THE COUNTY SEAT NEWSPAPER

New County Officers Take Places Tuesday

Incoming Officials Receive Oath of Office and Assume Duties This Week

Tuesday, Jan. 1, marked a considerable change in the official family at the court house when some eight new executives of county affairs assumed their duties. The county commissioners administered the oath to the incoming officials.

Raymond Waters took over the duties of sheriff, succeeding John Porter. Waters has announced appointment of only one deputy thus far, Walter Davis of Shamrock, who has occupied the post heretofore.

W. O. Puett is now county judge and member of the commissioner's court, succeeding W. M. McMurry, who has moved to his farm near Shamrock.

Holt Green is the new district clerk, replacing Blanche Adams, who has purchased the retail merchants credit association business in Shamrock.

Clyde Fillmore, re-elected county attorney, continues in that post.

Dick Craig, new county clerk, has retained Miss Wanda Taylor and Miss Florence Merriman as assistants. C. J. Meek, former county clerk, will devote his attention to the Title Abstract company, which he established some months ago.

John Templeton, re-elected to the combined office of tax assessor and collector, has chosen Terrell Gunter as deputy, with Misses Berga Goad and Doris Hooker, assistants.

Miss Hattie Womack, re-elected, continues in the office of treasurer. B. T. Rucker, successor to O. B. Miller as superintendent of schools, has selected A. C. Wood as his helper.

J. D. Merriman, veteran surveyor, was re-elected.

Besides Judge Puett, the commissioner's court is composed of three new members, W. W. Adams, precinct 1; Jim Trout, precinct 2, and R. W. Griswold, precinct 3, together with G. W. Hefley, precinct 4, who was re-elected.

B. B. Walker took office as justice of the peace in precinct 4 and D. A. Hunt continued as justice in precinct 1. Dempse Bulls is constable in precinct 4 and Lee McBee in precinct 1.

Bill Perrin Buys City Tailor Shop

Completion of the transaction late today transferred ownership of the City Tailor shop to Bill Perrin from L. B. Abbott, who has operated the business here about two and a half years. Approximately two years ago Perrin associated himself with the enterprise. During this time he has made a wide acquaintance throughout Wheeler and the northern part of the county.

It is stated by the new owner that some improvements and additions will be made in the near future. One of the most important, perhaps, will be immediate installation of complete cleaning equipment. Heretofore the plant has had to have the major part of its cleaning operations done out of town. With contemplated improvements, the shop will be a complete unit, handling all phases of the work. It will be continued in the present location, one door east of Puckett's grocery.

Abbott will remain here the balance of the week to assist with the work. It is reported that he expects to take over a similar industry in Shamrock at an early date.

Fellow business men in Wheeler will welcome the addition of Perrin to the list of proprietors in the city and will no doubt extend congratulations and well wishes upon his new venture.

MRS. JOSS IS HOSTESS TO LONDON BRIDGE CLUB

Mrs. W. I. Joss was a charming hostess Thursday afternoon, Dec. 27, to the London Bridge club and a number of friends at her home. Five tables of bridge were played with travelers award presented to Mrs. Deward Wofford. An unique feature of the entertainment was a broadcast over station T.Y.M.E., frequency of 1934 kilocycles, and reading the new year's resolutions of those present.

They were Misses Jacqueline McCrohan, Helen Gilmore, Kathryn Bowers, Marilyn Wiley, Elizabeth Joss, Mesdames Melvin Howe, Cora Hall, R. D. Holt, G. O. McCrohan, J. L. Gilmore, Deward Wofford, Don Fisher, Robert Bowers, J. M. Lawrence, R. E. Brazil, Ed Watson, O. B. Miller, Tom Britt, Roy Puckett and Buck Britt.

Lovely refreshments were served by the hostess.

POPULAR WHEELER COUPLE WED AT SHAMROCK SUNDAY

Miss Bonnie Rice, daughter of Mr. and Mrs. E. F. Rice of Myrtle, and Mr. Lloyd Bolton, son of Mr. and Mrs. G. A. Bolton of Wheeler, were married Sunday, Dec. 30, at Shamrock by Rev. C. E. Jameson at the Methodist parsonage in the presence of Miss Nettie V. Jamison and Derwood Lewis of Wheeler.

Mrs. Bolton has made many friends in Wheeler since she moved here from Meridian, Okla., where she attended high school and graduated in 1933.

Mr. Bolton is well known here and is popular among the younger set. He attended both grade and high school in Wheeler, graduating with the spring class of 1932, and attended Amarillo business college last year.

The happy couple will make their home on the G. A. Bolton farm, south of Wheeler.

Allison Girl Sextet Crowd Conlens Close

State Champs Win Two Cagers With Narrow Margins—Boy Cagers Win Over Sayre

The following interesting account of a series of matched basketball games, played at Allison, Friday and Saturday evenings, was written for The Times by L. E. Stith, superintendent of the Allison schools.

The strong Conlen Lassies, winners of last year's state AAU of Texas, met the Allison sextet in a two-game series last week end.

Some of the Conlen girls are now in other schools and colleges, but still maintain their old organization. One of these players, Virginia Patterson, twice All-American, is now a teacher and gave a good account of herself as a guard.

The game Friday night started off with a bang. The Allison girls showed up very good against the Champs and were in the lead all the first half. There was a difference of one point when the last half began and the Conlen Lassies soon made this lead in their favor. The game was not as close the last half as the first, for the Champs seemed to get the ball started and dropped it through the basket enough times to win the game by seven points, the final score being 20 to 27 in favor of the Conlen team.

To offset the girls' game, Coach Peeples matched the Sayre boys' team to play a two-game series on the week end. Owing to the fact that the Pampa Harvesters defeated the Sayre team only two points, a great game was looked forward to by the fans.

The game started with both teams on their toes; everyone seemed to sense that a battle was in the air. The Allison quintet took the lead right after the starting whistle and held it all the way until in the last quarter, when the game became tied. The last quarter was played and the score remained a tie at the end of that period. This called for more time; it was agreed to play three minutes and in this time both teams became very wild. Sayre made a foul and the Allison forward, Joe Hays, made good the throw. This untied the game, but immediately afterwards a foul was made by one of the Allison players and the Sayre player failed to make the count. The game ended soon after that with the final score of 18 to 19 in Allison's favor.

The second game with Conlen was somewhat different from the first. The Conlen Lassies started the game with much speed and led the Allison sextet all the way. The game was well played, except that Wesson, a first string guard, fouled out in the first quarter. This was a handicap to the Allison girls. A substitute guard held the Lassies down very well and the Allison girls rallied in the last half and gained several points on the Champs, but the whistle caught them 11 points behind and the game ended 34 to 23 in favor of Conlen.

The second game with the Sayre Eagles was not as exciting as the first, for the Allison quintet took the lead and held it throughout the game. Two of the first stringers of Allison, Garner and Jones, fouled out in the fourth quarter with just a few minutes to play. The Sayre team was a fast one and handled the ball very nicely. The game ended with Allison six points in the lead to win the second game. The final score was 25 to 19 in favor of Allison.

CLOSES BEER PARLOR

John Conner, who has been operating a beer parlor on the north side, announced this week that he had closed the place until a later date. His present plans are to reopen about May 1.

Pioneer County Lady Succumbs Tuesday

Mrs. E. V. Maloy, Living Near This City, Passes Away After Extended Illness

Mrs. E. V. Maloy, 72, a pioneer of Wheeler county, passed away Tuesday afternoon at her farm home, north of Wheeler, following a long illness. She had been confined to her bed for several months, suffering from heart disease and kidney trouble, and had been in ill health for several years.

During her long and useful life, Mrs. Maloy was ever patient and cheerful, striving to bring contentment and happiness to friends and neighbors, whom she was always ready to help in every way she could. Even during her illness, she was mindful of others and wished to minister to those in need. She will be missed by a host of friends outside the immediate family who had learned to know her kindly helpfulness and interest in those about her.

Lucinda Isabell Lowe was born April 2, 1862, in Tallapoosa county, Alabama, and died Jan. 1, 1935, near Wheeler, Texas, at the age of 72 years and nine months.

When only seven years old she moved to Texas with her parents. On Nov. 2, 1876, she was married to E. V. Maloy and to this union six children were born; five girls and one boy. Two daughters, Mrs. Ella Patrick, 37 years old, and Iva May, 3 years, preceded their mother in death. She was a member of the Methodist church until she was 34 years old, when she united with the Baptist church, where she remained a loyal member until death.

Mrs. Maloy is survived by her faithful husband and four children; Mrs. Allie Green, J. I. Maloy, Wheeler; Mrs. Minnie Holcomb, Nevada, Mo., and Mrs. Jewel McGaugh, Elk City, Okla. Also surviving are 12 grandchildren, six great-grandchildren, two sisters and one brother, Mrs. Ira Boswell, Cumby; Mrs. A. Bramelow, California, and Joe Lowe, Campbell, and a host of relatives and friends.

Funeral services were conducted Tuesday afternoon at the Baptist church by Rev. A. C. Wood, assisted by Rev. J. Edmund Kirby. Miss Jaunita Maloy sang "Never Grow Old," accompanied by Mrs. Mack Scott.

Interment was made in the Wheeler cemetery.

County Veterans Pay Would Total Big Sum

Approximately Quarter of a Million Dollars Needed to Settle Account in Full

According to figures supplied this office by Van W. Stewart, commander of the American Legion, 18th district of Texas and Perryton newspaper man, if the adjusted service certificates were paid in full at this time, World War veterans residing in Wheeler county would receive a total of \$229,871.79.

The Times is likewise indebted to Stewart for the Legion picture and platform of objectives enunciated by the American Legion through its national commander, Frank N. Belgrano, jr., which will be found on another page. A careful reading of this platform is well worth the time of every American citizen.

The very first proposition, immediate payment of the adjusted service certificates, bids fair to start one of the major battles of the new congress. Notwithstanding the president's declared opposition to such action, the veteran's organization has expressed its determination to press a vigorous fight to obtain payment of the claim.

West Post No. 138, Wheeler, boasts an organization interest and membership record equalled by few similar groups in the Panhandle, or even the state, size of territory considered. The post has reached its membership quota with ease, having a surplus of one to spare. However, officers and members plan to continue efforts to enlist every eligible ex-service man in the area.

CCC ENLISTMENTS TO CLOSE SATURDAY

Announcing Saturday evening of this week as the closing date for CCC enlistments, W. Veale, county relief administrator asks that all eligible boys who wish to enroll should apply at his office here either tomorrow or Saturday. Those who enlist must be in Amarillo at 8 o'clock, Monday morning, Jan. 7.

County Club Folk Enter Two Contests

Home Demonstration Women and 4-H Girls in Bedroom and Food Supply

Twelve 4-H club girls and 14 home demonstration women are entering the bedroom contest, a new demonstration that is being carried this year in club work in Wheeler county. The contest began in November, directly after the bedrooms were scored and will close in May, announces Miss Viola Jones, home demonstration agent.

Purpose of the demonstration is to encourage interest in bedrooms which will adequately meet the needs of the family from the standpoint of health, comfort and beauty. Rooms will be judged on sanitation, lighting, interior finish, furnishing, storage for clothing, general appearances and suitability of room to particular individual.

"Do not think that your bedroom could not be improved," said Miss Berniece Claytor, home improvement specialist, who continued, "most bedrooms could be helped a lot with a few wise strokes with a hammer and some nails."

Those entering the 4-H bedroom contest are: L'Ombre Brazil, Wheeler; Dora Goodnight, Mobeetie; Syble Cook, Dixon; Bonnie Reeves, Dixon; Novella Eullion, Lela; Mattie V. Cody, Plainview; Josie Lee Lane, Heald; Vesta Holland, Twitty; Mary Margaret McCarroll, Briscoe; Joy Bill Riley, Briscoe, and Gertie Watkins, Mt. View.

Home Demonstration women entering the contest are: Mrs. N. J. Tyson, Mobeetie; Floy Mixon, Davis; Mrs. Mont Tipps, Briscoe; Mrs. Jewell Sheaffer, Twitty; Mrs. T. P. Patterson, Kelton; Mrs. George Renaud, Heald; Mrs. J. E. Willard, Busy Bee; Mrs. Theo Scott, Ramsdell; Mrs. Glen King, Magic City; Mrs. Zoe Collinsworth, Bethel; Mrs. Paul Macina, Paken; Granny Pike, China Flat; Mrs. Howard Leake, Shamrock; Miss Audrey Kiker, Allison.

The farm food supply and food preservation demonstration will be carried in Wheeler county again in 1935. Eleven 4-H girls and 12 home demonstration women have announced a desire to enter the contest this year.

In order that their families may have an adequate diet the year round, home demonstration women and 4-H girls are encouraged to can a sufficient supply of as many varieties of foods as possible. Not only does this demonstration sponsor adequate canning, but it encourages the storing of fresh products and the better arrangement of pantries.

Home demonstration club members taking the demonstration are: Mrs. M. N. Bradstreet, Kelton; Mrs. Charley Mixon, Davis; Mrs. Hershel Glass, Allison; Mrs. C. W. Sheaffer, Twitty; Mrs. Dunlap, Bethel; Mrs. John McCarroll, Briscoe; Mrs. Clara Blair, Heald; Mrs. T. H. Blue, Paken; Mrs. Gladys Herd, Busy Bee; Mrs. John Grogan, Ramsdell; Mrs. Viola Simms, Mobeetie; Mrs. T. C. Harless, Magic City.

4-H club entrants are: Elsie Newkirk, Wheeler; Cleval Layman, Mobeetie; Bonnie Reeves, Mobeetie; Lovella Price, Lela; Doris Mayfield, Lela; Mary G. Attaway, Plainview; Callie Lee Dougherty, Heald; Nova Braxton, Twitty; Faerine Newberry, Allison; Winifred Barnes, Briscoe; Estelle Seitz, Mt. View.

Hite Baby Dies Saturday Evening

Meta Belle, 20-months-old daughter of Mr. and Mrs. G. Bruce Hite, passed away Saturday evening following an attack of the flu. About the third day double pneumonia developed, from which she never recovered. Her illness only lasted 12 days.

Meta Belle was born April 20, 1933, at Wellington, Texas, and died Dec. 29, 1934 at Wheeler, at the age of one year, eight months and nine days.

She is survived by her parents and three brothers, Billie Joe, Walter Bruce and Guthrie Lee, and grandparents, Mr. and Mrs. W. W. Perrin of Wheeler, and G. N. Hite of Wellington, and a number of other relatives.

Funeral services were conducted Sunday, Dec. 30, at the Methodist church at Wellington, by the pastor Rev. T. M. Johnston, with interment in the Wellington cemetery.

Mr. and Mrs. H. M. Wiley motored to Dallas Tuesday on business. Their daughter and son, Miss Marilyn and Max, who had spent the holiday vacation here, accompanied their parents to Denton and Austin to continue their college work.

LOCAL PARTIES CHARGED WITH THEFT OF HARNESS

The sheriff's force and local constables today arrested Jack Pritchard and Buford Brigman, who are charged with the theft of a quantity of harness from J. H. Barker, who has been living on a farm four miles south of town. It is alleged that the incident occurred during Barker's absence while moving to a farm near Mobeetie.

The harness had been concealed in a patch of shinnery, where the officers discovered it.

Pritchard, charged with burglary, has been remanded to jail under a \$2,000 bond. His case will be heard in district court. Brigman, a minor, has been released on a \$500 bond to answer to county court as a delinquent minor.

Two Club Projects As Majors End This Year

Clothing and Wardrobe Principles Will Be Kept Alive by Older Members

Discussing county club work and various demonstration projects this week, Miss Viola Jones, home demonstration agent, declared 1935 will be the last year for Wheeler county to use clothing and wardrobe demonstrations as a major demonstration, though the principles will be stressed from year to year, with the greater responsibility falling upon the old demonstrators to keep the project alive.

The following will be demonstrators in class I: Mrs. C. E. Caskey, Kelton; Mrs. Joe Anderson, Davis; Mrs. Mona Bean, Allison; Mrs. F. G. Dorsey, Magic City; Mrs. G. L. Braxton, Twitty; Mrs. Burley Morgan, Bethel; Mrs. Irene Zybach, Briscoe; Mrs. Woody Green, Heald; Mrs. Sidney Johnson, Lela; Miss Louise Risian, Paken; Mrs. Gordon Roper, Busy Bee; Mrs. Janice Grogan, Ramsdell.

Class II demonstrators are: Mrs. Henry Pitcock, Kelton; Mrs. Mary Wright, Davis; Mrs. Dudley McMillan, Allison; Mrs. Frank Westmoreland, Twitty; Mrs. Lena Harvey, Bethel; Mrs. S. N. Oates, Briscoe; Mrs. Jack Bailey, Heald; Mrs. Ruby Johnson, Lela; Miss Christine Paken; Paken, Mrs. Bryan Johnson, Busy Bee; Mrs. Bryan Witt, Wheeler; Mrs. J. F. Reynolds, China Flat.

WHEELER COUNTIANS LEAVE FOR VISIT IN CALIFORNIA

Mr. and Mrs. G. C. Wilkinson of Wheeler, and son and wife, Mr. and Mrs. Alton Wilkinson of Briscoe, left Wednesday on a month's motor trip to Los Angeles, Calif., where they will visit their daughters and sisters, Mrs. Clem Hyatt and husband, Mrs. Alma Malroy, and two sisters of Mrs. Alton Wilkinson, Mrs. Roy Elwell and Mrs. Ralph Criswell. They expected to return home through Idaho and visit another daughter of the senior Wilkinson's, Mrs. Sam Turner and Mr. Turner.

GIVE PARTY FOR COLLEGE STUDENTS AND FRIENDS

Mr. and Mrs. H. M. Wiley gave a party at the Legion hall Friday evening, Dec. 28, for college students, at home for the holidays, and their friends. During the social hour a number of games, including 42 and beano, were played.

Delicious refreshments of punch and wafers were served to the following guests: Wendell and Joe Field Meek, Walter and Winona Adams, Florence and Wayland Merriman, Harold Nicholson, Jacqueline McCrohan, Annie Mae Green, Anna Mae Puett, Tom Wood, Grainger and Mary Lou McIlhany, Virginia Harvey of Shamrock, Kilborn and Kathryn Bowers, Marjery Lyle, John Ficke, Bessie May and Marguerite Ficke, Demaris Holt, Nerine Young, Helen Gilmore, Bill Miller, Charles Hix, Texas Miller, Lindsey McCasland, Max and Paul Wiley, Marilyn and Martha Alice Wiley, and the host and hostess. Guests then went to the rink, where they enjoyed a skate and were served popcorn and candy.

PEOPLE'S STORE STAGING SALE

Always hailed by the public as a shopping event of importance, readers of The Times will be interested in the double-page adv. in this issue announcing a clearance sale at the People's store, Wheeler. Don Fisher, proprietor, states that he has a group of choice offerings this time at attractive prices, and with the assistance of his sales force, will be prepared to accommodate the large number of customers expected to visit the store, beginning tomorrow, Friday morning.

County Court Opens Session Next Monday

Two-weeks Term Will Have Rather Light Docket—Jury List Announced

Starting Monday, Jan. 7, the January term of Wheeler county court will begin a two weeks session. From present indications, a rather light docket will come before the tribunal. Recent cases are said to be few in number, although a few old ones may be brought up for consideration. County Judge W. O. Puett will occupy the bench.

The following list of jurors has been obtained from County Clerk Craig's office.

First week: Joe Hyatt, Marl Jaco, C. C. Curlee, Frank Lee, W. D. Harris, Earl Wofford, Bronson Green, G. M. Seago, Roy Brown, Frank Buchanan, Glenn Williams, Lee Guthrie, Al Watson, E. B. Ware, V. C. Clay, J. W. Rogers, B. F. Meadows, Alex Harvey.

Second week: Jess Hicks, Bill Perrin, Roy Puckett, H. E. Cole, Leslie Womack, W. A. Scribner, John Dunn, L. W. Sullivan, Roman Pugh, C. F. Hunter, C. W. Whiteley, Willard Godwin, D. I. Isaacs, J. W. Gordon, Emil Seidig, A. M. Galmer, H. B. Patterson, W. H. Sewell.

COUNTY SEWING ROOMS NEW RELIEF PROJECTS

Material is expected this week to establish and open a relief project sewing room in Shamrock within the next few days. Application was made some time ago for sewing rooms at Shamrock, Wheeler and Mobeetie, but up until late today approval of only the one for the south part of the county had been received. However, W. Veale, county relief administrator, believes the other two applications will soon be approved. All interested parties in the southern area of Wheeler county may obtain further information Monday at the sewing room location in the rear of the building in Shamrock where the relief office is located.

No supervision of the project, even after the other two rooms are opened, will be provided except from relief rolls, Veale stated. It was learned today that Mrs. C. B. Witt, who has been county supervisor of canning projects for several months, this week tendered her resignation, which has been accepted.

Local Cannery Needs Supplies

Declaring that since the relief cannery closed some time ago in Shamrock, efforts to keep a supply of products on hand to operate the Wheeler plant have met with moderate success, W. Veale, county administrator, says it is imperative that further supplies be immediately forthcoming in order to keep the local plant open, even part time.

Veale requests all parties who have products they want canned to contact his office in Wheeler as quickly as possible. Unless supplies are available, the plant will be closed very soon.

SPECIAL MASONIC MEETING SCHEDULED FRIDAY NIGHT

According to Harry Garrison, master of the local Masonic lodge, a special meeting of the order will be convened at the hall tomorrow (Friday) night. While the communication is specifically for members of Wheeler lodge, visiting and sojourning brethren are welcome.

Principal business will be formulation of a program which the lodge will execute during the year. A feature of the evening will be a radio address by M. W. Grand Master John H. Crooker of Houston to the Masons of Texas. The address may be heard over station KPRC, WBAP, WOAI and possibly others, beginning at 8 o'clock. A receiving set will be in operation at the lodge hall.

Next Monday night is the usual date for a stated communication of the lodge, at which time degree work will be exemplified.

On Tuesday evening of this week a district meeting, attended by officers of lodges throughout the 98th district, was held in Wheeler. Object of the gathering was to discuss and map out plans for the year's program in district Masonic activities.

Mrs. W. E. Pennington, who has been ill for several months has been the recipient of many letters, cards and gifts from her friends. Since she is not able to see them all personally, she wishes to thank each and every one for the kindly remembrance.

FINE CO-OPERATION

Now, that the holidays are passed and the world is again taking up the workaday affairs of life at the beginning of a bright new year, one may

Speak of a multitude of things,
Such as deeds, cabbages and kings.

In speaking of deeds, several events in Wheeler immediately preceding and during the holidays deserve mention. Among these, was the united efforts of certain clubs and organizations to provide a taste of holiday happiness for unfortunate children of the community. This was a highly commendable act and is entitled to much praise.

While it would be manifestly impossible to mention the various activities in detail, one in particular is singled out here. That one is the entertainment features provided by Wheeler business interests for pre-Christmas shoppers, which included free picture shows, "poultry throw" and a visit of old Santa with treats.

This event held a highly significant angle—EVERY firm and individual approached for funds to provide the entertainments responded in some degree. Such undertakings have sometimes been numbered by "free riders"—those who would not participate—in other towns, and possibly so in Wheeler. But not this time.

This evidence of a willingness to co-operate by local business men is indeed encouraging. That personal differences, if any, can be laid aside and all join in a movement for the common good of Wheeler and its trade territory bespeaks more united and harmonious community progress in 1935.

These business interests of Wheeler are due the highest compliments upon their participation and support of the pre-Christmas program. Their co-operation and unity in this one act is a credit to their good judgment and foresight. It indicates, in a measure, that local merchants are beginning to realize that each standing aloof—if not actually fighting the others—is bad business for themselves and for the town.

"Fighting" some other town or community is not advised by this newspaper. Such action rarely helps a situation. Rather, The Times would advise concerted co-operative effort by Wheeler business interests to point out to the general public—and some of its own citizens—the advantages to be found here.

An educational program, informing buyers concerning quality of merchandise, kind of service, convenience to the purchaser and prices prevailing in Wheeler is the best kind of "medicine" to combat the attractions of other towns and the appeal of mail order houses. If such a program would be formulated and consistently followed by a majority of local merchants for one year, the results would prove a revelation and the future of Wheeler as a shopping center assured.

CLUBS FOR FARM YOUTH

No movement having for its object the betterment of rural life is more worthy of encouragement and support than that of forming and

maintaining boys' and girls' clubs. It is gratifying to observe that the movement has spread rapidly and that more than a million and a half young people on the farms of the country are enrolled in clubs.

Civic bodies, fair committees, bankers and individual business men in many states are taking notice of the club movement, and are fostering it through offering of prizes and scholarships, trips and other rewards for efficiency shown by farm boys and girls in carrying out the various projects included in the club program.

Club activities not only serve to prepare young people for their life work, if they choose to stay on the farm, but the conducting of their own meetings develops qualities of leadership and confidence in themselves. Even those who enter other pursuits are better fitted for their future careers by the discipline and training which are inseparable from club membership.

Every rural community should co-operate with home demonstration agents and other extension workers in promoting boys' and girls' clubs. It is a splendid enterprise, which will have a most beneficial effect upon farm life in the future.

THE DELUDED AND HELPLESS

William Green, president of the American Federation of Labor, comes out boldly against the Townsend old-age pension plan that would give the old folks anything.

Green draws a big salary from the union laborers who contribute of their limited means to a cause they think will help them "some time," since it has amounted to very little to them for several years—if ever. Union labor has attempted to provide a home for the aged unionists. Those who do not belong and pay dues for a quarter of a century, just root hog or die when they get old, or else go to a government poor house. That is one of the big objections to the union plan.

If the Roosevelt plan took care of the laborers, and the government pensioned the aged and helpless, fellows like Green would have no job, hence Green is against it.

It reminds one of the Legion boys yelling for the adjusted compensation payments. They are due the money, all of them know it, but their national leaders are "agin" it because there would be less incentive for the boys to 'belong' if they were paid off, and the leaders know it.

It's a great deal like Will Rogers said in Saturday's papers when he included in his daily squib the statement: "Trouble with these plans is, the plan is generally to assist the planners' own business."—Donley County Leader.

SQUARE DEAL IN BUSINESS

The long depression has been a severe test on small business as well as on large. The small business has the handicap of lack of elasticity in organization as well as lack of reserve which is generally available in large businesses.

These small businesses which have survived the depression are obviously based on sound methods. They have been directed with intelligence. Above that and exceedingly important to their success, they have been based on honest practice.

The business that does not consistently treat its customers with fairness must eventually find new customers or close its doors. Those who have been mistreated will not return.

Therefore, ethics in business in the long run pay dividends both in money and satisfaction. The man who creates and maintains a lasting business institution knows a feeling that is denied the dealer in sharp practice and short enterprise.

Business, to continue with success, must not only have intelligent management but it must have honesty. The depression has emphasized the value of the square deal.—Daily News, Orange Calif.

HELPING BOYS

"No man stands so straight as when he stoops to help a boy."

With so many million of men out of work it is such an easy matter to become careless and pay no attention to boys. Men are doubly busy with the affairs of business and trying to figure out how they can live up to their codes. Yet, all about us, are boys who need help—the help that comes from encouraging words, a helping hand, a little boost. All these helpful things take just a minute of any man's time—and yet they mean so much to a boy.

It does not take long for a boy to grow and develop into a man. It may be what we say today will have a big influence on what kind of a man he will be. Are we doing the thing that will help the boy? Just a cordial word of greeting in the morning as the boy is on his way to school will frequently give the lad just the needed encouragement for that particular day. Do we do that? Can we truthfully say that we have been the means and channel by which a boy gets inspiration to do better things?

There is so much we can do in boys' work without ever having to take any time to do it. Most men are willing to do this if they only realized how easily it can be done. "No man stands so straight as when he stoops to help a boy."—Times-Herald, Alliance, Neb.

Mrs. Bernice Hardin, 29, wife of Bell Hardin of Miami, passed to her reward December 24 at St. Francis Hospital, Wichita, Kansas.

Mrs. Hardin had been ill since last summer but her condition was not known to have been serious until a few weeks ago, when she went to her parents' home at Topeka, Kans., and following the advice of physicians she entered the Wichita institution for treatment.—Miami Chief.

That Carson county would have suffered intensely from the effects of the drought during the past year, had it not been for the Agriculture Adjustment administration, is indicated in the annual report recently prepared by County Agent M. P. Leaming. A snow early in 1934 and some general rains in April were practically all the moisture that made the 1934 wheat crop in Carson county possible. AAA checks to Carson wheat contract signers will amount to \$661,022.92.—Panhandle Herald.

Miss Edith McLaugh, secretary of the Hemphill County Corn-Hog association, has resigned her position, effective the first of the year. She will leave about Jan. 10, for Dallas, where she will enter Baylor hospital to take nurses' training. Miss Katherine Brown, who has been employed in the office of S. E. Allison, has been appointed to take Miss McLaugh's place as secretary of the Corn-Hog association.—Canadian Record.

"With malice toward none, and charity to all" is perhaps true of the newspaper more than anything else. Not only does the home paper have this attitude during the Christmas season, but all during the year it is striving for the good of all and the detriment of none.—McLean News.

Rev. and Mrs. Douglas Carver and daughter were honor guests at a luncheon given by members of the Baptist church Thursday. Carolyn seemed to be the center of attraction.—White Deer Review.

Favoritism is a bad practice. All men are entitled to the same consideration, and any man who shows favors to classes of people is not fit to serve the public.—Community Weekly.

New Set-Up for Relief Rolls Effective Soon

Unemployables to Be Dropped from Federal Aid List — Local Agencies Responsible

All persons classed as unemployables will be removed from the federal emergency relief administration rolls in Texas, Feb. 1, 1935, it was announced in Austin last week by Malcolm J. Miller, field representative of the federal emergency relief administration in Alabama, Mississippi, Louisiana, Arkansas, Oklahoma and Texas.

The announcement came after a meeting of members of the State Board of Control with Miller and Adam R. Johnson, state relief director.

"Removal of unemployables from federal relief rolls in Texas will be effective Feb. 1, 1935," Miller said. "On and after that date funds made available to Texas by the federal emergency relief administration can not be used for the care and maintenance of these unemployables. The responsibility for the care of this group rests on the local city, county and state officials."

"In fixing the effective date of this order due consideration was given to the fact that in five of the six states in this region, regular sessions of the legislatures to take proper action to provide for the care of these dependents, where such provision is not now in existence. The relief administration of these states will work in close co-operation with the state and local authorities in seeing that this transfer is properly made with the least possible inconvenience to those affected."

Defining an unemployable person, Miller said he is "one that is incapable of performing a day's work on account of age or physical disability, or where home and family duties

will render it impossible for the individual to work."

Director Johnson estimated the order may affect 20 per cent of the state's caseload, which totaled 270,590 for December.

"But we can't tell exactly until we go through and check our entire list of cases," Johnson said, "and that will be a tremendous job."

Relief officials began at once preparation of rules and regulations from which classifications of workables and unemployables will be made in the counties.

Provision for those falling in the unemployable class will be a problem for the legislature when it convenes in January, although \$1,500,000 of state bond money authorized for relief purposes in February by a previous special session of the legislature will be available to the board of control. There also remains \$3,500,000 not yet authorized to be spent from the original \$20,000,000 bonds voted for relief purposes in 1933.

County Administrator W. Yeale declared Wednesday that his office had been informed of the plan outlined in the foregoing article, and that he would endeavor to comply with the orders of the state relief commission to the best of his ability.

Mr. and Mrs. Clint Johnson and daughter, Juanita, and Weldon Lewis returned Wednesday night from Lone Oak, where they spent Christmas with Mr. Johnson's parents Mr. and Mrs. M. D. Johnson and children. J. C. Voyles, went with them, remained for a longer visit.

BRISCOE TOOTERS

Briscoe School News, compiled by the Scribblers Club, with the following staff: Fay Wilson, editor-in-chief; Grady Dodd, Winifred Barnes, Clyde Wadsworth, Lewis Cain, Dottie Bell Cowan, Joy Bill Riley, Lois Aderholt, Mardell Tipps, Tamsey V. Riley, Imogene Hogue, Valoise Evans, Dorothy Lohberger, Geraldine Wadsworth, Beryl Helton and Vada Vaughn. Mrs. Allen I. Smith, sponsor.

Mid-term Preparation

To accomplish any given achievement adequate preparation is essential; without proper preparation the undertaking stands a very good chance of being a failure. That this applies to school work as well as to other undertakings in life many sadly disillusioned high school and college students will readily testify.

In the light of the foregoing endeavor, perhaps it will dawn upon the minds of some of us students in Briscoe high school that maybe, after all, we should get ready for a most important event in our lives—mid-term examinations. We have all heard the sage remark, "Life is what you make it;" and, you know, the more I ponder on that old saying the more firmly I am convinced that it will also apply to the coming "event;" that the results of those examinations are going to be just what we make them. So let's get ready, prepare ourselves, and pass those tests with flying colors. —B.H.

CUPID VISITS BRISCOE DURING CHRISTMAS WEEK

MARTIN-HELTON

On Saturday, Dec. 22, Martha Martin and Earl Helton were married at Wheeler. They are both ex-students of Briscoe high school. Earl finished his senior year of high school work last year at Canadian high school with highest honors. He is the son of Mr. and Mrs. Scott Helton of Midway. The bride is a very popular young lady of the Briscoe community and is the daughter of Mr. and Mrs. T. W. Martin.

McADAMS-ROLAND

Saturday, Dec. 22, is also the date of the marriage of another well-known young couple of our community. Neva Mae McAdams and Jack Roland. Neva Mae was enrolled in Briscoe high school as a junior at the time of her marriage. Both of these young people have lived in this community for several years and their many friends are wishing them a long, happy married life.

MOORE-AUSTIN

Effie Moore and Raymond Austin were quietly married at the home of the bride's parents on Dec. 23. Both the bride and the groom are former students of Briscoe high school. Shortly after the wedding ceremony the young couple left for their new home in Enoch, Texas.

EVANS-HEFLEY

Pauline Evans and Clifford Hefley were married on Dec. 29 in Wheeler, Rev. George Simmons performing the wedding ceremony. Pauline is the daughter of Mr. and Mrs. O. C. Evans, who live near Briscoe. She graduated from Wheeler high school in 1932 and took a post-graduate course at Briscoe high school in 1934. Clifford is a son of Mr. and Mrs. Joe Hefley of Gageby. He is a former student of Briscoe high school and represented his school as a member of the basketball teams during his school days. Here's wishing them much happiness and success in life.

ATHLETIC HAPPENINGS

The Briscoe high school basketball team invaded Mobeetie on Friday night, and split a double-header with the Mobeetie team. In the girls game the Briscoe lassies were unable to cope with the fast floor work and accurate goal shooting of the Mobeetie forwards and went down under a 31 to 11 score. The Briscoe boys, however, upheld the reputation for having "winning ways" by giving the Mobeetie boys a surprise beating to the tune of 32 to 22.

Basketball practice was suspended for a period of 10 days during the Christmas holidays, but when school resumed on Dec. 31 both teams set to work preparing for the coming games on the schedule and the Mobeetie tournament on Jan. 11 and 12.

SOCIAL AFFAIRS

On Christmas night Wiley McCray entertained a number of his friends with a party. All reported a pleasant time, and when the party was over they wished Wiley a Merry Christmas and a Happy New Year.

On last Friday night, Dec. 28, Mr. and Mrs. Lawlis Pace gave a party in honor of Ocie Pace. A number of exciting games were played, then the group was entertained by music furnished by Joe Taylor and Ben Fulk.

Mr. and Mrs. C. G. Barker held a family reunion on Christmas day. All of Mr. and Mrs. Barker's children were present for the occasion, including Mr. and Mrs. J. D. Barker, Canyon; Tom Barker, Los Angeles, Calif.; Mr. and Mrs. B. Barker and two children, Audie and Burdina, Mobeetie; Mr. and Mrs. Gaddy Vise and children, Lafoy, Evelyn and John C., Pleasant Valley; Mr. and

Mrs. Claude Barker, Mr. and Mrs. J. E. Dodd and sons, Earl and Grady, and Mr. and Mrs. John Francis and children, Exie, Zane Grey, Cecil and Faye.

TAMSEY V. RILEY ENROLLS IN CISCO, TEXAS, COLLEGE

Tamsey V. Riley, a post-graduate of Briscoe high school, has withdrawn from school to enroll in Cisco college near Ft. Worth. She has received all her high school education in Briscoe except one year spent in Stinnett high school. Due to the fact that she has had practically six years high school training and has excelled in all subjects, we predict that she will make an excellent record in college.

In addition to her record as a student Tamsey V. has won several prizes in essay writing. Last year at the Interscholastic League meet at Wheeler she won first place in essay writing for Wheeler county. She also won first place in the same event at the district meet in Pampa, and third place in the regional meet at Canyon. In a recent contest sponsored in Amarillo on Building Better Homes, Tamsey V. was again announced "a winner." The faculty and students of Briscoe high school join in wishing her much success and happiness in her college career. —F.W.

"ALL A MISTAKE"

GOES OVER WELL

On Tuesday night, Dec. 16, the Methodist League presented this vicinity with a very interesting play called "All a Mistake."

The following people were in the cast: Vada Vaughn, the maid; Susie Vaughn, a widow; Leonard Fulk, an old sea captain; Pauline Evans, a young maiden; Lois Hudson, a young married lady; Rev. Rea, a daring young man, and Dewey Vise, a gallant young hero.

Due to bad weather there was not a very large crowd in attendance, although everyone enjoyed the play immensely.

GRADUATING CLASS OF 1933

Lawrence Vaughn, valedictorian of the class, is going to business college at Amarillo. He has held previous positions in Dallas and Amarillo. Earl Greenhouse has also been attending business college at Amarillo, but from the last report is now at home.

Iris Wood, salutatorian of the class, is married to Mary Gudge, another senior of the same year. They now reside two miles southeast of Briscoe.

Jack Hays and Doris Aderholt have also been married and are making their home five and one-half miles southeast of Briscoe.

Earl Sivage, as far as we have a record, is still single and is now helping his brother on the farm.

Vetha Carver has moved to Wheeler and is also staying at home.

Choice Durham is helping her mother on their farm four miles northeast of Briscoe.

Charlie Austin is married and lives in the Corn Valley community.

HIGH SCHOOL NOTES

The library is undergoing some reorganization which will include rearrangement and varnishing of book shelves, and complete inventory of all books, showing the name, author, number and value of each book. This work is being done by Mr. Graves in preparation for the state supervisor's visit some time within the next few months.

The Briscoe basketball boys are working out this week with a serious thought in mind, and that thought is making a creditable showing in the Mobeetie tournament next week end. All members of the team are in school this week, and intend to spend the next few days in hard training. Last week the boys trounced the Mobeetie Hornets to the tune of 32 to 22 in one of the most exciting games played by our team this year.

The girls basketball squad is spending some time ironing the wrinkles out of their offense which failed to function in the game against the Mobeetie girls. The girls are not saying much, but from the way they are entering into all practice sessions indicates that actions may speak louder than words when they face their next opponents on the basketball court.

bunch of hokum ever written into one picture. It is all comedy. A glance at the cast, all comedians, Zasu Pitts, Pert Kelton, Edward Everett Horton, Ned Sparks, and Nat Pendleton will assure you of one hilarious piece of hokum built simply to make you forget your troubles. It's not about anything in particular, it's just made for fun. Then, Mickey McGuire will be there, too, in a two reel comedy. Coming to the Rogue Friday and Saturday, Jan. 4 and 5.

A Lost Lady

The story this picture tells has been told many times. It is dramatic romance with both an appealing and intriguing punch. Its basic appeal is for women, inasmuch as it deals with a woman's tragedy, her marriage for honesty and appreciation only; her affairs with other men and the final triumph of real love. It moves in a serious vein. There is no attempt at comedy contrast; where laugh-generating situations are inserted, they have but little relevance to the theme. As such it is strictly adult entertainment, something to which feminine patrons should respond, bringing along the natural masculine contingent, but over the heads and meaningless to those below the adolescent years. Heading the cast is the incomparable Barbara Stanwyck assisted by Lyle Talbot and Margaret Lindsay. Also Frank Morgan and Ricardo Cortez play stellar roles. Coming to the Rogue Monday and Tuesday, Jan. 7 and 8.

The AMERICAN LEGION

Worth Fighting For---

Immediate payment of the Adjusted Service Certificates as an effective relief and recovery measure.

The fourth point of our Four-Point Program to assure that in no event shall the widows or dependent children of deceased World war veterans be without government protection.

A Universal Service law providing that in war capital, industry and manpower shall be conscripted, with special privileges and profits for none.

A strong National Defense, not to foment war but to assure peace.

Making Americanism the primary thought of American citizens and the primary duty of The American Legion.

Promotion of Child Welfare, abolition of child labor and encouragement of healthy youth activities.

Individual and collective community service in the highest sense.

Withdrawal of recognition to Soviet Russia and the banishment of all un-American doctrines from our land.

Protection of our educational system at all hazards.

Elimination of discrimination against World war veterans in all forms, and wherever found.

To make sure that aliens enjoying American benefits shall also bear arms in defense of America if the need arises.

To compel the deportation of every alien who can not become a good American citizen.

The payment of our war debts without further postponement or reduction.

Elimination of subversive influences from our institutions of learning, high and low.

To keep partisan politics out of veterans' affairs.

To promote safety and the elimination of traffic hazards on our highways.

And every other mandate adopted by the Miami convention of The American Legion.

With a strong united membership, we shall attain them.

SENIORS PRACTICE PLAY AND SEE OLD YEAR OUT

Monday night, Dec. 31, the senior class gathered at the school building to practice on the play "Prairie Rose" and afterwards enjoyed a New Year's party. The group stayed until 12:00 o'clock to ring the old year out and the new year in.

Those present were Maxine Harris, Loveta Worley, Mable Davis, Pauline Garner, Neal Davis, Rayford Purnell, Aubrey Buice, James Allen Tucker, Leonard Mixon, Charley Krug, Lawrence Homesly and the class sponsor, C. B. James. Visitors were Miss Dorothy Henderson and Irvin Hink.

Basketball Boys Start Workouts

The Kelton basketball boys have begun workout and hope to make a fine showing before the end of the season. Much is expected of the boys this year, as there are about 25 boys reporting for work every afternoon.

The gymnasium is expected to be completed in a few days so games can be held in it.

Absentees Because of Illness

Those absent from grammar school this week on account of illness are: First grade, J. T. Martin and Peggy Gene Lister; second grade, Rubye Beene; third and fourth grades, Wanette Simmons, Stella Mae Lister, Clarimon Reese and L. B. Whitten; fifth grade, Granville Simmons and Weldon Armstrong.

New Year's Resolutions of Kelton Spanish Class

L. W. Davidson: To return blow from blow to the girls.
 Pauline Garner and Mabel Davis: To be nice to the boys in 1935.
 Hallie Chilton: To keep Aubrey Buice and Pauline Garner at least two rows apart in 1935.
 Rayford Purnell: To quit teasing Leonard Mixon about his new shoes.
 James Allan Tucker: To wash his feet at least once a week.
 Curtis Reeves: To get Pauline Worley to smile at some one besides Tommy Wagner.
 Lorene Baird: To keep Curtis Reeves out of tears until Vivian Whiteley returns from Arkansas.

Proud of New Rings

"See my new ring," seems to be the cry of the senior class since Monday, when they were issued to the class members. Everyone seems to be very proud of them, especially James Allan, who spent a history period looking at it.

If You Need a Crop Loan Apply Now!

Farmers who will in 1935 borrow from a production credit association for the first time, need not wait and should not wait until just before the money is needed to make application. If a farmer knows what security he will have by way of crops, livestock or other personal property, he can make application and work out tentative arrangements for the loan. All farmers with security are eligible to borrow from their production credit association. Loans may be obtained for any amount from \$50.00 up. Loans are timed to mature at the time when farmers will be expecting money from sale of crops or livestock. The borrower purchases stock in his association at the rate of \$5.00 for each \$100.00 borrowed.

HOW TO GET CORRAL STORIES IN ON TIME

COACH CLARK ENTERTAINS AT CHAPEL WITH MAGIC

English IV Class Drills In Debate

The English IV class is taking a week for debating since Miss Bernie Addison instructor, says that it is very important to know how to debate. The first debate was held Tuesday on the question, Resolved: That children under 18 years of age should not be allowed to drive automobiles.

Theodore Conner and La Veau Cole were on the affirmative and Ford Newkirk and Wilton Callan the negative. Those acting as judges were Harold Nicholson, Paul Wiley and Dorothy Burgess. The affirmative won the debate by a decision of two to one.

Following the debate Harold Nicholson, who was on the freshman debating team at A. & M. college last year and has worked for the sophomore team of that college this year, gave the class some points on how to debate.

On Wednesday question for debate was: That boys should not smoke because smoking is injurious to the health. Fay Ficke, Zina Mae Holley and Son Denham; on Thursday Laney Mae Tillman and Ruthie Bell Farris debated Carlisle Robison and Curtis Weeks on Resolved: That prizes should not be given in public schools. Friday the question was Resolved: That our city should furnish free textbooks to all its public school pupils, debated by Florine Guynes, Ida Bell Davis, Travis Jones and Nettie Vee Jamison. The debate for the following Monday is Resolved: That Thomas A. Edison did more for civilization than did Henry Ford. Helen Gilmore, Mamie Lee Starkey, Loula Clark and Jack Guynes will discuss this question.

Sport Slants

By a Mustang

Well, Christmas has passed. Now if some of the boys will do the same thing they will be eligible for track. It won't be long 'till mid-term; for some people this will mean a whole lot. To the football boys especially, it will show who is going to receive sweaters. There should be a banquet for the football boys pretty soon, too. That can wait, though, until we get over our Christmas dinners.

Didn't I say that the Amarillo Sandies were going to win the state championship? They did that very thing, didn't they? I believed all the time that they would beat Corpus Christi, but I did not think they would win by such a large score. Amarillo has a good team with a good coach and plenty of backing.

I thought maybe Santa Claus would bring us a gymnasium for Christmas, but I don't see one. I hope that we do not have to wait until next Christmas to get this much needed building.

You people might get tired of my "cramping" every week about not having a gym. If you had to work out for basketball out on the open prairie you would "cramp" too.

JUNIOR GIRLS DEFEATED

In their first game of the season, the junior basket ball girls were defeated by the Mobeetle team at Mobeetle Friday night, Dec. 21, with a score of 13 to 28.

The girls that made the trip were: Dorothy Tolliver, Lilla Mae Crofford, Mary Belle Johnston, Martha Jane Shipman, Morene Clay, Bonnie Adams, Ferrol Ficke, Lorene Clay, Geraldine Lewis and Miss Ruth Ewing, coach of the junior girl's team.

STUDENTS WEAR EVIDENCE OF SANTA CLAUS' VISIT

Santa Claus certainly left signs to prove that he did not forget the good little boys and girls of Wheeler high school.

Marvin is sporting a new jacket which he says Santa brought him for being so good the last year. Zina Mae has a new dress Santa sent her because she never plays too rough with her little brothers. Santa Claus left Mamie Lee a bracelet and handkerchief.

Carlisle wishes to thank Santa for about three dozen neckties, two boxes of handkerchiefs and five pairs of socks. Dorothy Burgess has two new dresses.

Santa Claus did not forget Travis either because he has a new pair of gloves. Junior is grateful to Santa for returning his algebra II book which had been lost for several days. Santa Claus must have been responsible for all of Dorothy Tolliver's books being at home Monday for the first time this year.

Santa must have been good to the rest of the students, too, because they were all smiling as they came to school Monday morning.

Dorothy Tolliver visited relatives in Mangum, Okla., Wednesday.

THANKS, MESSERS. MILLER

Wheeler high school takes this means in expressing its appreciation to O. B. Miller and C. G. Miller for their splendid work in behalf of the school.

The journalism class and its sponsor thank C. G. Miller who has printed "The Corral" in his paper for the past year. He has been in Wheeler only one year but that one has been an eventful one for the class as he has proved both friend and advisor.

In entering the press association's contests the class was supplied with four copies of each back issue by Editor Miller. If this had not happened the school paper could not have competed and could not have placed in the state contest.

O. B. Miller, county superintendent of schools for six years, has always been a supporter of the school. He has tried time and again to get a gym for W. H. S. He is now retiring from public office.

We appreciate what these two men have done.—T.C.

COLLEGE STUDES GIVE ADVICE TO UNDERGRADUATES

Every college student has his own idea about college as was shown by interviews this week with Wheeler graduates attending school in various colleges of the state.

All have counsel to give to others that plan to go to college. Their advice is to study while you are in high school. If you do this you will not have such a hard time with your studies in college, they say. The college students find that the greatest fault with other students is that they failed to study hard enough when they were in high school. Most of the high school pupils think that college is something easy. The students that are in college now say that college is much harder than high school, that it is more detailed and that the subjects are harder than high school subjects. Most people think that college is a place to have a good time. Any one that is going to college will tell you differently.

To most boys and girls that plan to go to college the professors are thought as hard boiled and strict. To the ones attending college the professors are well thought of. Several say that if it were not for the professors most of the students would flunk. The professors will treat you right if you will treat them right in return.

Every college has its students that want to pull little pranks on their fellow students. It is usually the freshman that catch all the foolish stunts. This is done because these students are new and don't know what it is all about. Such practices are gradually being done away with. There are still some jokes pulled but they are usually just minor ones.

In talks with college students it was found that the average pupil plans to use his college education in making a living. Yet a few of the students that attend college go just to have a good time. In doing this they just spend their parent's money and do not get any good out of their college work.

When the college students were asked about their amusements they replied that they did not have much time for them, that most of their time was spent studying. Shows and parties furnish plenty of amusement for those that have time for them.

CORRAL SPORT SLANTS QUOTED IN NEWS-GLOBE

Under the caption "Around the Panhandle" in the Amarillo News-Globe for Monday of this week was the following item:

The power of the press? "The readers of this column may say that they get tired of reading about how badly they need a gymnasium. If they don't want to read anything more about that in this column, they can build a gymnasium.—The Sport Slants in The Corral, school section of The Wheeler Times."

Whether the compiler of "Around the Panhandle" meant to be complimentary or was poking fun is doubtful. He may have been trying to create public sentiment in favor of a gymnasium!

Whatever his motive, however, this fact is as plain as the bump on a log: our little sheet is read SOME of the time by SOME of the people SOMEWHERE.

3 Teachers Tell of Their Vacation

Following are interesting things that three of the teachers did during the vacation.

Miss Winona Adams, instructor of high school history, spent a large part of the week reading and writing a round robin letter that was started by one of the girls whom she went on her trip with last summer. The letter contained letters from nine states. They are: Wyoming, Montana, Kentucky, Kansas, Oklahoma, North Dakota, South Dakota, Idaho and Nebraska. The girls who wrote these letters stayed in the same tent with Miss Adams. Eighteen persons will have contributed to it when it is finished.

Coach Bob Clark spent the vacation traveling. His object was to visit friends in Birmingham, Ala., when he left but he stayed there only one day. He saw parts of Mississippi, Alabama and Louisiana besides the large part of Texas over which he traveled. There was no snow in any of the states that he saw. It rained where he was in every state. Only showers were seen between Dallas and Wheeler, but from Dallas across to Louisiana there were heavy rains. On one occasion he was forced into a ditch because of the slick, muddy detour on which he was traveling. The coach's car did not overturn and it only took a few minutes to get out.

In New Orleans Clark saw members of the football squads of Tulane university and Temple university in their workout. They played the Sugar Bowl game on Jan. 1, in New Orleans with Tulane winning the tilt. As he attended school at the University of Alabama, the coach was worried over the Rose Bowl game to be played in California on Jan. 1. Alabama won 29 to 13, and now he feels better.

Miss Bernie Addison, English and journalism instructor, just could not stay away from school. She went to the University of Missouri in Columbia, where she wrote heads and copy read news stories for the Missourian. She made one hour of work.

GRAMMAR GRADES HAVE CHRISTMAS TREE BOXES

Santa Claus was at school on Friday before the holidays and even some of the high school students were too excited to study any more that afternoon.

All the classes from the first to the seventh had a Christmas tree or a box.

Each class had a program in its home room. The seventh grade was assisted by Lee Guthrie, former principal, during Coach Bob Clark's absence.

All the classes were given fruit, candy and nuts by Santa Claus. He was in a hurry so left the gifts for the teachers to deliver.

COLTS

Under the direction of Miss Ruth Ewing, the sixth grade presented the grammar grade assembly program Monday, Dec. 17, beginning at 9 o'clock.

The program was as follows: Announcement, Letha June Cumming; piano solo, Eloise Reid; song, The Man on the Flying Trapeze, L'Ombre Brazil; reading, Aw Shoot, Ma!, Willie Dee Lawrence; song, Birmingham Jail, by seven of the class; song, Pink Elephants, Eloise Reid; reading, Somebody's Mother, acted out by Louise Genthe, Elizabeth Balch and Bobby Noah; song, Sweethearts, Eloise Reid and L'Ombre Brazil; Faculty Meeting by a group of students representing the teachers; song, If You Want to Know, by the entire class; reading, Is I Gotta Go to School, Ma?, Aline Coleman; whistling contest by seven of the boys; reading, Little Boy Blue, Marcel Farmer, and song, I Put My Shoes Away, by Eloise Reid. At the finish of the program, all the grade teachers came to the front of the room and sang different songs at the same time. Jingle Bells and Silent Night were sung by the audience.

Those that visited the grammar grade assembly were: Mrs. Levi Reid, Mrs. Bill Cooper, Mrs. Ernest Balch, Mrs. John Ficke, Mrs. Troy Shipman, Mrs. Frank Rogers, Mrs. Lonnie Lee, Mrs. Lloyd Lee, Miss Marguerite Ficke and Wilma Hall. Coach Bob Clark will have charge of the next assembly program.

The sixth and seventh grade girls have organized a basketball team. They expect to play the high school junior team sometime soon.

Rose Bowl Game Interrupts Practice

Because of the Rose Bowl football game between Alabama and Stanford university broadcasted at 4 o'clock Tuesday afternoon, basketball practice was discontinued. Regular practice was resumed Wednesday, Thursday and Friday.

Classes Attend Theatre Party

On New Year's Eve night the Rogue theatre extended an invitation to the high school classes to see the picture "Convention City." The classes were supposed to go in groups. The price of the tickets was reduced to 15 cents.

Those of the senior class that attended were La Veau Cole, Theodore Conner, Wilton Callan, Helen Gilmore, Mamie Lee Starkey and Carlisle Robison.

Of the junior class Charles Hix, Estelle Scott, Mazie Bean, Laney Mae Tillman, J. R. Burke, Billy Noah, Wallace Pendleton and Ford Newkirk were present.

These sophomores attended: Elva Willard, Beatrice Miller, J. D. and Raymond Badley, H. E. Young, Everett Cole, Bonnie Adams, Neil McPherson, Aline Buchanan, J. N. Tucker, Ella Pearl Starkey, Bob Tillman, Ferrol Ficke, Guy Robison, Dudley Callan, Verna Greenhouse, Virgil Greenhouse, Parilee Clay, Martha Alice Wiley, Dorothy Burke, Dorothy Tolliver, Ruth Barr, Lillie Mae Crofford, Robert Guynes, Louise Craig and Orveta Puett.

The four sponsors, Miss Winona Adams, Miss Bernie Addison, Mrs. G. O. McCrohan and Mrs. Gordon Whitener attended with their respective classes.

SAGE BLOOMS

Why We Need a Gymnasium

We need a gymnasium for many reasons. One is probably very important. That is, Wheeler is the center of the county and the Inter-scholastic League meets here most of the time. The students have to play volley ball and tennis out on open courts. The wind is usually blowing and it is hard to play the games.

We could use a gymnasium very nicely while practicing for basket ball, volley ball and tennis. It would be warmer and the students would not have to chase the balls when the wind blows them. In physical education period the students have to practice their sports out in the open. Several mornings it is very, very cold and the students almost freeze running outside.

If we had a gymnasium the students would be in better health. By this we mean that the students wouldn't have to exert themselves out in the cold and breathe in the cold air which might give them a cold or the influenza. Also a gymnasium would arouse the spirit of the students. When there is a basket ball tournament Wheeler has to go to that town to play. If we had a gymnasium we could invite other schools here to play without being embarrassed.

'34 SENIORS HAVE PARTIES

Several members of the senior class of 1934 entertained with a skating party in the Wheeler skating rink last Thursday night.

Most of the members were present, but several were unable to attend. Those present were: Anna Mae Puett, Joe Field Meek, Billy McCarrol, John Ficke, A. B. Turner, Raymond Creekmore, Earl Farris and Earl Sivage; Florine Callan, Exie Creekmore, Bessie Mae Ficke, Marguerite Ficke, Elizabeth Joss, Inez Shipman and Miss Winona Adams, sponsor.

The class also gave a party on Christmas night at the home of Billy McCarrol.

A SENIOR SPEAKS

Well, here we are. It seems great to be back after a week with nothing to do. For a while everyone was impatient for the holidays but now all are ready to get down to study. That work is needed, too, because the mid-term horror is slowly but surely creeping up.

The week's rest was plainly enjoyed by everyone, for the whole school is one hotbed of activities. The senior class members enjoyed their last Christmas while going to Wheeler high school; they have only five months left. They have made New Year's resolutions to make this short period the best of their all.

Curtis Weeks went to Oklahoma City Tuesday. He returned Thursday night.

Joe Field Meek and Harold Nicholson were visitors in school Monday.

What would you do if there was a class in the typing room and in the English room, and the study hall keeper would not let you type in the study hall, and the library keeper would not allow you to type in the library? Probably you would tell the journalism teacher that you could not get your "stories" in until some other time, wouldn't you? Not so with one of the students!

One day when I was in the hall (as usual) I became aware of a click-click-click somewhere in the school building, so I decided to discover from where the sound came. I walked to the door of the auditorium and opened it. Can you imagine my surprise? The piano was pulled near the stage and on top of it was a typewriter. A chair was near the edge of the stage and seated on it was a journalism student, clicking away on the old typewriter as if it were great sport. At least, that was one way to get the "stories" in on time.

MID-TERM EXAMINATIONS TO BE GIVEN NEXT WEEK

Because of the basketball tournament to be held at Mobeetle Jan. 11 and 12, the mid-term examinations will be given on Wednesday and Thursday of next week. Two periods will be given for each subject.

Students making a B plus average on their subjects will be exempt. Those making a B plus average on department will not be required to take an examination on one subject on which they are making an average of C. Those failing to make B plus average on department will be required to take an examination on one subject on which otherwise they would have been exempt.

Friday will be registration day for those who wish to make add or change courses in their schedule and for the new students who will enroll in school for the second term.

AUNT SUSIE SUGGESTS

Dear Aunt Susie—How can I make people quit making fun of me for being so tall?

Dear Estelle—I would suggest that you quit eating spinach and do not drink so much Ovaltine.—Aunt Susie.

Dear Aunt Susie—How can I keep boys from looking at my head so much?—Rutha Mae.

Dear Rutha Mae—Try getting your hair curled like all other girls and the boys will look at some other girl.—Aunt Susie.

Dear Aunt Susie—How can I keep the senior boys from borrowing and never returning my pencils?—R. J.

Dear R. J.—Do not bring such good pencils to school.—Aunt Susie.

Dear Aunt Susie—How can I keep the basketball girls from eating candy and keeping late hours?—Miss Adams.

Dear Miss Adams—Give them permission to eat all the candy they want and keep late hours, because if they are given permission they will not do them.—Aunt Susie.

Dear Aunt Susie—How can we keep Coach Clark from getting so hard boiled during a basketball game?—Basketball Boys.

Dear Basketball Boys—Just throw water on him.—Aunt Susie.

Dear Aunt Susie—Why does everyone cough, sneeze or snuff in the study hall?—A Teacher.

Dear Teacher—Because they stay out too late at night and breath two different kinds of air. Hot air and cold air.—Aunt Susie.

CAUGHT IN THE LASSO'S NOOSE

Miss Addison, of all things, attended school during the Christmas holidays. There are several high school students here that would like to be her teacher a few days.

Everyone enjoyed his "week off" as there were plenty of smiles Monday morning.

It won't be long now. (Mid-term exams).

The skating rink is a popular resort for young people since the secret that skating improves the figure was revealed.

The Wheeler athletes have not won a basketball game this season. Is laziness or no gym the reason? Romances are on the decline in W. H. S. although several couples want to revive the custom.

Wonder how the seniors felt on the night of Dec. 20? (After the play).

What this school needs is a band, quartet, or something. Rev. Kirby was surprised the other day when he asked for the high school quartet and no one answered. Come on, boys and girls, too, get organized.

As the regular speaker was not present Coach Bob Clark entertained the high school with a program of magic tricks at chapel period Wednesday morning at 10:15. The slight of hand illusions included thimble, egg, card and rope magic. Two high school boys were called upon to help. Supt. J. L. Gilmore and Principal C. B. Witt answered the call and assisted the magician with his "bag of tricks." The sixth grade and the four high school

SENIOR SPONSOR STATES CLASS PLAY WAS SUCCESS

"Considering that there was a show, dance and a banquet in town that night, I am sure we were as successful as could be expected," stated Miss Winona Adams, senior sponsor, in speaking of the play, "Here Comes Charlie," which was presented in the school auditorium Thursday night, Dec. 20.

"There was a great deal of sickness which kept many people away. I wish to thank those who attended for their kind patronage," added Miss Adams.

The total amount received was \$20.45. The money will be used to pay debts and to pay class expenses.

NEW YEAR'S RESOLUTIONS

Charles Hix—Not to make any resolutions.

Billy—To quit studying so hard.

Dudley—To start studying (maybe).

Marion—To get to school on time.

Mrs. Gilmore—To give her English classes more work to do.

Ford—To play more and better football next year.

Wilton—To have more girl friends—good looking ones at that.

Charles Red—To make a better and bigger man than first intended.

Estelle—To learn plane geometry.

La Veau—None whatever.

Mrs. Whitener—To make biology more interesting by having larger words.

Cecil—To make better department grades.

Carlisle—To break all resolutions and to start studying.

CLARK TO START TRACK

Coach Bob Clark announced in the study hall last Tuesday that a meeting would be held next week for the purpose of organizing a track team. Practice will start immediately, although heavy workouts will not take place until later.

The mile and half mile run, discus throw, high jump, and shot put will be the first events organized.

Curriculum is Discussed

Members of the faculty held their regular meeting in the home economics room Wednesday, Dec. 12. "Curriculum Making" was discussed by Mrs. C. C. Crowder, who has been taking the extension course under Prof. F. E. Savage of W. T. S. T. C.

All of the teachers were present except Mrs. J. L. Gilmore and Miss Bernie Addison.

Discussion of the same subject will be the chief topic at the next faculty meeting which will be Wednesday, Jan. 9.

ESTELLE SCOTT CHOSEN AS HOME EC. SECRETARY

Estelle Scott was elected secretary of the Home Economics club at a meeting held in their room Tuesday afternoon at 3:15. Estelle will take the place of Delilah Montgomery, who, according to school rules, will not be allowed to hold more than one office at a time.

Gladioli were chosen for the club flower and pink and white as club colors.

The members also discussed a program for the district meeting of home economics sponsors and students to be held here on Jan. 26. Mrs. Gordon Whitener, instructor, read the tentative program which she had prepared and plans were discussed for entertainment of the guests.

THIS TIME LAST YEAR

The basketball teams went to Twitty, Friday, Dec. 22. The senior girls won with a score of 10 to 4 and the senior boys, 10 to 7; the junior girls lost with a score of 4 to 8.

Six straight A cards were made by the high school students and fifteen were on the A and B list.

The program presented by the tumbling and folk dancing classes was well attended. \$19.95 was taken in.

Juniors Are Entertained

The junior class was entertained with a Christmas party at the home of one of the students, Fay Ficke, and at the skating rink Wednesday night, Dec. 26. The class met at the Ficke home and played two games consisting of "Lotto" and "Steeple Chase." After popcorn was served, the group went to the skating rink where they skated.

Those attending were: Laney Mae Tillman, Mazie Bean, Rutha Mae Conner, Fay Ficke, J. R. Burke, Eilly Noah, Junior Jamison, Ford Newkirk and Charles Hix.

Orveta Puett was a Shamrock visitor Sunday.

At the Churches

METHODIST CHURCH

J. EDMUND KIRBY, Pastor
The Church With the Big Star
What the New Year has in store for all of us depends largely on how we use the days and months of the New Year. In what better way can one spend the Sundays of the New Year than attending upon the worship services of some church? You cannot lift yourself by your own boot straps; let the churches help you.

The doors of this church are open to you, and we invite you to make this church your church home. Begin the New Year right by being present for Sunday school and church next Sunday.

"A Jail Break," will be the sermon topic for the morning hour.

At the evening hour, 7:30, the pastor is preaching on the subject "Building a Church." During the sermon the pastor will construct a church building. Special music and lighting effects will make this service one that you will not want to miss. Come and bring your friends.

On Wednesday night, Jan. 9, at 7:15, there will be a children's prayer service. Parents are asked to come and bring your children. We will study the life of Christ, and after the religious service there will be moving pictures. All children, young people, and parents of the community are invited to attend this service.

Can You Imagine —

Our pride when we learned that Dr. Allen Roy Dafeo had selected PURETEST and FIRTAID products for his daily treatment of those famous babies, THE DIONNE QUINTUPLETS of Colander, Ont., Canada!

NOTE: Quintuplets occur once in about 57,000,000 births. Only 32 cases have been authenticated in the past 500 years. In one case all 5 babies lived about an hour. In another case only one of the babies lived 50 days. But the Dionne Sisters are (Jan. 4, 1934) 7 months old and gaining strength. All honor to Dr. Dafeo!

We carry a full line of

PURETEST AND FIRST AID DRUGS

and have the exclusive agency in this town for them.

We have everything a good drug store handles, and we also have a complete prescription laboratory to compound your prescriptions strictly according to doctor's orders with only pure, fresh potent drugs. In case of illness see your doctor—as there is some particular medicine that, above all others, is adapted to your needs. Then use the same precaution in selecting a pharmacy to compound that prescription as you did in selecting your doctor.
