Chester Jones called to see if I had received the article on the opening of Wheeler's Farmer's Market on June 25. He reports on having received several nice rains during the month of June. He said we must not be paying the preacher well enough in Wheeler.

-cwe-It had been planned to open the Farmer's Market at an earlier date, but with the cool weather earlier in the year, the crops are a little late. A variety is promised.

-cwe-

Mary K. Christner called the other week and I failed to mention it in the column. She is doing great and enjoying those grandchildren. Good to hear from you Mary K. -cwe-

It is time once again to extend Erwin. Are you really that old,

We made the journey to OKC on Friday. The 'Grandpuppies were happy to see us; I'm sure Jennifer

and Greg were also.

-cwe-We had dinner with the Meriwether family on Sunday and spent the night, coming home on Monday morning

We did not play cards on Monday night; I guess everyone was gone or busy

# At Mobeetie on Sat., June 25 Nine Bands To be Featured At 2005 Old Mobeetie Music Festival

Jeff Simmons, San Antonio TX, voices around. has been the leader of The Star Canyon Band since its inception 17 years ago. Having played music for what seems like "forever," Jeff plays guitar and sings lead and harmony in The Star Canyon Band. Born in Virginia, his music career began in the country music field, later taking the Nashville route where he shared stages with some of 'the best' before converting to bluegrass music in the early 1980s. To the enjoyment of his many fans, there's still a touch of country to Jeff's music. Onstage, there's no doubt that he loves performing and sharing his God-given talents with the bluegrass world.

Rick Curlee, Cleburne TX, has honed his mandolin skills over the years after getting his start as a child playing with his family band. He later switched to traditional style bluegrass, also developing a proficiency on the guitar along the way. Today, in addition to his mandolin and guitar expertise, Rick also writes music and sings lead, tenor and bass. He's said to have one of the very best high tenor

Tim Tynes, Burleson TX, is an accomplished artisan on banjo, guitar and dobro. Tim also shares vocal responsibilities of The Star Canyon Band. Though he enjoys different types of music-bluegrass music means the most to Tim. He has lived in the Fort Worth area most of his life. During his 30 years of playing music, he has been a part of several bands, taught banjo and assisted with area banjo workshops. When he isn't picking, Tim is enjoying time with his family,

hunting or fishing. Eddie Stroud is an excellent bassist and sings lead and harmony, as well. A native Texan, Eddie was born, raised, and works in Glen Rose, TX where he still lives today. Eddie has been playing music for 17 years-starting out on guitar and later learning to play bass because "there never seemed to be anyone to play bass" for the jam sessions he frequented at a nearby bluegrass music park. He'll modestly tell you that there's "nothin' special 'bout me," but when he starts singing while playing guitar or bass, you'll know right quick-like that there is, indeed, something 'very special' about him! Eddie readily admits that the thing that he loves most about bluegrass music is the people and 'the people' love Eddie as well.

This personable, dynamic foursome came together in this venture dedicated to 'being the best that they can be,' and they are definitely 'entertainers'-each member is an accomplished lead vocalist and, collectively, they perform some wonderful harmony coupled with one of the best balances of sound that you can hope to find. From the pooling and refinement of individual members' Band's own novel style of entertainments—a lot of bluegrass, softened with a little country, a touch of folk music added, and a dusting of humor injected here and there. They seem to have discovered the 'mix' that folks want to hear. . .an 1100+ fan base supports their extreme popularity. These loyal fans readily proclaim these fellows to be "some of the most talented and nicest guys that you could ever hope to meet!" Their presence adds a special touch to any event!

For your enjoyment and entertainment, we present a quality performance in a unique style with unity, energy, and enthusiasm-The Star Canyon Band!!

Hitch your wagons and head to the Old Mobeetie Jail Museum for an evening honoring the heritage of the Texas Panhandle, Enjoy vintage country music, cowboy poetry, tales of the old days, and a delicious chuckwagon dinner, all under the shade trees of the museum grounds. The "Old Town Hoedown" will be held on June 25 beginning at 4 p.m. and continuing until the last embers flicker from the campfire. The evening will kick off with a book signing and tours of the museum, followed by the meal, cowboy poetry, and colorful tales

of the past.

Delbert Trew will serve as emcee of the event, take part in the book signing and share tales of the early days in the Texas Panhandle. Sarah Gill-Northcutt will present self-penned verses of Cowboy Poetry and Jimmy Northcutt, dress in Calvary attire, will reenact events from the late 1800's. The chuckwagon meal will be served by Honey-Do Spoiler (Keven Romines) and include Texas' traditional chicken fried steak, served with hand peeled mashed potatoes, and homemade biscuits and gravy. This fine meal will be topped off with a tasty dish of old-fashioned fruit cobbler. Once your belly is full, sit back in your lawn chair and enjoy the old fashioned western sounds of Prairie Heirs, featuring music from the days of Gene Autry and Roy Rogers. Heck, you might even want to scoot a boot on the dance floor under the pavilion.

Old Mobeetie, once the judicial district for 26 counties in the Texas Panhandle, was the destination of many people who traveled from far and wide to purchase supplies, attend dances at Fort Elliott and enjoy the horseraces and exciting evens of Court Week. The Old Mobeetie Texas Association, is "Still Making History" with these events by paying homage to (Continued Page 6)

Our nephew, Scottie Willis, was so excited to be a graduating senior. The next day he and a friend were going to get totally moved into their First trailer. Both boys took the weekend off to get moved in and celebrate graduation. Then Mon. they started their summer jobs at convenience stores.

Grandma, Carol Orthman, from Dumas and Uncle Robert and Aunt Sue met Scottie and his girlfriend, Jessica, at the Clarendon Steakhouse for an early supper and good visit.

Then it was off to see his "First home" and to meet Jessica's family. They had to borrow an iron, then Grandma pressed his robe. Then it was off to graduation.

Scottie was so excited getting us where he wanted us and his Dad, Ron Willis, and his Uncle Marlin and Aunt Jan Willis from Amarillo.

After a beautiful maroon and gold ceremony we took his cake back to his trailer. Scottie was having fun, then he, Jessica and another friend were off to the all nite graduation party and lock-in.

year will be a one-day event, on Saturday, June 18, 2005 from 10:00 a.m. - 3:00 p.m. This year our Vacation Bible School will be called "Jerusalem Marketplace." We will divide the children (ages 3 through those who just completed the 6th grade) into three different age groups and they will rotate between three different specific activities in both the morning and afternoon. And because this is Jerusalem Marketplace, our Multi-Purpose building will be redesigned into a 1st century market, filled with stores (but you don't need to bring any money to enjoy their wares) related to events of that time frame. There will be a bakery, a pottery shop, a jewelry shop, a candy shop and more. In fact, there might be as many as ten shops in there. And although there will always be plenty of supervision,

An Invitation: You are cordially invited to attend any of the weekly services of the Wheeler Church of Christ which meets at 1001 S. Alan Bean Blvd, in Wheeler, Texas

the children will be able to spend

a lot of time at whichever of these Our Vacation Bible School this shops that they enjoy the most. They will learn about the trades of that day, and get to participate in many of the exercises of that day, too. And that's just the first activity that the kids will rotate to. They will also enjoy some time out on the playground, playing games that would have been popular in the 1st century as well as today. Specific Bible lessons related to the last week of Jesus will be taught in the Synagogue School too, Lots of songs, lots of Bible, lots of fun!

More information concerning our upcoming Vacation Bible School will be mentioned in the next few weeks articles in this newspaper, but start planning now on having your children participate. If you have anymore questions or comments, please contact me at the church building at 826-5542.

Boydston, Opal and Juanita Boydston and Louise Boydston, Cheryl Dupont, Bennie and Debbie Boydston, Henry and Dora Lea Dupont of Okay, Oklahoma, just to name a very few that attended the Community Fish Fry. Oh yes, Kyle Boydston of Clovis, New Mexico and Dick and Cletus Greene were also there. Of course I can't name them all, but it was a huge success and such delicious food and desserts too. Harold and Elena Walker and Kenny Price family really knows how to cook that fish and hush puppies. And the community is always known to bring delicious side dishes to add to it. It was all

After enjoying the meal and visiting at the Fish Fry, Opal and Juanita Boydston, Vance and Carol Boydston and Glenn and Betty Boydston and Louise Boydston, Bennie and Debbie Boydston, Heather Boydston and Josh Archer, Henry and Dora Lea Dupont, Henry Dupont, Cody Dupont, Cheryl Dupont, Jerry Dupont and wife and numerous others attended the graduation of Sabrina Dupont in Wheeler, Texas. being honored and their gifts and also for their birthdays. A slide presentation was shown. There was a big crowd of family and friends. There was a few tables decked with food such as gumbo, chips and dips, sandwiches, lil' barbeque smokies and a platter of fruit and dips for them as well, just to name a few things and can't leave out the yummy Strawberry cake. Everything was great. Lots of pictures and visiting were enjoyed by all.

Boydston.

Stopped by to visit Curtis and Lil but they were not at home. Suppose they were out to garage sales? Or maybe celebrating another birthday with family. Looked in on Aunt Anna to see how she is doing and she really seemed lots better than last time we saw her. She was so happy, her greatgranddaughter, Nichole, had brought her baby, Jaden (greatgreat-granddaughter), to visit her. They live in Dallas, Texas. Wish we could have seen them. It was a real surprise and pleasure to see our cousins, Billy and Karen Goad from Arlington, Texas and also their son, Michael and his wife, Debbie who live in Norman, Oklahoma! They had all stopped in to visit Aunt Anna. Sometime, they plan to come to Allison to visit Willie Vance and I. Hope we can get our place in order so they won't go into snock. Their nome is immaculate! Always! They sure are special and it sure was real good-

to see them! We went by our home in Norman, Oklahoma to pick up some clothes I can't wear anymore. Seems they have shrunk! Well, I have a cousin, Betty in Indiana and she seemed to have the same problem with her clothes as I did so, maybe now she can wear what I wore before they shrunk. Hope so! Anyway we are leaving tomorrow, which is Sunday, right after Sunday School for Indiana. We have purchased a (Continued Page 6)

Dean Tipps and Jimmy Maddox put out flags on 39 veterans graves at Zybach cemetery. Dean has been taking care of the cemetery for 48 years. It you want a plot, contact Dean; he said better do it before you die.

Pray for Lavenna Pannell, who has not been feeling very well. We missed them at Wheeler Baptist Sunday School and church Sunday. Eddie too.

Edna May and I had a nice morning out Wednesday. Edna brought her car in to Cross Car Center to get a new air condidioner in. I met her there and we went to Shamrock. Lots of pretty things at Brenda Stokes Antique Store in the Old Pucketts Grocery Store. We looked around and then went to the recently reopened Dairy Queen. We had grilled mushroom and Swiss burgers and she had a frosted coke, while I had a strawberry shake. All good. Edna and Homer Sanders and Willis and I used to eat out, play dominoes and do things together. Homer and Willis had been friends for many years. going to high school at Canadian together in 1930's.

We had a nice group for Sing-Along and church Tuesday morning at Wheeler Care Center and Earl and Betty Hustead in charge. Earl had a very good message and we sang several good songs. Juanita and Vernon Fothergill and Donna Hugg were there to help from Shamrock. Juanita and Donna had a special song—really pretty. Earl had a good object lesson about getting our life so full of many other things that there is no room for Jesus in our time.

Glad to hear that Betty Hustead's mama in Alaska is doing well and contented in a Nursing Home there.

Next Tuesday, June 7, Allison Pentecostal group will be at Wheeler Care church for Sing-along at 10:00 a.m. Come join us.

It's been a blessing to have the new residents from Shamrock at the Wheeler Care Center. Sweet people. Welcome!

Jackie Cumming left early Saturday morning to go to Fritch to a family gathering at a niece's house. 22 there. Lots of delicious food. All of Jackie's sisters and brothers are gone. Their kids used to come to grandma's and Jackie helped take care of them and loved and enjoyed them. They met Saturday at Laveta and Norman Willingham's house. Also there were nephew Charles Starr from Amarillo and Charles and Linda Miller and children and grandchildren. Also there was a lady from Switzerland, who was touring the states. It was a beautiful drive up with blooming yucca and other things. Even saw an antelope and wild rabbits. Very enjoyable day visiting.

Wheeler Baptist Church had a 5th Sunday Singing at Wheeler Park Sunday night, with good food, good fellowship and good singing and readings and a hamburger, hot dog supper. Good crowd there. This Memorial Day we think about all the young men and women, who have left their "comfort zone", their home, and family and loved ones to go help fight a war they didn't cause. But they helped to make the world a better place and did their jobs. Thank you to all the Veterans and we pray for the ones still training and going out. Pray for our troops. There are still bad people and bad things in this world. God will help if we ask. I used to like to read fairy stories when I was a kid. Many of them ended with "They lived hapalways be problems. With God's help, we can make a difference in our world. God bless you everyone. Good to see the flags flying in Wheeler this Memorial Day in honor of our veterans and other loved ones.

They ate lunch at Maxeys Sunday. They also put flowers on graves Saturday at Wheeler cemetery for Maurine, Claudie and Ina Mae, Grady Vise and wife. Doris went on to church Sunday at Mobeetie Baptist.

She turned 80 this year and did not want to have heart surgery. Doctor gave her medication and last report no leakage, no anemia. Praise the Lord! They still hope to stay well and come to Texas later in the summer. Cousins Russell and Linda Hollis from Pampa, who look after their place are suppose to visit them in Missouri a little later. Leonard and Bertha might come back as they do. Surely would enjoy seeing them and hope they stay well.

Nice to have a call from sisterin-law, Eula Newman, at Saginaw, Texas. She was going to Conroe and Houston area to visit daughters, Robbie Bleakley, and husband, Steven, and Maxine Oldham for a few weeks. Pray for Steven, who is to have surgery.

Harper

Nice to visit with Harper Muse at Wheeler Care Center Thursday. I asked Harper where he and Betty live. He said they were "homeless." They had sold their house and now live in a travel trailor, for about 4 years and go south when it is cold here or to Colorado, when it's hot in Texas and really enjoy meeting nice new people. Their daughter, Misty, and family live in Dalhart area and their mail goes there. They get the Wheeler Times and read all the columns, even when they get several at once. Think her husband farms lots of land. Their son, Todd, lives in Amarillo. They visit both families when they can. He made my day when he bragged on my column. Good to see him and Betty looking so good. Betty does lots of e-mailing and even embroiders with the computer. They saw several people they know at the Care Center. Residents really enjoy seeing old friends. Thanks for coming. Glad I was there to see Harper and Betty. Harper attended school at Briscoe. Betty is a sister to Bill Caswell.

Willis spent nearly four years in the U.S. Army, during World War Il from January, 1942, to October, 1945. He was in the Field Artillery that shot the big guns over our troops to soften up the opposition. Willis came home on a month's furlough in the summer of 1945. He was supposed to go back to the Calfiornia, I got a cab to go back to

the bus station after he left me. On the way the radio in the cab told of them dropping the big bombs on Japan and that ended the opposition from Japan, and really the war. I still get goose bumps and teary from remembering that exciting moment. Willis was honorably discharged with a rank of First Sergeant on October 10, 1945 to come home to me and farm and raise cattle. It has been a good life. I am thankful all 5 of the Fillingim boys (Talmadge, William, Horace, Hugh and Willis) came home

Willis was in Germany nearly a year before he came home. He

was also stationed at Fort Carson,

Colo., Camp Adair, Oregon and Abilene, helping to train other soldiers. He was in Oregon in March of 1943, when he came home on furlough and we got married. I went to Oregon in June after school

## The View of a Southern Woman

.... Southern California that is.

This has been a very busy weekend for us, but that is nothing unusual. What with all the graduations, birthdays and lots of visitors from out of town and parties you would think it would slow down for a while. But no way. Our children from Binger, Oklahoma are on their way for a couple of days and it is Sunday evening. Our granddaughter Chrissy is coming with her parents Robby and SaRita Green and she is about 9 months ready to have our granddaughter. Thought she was ready last week, but not yet. Glenn Forrest Frosty said I should get some string, scissors and hot water ready as we live a long way from a hospital. I do hope he was kidding as usual. Although I have had 3 children of my own, what I know about birthing you could put under your fingernail. I do think she has another week or

Glenn did not take much interest in our fish tanks in the back yard until I showed him the fish feeding frenzy that takes place when they are fed. The minnows chase the Koi's fish food around the tank like wild animals while the Koi and goldfish act like ladies and gentlemen while eating. Now

Glenn is the official fish feeder. I think Glenn is having too much fun with the remote to my new car. He loves to honk the horn by remote and I told him he was going to have it taken away if he did not stop it. He always loses the car in big parking lots and has to find it with the remote. Sometimes it is necessary and other times a pain as he can over do it. Like at church Pacific area for the fighting over this morning when he seated me there. I went with him as far as in the car and went around to get in Amarillo and he was going on to and honked the horn. Everyone

thought I had done it and probably wondered why I was in such a big

hurry. Other times he loves to beep

it just because he can...That man!! Someone ask me in church today if I missed California. In fact I am ask that a lot and to be truthful, I do a lot of the time, but I do not want to move back there. I miss the roar of the ocean and the smell of salt water and the spray on my face when I walk the beach. I miss the places I know and the people I know. I miss my garden, my home and the neighbors that were always dropping into visit. There are a lot of things I miss, but I would not trade this home and family for that home in San Clemente. And like I have said before, Glenn could not survive out there.

With love from a here to stay Texan, Betty Boydston.

Hoedown (from Page 1) Wheeler County's past.

Make plans now to join us for an "Old Town Hoedown" as we revisit the sites, sounds and tales of the past around the glow of a crackling campfire. Cost for the meal and an evening of wonderful entertainment is \$12.50 for adults (12 years old and up); \$6 for children 5-11 and free to little buckaroos 4 and under. This is an evening for all ages, so please, no alcohol or drugs and keep pets on a leash. The museum is located just off Highway 152, approximately 11 miles west of Wheeler or 32 miles east of Pampa depending from which direction your posse's started. For more information please call 806-845-2028, visit our website at www.mobeetie.com, or email the museum at omim@panwas out and stayed six weeks before he had to go out on maneuvers. I also got to spend a few months in Colorado before he had to go to Germany in 1944.

camper. That sounds much better for two of us. Willie Vance says the queen in his camper is Carol June. Isn't that sweet? Always!! That is until a car or truck blocks his way and he can't do the speed limit at least. He said, "if they're gonna park it, they ought to build a fence around it and milk it." Now do you think he's been reading too many westerns? He says if you have any you want to get rid of just send them his way at P.O. Box 113, Allison, Texas 79003. He sure is

enjoying the ride of retirement! Would you please pray for Anna Lisa Craft of Oklahoma City, Oklahoma. She's Aunt Anna's greatgranddaughter and she grew a tumor at the base of her neck and had an eight hour surgery yesterday and came through it fine, Praise the Lord! They have sent the tumor to see if it is a cancer or if it's benign. Prayers can really make a difference. I think she is only ten. Went from laughs to seriousness, but it just came to my mind and she needs our prayers so she can laugh again.

Now for the great announcement! Our daugther, Marsha, who moved from Oklahoma to Arizona to California to Arizona and now to Kentucky is married to David, the truck driver she met last spring in Michigan at her girlfriend's wedding. We haven't met him yet, but she says he is a sweetheart and sings to her as he plays his guitar. She left a good job, but we're glad she got out of that hot box Arizona. Kentucky is a beautiful state and borders Indiana. Grandma Dot is sure glad to have Marsha close enough to visit her. They got an apartment they love just across the river from Cincinnati, Ohio.

We are also planning to attend our cousin's fiftieth wedding anni-

versary celebration. The celebration of several graduates was well attended in Allison. Although we were late, we enjoyed seeing those young people being honored for their achievements. And the fellowship was great! Seen many we don't get to visit very often. And man, they served good food too! Even got to eat some of Mr. Eddy's gumbo. Alright!! I'm ready for some more.
