Eastland Scouts to Take Over Operations of City

Eastland Scouts will take over the city Saturday. Scouts of Troops 103 and 6 will serve as mayor, city judge and police.

Local Clubs Are Asked to Make Cancer Dressings

Mrs. Ernest Schaefer of Cisco, Eastland County service chairman for the American Cancer Society, has asked that any club or organization wanting to make cancer dressings contact her at 106 East 13th in Cisco.

Final Rites Monday for W. H. Bryan

Funeral services were held Monday at 2:30 p.m. in the First Baptist Church of Gorman for William Howard Bryan of Oliver Springs community near Gorman, who died at 9 p.m. Friday in his home.

Elder T. H. Houston and Rev. A. D. Kyle of the Primitive Baptist Church in Gorman, officiated. Interment was in the Gorman Cemetery.

Ray Lowrimore Completes Air Force Basic

Airman Ray H. Lowrimore, son of Mr. and Mrs. Andrew R. Lowrimore of Eastland, has completed his initial course of Air Force basic military training here.

Basic airmen at Lackland are selected for specialized training at technical schools on the basis of their interests and aptitudes. They are reassigned to the school after five weeks of basic training.

Upon completion of special technical training at the Air Force Technical Training Center, airmen are assigned to operational units of the USAF Aerospace Force.

RAY H. LOWRIMORE at Chanute AFB now

servicing the 51st Anniversary of the Boy Scouts of America during Boy Scout Week Feb. 7-13.

Each Cub Pack, Scout Troop and Explorer Post is called on to participate in the "five point plan" which includes arrangement of a display of crafts in an up town window, attending church service on Scout Sunday, Feb. 12, going on a hike or camp and cook-out, conduct an "open house" for parents and friends and present awards and participate in a good turn service project.

"Each unit that completes four of five of the program points will receive a ribbon streamer award" according to Lucius M. Stephens of Lometa, chairman of the Camping and Activities Committee.

Scouting Commissioners are to report the progress of the units they serve in order for the boys to receive credit and the award.

The theme for Boy Scout Week and throughout 1961 is "Strengthen America - Character Counts".

A special Report to the Governor program and luncheon will be held in Austin Feb. 11-12. Ross Merrill of Breckenridge and Tommy Seely of Brownwood and their leaders will officially represent the Council in this activity. All explorers and their leaders are invited.

"We encourage every sponsoring organization to support the boys and the leaders in their endeavor to the end that more boys may receive Scout training" stated Firman H. Smith of Brownwood, president of the eight-county Comanche Trail Council.

Most Farmers Under Self-Employment Tax

Arthur E. Fogle Jr., Administrative Officer, of Internal Revenue Service, Abilene, said today that most self-employed farmers and ranchers are now under the Federal social security law and must pay a self-employment tax. Rate of self-employment tax for the year 1960 is four and one-half percent. This is in addition to any income tax payable.

Under Federal social security S. S. taxes are paid by employees and their employers, and a tax known as the self-employment tax must be paid by persons who are self-employed. These taxes are kept in special funds by the U. S. Treasury. They pay for old-age, survivors and disability benefits under the Federal S. S. program.

A self-employed person is one who operates his own business. Farmers and ranchers who operate a farm or ranch either on their own land or land rented from someone else, are self-employed. This holds even though they may employ someone else to do the work and do not live on the farm or ranch themselves.

The IRS representative reminded farmers and ranchers of this area that they must file a federal income tax return and pay any self-employment tax due, even though they owe no income tax. Normally, no self-employment tax is due unless net earnings from self-employment amount to \$400 or more for the year.

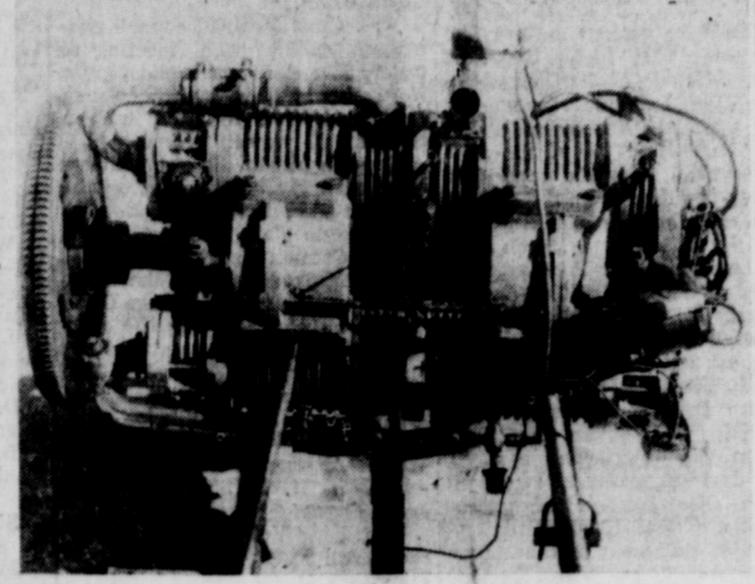

"Farmers and ranchers who have actual net earnings from the operation of their farms or ranches of less than \$400 may, under certain circumstances, elect to pay the self-employment tax placing themselves in line to receive benefits under the S. S. system."

Self-employment tax rules, together with tips relating to the federal income tax, are explained in the instruction booklet which farmers and ranchers will receive in the mail along with their blank forms. For those with unusual problems, copies of the official pamphlet, "Farmer's Tax Guide," may be had by contacting the IRS office at 951 N. Third St., Abilene.

Those needing help in preparing their income or self-employment returns may check with the local IRS office by telephone or in person. Taxpayers are urged, however, to fill out their own returns as far as possible "before" asking Internal Revenue help.

The IRS representative reminded farmers and ranchers that February 15 is the deadline for filing their income and self-employment tax returns if they do not file an estimated return on Jan. 16. If an estimated return was filed and the tax due paid on Jan. 16, farmers and ranchers have until April 17 to file their final return for the year 1960.

NEW MOTOR—The motor above was designed, built and patented by W. C. Howard of Olden. It has only three moving parts. It is believed by the inventor that this motor, when fully developed, will produce more horsepower than any piston type engine of its size. The inventor also has a patent pending for a third drive system for automobiles. (Canaris Studio Photo).

Texas School System Needs Legislative Action

Texas is not even average in the amount it spends on public schools, and the Texas State Teachers Association fully expects that the 57th Legislature will do something about it.

And Texas still will fall below average in education expenditures even if the 57th Legislature enacts the full TSTA-Hale-Aikin school program, the association's president pointed out.

Latest national figures show Texas in 35th place among the states in the average spent per child and 34th in average teacher salary.

"Only prompt and decisive action by the Legislature can stem the steady decline in Texas' position," explained TSTA Pres. D. Richard Bowles.

TSTA, relying on what the public said it wanted for schools in the Hale-Aikin study more than two years ago, is calling for school improvements estimated to cost \$80 million yearly in State funds.

Major items in the TSTA program are increases in teacher pay, school bus allowances, and maintenance and operation aid. Several other items are included also.

This year Texas will spend an average of \$330 per child in average daily attendance at school, \$60 per child below the national average of \$390, Bowles noted.

The TSTA program would add \$42.50 per child more, bringing the Texas expenditure up to \$372.50 per child, still below the national average.

The governor's finance advisory commission's recommendations would increase expenditures by only \$13.50 per child up to \$343.50, leaving Texas far behind the effort of other states.

Average pay for Texas teachers ranked 19th in 1950, just after enactment of the Gilmer-Aikin Minimum Foundation Program, Bowles said. Now, ten years later, Texas ranks 34th, \$725 below the national average.

William Samuel Named Manager Of Majestic

W. E. Mitchell, vice president and general manager of Texas Consolidated Theatres, Inc. has announced the appointment of William (Bill) Samuel as manager of the Majestic Theatre and other Eastland properties.

Samuel, 47 years of age and a veteran motion picture exhibitor, was born in Ferris and completed his schooling in Ennis. He is affiliated with the Baptist Church and is active in the Masonic Lodge.

The father of a 19 year old son, who is a member of the U. S. Air Corp., Samuel has held various positions related with the movie industry since 1936. He has managed theatres in Beaumont, Dallas, Wichita Falls and in Memphis, Tenn.

Samuel has been in Eastland for about two weeks, but the official announcement was made just this week.

SEE and Drive the 1961 PONTIAC... fresh point of view and wide track too! MUIRHEAD MOTOR CO.

it has skidded still further to 34th. TSTA is asking that the State minimum salary schedule, now at \$3,204, be raised to \$4,014. This would put Texas at about the present average, but other State legislatures are meeting this year and no doubt will make further strides ahead of Texas.

All surrounding states except Arkansas are above Texas in average pay, leaving this state vulnerable to "raiding" from its neighbors.

"This story of erosion in the teachers salary scale necessarily is reflected in the classroom," declared the TSTA president.

"Thousands of bright young people educated in Texas-supportive schools either choose more remunerative work teaching, or they go to some other states which offer them more of the coin of the realm," Bowles said.

"This is something to concern every citizen in Texas—not just teachers," Bowles declared.

Chili Supper Is Planned Friday By Bible Class

The Men's Fellowship Bible Class of the First Christian Church will hold a chili supper at 7 p.m. Friday.

The supper will be held in the Church annex. A special program is planned and all men of the town have been invited to attend.

Ronald Hancock Participates In Army Exercise

Army PFC Ronald G. Hancock, son of Mr. and Mrs. Y. Z. Hancock, 1004 W. 11th St., Cisco is participating with other personnel from the 41st Transportation Battalion in Exercise Winter Shield II at the Grafenwohr-Hohenfels training area in Germany. The exercise is scheduled to end Feb. 8.

Winter Shield, an annual Seventh U. S. Army winter field training maneuver, involving 60,000 U. S. Army, German and French troops, marks the highpoint of a year's training for units in NATO's "Pyramid of Power".

Hancock is a personnel specialist in the battalion's Headquarters Detachment in Mannheim. He entered the army in January 1960 and completed basic training at Fort Riley, Kan.

Hancock attended Cisco High School.

Olden Meeting to Study Community Club Thursday

There will be a meeting at the Olden gymnasium Thursday night at 7 to discuss the possibility of changing the 4-H Club in that area from a school club to a community type club.

All students are asked to come, especially those from the age of nine through high school. Parents and friends are also urged to be present.

A spokesman said, "People of Olden, this is your community and we would certainly like for you to attend this meeting and be ready to voice your desire in this matter."

Accidents And Snowmen Are Plentiful Here

Eastland County's second snow of the young year brought more moisture to already excellent conditions in the county. With the snow came a rash of automobile accidents and many, many snowmen.

Up to four inches of snow was measured in this area, with drifts of more than one foot commonplace. The average here was about three inches. The snow began falling Sunday night and by Monday morning the county was under a blanket of the frozen moisture.

The weatherman reports that cloudy and occasional rain or light snow will continue in this area today with warmer weather in store Wednesday. By mid-morning Tuesday the sun had already made a welcomed appearance.

Training Camp Set for Leaders Of Recreation

"Community Fun in Sixty-One" is the theme for the annual Longhorn Recreation Laboratory to be held February 19-25 at the Glen Rose Methodist Camp, Glen Rose, Texas.

According to Dr. Bardin H. Nelson, Department of Agricultural Economics and Sociology, Texas A&M College, the non-profit organization is designed to develop leadership and recreational skills among Boy and Girl Scout leaders, 4-H Club adult leaders, county extension agents, church recreation specialists and community leaders.

Dr. Nelson said we don't want any individual to miss this opportunity to gain from this most effective training program. Craft training to be offered includes mosaics, leathercraft, basket weaving, tin can craft, contoured glass, woodwork, copper and brass tooling, campcraft, rope craft, jewelry making and outdoor games.

Other subjects will include singing, party games, outdoor cooking, family recreation, square and folk dancing, planning recreational activities and homemade equipment for games. Instructions and demonstrations will be given by an outstanding staff, Dr. Nelson added.

The A&M sociologist pointed out that attendance is limited to 100 adults and advanced registration is suggested. He added that local county extension agents, in some instances, can supply detailed information on the training school. Reservations should be sent to Capt. W. P. Route 4, Box 392, Austin, Texas.

Attending the meeting with Mrs. Crabb were Mrs. Stella Grigsby, Mrs. Ima Jordan and Mrs. Connie Cogburn, all of Eastland and Mrs. Vera Darr of Cisco.

M. O. Arterburn Dies Tuesday In Oklahoma

M. O. Arterburn of Madill, Oklahoma, brother of E. F. Arterburn of Ranger, died Tuesday morning.

Funeral services are tentatively set for 2 p.m. Thursday in Madill, Oklahoma.

Mr. and Mrs. E. F. Arterburn left Tuesday for Madill.

Teenage Baseball Meet Scheduled Tonight at 7:30

The Eastland Teenage Baseball Association will meet tonight at 7:30 in KERC to elect officers.

A spokesman urged all parents of boys who will play this year to attend the meeting. Also on the agenda is a discussion of a league franchise.

Champ Contest to End at Midnight

Midnight Tuesday is the deadline for 4-H Club and FFA boys and girls to enter the "Tomboy and the Champ" contest being sponsored by the Majestic Theatre and the Eastland Telegram.

Two boys and two girls are eligible to win. All a boy or girl has to do to be eligible is write a short article, in 50 words or less, explaining why he or she would like to raise a blue ribbon winner.

Prices will include Resistal hats, courtesy of Harelik's Department Store to the two winning boys, western shirts, compliments of the Men's Shop, gift certificates from Montgomery Ward, dinners for two at the White Elephant restaurant, four passes good for two to the Majestic Theatre and a subscription to the Eastland Telegram for all four winners.

The awards will be presented in conjunction with a special showing of the movie, "Tomboy and the Champ," Thursday, Feb. 9. Winners will be notified by phone Feb. 8. An entry blank appears in the Telegram today, it or a copy can be used to enter.

area today with warmer weather in store Wednesday. By mid-morning Tuesday the sun had already made a welcomed appearance.

Three accidents were investigated by the Highway Patrol, but no injuries were reported.

The latest occurred Monday at about 6 p.m. four miles south of Eastland. A 1953 Ford driven by Holey Hartin Byrd which was traveling south skidded across Highway 6 and smashed into a utility pole.

Another accident occurred Monday at 8:20 a.m. on U. S. Highway 80 east of Eastland. A 1953 Ford driven by Frank Rea of California and a 1956 Dodge driven by Clau Wilburn Boles of Eastland were in collision. Damage was not heavy to either car.

The third mishap occurred about one-half mile east of Cisco. It was a strange affair since neither driver of the two vehicles involved were in their vehicles at the time.

A 1960 Ford driven by Dupree Louis Gunter of South Carolina stalled on a hill and Thomas Hernandez Romero of Brownwood stopped his truck to give assistance. Both drivers got out of their vehicles, then the car and truck skidded into each other. Traffic was tied up for about half an hour and some 100 vehicles were blocked on the highway.

Traffic conditions remained bad in the county. Authorities warned motorists to travel only when necessary. Highway conditions east and west were almost blocked at times Monday and many motorists stayed in this area Monday night.

School in Eastland, Carbon and Olden schools closed Monday and Tuesday and Ranger schools closed Tuesday.

Attends Meeting

Mrs. Florence Crabb, District Deputy Grand Chief of District No. 5, Eastland Pythian Temple, made her official visit to Brownwood Pythian Temple Thursday night.

Attending the meeting with Mrs. Crabb were Mrs. Stella Grigsby, Mrs. Ima Jordan and Mrs. Connie Cogburn, all of Eastland and Mrs. Vera Darr of Cisco.

H. D. Council Meet Held Wed. In Conference Room

The Eastland County Home Demonstration Council met Wednesday in the Texas Electric Conference Room for their regular session.

Mrs. Clint McCain, council chairman, called the meeting to order. The club motto and prayer were repeated in unison. Seven clubs answered roll-call with a total of 27 women present.

Reports of standing committees were then given. A report on the meeting at Clifton was given by Mrs. Virgie Hale, T.H.D.A. chairman. Council recommendations were approved and a chairman, Mrs. Elva Altom of the Lake Cisco club, was elected for the next year. Also delegates to attend the state meeting on March 16-17 in Temple were elected. Delegates elected were Mrs. Virgie Hale, Mrs. Elva Altom and Mrs. Lee White. Alternates were Mrs. Gordon, Mrs. H. L. Short and Mrs. J. A. Pogue.

Mrs. Dick Yeilding directed the recreation which followed the meeting.

Speedy Breakfast For Teen-Agers

In Vacation Bible Schools, youth camps, and work in Baptist churches in the Orient.

The venture will mark the first time that a college student group has toured the Orient completely financed by gifts from fellow students.

Baptist Student Union organizations in 68 Texas colleges will take up missions offerings and hold special work days, washing cars, mowing lawns, and doing odd jobs to help raise the \$26,000 to finance the trip.

Named to the 14-voice choir were Milburn Price of Ellisville, Miss. and Don Looser of Lufkin, both of Baylor University; Ross Nicholson of Richland, Wash., Mary Hardin-Baylor College; Jim Pfafflin of La Crosse, Wis., Hardin-Simmons University; Leon Rodgers of Beaumont, Lamar Tech; Bettye Jean Goodson of Dallas, East Texas State College; and Michael Stoune of Austin, University of Texas.

Others include Dolores Mingus of Fort Worth, University of Corpus Christi; Karen Carpenter of Snyder, Howard Payne College; John Wheelock of Canyon, West Texas State College; Yoshiko Shiga of Kyoto-fu, Japan, and Albert Bent of San Andres, Columbia, both international students at Wayland Baptist College; Don Norris of Newark, East Texas Baptist College, and Donna Sue Meeks of Longview, Kilgore Junior College.

"I like something that I can eat in a hurry," a teen-ager commented and her mother agreed. The answer? An orange flavored cereal with honey bran muffins. It takes just 5 seconds to whirl the cereal and the muffins are ready to eat just as is! Such a speedy breakfast provides one-fourth of the recommended amounts of calories for a teen-age girl and one-third of the protein allowance.

If your teen-age daughter refuses to eat breakfast because she "doesn't have time," encourage her to try a cereal with muffins. It's quick, refreshingly different, and makes a good contribution towards meeting her daily nutritional requirements. During September—the 10th Anniversary of Better Breakfast Month, encourage your teen-agers to start each day with an adequate morning meal. They will feel better, work better, and be less fatigued throughout the entire morning.

Orange Cereal Nog

1 cup cooled cooked rolled oats, quick or regular; or cooled cooked hot whole wheat cereal, instant or regular

1 cup chilled orange juice

1 egg

2 tablespoons sugar

1/4 cup instant dry milk solids

1/2 cup chilled milk

Measure all ingredients into blender container. Blend about 5 seconds. If no blender is available beat until thoroughly mixed with hand or electric mixer. Chill if desired. Yield: 3 cups.

BUY BETTER-THAN-EVER U.S. SAVINGS BONDS

A new 50-star flag now flies over the capitals of 50 states—symbol of a new America that's bigger and stronger than ever before. And there's a better-than-ever U.S. Savings Bond, too, to help keep our new America strong.

Other advantages of U.S. Savings Bonds

- You can save automatically with the Payroll Savings Plan.
- You invest without risk under a U.S. Government guarantee.
- Your money can't be lost or stolen.
- You can get your money, with interest, anytime you want it.
- You save more than money—you're helping your Government pay for peace.

U.S. Savings Bonds are now better in two ways:

- They mature 14 months faster than before. In E Bonds \$18.75 now becomes \$25 in just 7 years, 9 months.
- They continue to earn interest after maturity. If you hold your bonds for 17 years, 9 months, you get \$1.93 back for \$1 you put in.

Questionnaires Must Be Filed By Pensioners

Widows of deceased war veterans who get monthly pension payments from the Veterans Administration were reminded today to return questionnaires from the VA concerning their anticipated income for calendar 1961.

Edward P. Onstot, manager of the VA Regional Office in Dallas said VA is required to remove from the pension rolls those who do not return the cards to VA within 30 days after receipt.

Death pension is payable to widows of wartime veterans who die of causes not connected with military service. It differs from death, or dependency and indemnity, compensation, paid to widows of veterans who die while in service, or following discharge, as a result of a service-connected disability.

Questionnaires were not sent to widows drawing service-connected death benefits, nor to widows of veterans of the Spanish-American War.

Widows of World War I, World War II and Korean Conflict veterans are not eligible for pension if their annual income exceeds cer-

tain limitations. For this reason, Mr. Onstot said, information concerning the widows income, also the status of her dependents, if any, must be reviewed at the beginning of each year.

In cases where widows themselves are ineligible or have died but minor children remain who are receiving pension, the guardian or custodian of the child should complete the questionnaire as to the child's income and return it promptly.
