It is time once again to make your nomination for the 'Outstanding Individuals'. The Chamber is once again asking for your nomination. This is done each year, as it is impossible for a small group to know the accomplishments and/or works of all our citizens. Help us select deserving individuals for these honors.

-cwe-

We are limping through publication of this issue of the 'Times'. We are down to one disk drive for the computers and Junior has to set all the 'straight matter'.

-cwe-

One of the disk drives was causing a slight problem last Friday. I went down to use an air compressor to give it a quick fix. I have been using this method periodically since I was informed the out of date equipment could no longer be repaired. Apparently I used a little too much air and a small piece broke. I have been unable to find a replacement. Anybody out there have an old Commodore disk drive?

-cwe-

'Junior' went into semi-retirement sometime back when you could no longer read what you were typing. He is used only to print from the computers. 'Doc' was pronounced 'dead' a couple of weeks ago. 'Doc' was brought in when 'Junior' became handicapped.

## 50TH ANNIVERSARY CELEBRATED: Mr. and Mrs. L.E. Anderson of Miami, Texas had dinner at Sparlin's on Christmas Eve Dec. 23rd, 1990 on their Golden Wedding Anniversary.

Mrs. Anderson is the daughter of Mr. L.S. Aderholt of Wheeler and sister of Mrs. Jack Hays of Wheeler. She was formerly from Briscoe, Texas. Mr. Anderson was from Kelton. Many people in the Wheeler area will remember them.

According to my onion halves, 1991 is going to be a dry year. Sure do need a good soaking rain on the ground. Light snow is on the ground. Our pet possum eats catfood with the cats, then goes to the back of the house, scoots the squirrels, quail, and redbirds over to eat bird feed. Visited with Lee Coffey at the Sonic. He told me the oil companies have already put covers on their open tanks in hopes of saving more birds.

Tommy and Nelda Tucker, Monte and Lisa, and Misti Keathley had a lot of fun on a skiing trip to Angel Fire.

Bob Carey called to tell me his son Greg has been sent to Saudi Arabia this week. His address is L. CPL Carey, G.D., 448 88 5066, F-214 3rd Bn 10th Marine FPO, New York, New York, 09502-0142. Let's all write him. Greg had been stationed in North Carolina.

The Kitchen Band had two pretty days last week and got to the Wheeler Care Center and Erick Nursing Home. Among the visitors were Rex and Virginia Miller, Mr. and Mrs. Edward Killingsworth, Erskine Grayson, Debby DeLeon and family, Albert Martin, and Hubert McMullen. Band members were Basil and Billy Doss of Carnegie, Jack Criswell and Betty Brothers, Sayre, Iona Miller, Rose Abila, Hazel Francis, Margaret Hiller, Roy Swagger, Richard Crawford, Erick, we three and Ole Five String.

Band members were pleased to receive Christmas cards from the Erick Chamber of Commerce thanking them for their help during the year. It was the bands pleasure to visit each month at the Home, and provide entertainment for the Alumni Reunion, Tourism Day, and the Honey Festival. They also heard from the state Tourism Dept. They are starting their 15th year. Only a few of the original band are around. They've had a lot of fun thru the years. Got a standing ovation at the Myriad. Appeared on a program with Gov. Boren, and another with Roger Miller. Have entertained at most of the towns on various occasions, been on TV, and brought joy to many shut-ins.

I got so confused with this Tuesday deadline during the holidays that I forgot to put the January schedule in. The Band will be at Grand Place, 2nd Tuesday, Elk Home 3rd Tuesday, Hensley Home, 4th Tuesday, and Wheeler Care Center, 5th Tuesday weather permitting. Time 2:30. Visitors welcome. welcome.

While at Wheeler, we stopped by to visit Jack and Doris Hays. They were in a recent auto accident. Doris was just home after about two weeks in the hospital. Her dad Laurence Aderholt was in the hospital with pneumonia.

Jack Criswell and Betty Brothers attended funeral services Tuesday at Cheyenne for Tige Spitzer. They spent the holidays at Wheeler with his sister and family, Mr. and Mrs. Marvin Walker.

Charles Matthews of Az. spent Xmas with his mother Ida Mae Rutherford. They visited with his sisters, Louise Bailey of Pampa and Dorothy Varner of Shamrock.

We must have been the best kids on the block. We got our sixth package since Christmas. If we aren't pleasantly plump, it isn't for lack of good things to eat. We really enjoyed the gift certificates from some of the papers. My brother even sent one for Walmarts. Now that is

living it up!

Just a few days until Mr. Bush says he is going to start shooting. He resigned from the Trilateral Commission, International Banking group when he ran for office in 1980 but a lot of folks think they are still pulling his strings.

Funeral services were Thursday at the Shamrock Chapel for our friend Dewey Adams. Burial was in the Shamrock Cemetery. He and Lorene were residents of the Wheeler Care Center.

Alfus and Inez Coffey spent the holidays at Ronnie's in Pryor.

There were 23 present for the big day. They came by Chelsea to see the grandkids and visited her sisters and brother in Dustin.

Esther Dickey spent Christmas at Shamrock with Elinor and Don Meares. Sherri Carlson was out to see the Gene Carlsons. She and Shawn visited Esther on New Year's Day. Other visitors were Mr. and Mrs. Gary Meares,

Graham, TX., Mr. and Mrs. Steven Stokes, and Heather, Amarillo, Mr. and Mrs. John Medlock, and Thomas Ryan, Sayre, Mr. and Mrs. Don Meares.

Iva Thompson had Christmas at Sayre with Peggy, Leroy, and Darrin. Dale and wife were there from San Angelo. They got home to find some one had broken in and stole their microwave and 2 VCR's.

Remodeling on the Baptist Parsonage has sort of come to a standstill during the extreme cold. Contractor in charge is Danny Miller of Erick.

Birdie Whipkey called to say her recent eye surgery had sure helped her vision. She had all her local family home but Wynona. Birdie is my little 98 year old neighbor down the way.

We visited Hortense Madden at the Sayre Hospital. She is walking some. Helen and Alec Ewing had a stay in the San Antonio hospital. He went back to his Wichita Falls doctor this week and got a good report on his eyes.

See one eighth of the US population lives in California. A few more million and it will be heavy sided enough to slide off into the Pacific. Sure enough.

Donnis and Lanell Hayes of Enid had the holidays with her mother Mildred Allen. They went to Leroy and Faye's at Erick on Xmas Eve. Randy and Ricky of Hammon were there too.

The H.E. Smiths had their Christmas in the home of Pat and Debby Anderson and children. Donny and Millie and families were there. The Smiths grandson Todd Hutchinson was home for the holidays. He is still

in training.

The Hansford Jenkins were here with his mother Stella for an early Xmas and went on to OKC for another Xmas dinner with Kyle. Got back to Texoma and were asked out again by friends. Now that is having it made. Stella talked to Audie and Chris, and Stacy in Michigan.

Mellie Stone spent Christmas with John and Reba Greer in Burns Flat. Mellie is into ceramics. Has a kiln and enjoyed making most of her gifts.

There was a New Year's Eve party at the Larry Nelson's home. Some there were Macka and Patty Shields, David and Rita Pearson and Lindsey and Jimmy and Tammy Maddox and Jennifer. Dallas visited a friend near Sweetwater.

Dr. Larry Barbour's brother from Tulia was in St. Anthony's Hospital. Real pleasant fellow with a beautiful head of white hair.

We met a super nice couple from Durham: Lawrence and Clara Beckel. Dr. Pate was removing kidney stones from Lawrence and he really enjoyed visiting with them while we all waited. Friday Willis had to have a little day surgery, but had to stay over the weekend in St. Anthony's. Pretty rough weekend, but is doing lots better. Nice to have Bernie Tapp and Jennifer, David and Amanda visit with us after church Sunday and eat lunch with me down at the coffee shop. Alan Tapp is now foreman out at the Bivins Ranch and enjoying the work and nicer house.

Wednesday we took a load of calves to the Wellington sale. Cecil Meadows also took a load. We came back and joined Glenn Williams for lunch at Maxey's. Glenn has had an interesting life and is still a perky young man.

J.P. and Martha Meek went to Canyon Thursday and visited Cindy and Don Hartsfield and Glory and Haydon till Saturday.

All the Briscoe games were cancelled Friday because of the freezing ice on roads and cars. Some visiting David and Rita Pearson and Dallas and Lindsey Friday night were Mack and Patty Shields, Tammy and Jimmy Maddox and Jennifer and the Larry Nelson family and Amanda Shields.

Romans 3:23 all have sinned and come short of the glory of God.

Many thanks to all who prayed while Willis was in the hospital or called or came.

Boy, I really goofed. Even my "reliable source" agreed with me, but I expect Susie and Leonard Fulks were a little surprised to hear that their son Noah belonged to Janie and George Fulks. Sorry about that! I hope that's right.

Butch and Jada Murray and Karla, Shelly, Buddy and Bruce went to Oklahoma City Sunday, December 23, and visited Butch's sister, Claudia and Jim Watson until Wednesday, Dec. 26. Bruce's mom met them there and took Bruce to Dallas for the week bringing him back to Briscoe Sat., Dec. 29. When the Murrays got back to Briscoe, they were in for a bad surprise. A hot water pipe under the kitchen sink had burst and pretty well flooded most of the house leaving several inches of water in the basement, Bruce's room. His waterbed, carpet and most things downstairs were ruined plus linoleum in the kitchen and other things. The school had insurance on the house, but not their things.

Nice to meet Barbara Austin for lunch at Sirloin Stockade in Pampa New Year's Day. She also visited her sister, Mrs. Carl Lafflin in Pampa and was going back by Lefors to visit friends on

her way to Amarillo. She is a perky little lady. Nice to meet Dale and Janet Stevens and Rhonda, Travis, Brooke and Nikki for supper at the Dairy Queen in Wheeler. Sweet family.

I actually took my Christmas Tree down and ornaments off and all, all by myself on New Year's Day. Those who know me well, know I'm sorta lazy and usually con some kids or someone to put up and decorate our artificial tree and whoever is around to take it down. But kind of nice to remember who gave us each ornament and all and when as put them away. Don Zumstein did a great job of putting up the tree earlier and getting lights to burn and all. Looked so pretty, that for once I kinda hated to take it down. The Zumstein's have been spending over two weeks with all his family in Washington State. Got back late Saturday.

Karla Murray visited Heather Ratliff a few days during the holidays.

Best wishes to Debbie Rucker and Tim Jones on their recent marriage.

Nice to have Charleen Carey and Dustin and Alicia, Leslie Hagerman and Dallas Fillingim eat supper with us at the Dairy Queen Monday night. Also there were Fat Jones, Cloris Childress, and Chuck Hartline with a beautiful young lady, his daughter, Tamara. Phoebe was working and Aaron was spending the night with grandparents, J.P. and Martha Meek. Cloris said he was going to celebrate by going home to a nice warm bed. Way

to go!  
Also at Oklahoma City for Butch's family get together were Susan (Bayne) and Delmar Welch and Levi and Dora and Cloris Childress.

Let Jesus calm the storms in your life.

Congratulations to Kevin Ratliff! He was recently named to the President's Honor Roll with a 4.0 grade point average in Instrumentation Technology at T.S.T.I. Kevin plans to graduate in February 1991. The way to go, Kevin!

There was a nice write up in the Pampa paper giving Jill Brown's going to U.I.L. State Meet and winning first in 300 meter low hurdles and second in the 100 meter hurdles as their top local sports story of 1991, the Hidden Hills golf course was No. 2, The McLean Football team was 3rd and also mentioned was Wheeler's girls golf team (Shelly McCasland, Dendra Dorman, Mique Snelgrooves, and Shonda Lewallen) going to state and losing to Booker by 1 stroke. Also going to state from Wheeler were Tammy Helton, who won 3rd in girls long jump, Michael Kenney, who won 4th in long jump and Kelly Aderholt, who won 2nd in 400 meter.

There was a good crowd out to the New Year's Eve party at Gageby Church Monday night.

Lots of delicious food plus breakfast about 10 or 10:30 prepared by head cook, Ray Hudson and assistants Pat Hudson and Aaron Laverty and others. Some others there were Claudetta Laverty and Caaron, Ma Mary, Gaye Hale and Elizabeth, David and Sarah, Mike and Sherry Wash and Catrina, and Sam, Charles and LaJo Crownover and Boyce, Jodie, Londa and Terri, Faye Tuckness, Josh, Shauna and Kelsey, Hector, Willa Fillingim, Evelyn Meek, Kaleb Meek, David Helton, Martha Meek, Aaron Hartline, Heather Ratliff, Karla Murray, Verna Fillingim, Pat and Jack Morgan, Chad Morgan, Corey Kinnaman.

Romans 8:28 We know that all things work together for good to them that love God, to them who are the called according to His purpose.

Friday night. We've had another adventure, so we are "vacationing" in Amarillo over the weekend. Willis was passing quite a bit of blood Wednesday, so we called Dr. Pate, Urologist and got an appointment for Thursday and had day surgery Friday to remove two malignant tumors from the bladder. Dr. Pate said anytime there was bleeding without pain, probably a malignant tumor that can be removed without an incision and

Monday Willis is feeling much better. Able to eat some breakfast. Hope to go home Tuesday.

**Senior Citizens Regular Meeting**

The Senior Citizens of Wheeler and vicinity met in regular session on the first Monday evening of the month, Jan. 7, with fifteen members present. Cold weather seemed to have cut the attendance number in half. Those attending were Elva Wood, Fannie Mae Bradstreet, Evelyn Meek, Hestell Killingsworth, Opal Hutchison, Amelia Sims, Mary Hudson, Roy and Lois Meadows, Claudy and Ina Mae Brotherton, Eli and Helen Sabbe, Leon and Vea Fillingim.

Helen Sabbe asked Leon Fillingim to give the blessing for our meeting and the meal. After a generous meal, Helen Sabbe conducted the business meeting. Elva Wood read the minutes of the previous meeting and also gave the treasurer's report. The only other business was the election of officers for the coming year. Those elected were Doris Hayes, president, Alice Bell Helton, vice-president, Elva Wood, continue as secretary-treasurer, and Amelia Sims, reporter.

The door prizes were drawn by Lois Meadows and Fannie Mae Bradstreet. Games were the order of the evening after the business meeting.

We urge any senior citizen to come join us for our regular meeting each first Monday night of the month at 6:00 P.M. for a covered dish meal and fellowship.  
Amelia Sims, Reporter

**RENDER INCOME-PRODUCING PERSONAL PROPERTY NOW FOR 1991**

Business owners are reminded that they must file property rendition forms with the Wheeler County Appraisal District office by April 1, 1991.

Property owners may receive a 30-day extension, but must file a written request with the appraisal district by the above date.

Anyone who owns or manages income-producing personal property on January 1, 1991, must file a rendition statement. Businesses must report their inventories, furniture and fixtures, machinery, equipment, business vehicles and any other tangible property used in the production of income.

When business personal property isn't rendered, the Appraiser is forced to estimate the value.

While only business personal property must be rendered, anyone may voluntarily file a rendition. The rendering of Real Estate is not required by law, but the act of rendering is a good way to prevent errors.

Property owners with damaged buildings (storm, fire, etc.) may also file a special report of decreased value. Rendition and report of decreased value forms are available at the Appraisal District office, courthouse square, Wheeler. Phone 806/826-5900.

It is a criminal offense to make false statements or renditions or reports of decreased value. These forms are also confidential and not open to public inspection.

### Mt. View Quilting Club

The Mt. View Quilting Club met Jan. 3, 1991 for their first meeting of the new year. They quilted on Mary Hovey's quilt. It wasn't finished so they will meet again Jan. 10 to finish it. All brought lots of goodies for refreshments. It was nice to have Eva Webb's daughter Elaine Winn and grandchildren Catherine and Eric of Amarillo to visit them. Members present were Estelle Hodges, Willene Burke, Pat Branscum, Bulah Grimes, Audrey Seitz, Lanelle Riggs, and Eva Webb. A quilt was given to Vickie McLaughlin and girls.

decorations to do the Christmas Decoration at the Museum. Thanks to all that donated them. The lights around the flag pole were real pretty.

If you haven't been by the new jail to see the new sign, you should drive by and see it. It is real nice. The group worked on the wording to go on the headstones for Louise Houston and Mollie Brennan. Louise Hogan is to take the wording to be put on the stones next week. We hope to have them in place before Memorial Day.

We want to thank Joe Hall and the Highway Department for putting up the cemetery signs on the highway. There are 2 at the light. One on the North and one on the south and one at the dirt road going west from Highway 152 at the bridge on the east side of the road.

New Business: Al Caviness thanked the group for their Christmas bonus. It was also discussed on how to get more room in the Museum. Al Caviness had several ideas. The group is working on a display for Temple Houston. We have received some letters written by Temple Houston. Melba Corcoran made a motion to have Louise Hogan take care of having frames made for them. Seconded by Maurita Stribling. Carried.

The group discussed remodeling the old lodge building and getting it ready to put displays in. Louise Hogan made a motion to adjourn. Second and carried.

## Here & There

By Laura Guthrie

When I saw the picture of Ed Riley's turpins in the "Times" last week I remembered the two bags of turpins that I found on my step several weeks ago. I had been away from home when these bags were placed there. I think Ed Riley might have been who brought one, because he frequently shares turpins with me. I believe the other might have been Cecil Meadows, however Tony Griffin sometimes brings turpins. Whoever it was, please accept my thanks. I love turpins.

I am sorry to hear of the loss of a friend. I'm referring to Ada Anglin who died in Arizona. I didn't know Ada, but her parent-in-law, Don and Minnie Anglin are dear friends of mine. Several years ago they lived next door. Good neighbors they were.

This cold dreary weather has just about given me cabin fever. If I had not been a "reader", I would have been gone long ago. Last week I read a book that I think all of you should

read. It is really not a new book, rather an old one, since it was published in 1939. It is a reprint, written by C.L. Douglas, "Cattle Kings of Texas". The writer had a fascinating flow of language. He opens the pages by presenting an account of the Lazy A ranchman by the name of Big Abram, and the boys of LOT at the beginning of trouble on the Jordan range. He proceeds to the 14 century when Don Herranda Cortez, who preferred the flavor of beef to buffalo, who invented the branding iron (Coat of Armour). Then he names Francisco Coronado in 1542, Fernando de Leon, and the cow business that took on impetus in Mexico and moved toward the plains of Texas. The follows the great cow men who built the great ranches of Texas—although the land wasn't really Texas in the beginning.

I'm really not giving a book review, but because I'm old enough to have known such household words as King, Slaughter, Mackenzie, Matador, XIT, etc., this book has been a joy to read. I grew up in the "Strip" of West Texas. Our farm must have been part of the XIT. Our county seat was Plainview, from where Col. R.P. Smythe was elected to the Legislature, without his knowing he was in the running.

Of course most of this happened before I was born in 1900, but Cattle business an Cattle Kings have lived on, and a lot of the ranches still exist, at least in part.

So check out the book from your local library. You'll like it. It's not the romance of fiction, it is romantic facts.

Another very old book that I read completely through last year is the Bible. That wasn't the first time I'd read it through, but it was more informative, exciting, comforting and reassuring than it had ever been before.

## Wheeler Church of Christ

### Congregational Concern:

On this coming Monday night, January 14th, the men's monthly business meeting will be held in the multi-purpose building. A fellowship meal will be held before the business meeting. This meal will be served at 7:00 P.M.

Sympathy must be expressed to Opal Hefley upon the recent death of her brother, Aubrey Higdon. The funeral was held last Sunday afternoon at the First Baptist Church in Shamrock.

Ranson Carter is hospitalized in High Plains Baptist in Amarillo. His condition remains serious.

Ron Gudgel, the son-in-law

### From The Minister's Desk:

I was recently walking in the South Plains Mall in Lubbock when I witnessed an example of child abuse. I saw a man grab a small boy by the arm and literally scream: "How can you be so stupid? You are just plain stupid!" As I walked away from that depressing scene, there was one thought racing through my mind. This thought was: "If that little boy continues to receive such verbal abuse, he will become an extremely confused adult."

Throughout the Bible, there are texts that emphasize the destructive power of words. For example, James 3:5-6 says:

"...The tongue is a small part of the body, yet it boasts of great things. Behold, how great a forest is set aflame by such a small fire. And the tongue is a fire, the very world of iniquity; the tongue is set among our members as that which defiles the entire body, and sets on fire the course of our life, and is set on fire by hell." According to this text, the tongue can speak words that are as destructive as an uncontrollable forest fire. And such words will destroy friendships, marriage, churches and families.

For this reason, disciples of Jesus will be cautious about

of Jim and Kay Batton, has begun chemotherapy treatments in Houston.

the words that they speak. And disciples of Jesus who are parents will be extremely cautious about the words that they speak to their children. These will:--

1. Call their children by name, using a natural tone of voice.

2. Phrase suggestions and directions in positive terms, avoiding sarcasm and ridicule.

3. Use specific words because general words can confuse children.

4. Show children the same courtesies that they would show adults because they recognize that children have feelings too.

Perhaps the Apostle Paul gave the best instructions to parents when he wrote: "let no unwholesome word proceed from your mouth, but only such a word as is good for edification according to the need of the moment, that it may give grace to those who hear." (Ephesians 4:29) While this admonition is not limited to the relationship between parents and children, there is certainly no relationship where it is more needed.

Disciples of Jesus who are parents should use their words to affirm children not abuse them.

By Vetola Parker

Forgot to say Helen told me Monday morning our Edna nurse from Canadian husband passed away last nite, I think it was.

December 31 last day of 1990, W.O.W. Can't believe my ears. Very few nights I stayed up saw old year out new come in, in my life. I was so tired and would fall asleep. ha

Hope everyone has made their resolutions.

Monday night they are hollering blue moon. This morning Jane said a big moon was going down in the west. A big sun was coming up in east. The frost and ice on the trees and bushes sparkling and shining were real beautiful. What caused the blue moon. 2 full moons in one month.

January 1, 1991, we are getting up there in time hope I get to go to church more this year. Quit resolving I was going to quit biting my finger nails. Don't have anything to bite them with. There are a lot of things I need to make that I know I can't do.

Sheridan has gone to her husband in Virginia. Sure hated to see her do that, she could get sick no one to care for baby, like Mrs Bennett's sister. There is nothing like relatives and friends to help out in sickness and trouble.

They say the first 12 days in January will tell what the 12 months will be. This I don't go along with, we will watch this year and see what happens. According to that January is to have snow on the ground.

Thursday colder, cloudy, some snow and the ground iced over where it has melted.

Called Tolene before I got out of bed, I was afraid they had started down here, they had not. She didn't have to work at the post office today. She still had not got over her flu. She worked everyday. It's a wonder she don't have pneumonia.

Friday morning, it rained some last night is it slick this morning.

Mattie Jackson called a friend in Florida today Sunday, she told Mattie they had ice today first ice she had seen in Florida. Guess it got some more fruit, think Mattie said Jacksonville.

Jane had 3 of her granddaughters since last Wednesday. Jane met their parents in Pampa, they took them home to Amarillo. Brittany had to go to school. Other 2 names are Heavenly and Sarah and Holly. Brittany 2nd name is Hope.

Jane met their parents at the Pizza Inn, they visited Gene and Zetha.

J.O. Helton slipped off their back step on the ice, hope he is ok.

Little chicken pox Jakila is better eating little and started to laugh again. Her little mouth was broke out inside solid. Heard on T.V. chicken pox was in Amarillo. They were using Calamine lotion and Tylenol pills. That was what Tish was using, they say no aspirin. I thought Tylenol had aspirin in it. Chicken pox is not to be fooled with. Nona gave Billy aspirin he

almost had leukemia, you could barely touch him he would turn black. Don't think I ever had chicken pox. I had measles and scarletina close together, liked to get me and all the others. Mama put 2 in same bed one would have measles other one scarletina. She could not fill and she did not know she was dealing with 2 diseases then.

Both had the 2 diseases and close together, fever, itching, etc. all was hard on us. Then along came the whooping cough, sore eyes in one summer. I was 15, brought it all in from another school.

Our electricity was off Jane said 4 hours Saturday morning.

Hoyle said Wanda and Leon Lane have a new baby boy, no details, congratulations.

Last I heard Zetha had the flu, Tolene had it, I had 3 hours

one day, one hour another of cramping to death, I begged for bread they gave it to me did not say one thing and it cured me.

I also ate Yogart, put a little of powder jello in plain yogurt for cramping and diarrhea if real good.

More cold in middle of week. W.O.W.

Jane made it to Pampa and back tonight Sunday.

Essie went to church Sunday morning but not last night. She went to Wheeler Saturday got groceries. The pretty day last week that the sun was so warm and pretty she went to Pampa to get her glasses fixed.

Ann and Renea were at her home this Monday visiting.

When I called, Wanda Childress was gone to the doctor.

Mary Hudson went to church with Ray and Pat and ate lunch with Evelyn Meek, they got home around 3, Mary said she stayed in last week. Most everyone stayed in. Only ones that had to work out in it.

Eunice Edwards said she stayed in and weather was so bad, no one came. She had her helper woman and little baby there helping her this morning.

Christine Ogle is home visiting her folks from Atlanta, Georgia where she is taking beauty schooling.

They talked to Jimmy Joe this morning, he is still working on his house. Sandy has a job and working.

Mary Ann goes back for 4 days chemotherapy Wednesday. Hope she is soon doing ok. Jimmy and family were doing real good she said.

Tuesday morning it real foggy and my pen won't write.

Will they moved Jim Aken out Saturday. He was a pretty good nurse and cook. He just liked to spend to much money. Couldn't

tell the truth and drank and smoked. We found out.

We still have some of the old snow around.

Lou Dean spent most of last week with her daughter Billie Sue at Canadian, she was sick. LeAndra was home, she is in her 2nd year of College. I can't hardly believe that.

We wish for Billie Sue to soon feel better.

My sister Unav sent me a list of 50 things to do to keep well and stay well. Now that is easier to say than do. I fought a cold all night last night. Feel pretty good this morning. My nose is not stopped up. That I cannot stand just got to get it going.

Have n't really realized we are into 91 yet. Guess we are plus 9 days.

Then Red and Anna made their way home on ice all the way home and it was ice all the way when they went, but they made it fine Anna said. Saw several accidents of big trucks and other vehicles. They came back through Shamrock and visited Bessie Crenshaw a while. Saturday afternoon Red and Anna's guest was Clyde and Minnie Bell Vinson.

person came for Baptist Bible Study Wednesday morning. We always enjoy their visit so much. Thank you both. Later in the afternoon Doraeen Owen and Opal Hefley were our bingo volunteers. We had a wonderful time.

Our sympathy goes out to the families of Nora Hyatt, Howard Buice, Buck Miller, and Dewey Adams. Most of these people had been at the Care Center for a long while and were just part of our family. We will miss each of them.

Fern Young and Melinda Moorehead of Canadian were here Thursday morning for their weekly Christian Center Inspirational.

A big crowd was in attendance. We appreciate them so much for coming each week.

Bea Smotherman and Mary Ann Maxwell were here in the afternoon to do all our mending. I don't know what we would do without these nice ladies. Thank you.

LaJaune Alexander and Ann Ellison fixed up a batch of hot pop-corn later in the afternoon, it sure goes over big on these cold winter days.

Jim and Melba Montgomery were here Sunday morning for Sunday School. Sometimes the class is small but the ones that attend appreciate them so much.

Thank you to Rev. and Mrs. B.A. Hyatt for providing afternoon worship services at the Care Center. The residents enjoyed it very much.

Happy New Year,  
See Ya Next Week!
