Regular Meeting Of Music Study Club Is Held

The regular meeting of the Music Study Club was held Wednesday at 3:30 p.m. in the Woman's Club.

Mrs. P. W. Hewitt acted as program leader and introduced Diane Fry, who played three piano solos, "Skating," "Nodding Ferns on a Rverbank" and "Blowing Bubbles." As an encore she played a waltz.

"Ascap's Golden Legend" from Paul Carpenter's book, "Music, and Art and a Business" was discussed by Mrs. Frank Sayre. She told of this organization that protected and collected fees for writers and composers. She stated that it was Mr. Carpenter's hope that Ascap would eventually become a golden reality instead of a golden legend.

"Suite Swanee" by Mark Nevin was played by Sharon Sayre. "Un Union there is Petrillo" was the chapter discussed by Mrs. Dick Spalding. She added some of her own interesting observations, stating that her husband had devoted his life to work in radio. She repeated Mr. Carpenter's conviction that "Petrillo had done nothing for music."

Two new members were unanimously elected to membership in the Music Study Club: Mmes. Mike George and Varge Daniel. Mrs. D. L. Kinnaird, president, presided during the business meeting. She discussed the scoring sheet for the club and reviewed some of the projects and aims of the organization.

The following members were present: Mmes. A. D. Dabney, David Fry, H. M. Hart, P. W. Hewitt, D. L. Kinnaird, J. H. Lee, B. W. Patterson, Grady Pipkin, N. N. Rosenquest, Frank Sayre, A. F. Taylor and Dick Spalding. Misses Dianne Fry and Sharon Sayre were special guests.

CWF Holds Regular Meeting In Church Annex

The Christian Women's Fellowship of the First Christian Church met Monday Feb. 1, at 3:15 p.m. in the annex of the church for the regular monthly meeting.

Mrs. Joe Tow, president, presided over the meeting. Mrs. Ray Heckendorn gave the invocation and led the group in singing a hymn with Mrs. Curtis Young accompanying.

Rev. Heckendorn then brought the program "Give of Thy Sons." Mrs. Heckendorn brought the devotional of the same title. She then closed the meeting with the missionary benediction.

Following the meeting the group enjoyed refreshments of cherry cake squares and coffee.

Amendments-

(Continued from Page One)

the public to realize their use is in vogue now as never before.

Coal-tar dyes are inexpensive, and since they create brilliant pigments in foods they have largely replaced mineral and vegetable dyes. They are used extensively in sausage, confections, jellies and jams, meats and flavoring extracts.

Most of these products, while not adding to food quality, are defended on grounds that they make foods more appetizing. The danger arises when additives are used to obscure inferior products, or when additives themselves are potentially hazardous.

The federal food and drug law amendment is wholesome in its implication of public health protection. After March 6, before the product is offered for sale, additives users will have to prove their safety. (A weekly feature of the Health Education Division, State Department of Health.)

Down on the Farm-

... insurance is the farmer's most dependable hired hand. You farmers know best how Mother Nature can play havoc with your home and other farm buildings, machinery, live stock and crops. Fire, lightning, windstorm and hail cause tremendous farm property losses every year. Sufficient insurance coverage can give you all the financial protection you will need. Then, when disaster hits, the hired hand—your insurance—will relieve you of your financial worries. Drop in soon for estimates and costs. No obligation.

Then a big old truck with a derrick tall, with a big wire cable pulled down the wall.
When they got to the corner where the stone was set, the boss said leave it for a little while yet.
And all the folks from round about had heard about the Frog in the stone no doubt.
Pushing and a shoving all over the block, all tryen to see in the hole in the rock.
Then they all made room for the preacher man, as he pushed thru the folks and held up his hand.
And the folks got back and left the preacher alone, as a man uncovered the corner stone.
Then he pulled out some papers and some money and stuff, and down in the bottom of the hole shoo nuff.

Jacqueline James and Harold D. Hendricks Are Wed Sunday

Jacqueline Ruth James and Harold Dean Hendricks were united in marriage Sunday at 3 p.m. in the home of the bridegroom's mother, 418 E. Conner.

The bride is the daughter of Mr. and Mrs. George Douglas 400 W. 3rd, Cisco.

The bridegroom is the son of Mrs. Willie Mae Hendricks of Eastland.

Rev. Jimmy Reddy, pastor of the Wesleyan Methodist Church of Cisco, performed the double-ring ceremony under an archway of greenery, red carnations and holly.

The bride was attired in a street length dress of red velvet. The high rounded neckline

dipped to a deep V in the back.

The dress, which featured a bouffant skirt, was accented by a pleated cummerbund. She carried a white Bible topped with white carnations and pearl streamers.

Mr. and Mrs. Bobby L. Little of Eastland attended the couple. The matron of honor wore a beige street length dress with a matching jacket. The pleated skirt was accented at the waistline by a lace cummerbund. She wore white accessories and a corsage of white feathered carnations.

Approximately 55 guests attended the reception which followed the ceremony. Mrs. Paul Douglas, sister-in-law of the bride, registered the guests in the white lace bride's book.

The three tiered wedding cake was white with red roses, which carried out the bride's chosen color scheme of red and white. The table was centered with the bride's bouquet flanked on each side by crystal candelabra holding four burning red tapers. Alternating at the bride's table were Mrs. Jimmy Hendricks, sister-in-law of the bridegroom; Miss Zelma Hendricks, sister of the bridegroom, and Miss Carolyn Collins.

For the short wedding trip, the bride chose a two piece suit of grey tweed with red accessories. She wore the white carnation corsage from her bridal bouquet.

The couple will make their home in Cisco.

Mrs. Hendricks is employed as secretary for W.D.R. Owen, attorney. Her husband is employed by the A & P Grocery in Eastland.

Mr. and Mrs. Howell Sledge of Fort Worth spent the weekend in the home of her parents, Mr. and Mrs. J. M. Mitchell. Other guests in the Mitchell home were their granddaughter, grandson and great-grandson, Mr. and Mrs. Gene Gist and son, Greg, of Abilene.

Gray Matter—

(Continued from Page One)

wake a fellow up from a restful nap.

People don't get enough sleep as it is now, much less with all the interruptions that come into our daily living. The phone call wakes a lot of people up when they don't want to be awakened.

I've had people call me up after the turn of the new year to tell me that it was another year. Now that sort of thing is something that makes me wonder if the phone sometimes isn't a disadvantage.

The phone, like anything else, can be used to disadvantage of some people. People can be bothered with it or people can be benefited by it.

I do think, though, the phone company has made an error in the numbers assigned to the fire and police departments in Eastland. It shouldn't be necessary to dial seven digits to get the police nor the fire departments. Couldn't they have settled on at least a four- or five-digit number to get these essential people that one might need any time on short notice?

Good Taste

By Emily Post

May He Stay On?

Dear Mrs. Post: I would very much like to have your opinion on the following situation: A young man I know is invited to an evening of cards at my house, three other couples are also invited. When they leave, is it wrong for my friend to stay on awhile to help me straighten the house, or must he leave when the others do?

Answer: If you are a young woman and you will be entirely alone with the young man, I'm afraid you will be inviting criticism if you have him stay on after the others leave.
At A Funeral Home
Dear Mrs. Post: It has always struck me as being in very poor taste for members of the deceased family to say "Thank you for coming" to those who call at the funeral home to pay the respects. I feel they do this out of friendship and love and that thanks are out of order on this occasion. Later of course thank-you notes are written to all those who sent flowers, mass cards, donations, etc. I would very much like to know what you think about this.

Answer: I am sorry but I cannot agree with you. It is not wrong to express one's thanks to anyone who has taken the trouble to come to the funeral home to pay his (or her) respects to the deceased.
A Wife Goes To A Wedding Alone
Dear Mrs. Post: Is it improper for a woman to accept an invitation to a wedding if her husband cannot go with her? A friend of mine went to a wedding recently in a distant city alone as her husband could not go with her. She is now being severely criticized for this. I would very much like to know if there is just grounds for this criticism.

Answer: If her husband did not object to her going to this other city alone, there can be no reason for anyone else to criticize her.

Correction Before Others
Dear Mrs. Post: I have been in this country only a short time. My husband's family are very well educated and speak perfect English. While I speak the English language, I do not always use correct grammar. Whenever I make a mistake my sister-in-law immediately corrects me whether we are alone or in the presence of others. I find it very embarrassing to have her do this. It is not that I am above correction, but I do mind her drawing attention to my mistakes when others are present. When I complained of this to my husband he said that she was only trying to help me. Don't you think it is very rude of her to do this, and what can I do to correct this

situation which I find most annoying.

Answer: You can easily say you appreciate her correction of your English when you and she are alone or with members of the family, but that it embarrasses you very much to have her do this before others.

A Permanent Hotel Guest
Dear Mrs. Post: I live in a hotel as a permanent guest. Would you say that I should tip those who wait on me, such as the doorman, elevator man, the maid who does my room, every month when I pay my bill.

Answer: A permanent guest in a hotel is the same as in an apartment house and no apartment house occupant feels obligated to make the rounds once a month. A tip at Christmas and when you leave for your vacation (if you do) and a tip perhaps for an special service by someone, is sufficient.

Writing Place Cards By Hand
Dear Mrs. Post: My employer is giving a business dinner for twenty-five out-of-town salesmen, at his club. The men will be seated with place cards and I have been asked to make them out. Since the typewriter is used so handsomely today as a substitute for handwriting, may these cards be typewritten.

Answer: No, they should be written in your best-meaning clearest handwriting.

Mrs. Post offers readers leaflets on a variety of subjects concerning etiquette. If you would like to have her leaflet E-4, entitled, "Wedding Expense," send 10 cents in coin to Dept. E. P., care of (this newspaper), P. O. Box 99, Station G, New York 19, N. Y. Mrs. Post is sorry she cannot answer personal mail.

TELEPHONE TALK

by Archer H. Marx, Jr., Manager

WHILE YOU WERE SLEEPING

On Sunday at 1:01 a.m. cords were pulled in our new building, and in a matter of minutes Eastland's new dial telephone system became a reality. It has taken months of hard work and planning for us to be able to install your modern telephone service. Now, in a matter of seconds, you can dial all your friends in town.

Please remember these three important points for good service:

1. Listen for the steady hum before dialing.
2. Dial the first two letters, then the five figures in the number.
3. When dialing, pull dial around until finger hits finger stop.

It has been a real honor for all of us at Southwestern Bell to be a part of progress-minded Eastland's development. Thanks for the opportunity. We know you are going to enjoy your new telephone system.

By the way, keep an eye on my column for future details concerning our open house at the new building. We want everyone of you to be there at that time.

WHAT'S A TELEPHONE FOR?

It's amazing how some folks don't make all the use they can of their phones.

A friend and I were talking about this very thing recently. This fellow, by the way, is one of the busiest people I know. In addition to his job, he does a lot of "do-it-yourself" projects, such as adding a family room to his home, takes part in social and church events with his wife, hunts, bowls and still has time to spend with his two young sons.

"How do you manage to accomplish so many things?" I asked.

"I have help," he told me.
"How's that?"
"My two phones at home," he said. "Why, I just pick up one of them and the job's done."

Yes, my friend certainly believes in using his phones as much as he can—for business and pleasure. If you aren't getting the most out of your telephone, as he is, you might ask yourself, "Why not?" After all, that's what a telephone is for... to use.

FIND IT FAST IN THE YELLOW PAGES

"I wonder where to find..." I bet you've heard that statement many times by folks looking for a particular product or service. You've probably said it yourself.

There's really no need to wonder, though. Not when you can refer to the Yellow Pages. It's Eastland's most complete shopping guide.

Call by number. It's twice as fast.

LOOK AT THE LOWER PRICES

List prices as much as \$76.05 lower on popular models with popular equipment

The '60 Chevrolet models most people buy, equipped the way most people want them, are actually priced lower than last year's models. This two-tone Bel Air V8 sedan, for example—with Turboglide, push-button radio and de luxe heater—lists for a whole \$76.05 less! Prices are lower for all comparable V8 models throughout the line. Also for all comparable 6-cylinder models with Powerglide. Yet Chevy's loaded with more of the things that put pleasure into owning a car. (Just look at the list!) It's the greatest year yet to get into a Chevy!

Softer, more silent ride with coil springs at all four wheels and new butyl rubber-cushioned body mounts.

Big brakes for quicker, surer stops. Rivetless bonded linings mean they last longer, too.

More room to relax in. Chevy sedans offer roomier seating than any car in their class. Lower, narrower transmission tunnel means more foot room.

Only full wraparound windshield among the leading low-priced cars.

Electric windshield wipers keep sweeping even when you speed up to pass. Vent windows crank open and closed. So much simpler than fighting those tricky little catches.

Keyless locking of all doors. Quick and easy. The same key opens door, glovebox, trunk and starts the car.

Economy Turbo-Fire V8. Or how to get up to 10% more miles per gallon of regular and still have lots of "git."

Thriftest 6 in any full-size car. It's the '60 version of the engine that got 22.38 miles per gallon in the 1959 Mobilgas Economy Run.

Widest choice of power teams. 24 engine-transmission teams in all, with output up to 335 h.p.

A trunk that's made for long trips with up to 22.5% more actual luggage space. Sill's lower for easier loading.

Fisher Body craftsmanship. Look at the finish, the fabrics, the detail work. You'll see the difference.

Picture of a Promise

*Sure, she's a grand old flag!
That's why we salute her.
That's why we pledge allegiance to her.*

That pledge, in its simplest terms, is another way of saying, "Count me in. You're my country and I love you and need you. Your problems are my problems, and I'm with you all the way."

Your country's biggest single problem is the perpetual responsibility for keeping the peace its people want. You can help with this problem by remembering this:

Peace costs money. Money for military and industrial strength. Money for science and education. And money saved by individuals — by you — to help keep the economy strong.

Bonds provide this money. Every Bond you buy is an important, personal pledge of allegiance to your country. Think it over. Are you buying enough?
