Hefley went to Borger and Amarillo to the playoff games for Bi-district and area, as did many others.

Nice to be able to get over to see Willis at the Care Center Tuesday morning. He is doing well, but glad to see me, even though he can't hear me very well. Earl and Betty Husted from Grace Fellowship were conducting a church service with help from others. Sorry I didn't get there in time for the singing—one of my favorites. They also prayed for each one. Thanks! Each Tuesday at 10:00 A.M. they have a church service at Wheeler Care Center. Everyone invited to come sing and worship.

Nice to have a letter from Willis' "baby sister", Cornelia Lehman at McGregor, Minnesota. They've had lots of cold weather. Really dips low there. With eight kids and bukoos of grandkids, she and Berta (oldest daughter) have frequent company.

Laurel and Ed Hershman left early Thursday to spend a relaxing few days at Angel Fire. They toured the enchanted circle of Taos, Rio Grande Gorge, Eagles Nest Red River. They got back Saturday night. Glad you are back.

Thanks for the nice card and letter, Charlotte (Austin) Brown. Pray for her husband who isn't well. And she is not able to ride to Wheeler to visit her mom, Lessie Austin. Lessie always has such a sweet smile and so pleasant. Good to see Helen George there. She rooms with Lessie across from Willis.

Nice to see Darville Atherton and Sammie at Wheeler Care Center. Sammie looked so pretty. But I really couldn't say that Darville looked pretty. ha! But he is faithful to be there to feed Sammie every meal. He asked Sammie if she knew who I was. She never hesitated to say, "Laverna". First words she had spoken all day. Made Darville feel better.

Chynna Atherton has been in Wheeler Hospital with pneumonia, but was supposed to go home Friday, February 20. Noveta and Rusty had flu, too. And trying to visit Chynna. Pray for them. Chynna did get home. But Noveta has been in the hospital.

David Pearson went to Stamford Saturday to the wedding of a cousin, Gary Miller, at the Bethel Lutheran Church. David stayed over with his folks to help carry off cattle and do some things for David's folks, Albert and Mary Pearson, on Monday.

Dallas and Krystal Fillingim were weekend visitors from Wichita Falls to Rita Pearson. Nice to have them all take me to lunch at Maxeys and supper at Sotos Saturday. They also helped with several jobs. Thank you! We also had some enjoyable games of dominoes and Chicken Foot. They also visited Willis at the Care Center. Nice to have Rita, Dallas and Krystal go to Wheeler Baptist with me and lunch at Maxeys Sunday.

Jason Hink with Arizona Border Patrol was home to Bob and Linda Hink over the weekend. Think Janette and James Umsted and Brennan and Landry also visited and Janis Hink and Kade.

Irene Rogers got a good report from the doctor. Praise the Lord! Dallas and Krystal Fillingim will be celebrating their first wedding anniversary March 1 with some special "doings". God Bless! They will be going to the church where they were married for a special service on Saturday night.

Special song by Kelby Vise at Wheeler Baptist Sunday morning. Good. Becky Hardcastle sang Sunday night. Good. Thanks!

The thunder and lightning Sunday night sounded kinda scary, but we sure need a good rain. Rain on the Sky Light is sweet music. Not much in the rain gauge.

Fat and Wanda Childress went to Amarillo Friday night to the Fort Elliott-Hedley ball game.

Glad to hear that Addie Swift is doing better at Wheeler Care Center. She has been doing some walking to gain strength.

Joe and Annadell (Fillingim) Myers were driving from their home at Gulf Shores Florida to a 100th birthday celebration for Joe's first wife's (now deceased) mom at Lynchburg Virginia. Her name is Stella Allen. Joe's sons, Brian and Allen, were flying from California to D.C. and renting a car to drive on to Lynchburg. Virginia had had snow; made them a little apprehensive.

Sometimes things come back to haunt you. When our kids and grandkids were growing up we feel qualified and obligated to tell them

ALLISON NEWS

By Juanita Boydston

Therefore being justified by faith, we have peace with God through our Lord Jesus Christ: By whom also we have access by faith into this grace wherein we stand, and rejoice in hope of the glory of God. Romans 5: 1 & 2

The weather has been warmer for awhile. Then it gets COLD again. Its been cold the last few days and sounds like we will be getting rain/snow mix soon. At least the wind hasn't been too high lately. I appreciate that.

Bret and Hayley Begert, Bennie and Debbie Boydston, Dawn Donaldson, Jason Boydston and Josh Archer attended the Girls Basketball game in Amarillo at Tascosa Friday. The girls beat number one rank team and Won Area. Way to go girls!!

Forrest and Betty Boydston journeyed to Amarillo where they stayed Friday night and Saturday they attended the Gun Show and an Antique Show all in one building. While at the Gun Show they met up with Bob and Mary Cornell and had a good visit with them. While in Amarillo they visited Warren and Charline Brown.

Opal and Juanita Boydston and Vance and Carol Boydston were lunch guests in the home of Curtis and Lillian Boydston on Saturday.

Saturday night, Opal and Juanita Boydston, Vance and Carol Boydston and Forrest and Betty Boydston gathered back at Curtis and Lillian's for a very tasty meal for supper. And of course we had to have a game of spinners before going home. Glad that Forrest and Betty made it back from Amarillo in time to be with us.

Monday, Vance and Carol Boydston and Curtis and Lillian Boydston accompanied Forrest and Betty Boydston to Reydon, Oklahoma where they enjoyed a great meal at the Senior Citizens building. They met Louise Boydston and Pearl Harrison. After getting back to Allison, Texas Vance and Carol, Curtis and Lillian all gathered in the home of Forrest and Betty Boydston for a game or two of spinners.

Thursday, Forrest and Betty Boydston tended to business and enjoyed shopping at different stores. They enjoyed a wonderful meal at KFC.

Sunday, Curtis and Lillian Boydston accompanied Forrest and Betty Boydston to Wheeler where they had a fantastic meal and lots of visiting. They saw several people they knew. A few of them were Eddy Walker, Jennie Walker and Linda Sanders of Amarillo, Texas.

Roma and Billy Brown shopped in Wheeler on Saturday.

Alton and Judy Bryant journeyed to Amarillo to be with their friend, David McCasland, during his surgery.

Alton and Judy Bryant accompanied their son, Darrel, to Divine, Texas, which is down by San Antonio. He delivered bulls for the Bradley Three Ranch.

Eldon Walsler, Melvin's brother, was in the hospital in Canadian and was transferred to the BSA on Saturday for more test. Judy reported that Eldon is improving.

Pete Gilmer traveled to Amarillo where he entered the hospital for surgery on his hand on Thursday. He stayed in Amarillo, but not in hospital till Saturday, when he came home. We wish him a speedy recovery. We are praying for you!!

Bobby and Lynn Greene of Lubbock, Texas, Kyle Boydston of Clovis, New Mexico and Alexis Greene of Sayre, Oklahoma were weekend guests of Dick and Cletus Greene and Jonathan.

Dean and Linda Lieb of Stinnett, Texas visited in the home of her mother, Edna May, over the weekend. They changed her furniture around and her son-in-law killed a skunk for her.

The friendly four, Virginia Puryear, Irene Keys, Edna May and Lou Dean Douthit traveled to Shamrock where they had a very tasty fish supper. Afterwards they stopped back by Lou Dean Douthit's house and played a game of 42.

Edna May had the misfortune of car trouble, but thank goodness it was in front of the Post Office and so Bob Cornell helped her by trying to boost her car, but found out that the battery was dead. Glad she was in Allison when it happened instead out on the road. She needed more work on her car, so she took her car to Cheyenne, Oklahoma and had it repaired there on Friday. Its good to have friends that will gladly come to your aid when in trouble.

Billy Williams of Amarillo had been attending a Singles Meeting in Moore, Oklahoma and come by Allison to see Vance and Carol. He attended United Pentecostal Church with Vance and Carol Sunday night. After church Opal and Juanita Boydston were invited to Vance and Carol's house to play a couple games of spinners. Billy won the first game and Carol won the second one. Great refreshments were served. Enjoyed the game even tho I didn't win.

The View of a Southern Woman (So. California that is.)
I am finding a new way to aerate our lawn. In California, my gardener charged me \$75 a year to run this roller with spikes over my lawn, but here in Allison, we are getting it done for free. This deer comes each day and makes these deep impressions all over the lawn. I am not too sure how our garden will fare with him on the loose.

Maybe Uncle Roma Brown will have a suggestion as he is one of the best gardeners around. We might just give up as those turkeys and rabbits tend to be another problem. Oh well, Forrest or Glenn or Frosty, my husband, likes fishing so maybe the garden is out for this season and we will spend our time catching them.

Glenn and Betty Boydston attended the Gun Show in Amarillo this past weekend and what sheer luck I had! Could not believe my eyes! We walked in the Civic Center and there was a big sign about an Antique Show just down the hall from the Gun Show. It just does not get any better than that! Glenn's, "Oh no, not an Antique Show," cost him a couple of hours of looking and a bit of money for a Roseville vase. He will learn, I think. Now I find out that there is a Fishing and Hunting Show in Oklahoma City, Oklahoma this weekend that he has his eye on and all I can do is pray for another Antique Show at the fairgrounds. Such is life in Texas..... Love, Betty

Vance and Carol Boydston visited in the home of Dick and Cletus Greene on Sunday.

Louise Boydston went to Irving, Texas last week and visited her grandson and wife, Chris, and Patricia Chadwick. They had a new baby girl born on February 12th at Denton, Texas and named her Elizabeth Shirley.

On Saturday Louise took her daughter, Shirley, to Oklahoma City, Oklahoma to her home. Shirley had been with her son and family for ten days helping with the new baby. While in Oklahoma City, Louise visited her daughter and family, Sue Martin, in Jones, Oklahoma and saw her new great-grandson, Lucas Dylan Montgomery, son of Jerimy and Maura Montgomery. Also saw the children of Jeff and Jennifer Chadwick at Choctaw, Oklahoma for a few minutes.

Sunday dinner guests of Henry and Cheryl Dupont were Kim, Kimber, Brittany and Chase Thompson of Amarillo, Texas and Louise Boydston.

INVESTIGATE: Wheeler volunteer firemen investigate a fire at 1105 S. Canadian on Wednesday afternoon. The fire on the back side of the house is believed to have been started by youngsters smoking. An empty pack of cigarettes and a cigarette butt were found at the scene. The house is unoccupied. Damage was limited to some timber around a wood deck, thanks to the quick response of the Wheeler Volunteer Fire Department.

The junior show, which showcases the animal projects of FFA and 4-H exhibitors, as well as agricultural mechanics projects, begins with livestock competition on Friday, March 12. Professional breeders and ranchers will compete for top prize money and global recognition in the livestock industry during the first part of the Show, beginning Thursday, March 4.

Entries from both the open and junior shows, along with the horse division, combine to make the Houston Livestock Show the largest event of its kind in the world.

More than 15,000 entries, representing about 1,100 Texas 4-H clubs and FFA chapters, will compete in this year's junior show. A wide variety of animals will be shown in the junior divisions of the livestock competition, including market steers, market barrows, market lambs, market goats, market poultry, beef and dairy heifers,

breeding gilts, breeding sheep, llamas, alpacas, commercial steers, cavies and rabbits.

If you missed the Chamber of Commerce Banquet, you missed a very enjoyable evening. The musical talent and artwork display was fantastic.

—cwe—

Thanks also to **James Williams, Liz Shipp, and Art Rhine** for contributing the art work for auction.

—cwe—

Thanks to **Homestead Antiques, Debbie Finsterwald, Harrison Hall and Dave and Mary Britt** for purchasing the art work. The money raised will go a long way toward the purchase of folding chairs for the chamber.

And as usual, the choices for recognition were worthy.

We have moisture to report. We hardly recognized the sound of thunder when it first sounded Sunday evening; the official measure in Wheeler was 0.05 inches. As much as 0.3 was reported in the area.

—cwe—

A cold damp morning greeted us on Tuesday with moisture beginning to fall early afternoon. Only 0.06 was measured on Wednesday morning.

—cwe—

The Wheeler Volunteer Fire Department was quick to arrive in our neighborhood Wednesday afternoon when a fire was reported across the street from the house.

—cwe—

It was determined the fire was started by some youngsters hiding in the back corner of the house

After I announced KeiKei's birthday you probably think I made her a birthday cake. Wrong! I made her some pie crust; which both dogs thoroughly enjoyed.

—cwe—

Happy Birthday, Beverly Bryant! She will be another year older Friday.

TWO FIRE CALLS: A grass fire Wednesday afternoon south of Briscoe was started when the driver of this late model 4-wheel drive pickup went after a round bale of hay. The truck became stuck in sand and the catalytic converter started a grass fire. The driver, Dean Tipps was able to get away from the truck. The resulting fire burned several bales of hay, and approximately 600 acres before it was brought under control on Wednesday. The high winds Thursday fanned a spark at the same site and resulted in a second fire. The fire Thursday destroyed an additional 2,000 acres before it was brought under control.

will be awarded to the top four teams at the awards party.

The Teams of eight will compete to see who can log the most miles walking, jogging, or even biking. The kickoff for Wheeler County is March 16th at the Wheeler Track behind the school. Remember to have all your entry forms and money paid by this date or you will miss out on the competition.

Teams members will keep track of their miles and the team captain will phone them in each week or enter them on the web site. The map will be updated at the Extension office to track our progress across the Texas map. To participate in Walk Across Texas, first get a team together. Walking teams consist of eight people. Biking and jogging teams are limited to four people. Choose a team captain and name your team. Fill out a registration form available at the Texas Cooperative Extension Office, Wheeler County, 112 Oklahoma. This is a good opportunity for local business to challenge other businesses to see which team can walk the most. If you want to participate but can't find a team, call the extension office and we'll find you a team.

Many people are unaware of the positive benefits of exercise. According to the American Heart Association, heart disease is the No. 1 problem in the United States. The risk of heart disease could be significantly reduced by regular exercise. According to the Texas Department of Health, the positive effects of physical activity are not limited to lowering the risk of heart disease. Not only does regular exercise help relieve stress and anxiety, "physically active people outlive inactive people," a TDH report stated. Participating in Walk Across Texas is not only a great way to get involved with our community, it's a health habit.

Competition kicks off on March 16th!

Come out and plan to have lots of fun. For more information, call the Extension office at 826-5243. Walk Across Texas results will be posted at the Extension office, in the local newspapers and on the new website <http://walkacrosstexas.tamu.edu>.
