 Ezekiel (18): "Repent, and turn yourselves from all your transgressions; so iniquity shall not be your ruin."  
 From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read (p. 315): "The likeness of God we lose sight of through sin, which be-

clouds the spiritual sense of Truth and we realize this likeness only when we subdue sin and prove man's heritage, the liberty of the sons of God."  
 A selection to be read from the Bible states: "For it is God which worketh in you both to will and to do of his good pleasure. Do all things without murmurings and disputings: That ye may be blameless and harmless, the sons of God, without rebuke, in the midst of a crooked and perverse nation, among whom ye shine as lights in the world" (Philippians 2).

### Around the Campus

**Personality of the Week**  
 This week's Personality of the Week is Bob Thomson, a sophomore transfer from North Texas State College. He enrolled in Ranger College at the beginning of the spring semester, and he is a member of the college golf team.  
 The son of Mr. and Mrs. Adam Thomson of Regina, Canada, Bob is a graduate of Scott Collegiate High School in Regina. While in high school, he participated in such sports as golf, basketball, bowling and hockey. A member of the student council, he took an active part in student affairs in his high school.

The chief reason for Bob's coming to school in the southern part of the United States was to be in a section where the climate would permit his playing golf the year round. Interested in getting an education as well as in playing golf, he chose North Texas State College because it was the first in the south to send him a catalog and pictures of the school and it impressed him greatly.  
 A physical education major, he has not decided what senior college he will attend next year to complete his college work.  
 His hobbies are golf, watching T. V., and reading books about the Old West and about sea adventures. His chief interest is girls, and his ambition is to be a professional golfer.

### "Backward Party" Held for Willing Workers SS Class

Members of the Willing Workers Sunday School class of the First Baptist Church enjoyed a "backward party" in the home of their president, Mrs. Bill Collings, Thursday night. Mrs. Varge Daniel assisted Mrs. Collings and greeted guests at the door with a farewell greeting.

As guests backed in the door, they were given numbers and in numerical order chose white elephant gifts displayed. Bingo was played and guests winning were able to choose additional gifts held by other members. Several white elephants changed hands many times and this popularity created much laughter.

To the amazement of guests, those winning at bingo several times were shown to the kitchen and asked to prepare the refreshments.

Mrs. Charles Beskow and Mrs. Jack Chamberlain served frosted cakes and cookies to the group. Mrs. Neil Day won the prize presented to the "best back dresser."

Others attending who have not yet been mentioned were Mrs. Ruthella Lightfoot, Joe Tow, Ray Heckendorn, Ray Poole, Frank Hightower, J. F. Collins, D. E. Webb, George Saltee, W. E. Tankersley, J. M. Watson and L. E. Huckabay.

### WCS Members Attend Luncheon In Collings Home

The meeting closed with a devotional and prayer before the bountiful luncheon. Three tables were laid with white damask and centered with lovely arrangements of roses. Twenty women attended the luncheon and business meeting.

Following the luncheon a tour of Mrs. James Horton's garden was made. Her pink and white peonies were the center of attraction.

Society members will meet Tuesday morning at 9 in the Susan Steele class room of the church for the prayer service. The regular meeting will be held at 9:30 a.m. in the church parlor.
