The trouble with good advice is that it usually interferes with our plans.

**Green Kindergarten Last Day March 19**

March, 1975, was in full swing at the Green Tot Kindergarten, 903 W. Plummer. Our last day of Kindergarten was March 19. All these tots will go to the public school kindergarten but one—Susan Tankersley was only four in December. However she is more capable and listens better and works much harder than several who will be going. Twelve are ready, the rest will have to settle down and work very hard to be ready by August, 1975.

We enjoyed making rocking horses, birds, stop signs, ducks, rabbits, horses and butterflies. We studied about the new National Road Signs (pictures in place of words, so all would understand the meaning). We colored squares and made them in long strings to review during the summer months. They were red, orange, yellow, green, purple, brown, black and blue.

Lori Lasater surprised us by reading any of the books out of our several hundred in our kindergarten library. We did not teach her to read (her mother and daddy give her lots of their time). She reads better than some Jr. High and a few senior high students I have taught years ago. Lori will be five years old March 26. We gave her a surprise birthday party before kindergarten was out. We sang Happy Birthday Dear Lori and she blew out her candle.

Charles Howard Chaney built the kindergarten a log cabin out

of their Lincoln logs and fenced it in when he visited here.

Holly Green, age 4, loaned us some of the things she had made at her kindergarten in San Angelo. We put most of them in the window to share with parents when they bring their tots. Each child chose what they wished to do for their program. Ken Petty said 'Old Mother Hubbard'. Lisa Chick-Ten Little Indians. Calvin Golden-Little Boy Blue. Karen Walton said ABC's. Kim Martin-Hey Diddle Diddle. Travis Vinson gave the kindergarten pledge 'I Will Not Smoke, I Will Not Drink, I Will Not Use Drugs. Amy Gann-Yankie Doodle. Stefanie Tankersley-Jack Be Nimble. Melanie Herweck-Hickory Dickory Dock. Sherri Boyd-Baa Baa Black Sheep. Josefa Orozco sang 'Jesus Loves Me'. Kimberly Sharp said Humpty Dumpty. Susan Tankersley counted. Lori Lasater gave 'God's Little Flowers'. Stephany Bingham gave Mary Mary Quite Contrary. Rachel Watson gave Jack and Jill. Mrs. Finley gave the tots special treats for Easter and Mrs. Green another day.

We appreciate our student and parents interest. The daddies and mothers worked hard as did many friends. This is the reason for the outstanding success of the Green Tot Kindergarten for the past 21 years and best teachers.

Basketball is our fun game at present. We have enjoyed the fruit trees in full bloom this past month. We are hoping the frost will miss them this year.

We discussed the true Christian meaning of Easter (not new shoes, new clothes, and frill or Easter bunny and eggs).

We have a nice list of tots for the next year to come to the Green Tot Kindergarten (if we have it.) If you are interested would be fine to get your tots name on the list. Call 629-2460, Mrs. Ferne Green. Happy Easter to All.

**Music Study Club Hold Meeting**

Music Study Club of Eastland met Wednesday, March 19, at 3:30 p.m. in lovely Bell Hurst Ranch for their program on Second Study of the Gershwins. Upon arrival guests were served delicious refreshments by the hostess, Mrs. Russell. President Mrs. Rossander presided in the absence of Mrs. Wilhelm, who was leader for the program and also gave the program. The quotation for lesson was the lovely line from Charles Fox "Music is the most evocative of all arts." Hymn of the month: Come Ye Faithful, Raise the Strain, was sung in unison with Mrs. Frost leading and Mrs. Russell, pianist.

Mrs. Rossander gave the program on Second Study of Gershwin by Robert Kimball and Alford Simon in the most interesting and entertaining manner. Mr. Ben Karnes gave piano selections from Gershwin. The club in expressing their sincerest appreciation for her generous hospitality of long standing, presented Mrs. Russell with a beautiful pot plant. President Mrs. Rossander will accompany Stacy Blair and his accompanist to San Antonio where Stacy will be on program Thursday, March 20.

**Donald R. Staton Attending H.T.S. At Naval Base**

March 12 - Navy Fireman Apprentice Donald R. Staton, son of Mr. and Mrs. Derwin Honea of 1400 Front St., Cisco, Tex., is attending Hull Technician School at the Naval Base, Philadelphia.

During the four - week course he will receive instruction in shipboard fire fighting and damage control, and use of related equipment. He will then report to the Naval Training Center in San Diego for additional training in welding, sheet metal work and pipefitting.

*Do You Remember*

BY HERMAN DEMPSEY  
In those days when people enjoyed community life because there were no fast and convenient means of travel long distances, there very seldom was any crime among the folks. All the community was made up of God fearing Christian people who went to church twice on Sunday and prayer meetings on Wednesdays. Children were reared under this environment and generally never thought of committing a crime. They were

taught that to obtain something of value they wanted, they must first earn the necessary money to purchase the item. It was never considered necessary for folks to lock their homes when they were to be away for awhile. People who came by would either sit on the front porch and wait for the folks to return or write a note on the little blackboard on the porch that they were there and would return some other day for a visit.

We are all called (not just preachers) out of darkness into His marvelous light.

The Rev. Dennis closed with the three responsibilities of a Christian: the Worship of God to give strength to our lives, to learn, never tooold to read and learn and to Serve, the Church never lets you rest.

Mrs. James Horton gave an inspiring devotion on Friendship; using the hymn, "What a Friend We Have in Jesus", by Joseph Scriben, whose own life was tragic but could write the beautiful words of the old hymn.

Mrs. Hassell, president, announced the next meeting would be with both Circles at the lake home of Mrs. Harold Ray, March 25.

Mrs. A.E. Cushman Reporter

**Rev. Gordon Dennis Hold Program With UMW**

The Rev. Gordon Dennis, District Superintendent of the Brownwood District of the United Methodist Church, met with the United Methodist Women this week in their regular meeting. He brought news from the Conference and District and stated that though the church is always advancing and changing, its message hasn't changed. It is still trying to tell the story of Jesus. More and more the church is recognizing that social issues have to do with the whole of life and facing up to these issues makes a better church. It is a fact that

**Dolberry-McCullough Wedding Vows Recited March 22 in Midland**

Lisa Dolberry and Jerry Brown McCullough were united in marriage March 22, 1975, at 7:00 p.m. in the First United Methodist Church in Midland, Texas. Dr. Timothy Guthrie of the First United Methodist Church performed a double ring ceremony.

The bride was given in marriage by her father, Lee Dolberry.

The bride wore a formal gown of candlelight organza over peau taffeta designed with Victorian neckline, sheer Bishop sleeves with deep buttoned cuffs and a cathedral train. Organza tucks edged in Belgian lace formed a front panel of the gown. Belgian Lace accented the neckline, cuffs and full length train. She wore a picture hat of candlelight silk illusion banded with matching grosgrain ribbon and velvet forget-me-nots.

Matron of honor was Mrs. Robert G. Lankford of Ashville, N.C., sister of the bride. She was attired in a formal gown of voile over taffeta in shades of green. It was designed with a fitted bodice, Bishop sleeves and full gathered skirt. She carried a cascade bouquet of

yellow carnations. Maid of Honor was Becky Peyton of San Antonio. Bridesmaid was Dottie Brothers of Fort Worth, and Bridesmatron was Mrs. Joe L. Cooney of Odessa. These attendants were attired in gowns identical to the matron of honor. Each carried a cascade bouquet of yellow carnations.

Shelly Blanchard of Midland was Flower Girl and she wore a candlelight linen dress designed with long Bishop sleeves with deep cuffs. The empire waist, cuffs and hemline were trimmed in Bishop sleeves, lace and avocado velvet ribbon. She carried a basket arrangement of yellow, tangerine and white flowers accented by avocado and yellow showers.

Billy Johnson of Dallas was Best Man. Groomsmen were Eddie Priese of Dallas, Roger Terrell of Eastland and Greg Cornwell of Carrollton. Ushers were Robert G. Lankford, brother-in-law of the bride, of Asheville, N.C.; and Mickey Carter, brother-in-law of the groom, of Littleton, Colorado.

The church was decorated with two gold candelabras

accented with arrangements of white gladiolas and tangerine carnations.

The reception table was covered with white linen cloth edged in lace. The centerpiece was a silver candelabra decorated with white, yellow and tangerine carnations. An arrangement of tangerine carnations was on the registry table. House party members wore corsages of tangerine carnations.

Members of the house party were Mrs. Mickey Carter, sister of the groom, of Littleton, Colo.; Michele Carter, niece of the groom, of Littleton, Colo.; Kelley Carter, niece of the groom, also of Littleton, Colo.; Mrs. Fred G. Brown of Midland, and Mrs. Johnny Feeler of Odessa.

After a honeymoon trip the couple will make their home at 3917 Harvest Hill Road, Apt. 128, in Dallas.

Bride's parents are Mr. and Mrs. Lee A. Dolberry of 3409 W. La., in Midland.

Groom's parents are Mr. and Mrs. S.G. McCullough of 1208 Plummer Street in Eastland.

**MRS. ALLMAY  
FIRST GRADE**

We are excited this week about getting out of school for a week. Easter time, and getting our report cards. Some of us need to improve our work in the next eight weeks so our report card grades will be better next time.

We have been busy decorating the show case in the hall. We decorated Easter eggs to frame our pictures. We also made rabbits and chickens for Easter.

We have a new boy named Jason. Donnie is home from the hospital. Scott had a birthday Monday.

**MRS. YOUNG  
THIRD GRADE**

On Monday Mrs. Young told us that Tuesday would be our program. Everybody was excited. On Tuesday we performed for all the grades in school. When school was out nobody had to go to study hall. Then at 4:00 we gave our program for our mothers and dads. Then on Wednesday Mrs. Young told us we won the room count at PTO. Mrs. Young said we would vote on what we would buy. We all voted on a volley ball net. It may be too expensive for us to buy. Derrik Fox

**MRS. GREEN  
FOURTH GRADE**

We are doing fractions. We are adding them too. In English we are in alphabetical order. We got two new boys, one is Randy. The other is Paul. We are playing baseball. We get out a week for Easter. We made bunny rabbits for our boards. We get out at 2:30 tomorrow. Happy Easter!

Jim Moylan

**MRS. LITTLE  
SIXTH GRADE**

We made a picture with the sun rising in the east Tuesday. In math we are multiplying and reducing fractions. In English we are almost ready to start chapter 7. Wednesday we had our first history test. Everyone made a good grade. We colored robins and their eggs, a yellow warbler and the scarlet tanager to put in the show case. Thursday we read some descriptions of States and places in the United States. Friday we are going to a program at the high school. That's all til next week.

This week's reporter  
Carole Ann Kidd  
P.S We get out at 2:30 Friday for Easter Holiday.

**MRS. COATS  
SECOND GRADE**

Easter is not far away and we are ready for a spring vacation. Only 8 weeks before school is out. So, we are hard at work learning so many things. In arithmetic, we have learned to borrow when we subtract. And we are learning cursive writing at last!

**MRS. TURNER  
THIRD GRADE**

We did our program for PTO Tuesday. We sang songs about Texas. Mrs. Young's room won the room count. After the program we took the plants that we grew in our room home with us. Wednesday we wrote thank you letters and Thursday we wrote more letters. Today we are going to a school program. Today is Jeannette Housson's birthday. Good Citizens are Brad Freeman and Kim Truan. Lunchroom manners go to Jeannette Housson. Well that's all we have to say.

**LETTER TO THE EDITOR:**  
We in Eastland have a crucial period ahead relative to the higher rates utility companies must pay for fuel, and which subsequently must show up to some degree on our utility bills.

There are many reports from around the state and nation of drastically increased utility rates, while wood stoves are being used to warm some homes because of high utility costs.

Our City Commission voted unanimously to oppose a State Utility Commission, and therefore must have a substantial alternative in mind. I personally think there is merit to a State Utility Commission with some provision for a local city hearing, and a confirming vote in any rate decision. This may not be the answer, but can be weighed with other alternatives.

John A. Beil

Some news projection in the Eastland Telegram relative to what the City Commissioners propose to assure the fairest utility rates possible to Eastland citizens would be informative and helpful.

We must have two elements in this question; the fairest utility rates possible, while allowing the utility companies a profit in keeping with a healthy business climate. The whole picture poses hard, and often times highly technical/economic questions. It behooves us to have the right answers when at all possible. Candidates for the City Commission must address themselves to this critical question. Along with the many others that plague cities like Eastland today. Thank you for your consideration.

### A THOUGHT FOR THE WEEK

BY BOB BOYD

A prominent firm of psychologists ask this question when screening and examining employee applications for their clients. "Of all the men you know, have known, met or heard of, what one man would you most like to be like?" Explain why.

Reports indicate this question brings in a lot of different answers and peculiar reasons. Selections include Grandpa, Dad, Uncle John, Cousin Tim, and so on in an apparent effort to tie in a helpful family trait...or affiliation. Other applicants select men such as Chruccill, Lincoln and other historical greats. Some select sports, business or political personalities.

Obviously of course, the psychologists are interested in the reasons why - not so much in the selection itself. The reasons for the selections also vary greatly. Accomplishments, achievements, materialistic success, untarnished reputation, character and other attributes - are mentioned as reasons.

It is an interesting question. How would you answer it? Who would you select? Why? Watch for our selection next week. You may - or may not - be surprised!

## Bob Vaught Candidate For City Commission

Lone Star Expects 24 Percent Return to Stockholders

Refer to last Thursday's Paper:

Income to Stockholders, Fair Value	\$15,000,000
Percent Return on Fair Value	16 Percent
Net Decrease in Interest on Debt and Income Taxes Based on Original Cost	2,000,000
Income to Stockholders, Adjusted	17,000,000
Original Cost Equity	62,000,000
Percent Return	24 Percent

Use of the fair value concept for ratemaking purposes requires the ratepayer to pay for what he has already paid for through past rates.

No wonder Lone Star hasn't asked for a rate increase since 1969. You just don't disturb a bird nest on the ground.

I understand our present City Commission has not as yet seen fit to rescind their letter to our State Senator and State Representative opposing a Strong State Utilities Commission, a letter which I contend pre-empted our right of due process since they had no knowledge of our views.

A Strong State Utility Commission is not a bunch of bureaucrats. They act as a legal referee to see that the underdog ratepayer gets a square deal. The total public interest must prevail. The courts of the land will see that it does.

A Strong State Utilities Commission is the Only Answer.
