CWE CHAT WITH EDITOR

By Louis C. Stas

It was so cold Saturday morning! How cold was it? The temperature read 43° when I left the house around 8:00 a.m. to go down and help hand out maps for the garage sales.

—cwe—
We did have lots of vehicles stop for the maps, so garage sales should have done a booming business.

—cwe—
People lined up for the famous Wheeler Chamber of Commerce Hamburgers.

—cwe—
The Wheeler Centennial Committee did well on their Krispy Kreme donut sales. Could have sold more, if we had dared to jump in with a larger order.

—cwe—
I am sure the weather kept some cars and motorcycles from attending the annual event.

Pokey the Clown was on hand

Dortha McCurley Retires From First State Bank

Dortha McCurley started working for the First State Bank of Mobeetie on January 2, 1971 earning \$1.60 per hour. On May 14, 1974, she was elected Assistant Cashier; on January 14, 1975, she was promoted to Cashier and on January 11, 1985 was made Vice President of First State Bank. After 33 years of service, her retirement will be effective April 30, 2004. Dortha's last day at work was April 9, 2004 and a dinner was held in her honor on April 15, 2004 at Maxey's where she was presented with gifts and flowers.

Dortha's tenure extended over one-third of the Bank's existence and she served with three different Presidents of the Bank during that time. During her employment at First State Bank she helped with multiple conversions and the changes the banking industry has gone through during the last 33 years. From Boston Ledgers to the computer age, manual typewriters to computers, counter checks to personalized checks with account numbers, and from checks to electronic transactions. The one thing that has remained constant during her 33 years of employment has been the importance of great service to our customers. "Going far beyond the call of duty, doing more than others expect this is what excellence is all about."

16th Annual Classic Bowl To Be June 3

For the past 16 years area youth have been given the opportunity to be recognized for their efforts in sports, band and academics. A vision of three men from Woodward has become the premier tri-state event. Classic Bowl was founded to emphasize academics as well as athletics. From the rainy night on June 3, 1989 the event has grown from a small 35 member band and football game to a week of events. Classic Bowl XV will continue this tradition in grand style.

A group of volunteers work year around to make Classic Bowl week an unforgettable experience for all the participants. All events scheduled are free of cost to the participants. The housing and food are donated by various businesses and organizations in the Woodward, Oklahoma area. From the registration of the football players and coaches and the girls basketball players and coaches on Tuesday morning to the final whistle of the game on Saturday, volunteers work tirelessly. At the close of Classic Bowl XV over 12,200 young people will have participated in Classic Bowl events and over \$65,000 in scholarships will have been awarded. Young people from as far west as Stanton County, Kansas and as far east as Crescent, Oklahoma are involved in football, band, basketball, and cheerleading.

Girls basketball games are played Tuesday, June 1 beginning at 7:00 p.m. in Boomer Fieldhouse. Boys basketball games will be played Thursday, June 3 beginning at 7:00 p.m. at Boomer Fieldhouse. The Athletics Awards Banquet is held in the Woodward High School Commons Area at 7:00 p.m. on Friday, June 4. Saturday, June 5 begins with cheerleading competition at 9:00 in Boomer Fieldhouse. The Classic Bowl Parade begins at 2:00 p.m. in downtown Woodward. This year's pre-game show is starting at 7:30 p.m. Make plans to be at Boomer Stadium early to enjoy the performance by the Classic Bowl Honor Band. Kickoff for the football game is at 8:00 p.m. The honor band will present an unforgettable half time show. You will not want to miss a minute of these exciting events. For a complete list of events and ticket information please call 580-256-4101.

And it comes from striving, maintaining the highest standards, looking after the smallest detail, and going the extra mile. Excellence means doing your very best. In everything, in every way." Dortha will be greatly missed at First State Bank.

New Arrival

Dawson Alexander Fourier

Scot and Linda Fourier of Bremerton, Washington would like to announce the birth of their son Dawson Alexander Fourier. He was born April 21, 2004. He weighed 5 lbs. 11 oz. and was 20 inches long.

He is welcomed by grandparents Kenneth and Wanda Fourier of McLean, Texas and Ed and Kay Lester of Spokane, Washington. Aunt Barbara Fourier of Sweetwater, Oklahoma and Crystal and Bill Henry of Cincinnati, Ohio. Cousins are Amy Rogers of Cincinnati, Ohio and Bethany and LeAnn Rogers of McLean Texas.

Hi, Ya'll!
Sorry I've missed you the last couple of weeks. Not intentionally. Will try to get back on track with your help.

We started this crazy pattern with a trip to Richland Hills April 14. The bluebonnets, primrose and Indian paint brush and many other wild flowers were in full bloom all the way down there after we left Vernon. They were so pretty in their bright patches along the roadsides.

My daughter-in-law, Lori, introduced me to the world of the jetsetters.

On the 15th, Mom, Lori and I were escorted to the airport by Bob and Todd. They sent us on our merry way while they went to Oklahoma and got Todd's son, Michael, for some fishing.

We caught a flight to Charlotte, N.C. Only got to check out a little of the downtown area and the Chamber of Commerce. Then we drove to Charleston, S.C. to be at my step-brother and sister-in-law's soon after they got in from work.

Wow! Breakfast in the air over Who Knows Where. Lunch in Charlotte. Then dinner in Charleston. (That will never happen again in my lifetime.) Not as impressive as 3 continents. But fun anyway. And sure beats the ol' car.

Mom's homemade bread is still the best.

There was so much going on in the Charleston area with the ceremonies for the Hunley crew and the final burial on Saturday in downtown Charleston: The Heritage run for motorcycle enthusiasts right there in Ladson, and a tennis tournament at Mt. Pleasant with Venus and Serena Williams participating as the headliners for the area news.

Needless to say, I volunteered to venture out to Summerville for a little shopping and lunch on Friday while we waited for a guided tour on Sat.

My sister-in-law, Barbara, and two friends flew out Sat. to Germany for 5 days. They all three came from Germany over the years so have alot in common. Boy! 5 cities in 5 days. Bet they appreciated the 8 hour flight home.

Lori and I left mom in good hands Sat. evening after a wonderful tour of Charleston and a couple of islands. Lou was glad to have the company. (Or should I say the cook!) ha!

My brother and sister-in-law, Keith and Karen are vacationing over there now. They promise to bring Mom home. Barbara says she can't come back! halha!

Glad to see Doug Corse looking better. Sorry he had to spend several days in an Amarillo hospital recently. Hope the doctors find something to take care of it all soon. Our prayers are with you.

The crazy weather and allergy stuff has sure attacked people around here this year. Don't know what this crazy wind is blowing in.

Congratulations to all of our area schoolkiddos that have been working so hard on track and field events, golf, tennis, baseball and other U.I.L. competition. They have all been working so hard. They have done their best and accomplished a lot this year.

The girls' tennis team did quite well at Levelland. Andrea Hathaway, Alicia Reis, Andria Keelin and Holly McCurley. They all played good, hard games. Holly brought home third from regionals. Good job. Congratulations, Holly!

Our sympathy goes out to Sue and Pete Seitz and family in the death of her mom, Rita Lee, in Arkansas. They brought her back to Vici, Okla., for burial.

The Mountainview Quilting Club completed Augusta Brown's beautiful pink and green quilt double sized quilt week before last. Then put in the Seitz family reunion quilt.

Our sympathy goes out to Kevin, Kandi, Dakota and Harley Jones in the death of Kevin's uncle, "Sandy" Sanders of Sayre, Okla. They all attended the funeral and family time together on Friday, April 23.

Glad to see Doug and Pat Corse out and about. Doug's turn to cook dinner. ha! ha! Just glad your both feeling some better.

So nice to have the Cowboy Oasis Cafe open on Saturdays at

Good to see Bill and Pearl Darby looking so well. They come over quite frequently. I just usually don't get the pleasure of getting to visit with them.

The Old Mobeetie Association was having a workday Saturday. The "headtable" was full and busy with visiting, plans and discussions. They don't even really take off for lunch. They really mean "workday" (Smile) (Keeps them out of trouble.) Seems like they were the ones having all the fun though.

Speaking of our cafe. Rumor has it that Gayla Hathaway took over managing the Cowboy Oasis as of closing on April 23. Kim Moore took over Zedell's in Wheeler.

Things, they are a changing. Good Luck, Ladies. It will all work out great, with gas prices like they are, it will sure help on the driving part.

The Shelton's, Mays and Adcocks got together Sunday, April 25, to do some spring branding for Nancy Shelton. Sure was cold and windy.

Ol' Mother Nature sure definitely reminding us she's in control.

Those surprise storms Sunday, sure got our attention. Those ol' black skies, thunder lightning, rain and hail. The rain was appreciated. But the rest we could have done without.

We were trying to go to Pampa in the hail storms. The grandkids

were riding in the playday. We had to wait for Grandpa to get off work. We took the rain and stuff with us, I guess, as the kids were done by the time we got there. Mighty wind blown, but at least not wet.

Jayden had won three of his events, so he was quite hyper. Erica was mad because she didn't win anything. But glad she got to practice with her friends.

Nana Cindy Medley from Ft. Cobb, Okla., had spent four days with them and got to see them ride. We brought Cindy home with us, then Cindy and I drove to Sayre to meet Nelson Medley. Had a nice visit.

Good to see Cindy and Nelson doing better. Both have had surgery in the last six weeks. Hope you're both on the mend. Our prayers are with you.

Soon after I got home from Sayre, Bob took me to Parkview for a checkup. Then got sent on to BSA. Sorry I had to disturb everybody.

Carrie Gaines and Jason Miller drew the short straws. Thanks for the uneventful ride. Sorry I messed up your beauty sleep.

Thanks all of you at the hospital that helped out Sunday. We appreciate each of you. We have a great staff here. We're lucky to have such a good hospital available.

So I missed last week's news again, Sorry. But nobody left me any messages or notes.

Wasn't bad enough I had to spend three days in Amarillo. I had also lost my voice before this episode had started. So was trying to communicate with six doctors and all these nice nurses and aides in whispers. What a hassle.

Have you had the pleasure of meeting Dr. Chris Edden and/or his family yet? I got to meet him. Am sure he'll be a real asset to our medical community.

If you need a family Dr., check with Dr. Eddens. He discusses what his plans are and why, answers your questions and doesn't put you off or beat around the bush.

It's nice to have an alternative when our regular doctors are out sick or on days off. (Which they are entitled to.) They are only human and only one person.

Have ya'll seen our own famous Jim Batton lately. He can now add famous TV personality to his resume! Saw him on a commercial for the Doctor's Clinic in Amarillo. Way to go, Jim.

Had a phone call from Suzie Mabry Thurs. She is doing well and working at Abraham Nursing Home in Canadian. Her kids and grandkids keep her busy as usual. Thanks so much for the call, Suzie. Was so good to hear from you.

Keep Gaylord and Pam Thompson in your prayers. Gaylord got whopped by one of the prisoners at the Jordan Unit in Pampa Fri. Has some damage to one eye. After surgery Fri. night, at NWT, they won't know the extent of the damage for at least a couple of weeks. For now he is resting at home. Pam's been a good nurse. Daughter, Kandi, pinch hits and

Tex. Water Develop. Gives PGWCD Grant

The Texas Water Development Board recently approved financial assistance in the amount of \$300,000 to the Panhandle Groundwater Conservation District to purchase approved agricultural water conservation equipment. The funds were made available through the TWDB's Agriculture Water Conservation Loan Program.

Under this program, the TWDB can make loans to lender districts such as PGCD. In turn, the lender districts make loans to individual borrowers (farmers, ranchers, etc.) to purchase and install more efficient irrigation equipment on private property.

The District will utilize these funds to make loans to individual borrowers for purchase of center pivot irrigation systems.

"We are very pleased to receive this loan," said PGCD General Manager C. E. Williams. "We are moving from furrow to center pivot irrigation and are seeing a great increase in water, efficiency."

Interest on the individual loans will be 2.05%, with 20% down. For more information, or to receive a loan application, contact the PGCD office, 201 W. Third Street, White Deer, Texas, 806/883-2501.

The District jurisdictional area covers all or parts of nine counties including Carson, Gray, Donley, Roberts, Armstrong, Potter, Hutchinson, Hemphill and Wheeler. The area covers 6,378 square miles or 4,150,136 acres. The District has 967,000 cultivated acres of which 281,500 are irrigated. Principal crops are wheat, grain sorghum, corn and sunflowers.

We made a quick trip to OKC on Thursday and returned on Saturday morning.

Patsy was my partner for cards Monday evening and we managed to win the last two games, after losing the first one rather badly. Bob and Dwight used up too much of their luck on the first game.

ENGAGEMENT: Kirbie Kinnaman and Donnie Barr would like to announce their engagement and approaching marriage to be held on June 5, 2004, at the Baptist Church in Mobeetie. Kirbie is the daughter of Bob and Debbie Kinnaman of Mobeetie. Donnie is the son of Randy and Dee Barr of Mobeetie.

granddaughter, Harley, is always there to do anything she can to help Grandpa feel better.

Gaylord's mother and step-father came over Fri. expecting to find Pam at work and Gaylord fixing to be home from work soon. Instead got this unpleasant news. So sat and waited with Kandi and the kids. They had come up from the valley a little early for grand-son, Ryan's, wedding next weekend. Hope you'll soon be good as new, Gaylord. Hope it hasn't been too painful.

Ada Lou Lester got a chance to run away from home for a few days recently. She journeyed to Fredericksburg. She had a nice visit with a cousin, did some catching up on family stuff and the genealogy thing and lots of other fun stuff. They always have a great time when they get together.

Thanks Verna for your sweet call and card. You're so thoughtful.

Hi Joy and Lucretia!

The Mayfields, (Bob, Todd, Jeff and Tim) took a fishing trip to Texhoma and actually caught fish. We all celebrated. They each caught their limit. Unusual luck for them. They were very pleased, even if they weren't record breakers. Just lots of fun.

We had a fish fry when they got in Monday night, the 19th.

We were still in Richland Hills.

So messed up Lori's beautiful new kitchen for fixing dinner. But everything is so handy. First time I've actually cooked in it since she's had it finished and restocked.

Great News! Ruby Caviness' youngest son is home from the hospital and doing very well. After all he has been through, it's amazing. The Lord has answered many prayers.

He is a walking miracle. He is almost pain free. After suffering for several years. But he finally found the right doctor, that pin pointed his problems. Another case of the Lord putting the right person in the right place at the right time. Praise the Lord. Ruby's son hardly recognizes his life pain free. What blessing. Glad he feels so much better. After making it through some really tough times.

Thank each of you that have been such a blessing to me while I have been down again. Your friendship means so much to me.

James Moore has been home helping Inez with some things and visiting friends and family. Saturday the whole family was out in the cold wind trying to finish the beautiful new front porch James had fixed his mom for her new house. Know she appreciates it. But enjoys his company and all the others more.

Ya'll take care. Have a great week.

Wheeler Church of Christ

Although we are nearing the completion of our Wednesday night series on the Twelve Apostles, we have noticed a very unique and diverse group that Jesus chose to be closest to him during his ministry. Some of this number we know a lot about while others we know virtually nothing about. There are some details that can be found in extra-biblical materials that may or may not be accurate, but let me toss out a few things that can be found in the Bible.

Peter and Andrew were brothers who were fishermen; just like James and John. Andrew was responsible for bringing Peter first to Jesus (John 1:35-42). Philip came from the same area as Peter and Andrew (John 1:43-45) and based on the amount of other passages in which Philip and Andrew are paired together, I imagine they had been good friends before their apostle days. Philip introduces his friend Nathanael (probably also known as Bartholomew) to Jesus in John

1:46-51. Matthew had been a tax collector, but he immediately responded to the invitation from Jesus to follow him (Matthew 9:9-13). We don't know how the other apostles were chosen, but including the ones already mentioned, they are Thomas, another man named James, Thaddeus, Simon, and Judas Iscariot.

A few other things that do jump to mind with these men are the brassness of Peter in speaking his mind when he probably should have just stayed quiet. The desire to bring down fire upon the Samaritans who had rejected Jesus by James and John in Luke 9:51-56. The discussion Jesus has with Philip and Andrew about how they would feed a crowd of 5,000 and they eventually brought forth a little boy with a sack lunch (John 6:1-15). Thomas doubting Jesus' resurrection (John 20:24-29). Oh, there is still more. Next week I will talk about Judas.

Hug While You Can
It's wondrous what a hug can do.

It brings a friend to encourage you.
It lifts up when you're feeling low.

For someone to say, "I love you, so."

Reach out today with a hug and see how happy someone else will be.

Stefanie Jones bought the Wheeler Flower Shop from Butch and Charles Moore. Best wishes to Stefanie. And hope the Moores enjoy life.

Pray for Sue Mayfield. I've missed her Mobeetie News. Sorry to hear that she has been in the hospital at Amarillo with heart problems. They hope to help with medication. Love you!

Best wishes to Jared Keys and Tasha O'Quinn as they plan to marry May 15 at the Kenneth and Brenda Keys home near Reydon.

There was supper and a party at David and Winnie Gilmer's in Briscoe Saturday night to celebrate granddaughter Adley's 4th birthday. Also there were her parents, David and Shannon Gilmer, Grandma Jennie Smith and great-grandma Patsy Smith and Bill and Tonya Finsterwald and Brandon and Julie Shields and Maddie and Caitlyn Shields from Canadian. Happy Birthday, Adley. She is a cutie. God bless you everyone!

Nice to have Betty Talley, Bobbie Ehman and Leslie and Billie Moore

and the Roberson family all from Miami out to First Sunday Singing at Mobeetie Sunday night. Always a good program.

LaDonna and Mike Honeycutt and son, Heath, and granddaughter, Courtney, from Pampa visited Heath's sister, Heather, and Scott Schmitt and Ashtyn Chaneé, Quinlan and Emmi Jo and LaDonna's mom, Ned Burrell, over the weekend.

Leona Coates flew to Dallas and visited her daughter, LeeAnn, at Crum and attended the 50th anniversary of her Shamrock graduating class celebration. They got together for a meal on Friday and Saturday nights. They are also planning to have a big group get together in July during the school reunion.

Ricky and Tina Bond and Amanda and Abby enjoyed lunch and visiting with Ronda and Kenny Rutherford and Blaine, Caitlyn and Chisum at Soto's Sunday.

Claude Jr. and Freida Cox from Blanket, Tex., were weekend visitors to sister, Joyce Perkins. They went on to Amarillo to visit another brother, Marvin and Linda Cox and family.

Marie Baker visited her daughter, Phyllis O'Quinn, at Perryton over the weekend. But Marie feel poorly and her legs hurt a lot. Pray for this sweet lady. We missed her at church and senior citizens.

Jo Redding and Susan Redding have had lots of company from Oregon, Montana and New Mexico and have had lots of fun. We missed Jo at Wheeler Senior Citizens.

Correction: Shawn and Amy Everett and Codi and Colton were weekend visitors to Martha Meek, coming Thursday and going back Sunday. The Everetts are from San Antonio.

Wednesday night Willa set one of Bill Turnbow's traps. The coons don't get out of his pens or tear them up. Thursday morning she had a big vicious male coon. It was no easy job to load the heavy trap and a 25 pound coon. Willa was going to Wheeler, so she thought she'd give another area new coon blood. She turned him out to make his living far from Willa's place.

Recently Willa caught a skunk in her chicken house and put it in a good wire pen. She was astonished the next morning to find it gone. He had found a loose wire on the door, so small she couldn't see how he had squeezed out.

Hello to Watson and Aldeana Burgess. Thanks Glen and Faye Sparlin for your news of them.

I enjoyed going to Pampa with Juanita Fillingim Thursday. We visited Willis some at Golden Phoenix and had a good visit and ate at Long John Silvers. Real good. She also had an eye appointment and got oil changed in her car and shopped some. Nice to see Kyle, Tamra and Kaylee at Long John's.

Monday and Tuesday, April 26-27, Jonathan Roberson from Miami came and did a few jobs for Willa Fillingim. He also hunted turkeys and explored the creek. Willa went to Canadian Tuesday and took Jonathan home from there. About that time Jonathan's mom, Carol Roberson, left Miami with the younger children and went to Willa's home to get Jonathan. The kids wanted to see the baby rabbits and took home 3 more rabbits. Jonathan had taken 2 rabbits.

We had a nice group of 13 out to Wheeler Senior Citizens Monday night. Delicious meal and two tables and two games of chicken foot and good fellowship. Some there were Evelyn Meek, Leona Coates, Charlie and Daphne Sullivan, Leonard and Bertha Hollis, Lou Dean Douthit, Ned Burrell, Mary Margaret Dodd, Joyce Perkins, Martha Meek, Marie Gudge, Verna Fillingim. We missed Marie Baker, Betty Howard, Jo Redding and others. Visitors always welcome! Next meeting first Monday in June, June 7. Thanks to all who helped with it.

Nice to see Jon and Christy Sullivan with Jon's parents, Charlie and Daphne at Soto's Sunday.

Cheryl and Jeff Fraley and Steven were weekend visitors to Sonya Hudson and Patrick. They also visited Ray and Glenda Hudson for supper Saturday night and brought Sunday dinner over to Ray and Glenda's. Patrick and Steven had great fun riding horses.

Friday noon Ray and Glenda went to a luncheon at Canadian. It was prepared by Leslie Breeding of Miami and called "Homemade Gourmet" at First Ag Credit. Glenda plans to have a Gourmet Luncheon some time soon.

Glad to report that Willis is doing some better and will be at Golden Phoenix a little longer before coming back to Wheeler Care Center. He is more alert. Keep praying for us.

Glad to hear that Elva Wood was able to be out to church at Wheeler Methodist Sunday. Means a lot to Elva. God bless!

Irene Rogers enjoyed having her son, Frankie Rogers, and Justin stay with her when they came to play golf in the Ja'Nae Goad Tournament. Saturday evening they got together at the home of James and Janette Umsted and Landry and Brannon for supper. Also there were Janice Kemp and Kade and Bob and Linda Hink and Jason. The little boys had great fun riding 4-wheelers. Think Frankie won first in his fight.

Lillian Chesher's knee is doing well since surgery. The doctor dismissed her. Praise the Lord!

Sorry to hear Georgia Tipps had to have a little more surgery on her knee to remove adhesions after surgery.

Bob and Evangeline Wills went to Odessa over the weekend to watch their granddaughter, Sara Wills, compete in the gymnastic finals. She did well and of course the cutest one up there!

Big crowd eating at Soto's Sunday. I enjoyed eating with Alvern Hutchison, Dick and Ruth Irvine, Vea Fillingim, Ed and Laurel Hershman. Juanita Fillingim and Martha Meek.

Several from Mobeetie there: Earnest and Arica Lancaster, Bill and Virginia Ridway, Gene and Sue Harrison, Danny and Betty Rogers and Tina Covalt and others.

I've known Alvern (Hampton) Hutchinson since early school days at Wheeler and church at Wheeler Methodist Church about 1930 or so.

A large group of youth from different churches and places participated in the "Disciple Now" activities at Wheeler Baptist over the weekend. They are also collecting food and clothes to share with those who need them. The speaker and musicians were in the Sunday morning service at Wheeler Baptist. Good!

I enjoyed the Tuesday morning church service at Wheeler Care Center. Then played a few games of dominoes with Robert, but he beat me pretty bad. Also enjoyed visiting with some of the residents.

Sincere sympathy to family and friends of Maxey Herd in his death. He was 68. May God comfort each of you.

Sincere sympathy to family and friends of Edwy Jackson, 78, in her death in January. Her husband Emmett died in 2000. Emmett worked for Pioneer. They lived where Mack and Patty Ann Shields live. They attended Gageby church and she went to the Home Demonstration Club. Memorial Services will be Sunday, May 2, 2004 at 3:00 p.m. at Memory Garden Cemetery between Amarillo and Canyon.

We enjoy the Berean Sunday School Class at Wheeler Baptist church. Always a good lesson and a fine, friendly group. From 20 to 30 people ages in the 50's to 90's. One morning we discussed pulling bales and hoeing cotton. Most of us had grown up doing some of that. I was the youngest and smallest of our family group. They had a nick-name for me—"poke along and hunt us", (Pocahantas). Mary Ruth was six years younger and missed out on the "fun".

Had a nice visit with my sister, Pauline Hefley, and her daughter, Beth Alvey, and Joyce Carr. Doing good. Beth and Jim had helped with cooking and serving the hamburgers on the square. Lots of garage sales over town. Ed and Laurel Hershman also helped with the hamburgers. They thought they sold 420 hamburgers and could have sold a few more. Sold out.

There was a big crowd at Mobeetie Baptist Church Sunday night for First Sunday Sing. Real good program of songs and reading, delicious, abundant food and fellowship. Some singing were Don and Willene Burke, Congregational songs, Wesley Steen and daughter, Jolene Jones, Evelyn and Martha Meek, Don Burke and Nadine Lane, Crystal Dean, Sonya Hudson, Marion Grimes, Roberson family (Mark, Carol, Jonathan, Rebecca, Deborah, Grace Ann, Timothy, Phillip, Danny, Seth).

Readings from Willa Fillingim, Mary Cornell, Aaron Laverty, Ray Hudson, Patrick Hudson, Glenda Hudson, Helen Steen.

Also singing in the Mobeetie Group were Melba Corcoran, Bill Caswell, Terry Hovey, Kandi Jones, Paul Hathaway, Danny and Betty Rogers, Nadine Lane, Marion Grimes, Laura Vandever, Harvey and Virginia Patterson and Willene and Don Burke. All sounded good. June 6 singing will be Allison Baptist Church at 6:00 P.M. Everyone invited. Come join us.

David and Rita Pearson spent Sunday night in Amarillo for David to have tests run on Monday. They met Ken and Lindsey Criswell and Blain for supper at the Golden Corral, and a good visit.

Several years ago David Jones, brother to Wayne Jones, was injured in an oil field accident with

head trauma. He has moved to a head trauma facility in Louisiana. Wayne and Jolene plan to move there to be with him, at least for awhile. Remember them in your prayers. I remember David as a kid, flying around the skating rink in Wheeler. Very good skater. Sorry about his troubles.

Note to fellow watermelon addicts: I got a delicious fresh watermelon at Thriftway. Yummy! "God be with you till we meet again."

Our weather has really been something. It can't seem to let winter go. For a couple of days there we had temps into thirty seven at night. But the last few days has been beautiful here in Allison USA. We are thankful for the beautiful

days altho its cooler than usual, but I understand that the warmer weather is on its way.

The View of a Southern Woman

..... Southern California that is....

Fishing seems to take up a lot of our time lately, but Glenn, Frosty, Forrest says we have to go when they are biting. Guess they always bite around here. In California, we would go once in awhile and we always caught some. Never worried about them biting or not. The other day I caught a three pound catfish and Glenn did not catch anything so he had to let it go. I forgot my camera that day so I have no proof of that catch. Glenn said something about not eating that kind. Went fishing again Monday and Glenn caught 17 fish and I caught 2, so we brought them home. I think it has something to do with numbers. Henry Dupont was fishing and he said the reason I did not catch a lot was the fact that I was too busy netting Glenn's fish. He also told me that I was a good stick catcher as I landed 4 of them and also pretty good at getting hung up in the rocks. As the men were cleaning their fish, I heard them making plans for another fishing trip tomorrow morning. Think we leave at 8 am.

Found out another thing that I will not soon forget. Just because there is a lovely grassy lawn, you can not sit on it without pain. Took a while to unattach dozens of Texas Diamonds. That is what Glenn calls those thorns that seem to be everywhere. In California, a green lawn is to sit on and relax in the sun, but I have changed my ideas on that one.

Another problem I have here is the wind and my very fine hair. It was just not made for these Texas winds. Even with hairspray that sets up like cement I still have a problem. In California if we had winds over 10 mph it was big news and the worse thing that could happen would be the ocean giving you a sudden shampoo without the shampoo. Think maybe some hats might keep my hair under control. Such is life for this California woman.

Love, Betty Boydston
