IN MAY C-C Will Sponsor Window Trimming

There'll be some new faces in Eastland before long. Beaming onto the Court-house square and along main streets, will be the new appearance of re-decorated store fronts.

Local store managers and owners are acutely conscious of modern merchandising and its methods, and many are deciding that their store's windows need to be geared to present day selling.

There'll be a competitive spirit too, because during the Month of May, the Eastland Chamber of Commerce will sponsor a "Decorate That Window" contest, President Frank Deaton has announced.

And it'll be worth cash besides the appearances it'll make downtown. First prize will be \$50 and second prize will be \$25. Judging will be by a committee from the Civic League and Garden Club and basis will be "effect" rather than amount spent for decorating or re-doing.

The participating merchants will be judged on how effectively they display their windows regardless of the amount of money they spend on the job.

So anyone can compete. The chamber office should be notified soon of intent to participate by individual merchants.

"The design and appointments of each individual store is a problem that only the store owners, the designers and planners, familiar with the problems of merchandising, can best handle," Manager Lee Ellis said.

Negotiations are under way during the inaugural period for the stamp plan here. She is presenting customers with a Plaid Stamp Catalog and Saver Books.

In addition to over 900 gifts illustrated in the customer book, customers may select from a special 150-page Gift (Continued on page 2)

DOWNED PLANE . . . Gorman Progress Photo

Plane Crash-Lands In Field at Gorman

A light plane carrying an Abilene family crash-landed late Monday afternoon in a peanut field near Blackwell Hospital in Gorman.

The family of Ross Tippet, Abilene consulting engineer, received emergency treatment at the hospital.

The Piper Comanche was en route to Tyler when an oil pump developed trouble and speved oil on the windshield.

Witnesses said the plane hit a fence in the field and a wing hit a telephone pole, causing the plane to collide with a railroad track embankment.

After treatment, the family departed from Gorman.

Teen-Age Round Up Set Today

The Teen-Age League Roundup will be held Thursday and Friday at Fireman's Field.

All boys between the ages of 13 and 15 are urged to be present at 5:30 p.m.

Public Office Candidates To Speak At Rally

All candidates for political office in Eastland County, the district and the state have been invited to speak at an old-fashioned political rally in downtown Cisco at 2 p.m. Saturday, April 28.

Sponsored by the Junior and Senior Chambers of Commerce, the rally will give area voters an opportunity to meet and hear the various candidates, according to Manager Larry Miller of the C of C, who will serve as the master of ceremonies.

Members of the Jaycee-Ette Club will serve free cookies and pink lemonade during the rally. Band music and other entertainment are planned as a part of the program, Milner said.

HUNDREDS EXPECTED 2-Day District Lions Convention Gets Underway Here Sunday

TOM KIRKHAM
State Secretary

The Village Hotel as well as all local motels are filled with reservations for the annual District Lions Club convention to be held here Sunday and Monday. This is also true of the neighboring towns.

Three major political contests will be held during the meeting in Eastland County.

P. E. Shotwell of Abilene and Clifford Schmidt of Mineral Wells are campaigning for the position of Lion governor.

Vying for the office of International Director are W. W. Dillake of Borger, James Curtis of Longview and Dave Evans of Texas City.

Seeking election as director of the Lion's Crippled Children's Camp are Joe Weaver of Olney and Jim Sliger of Wichita Falls. This position is held at present by Shotwell.

Convention headquarters will be in the Village Hotel, where registration will be held from 8 a.m. to 6 p.m. Sunday.

The Governor's Cabinet meeting will be held Sunday from 2:30 until 4 p.m. in the Conference Room of Texas Electric Service Company.

Forums for incoming presidents, incoming secretaries, Tail Twisters, membership development and fund raising, program of work and fund raising and public relations and club bulletins will be held from 3 until 5 p.m.

Weekend VFW Convention Set For Brownwood

Eastland Veterans of Foreign Wars delegates and Ladies Auxiliary representatives will be among those attending the Spring Convention of District 8, Department of Texas, which will be held Saturday and Sunday at Brownwood's "Heart of Texas" Past 3278.

Registration will begin at 12 noon Saturday. Afternoon sessions include a hospitality hour at the Post Home for VFW members, with Ladies Auxiliary groups meeting downtown for a social. A dance will be held Saturday night.

Featured speaker for the convention will be Billie L. Dorris of Austin, state quartermaster, adjutant and editor of Texas VFW News.

300 Ranger Signatures On Beer-Wine Petitions

Approximately 300 people signed the petitions in Ranger calling for a beer-wine election in that city, reports indicate this week.

It was estimated at the time the petitions were taken that a minimum of 284 signatures would be needed to call the election for the legalization of the sale of beer and wine within the corporate limits of Ranger.

The deadline for returning the petitions is May 5th but it is assumed that they will be returned earlier, although it is not known when.

The proponents of the wet election apparently are in the process of checking the qualification of the signers to make sure there will be enough qualified signers on the instruments to call the election.

A signer must be a qualified voter residing within the corporate bounds of Ranger, and must sign the petition in the same manner as their poll tax receipt.

It is generally felt in Ranger that if the election is called, it must be called by the County Commissioners Court within 30 days after the petitions are returned if found to be in order that the measure will carry by possible three to one.

The manner in which the petitions were issued calls for both on and off premise consumption of beer and wine.

.62 Inches of Rain Record Here Sun.

Eastland had .62 of an inch of rain Sunday and cloudy sky threatened during the early part of the week.

The severe weather in the state Sunday evening virtually missed this county but swept north of here dumping some six inches of rain at Mineral Wells.

Comedian Entertains At EHS Wednesday

Eastland High School students were entertained by Joss Wind, one of the foremost European comedians, Wednesday morning in the high school auditorium.

Wind first became amateur tennis champion of his native Netherlands.

Later, with his natural talent for music and entertaining, he became a professional comedian in his early teens.

He has just returned to the United States from a tour of Germany and France where he appeared at the request of the American Army Special Services.

Gibbens Blasts Current Tactics

"The smear campaign out of Austin, of which I had been warned, apparently is beginning here in the final days of this race," State Representative Wayne Gibbens said today as he blasted the smear campaign and tactics being waged by sources from outside this district.

Gibbens is a candidate for re-election to the House from the 63rd Legislative District.

A piece of literature bearing an Austin postmark has been widely received over the district. Ministers of all denominations apparently the main target of what Gibbens termed "the beginning of a vicious attempt to misrepresent and falsify my voting record by distributing misleading, scurrilous propaganda filled with half-truths and innuendo."

The return address on the envelope contained this piece of literature was LEGISLATIVE SERVICE, CAPITOL STATION, AUSTIN, TEXAS, and the information purports to show how Representative Gibbens voted on two issues.

The Texas Legislative Service by telegram has denied mailing any such voting records. Mr. Walter Long, head of this reputable legislative service in Austin, when contacted by telephone yesterday said, "the compiling and distributing of voting records is not a function of our service. We certainly had nothing to do with this." In answer to another question Mr. Long stated that no one is authorized to use the name of his legislative service on an envelope.

Representative Gibbens said "Apparently the professional Austin Lobbyists, who are opposed to my candidacy are attempting to hide behind the name of this responsible and respected legislative service in order to cloak this vicious and malicious propaganda with a false veil of truth."

A&P Now Featuring Plaid Stamps Here

A & P, the oldest grocery store chain-founded in 1859—is now giving MacDonald Plaid Stamps with purchases here, according to Willie Moore, manager.

The MacDonald Stamp Plan claims to be the oldest in existence. The stamp stamp book holds \$120 worth of stamps.

One distinguishing mark of Plaid Stamps is three sizes of stamps, instead of the typical single size stamps.

In addition to the single, MacDonald is noted for their \$5 stamp, which covers a full page and their \$1 stamps, which cover one fifth of a page.

Mrs. Jo Ann Ingram is hostess for the store this week during the inaugural period for the stamp plan here.

Political Rally Is Planned By Cisco C of C

Rotary's Funny History Is Dr. Caton Presentation

Humorous aspects of the history of the Eastland Rotary Club was program for that club Monday at their regular luncheon at the White Elephant.

Dr. J. H. Caton, retired Eastland physician, joined the club when it was one year old, and gave personal glimpses backward of the organization expanding on the basic history as recorded by Member Earl Bender in his 1954 publication.

Organized in 1921 under the sponsorship of a Dallas club, the club now has one charter member, Mr. Grady Pipkins, who was present Monday and received a salute of applause from the members.

Dr. Caton outlined the succession of club presidents, its past meeting places and expounded on its varied projects through the years.

He recalled the initial student loan fund project with some interesting "side-notes." Present members also learned about a project he called the "chicken escapade," and a goat and sheep venture, as well as prize fight, beauty con-

test and the hotel assistance program.

Dr. Caton recommended that incoming President Jack Germany name Earl Bender a committee of one to bring the club's recorded history up to date.

The club's various publications were named through the current weekly publication, "The Gusher," edited by Jim Horton. The club also applauded Horton's regular news bulletin.

The club will meet next week on Tuesday rather than Monday due to the forthcoming Lion's Convention meeting which will be on Monday.

A Story Worth Re-Telling Is The Tale of 'Ole Rip'

EDITOR'S NOTE: The following is an account of 'Ole Rip', written by an Eastlander and Ranger Junior College journalism student. The story of the famous horned toad, whose remains now lie in state in the Eastland County Courthouse, is a story dear to the hearts of native Eastland countians, and deserving of re-telling.

BY BOB PHILLIPS Possibly the most famous character in Eastland and Eastland County is Old Rip, the famed horned frog that rose to national prominence several years ago.

When the old Eastland courthouse was removed in 1928, a horned frog was found alive after being imprisoned in the cornerstone for thirty-one years. Someone named him Old Rip and he immediately became famous, especially after he was taken on a tour of the East. The tour proved too much for Old Rip, however, and he died of pneumonia January 28, 1929, less than a year after he was removed from the cornerstone.

A few years later, Larry McGraw, Carl Johnson, Herb Tanner, and a few other Chamber of Commerce members in Eastland put together a plan that would celebrate Old Rip, and that is when the first Horned Toad Derby began. It was soon to be known

land County. The past derbies merited publicity nationwide.

Promoting and financing a derby was quite a job. The money was raised by having horned toad races as one of the main festivities of the derby. Clever letters were sent to merchants, manufacturers, and prominent people all over the United States and various other places asking if they would enter a frog in the races.

The response was better than expecting, for there were entries from everywhere.

On year Edger Bergen, creator of Charlie McCarthy, entered a frog that won a share of the prize money.

The cost of entry was five dollars a toad and fifteen dollars entry fee for those who wished to enter the sweepstake race. Three hundred dollars went to the first place winner of the sweetstake race, \$200 for second place winner, and \$100 for third place winner.

The whole plan went smoothly, and Eastland had three successful derbies.

The last Horned Toad Derby was held in 1950 and it proved to be the best of the three.

Over 600 toads were entered in the races.

It has been said that the next year or so would be a good time to revive the derby, for it would again draw nationwide attention to East-

Cooper Reports Budding School As Big Success

The annual Eastland County pecan budding school was a good success at Cisco Junior College last Tuesday. County Agent J. M. Cooper reported. A total of 83 persons from 14 counties registered and participated in the all-day program.

The program opened at 9 a. m. with Mr. Cooper lecturing on when, where and how to bud pecan trees, types of budwood, forcing the buds, the difference between budding and grafting and other features.

After eating lunch in the school cafeteria, the group went to the Kent Word farm on the Leon River south of Cisco where practice budding was carried out. A supply of cold storage pecan budwood was on hand for distribution to the visitors.

Mr. Cooper said the number of orchard men in attendance was the largest ever to attend one of the county schools. This was the third held in Cisco, and it was sponsored jointly by the county agent's office and the Chamber of Commerce.

A. Z. Myrick, chairman of the CoFC agriculture committee, extended a welcome to the visitors.
