CWE CHAT WITH EDITOR

By Louis C. Stas

When I make a mistake in the paper, it cannot be denied; it is out there for everyone to see.

Last week I called for the results of the Wheeler/Gruver game. I was told what a thriller it was with double overtime. I understood we lost and reported the loss.

—cwe—
WE WON THE GRUVER GAME! The reported loss last week was not just a typing error, I understood we lost. I am happy to make the correction.

—cwe—
Okay, Mustangs, let's keep up the good work!

—cwe—
Our Cross Country team is racking up some wins in their meets. **Way to go, Cross Country!**

—cwe—
And, we do appreciate the pictures we have been receiving.

I reluctantly went over to the courthouse Wednesday for David Os's political campaign stop in Wheeler County, thinking it would just be a waste of time. He was very informative and backed up his campaign promises by filing them as an affidavit for public record in the Wheeler County Courthouse.

Your political views and how you vote are your business, but he

MOBEETIE NEWS

Please keep our friends and neighbors in your prayers; Don and Mary Edwards, Lonnie and Debbie Hendrix, Andrea Auldridge and family, Peggy Dunn, Leonard and Bertha Hollis, Doyle and Bulah Grimes, Clinton and Maurita Stribling, Bill and Patsy Caswell, Penny Summers, Chuck and Louise Hogan, Virginia Murray, Alvern Hutchison, Gary Morris, Lorene Rector, Orville Greenhouse, Charlie Brown, Earl and Leola Farris, Dick and Ann Graham, Iva Richardson, Dale and Barbara Richardson, Sidney Maham, Mrs. Bulah Stuart, Addie Swift, Chuck Carl, Mandy Wilson, Scott Corcoran and family, Carlos Soto and family, Aaron Hartline and family, Mr. Curtis Hendrix, Jack and Bernice Hefley, Louis and Barbara Stas' brother-in-law, Marsha Richardson, Iona May, Martha Meek, Elva Wood, Louise Shorter, Rev. Tom and Janet Wilson, Jim Batton, Logan LaRue, Shirley and Bill Dyson, Kellie May and Shelton May, Lou Dean Douthit, Walt Musselman and family, the family of Hannah Faye Chapman, the family of Zoah Mae Britton, the family of Pat Joyce, Todd and Ronnie Stuart.

Wow! We sure got a shock with the burst of fall on Sunday and again on Monday. Quite chilly. The thermometer on our porch read 90 on Saturday, so Sundays windy cooling really got our attention. After the wind went down, it was a beautiful fall day.

It was so nice to see Bailey and Taylor McAlpine on Sunday. They were visiting Dad for the weekend and he was escorting them around town to sell candies for their school fund raiser. They are such sweet girls and growing up fast. They like their new teachers and enjoy their friends in Pampa. They reminded me they would be back when they sell the Girl Scout cookies. Thanks girls!! They miss their friends in Mobeetie and really miss getting to see their great-grandparents, Hugh and Mae Bailey, whenever they want.

Sorry that our neighbor, Sidney Maham, has been under the weather again. Just can't gain any strength. He and his orny cat, Gata, are managing though. Sidney is a ham radio operator and enjoys keeping up with the world and all his distant friends. Much more enjoyable than any TV.

Our sympathy goes out to the family and friends of Zoah Mae Britton. She had made many friends in the Wheeler area since moving to the Wheeler Care Center to be closer to her daughter and family. She was a sweet lady and will be greatly missed by many. Her vigil services were at St. Mary's Catholic Church in Wheeler on Sunday night. Mass was held at the Immaculate Heart of Mary Catholic Church in Groom at 1:00 A.M. on Monday with burial at the Groom cemetery. Zoah left behind her loving daughter, Debbie and Buster Haning and grandchildren, Jennifer and Jarrod Haning. This has been a tough year for Debbie and Buster as they have both lost their precious mothers after lengthy illnesses. You are in our prayers.

The area lost another dear friend over the weekend. Hannah Faye Chapman passed away on Saturday. She has had many health problems the last few years. She and her husband, Albert, were one of the first smiling faces we met, when we moved to Wheeler in 1978. She was a busy person and enriched so many lives. She will be greatly missed. She was so pleased to join her sisters at the care center. The "Riley girls" made a big impression on all they met through the years. Her family was her pride and joy, her grandchildren and great-grandchildren, such treasures. She was born and raised in Wheeler County. She attended school in Briscoe and graduated from good ol' Briscoe High School. Hannah Faye was preceded in death by her parents, several brothers and two sisters, along with her son Don, and her husband, Albert. Hannah Faye is survived by two sons and a stepdaughter and their families. Jim and his wife of Hoover, Alabama and Von and his wife, Sindy, of Wheeler, along with stepdaughter, Tootie Nickell and husband, Dossie, of Amarillo. She is also survived by two sisters, Wilma Barker and Minerva "Tommie" Jones both of Wheeler, and a brother, Earl Riley of McLean, along with six grandchildren and eight great-grandchildren. Services for Hannah Faye were held at 10:30 on Tuesday at the First Baptist Church in Wheeler. Her nephew, Rev. Jack Riley, of Iowa Park, Tx did the honors, along with Rev. Dennis Williams. That is so neat. Burial will be at the Wheeler Cemetery.

Our sympathy goes out to the family of Pat Joyce of Amarillo. She passed away on Friday, Sept. 15. She is the grandmother of our niece's husband Jeff Barr. Jeff and Sheri are buying her house in Dumas. Pat had been a longtime resident of Moore County prior to her recent move to Crestview Nursing Center in Amarillo. She was a sweet lady She leaves behind a son, Johnny Bonny and wife, Rose, of Oklahoma City, a daughter, Lynda Barr, of Amarillo, three sisters, and a brother, three grandchildren, ten great-grandchildren and a great-great grandson.

Services were held on Monday at the Boxwell Funeral Chapel in Amarillo at 10:30 A.M. With burial in the Dumas Cemetery at 1:30.

For happier news: Sheryl Estes, daughter of Gordon and Wanda Estes, is one of the final five for the new head coach position for the ladies programs at WTAMU in Canyon. Congratulations Sheryl!! We are rooting for YOU. Would really be great to have you back in Canyon. With all of her achievements and having coached one of the first teams for the National Women's Basketball Association she may be over qualified for the position. Good Luck.

It's good to have Leola Stuart back home. She and Peggy Dunn went to Lawton OK, a week ago on Saturday to have some "Grandma time" with Todd Stuart while Ronnie and Tanya were in St. Louis, MO. They attended a week long conference for The Merry Maids company that they own a franchise of in Lawton. They had a very interesting week. Although Wednesday the company had a banquet for them and the main course was shrimp. Ronnie is highly allergic to shell fish, so they ordered him a separate plate after they got there and found out what the situation was. I guess some one that had helped prepare the banquet had on the same gloves or something when they fixed Ronnie's new plate, because his throat, mouth and forehead and head all broke out with sores and he had a horrible headache.

He started taking his medication as soon as he felt it coming on so prevented the restricted breathing episode. So he had to miss part of the meetings that he really wanted to know more about. Then on the way home he got a migraine. So Sunday was a miserable day for him too. The Grannys and Todd had gotten along very well all week. Then Monday morning Todd got up with one of those horrid migraines and really stuffed up. So I guess the weather changes were taking their toll on Ronnie and Todd. Todd stayed home on Monday from school to take his breathing treatments and try and get rid of the headache. The medication he takes works better if he can sleep a few hours with it. Certainly hope both boys are doing much better. Tanya said they could handle it, so Leola and Peggy came on home on Monday afternoon. Peggy and her golfing buddies were hosting a tournament in Canadian this week so she needed to come on home any way, if she couldn't help there. They had a nice week in Lawton. They had

a very nice time. Jarid was glad to get to come over on Friday evening to visit and have supper with Leola, Peggy and Todd. He left work a little early and made sure to let his co-workers know that he was going to meet two lovely ladies for supper. They all sure did perk up. He fessed up and told them, with a big smile and a lot of pride "they are my grandmothers." Sweet kid!! They let Jarid decide what he wanted for supper since he was coming over. He chose spaghetti and meat sauce. So Grandma Peggy, loves to cook, so she got Jarid all fixed up with a meat sauce. Peggy and Leola make a good team. They had supper ready when he got there so they could visit more. Jarid was sure glad that Granny gets carried away when she cooks. He got to take home some left overs. Todd doesn't care for meat sauce so he was glad that brother would take it off their hands. He loves his spaghetti, just the noodles with butter. Everybody to their own. Glad ya'll had such a good visit. Welcome home.

Belated birthday wishes to Jim Batton and many, many more. He and Kay celebrated by traveling to Mannford, OK, to be with their daughter and family. Jamee and Mark Hamilton, his brothers and their families, Jim Hamilton and Ashlee and Keith Phiefer of Stillwater all gathered at Jamee and Mark's for a delicious fish fry in honor of Jim's birthday. The Hamilton boys are very fortunate to all enjoy each other company and families and all live within about 30 miles of their Dad. They were also preparing for the homecoming game on Friday. Jamee and Mark's daughter, Bethany, was to be crowned homecoming queen. Congratulations Bethany. It was an exciting day for all of them. It was quite an honor and made better by the fact that her boyfriend was crowned homecoming king. They were all excited. An honor court having a boy and girl representing the freshman, sophomore, and junior classes are chosen along with three senior boys and three senior girls. So Friday was a nerve racking day with the election for king and queen and all the usual daily stuff and getting ready for the homecoming game. There for the big game with Bristow were Jamee and Mark Hamilton, Grandpa, Jim Hamilton, of Mannford, Grandparents, Jim and Kay Batton, of Mobeetie, TX., Uncle Bobby and Aunt Trish and family, Uncle Jamie and Aunt Lisa and family, Trish's parents also attended, along with Bethany's sister and husband, Ashlee and Keith Phiefer. The crowning was very memorable. It was a wonderful evening. Mannford won the homecoming game so the evening was complete. The whole family had a wonderful time together and are

Some good questions to consider. The original author of these questions is unknown.

What if God could not take the time to bless us today because we could not take the time to thank Him yesterday?

What if God decided to stop leading us tomorrow because we did not follow Him today?

What if we never saw another flower bloom because we grumbled when God sent the rain?

What if God did not walk with us today because we failed to recognize it as His day?

What if God took away the Bible tomorrow because we would not read it today?

What if God did not send His only begotten Son because He wanted us to be prepared to pay the price for sin?

What if the door of the church were closed because we did not open the door of our heart?

What if God stopped loving and caring for us because we failed to love and care for others?

What if God would not hear us today because we would not listen to Him?

What if God answered our prayers the way we answer His call to service?

What if God met our needs the way we give Him our lives?

Hebrews 13: 20,21: And now may the God of peace, who brought again from the dead our Lord Jesus, equip you with all you need for doing his will. May He produce in you, through the power of Jesus Christ, all that is pleasing to Him.

Jesus is the great Shepherd of the sheep by an everlasting covenant, signed with His blood. To Him be glory forever and ever, Amen."

Seek ye the Lord while he may be found, call ye upon him while he is near: Let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon. For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts. For as the rain cometh down, and the snow from heaven, and returneth not thither, but watereth the earth, and maketh it bring forth and bud, that it may give seed to the sower, and bread to the eater: So shall my word be that goeth forth out of my mouth; it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it. For ye shall go out with joy, and be led forth with peace: the mountains and the hills shall break forth before you into singing, and all the trees of the field shall clap their hands. Instead of the thorn shall come up the fir tree, and instead of the brier shall come up the myrtle tree: and it shall be to the Lord for a name, for an everlasting sign that shall not be cut off. Isaiah 55: 6-13

Finally, my brethren, be strong in the Lord, and in the power of his might. Put on the whole armour of God, that he may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; And your feet shod with the preparation of the gospel of peace; Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked. And take the helmet of salvation, and the sword of the Spirit, which is the word of God: Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints. Ephesians 6: 10-18

Paul Harvey reported that United States Toll Roads are being sold to corporations in foreign countries. Why is anything in the United States being sold to foreign countries?

State Attorney General Candidate Visits Wheeler County Sept. 13

David Van Os, candidate for the office of Texas State Attorney General on the Democratic ticket, visited Wheeler on Wednesday, September 13, 2006. Instead of using

the telephone to raise money and gain support for his campaign, Os pledged to visit each of the 254 counties in Texas. In each of the counties visited,

CANDIDATE VISITS: It is not often a candidate for state office visits Wheeler in his election campaign David Van Os, candidate for State Attorney General came to Wheeler on Wednesday, Sept. 13. Van Os is shown here filing an affidavit in the Wheeler County Clerk's office. The affidavit lists his campaign promises and puts these promises of record so he can be held accountable, if he is elected. County Clerk Margaret Dorman looks over the affidavit before it is filed. The affidavit is printed in full elsewhere in this issue of the Times.

FELLOW DEMOCRATS: David Van Os, Democratic candidate for State Attorney General, is shown here shaking hands with Wheeler County Judge Jerry Hefley. Wheeler County is stop number 183 in Os's visits to each county in the state.

Os has filed an affidavit, putting of record his campaign promises, so the people can hold him accountable, if he is elected.

Os promises to use every legal means available to him to bring the "Trans-Texas Corridor" to a halt. Not widely known to the public is the fact that the owners and operators of the toll road will be Spanish Corporations. When the trans-continental road is completed, it will reach from Mexico to Canada, roughly following I-35, and the "point of entry" into the United States will be in Kansas City.

Monopolies are also at the top of Os's list and he will protect "democracy and free enterprise from being devoured by the greed of runaway corporate monopolies".

The following is a copy of the affidavit filed by Os with the Wheeler County Clerk:

State of Texas
County of Wheeler
AFFIDAVIT FOR PUBLIC RECORD

"I, David Van Os, a resident and citizen of Texas, and nominee for the office of Attorney General of the State of Texas, hereby declare to my fellow Texans and solemnly affirm the following promises:

"Article 4, Section 22 of the Texas Constitution places on the Attorney General the duty on behalf of the people to prevent and restrain any private corporation from demanding or collecting any species of toll not authorized by law.

"Therefore, if elected to serve as Attorney General of Texas, I solemnly promise that I will use every legal means available to me by that office to bring to a halt and/or invalidate the unconstitutional and illegal project known as the "Trans-Texas Corridor."

"I further solemnly promise that I will use every legal means available to me by that office to oppose and/or invalidate any agreement or compact entered into by any state official of Texas with any foreign nation or state in violation of Article I, Section 10 of the United States Constitution.

"I further solemnly promise that I will use every legal means available to me by that office to uphold and enforce the fundamental prin-

ciple that public authority should never be used for special private gain.

"I further solemnly promise that I will uphold and enforce through every legal means available to me by that office every enumerated right and liberty of the Bills of Rights of the United States and Texas Constitutions, including by way of example but not limited to, the First, Second, Fourth, Fifth, Sixth and Ninth Amendments of the United States Constitution.

"By further way of example, I solemnly promise that I will use every legal means available to me by that office to uphold and enforce the guarantee of Article 1, Section 26 of the Texas Constitution that monopolies are contrary to the genius of free government and shall never be allowed, and that I will protect democracy and free enterprise from being devoured by the greed of runaway corporate monopolies.

"By further way of example, I solemnly promise that, in recognition of the fundamental principle that the people are the masters and government the servant, I will use every legal means available to me by that office to prevent and/or invalidate unconstitutional intrusions upon the integrity and sovereignty of the individual and private property.

"I further solemnly promise that I shall treat the office of Attorney General of Texas as exclusively the property of the people of Texas, which I shall hold in trust exclusively for the benefit of the public and never as my personal domain or tool of personal advancement or profit, for so long as the people may choose to entrust it to me."

David Van Os
