The oldest brother was just walkin and in the summer she had a time keeping a diaper (not those throw away ones) on this little tyke. One morning she heard him screaming and ran out on the front porch and there he set yellin his head off. Seems Jamee Hamilton. as the little feller was sittin on a crack in the porch and the family rooster was beneath the porch thinkin he had found him a grubworm, no more problem with keepin the kids diaper Speaking of Earth County, did you know that many of the older folks in Wheeler County were origionally from Earth County, yep. There must have been a good sheriff down there and run all the Democrats out or the looks of the Panhandle was more inviting as there are a big bunch of them that are descendants of the immigrants of that part of the State. I have a tax notice of my great grandfathers where he paid \$9.66 taxes on 80 acres Feb. 8, 1878 on his place and his son my grandfather paid \$2.60 on his. Now that was State, County and School. I get a lot of kick out of some of the old papers that have been handed down about values and such but times have changed a lot since that time. Chan Helton told me that he had worked for fifty cents a day when he was young and he emphasized the word WORK. Would you folks mind if I do a little writing bout some of the Oldtimers and about when they came there and where from? If you wouldn't I will try and get a little info and occasionally tell you about some of them, it is interesting to me and might be to you. Thanks, Ab and Benita

Care of the aged, was a very interesting programs given by Mary Britt, nurse from Wheeler Care Center, at the Briscoe Extension Homemakers Club which met March 4, 1986, in the club house.

RACES

Mobeetie School Board races are now on with a brother and sister running. Gary May and Jackie May. Superintendent Bob Mickey doesn't believe the two related candidates would pose any problem with nepotism laws because it is an elective office. Also seeking one of the two openings on the school board are incumbent Archie Summers Jr. and Kimberly Johnston. Incumbent trustee Gene White is stepping down. THE FORT ELLIOTT STUDY CLUB

E.L. and Wilma Fowler have been on the run. Went two nights to the Peewee tournament at Caarter to see grandson Dustin Drake play ball. Then had to go to Elk City to see Jill Drake in the Red Carpet production Anything Goes.

That reminds me. Leedey and Cheyenne girls and Hammon boys went to state. The Leedey girls lost out but Cheyenne and Hammon went on to win State. I think that is wonderful for a small county like ours to have two winners. We are proud of them and all the local boys and girls who have worked so hard to have good games.

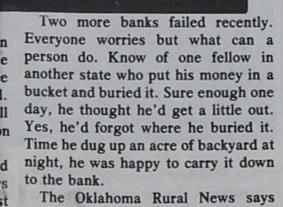

Texas teachers are really up in the air because they are expected to take a competence test. If they are prepared it shouldn't bother them. Be a good idea if everyone had to take one every few years. They claim a great percentage of Americans are illiterate. Since everyone has to start to school by the time they are six, and go 12 years it looks like teachers, parents, or someone would have noticed what was happening.

Funeral services were held at the Fatheree Chapel in Erick Tuesday for Eddy Rothernberger of Clinton. Eddy was raised in the Sweetwater community. He is survived by two sisters, Ernestine of Sayre and Bertha of Elk, also a number of nieces and nephews.

The Texas Wagon train is a third of its proposed journey through the state. Is scheduled to roll into Amarillo May 17. Supposed to have 500 people in 50 wagons. Sounds like they would be a little crowded.

Jim and Shirley Anderson met his brother Billy and wife at the Honuibia camp near Talihina for a trail ride. Said these folks are so far back in the hills that they don't get the Grand Ole Opry til Sunday night. Joke-.

There were 210 for breakfast at the Wild Horse Camp in the bunkhouse. In fact, they had all their meals and church in the building. One hundred and twenty five went for the ride thru the hills. The Andersons went down in their camper taking their horses along. I was beautiful in the mountains and enough campers to make a small village. They plan to go back in the spring. Been a shade windy out this way. Mike and Sally Sites had the misfortune to lose their barn and contents in a fire. The Erick fire truck came out but the wind was so high there wasn't much they could do. Mr. and Mrs. Charles Bryan and kids of Edmond, Stephanie Shoffner of OSU were out to help Ed and Eileen Wilson celebrate their birthdays. Patricia and Tony Sargent of Pampa stopped by the Albert Bryans for breakfast the other morning. Pat and Tony have qualified as a husband and wife team of truckers. Been taking those 18 wheelers to North Carolina, Salt Lake City, California, and elsewhere. Recent visitors in the Truman Alexander home were Nelda and Rayford from Levelland. They visited Elsie Alexander at the Erick Home. The Kitchen Band entertained the Erick home last Tuesday with a good bunch present. Among the visitors were Fern Howell, Margaret Hiller, Mr. and Mrs. Brody Smith, and Ida Mae Rutherford. The band will meet at Town Hall the 10th at 2:30 and the Elk Home the 17th. They will have a St. Patrick's day luncheon at K-Bobs at 12 noon. Much of the world's trouble is caused by a lack of communication. I was cooking lunch when the chief bottle washer came in to help. Had a bowl of diced vegetables ready to stir fry. I also keep a bowl for bird scraps. When he said, "Mama, are these scraps ready to feed the birds?" I said yes and never turned around. Got ready to fry my stuff. You guessed it. The birds were eating it. Misti Bryan and children from Chattannoga, OK. have been here visiting Mr. and Mrs. Bill Tipton of Sayre and the Leonard Bryans. Albert and Lorene were over one day to see them. Another day, Leonard, Lois, Tim, Misti, and children went to Pampa to see Arnel Lee and Shirley Bryan.

March winds seem to be right on the job as I was traveling to Wheeler last Wednesday, the north wind was moving the dirt around, with tumble weeds jumping barbwire fences and skipping across the highway. Signs of spring is here with the peach trees in bloom and dandelions poping their little yellow blooms all over my yard. They aren't welcome at all. I can't help but believe winter will give us another blast before spring is here to stay.

SOON THERE WILL BE ONLY TWO KINDS OF CROPS IN THE COUNTY: INSURED AND UNINSURED

With all of the improvements made in the comprehensive insurance policy for 1986, you can now say goodbye to the constant risks and worries that go with an uninsured crop.

As you know, an uninsured crop is only a "maybe" source of income: Income to pay expenses, to repay loans, and to farm again next year. It's financial security and peace of mind.

How do I know that my youth is all spent? well, my get up and go has got up and went. But in spite of it all, I am Able to grin when I recall where my get up has been.

Old age is golden, so I've heard it said, but sometimes I wonder when I get into bed, with my ear in a drawer and my teeth in a cup, my eye on the table, until I wake up. Ere sleep dims my eyes, I say to myself, "Is there anything else I should lay on the shelf? And I am happy to say, as I close my door, my friends are the same, perhaps even more. When I was young, my slippers were red, I could kick up my heels right over my head; when I was older, my slippers were blue, but I still could dance the whole night through. But now I am old, my slippers are black, I walk to the store and puff my way bAck. The reason I know my youth is all spent; my get up and go has got up and went. But I really don't mind when I think with a grin, of all the grand places my get up has been. Since I have retired from live's repetition I get up each morning, dust off my wits, pick up the paper and read the "obits". If my name is missing, I know I'm not dead, so I eat a good breakfast and go back to bed. Annetta Childress and her friend,

Shamrock Celebrates Mar. 14-16

By Bill Howe

Shamrock, Texas (Special) - Old timers recall with pride the First St. Patrick's Day Celebration here March 17, 1938, as "greening-up" begins for the 40th festival March 14, 15 and 16.

The special meaning of that first Irish Party to the residents of this small town in the Eastern Panhandle is evident in this year's theme, "An Irish Salute to Texas.'

Scores of Irishmen headed for Shamrock, most sporting Donegal beards, with comely colleens on their arms, will be conscious of their heritage as they join in the shenanigans honoring the great St. Patrick.

Though it has been 48 years since Irish Bandmaster Glenn Truax suggested that the Boosters Club sponsor a St. Patrick's Party worthy of the name of the town, the Irish magic still works as the great day approaches.

City officials don green underwear, the editor of the local newspaper takes pills to turn his beard green, and hundreds of committee people work with Head Irishman Daryll Kaire to fine-tune the activi-

It was moved by Tommy Puryear, second and voted that the policy be approved as presented and upon approval by the Texas Department of Health be implemented April 1, 1986.

The Administrator presented the letter from Texas Medical Liability Insurance Underwriting Association pertaining to requirements on hospital and staff physicians to qualify for Liability and Malpractice Insurance.

After a lenghty discussion the Board agreed that both the By-Laws, Rules and Regulations of the hospital and the By-Laws, Rules and Regulations of the Medical Staff be amended to include these requirements.

There being no further business, it was moved by Tommy Puryear, second and voted that the meeting adjourn.

Meeting adjourned at 10:45 p.m.

CARD OF THANKS

Wilhelm for doing our chores each day

while we were gone.

Friday night, Lori Purcell had a friend, Nikki Scott, spend the night. Mandy Ratliff spent Friday night with April. Joshua spent Friday night with Ty Ferguson. Mac Purcell's parents from Sum-

merfield visited Thursday and Friday and had a granddaughter with them, Heather Lawman.

Kim Parker came down Thursday from Goodwell College. She visited in Reydon till all got home Friday.

Doc Wilhelm visited us Saturday afternoon.

They took Mable Parker to Shamrock hospital Friday. I think the doctor sent her on to Amarillo in an ambulance. Her kidneys were blocked. They have that straightened out-while x-raying, they found a growth on her liver; she is to have surgery next Tuesday, March 11. She is in St. Anthony's Hospital. We wish her a speedy recovery.

Mr. and Mrs. Ed Campell from Shamrock visited us Sunday afternoon.

I said, "March came in like a lamb"-and it did; but in 3 or 4 days it

went to a lion. Sunday afternoon wind and dirt in air looks like most anything could happen.

Sunday night around 6 p.m. a bad cloud came out of the southwest; looked like we were going to get blown

away-it passed over; last night around 2-it hit out of the north and was about as hard wind we had in long time.

Monday morning, it's calm and still.

Clarence and Irene Zybach went to Sayre, visited and helped Rory, a great grandson, celebrate his 2nd birthday. Others there were Truman and Bettie Zybach, Trudy and Darrel Carter, Chasie, Rory, Stephany and

Cliff and Dorothy Ogle, James and Bea Ogle and Claude visited Mable Sunday in St. Anthony's Hospital, room 376, Amarillo.

Juanell and Dale Manning and Juanell's grandson, Terry Wilson, visited her parents Sunday, the J. O. Heltons.

Ricky Kiker is home for spring break. Richard and Ricky have gone to Las Vegas, N.M., to check on their ranch there and to visit Charlie Puryear and his wife, who live there on the ranch. Ricky went to McLean to judge at the local stock show there Friday.

Bill Miller isn't feeling well, she seems to think it is the flu, hope she is soon on the mend and feeling well again.

Rex and Virginia Miller went to Amarillo last Thursday to Stewart McCarty's funeral. Stewart's mother was Rex's first cousin-really, they were double cousins. Then Friday they attended another funeral of a friend, Mrs. Fannie Burkett, at Lexington, Okla.

Bob and Virginia Puryear were in Woodward, Okla., last Friday for the stock sale.

Monore and Nadine visited Sunday afternoon with John and Angie Huff and family and Boyd and Ellen Huff and family. Monroe's brother, James Reynolds, from Okmulgee, Okla., visited Monroe and Nadine Wednesday and Thursday. Monroe and Nadien visited Carl Giddens in the Shamrock hospital Saturday.
