CARE OF CARVING TOOLS Without a doubt the carving set in your house hold will receive much use in the coming few weeks. To get full cooperation from your set, give it good care. Keep it separated from other cutlery so the knife will not be dulled or nicked. A good blade needs only occasional sharpening, but it should always be steered before using.

ROASTING KNOW-HOW A tender roast should never be covered in cooking. If covered, it becomes a pot-roast. Meat should be roasted at a low temperature: 200 degrees F. for beef, veal, lamb and smoked pork; 350 degrees for fresh pork. Searing does not keep in the juices but actually increases the cooking losses.

CARVING TIP No matter who does the carving of the holiday roast at your house, remind him of the first rule of carving. "Cut across the grain." This will produce slices with the best texture and most attractive appearance. Steaks are the exception. They are carved with the grain.

PLANNED LEFTOVERS It's a smart idea to buy a large enough ham for your Christmas dinner to have enough left for at least one more meal. That second-day dish will be time-saving and economical, and there are so many delicious cooked ham recipes from which to choose.

## District Scout Barbecue To Be In Ranger Dec. 16

The First Annual Northeast District Round-Up Barbecue for Cub Scouts, Boy Scouts and Explorer Scouts will be held in Ranger Saturday, Dec. 16 in the First Methodist Church, beginning at 5 p.m.

Approximately 800 scouts and adult leaders from Ranger, Eastland, Cisco, Breckenridge, Woodson, Stephenville, Olden and Gorman are expected to attend.

Barbecue deer and turkey, with all the trimmings, will be on the menu.

The program will honor troops of the area that completed the Fall Round Up of new boys for their troop. Each troop, in order to receive an honor plaque, is required to register six new boys during the round up. Another phase of the program will be the branding of all new boys that have joined scouting during the round up.

Fred Bennett, scoutmaster of Troop 10 of Ranger, is chairman of the barbecue event.

### HOW TO RAISE DELINQUENTS

The following "Twelve Rules for Raising Delinquent Children" were issued by the Houston, Texas Police Department.

1. Begin with infancy to give the child everything he wants. In this way he will grow up to believe the world owes him a living.
2. When he picks up bad words, laugh at him. This will make him think he's cute. It will also encourage him to pick up "cuter" phrases that will blow off the top of your head later.
3. Never give any spiritual training. Wait until he is 21 and then let him decide for himself.
4. Avoid the use of the word "wrong." It may develop a guilt complex. This will condition him to believe later, when he is arrested for stealing a car, that society is against him and he is being persecuted.
5. Pick up everything he leaves lying around — books, shoes and clothing. Do everything for him, so that he will become experienced in throwing all responsibility on others.
6. Let him read any printed matter he can get his hands on. Be sure the silverware and drinking glasses are carefully sterilized, but let your child's mind feast on garbage.
7. Quarrel frequently in the presence of your children. It will keep them from being too shocked when the home breaks up.
8. Give the child all the spending money he wants. Never let him earn his own. Why should he have things as tough as you had them?
9. Satisfy his every craving for food, drink and comfort. See that every sensual desire is gratified. Denial may lead to harmful frustration.
10. Take his part against neighbors, teachers and policemen. They are all prejudiced against your child.
11. When he gets into real trouble, apologize for yourself by saying "I never could do anything with him."
12. Prepare for a lifetime of grief. You'll probably have it.

**HOW TO EXTEND THE SPIRIT OF CHRISTMAS**

11 days to Christmas. Are you ready? It seems every one in Eastland is busier than ever this year holiday plans.

Each year people discover new ways to express their feelings at Christmas. It's a wonderful and exciting time when folks everywhere add new expressions of good will to the traditional Spirit of Christmas.

Over the years, nothing has ever quite replaced the satisfaction of personally exchanging greetings with friends and family at Christmas. This helps explain the popularity of modern-day Christmas traditions: the Long Distance call. Beginning on Christmas Eve, and through Christmas day, some 16 million people exchange great-Long Distance.

Making holiday calls, here's an idea that will help extend the joy of Christmas over the entire holiday. Place your Long Distance calls station-to-station or person-to-person. This way you can make almost any call for the price of two. You save even more when you call on Sundays or after 6 p.m. on weekdays. And, if you place your calls over the whole Christmas season, you find that each one seems to renew your holiday spirit.

Whenever you call, your call will go through faster if you use the area code number for the out-of-town you wish to reach. If you don't have the area code, the Operator will be glad to give it to you. Jot it down for future use.

**TIP FOR LAST MINUTE SHOPPERS**

If you're still looking for an extra special surprise for a favorite person on your Christmas list, I suggest you call our office and ask about our Phoneland suggestions. You'll find a host of telephone services that are sure to please. Extension phones in color for any room in the house. Wall phones for the kitchen or den. . . table models in handsome Princess phone for bedrooms and living rooms. Mother, wife or daughter will be delighted with such a thoughtful and personal surprise. So will you.

With each order for a Christmas phone, you'll receive a free toy phone in an attractive box to place under the tree. Why not stop by or call our business office this week and let us help you make just the right selection?

**CHRISTMAS LIGHTS**

Eastland is beautifully decorated in the downtown area for the Christmas season. I am sure we could consider his unusual lighting arrangement something to be proud of. I'll bet you won't see lights as beautiful as these here.

**HO! IDAY GREETINGS**

Like to take this opportunity, on behalf of all of us at the telephone company, to extend our very best wishes to you and each member of your family for his holiday season. Have a MERRY CHRISTMAS and a HAPPY NEW YEAR!

Call by number. It's twice as fast.

**Pat Collins Receives Outstanding Cub Award**

The 29th Annual Comanche Trail Council Banquet, honoring Cub, Scout and Explorer leaders of the Council, was held in Brownwood Thursday night.

Special awards for service to the Scouting movement were presented to outstanding adult leaders in the Council, during the annual banquet.

Receiving the Outstanding Cub Masters Award was Pat Collins of Ranger, Cub Master of Pack 34 of Ranger. Collins has been head of the Ranger Pack for the past several years. Pack 34 has 55 boy members and 7 Den Mothers.

Other awards presented were to Mrs. Vera Watson, Richland Springs, Outstanding Den Mother; Warner Bendorf, Breckenridge, Outstanding Scout Master; Robert Self, Stephenville and Bill Hart, Brownwood, Outstanding Explorer Advisors.

Jack Merrel of Breckenridge was presented the Silver Beaver Award, and John Woody, Brownwood and William Lynn, Comanche received 35-year and 28-year Service Pins.

New Comanche Trail Council officers for 1962 are: President, Firman Smith, Brownwood; National Council Representative, Dr. D. T. Graves, Goldthwaite and Paul A. Cunyus, Stephenville; Vice President, Dr. J. C. Terrell, Stephenville, W. Wayne Dees, Brownwood, Doyle Graves, Stephenville, Warren P. Duren, Goldthwaite and Frank Sayre, Eastland; Treasurer, C. L. Pouncey, Brownwood and Council Commissioner, Jodie Baker, Breckenridge.

Ferman Smith, in accepting the office of president of the Council said:

"The Boy Scouts of America originated back in 1910, and the only organization of such a nature to be established by an act of Congress of the United States of America. A lad who was trained by his parents to be courteous to all was the cause of the beginning of this organization.

"Never before has the challenge been so great to the leaders of the program. We face a crisis in our nation today and the evils of Communism threatens our nation. Survival is the sole responsibility of the parents and the leaders of the Boy Scout movement.

"From the splendid work of the Den Mothers, Cubmasters, Scoutmasters and Explorer Advisors who make effective the Scouting Program in the lives of the boys, we honor you tonight.

"Our scouting program must change with the times in order to

be effective. Many activities have been offered this year of 1961, in an effort to give the leadership and training the boys deserve. The program has stressed quality, training the boys to be good American citizens. Such top quality program can be carried out most effectively by those who have been trained in this program.

"At the present date, the records show that we will close the year of 1961 with a high number of boys in all phases of scouting, and an equally high number of units.

"We are further proud of the improvements of Camp Billy Gibbons by the installation of electric lights for the Camp. This, we feel, will add much to the future camp. This program is dedicated to the service of boyhood in the Council composed of the following Counties: Lampasas, San Saba, Mills, Comanche, Eastland, Erath, Stephens, Brown and parts of Throckmorton and Young, the counties being divided into two districts: provided with equal programs and adequate leadership.

"In addition to this, we have established a committee of public relations which gives us the opportunity to tell the public what we are doing for the boys and because of this, the newspapers, radio stations, civic clubs, churches, veteran's and school groups are giving aid to the advancement of this cause.

"It is therefore, appropriate that we express THANKS to those who have served with the boys, the newspapers, radio stations, civic clubs, churches, veteran's and school groups in the promotion of the scouting movement."

Mrs. U. C. Baggett of Cleburne and Mrs. Harry Watt of Woodland, Kan. were guests this week in the home of Mr. and Mrs. J. L. Brashears.

Mrs. Baggett and Mrs. Watt are the sisters of Mr. Brashears.
