—cwe—
Have a great Thanksgiving.

—cwe—
Betty Howard was in Monday morning to tell us her lilacs were in bloom for the third time this year. They had bloomed twice in previous years, but this is the first time they had bloomed three times. She also has some 'paperlace', a spring bulb, in bloom for the second time this year.

I had noticed how the trees in the area; some have dropped their leaves and some are just now changing.

Drive down main and see Charlie Brown's tree; it such a deep red.

Coach Tucker Says, 'Thanks'

As the 2004 football season closes I would like to take some time to say thank you to members of the Wheeler football family. To the administration, school board, faculty, and staff at Wheeler ISD. Your constant support and help has been greatly appreciated. Thank you to all of the people behind the scenes. Our chaingang, stat keepers, press box crew, and volunteer officials, we could not have made it without you. To the County Star and Wheeler Times, thanks for your coverage of Wheeler Athletics. To Mr. Dirickson and the Wheeler Band. Thanks for always being there and showing the class of Wheeler. To Ms. Henson, Ms. Richardson, and the WHS cheerleaders. Thank you for helping spread spirit throughout the school. To the Wheeler Athletic Boosters, your efforts will help ensure the quality of athletics at Wheeler ISD. To the Mustang Moms, I don't know if I have ever been around a more fun group. Thanks for all of the locker room decorations and spirit builders. To our seniors, you are the group that has set a great example of leadership and dedication. To the rest of our team, I am very proud of all of you. Most importantly to the parents, thank you for giving myself, and the rest of our coaching staff the trust to work with your most prized possessions. These young men have been a joy in my life. I know that you are all very proud of them and the things that they have accomplished. A big thank you to the entire community of Wheeler. We appreciate the support that you have given sixman football. Without your encouragement we would not have been able to be as successful as we were this season. To my wife Stephanie, it is not easy being a coach's wife, but you are the best in the business, I love you. Once again there is not enough space in this paper to say thank you enough. On behalf of myself, and the rest of the athletic staff at Wheeler ISD, we appreciate everything all of you have done.

Services were at 2 p.m. Monday, November 22, 2004 with the Rev. Bill Stiles, pastor of Allison Baptist Church, officiating. Burial was in Wheeler Cemetery by Wright Funeral Home.

Mrs. Atherton was born July 21, 1927 to Sam and Ada Lee Dougherty at McLean. She moved to Briscoe in 1935. Sammie graduated from Briscoe High School in 1945 and attended Hardin Simmons University in Abilene. She taught the third and fourth

Nov. Designated Home Care Month

Home care is invaluable to Texans across our great state. By providing the warmth and comfort of the home environment and the professional care of the hospital setting, home care offers many Texans opportunities to live independently, or with family and friends, while receiving the care that they need.

The Texas Association for Home Care (TAHC) includes more than 600 licensed Home and Community Support Services Agencies. As Texans age, the association will continue to play an essential role in sharing invaluable expertise as they work to ensure quality care.

To highlight the importance of home care, the month of November has been dedicated for an awareness campaign.

At this time, therefore, I encourage all Texans to learn more about home care options, and to recognize the invaluable contributions of home care providers. Together, they are making a difference in the lives of their fellow Texans.

Therefore, I, Rick Perry, Governor of Texas, do hereby proclaim November 2004, **Home Care Month** in Texas, and urge the appropriate recognition whereof.

In official recognition whereof, I hereby affix my signature this the 1st day of November, 2004.

(Signed) Rick Perry
Governor of Texas

Annual 'Cash' Drawings Will Be Held December 4-11-18, Christmas Eve.

The annual Christmas Drawing will again be offered by the progressive merchants of Wheeler. The past years the Chamber of Commerce has asked for and received \$1500.00 in Christmas cash donations. The Chamber of Commerce recognizes that there are fewer merchants but we sincerely hope to receive the intended amount to continue our Christmas traditions and efforts. However, if the \$1500.00 is not received prior to the first drawing, the chamber will make adjustments and divide the money that has been allocated to the drawing. The Chamber directors would like to express their sincere appreciation for the businesses and merchant's donations to this cause, support in our efforts, and love for community.

Merchants began giving tickets

grades in Briscoe for several years. Mrs. Atherton married Darville Atherton on January 5, 1947, in her parents' home in Briscoe. They ran a dairy farm as well as farming and ranching. She enjoyed canning and cooking abundant and delicious meals for her family in the fields. She supported her boys in all their sports activities. After a death in the community, she would supply breakfast for the family.

Mrs. Atherton also loved to travel. Sammie and Darville celebrated 57 years of marriage together. They lived in Briscoe until 1977, then they moved 13 miles east of Wheeler, where they built a home. She was a loving, caring wife, mother, grandmother, great-grandmother and great-great-grandmother. She loved the Lord and was a member of First Baptist Church.

She was preceded in death by her parents; a sister; two brothers, S.W. and Alva Dean Dougherty; and three sons, Arville Dean in 1967, Lee Royce in 2002 and Mickey "Mick" Atherton in 2003.

Survivors include her husband; a son, Rusty Atherton and wife, Noveta, of Wheeler; a daughter-in-law, Debbie Atherton; two brothers, Gene Dougherty of Pampa and Jim Dougherty of Amarillo; five grandchildren; four step-grandchildren; eight great-grandchildren; three step-great-grandchildren; a great-great-grandchild; and numerous nieces and nephews.

The family suggests memorials be to the Boy Scouts of America.

Santa Will Be in Wheeler Sun. and Mon.; Businesses To Be Open For Shopping

The Christmas Season in Wheeler will officially begin in Wheeler this year on Sunday, November 28, 2004. The annual Christmas Open House will be Sunday and Monday, Nov. 28 and 29. Several businesses on the square will be open on Sunday from 2:30 until 5:00 p.m. and on Monday will remain open until 9:00 P.M. on this day.

Santa Claus has arranged his schedule to be in Wheeler on Sunday and Monday afternoons; he will be in the main corridor of the Wheeler County Courthouse. The children will have an opportunity to visit Santa and receive a stocking from the jolly old elf. Pictures with Santa will be made by Xi Upsilon Eta.

Coffee and spiced tea will be available for the shoppers, parents and/or children.

Wheeler Flower Shop will have

their annual Christmas Open House on Monday evening from 5:30 P.M. until 9:00 P.M.

The Mini Crafts Mall will offer locals to display and sell their craft and/or other items. The mall will be located in the gymnasium at Corner Stone Academy at 108 E. Texas. A number of booths will be located at the 'mall'. A listing of the booths reserved was not available at press time.

A team and wagon will be on the square and wagon rides around the square will be available for visitors to enjoy the newly lighted Christmas lights. It is the chamber's goal to make this event a fun family outing and get as many people to come downtown as possible.

Also on Monday evening the Wheeler Centennial Committee will be serving Lasagna with all the trimmings at the City Drug Bed and Breakfast. Bring the family out

and enjoy the fellowship. Donations will be accepted.

Reservations for a space in the Crafts Mall can be obtained by contacting the Wheeler Chamber of Commerce at 826-3408—the sooner, the better. The cost for a space is \$10 for a non-chamber member. There is no charge for members to operate a booth.

An Open House \$250 cash drawing will again be added to the Christmas Open House this year. Individuals making purchases during the Open House will receive a ticket for each purchase made. These tickets will be placed in a hopper for a drawing to be held at the close of the event. Wheeler Banking Center is making the drawing possible.

The Open House is for the purpose of giving Wheeler shoppers an opportunity to see what Wheeler merchants have to offer in the way of Christmas gifts.

Earn some extra money for Christmas. Did you make more plum jelly than you need? Sell it at the crafts show.

Wheeler is the place to shop; excellent selection, fine people and competitive prices—right **AT HOME!**

on Monday, November 29, 2004. You are eligible for a ticket each time you enter a sponsoring business; with each five dollars spent, you will receive an additional ticket—up to 100 tickets per purchase.

Four drawings will be held. The drawings will be held on Saturday, December 4, 11, 18 and Friday, 24 Christmas eve. The drawings will begin at 11:00 A.M. this year. This time change was made to enable merchants to be in town while businesses are still open, to do shopping before the drawing and only one trip to town is necessary. As has been the practice for the past several years, script is given away to the lucky individuals instead of cash. The

Remembering Our Angels

In 1991 the tradition of the "Tree of Angels" was started by the People Against Violent Crime after it was seen that the holiday season poses a very difficult time for crime victims and their families. The "Tree of Angels" was designed in an effort to honor those loved ones who are no longer here to share the holiday with us and show support for survivors of violent crimes. This year the Panhandle Victim Assistance Coalition is hosting its own "Tree of Angels" ceremony to honor and support victims and their families in the Panhandle area. The ceremony will be held Tuesday, November 30, 2004 at 7:00 p.m. it will be in the Central Jury Room of the Potter County Courts Building located at 501 S. Fillmore in Amarillo, Texas. The ceremony is centered around victim's families placing their "angels" (any ornament that represents their loved ones) on the Christmas tree. It is the desire of the hearts of the Coalition that anyone who wants to attend, comes and joins us in support of their fellow community family during this difficult time

Wheeler Library To Have Open House

The Wheeler Public Library would love to invite you to our open house on Monday, November 29, 2004 from 1:00 p.m. till 5:00 p.m. The library got an amazing makeover this summer. The carpet was replaced after 28 years and the dark paneling was lightened with paint. The library looks like a different place. It is much more pleasant, airy, and people have said it doesn't smell musty anymore. Yeal!

We have gotten in lots of new books, adult and children. Plus some new audios. Some of the titles are: "Any Place I Hang My Hat"—Isaacs; "Are You Afraid of The Dark"—Sheldon; "Bait"—Robards; "Charmed and Enthralled"—Roberts; "Double Homicide"—Kellerman; "Trace"—Cornwell; "Melancholy Baby"—Parker; "Murder List"—Garwood; "Little Earthquakes"—Weiner; "Green River Running Red"—Rule; and "The Dark Tower VII"—King.

We still have several projects that we would like to do in the library. So please remember us when making memorials.

Don't forget to come to open house and feel free to come in and see the library anytime.

Ft. Elliott Plays Canadian

From Last Week:
Patsy Caswell brave and loving Grandma she is, took Karley Lovelace and her cousins to Amarillo on Saturday November 13th, to celebrate Karley's 13th birthday a wee bit early. Belated best wishes Karley.

Karley, Hayden and Gatlin Duncan, and her twin cousins in Pampa all enjoyed an evening of a movie, eating out, swimming and just goofing off and visiting.

Grandma enjoyed having her five most favorite young people together. It's interesting that from Oct. to Feb. each year everybody turns the same age except Hayden and Patsy. How neat!!!

Sorry Sgt. Jim Kephart didn't get to come home on leave yet. With any luck he'll be home for Thanksgiving. Hooray!! Welcome home Jim. Bet he'll only get a few days. Very sorry to hear that his next assignment will probably be overseas into the war area. Your in our prayer Jim and Patti.

So thankful to hear that Cindy Harrison Gorley is doing so well after her surgery October 6.

Bill and Mary are busy, as usual at school.

Bill plays the trombone in their band at Quanha schools. Does a very good job. He entered a contest last spring through FFA. He got chosen to play at the State FFA convention in July. Only 112 youth were chosen from across the state to represent their FFA Chapters. He can make some beautiful music with his trombone. Can get pretty jazzy too.

Mary plays the saxophone. Grandpa Gene and Grandma Sue Harrison are very proud of all three of their grandchildren. Their youngest grandson isn't old enough to play in the band yet.

The new face-lifts in Wheeler are nice. The courthouse looks almost majestic centered in the square. It's been worth the wait. The lawn is so pretty. And now with it so green!

Hope everybody is getting settled back into their old offices and enjoying being "home". Ya'll have done a good job of keeping things moving quite smoothly through all the up-heave and sub-letting. Ya'll did a great job of adjusting.

It's seems so odd to go by the vet clinic and know it's all metal and very expanded. The new design will take some getting used to. But they need the extra space. Ben Ed, LeeAnn, Nancy and the rest of the crew are always there when we need them and to the "Rescue". What would we do without them.

Soon we will be welcoming Ben Ed and LeeAnn officially into the part of society "Known as "in-law"...And life goes on.

Congratulations and all best wishes Drew and Katrina Keith as you begin your life together November 26, 2004 at the First United Methodist Church in Paducah, TX.

Tuesday November 16 was another gloomy, cool, messy day. But that was all forgotten when I got to visit with Sybil Alexander at the new Wal-Mart in Pampa.

She and Ivy were just sort of checking things out too. They looked great. Hrd to believe that they've been married almost 16 years.

They have a wonderful blended family that just keeps growing. 11 great-grandchildren from 20 years down to 2 months.

Was really surprised to get back to the meat department and find Gary Montgomery decked out in white paper hat and white jacket, wheeling around a huge buggy of meats. Yup! He's now a major player in the meat department at Wally-World.

He and Susie enjoyed their time down here with Jim, but are glad he is enjoying his friends at the nursing home and getting to see more people. Jim has always been a people person so after he retired and got sick and had to spend so much time at home it was hard.

Gary and Susie's youngest son Mark is a display manager for Hastings in Amarillo. He handles all 5 stores, so it really keeps him busy.

The oldest son works for Clear Vision Television.

The middle son is a prison guard. Gary has had alot of trouble with atrial fibrillation. His seemed to have been brought on by electrolyte imbalances. So he has really been working hard on getting that on an even keel and has lost alot of weight. Looks very good. Said he feels good.

When we got to United we ran into Sybil and Ivy again.

Then were surprised to see D'Ann and Harold Stone from Miami. They are semi-retired but have the small contract route there in Miami and Harold has Stone Communications.

They are such a neat Christian couple. You can't help but go away with a good feeling after visiting with them.

Our sincere sympathy to the family and friends of Roberta Ware. She will be greatly missed by many. She touched alot of lives.

Roberta services were Sunday at the First Methodist Church with burial at the Wheeler Cemetery by her beloved N.D.

Roberta was so proud of her family. She was well known for her golfing abilities and enjoyed her card parties and friends and their adventures (a second family).

Our deepest sympathy to Darville Atherton and the family

and friends of Sammie Atherton. Bless her heart she struggled for several years. She was a good neighbor. She loved Darv and their boys.

I cleaned house for Darv and Sammie for several years. Really missed our visits.

Darv has been so good to go to the nursing home and hospital every meal and feed Sammie. If he wasn't going to be there he'd be sure granddaughter, Chynna, or daughter-in-law, Noveta, would be there.

Wednesday November 17th Shelton May got the telephone call of a lifetime. His favorite author, A.W. Erwin (Hoofs 'N Horns) called Shelton to see how he was doing and personally wish him well.

Shelton loves to read his books and has already read all he could get his hands on, Shelton and Mr. Erwin had corresponded a couple of other times this last year.

Mr. Erwin had already sent Shelton an apron like the one he wears when he's using all the graphite pencils, soap erasers, and who knows what else to create his famous sketches and cartoons. He also sent Shelton some pic-

tures for posters.

Now Mr. Erwin asked Shelton if it would be alright if he sent him some sketches maybe. Who knows what he might surprise Shelton with.

Wasn't that neat? Just the fact that he took the time to call Shelton. Cared enough to follow up on a 5th graders correspondence and someone calls to see if he has any new books out or coming out soon.

Shelton already has his own treasure box (shoe box) of everything he's ever gotten from A. W. Erwin.

Monday November 21st Judy Cloud had her knee replacement surgery done in Amarillo. They were hoping to do a new procedure that would let the bone grow around the implant. Lets pray that could be accomplished. She is young to be having this done already.

We're all celebrating in Mobeetie. McKaylee Swift finally got to come home from Dallas. Another little rolling miracle. She is one amazing little gal. Living proof of the power of prayer and proof of the Lords will, not ours be done.

Take care sweet girl!

So glad Pam Jones is able to be home and sort of hobble around. Her friends are keeping close tabs on her and helping her out.

Some of the elementary teachers are like her second family. They are taking good care of her. Certainly hope that you are feeling much better Pam and the surgery was a big success.

All the teachers had an after school meeting Thursday to get all the info. on the new health insurance that the school is adopting.

Patti Kephart was on her way over to pick up Pam Jones, since Pam can't drive yet. Was a good day for a quick outing before the weather got to yucky again. Am certain Pam enjoyed seeing all her friends and just getting out.

Hope the new insurance proves to be an improvement and helps the majority of the employees. I know it won't help everybody. We've been through that too many times with Bob's companies.

With the holidays coming, if you need some help with your candy making or just need a quick gift run by Kim's Kitchen. Kim and Diana are making some delicious coconut, pecan chocolate covered bonbons, orange bon-bons, and peanut brittle, just to name a few. They are the big bon-bon's too. (Texas size!) Very reasonable, in two different size gift tins all ready to go.

Please keep our friends and neighbors in your prayers: The family and friends of Roberta Ware, the family and friends of Sammie Atherton, Judy Cloud, Shelton May, Earl and Mabel Tabor, Don and Mary Edwards, Gladys Richardson, Lorene Rector, Orville Greenhouse, Bill and Patsy Caswell, and Gaylord Thompson.

Congratulation to Gaylord Thompson his Ryan and his wife presented him with a beautiful granddaughter, Kelly Sierra, she weighed 6 pounds 13 oz. and was born November 16.

Kandy Jones, Dakota and Crystal Pigg were with Gaylord Tuesday while he had his heart cath. Haven't been able to talk to Kandy or Gaylord for full results, but they are home.

Have a wonderful Thanksgiving.

Wheeler Church of Christ
Our Thanksgiving ritual may be similar to yours (or at least the parts related to eating a more food than necessary and watching as much football as possible). This year we will be meeting at my sister's home in Amarillo. If the weather is nice, most of the men and children will be outside throwing the football while most of the women just keep on cooking. If the weather is not as nice the women will eventually tell us men to get out of the kitchen as we keep pestering them. Around 11:00 the official eating begins with a lot of hors d'oeuvres and small items. The television will get turned on in one room at 11:30 for the annual Detroit Lions game. Some of the children will try to put together a puzzle or play some board game. More cooking gets done. At about 2:00 the turkey will be ready for consumption. My Grandfather, who is now 92, will probably be the one to offer a few words of thanks, appreciation, and familial love that is shared by all who are gathered around the tables (there are too many in my family to just sit down at one table!). And then someone, probably either my Dad or me, will offer the prayer. It will be a prayer thanking God for the food we are eating, but it will also go into more details concerning the different things we are thankful for. We will then eat so much that we will have to hold off on the dessert until halftime of the Dallas Cowboys game which starts at 3:00. Leftovers will be consumed at strange hours for the rest of the day. A pleasant day that we are thankful for, realizing that every year just might be the last time that this particular group is able to be together.
There are many Psalms of Thanksgiving in our Old Testaments. Psalm 105:1-3 says "Give thanks to the Lord, call on his name; make known among the nations what he has done. Sing to him, sing praise to him; tell of all his wonderful acts. Glory in his holy name; let the hearts of those who seek the Lord rejoice." Have a great Thanksgiving!

Hope you all have a wonderful Thanksgiving. Don't forget to count your blessings. God is so good.

No church at Gageby Sunday, because of very muddy roads. Oil field traffic has made deep ruts and holes, also. Did you ever see such a rainy fall? Evelyn Meek went to church at Mobeetie. Ray and Glenda came to Wheeler Baptist.

McKaylee Swift and her mom, Christina, got to come home from the hospital to grandparents Bob and Gale Rowley's house and were there Sunday. So glad McKaylee is doing well. They also got to see Bob and Zedell Swift, other grandparents and daddy Ty Swift. Sunday was early Thanksgiving at Bob and Gale Rowley's. They are happy to be home in Mobeetie.

Glad to hear Davy Gilmer had a good checkup and got a good report. Keep praying.

Charlie and Daphne Sullivan are enjoying a visit from daughter, Tojuana, and Ricky Pierce from Houston. They plan to stay till after Thanksgiving and be here for Charlie's hip replacement surgery. Pray for Charlie. Hope all goes well.

Sonya Hudson and Patrick met Cheryl and Jeff Fraley and Steven John for lunch at Pampa Saturday. Cheryl fractured an ankle and has been on crutches. Pray for her.

Nathan Sweet, 10 years old, went hunting recently with his dad,

Rodney Sweet, and killed a 10 pt. buck. What a thrill!

Ray and Glenda Hudson went to Elk City Saturday and ate at the Hog Trough, and snopped some.

Glenda Hudson planned to go to Wichita Falls Monday evening to a special supper to honor her granddaughter, Allison Graddy, and other outstanding students. Congratulations, Allison!

At the Fort Elliott Junior High tournament, Fort Elliott girls won second, losing to Follett Saturday at Briscoe. Through the years Briscoe has had a hard time beating the aggressive Follett girls.

Monday November 29 Fort Elliott Junior High girls and boys will play Higgins at Briscoe at 6:00 p.m. for basketball. Fort Elliott High School girls and boys will play Groom at Briscoe at 6:30 Tuesday Novem-

Sincere sympathy to family and friends of Sammie Atherton, 77, in her death Thursday, November 18, at Wheeler. She was a special lady; last few years have been very hard for Sammie and for husband, Darville. Heaven will be great! They both grew up and graduated from Briscoe School. Funeral was Monday November 22 at Wheeler Baptist Church with family dinner before hand and burial at Wheeler Cemetery.

Nice to play dominoes with Willis and Robert Friday at Wheeler Care Center. Willis won; I got beat pretty badly.

Sincere sympathy to family and friends of Roberta Ware, 74, in her death Thursday morning November 18 at Wheeler Hospital. Funeral was Sunday November 21 at United Methodist Church Wheeler with family dinner there and burial at Wheeler Cemetery.

Thanks, Fort Elliott School for the special breakfast to honor the Veterans who had fought for our Country. Sorry Willis was not able to go. He served from January 1942 to October 15, 1945. Thanks Sue Mayfield for reporting about each Veteran. Willis was in Germany about 11 months. I thank the Lord for keeping him safe. Willis was also at Camp Adair, Oregon,

Fort Carson, Colorado, Abilene and California, being trained and training others.

Pray for Irene Rogers. She had to spend several days in the Parkview Hospital with blood pressure problems. She is home now, but still weak.

Sincere sympathy to family and friends of Susie Mae Cole Lewis Bonner, 87, of Canyon in her death. Burial was at Wheeler Cemetery. T. J. Cole is a brother.

Liz and Lanny Atchley from Marble Falls were weekend visitors to Elva Wood and James Hubble. They had their Thanksgiving Saturday. They all went out to visit Darville Atherton. Also there were LaDell and Ted Atwood.

Nice to talk to Erma Riley at Tuttle. She and Ed are doing pretty well. Son, Bob, and wife, Gale Riley, from Marshall were weekend visitors for an early Thanksgiving. Ed and Erma hope to go to Ann and James Henderson's on Thanksgiving day. Bob took Ed to Wal-Mart for a little outing Saturday. Nelda (Riley) Cote from Newport News, West Virginia recently flew in and stayed two weeks with Ed and Erma while her husband went to Germany.

Wednesday night at Wheeler Baptist Church Mike Bailey gave his testimony of his life and how God had dealt with him from nearly dying of kidney disease when a baby. He also spoke of David and

ALLISON NEWS
By Juanita Boydston

O come, let us sing unto the Lord; let us make a joyful noise to the rock of our salvation. Let us come before his presence with thanksgiving, and make a joyful noise unto him with psalms. For the Lord is a great God, and a great King above all gods. Psalm 95:1,2 & 3

The weather here in Allison has been foggy each day for a few days. We have received several rain showers also, so we are pretty saturated and our roads are very muddy. In fact we have been under dense fog advisory's for several days now. But I understand we may get snow real soon now. Hope it don't interrupt any Thanksgiving plans.

Roma and Billy June Brown journeyed to Amarillo, Texas for Roma's appointment with his dermatologist. Roma and Billy June stayed the night in the home of Warren and Charline Brown and attended church at Jubilee Tabernacle with them. Roma and Billy June headed home on Friday and stopped in Pampa, Texas where they shopped and enjoyed a very tasty meal at Braum's.

Glenn and Betty Boydston journeyed to Peryton, Texas on Saturday on business.

Friday, Opal and Juanita Boydston accompanied Betty Boydston to Wheeler, Texas on business and shopping.

Tuesday, Glenn and Betty traveled to Sayre, Oklahoma and on to Elk City, Oklahoma on business and they enjoyed a tasty meal at Braum's.

Opal and Juanita Boydston visited in the home of Glenn and Betty Boydston on Wednesday to help celebrate Glenn's birthday. Glenn always has preferred pies to cake. So we enjoyed helping him eat his birthday lemon pie that his mother made for him and his birthday present from his sister, homemade raisin cookies and ice cream. We had a good time of visiting.

Louise Boydston attended the funeral of Becky Davis in DeLeon, Texas. Becky was the younger sister of Sis. Nancy Cornwell and was forty-seven years old and had battled cancer for five years.

Louise Boydston stayed Friday night in the home of Jimmy and Vivian Wallace. Pearl Harrison had arrived earlier and had already been visiting with Jimmy and Vivian Wallace and granddaughter, Monica, and her husband, Nathan Hayes, and two children, Maddison and Micah from Michigan. So Louise was glad to get to visit with them also. Louise brought Pearl home Saturday evening.

Opal and Juanita Boydston visited in the home of Louise Boydston

on Saturday night. Others there were Pearl Harrison and Bennie and Debbie Boydston. We had a nice visit.

A good crowd attended the FFA Thanksgiving meal in the Allison School Cafeteria Sunday noon. The food was very delicious. They served turkey, ham, yams, dressing, gravy, cranberry sauce and hot rolls with choice of coffee or tea and for dessert they served apple pie or pumpkin pie.

Opal and Juanita Boydston and Pearl Harrison visited in the home of Louise Boydston Sunday night after church. They enjoyed grilled cheese sandwiches and popcorn and soda pop. And lots of good visiting.

Opal and Juanita Boydston accompanied Glenn and Betty Boydston to Reydon, Oklahoma where they enjoyed a very delicious meal at the Reydon Senior Citizen's Center. This time they served chicken fried steak with creamed potatoes and gravy, blackeyed peas and hot rolls and a big slice of pumpkin roll for dessert. A choice of coffee or tea. Others that we saw from Allison were Zeland and Charlene Rainey, Virginia Puryear and Irene Keys. Altho it was very foggy while traveling over there and to make it more exciting it was lightening and thundering and raining really hard,

but a great time to eat a wonderful meal and enjoy the fellowship.

Bennie and Gary Boydston enjoyed a very delicious meal in the home of Pearl Harrison on Tuesday.

Pete Gilmer and Pastor M.C. McDaniel traveled to Shamrock, Texas after church Sunday morning and enjoyed a delicious meal at Mitchell's.

God Bless and Keep ya'll till next time.

HAPPY THANKSGIVING EVERYONE!!

Have a safe one!!

The View of a . . .

Southern Woman

.... Southern California that is.

As I sit here in this deer blind in the middle of the farm, mud on my boots and a pickup truck to match, waiting to see the elusive white tail deer, I am wondering if I ever really lived in California. But then I think of my college classes and wonder what my friends are doing there now. Maybe they are on a coffee break and discussing modern day art and it's function in our daily lives. As soon as class would be out, I would drive home down the coast and watch the waves hit the shore trying to remember if I had homework to do. It was never cold or muddy and we hardly ever needed a jacket. Now I am so

Goliath in the Bible. And how God helped young David kill the huge giant. Mike coaches Wheeler girls basketball. He is doing well now. He may have a kidney transplant at some time. That is the Goliath in Mike's life. He is trusting the Lord to take care of him. Cancer is the Goliath in some of our loved ones lives. God is greater! Keep praying. Thanks for coming, Mike.

Sincere sympathy to Helen Steen and other family and friends in the death of Helen's brother, Olen Joslin, 61, of Enid. Funeral was Saturday. Helen and Wesley and son, George Crawford, have visited Olen frequently during his illness.

Nice to visit with Erskin Grayson on the phone. He enjoyed a visit from granddaughter, Tamera, and Kip Milburn and Anslee from Amarillo. With them were Kip's granddad and an uncle and a friend. They went hunting and got 3 buck deer and a doe and some quail. And were so grateful for the chance to hunt and enjoyed the deer meat and chili.

Sunday Wheeler Baptist Church enjoyed hearing Rachel Montgomery tell of her experiences in Canada for 2 1/2 months last summer as they showed Christ's love to many Asians who have emigrated to Canada. They worked with the children in Bible Schools, Bible Clubs and day care. Most children had been abused. They offered a safe place for them. They couldn't just tell them about God, or the mothers wouldn't let them come. But they could love the children. Many had not ever been loved. Rachel's boyfriend, Michael, was with her. Thanks, Rachel.

Willa Fillingim has about ten young kittens to give away. Some are weaned and some are eating good and about ready to be weaned. All have the genes to be tailless-minx. One yellow and one white and different colors. If interested call Willa at 806-323-6081. Ed Hershman's sister, Tina Cavin, and daughter Julie from Kirkin, Indiana have been visiting Ed and Laurel Hershman. They and Willa Fillingim were out to the Wednesday supper at Wheeler Baptist Church. Ed and Laurel and Bob and Evangeline Wills prepared the delicious Chili and Potatoe Soup supper. Thursday they took Willa to the eye doctor and shopped some in Amarillo. Tina and Julie left Thursday morning and were going back through Branson, Missouri and see some special things. Willa's eyes are doing great. She had cataracts off and is now getting new glasses.

Nice to visit with Debbie Stinnett at Amarillo on the phone. Dale had 3 arteries blocked recently. They put a stent in one, but others they couldn't. He is back working for the

Tuesday Earl and Betty Husted and Rosalie Keelin led Sing-a-Long at Wheeler Care Center. Sounded really good. Earl brought scriptures and ideas about taking responsibilities and bearing other burdens. They then prayed for everyone. Thank you to you sweet people.

For Golden Agers, Beverly Bryant prepared a bountiful Thanksgiving meal Thursday at Wheeler Baptist church for lunch. She had help from Gary Bryant's wife, Regena, Ella Mae Wood, Jackie Cummings, Artie Tidwell, Tina Bond, Delores Simmons and Suzanne Hampton, most made

dessert.

Some others there were Eddie and Lavenna Pannell, Wesley and Helen Steen, Joe and Ann Ellison, Roy and Nell Bradstreet, Wes Bradstreet, Adrian Risner, Cameron Bryant (1 year), Betty Howard, Leona Coates, Dianne Sparks and Nicholas, Shelly Sparks, Mike Bryant, Martha Meek, Verna Fillingim, Delores Simmons, Reba Wofford, Barbara Williams. All very good! Thank you! Also there Marie Baker, Hannah Chapman from Shamrock. Reba enjoyed being back in "her church" and seeing the newly decorated Fellowship Hall. Regena came in from Amarillo (and Cameron) Wednesday so she could help Beverly with the dinner. Some of the food was turkey, dressing, yams, mashed potatoes, gravy, green bean casserole, rice dish, Cranberry sauce, rolls, cake and pies. All so good.

Gary Brotherton from Yukon, Oklahoma came in Monday night late and stayed at C.B.'s house. Tuesday morning early Gary took his dad, C. B., back to Oklahoma for his check-up at McBride Hospital. C. B. got the cast off and has a walking shoe. It has been a long road and C. B. still has to use a walker for now. But he can put weight on the operated foot and its doing o.k. Keep praying for C. B. Praise the Lord it's doing o.k. C. B. spent Tuesday night at Oklahoma City and was coming in Wednesday. Will be staying on at Assisted Living for a time—maybe till he goes back to doctor in January.

bundled up that I can hardly roll out of the truck and up the stairs into the deer blind. While I think of it, why can't those deer visit when it is warmer and to have their picture taken. Glenn Frosty Forrest makes things easy for me by putting a heater and chair in here. When I do see a deer, I have to put down the binoculars and take the camera out of the case and by then that animal is in another county. Guess I will clean my boots when I get home, but too cold to wash the truck and maybe the mud will get so thick it will just fall off in chunks leaving a nice, clean, red pickup. Think I am beginning to think like Glenn.

Just heard from Penny, the mother of two of my grandchildren out near Palm Springs, California. She said, "Mom, we have 14 inches of snow right now and it is still snowing. I will send a photo on e-mail right now." Well she did and are they snowed in! I told her to pack up and come visit for a while, but they are getting a new furnace and air conditioner put in next week so have to stay put for a while. Anyway, do not think they need an air conditioner right now. Furnace, yes! Glenn said the deer are fat, so we should have a cold winter. Well, if it is that bad in Southern California—14 inches of snow—guess we are really in for it.

Still waiting for a view of the snow.
Love, Betty Boydston.
