## Cotton Production Cost Being Studied

The Muleshoe City Council met Monday afternoon to consider water and sewer improvement bids.  
City Manager Albert Field said bids were expected to be at the meeting next Tuesday morning.  
Muleshoe High School's Mighty "M" band will present their spring concert on Thursday, May 15, 7:30 p.m. in Muleshoe High School auditorium. They will present numbers played in UIL contest and at the Tri-State contest in Enid.

A seven-point cotton research program for 1969 has been adopted at the High Plains Research Foundation that may provide answers to cutting cotton production costs.  
Dr. Tom Longnecker, Foundation director, cited several factors making it a necessity to reduce production costs for High Plains farmers to continue to produce cotton.  
"These factors are the increase in cost of labor, machinery and other production items; reduction in cotton exports; loss of domestic markets to synthetics and possibility of losing part or all of government subsidy payments during the next few years", Dr. Longnecker said.

"With production costs averaging 28 to 30 cents per pound of lint, the potential profit in growing cotton is low under existing conditions," Dr. Longnecker stated. "The only answer to the present situation is to reduce cotton production costs to an extent that cotton can be produced profitably at world market prices", he added.  
"There are two ways costs can be reduced -- increased yields and/or elimination or reduction of certain production costs", Dr. Longnecker said. In outlining the proposed seven-point program Dr. Longnecker said, "One or more of these practices added to existing cotton production program can be helpful, but for maximum effect all seven practices would need to be combined in the over-all management program".  
Under the program, minimum tillage studies would be in-

creased. "Present production practices on cotton may include as many as eight or 10 trips over the land before cotton is planted. Tests are underway at the Foundation to determine if all these operations are necessary," Longnecker said. In the tests, cotton following double-rowed grain sorghum or soybeans will be planted in the old beds between the two stubble rows. A contact herbicide will be used to control weeds and volunteer grain. "The stubble will provide protection from wind and sand for seedling cotton and surface residue will reduce evaporation losses", Longnecker pointed out. Planting time plays an important role in the program. Due to the necessity of planting cotton as early as possible, many farmers become impatient and plant when the soil is too cold leaving the cotton easy prey for seedling diseases which destroys newly formed roots", Dr. Longnecker said. "Rather than relying entirely on soil temperature to determine cotton planting dates, we need to make use of weather patterns to spot the last cool spell of the season and plant during this last cool period to take advantage of the rapid warm up that follows for quick seed germination", he added. Treated seed also is a necessity to reduce the possibility of seedling disease. Two other methods of seedling cotton protection from wind and sand erosion will be tried

## FPC Vetos Farmer Gas Use Request

The Federal Power Commission dismissed on May 5 as "deficient" applications by seven Texas farmer-cooperatives asking that Northern Natural Gas Company of El Paso, Tex. be ordered to interconnect with the cooperatives and to sell them natural gas for resale.  
In dismissing the applications the FPC said that the applicants had not complied with the Natural Gas Act requirements that "full disclosure of all information necessary for the Commission to evaluate Applicants' proposals" must be made.  
The cooperatives' applications ask that Northern and El Paso be required to tap their transmission lines at selected initial points and at other points to be determined later, and to deliver gas to the cooperatives for resale to their members, primarily for the operation of irrigation wells.  
Six of the co-ops alleged that rates charged by their present non-regulated suppliers were excessive. One application, now using butane and electricity, said that its members wanted to use natural gas at rate levels being sought by the other cooperatives.  
The FPC said that the initial applications were "deficient" and that six of the cooperatives had made inadequate replies to requests for additional data and, further, had objected to providing the remaining information requested. One applicant, the Commission said, had made no response to its request for supplement information.  
The names of the seven far-

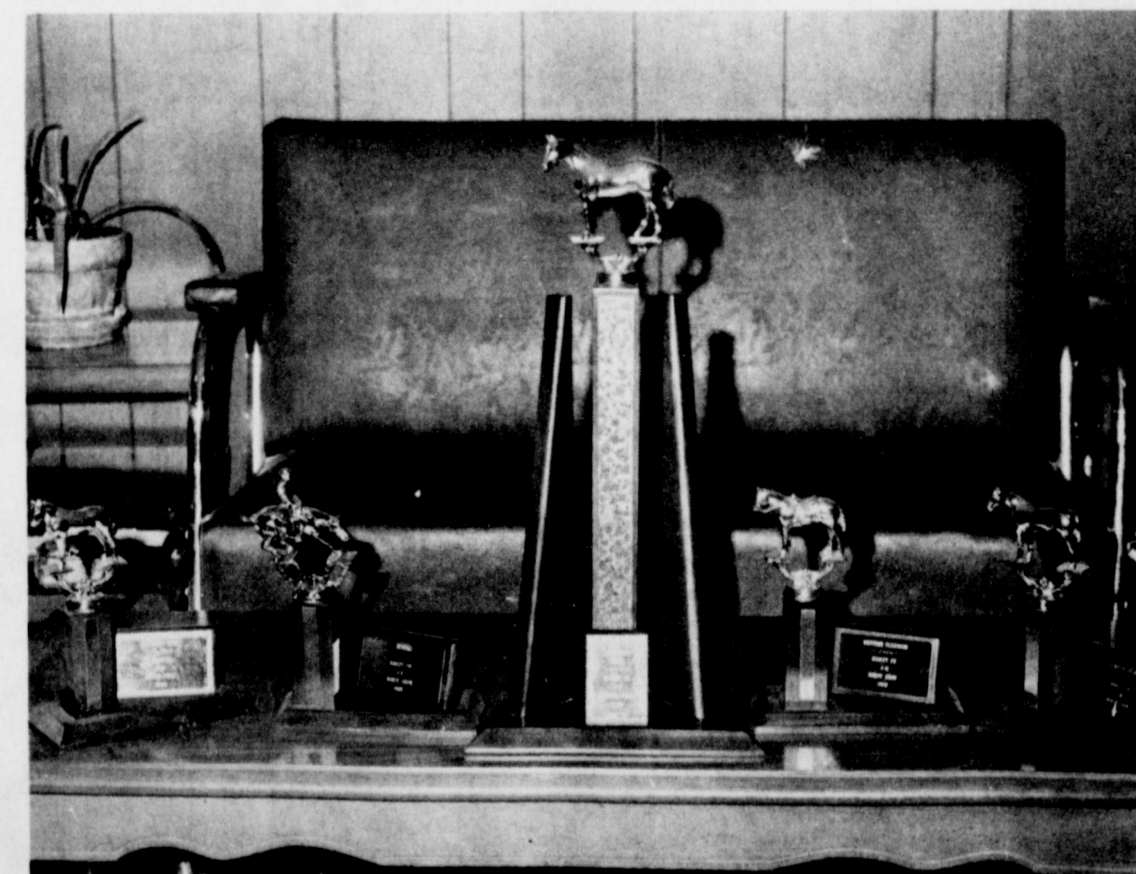

mer-cooperative applicants are Lariat Gas Farmers' Co-Operative Society of Farmer County; Central Gas Farmers Co-Operative Society of Castro and Lamb Counties; North Bailey Gas Farmers' Co-Operative Society of Muleshoe; Star Gas Farmers' Co-Operative Society of Hale County; Carson County Gas Farmers' Co-Operative Society of Carson County; North Gas Farmers' Co-Operative Society of Castro County and South Farmer Gas Farmers' Co-Operative Society of Farmer County.  
Hereford Attorney John D. Aiken represented all seven of the Co-Operatives at the hearing held this week.

## Guidelines Aired For Hiring Youth For Farm Jobs

Summer is almost here and many farmers and ranchers will be hiring boys and girls to fill in for the critical labor shortage during the summer months. But before employing such youth, certain requirements must be met under the Fair Labor Standard Act as amended in 1966.  
Employers must abide by the Agriculture and Child Labor Requirements when hiring youth under 16 years of age other than the owner's or operator's own children, points out Ed Garnett, Extension area farm management specialist, Amarillo.  
This law, according to Garnett, states briefly that youngsters under 16 cannot be hired

## Bailey County 4-H Horse Show Planned

The Bailey County 4-H Horse Show has been expanded and will be open this year to any youth to the age of 19. It was decided to combine the two County riding clubs, Progress and YL, and include non-members of the county 4-H clubs.  
Beginning at 10 a.m. on Saturday, June 7, action will be continuous in the Muleshoe Roping Arena. More than 80 entries are expected to fill the day with activity.  
Officials said that Bailey County 4-H eliminations will be held in conjunction with the show to determine the 10 riding club members who will go to state competition.  
Included in this years show will be two halter classes with four performances. The performances will be in Western Pleasure; Reining; Barrel Race and Pole Bending.  
Entry fee is \$3 per person for all events.  
Trophies to be awarded include a club trophy; a trophy for each performance event and a trophy for each halter class. Ribbons will be presented through fifth place in all events.

BAILEY COUNTY 4-H HORSE SHOW SLATED--Pictured are some of the trophies to be presented in the first all-inclusive Bailey County 4-H Horse Show. The show will be open to all youths to age 19 for the first time. The show will be held from 10 a.m. on Saturday, June 7, at the Muleshoe Roping Arena.

## Bass, Williams Honor Students

### Graduation May 27 In HS Auditorium

Finishing her high school days with a grade point average of 96.7948, Vina Bass, daughter of Mr. and Mrs. Harvey Bass, has been named valedictorian of the 1968-69 graduating class.  
Vina has quite an impressive list of accomplishments during sophomore; Chemistry Award, junior, and Home Economics of America, four years; she held offices in FHA for three of those years; band four years; Tri-M, sophomore and junior; Mule-sicians, senior; National Honor Society, junior and senior; and a NHS officer, senior; class officer, sophomore and junior; and Student Council, sophomore, junior and senior years.  
Also Biology Award, sophomore, Foreign Language Award, sophomore; Chemistry Award, junior and FHA State Degree, senior.  
Award, junior; Betty Crocker Homemaker of Tomorrow Award, senior; National Honor Society Honor Student of the month, freshman through-senior.  
Also "Sound of Music" orchestra, sophomore; "Flower Drum Song" orchestra, junior and "Oklahoma" orchestra, senior; All-Region Honor Band, sophomore and senior; FHA junior degree, freshman, FHA Chapter Degree, junior and FHA out. on Page 2, Col. 8

### Sophie Drowned

Sophie is dead. She was the only casualty during the recent flood water this week which inundated the southwestern to eastern areas of Muleshoe.  
If you never met Sophie, you missed the possible beginning of the Muleshoe Zoo. Sophie was a lion that Victor Cox obtained when she was a cub some five or six years ago.  
Cox kept Sophie in a cage at his place on Highway 84 at the east edge of Muleshoe. Many times, in the still of the night, you could hear Sophie roaring into the darkness.  
Assistant Chief of Police Ray Cline and Ken Angeley finally got a boat into the raging torrent around the cage Tuesday afternoon in an effort to check on Sophie, but it was too late. The cage was completely covered with water.  
Bailey County Deputy Sheriff Corky Green and Texas Highway Patrolman Joe Young made another attempt Thursday to get into where the cage is located, but could not get in because of high water.  
Since Cox went to Oklahoma recently, local people had been caring for Sophie.

### Wayland Grads To Include Three Locals

Three local students will be among the 140 Wayland College seniors who will participate in graduation ceremonies on May 24.  
Roy L. Ward, Jr., majored in physical education and minored in English. He will receive a bachelor of science degree. Ward graduated from Santa Fe High School in Santa Fe, N.M. in 1965. He plans to go into the ministry. His home is Muleshoe.  
At wayland, he served one year as president of Athletes for Christ and was a member of the Physical Education Majors and Minors.  
Terry Don Davis, son of Mrs. W.L. Davis, Muleshoe, graduated from Morton High School in 1964. He is majoring in Biology and minoring in English.  
Ada Lanelle Spurgeon, daughter of Mr. and Mrs. J.D. Spurgeon, is a 1965 graduate of Muleshoe High School. She majored in English and minored in Spanish. She expects to teach in the public schools. At Wayland, she was a class senator in her junior year and served as an officer of her dormitory.  
Dr. Felix C. Robb, Atlanta, Ga., director of Southern Association of Colleges and Schools, will deliver the commencement address on Page 2, Col. 3

## When Tornadoes Roam What Do You Do?

Spring brings with it the threat of tornadoes, and it is time once again to turn our attention to these destructive and sometimes deadly storms.  
According to the U.S. Weather Bureau's State Climatologists, 140 confirmed tornadoes occurred in Texas last year. This compares with a record 232 reported during 1967.  
Colonel Wilson E. Speir, director of the Texas Department of Public Safety and state director of defense and disaster relief, reminds that the peak tornado season has arrived.  
Colonel Speir says there are no months free from twisters. The peak tornado months, April, May and June, produced 13, 48, and 21 tornadoes respectively. Other totals included January, 2; February, 1; March, 3; July, 4; August, 8; September, 5; October, 8; November, 11 and December, 16.  
As knowledge of what to do if a tornado approaches may mean the difference in life and death for you and your family, the basic rules of tornado safety are briefly outlined below.  
A tornado watch is used to alert the public to the possibility that tornadoes may develop over a certain area. A tornado warning means that a tornado has actually been sighted in the area or its presence has been detected by radar. Then the weather threatens, the Department of Public Safety urges you to keep tuned to your radio or television for information. Do not call police, civil defense, or the weather bureau except to report a tornado.  
Tornadoes are usually seen as a dark funnel-shaped cloud, spinning rapidly and extending toward the earth from the base of a thundercloud. When nearby, a tornado sounds like the

roar of hundreds of airplanes. If you are near a tornado cellar: When time permits, go to a tornado cellar, cave or underground excavation which should have an air outlet to help equalize the air pressure. It should be kept fit for use, free from water, gas or debris; and preferably equipped with pick and shovel. There is no universal protection against

## Land Snakes! Writhing Invasion Hits

Arthur Bolton, who drives a Muleshoe Independent school bus on the ranch roads southwest of Muleshoe, said he had never seen any more snakes on the road during his life than he had seen during the past week.  
Bolton said that each trip the bus makes down the road he sees numerous snakes on both trips each day.  
It is the general consensus of opinion among law enforcement officers and people who have lived in this area for some time that the recent high water is driving snakes out of the sandy land south and southwest into the edge of town.  
One local collector of snakes, along with other specimens of wildlife, was reported to have caught some 25 snakes in recent days, all on the southern and southwestern edge of Muleshoe.  
Officers have issued a warning to parents to be especially cautious for the next week or two as the snakes have moved into town to escape the water surrounding Muleshoe.

## County Court Recent Load Quite Heavy

Cases in County Judge Don Cihak's court recently have been quite heavy.  
During the past two weeks, eight have been fined on worthless check cases; one fined and jailed for three days for Driving While Intoxicated; one for Drunk in a Public Place and two for Sale of an Alcoholic Beverage in a Dry Area.  
Juries returned not guilty verdicts on one Driving While License Suspended; two for Aggravated Assault and a mistrial was granted on one charge of Driving While Intoxicated.  
One charge of Possession of Alcoholic Beverage for Purpose of Sale was dismissed upon motion of the County Attorney because of defective search warrant.

Mr. and Mrs. Horace Holt, Mrs. H.C. Holt and Mrs. W.F. Birdsong spent Sunday in Amarillo visiting the Robert Holt family and seeing their lovely new home.  
From the Oklahoma Sun, May 4, an article on the Enid Band Festival. "Particular favorite with the crowd was Delton Bass, strutting drum major from Muleshoe, Texas."  
Mrs. T.M. Slemmons and Mrs. W.F. Birdsong saw the initial performance of the Lubbock ballet Monday evening. Texas Tech orchestra opened the program with two numbers.  
Michael Hinkson, son of Mr. and Mrs. Frank Hinkson of Lazbuddie, has been elected Senator to the Student government at New Mexico State University at Las Cruces for next year. He is a sophomore in the college of agriculture and is secretary of Alpha Gamma Phi Fraternity.  
Mr. and Mrs. Frank Hinkson returned Sunday from Baltimore, Maryland where they visited their daughter, Mr. and Mrs. Charles Pilgrim and family. Hinkson attended a series of meetings in Washington, D.C. composed of the members of nine State Agriculture Stabilization and Conservation committees. On the return trip they attended the State Track Meet in Austin.

### Cotton ...

Cont. from Page 1

In the seven-point program, One method will be to interplant corn at the time cotton is seeded. The corn will come up first and by the time cotton has reached the seedling stage, the corn will provide wind protection. When the corn is 24 to 30 inches high, a knife running three inches below the surface will be used to kill the corn plants but leave them standing to hold more heat on the soil surface. Previous micro-climate studies have already proven this type of protection will increase temperatures near the cotton plant. Starter fertilizers, particularly phosphate, in addition to regular fertilizer program, will help provide the necessary quick start for seedling cotton. Research has shown that cotton absorbs 75 per cent of its total phosphate during the first 25 per cent of its growth and banded phosphate close to the seed can increase yields as

\$45 per acre with some varieties.

"More precise methods of incorporating cotton herbicides will have a part in the program. Disk incorporation of herbicides lacks precision on results in non-uniform depth of distribution of herbicides in the soil", Dr. Longnecker said. Power driven incorporation equipment used at the Foundation will permit the herbicide to be incorporated in the beds during the planting operation or combined with listing and bed shaping in a single operation. Irrigation timing is a sixth part of the program and one of the most important. "Contrary to common practices, it has been determined from Foundation research that the first irrigation should be made as soon as the cotton starts squaring rather than waiting until first bloom. From 80 to 90 percent of the total cotton crop is produced from the first four weeks of blooming. If we provide optimum moisture during the squaring stage more early squares will set and in-

crease both yield and quality", Dr. Longnecker said.

Earlier cut-off date for irrigation water also is urged in the program. An accidental finding during the 1968 crop season has added the seventh point in study use of plant hormones to promote earlier and heavier fruiting.

Dr. Longnecker said that misapplication of a non-volatile form of 2-4D (Lithate) in the squaring stage of cotton crop in 1968 produced effects ranging from severe damage to an increase yield of as much as 200 pounds of lint per acre.

"This variable effect was caused by different amounts of Lithate the cotton received but it was not possible to determine the rate where the cotton yield increased", Dr. Longnecker said.

Different rates of Lithate will be applied on cotton in 1969 in an effort to determine the rate that can be used to set more early squares during the first 30 days and to prevent shedding of the fruit during the latter part of the growing season.

Manager

The last count of the BAC project—"Dad's Fishing Wagon"—was 81. We feel this was an excellent number of participants and that everyone knows as we do that this project will be good for the individual participant as well as the community. There seems to be quite a bit of interest in the extension courses to be held in Muleshoe. We were sorry that South Plains could not come to teach these classes; but they referred us to a four year school. We contacted Texas Tech and they will come to Muleshoe to teach these courses. If you have not registered for these summer classes, we urge you to do so.

#### Gentle Hint

Peter was playing at Jimmy Brown's house. When it was time to go home it started to rain. Mrs. Brown offered to lend him Jimmy's raincoat.

"Don't take so much trouble, Mrs. Brown," said Peter, politely.

"I'm sure your mother would do as much for Jimmy," she replied.

"My mother would do more," said Peter. "She'd ask Jimmy to stay for supper."

to operate or ride on tractors (over 20 belt horsepower) or self-unloading wagons or hoist wagons; operate or unclog combines, field balers, hay conditioners, forage harvesters, corn pickers, roughage blowers or crop dryers; operate post-hole diggers or power driven saws; or work inside a gas-tight forage or grain enclosure or in a yard, pen or stall occupied by a dairy bull, boar of stud horse.

These standards do not apply when a youngster under 16 is employed by his parent on a farm owned or operated by such parent, explains Garnett. Also, those youth under 16 who have completed a bona fide cooperative vocational training program are exempt from the provisions of the act.

This training mainly involves the safe operation of tractors and farm machinery. Identification cards are issued after successful completion of the training program, and employers should make sure that youngsters have these cards before hiring them, emphasizes Garnett. An employer can be fined up to \$10,000 for willful violation of the Labor Act.

#### POTATO CONTAINS RING

Alvarado, Minn. — Last spring while working in her garden, Mrs. Neil Coiter lost her wedding ring. Recently while the family was eating dinner, the ring was found in a baked potato that was grown in the family garden.

THIS WAS A HOUSE--Pictured is rubble that once was a house . . . before the tornado struck Earth early Tuesday night. The two people who lived in the house had gone to a cellar next door shortly before the tornado struck the community.

## God Gave us Land, So Use it Properly

By: Muleshoe Work Unit of Blackwater Valley Soil Conservation Monte Dollar

The citizens of Texas recognize the earth is the Lord's and we are His servants charged with caring for it and developing it to the best of our ability. The soil and water, the trees, the grasses and wildlife, in their beauty and their infinite combinations and products, were put here for all of us, to help us grow together in dignity and wisdom, peace and service. We cannot afford loss of land, waste of water, distortion and spoilage of human life. The countryside is a wealth of enormous values and unending uses with benefits and responsibilities for Americans everywhere. It provides food and outdoor recreation, wood and water, and it is the home of agriculture and forests, parks and wildlife, trails and highways, and deserts and wilderness.

The change underway on all sides imposes new tests on soil stewardship, and requires the assertion of leadership by those who take seriously their responsibilities to God for the soil, water and other resources entrusted to us.

The Blackwater Valley Soil and Water Conservation District, sponsoring Soil Stewardship Week in Bailey County, have expressed their commitment to this challenge.

### Tornados...

Cont. from Page 1

tornadoes except underground excavations.

If you are in open country: Move at right angles to the tornadoes path. Tornadoes usually move ahead at about 25

to 40 miles per hour. If there is no time to escape, lie flat in the nearest depression such as a ditch or ravine.

If in a city or town: Seek inside shelter, preferably in a strongly reinforced building. Stay away from windows. In homes: The corner of the basement toward the tornado usually offers greatest safety, particularly in frame houses. People in houses without basements can sometimes be protected by taking cover under heavy furniture against walls. Doors and windows on the sides of the houses away from the tornado may be opened to help reduce damage to the building. Standing against the inside wall on a lower floor of an office building offers some protection.

Keep calm. It will not help to get excited. People have been killed by running out into streets and by turning back into the path of a tornado. Even though a warning is issued, chances of a tornado striking one's home or location are very slight. Tornadoes cover such a small zone, as a rule, that relatively only a few places in a warned area are directly affected. You should know about tornadoes though, "just in case."

Keep tuned to your radio or television station for latest tornado advisory information. Do not call the Weather Bureau, except to report a tornado, as your individual request may tie up telephone lines urgently needed to receive special reports or to relay advisories to radio and television stations for dissemination to thousands in the critical area.

## LEGAL NOTICE

### NOTICE OF SALE OF STATE LAND

Sealed bids covering the sale of State's interest in a tract of land containing approximately 1,997 acres of land, more or less, the improvements thereon, located on U.S. highway 84 in Muleshoe, Bailey County, Texas, will be received at the office of Texas Highway Department District Engineer O.L. Crain until 10:00 a.m. May 27, 1969, and then publicly opened and read.

The property to be sold of the State's interest in 1,997 acres of land, more or less,

out of Block 9, Warren Second Addition to the city of Muleshoe, Bailey County, Texas, and the improvements thereon. The tract is rectangularly shaped with dimensions of approximately 290' x 300' and fronting approximately 300' on U.S. Highway 84. Improvements on the land consist of a 30' x 75' frame warehouse building, a 15' x 20' frame storage shed, three underground gasoline storage tanks, one overhead asphalt storage tank, three electric pumps, fencing and other minor improvements.

The State will convey all its right, title and interest in the land to the successful bidder.

The State will furnish its abstract of title on this property; however, the State will not update the abstract. If the successful bidder desires the abstract to be updated he may do so at his own expense but at no cost to the State.

No bids under \$32,000.00 will be considered.

Each bid shall be accompanied by a Certified Cashier's check on a State or National Bank of the State of Texas in the amount of \$1,600.00 made payable without recourse to the order of the "State Highway Commission," as a guarantee that the bidder, if successful, will consummate the purchase. Certified or Cashier's Check

of the successful bidder may be retained until after the purchase is consummated. Checks of all except the successful bidder will be returned.

In addition to the amount bid, a service fee of 1 per cent of the price bid will be required as a condition precedent to delivery of the State's quitclaim deed to this property.

Bids will be received on or before the hour and date set for the opening thereof, and must be in the hands of the individual indicated above by that time. The price bid shall be construed to include expenses incurred in the sale of the property as required by law. Bids may be submitted by letter.

ter. Bidders or authorized agents are invited to be present at the opening of bids.

The State reserves the right to reject any and all bids. Bid forms and additional information may be obtained from Lloyd Killough Maintenance Foreman, Muleshoe, Texas or Mr. O.L. Crain, District Engineer, Box 771, Lubbock, Tex.

When submitted by mail, the bids shall be addressed to Mr. O.L. Crain, District Engineer, Texas Highway Department, Box 771, Lubbock, Texas 79408 and the envelope marked: "BID ON SALE OF STATE LAND," with the date and hour of bid opening shown. 18s-3stc

## ... and God bless Mother

This little one is aware of his mother's tender care, and responds with love. It would be wonderful if all of us showed our love for our Mothers all of the time. Even if we have been a little neglectful, we have an opportunity to go all out this Sunday, and express to her our love and appreciation for her goodness to us. The Bible tells us to "Honour thy Father and thy Mother."

On this special Mother's Day attend church and share in celebrating this time with others.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

# WE SALUTE *Mother* ON HER DAY

SUNDAY MAY 11th

SHARING A MUTUAL PLEASURE.....All of Phil Garrett's girls play the piano, his two daughters and his wife. L to r, they are Jana, 12, Mrs. Garrett, and Janelle, 8. Garrett is a farmer and the family lives west of town off Highway 1760. Dalores, the girls and Garrett are all active in First Baptist Church.

MOTHER'S LITTLE HELPERS.....all of them.....they love it and so does she.....Mrs. Jerry Gleason, wife of Dr. Gleason of Muleshoe Animal Clinic, enjoys being with her children, indoors or out. The children were preparing to make cookies (and not just a pose, either). They are, L to r, Jay, 3, Jerry Lionel, 2, Jacinda who is almost five "but not quite", and Jimmy who is "already six."

### MY MOTHER

Who fed me from her gentle breast  
And hushed me in her arm to rest,  
And on my cheek sweet kisses prest?  
My mother.  
When sleep forsook my open eye,  
Who was it sung sweet lullaby  
And rocked me that I should not cry?  
My mother.  
Who sat and watched my infant head  
When sleeping in my cradle bed,  
And tears of sweet affection shed?  
My mother.  
When Pain and sickness made me cry,  
Who gazed upon my heavy eye  
And wept, for fear that I should die?  
My mother.  
Who ran to help me when I fell  
And would some pretty story tell,  
Or kiss the part to make it well?  
My mother.  
Who taught my infant lips to pray,  
To love God's holy word and day,  
And walk in wisdom's pleasant way?  
My mother.  
And can I ever cease to be  
Affectionate and kind to thee  
Who wast so very kind to me,  
My mother.  
Oh no, the thought I cannot bear;  
And if God please my life to spare  
I hope I shall reward thy care,  
My mother.  
When thou art feeble, old and gray,  
My healthy arm shall be thy stay,  
and I will soothe thy pain away,  
My mother.  
And when I see thee hang thy head,  
"Twill be my turn to watch thy bed,  
And tears of sweet affection shed,  
My mother.

From 'Heart Throbs.'

THE JOY OF LIVING.....Janette Preston, 6, displays the spontaneous laughter that breaks out at the Robert Preston home often. Chris, 5, displaying his "cheese" smile, Robin, 7, and Laurey, 8, are shown enjoying pictures of the Preston children. With a mother who sings, of course, all the children sing, and the two oldest play the piano. Mrs. Preston is a Brownie Scout leader and active in Methodist Church. She says she enjoys her children and "never go anywhere without at least one of them."

PROUD MOTHER, PROUD CHILDREN.....Pictured are the children of Mr. and Mrs. Bill Jim St. Clair, happy their mother was being honored. Standing around Mrs. St. Clair are, L to r, Tommy, 11, Brenda, 13, Janice, 15 and Karen, 17. St. Clair is a farmer and they attend First Baptist Church.

A CHAIRFUL OF LOVE.....Pat King, wife of Max King, associated with King Feed Lots, assures everyone her boys are "so good" and five weeks old Lance is gaining and growing so fast. Seventeen months old Brett is interested in everything and everybody and enlarging his world rapidly.

ESA HONORS ITS OWN.....Shown are the outstanding pledge of the year, Mrs. Jim Young, left, and the outstanding member, Mrs. John Young, who were named at the Mother-Daughter banquet held Tuesday evening in First Christian Church by the sorority.

## Bridal Shower Fetes Miss Gleason

Miss Linda Gleason, bride-elect of Jerry Gilbreath of Muleshoe, was honored with a miscellaneous shower Thursday afternoon, May 1, in Fellowship Hall of Methodist Church, Lazbuddie.

The bride's chosen colors of pink and white were used in decorations. Her serving table was covered with white lace over pink. A floral arrangement of pink white and greenery, with two pink peaches, centered the table.

Mrs. John Neil Agee and Mrs. Johnny Mitchell served refreshments of assorted cookies, mints, coffee and pink punch from crystal and silver appointments.

Mrs. J.D. Handley, of Lubbock, registered guests at a table covered with white linen, bearing a pretty vase of pink

roses. Mothers of the couple to be married, Mrs. T.L. Gleason and Mrs. Francis Gilbreath, and the honoree wore corsages of pink roses tied with ribbon holding small kitchen tools. The two mothers assisted in opening the gifts. Names of the gifts and givers were registered by Mrs. J.T. Mayfield, aunt of Miss Gleason.

The hostess gift was an electric mixer.

Hostesses were Mrs. R.B. Seaton, Mrs. Ben Foster, Mrs. Barney Floyd, Mrs. Freeman Davis, Mrs. John McGehee, Mrs. Bobby Broyles, Mrs. Alton Morris, Mrs. Walter Steinbock, Mrs. R.L. Jones, Mrs. Ernest Nowell and Mrs. Deboe Carpenter.

## Basketball Girls Honor Miss Wagnon

Miss Rhonda Wagnon was honored with a miscellaneous shower Saturday afternoon, May 3rd in the home of Mrs. Clarence Weeks with Brenda Weeks, Brenda St. Clair, Kim Clodfelter and Glenda Harlen co-hostesses and the Muleshoe Seventh Grade Basketball girls.

Miss Wagnon was presented a white carnation corsage with black numerals, 9-1, the 7th grade basketball girls win, loss record for the year.

The refreshment table featured a white lace tablecloth over pink with a centerpiece of pink carnations.

The guests were served punch, cupcakes decorated with basketballs and their record, 9-1, mints, chips and dips.

Other guests attending were Mrs. Tommy Gunstream, sister of the bride, Mrs. Jack Beddingfield, and Mrs. Clarence Weeks.

A pretty girl makes a lot of men feel younger.

The Nursing Home. Rene Hutton was appointed chairman, and she selected her committee, as follows: Jean Allison, Wilma Embry, Carol Ellison and Janie Hughes.

Sallie Ellis reported on the fund raising campaign for the Nursing Home Furnishings. As the new wing is about to be opened, there is an urgent need for funds at this time. The Auxiliary hopes the public will respond generously when called on by Auxiliary members.

Mrs. Lewis appointed the following committees: membership chairman, Juaree Smallwood; Jean Allison, and Roselee Powell.

Finance chairman, Joy Tibbetts, and Pat Gunter. Telephone - Patsy Poynor,

JULY WEDDING PLANNED.....Mr. and Mrs. James Phipps, of Muleshoe, announce the engagement and approaching marriage of their daughter, Beverly, to Keith Bratcher, son of Mr. and Mrs. J.M. Bratcher of Sweetwater. The wedding vows will be exchanged July 19, 1969 at First Baptist Church in Muleshoe. A 1967 graduate of Muleshoe high school, Miss Phipps is also a graduate of Dallas Fashion Merchandising College of Dallas. The couple plans to reside in Dallas after their marriage. Friends and relatives of the couple will attend.

## Lingerie Shower Fetes

### Miss Rhonda Wagnon

Miss Rhonda Wagnon was honored with a Lingerie Shower, Friday evening, May 2nd, in the home of Mrs. Ralph Stevenson with Mrs. Jack Beddingfield and Mrs. Darrell Steph-

ens as co-hostesses. Those attending were the honoree's mother Mrs. B.H. Wagnon, her sister Mrs. Tommie Gunstream, teachers and wives of teachers from Junior High School.

Refreshments were served from a table featuring a pink taffeta and net cloth caught at the corners with pink satin bows. The centerpiece arrangement was pink gladiolus and Azalea pink mums.

## ESA Honors Mothers, Presents Awards

Fresh roses and pink accents were used in decorations for the Epsilon Chi Chapter of E.S.A. Sorority Annual Mother-Daughter Salad Dinner held Tuesday Evening May 6th 8:00 p.m. in the Fellowship Hall of First Christian Church.

The invocation was given by Mrs. Roy Ward.

Mrs. Chester Yerby gave the welcome, with Mrs. Fred Johnson giving the response and expressing her appreciation of the Sorority.

Mrs. Roald Johnson, President, introduced special guest Miss Joyce Puckett, the Sorority's Scholarship winner and her Mother Mrs. Myrtle Puckett. Also introduced were Mrs. Royce Turner and her Mother, Mrs. Ruth Briscoe.

In starting a new tradition, the pledges gave the Sorority a gift of a pair of gold Candle Holders.

Mrs. Joe King, vice president, presented a charm to the Outstanding Pledge, Mrs. Jim Young. This is a new award voted on by the pledges.

Mrs. Roald Johnson, in absence of Mrs. Don Seales, awards chairman, awarded a five year service pin to Mrs. Willard Tibbetts. Mrs. H.A. Douglas was recognized for ten years of service. Mrs. Royce Turner and Mrs. John Young were presented with charms in recognition of being chosen as Outstanding Young Women of America.

Mrs. Jack Rennels was in charge of the interesting and unusual program. A picture of each member as a child was shown on a screen with members guessing the identity of each.

Mrs. John Young was named the Outstanding Girl of the Year, and as an added surprise "This

is Your Life--Vicki Young" was presented. Highlights of the honored member's life had been collected into a book which was given to her. The book was narrated by Mrs. Jack Rennels while pictures of Mrs. Young were shown on a screen. The traditional Outstanding Girl Charm was presented by her Mother, Mrs. Woods Goforth. Mrs. Young presented her mother a gift in appreciation.

Members and their guests present were: Mrs. J. Pat Wagnon, Mrs. T.R. White, Mrs. Tommy Gunstream, Mrs. B.H. Wagnon, Mrs. Joe King, Mrs. Red Johnson, Mrs. Max King, Mrs. Harold King, Mrs. Roy Ward, Mrs. Harry B. Harris, Mrs. John Young, Mrs. Woods Goforth, Mrs. Roberta Coleman, Mrs. Howard Elliot, Mrs. Jack Rennels, Mrs. Gil Lamb, Mrs. Johnny Ohlenburg, Mrs. J.W. Roberts, Mrs. Charles

King, Mrs. J.E. McVickers, Mrs. Lib King, Mrs. Chester Yerby, Mrs. S.P. Stockard, Mrs. Roald Johnson, Mrs. Fred Johnson, Mrs. Hoot Gibson, Miss Carolyn Wedel, Mrs. Ernest Martin, Mrs. Jim Young, Mrs. Eugene Howard, Mrs. John Gentry and Mrs. Willard Tibbetts. Also Mrs. Royce Turner, Mrs. Ruth Briscoe, Miss Joyce Puckett and Mrs. Myrtle Puckett.

The next meeting will be May 20th in the home of Mrs. Roald Johnson.

Little boleros or weskits are quite the thing this season. A weskit of color or black which comes just below the waist over a blouse and pants or over a blouse and pleated skirt is smart. Shorter boleros with beading or chain decorations have a Mexican air.

## AAUW Concludes Year's Program

The Muleshoe Branch of the American Association of University Women had a dinner meeting Monday, May 5, at 7:30 p.m. in the small dining room of the Corral.

Mrs. Jack Beddingfield and Mrs. Hollie Francis were the hostesses for this social and brief business meeting.

Mrs. Eric Smith, the newly elected president, distributed material which summarized the four new program topics for the biennium 1969-1971. The Branch members will choose one or two of the following topics for the year's study, namely, "American Foreign Policy: Dilemmas and Realities of Power," "This Beleaguered Earth: Can Man Survive?," "The Academic Community: New Look on Campus," and "The Human Use of Urban Space: Winning It For Our Community."

The Muleshoe Area Public Library Summer Program which is one of the priorities of the organization was discussed, Mrs. E.W. Johnson is

chairman of this project.

The Muleshoe Branch had a 15% increase in membership this past year and were recognized at the McAllen State Convention. The Branch is eligible to compete for the Association award of one hundred dollars which will be given at the Convention in June at Chicago, Illinois. Mrs. A.J. Phillips is Membership Chairman.

The three dollar per capita goal for fellowships was reached. This Fellowships Programs assists university women, in competing doctoral programs. The holders of these fellowships have contributed significantly to the expansion of knowledge and this has led to promotions which have greatly improved the professional status of women, both in this country and in many countries abroad. Mrs. Jack Rennels is Fellowships Chairman.

All the priorities and projects which the organization adopted were carried out under the leadership of the president, Mrs. Neal Dillman.

Refreshments were served at the conclusion of the meeting by Mrs. Hunt.

Hair continues to be straight and long for teenagers although some of them have gone in for curls.

Cotton clothes for the resorts are being shown and they come in beautiful colors. Stripes are good and the skirts are short.

## 'The Biggest Piano Event In the World'

Each spring for the past forty years ever since the first piano playing auditions, or tournaments as they were called in 1929 when Irl Allison conceived

Mrs. Mable Wolfe, Chairman of World Problems, informed the group of a pamphlet which can be ordered from the League of Women Voters listing the "do's" and "don't's" in writing public officials.

Members attending were Mrs. Neal Dillman, Mrs. Jeff Ingham, Miss Gretchen English, Mrs. Elizabeth Wilson, Mrs. A.J. Phillips, Mrs. Jimmy Shafer, Mrs. C.E. Moore, Mrs. Lena Hawkins, Mrs. Mable Wolfe, Mrs. Addie Mae Spence, Mrs. Robert Hooten, Mrs. Eric Smith, Mrs. John Watson and the hostesses.

the idea of having an imported judge audition some forty-six students of his to see if they were as good as he felt they were - "The Biggest Piano Playing Event in the World" has been held. The National Guild of Piano Teachers was formed because it was felt the first auditions were so successful - no competition, just the evaluation of each student playing.

These auditions are held in established centers all over the world. The latest figures show there are 665 centers this year and our newly established center in Muleshoe is listed in this latest count out of the Austin headquarters.

Mrs. McKinstry, the Muleshoe chairman, announces a very rewarding audition which was held Monday, Tuesday and

Wednesday this week, with forty six piano students participating, with Mrs. Richard Newton of Wichita Falls, serving as adjudicator.

The four Muleshoe Guild teachers who entered their students were Mrs. W.T. Watson, Mrs. A.M. Bradley, Mrs. Sam McKinstry and Mrs. Sam Dameron.

The teachers and all the students felt Mrs. Newton, with her knowledge, pleasing personality, enthusiasm and conscientious grading given with constructive criticisms and patience, was the best, and all expressed their desire to have her return as judge again.

Mrs. Newton left late Wednesday for Littlefield where she judged the Guild students in that center Thursday through Saturday.

## Mighty 'M' Band Wins Honors in Enid Contest

### Teacher Aide School Slated

Summer institutes for prospective kindergarten teachers and teacher aides have been announced by Dr. B.E. Reeves, Amarillo, Coordinator of the Northwest Texas Council for Education Personnel Development (EPD).

The institutes, part of the "intensive, pre-service training" phase of Project Kindergarten Teacher and Project Teacher Aide, represent cooperative planning efforts between area service centers, public schools and universities to train personnel to alleviate shortages in various areas of education, under the terms of the Education Professions Development Act of 1965.

The Northwest Texas Council is composed of representatives of education service centers located in Wichita Falls, Abilene, Amarillo, and Lubbock; public schools served by these centers, and universities. The area comprises ESC Regions IX, XIV, XVI, and XVII.

In Project Kindergarten Teacher, the cooperating institutions will offer a six-week institute for 25 potential kindergarten teachers in the Council area at Texas Technological College in Lubbock from June 9 to July 10.

The program for the institute

will include study of the basic philosophy of kindergarten education, the child, the curriculum methods and materials and practicum. The six semester hours of credit will serve as a prologue to the nine semester hours required by the state for kindergarten certification, effective September, 1970.

Applicants should hold the baccalaureate degree. The applicant either has not taught or has been out of teaching since September 1, 1966.

Each participant in Project Kindergarten Teacher will be eligible to receive \$75 per week for each of the six weeks of the institute, plus \$15 per week for each dependent.

Project Teacher Aide is designed to train 100 teacher aides for placement in area schools in the 1969-70 school year. Four institutes, each four weeks long, have been scheduled at Amarillo College in Amarillo from July 21 to August 15; and at Texas Tech from July 21 to August 15.

Program components will include orientation, child development, general goals and procedures of the local school, instruction in specific skills basic communication skills, and guidance in behavior suitable to the employment situation.

ENTERTAINMENT AT FFA BANQUET--The entertainment for the FFA banquet was a singing group from Springlake-Earth.

Applicants for Project Teacher Aid must be at least 18 years of age and must hold a high school diploma or its equivalent, or must be a mature individual who can demonstrate communication skills and who has had work experience related to this assignment.

Each participant will be eligible to receive \$50 per week for the four-week institute.

Additional information and application forms may be received by contacting Dr. B.E. Reeves at 1601 South Cleveland, Amarillo, or one of the following education service center directors: Dr. James McBride, Executive Director ESC Region IX, 2000 Harrison, Wichita Falls, Texas. Dr. Robert Montgomery, Executive Director ESC Region XIV, Box 3235, Abilene, Texas. Mr. Huelyn Laycock, Executive Director ESC Region XVI, 1601 South Cleveland, Amarillo, Texas. Dr. O.R. Douglas, Executive Director ESC Region XVII, 713 Citizens Tower, Lubbock, Texas.

Applications should be post-marked no later than May 15 for the kindergarten institute and the teacher aide institute at Abilene. The deadline for Lubbock, Amarillo, and Wichita Falls is June 15.

### Senior Day Is May 16,

The Senior class met Wednesday, May 7 to discuss several items on the agenda. First we voted to make Senior Day, Friday May 16, a variety day. The seniors may dress any way they like as long as they comply to the rules of the dress policy. At noon, the Seniors will bring their lunch and have a picnic on the front steps of the campus, weather permitting. If the weather is bad, a section will be provided in the cafeteria for the Seniors to eat as a group.

We also selected the class song to be sung at Commencement--"Graduation Day."

It was announced that there will be a non-school-sponsored Junior-Senior Prom after the banquet, Saturday, May 24 for Juniors and Seniors only. There will also be a dance from 11:00 p.m. to 3:00 a.m. following graduation, Tuesday, May 27 for Seniors and their dates.

### Senior Class Names Officers of Next Year

By Debra Hayes

The 1969-70 senior class officers were elected in a Junior Class meeting held on Thursday, May 8th.

Newly elected officers for the Class of '70 are: Sam Feagley, president; Treena Bryant, Vice President; Betty Harbin, secretary-treasurer; Debra Hayes, reporter; and Karen St. Clair, parliamentarian.

Mr. and Mrs. Eric Smith were re-elected as class sponsors for the 1969-70 Seniors. Coach George Wahington and Coach Fred Hedgecoke were also chosen as sponsors. Elected as an honorary sponsor was Mr. Tom Jinks, high school principal.

Plans for an end-of-school party were also discussed.

No two people think exactly alike, and it takes some married couples a lifetime to find that out.

TEACHER OF THE YEAR--Kerry Moore, Muleshoe High School speech and drama teacher was named Outstanding Teacher of the Year by the Muleshoe High School Future Teachers of America Organization. Vicky Henexon, right, presents Moore with a plaque inscribed with his honor.

### '69-'70 Varsity Cheerleaders

By Vicky Henexon

Wednesday, May 7 was the day for selecting varsity cheerleader's. Those girls that will be prompting the school spirit next year are; Seniors - Karen St. Clair and Ann Douglass, Juniors - Vicky Julian and Cathy

Mardis, and Sophomores - Janice St. Clair and Kay Douglass. These girls tried out in front of the student body and then the student body voted for the two from each class that they felt were deserving. Congratulations to these six girls.

VOTE OR ELSE!--Jesse Clemmons is shown warning Kerry Siewert that he had better vote for Arlene Brown in the Student Council Representative election held Wednesday.

### Student Council Holds Election

By Kathy Williams

The MHS Student Council again hosted elections this week. Monday morning the candidates for class representatives made their campaign speeches. Elections were slated for Tuesday, but because of no school that day, they were postponed until Wednesday morning. Those elected were: Sr. Rep. - Debra Hayes, John Woodard and Arlene Brown; Jr. Rep. - Vicki Julian, Jerry Putman and Mark Dillman; Soph. Rep. - Mike Riley, Marilyn Pool and Bryan Brady. Congratulations to all these students.

Wednesday afternoon the Senior members of the Student Council also counted ballots for cheerleaders. The contestants performed in front of the student body prior to the election. Next year's cheerleaders will be Seniors - Karen St. Clair and Ann Douglass; Juniors - Vicki Julian and Cathy Mardis; Sophomores - Kay Douglass and Janice St. Clair. Head cheerleader will be named at the awards Assembly on Wednesday, May 14.

Learn to think for yourself; only then will you be able to live as a real human being. It is non "un-American" to disagree with others, regardless of what positions they occupy.

### Spring Concert Next Thursday

The Mighty 'M' Band spent Thursday, Friday and Saturday of last week at Enid (Okla.) performing at the annual Tri-State Band Festival.

Thursday night after arrival, the band marched in the contest show for which they received a I rating. Friday morning was the concert and sight-reading contest. The band received a II in each. These ratings were announced at the concert Friday night when several special groups performed.

Saturday morning, the band participated in the Tri-State Parade. No rating is given for the parade, but an honor band is chosen from each class.

The band would like to take this opportunity to express our deep gratitude to our director, Mr. Jim Harvey, for his dedication and hard work. He has given much time to further advance both MHS and the students in the band.

The Mighty 'M' Band will present a spring concert on Thursday night, May 15, at 7:30 p.m. in the MHS auditorium. The admission will be free. The band will play the tunes it performed at both UIL

contest and the Enid contest. Also, at the time, the new officers of the band will be announced.

Those nominated are: President, David Bickel and Richard Fox; Vice-President, Mark Dillman, Darrel Wilson and Treena Bryant; Historian, Ann Douglass and Nelda Finley; Reporter, Becky Sain and Tina Morphis; Secretary, Librarians and Outstanding Bandsmen will be announced at this time also.

### Annual Awards Assembly Set

The Muleshoe High School annual awards assembly program will be held in the High School Auditorium at 10:30 a.m. on Wednesday, May 14. At this time all departmental awards will be made plus a few awards selected by faculty. The annual dedication will be made at that time.

All parents or patrons who would like to attend the awards assembly program are invited.

LOCAL FFA PRESIDENT SPEAKS--Chuck Roming, president of the FFA, gives a few words of interest at the banquet held Tuesday night.

DISTINGUISHED GUESTS--Shown above are some of the more distinguished guests at the FFA banquet.

FESTIVE OCCASION--The annual FFA banquet was held Tuesday, May 6, in the High School cafeteria. It is a very festive occasion and all members look forward to it all year.

THIS IS THE FUN PART.....Modeling dresses they have made are, L to r, Linda Duffer, Kathy Esconda, Retha Jacobs, Charlene Lewis and Debra Newman. The girls are from the Special Education class taught by Mrs. Evadene Stevens and are showing the dresses made from materials furnished by Muleshoe Young Homemakers Club. Debra made both a dress like the other girls and the slacks she is wearing.

### Mrs. Allison Honored at WSCS Spring Luncheon

Women's Society of Christian Service and Wesleyan Service Guild of United Methodist Church held their annual spring luncheon Tuesday at twelve o'clock in Fellowship Hall. An Executive committee meeting was held at eleven o'clock.

Rev. J. Waid Griffin, pastor of the church, offered the opening prayer. Mrs. Harold Allison, president, was mistress of ceremonies, and welcomed guests, new members and associate members.

Guests at the meeting included Mrs. Richard Newton of Wichita Falls, Mrs. Gilbreath of Lubbock, Jennifer Estes, Maribeth Dillman and Mrs. Johnny Hodges.

Dana Damron sang three numbers, accompanied by her mother, Mrs. Sam Damron. They were "My Cup Runneth Over", "Night and Day" and an operatic number.

Mrs. Robert Hooten presented a Life Membership pin to Mrs. Harold Allison. Life Memberships are given by secret vote and the recipient kept secret until the time of presentation. The cost of the membership goes to specially designated projects of the Women's Society of Christian Service.

In her presentation Mrs. Hooten spoke of Mrs. Allison's personal qualifications, saying "Jean has so many responsibilities on her shoulders she has no room for a chip." Mrs. Allison, mother of five, has served as president of the local Society, Circle chairman and many other offices.

New Officers installed by Mrs. Harold Allison were: Mrs. Robert Hooten, president; Mrs. Byron Gwyn, vice-president; Mrs. J.A. Nickles, secretary; Mrs. Hilbert Wislan, treasurer; Mrs. Cecil Cole, secretary of Christian Social Relations; Mrs. Mervin Wilterding, Local church activities; Mrs. J.E. McVicker, Missionary Education; Mrs. Oscar Allison, program materials; Mrs. Owen Powell, spiritual life; and a nominating committee consisting of Mrs. Johnnie Prater, Mrs. R.O. Gregory and Mrs. O.N. Jennings.

Circle Chairmen elected by Mrs. Zed Robinson, Dorcas; Mrs. J.A. Nickles, Esther; Mrs. R.O. Gregory, Mary-Martha; Joyce Hill, Mrs. Buddy Black and Progress Circle, Mrs. Albert Davis.

Names were drawn for Esther and Dorcas Circles.

Mrs. Ted Allen, the co-ordinator, introduced Joyce Hill members and they were welcomed by Mrs. Hooten.

Closing devotional was given by Mrs. David Anderson, using the scripture Isaiah 52:7, "How beautiful upon the mountains are the feet of him that bringeth

good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation: that saith unto Zion, Thy

Attending the spring district meeting of Women's Society of Christian Service at St. John's Methodist Church, Plainview, Thursday were Mrs. Harold Allison, Mrs. Ben Cockrell, Mrs. Hilbert Wislan and Mrs. Zed Robinson.

### Polly Otwell Weekly Queen

Jenny TOPS Club met Thursday night, with twenty members weighing in. Mrs. Mabel Wolfe, the president, was in charge of the meeting.

Roll call was answered with the number of pounds gained or lost.

Financial report was given by Freida Foss.

Zora Mae Beller received a birthday gift, and Dena La Rue received one at the last meeting.

Queen of the week was Polly Otwell, with Ernestine Vernon first runner-up. Second runner-up was Jewel Peeler. Six were in the pig pen.

Leader Mabel Wolfe discussed some club rules with the group and then handed out some obesity research charts for each member to fill out.

It was announced that Corky Green, of the Bailey County Sheriff's office, will be guest speaker at the next meeting. Members were urged to be present and visitors are welcome, a club spokesman said.

The meeting was dismissed by singing the Good Night Song.

### Joyce Hill Circle Has Bible Study

Joyce Hill Circle of United Methodist Church, newly organized, has held two recent meetings, one in the home of Mrs. Eugene Howard April 24, and another May 8 in the chapel of the church, at which time Mrs. Reagan Cox was hostess.

At the April 24th meeting Mrs. Carter Williams led the study on 1st Corinthians. Mrs. Buddy Black gave a devotional from "The Man Called Peter" by Catherine Marshall. Eight members attended the meeting.

At the May 8th meeting, while refreshments were being enjoyed the group had a period of sharing and prayer. Mrs. Robert Preston then conducted the study on the 2nd chapter of 1st Corinthians, with group participation.

Action for this month was to take the migrant class of sixth, seventh and eighth grade students from Junior high, with their teacher, Mrs. Stevens, on a field tour of the courthouse.

Members present for the meeting were Mrs. Jack Rennels, Mrs. Eugene Howard, Mrs. Buddy Black, Mrs. Robert Preston and one new member, Mrs. John Gentry. Mrs. Ted Allen, the co-ordinator, was also present.

The next meeting will be at 1:30 p.m. May 22 in the home of Mrs. Preston.
