We left Thursday at noon for OKC for the weekend.

County Expected To Have Electronic Voting Machines By January 1, 2006

The Wheeler County Commissioner's Court met in regular session on Monday, March 28, 2005, at 10:00 a.m.

Ten items were on the agenda. The court approved for payment the hourly payroll time sheets as turned in.

The commissioners approved the payment of the bills.

Item #3 was the consideration of the budget. County treasurer, Jauna Benefield informed the commissioners of \$8,000 in the budget, which is allocated for D.A.R.E.; this moneys can be moved to the D.A.R.E. account with \$12,000 budgeted. The moneys in the D.A.R.E. account can then be used for salary for Deputy Burrell and offset the shortfall in the sheriff's budget. The transfer was approved. Commissioner Moore requested the permission to transfer \$5,000 from his "materials" budget to "repair and supply"; the transfer was approved.

The court moved to contact Phoenix I with a list of repairs to be

made at the courthouse in an effort to bring the restoration project to a close. Signs for the offices have not been received either. No action was taken on the burn ban.

The commissioners passed a resolution stating Wheeler county will work toward using funding to help with the Help America Vote Act. The federal government expects Wheeler county to have voting machines by January 1, 2006. Funding is to be available for the purchase—no allocation for training; no money is in the account at this time.

The court approved the transfer of employee Dean Lax from precinct 4's payroll to precinct 2's payroll effective April 1; salary will remain the same.

The court also approved the transfer of county employee, Frank Moya, from courthouse maintenance to precinct 4 with the salary to be base pay for a county road hand.

The commissioners were informed of a need for a ramp at the county jail. It was decided to present a design at the April 11 meeting. Inmate labor will be used in the project.

Hwys. 83/152 Improvements Scheduled For Next Year Left Turn Lanes for Hwy. 83 At Light

The Texas Department of Transportation (TxDOT) is planning a project in Wheeler to rehabilitate the pavement with a new surface on US 83. This project will begin at the roadside park south of Wheeler and continue through the city of Wheeler to the north city limits. The plans call for the widening of US 83 with two lanes both north and south and a dedicated left turn lane throughout the project.

US Highway 83 presently measures 64' from the back of the curb to the back of the opposite curb. This distance will be increased to 66' and will not pose a problem for property owners.

On SH 152, the roadway will be narrowed by 7' on both sides,

Glenn Williams, 96 Services Are Wed.

Glenn Luther Williams, 96, died Saturday, March 26, 2005 at Wheeler, Texas.

Services were at 2:00 P.M. Wednesday, March 30, 2005 in the First United Methodist Church in Wheeler with Rev. Rick Carstensen, Pastor officiating. Burial was in the Wheeler Cemetery under the direction of Wright Funeral Home.

Mr. Williams was born to Luther and Ruby Texas (Baker) Williams in Tecumseh, Oklahoma on April 29, 1908. The family moved to a ranch south of Wheeler when he was a small child, and there he and his two younger sisters grew up. As a young man, Glenn worked in the County Clerk's office, and also was employed at the local bank. One June 2, 1932 he married Idabel Carter of Wellington. The newly married couple lived on the family ranch several years before moving to New Mexico where he ranched near Artesia, then in the Corona area before buying a ranch north of Mountainair. In 1947 he changed careers, sold the ranch and bought the local hardware store. It was in Mountainair that he and Idabel raised their children. A devout Christian who lived his faith, he was active in church as well as in community affairs. He was also a Mason. Glenn, however, was always a rancher at heart. After their children were grown he sold the hardware store and he and Idabel then returned to Wheeler for 6 or 7 months each year where he began to restore and improve the same land he had loved as a boy. After Idabel's passing in 1989 Glenn made the ranch at Wheeler his permanent home. He worshipped regularly at the Wheeler United Methodist Church.

He was preceded in death by his parents, Luther and Ruby Williams, his wife, Idabel, 2 sisters, Wilma and Claire Williams who passed away before he was born, and his younger sisters, Bennie May Whitener and Ruby Lee Sandifer.

Glenn's family find comfort in knowing that he is with the Lord Jesus and his loved ones who have gone on before, and that all those who survive him may one day through faith in Christ, join him there as well.

Survivors include 1 son, Glenn Carter Williams and wife, Beatrice, also of the ranch; 2 daughters, Carita Shockey and husband, Don, of Mountainair, NM and Catherine Dailey and husband, David, of Albuquerque, NM; 10 grandchildren; and 16 great-grandchildren.

making the roadway one lane in each direction with a dedicated left turn lane from two blocks west of US 83 to the east city limits of Wheeler. A raised median will be placed at the courthouse to separate the courthouse parking from the highway traffic.

Presently, the US 83/SH 152 intersection has an asphalt surface. This will be replaced with concrete for one block in all four directions. This will eliminate the rutting that is experienced each summer due to truck traffic. The intersection will also be reconfigured for a wider turning radius to accommodate truck traffic.

Parallel parking will be implemented on SH 152. This is for the safety reasons and will eliminate motorists from having to back out into traffic.

As another safety feature of this project, sidewalks will be added on the west side of US 83 only. This will add a safe pedestrian path to the school.

This project will let in December 2005; it should tentatively begin in the spring of 2006.

A project was let in December 2004 to overlay the pavement surface with 2" of hot mix on SH 152 from the east city limits of Wheeler to the Oklahoma State line. This project should begin mid-summer.

MOBEETIE NEWS

By: Sue Mayfield

The May Family had a wonderful vacation in Arizona with Kellie's side of the family. The weather was wonderful the whole time they were there. Got almost hot, before they got ready to come home. They hadn't gone prepared for almost summertime weather. Then come home to all that snow. Peyton and Shelton had a great time with their cousins and grandparents. They certainly didn't want to come home. They were just having too much fun.

Kellie's folks thought Peyton and Shelton deserved an extra special surprise after all they have been through the last six months. So they bought them a cool new blue two seater go cart. Really super neat!!

It's a little big for Shelton for right now. He's a little weak from all the chemo treatments. But just as soon as he gets his strength back he'll be ready to take his turn.

Peyton is a very good driver. She's very observant and watches her signs.

March 14th was Shelton's last chemo treatment. Yea!!! Congratulations! Shelton.

Mom, Dad and Shelton had a

pretty long day in Amarillo, but Shelton wanted to eat out in Pampa to celebrate.

Nanny and Paw (Sallie and Tim Adcock) and Peyton met them at Dyer's in Pampa to party! party! party! Cake, presents, balloons! A real end of Chemo-celebration for one very brave boy and deserving family.

This Monday he did blood work. Then April 4th he has a really tough day radiation tests and MRI's. Your in our prayers.

Then he can concentrate on getting stronger for his Alaskan trip this summer. As long as he promises not to wrestle a bear or ride a caribou. Pictures will be great though.

Nurse Brenda and Dr. Regueira have been so great through all of

this. They are the May's second family. So when the Mays and the Adcocks get ready to help Poppa Joe Shelton work cattle for the spring branding Nurse Brenda and Dr. Regueira are hoping to bring their families up for a real cowboy experience, chuck wagon dinner and all.

Shelton talked alot about his time on the ranch with Poppa Joe Shelton likes to check all the animals with Joe. I guess that's sorta where the idea of wanting to a veterinarian came from for Shelton.

Charlie and Shirley Brown are inching closer to being completely moved up here and settled into the Dockins place from Amarillo. They are tying up loose ends and selling their property down there.

We will be glad when they can

just come home here be comfortable and relax everyday.

Did ya'll notice Aaron and Arica Lancaster's darling easter bunny and load of colorful eggs. So bright and cheery. Thanks! You always decorate with something special or have something blooming.

Don and Mary Edwards had a very pleasant surprise Fri. Kenny and Melanie Reed, Jason and Ryan from Rock Springs, TX came by on their way to Blue Haven Church camp in New Mexico. Jason is a sr. and recuperating from a broken ankle. He is out of the cast and off the crutches, but still wearing the boot.

Mary teased him about Jason having teased his mommaso much when she had to wear her boot on her broken foot so long.

Jason and Ryan are both happy, healthy, young gentlemen and a delight to be around.

We really miss the Reed family. They've been gone several years and are closer to Kenny's parents which really helps and a bit closer to Melanie's mom.

It's 492 miles to the Reeds at Rock Springs and they still had over 200 miles to go to Blue Haven, so they had to cut their visit short with Don and Mary. It was such a good visit.

Melanie works for Home Health care now and Kenny is still with the department of agriculture.

Jason is planning on going to college at Tarrellton at the present time. Wish Don was feeling better.

Trent Copeland and his two girls have moved back to Pampa. The girls love school there and are doing very well. Trent is back working out at the bowling alley. Go by and say Hi!

Sorry Thursday didn't start out very well over at the elementary school. Thank God no one was injured. LeeAnn Williams and principal Janet Tatyrek had a fender bender. It looked really bad. They had called the ambulance and had to have a tow truck for Miss Tatyrek's vehicle. Just thankful everyone's okay. Everything else is replaceable.

Friday while Cindy Dickey and the boys and Jennifer, Erica and Jayden were out working with the horses and feeding them little Jarrid Dickey got kicked in the chest by a horse.

The ambulance took him straight to Northwest Texas Pediatric I.C.U. They kept him overnite and most of Sat., but sent him home Sat. nite with a heart monitor and orders to lay around and take it easy. Easier said then done with a six year old, but he made it quite well over the weekend.

Jarrid has a bone chipped off of his breast bone, but otherwise is going to be just fine. One very lucky little boy. Praside the Lord.

Justin and Skylir Dickey spent the night Friday with Erica and Jayden Mayfield.

Big brother Brandon went to Amarillo with Mom (Cindy) and Jarrid.

Tony, Pat, Jordan and Joshua Goodnature came to Fred and Jackie Thrashers Friday night after work to spend the holiday weekend.

Fred has all the beautiful new paneling up in the new computer room. So Tony was coming to help do the finish trim and put the tile down. Joshua helped too.

Jordan always like to clean for Naw-Naw.

Fred out did himself again and barbecued chicken breast, pork ribs, and some brats and his famous veggie combo Saturday evening even in the crazy weather. The weather has to get alot worse than Sat. to scare Fred off from grilling.

Sunday Jackie baked a scrumptious ham, hot rolls and all the fix'ns for Easter dinner.

Hope you had a wonderful Easter. It turned into such a beautiful day after Saturday.

We are so richly blessed. The Lord put His son on this earth knowing the trials and tribulations and torturing he would have to suffer for us. He gladly did that just so we could have a chance to know the truth and have everlasting life.

Glad that Orville Greenhouse is feeling some better. She still doesn't sound to perky. She enjoyed Virginia's visit and appreciated her help. Virginia came down Thurs. and went home Sun. evening.

Virginia enjoyed the Easter service at the First Baptist church.

Leola Stuart had part of her family at her house for Easter dinner. Dale and Barbara Richardson from Elk City, Oklahoma, Marsha Richardson and Iva Richardson from Erick, Oklahoma and Jerry Richardson from Wheeler. Later in the day Barbara's daughter, Krista, and young son, Braedon, stopped by on their way back to Elk City from Colorado. Of course the day wouldn't be complete without several games of dominoes.

Great fun, great food and great visiting.

Sheryl, Katie and Tyler Richardson had taken advantage of the extra days off from school to go visit with Sheryl's family. Hope you had great time and a safe trip.

David and Shellie Manor and boys of Dumas had Easter dinner after church for Iola Moore, Kenneth and Vera Walker and Carolyn Orthman. They had a wonderful afternoon. Shellie really out did herself with all the yummy food. Then they each took a dish.

We didn't get much rain here. But Pampa got plenty damp, but that didn't stop the city-wide Easter Egg Hunt in City Park on Sunday. They had a big turn out.

Dennis and Vanessa Stuart, Braydon and Garrett live at Kyle, Texas. They got over an inch of

rain Sat. The boys were supposed to play baseball Sat. and Mon., but fields were to wet both days.

It was so nice to see one of our local Wheeler County girls honored for all her activities and participation in the Wheeler community. She has made her friends and family very proud and is an excellent role model.

Jack and Berniece Hefley are Heather's grandparents and have been very proud of Heather long before all of this became public.

It's so nice that the Amarillo Globe News and other papers are finally choosing to show some of the good things ours teens are contributing to our communities besides sports. They are our future.

Last Friday several of the community guys with their trailers and their muscles came to help Dale Corcoran move the stuff from storage down to the old school house gym. A couple of the county guys took off the first big load. They all made short work of it. Thanks Guys.

Now Sidney Mahan has his house himself and Gata, the she cat.

They had it all set up to do it the Tuesday it snowed so much, so were glad to get it out of the way.

Glad to hear that Kevin Jones is finally feeling better after having the flu for almost a week. He has just changed jobs and just getting started good.

Kevin, Kandi, Dakota, and Harley Jones hosted the family Easter dinner with Don and Roberta Williamson and Kelli and Kevin mother and step-dad, and Gaylord Thompson after church. They all had gone to church here at the Baptist Church. What a lovely day.

The Williamsons are from Fritch and Kevin's folks are from Sayre, Oklahoma.

Harley Jones and Maggie, Danny and Betty Rogers' granddaughter got to go to the Old Jail Thurs. and hunt Easter Eggs with all their friends and the elementary kids. They had alot of fun. Except poor little Maggie got sick and didn't get to stay for the whole thing.

Hope this finds Barbara Stas much better. Antibiotics just don't agree with her. But she always make sure the paper gets out.

Poor little Sierra Thompson has been in the hospital (BSA) with the Roto-virus for 5 days. But is home and doing some better. Please keep her in your prayers.

Please keep our friends and neighbors in your prayers: Don and Mary Edwards, Earland Mabel Tabor, Davy Gilmer and family, Shelton May and family, Ronnie Hungate and family, Wilhelmina Sherrill, Orville Greenhouse, Lorene Rector, Bill and Patsy Caswell, F Sgt. Jim Kephart and family, Scott Corcoran and family, Dusty Fleming, Matt Ferguson, Mandy Wilson, Carrie and Crystal Pigg, Don Williamson, Sierra Thompson, Louise Shorter, Judy Cloud, Barbara Stas, Dick and Ann Graham, Marvel Graham, Earland and Leola Farris, Gladys Richardson, Tommie Jones, Lindsey Criswell, Verna and Willis Fillingim, and Sidney Mahan.

Have a great week!

Sometimes it is difficult to maintain an optimistic perspective when those around you are making fun of you or deriding the work you are trying to accomplish. In the Old Testament book of Nehemiah, Nehemiah is in a position where he wants to rebuild Jerusalem. Generations earlier their beloved city had been destroyed. It was a humiliating act that has left everyone who could claim a Jewish heritage as depressed. But Nehemiah receives permission from the King to muster up work crews in order to rebuild Jerusalem. It is slow-going, with dangers coming from some who are opposed to this, even to the point where all of the workers must have a sword with them just in case. Certainly there were many moments of discouragement during this major undertaking. One man named Sanballat opposed it and ridiculed those working in Nehemiah

4:2 "What are those feeble Jews doing? Will they restore their wall? Will they offer sacrifices? Will they finish in a day? Can they bring the stones back to life from those heaps of rubble - burned as they are?" In the next verse another voice of discouragement comes from a man named Tobiah: "What they are building - if even a fox climbed up on it, he would break down their wall of stones!"

Many hard-working Jews had to overcome the pessimistic barbs hurled against them during this major renovation. But they persist and the city is eventually rebuilt. By the time chapter 8 is written it is time for a grand homecoming for these people. Everyone shows up for a time of worship and praise. Their optimistic outlook and hard work paid off and they had a glorious day of celebration.

The View of a Southern Woman

... Southern California that is.

Well the animal catcher has been at it again. Glenn Frosty Forrest has been keeping that live trap going each night and he keeps catching skunks. Now that is not the best thing I can think of and the smell is doing me in! The opossum that was today's catch was not too bad and I did not mind the raccoon, but those skunks have to go. I think Glenn needs a new hobby and I cannot wait until the weather gets better so he can go fishing and forget about the problems of this 3 1/2 acre zoo.

Had a wonderful surprise the other day when Sue Chandler came by with her tractor. Brad thinks it is his toy, but I know it is Sue's. Anyway, we now have our garden plowed and I can not thank her enough. She is something else! Both of us are gardeners and I think Brad is probably saying "Oh no" when Sue wants another flower bed. I know Glenn feels that way, but Ruby Craig was nice enough to let me have some plants the other day and the next day I needed them planted. It was cold and windy. A new flower bed was born and a very long one at that. I had some plants there from last year so we just need to dig them up, plow up the soil, put down weed guard, dig holes for the plants, add a banana peel in each hole and some egg shells, plant the plants, put down the mulch and water. Oh yes, we needed to put in a log border around the bed. Did I mention that this bed is about 30 feet long? Do not think Glenn knew it either, but he soon got the idea and I know he would have gone fishing, if it was warmer and we did not have that 25 mile per hour wind. About 4 hours later, we were done and it looks pretty good, but think Glenn would like me to stop with the new flower beds. We will see. Sue said she has some daisies to thin out. Now we have to see what survived the freeze. That is something I never had to think about in California, but here just when you think things are spring like, here comes a freeze, snow or some other weather problem and we are back to square one. Another thing I never had out there was permanent chapped lips. Sometimes I feel that I am keeping the Chapstick Company in business.

We now have a squirrel that almost lives on our patio. He stands on his hind legs and listens to my every word through the glass door. So far he thinks I belong on the inside of that door and he on the outside, but we get along very well so far. If he does not find a nut out there, he will let me know by looking in the window. Think he has me well trained.

This little town seems to be changing since I moved here. There are lots of property and

homes being sold and I have heard that 2 Californians have bought here. We also have a new oil plant of some kind near us and oil rigs everywhere. What next. A Wal-Mart? In your dreams. With love from the California woman ... Betty Boydston.

Country (from Page 5)

We missed you, but it was awfully cold out. I should have stayed in.

Nice to have a visit from Danny Thursday and Friday. He also visited Willis at the Care Center.

Some visiting Ken and Lindsey Criswell to help out were Ken's mom, Barbara Bukemper from Slaton, Ken's step-mom, Lendi Criswell and grandmother, Jo Ellen Criswell from Ida Lou, David and Rita Pearson and Jeanette Jarnigan and Bracken, 8, from Happy. Keep praying for Lindsey and her family.

Ken and Lindsey and boys went to shop at the new Walmart Supercenter in Canyon Saturday and enjoyed the convenience and all. Lindsey is supposed to be walking quite a bit. Keep praying. It was nice to get out of the house.

I had a request for this recipe: Cherry Angel Dessert

1/2 angel food cake, torn in pieces

1 small instant vanilla pudding mixed with 2 1/2 cups milk

1 can cherry pie filling

1-8 oz. Cool Whip, thawed.

Put half of the angel food cake pieces in bottom of container. (I use one gallon size plastic container.) Cover with half the pudding. Then half the cherry pie filling. Then half the whipped topping. Add remainder angel cake pieces. Then remainder pudding and then remainder cherry pie filling with remainder Cool Whip on top. Freeze the other half of angel food cake till needed. Make the dessert a few hours before needed.

Ray and Glenda Hudson went to Canadian Saturday night to a banquet for the National Wild Turkey Federation. They took Eddie and Dana Koch as their guests. Good crowd there. Sunday Hudsons went to church at Gageby and then over to Allison for lunch at Cheryl and Jeff Fraley's to celebrate Steven's 11th birthday. Also there were Sonya Hudson and Patrick.

Ned Burrell enjoyed eating lunch at Maxeys Sunday with granddaughter, Heather, and Scott Schmitt and Ashyton, Chancton, Quinlan and Emmi.

Chuck and Louise Hogan were

eating lunch at Maxeys with Clay and Donna Walsler. Jerry and Donna Jenkins were eating with George Vinson.

Zybach Easter
Bob and Gena Zybach had their family all over for an Easter Celebration on Saturday with decorations emphasizing the resurrection of Jesus. They have the party in their garage. It is roomy and heated and has tables for food with refrigerator and deep freezes. They just clean it out, food and enjoy their time together. Deidre and John Paul Harris and Logan and Breeley Paige from Amarillo, Tracy and Andrea Aldridge and Tanner, Tysen and Tayton, Carissa and Britt McCarter from Canyon, Bevard and Mary Diane Dukes, Wayne and Kathy Zybach, Clay Zybach from Amarillo, Casey and Ben Pigg and Roper from Silverton, Steve and Joy Zybach enjoyed the delicious food and fellowship.

So glad little Breeley got out of the hospital Monday, March 21, and is doing pretty well. Clay Zybach is in training to be a fireman and an E.M.T. Best wishes to all. Everyone helped with the Easter doings. Also had Easter Egg hunt for the young ones.

Wedding—1943
Willis Fillingim and Laverna Evans were married March 25, 1943, in Wheeler at the Methodist Preacher's house. Willis was home on furlough from Camp Adair, Oregon. L. Laverna, was teaching at Briscoe, but got a sub. We went by Briscoe and got my little sister, Mary Ruth Evans, and her boy friend, Jack Riley, to go with us. In June, 1943, I rode the train to Corvallis, Oregon, to be with Willis, leaving from Canadian. We were married 62 years on Friday, March 25, 2005. I have been proud to be Mrs. Willis Fillingim. Fillingims have always been good to me. I love

them like my own family. I am very thankful for our children, grandchildren and great-grandchildren, other relatives and dear friends. God has been so good! We worked hard on the farm, but really enjoyed it. And enjoyed going to Gageby Church over 50 years.

Good to have Dallas and Krystal Fillingim and Keaira come in Friday and visit Willis and me and take me out to supper at Maxeys and a good visit. They will visit Rita and David Pearson over the weekend. So good to see them all. Little Keaira is so sweet. The Wheeler Care residents enjoyed seeing her. Willis was having a good day and really enjoyed seeing them all. Friday was our 62 wedding anniversary. Thank you, to all for the beautiful cards, lovely lilies, fresh bouquet, calls and especially your love and caring. Thanks for coming to see us, grandkids and Danny. Lindsey wanted very much to come, but can't travel for awhile since her surgery. I enjoyed eating lunch at Soto's Saturday with David and Rita Pearson and Dallas, Krystal and Keaira. The kids visited Willis each day.

"Father, I ask you to bless my children, grandchildren, friends and relatives. Show them a new revelation of your love and power. Holy Spirit, I ask you to minister to their spirit at this very moment. Where there is pain, give them your peace and mercy. Where there is self doubt, release a renewed confidence through your grace. In Jesus precious name. Amen."

Josh McElroy has been a medic in Iraq. And he did get to come back to the states as they promised. He wants all who prayed for

him to know he appreciates it very much. Many times he felt God's care surrounding him. Keep praying that all will get back soon. He is in Fort Bragg, North Carolina and sure doesn't want to go back. Praise the Lord Josh got back safely!

The circus had moved into Wheeler this Tuesday morning March 29 and was getting set up. Some animals in view.

When Willa Fillingim went to see Dr. Brooker for a check-up on her hip surgery, she was doing well, but limping. Dr. Brooker put a little something in her shoe that helped her not to limp, and she thought it really helped.

Correction: Katie and Jamey Click and Johae and Jet come to Wheeler Baptist Church. Good to have them.

Ella Mae Wood enjoyed a vacation to Ruidoso with her sisters, Phyllis Helton and JoAnn McWhorter and had a really good time together. They stayed at the Inn of the Mountain Gods.

Psalm 55:22 "Cast thy burden upon the Lord, and he shall sustain thee. He shall never suffer the righteous to be moved."

Visiting Laurel and Ed Hershman a few days is Kay Thompson from Noblesville, Indiana. When the Hershmans work at the Indiana State Fair, Kay drives the shuttle that Laurel takes tickets and tells what is there and what to see. They usually go in August each

year and enjoy seeing people. It pays pretty good, too. The shuttle carries people to different attractions at the large fair.

Earl and Betty Husted were sick Tuesday morning March 29 so Bro. Dennis Williams and wife Emma were to fill in for them. Dennis plays the guitar and they sing really well. So sorry the Hustedes are ill, but know Dennis and Emma will do a great service.

Glad to hear that Tom Helton is doing pretty well. Hello to you, Tom. God bless you!

Some of the Fillingims (Newmans) have started planning the next Fillingim Coker Reunion for early June 2006. Sounds great. Will be at Lake Texhoma with lots of facilities.

Makes me think of how Willa used to go all out to make a great reunion at her place with tanks of water for swimming and playing, animals (snakes, rats, rabbits, coons, possums and others for kids to play with) volleyball courts, scavenger hunts and many other activities. Thanks, Willa. Also, 3 wheelers and lawn mowers to ride on and lots of food. Willa is always thinking of others and doing nice things.

"Oh, how blessed is the promise When our spirit is set free; To be absent from the body Means to live, O Lord, with thee." from Daily Bread

Praise the Lord! Stephanie and Matt Sullivan's new baby is doing well, though tiny, 1 pound 7 oz. at birth, and several weeks premature. Stephanie's blood pressure is slowly coming down and she was dismissed from the hospital. But got to get a room near the neo natal unit so she can walk back and forth to see and be with the baby as much as she wants to and not have to drive. Room is \$25 a night. The baby is so perfect, Leo and Sylvia Shuler went to Oklahoma City after church Sunday morning to get to see their new great-grandbaby. Got to see him and touch him. Keep praying for them all. We are thankful he and Stephanie are both doing well. Praise the Lord!

God be with you till we meet again."
