## CWE CHAT WITH EDITOR

By Louis C. Stas

We hope each of you had a very Merry Christmas with family and friends.

—CWE—

At this writing our plans are still at plans. We are scheduled to travel to OKC to be with the family for the weekend.

—CWE—

As soon as the Christmas Edition of the paper was finished, we started on this edition and sent it to press on Thursday.

—CWE—

Cathi and Dorcie are scheduled to arrive after Christmas

—CWE—

With Christmas falling on Monday, there would be very little time to get items and advertising together.

—CWE—

This issue of the Times has what may be the possible final plans for the new Agricultural Activity Center. You will notice it has been made smaller and moved to the north. The Wheeler Library room was removed.

—CWE—

Donations are being sought for both the Activities Center and Sun Room at the Wheeler Cemetery. These are both worthy causes and much needed.

—CWE—

Wheeler's official rainfall for the 'winter storm' last week was 2.25". We were fortunate that the ice was only on the trees and the snow never arrived.

—CWE—

2007 is the year of Wheeler School's 100th Birthday. This will be celebrated with the School Reunion in June. Addresses are being updated, so if you have moved or changed addresses in the past 18 months, please notify Donna Velasquez.

Wheeler Area Activities Improvement Council, Inc (WAAIC) announced their goals and funding progress to date.

The new Agricultural Activities Center will be located in front of and to the North of the existing Wheeler County Show Barn. Some of the items planned for the new center include:

1. A multipurpose kitchen facility, to be used as a warming kitchen by the caterer's and a Family & Consumer Sciences kitchen.
  2. A small meeting room that will accommodate 30 to 40 people at a dinner that would be adjacent to the kitchen and would serve as a serving area for large functions, a meeting area for Senior Citizens, Family Reunions, Quilting Classes, and as Community Storm Shelter.
  3. A large meeting area that will accommodate 350 people at a sit down banquet or 500 people seated in auditorium fashion. The large meeting area would also have an elevated stage to be used as a speaker or head table and could be used for band performances, blue grass musicals, gospel quartets or other functions.
  4. Rest room facilities to accommodate small or large crowds.
  5. Wheeler Texas Cooperative Extension offices, including Agriculture and Family & Consumer Sciences.
  6. Paved parking lot and landscaping for the whole area.

## Driving Skills Earn Employees Awards

The Texas Department of Transportation (TxDOT) recently sponsored the annual Truck Rodeo at the Childress Airport. TxDOT drivers participate in an obstacle course as part of their fleet safety training. This simulates situation encountered during a normal workday.

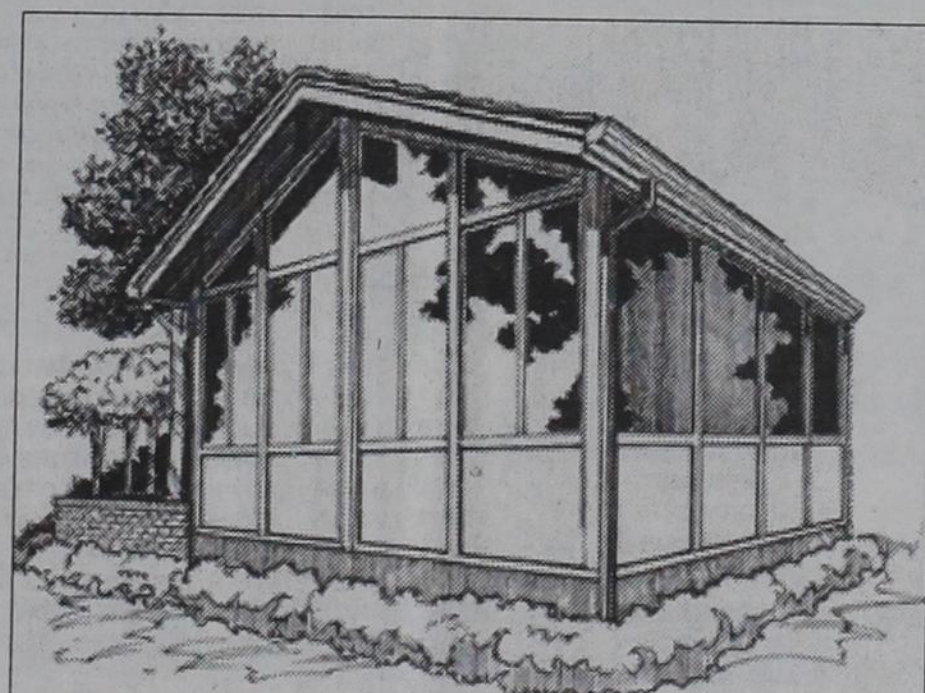

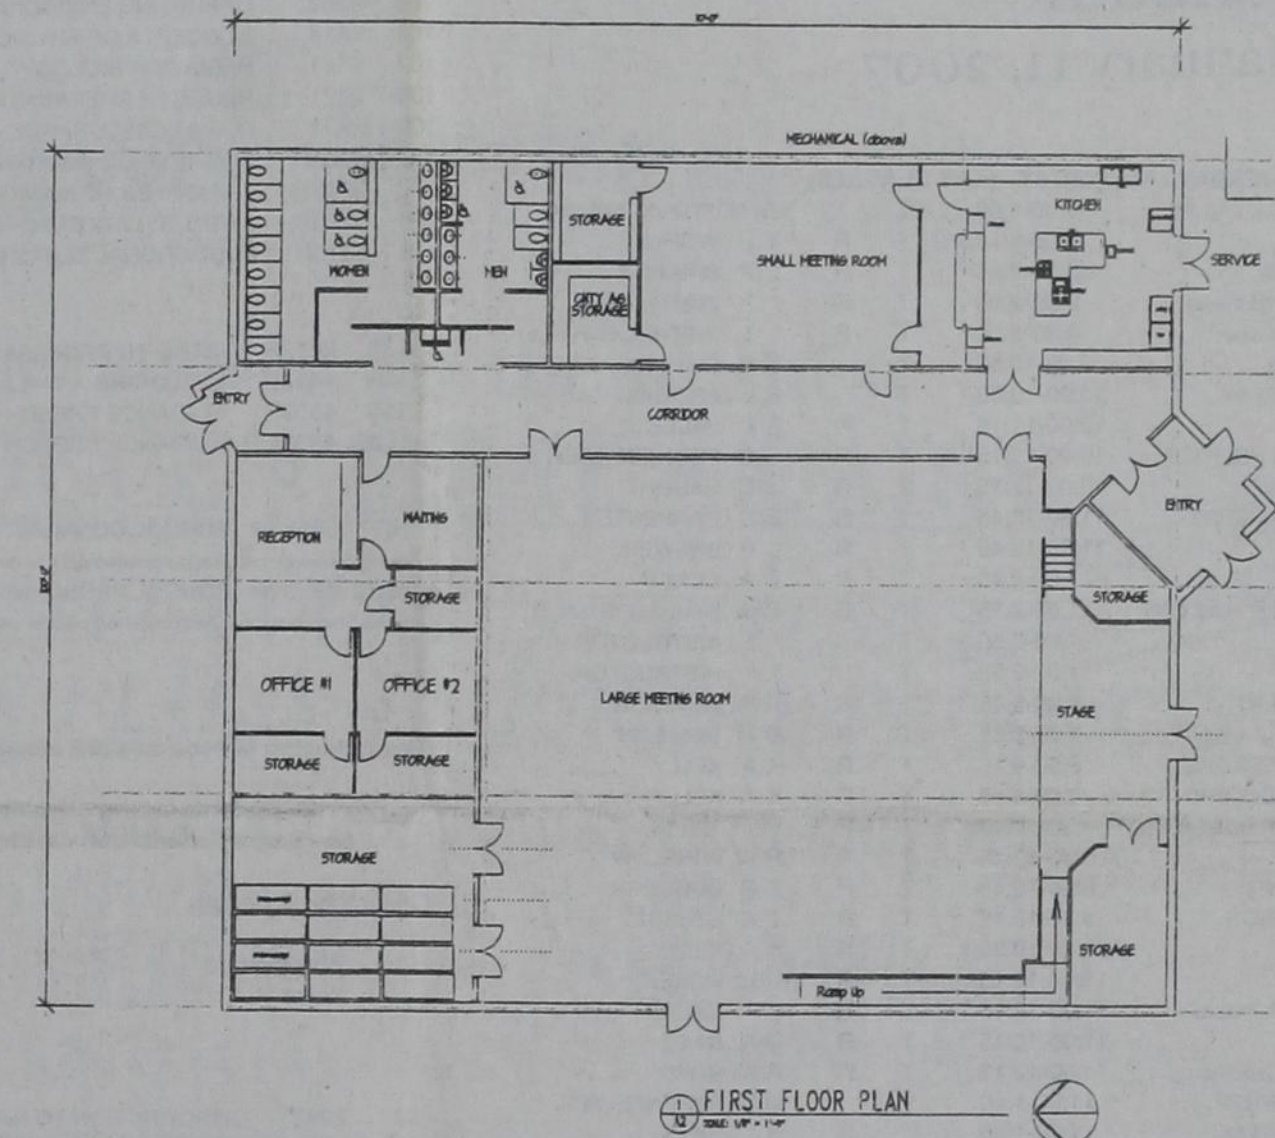

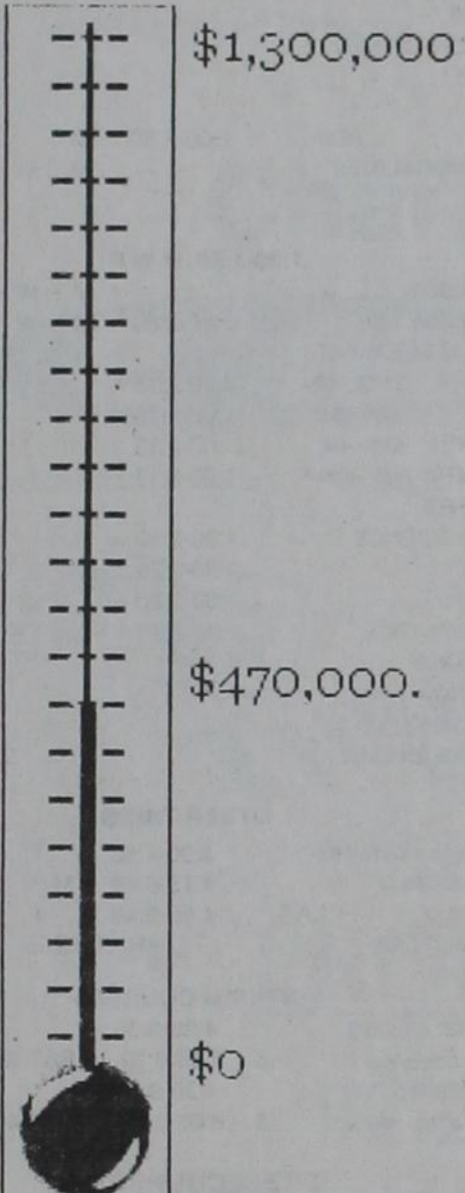

The driver with the top score in each work group was eligible to compete in the finals, as well as the additional high scoring individuals.

Bradon Porter, Wheeler County TxDOT employee, was the high scoring individual for his section and competed in the district rodeo finals.

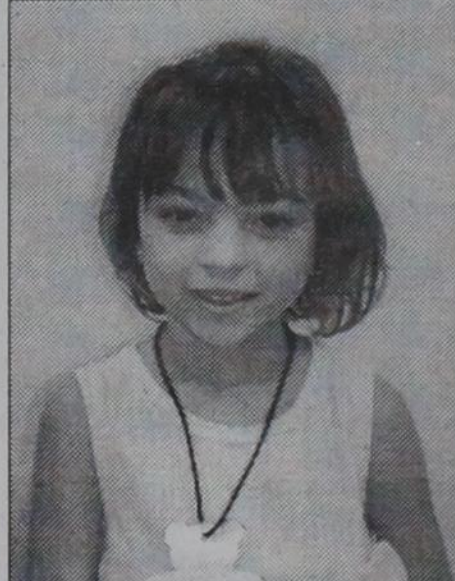

Barry Smith and Lonnie Guerrero, Cottle County Maintenance came away with the top two highest scores and earned the right to compete in the State Rodeo Finals in San Antonio. At the State Rodeo, Barry scored 280 and Lonnie scored 300 out of a possible 350.

Wheeler County employees along with approximately 195 other Childress District employees were honored at the Annual TxDOT Safety Awards Banquet on November 17th. Awards were given not only for outstanding safe driving, but for their safe work records as well.

## Wheeler Church of Christ

An interesting observation of a 2006 calendar is that the first day of the year was a Sunday ... and the last day of the year is also a Sunday. As a preacher, I find this to be a privilege. I can think of no better way to bring in the year than with a sermon, and no better way to leave the year than with a sermon. Back on January 1st, the sermon I preached here in Wheeler was about how everything is new and fresh. Our slates are blank and we are ready for whatever comes our way. The same is also true with God, whose blessings are new and fresh every morning (Lamentations 3:23). I haven't finished writing the last sermon of the year yet, but I have several choices. I could talk about things related to the end, capitalizing on it being the end of the year: eternal life, heaven, Judgment Day, the book of Revelation, things related to wisdom

in older age. Or, I could talk about the many good things that happened this year for us, a reflection back on this past year: tremendous guest speakers, moving ahead with the Biblical desire for having elders and deacons in the Lord's church, remembering the loved ones we have had to say good-bye to (some who moved away and others who passed away), stepping up our missions work, the advancement with our youth program. God has blessed us every step of the way. Yes, there were some things that happened in 2006 that we are probably very ready to have put behind us, but if we really stop to think about it, we can see so many beautiful things. Let's choose to have an optimistic look back on the previous year, and an optimistic outlook for a great 2007. Have a great New Year!
