roduce

TO THE MEN WHO SAY "YES" ON **NEW PLANTS**

The advertisement reproduced at left is the first in a series of Area Development messages being sponsored by your electric service company in nationally-known publications to help encourage new industry to locate in THE OPPORTUNITY FRONTIER OF TEXAS.

This message is appearing this month in Business Week Wall Street Journal, and The New York Times, where it will be read by the nation's leading business executives...the men who have the power to choose sites for new plants.

This program is designed to point up the many advantages in markets and resources offered to expanding industry in the area served by Texas Electric Service Company in THE OPPORTUNITY FRONTIER OF TEXAS.

Industries attracted to the area will be joining a roster of leading American firms who already have located here and have made substantial investments in plant facilities.

The basic objective of this program is to promote the progress of your community and others served by Texas Electric Service Company in THE OPPORTUNITY FRONTIER. And progress means benefits for everyone — new job epportunities, added tax revenues and greater business activity in
